

To The Redistricting Committee:

I am a resident of the 9th District and I am writing to you today to give my insight into my community of North Lawndale Community known as the triangle in order to help inform the redistricting process. In particular, In order to keep my community of North Lawndale Community known as the triangle in the 9th district this is represented by Representative Lakesia Collins.

I am aware of the basic function & needs of redistricting, which is to give citizens input into who their representative is, based on efforts to reflect the population of Illinois. In addition, I am aware that the process is intended to create diverse vibrant maps that allow for diverse representation of communities of interest. The 9th District of Illinois is one of the most diverse in the state and should remain so; I believe that my community of North Lawndale Community as the triangle is best served in the 9th district and by Representative Lakesia Collins.

North Lawndale Community is rich in history, culture, and family. We have always been apart the 9<sup>th</sup> District of Illinois and would like to remain a part of the 9<sup>th</sup> District Of Illinois. We are one community, The North Lawndale Community and want to be represented by the 9<sup>th</sup> District.

Thank you for accepting my written testimony and I hope that my community of The North Lawndale Community known as the triangle may continue to remain in the 9th district and represented by state Representative Lakesia Collins.

Regards,
