

3rd Congressional District Hearing

Shannon Glass

to redistrictingcommittee,

To whom it may concern:

I would like to submit the following testimony.

For most of my forty-three years of life, I have lived in the 3rd Congressional District. The district may seem like it is oddly shaped, but the geography it represents and the people living in it share similar struggles that bind us together. Being near two major expressways as well as many industrial and transportation hubs, our problems and the solutions that we need are similar to those all along the I-55 corridor. This district has a history as an active Chicago and Cook County Democratic, working-class stronghold.

As a resident of the 11th Ward, Chicago's Canaryville neighborhood, and the southwest side, I am asking the committee to allow my community to remain in the 3rd Congressional District.

Sincerely,
Shannon Glass
