

## District 6

to [redistrictingcommittee@hds.ilga.gov](mailto:redistrictingcommittee@hds.ilga.gov)

Putting two strong progressives in the same district - District 6 - nullifies constituents' hard work in getting them elected. Both defeated staunch conservatives (Roskam and Lipinski). This redistricting decision devalues all the effort we put forth the previous 4 years. Fix the map to keep Casten and Newman in different districts. Don't offer one up for some non-proven candidate.
