HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 380

Offered by Representative Severin:

WHEREAS, Farm City Days, hosted by the Franklin County Farm Bureau Foundation, YourFranklinCounty.com, and the Franklin County Farm Bureau, is a family-friendly festival providing residents of Franklin County an opportunity to visit and understand farming operations and safety; proceeds benefit the Franklin County Farm Bureau "Ag in the Classroom" activities; and

WHEREAS, The members of the planning committee are a diverse group of individuals from the farming, marketing, business, and community service industries; everyone shares a common goal: To facilitate ongoing cooperation and understanding between between city (non agricultural) residents and the farming industry; and

WHEREAS, The Farm City Days celebration begins the morning of June 10, 2017 in historic Benton with a Farm Machinery Parade; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare June 10, 2017 as Farm City Days; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Franklin County Farm Bureau.

HOUSE RESOLUTION 381

Offered by Representative Welch:

WHEREAS, The Perkins Loan Program was first authorized in 1958 and is the oldest student loan program in the nation; and

WHEREAS, Perkins Loans serve students with exceptional financial needs and provides unique benefits to borrowers such as low fixed interest rates, longer grace periods, flexible repayment terms, and generous forgiveness programs; and

WHEREAS, Perkins Loans are designed to help the most economically disadvantaged students pay for school by removing the barriers that limit access to credit for these students such as needing a cosigner to apply for loans, and requiring the students to have good credit; and

WHEREAS, Throughout the 59-year history of the Perkins Loan Program, over \$8 billion in federal funding was awarded to more than 30 million undergraduate and graduate students nationwide; and

WHEREAS, During the 2014-2015 academic year, over 39,000 low-income students in Illinois relied on more than \$66 million in Perkins Loans at 59 schools across the State; and

WHEREAS, The Perkins Loan Program is especially important to Illinois residents given the current budget impasse and the lack of funding for the State's Monetary Award Program that provides financial assistance to low-income students; and

WHEREAS, There is no replacement for the Perkins Loan Program, and absent congressional action, it could be discontinued and all the benefits of this important program could be lost; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge President Trump and the United States Congress to permanently reauthorize the Perkins Loan Program in order to provide our students with the financial resources they need to attend college and position themselves for upward socioeconomic mobility; and be it further

RESOLVED, That suitable copies of this resolution be delivered to President Donald Trump, U.S. Senate Majority Leader Mitch McConnell, U.S. Senate Minority Leader Charles Schumer, U.S. Speaker of the House of Representatives Paul Ryan, U.S. House of Representatives Minority Leader Nancy Pelosi, and all members of the Illinois Congressional Delegation.

HOUSE RESOLUTION 384

Offered by Representative Manley:

WHEREAS, The Illinois General Assembly has worked in a bipartisan manner to address the growing heroin and opioid crisis throughout the State; and

WHEREAS, The State of Illinois continues to see a significant increase in the number of drug overdoses every year; and

WHEREAS, According to the Illinois Department of Public Health, the State has a drug overdose rate of 13.1 residents per 100,000 individuals; and

WHEREAS, There were 2,300 drug related deaths in Illinois in 2016, including over 1,800 opioid related deaths; and

WHEREAS, The Chicago metropolitan area ranks first in mentions of heroin use in emergency departments in the nation; and

WHEREAS, The State of Illinois receives millions of dollars every year to help fight drug addiction, stop drug trafficking, and offer drug treatment; and

WHEREAS, Local police departments across the State rely on this funding to help keep our communities safe; and

WHEREAS, President Donald Trump's administration has proposed a 95% cut to the Office of National Drug Control Policy which leads the fight in combating the opioid crisis and other drug use across the country; and

WHEREAS, The budget for the Office of National Drug Control and Policy would receive zero funding for its high-intensity drug trafficking and drug-free communities support programs; and

WHEREAS, The funding for these programs is essential to efforts to reduce drug use and keep our communities safe; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge President Trump and Congress to fully fund the programs that will help local law enforcement address drug trafficking and use in our communities; and be it further

RESOLVED, That suitable copies of this resolution be delivered to President Donald Trump, U.S. Senate Majority Leader Mitch McConnell, U.S. Senate Minority Leader Chuck Schumer, U.S. Speaker of the House Paul Ryan, U.S. House of Representatives Minority Leader Nancy Pelosi, and all members of the Illinois Congressional Delegation.

HOUSE RESOLUTION 386

Offered by Representative Gabel:

WHEREAS, The Illinois State Dental Society (ISDS) has a growing concern with how dental care is being provided and monitored by managed care organizations (MCOs) to their two million Medicaid enrollees; and

WHEREAS, The ISDS has recently submitted several FOIA requests to the Department of Healthcare and Family Services (DHFS) which have uncovered large gaps in basic dental care data that MCOs are supposed to be providing; and

WHEREAS, Care coordination under current MCOs may work with ancillary medical programs such as specialty care and behavioral health, where physicians oversee global medical issues, but dental care is quite different; and

WHEREAS, A true care coordination program established by the MCO with their dental administrator would ensure that pregnant women have access to the additional cleanings and periodontal services; a true care coordination program would have the MCO sharing information with the dental administrator on patients that are diabetic, none of which are occurring; and

WHEREAS, Current MCO contracts with DHFS require systematic monitoring and evaluation for ancillary services, including dental services, and for the MCO to provide a written Quality Assurance Plan to DHFS, along with guidelines for their dental services; additionally, the MCO contract with DHFS requires utilization reporting for dental benefits and ongoing evaluation of continuity of care, access, and utilization, including appropriate linkage between medical and dental coordination none of which is taking place; and

WHEREAS, DHFS has adopted 20 HEDIS (Healthcare Effectiveness Data and Information Set) quality measurements to monitor care provided by the MCOs; none of these metrics look at the quality of dental care provided to Medicaid enrollees; and

WHEREAS, ISDS believes that dental care should not be included under the MCOs, but that dental administrators should be able to directly contract with DHFS; this would allow DHFS to have direct oversight of the programs that provide dental care to the two million Medicaid enrollees in Illinois; and

WHEREAS, There is now a new request for proposal (RFP) that would expand the existing coverage model using medical MCOs for up to 80% of the State's Medicaid population with none of the concerns for dental care being addressed; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we strongly recommend and urge Governor Rauner to instruct the Director of the Department of Healthcare and Family Services, Felicia Norwood, to issue an amendment to the current request for proposal separating out dental care for Medicaid eligible recipients into separate stand-alone dental administrators; and be it further

RESOLVED, That this will provide better dental care, increase utilization, control costs, and decrease tooth and gum decay and the suffering prevalent with this population; and be it further

RESOLVED, That adult preventive services should be included and reimbursed at a reasonable level as a key part of this new dental RFP; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor and the Director of Healthcare and Family Services.

AGREED RESOLUTIONS
