HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 870

Offered by Representative Stratton:

WHEREAS, On January 15, 1867, the State of Illinois was one of the first of 28 states to ratify the 14th Amendment; on July 9, 1868, the 14th Amendment was formally ratified to the Constitution of the United States; and

WHEREAS, The 14th Amendment grants citizenship to all persons born or naturalized in the United States; it prohibits states from making or enforcing any law that abridges the privileges or immunities of citizens of the United States; it prohibits states from depriving any person of life, liberty, or property, without the due process of law; and

WHEREAS, The 14th Amendment abolished the Three-Fifths Compromise, instead requiring that all persons be counted as whole persons, regardless of race; it prohibited former Confederacy civil and military officials from holding state or federal office; and

WHEREAS, These guarantees of the 14th Amendment are the bedrock from which modern civil rights movements were born; the scope of the 14th Amendment continues to be heavily litigated in civil rights cases in courts throughout the United States; and

WHEREAS, To this day, African Americans still must overcome racism and discrimination perpetuated by institutions and individuals; food insecurity, failing educational systems, health disparities, pay inequity, and poverty disproportionately affect African Americans in the State of Illinois and throughout the nation; and

WHEREAS, The culture of racism persists through white supremacists, neo-Nazis, the Ku Klux Klan, and other groups of hate, and the abhorrent speech and violence espoused by these groups only serves to spread hate and divisions and further hinders the progress that citizens of the United States have made with civil rights; and

WHEREAS, Our great democracy thrives because of our diversity in race, gender, faiths, sexual orientations, and political beliefs; our nation was built by the labor and toil of persons from many ethnic and racial backgrounds; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commemorate the 150th anniversary of the ratification of the 14th Amendment to the Constitution of the United States of America; and be it further

RESOLVED, That we recognize not all citizens of this great country experience the full guarantees of the 14th Amendment to the Constitution of the United States; and be it further

RESOLVED, That we condemn those who seek to dismantle the foundational values of civil rights, equality, and freedom in our State and nation.

HOUSE RESOLUTION 871

Offered by Representative Meier:

WHEREAS, The Illinois Department of Transportation recently updated rules impacting underground manhole and water vault design; and

WHEREAS, Concerns over the implementation of these new requirements have been raised by the construction industry as some estimate the manufacturing cost of these structures could increase by as much as 35%; and

WHEREAS, IDOT made concessions with the manufacturing industry to allow for the use of inventory already produced under the old standard while any production of new manholes will comply with the updated standard; and

WHEREAS, It is important to encourage manufacturing in Illinois and to provide for a cost efficient way for the construction industry to maintain and rebuild the infrastructure of the State while maintaining safety; and

WHEREAS, IDOT is currently reviewing the updated standards for underground manhole and water vault design; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois Department of Transportation to implement standards that would not increase costs to the construction industry, the State of Illinois, or cities and municipalities, with increased cost for the production of underground manhole and water vault design; and be it further

RESOLVED, That suitable copies of this resolution be delivered to Secretary of Transportation Randall S. Blankenhorn and Governor Bruce Rauner.

HOUSE RESOLUTION 872

Offered by Representative Barbara Wheeler:

WHEREAS, The Illinois House of Representatives wishes to promote transparency and ensure that all taxpayers are treated fairly; and

WHEREAS, The Illinois Live Adult Entertainment Facility Surcharge Act was enacted in order to create a funding source to benefit victims of sexual assault through the imposition of a surcharge on adult entertainment facilities; and

WHEREAS, There are two methods that are used to collect the tax on adult entertainment facilities; either a surcharge imposed upon admissions or a surcharge on the gross receipts; and

WHEREAS, The funds collected from the surcharges are deposited into the Sexual Assault Services and Prevention Fund; and

WHEREAS, The revenue that was initially estimated at the time that the Illinois Live Adult Entertainment Facility Surcharge Act was passed is only half as much as first thought; and

WHEREAS, This lack of revenue directly affects the survivors of sexual assault; and

WHEREAS, The General Assembly believes in ensuring that the survivors of sexual assault are protected and aided; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we request that the Department of Revenue conduct an audit to ensure that all adult entertainment facilities subject to the Live Adult Entertainment Facility Surcharge located within the State are complying with current law and the Live Adult Entertainment Facility Surcharge Act; and be it further

RESOLVED, That a suitable copy of this resolution be sent to the Director of Revenue.

HOUSE RESOLUTION 873

Offered by Representative Ammons:

WHEREAS, The introduction of exclusionary discipline should be used only as a method of last resort; and

WHEREAS, Exclusionary discipline is any type of school disciplinary action that removes or excludes a student from their traditional educational setting; and

WHEREAS, Non-violent offenses carried out by students in pre-kindergarten through 12th grade often result in suspension or expulsion from traditional school settings; and

WHEREAS, The offenses that lead to such discipline often stem from a child's emotional, social, or family-related issues; and

WHEREAS, Exclusionary discipline often leads to negative student outcomes, such as low academic performance, higher rates of drop-outs, failures to graduate on time, and even continued disciplinary problems; and

WHEREAS, Statistics show African American and Latino youth in Illinois are more often suspended or expelled when a progression of disciplinary steps do not have a positive effect on the issue; and

WHEREAS, From the new study "Girlhood Interrupted: The Erasure of Black Girls' childhood" released by Georgetown Law's Center on Poverty and Inequality, authors reported that adults view black girls as " ... less innocent and more adult-like than their white peers, especially in the age range of 5- 14"; and

WHEREAS, The study also states, "This new evidence of what we call the 'adulthoodification' of black girls may help explain why black girls in America are disciplined much more often and more severely than white girls - across our schools and in our juvenile justice system"; and

WHEREAS, The report continues by saying, "Black girls are five times more likely to be suspended as white girls, and twice as likely to be suspended as white boys"; and

WHEREAS, Lawmakers, educators, counselors, youth councils, lawyers, and judges in the State of Illinois have insight into the problems facing youth today; and

WHEREAS, A review of current practices as well as proposed ideas and policies are in order to change exclusionary practices to a restorative justice model for child discipline; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize the practice of exclusionary discipline among pre-kindergarten to 12th grade students occurs at a rate above and beyond that which is necessary; and be it further

RESOLVED, That we urge the U.S. Departments of Education, juvenile court officials, and other legal legislative and court staff to review current laws and policies related to exclusionary discipline practices in public schools for students in prekindergarten through kindergarten who have committed non-violent offenses; and be it further

RESOLVED, That we urge the review to 1) examine the number of exclusionary discipline actions issues by a local education agency (school district) and the length of each respective action, 2) detail the type of offenses committed by the student(s) that led to the disciplinary action, 3) review the impact the discipline had on the student(s), 4) examine restorative recommendations that may be used as opposed to exclusionary practices, 5) identify resources to support teachers, parents and school personnel as they work to address the child's social, emotional and behavioral health, and 6) encourage schools to adopt restorative justice and disciplinary practices; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States, the Vice President of the United States, all members of the U.S. Congress, and other federal and Illinois state government officials as appropriate.

HOUSE RESOLUTION 874

Offered by Representative Ammons:

WHEREAS, High-speed Internet access service, referred to generically as "broadband advanced communication services," including both wired and wireless technologies, is essential in the 21st century for economic competitiveness and quality of life; and

WHEREAS, The State of Illinois relies on broadband services to communicate with constituents, to enable city residents to interact with city services, and to permit voters to monitor and communicate with elected city leaders and appointed officials; and

WHEREAS, Broadband infrastructure is vital to the operation and management of other critical infrastructures, including energy generation systems, the power grid, water supply systems, smart cities, the Internet of Things, public safety and emergency response systems, medical facilities, educational institutions, and libraries; and

WHEREAS, Studies confirm that open Internet policies lead to increases in market-driven broadband deployment through the virtuous cycle; open Internet spurs innovation by users and online service providers, which increases the demand for broadband capacity, thus spurring more broadband infrastructure deployment, which in turn promotes additional innovation by users and service providers; and

WHEREAS, The provision and maintenance of equitable access to technology, broadband Internet access services, digital content, and classroom management tools are necessary for all students, teachers, and school administrators in Illinois in order to provide equal educational resources to all students at all education levels; and

WHEREAS, The Federal Communications Commission (FCC) adopted open Internet rules on February 26, 2015 to protect free expression and innovation on the Internet and to promote investment in the nation's broadband networks; and

WHEREAS, Those open Internet rules ensure that consumers and businesses have access to a fast, fair, and open Internet by imposing three bright-line rules: (1) Broadband providers shall not block access to lawful content, applications, services, or nonharmful devices, (2) Broadband providers shall not impair or degrade lawful Internet traffic on the basis of content, application, or service, or use of a nonharmful device, and (3) Broadband providers shall not favor some lawful Internet traffic over other lawful Internet traffic in exchange for consideration of any kind; and

WHEREAS, Elimination of open Internet protections for consumers dampens the incentive for ISPs to increase broadband capacity at lower cost and increases the likelihood that ISPs will charge both consumers and content providers for transmission; and

WHEREAS, Because the Internet must be a place in which companies, large and small, as well as individual developers, can compete on a level playing field, the State of Illinois supports net neutrality as a principle that underpins a fast, fair, and open Internet for consumers and businesses to ensure equal access to lawful content by prohibiting paid prioritization, throttling, and blocking; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the State of Illinois respectfully urges the President of the United States and Members of the United States Congress, and all relevant federal offices to continue to protect net neutrality and open Internet access.

HOUSE RESOLUTION 875

Offered by Representative Ammons:

WHEREAS, Clean, safe, reliable water service is essential to the health and well-being of all residents of Illinois; and

WHEREAS, Implemented regulations set in place by the U.S. Environmental Protection Agency (EPA) and the Safe Drinking Water Act (SOWA) should be followed; and

WHEREAS, The events in Flint, Michigan, where thousands of mostly low-income residents were poisoned by contaminated water, have drawn attention to the harmful consequences of underinvestment in and slack oversight of water infrastructure; and

WHEREAS, Lead contamination tends to disproportionately impact communities of color, with studies having found a correlation between elevated lead poisoning rates and cities with large African American populations; and

WHEREAS, According to the American Society of Civil Engineers (ASCE), U.S. water infrastructure across the country is rapidly deteriorating, with a significant portion far past its useful life; and

WHEREAS, The ASCE, which assigned the nation's drinking water infrastructure a grade of 'D' in its most recent Infrastructure Report Card, estimates that \$1 trillion in new investment is needed over the next 25 years to modernize this infrastructure; and

WHEREAS, There are over 52,000 community water systems in the U.S., 84% of which are owned by municipal or county governments; and

WHEREAS, Many municipalities in Illinois which provide water service to their residents lack the financial and technical resources needed to effectively maintain their systems and meet critical environmental and quality compliance requirements; and

WHEREAS, These interrelated issues, coupled with the financial struggles facing many local governments across the state of Illinois, have made it financially impractical for some municipalities to continue maintaining primary oversight of their water systems; and

WHEREAS, In some instances, the sale of a water system by a financially distressed municipal government can relieve fiscal pressure, spur infrastructure investment, and raise water quality; and

WHEREAS, Working with private entities in this matter via public-private partnerships can also allow municipalities to benefit from economies of scale, greater access to capital, and technical expertise; and

WHEREAS, The State of Illinois should be fully involved and consulted in any process that may affect the management of their water service; and

WHEREAS, The provision of water service by a private entity is subject to strict public utility and environmental regulation; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call on policymakers at every level of state government to pursue policies that prioritize the expeditious replacement of all remaining lead-based water infrastructure in Illinois; and be it further

RESOLVED, That we declare our support and encourage municipalities and all other providers of water service to pursue the full range of options for assuring that water infrastructure in Illinois is as safe, modern, and as accessible as possible; and be it further

RESOLVED, That we support plans to provide water in emergency situations because individuals should have a right to water even under adverse circumstances and in the face of natural disasters; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States, the Vice- President of the United States, all members of the U.S. Congress, and other federal and state officials as appropriate.

HOUSE RESOLUTION 876

Offered by Representative Ammons:

WHEREAS, A primary and critical function of counties in the State of Illinois is enforcing laws and administering justice; and

WHEREAS, The costs of enforcing laws and administering justice are paid by the citizens of those counties through property, income, and sales taxes; and

WHEREAS, Counties have become increasingly reliant on fines and fees, including bond fees, to offset these costs; these fines and fees have become unreasonable and disproportionate; and

WHEREAS, These unreasonable and disproportionate fines and fees become excessive obligations placed upon criminal defendants because taxpayers believe that criminal defendants should bear the cost of the criminal justice system, when in fact all people, including taxpayers, benefit from the enforcement of laws and the administration of justice in the county; and

WHEREAS, Excessive criminal justice financial obligations contribute to unnecessary incarceration in county jails due to failures to pay a fine or fee, and unnecessary incarceration results in more unemployment and adds to the burden on taxpayers; and

WHEREAS, Excessive reliance on overly punitive fines and fees encourages law enforcement and corrections decisions to be made on grounds other than public safety while undermining public confidence in the integrity of the criminal justice system; and

WHEREAS, Excessive reliance on excessive criminal justice obligations has a disproportionate and staggering impact on the poor; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge counties to impose fines and fees, including bond fees, only upon individuals convicted of a criminal offense; and be it further

RESOLVED, That we urge that fines and fees collected from offenders will only be used to fund programs and services and not to fund offices and salaries; and be it further

RESOLVED, That we urge counties to find ways to fund court costs, law enforcement, and pay for the administration of criminal justice without any reliance on fines and fees, including bond fees; and be it further

RESOLVED, That when imposing fines and fees, the offender's ability to pay should be taken into account as one factor and arrangements such as discharging financial obligations through payment plans and community service should be offered; and be it further

RESOLVED, That all counties are urged to be fully transparent with regards to the types and amounts of fines and fees they impose, the mechanisms used and the costs involved in collections, and how the money collected is spent.

HOUSE RESOLUTION 877

Offered by Representative Ammons:

WHEREAS, The President currently has the sole authority to launch a nuclear attack without any required consultation or any system of checks and balances; and

WHEREAS, The first use of nuclear weapons against any other nuclear-armed nation would result in retaliation and invite the near total destruction of Illinois and any other state; and

WHEREAS, A single nuclear detonation comparable to those dropped during World War II would cause upwards of 164,750 fatalities and 204,410 injuries if detonated in Chicago, 14, 050 fatalities and 32,860 injuries if detonated in Springfield, 32,270 fatalities and 42,620 injuries if detonated in Champaign, 6,350 fatalities and 5,620 injuries if detonated in Mount Vernon, and 2,130 fatalities and 630 injuries if detonated in Cairo; and

WHEREAS, The citizens of Illinois have the right to live a life free from the threat of the reckless use of nuclear weapons; and

WHEREAS, Use and detonation of even a small number of nuclear weapons would have catastrophic human, environmental, and economic consequences globally and would impact everyone on the planet; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that our congressional representatives should take all necessary steps to establish a system of checks and balances with regard to the first use of nuclear weapons and to ensure that the President shall no longer have the sole and unchecked authority to launch nuclear weapons, except in circumstances of retaliation.
