

Redistricting Concerns

Tony Li

to redistrictingcommittee,

Dear Redistricting Committee Member,

From the Bridgeport neighborhood of Chicago to Joliet, Illinois 3rd Congressional District is filled with people from a variety of backgrounds who share common dreams and burdens. The people of the district share an entrepreneurial spirit, which inspires us to start businesses, create jobs, and raise families here. Though the 3rd district is a veritable cornucopia of faiths, colors, and creeds, our values are shared and that diversity serves as our strength. As the transportation capital of the Midwest, our ties bind us together, and we deserve common representation.

The 3rd Congressional District has historically represented constituents on the southwest side of Chicago and the southwest suburbs. For nearly three decades, the district has represented constituents from Bridgeport and Canaryville to Beverly, south through the suburbs of Stickney, Lyons, Palos, Worth, and Orland Townships. This district has a history as a strong Chicago and Cook County Democratic, working-class stronghold.

As a resident of Chicago's Bridgeport neighborhood, and the southwest side, I am asking the committee to allow my community to remain in the 3rd Congressional District.

Best regards,
Tony Li
