DISSENT AND PROTEST

Pursuant to House Rule 90, the undersigned members of the House of Representatives respectfully dissent and protest the inappropriate and insensitive remarks of State Representative Kifowit on the House Floor on November 27, 2018 during debate on SB 2481. The debate of SB 2481 was led in part by the questioning by House Republican Floor Leader Peter Breen. Representative Breen was doing his duty as Floor Leader by asking valid and pointed questions regarding the legislation, inquiring as to the financial impact on the budget of the State of Illinois. Having completed his debate with the House Sponsor, Representative Breen proceeded to take his seat and listen to remainder of the debate.

Shortly after Representative Breen concluded his questioning of the legislation, Representative Kifowit stood on the House Floor and proceeded to issue the following statement to Representative Breen: *"To the Representative from Lombard, I would like to make him a broth of Legionella and pump it into the water system of his loved one so that they can be infected, they can be mistreated, they can sit and suffer by getting aspirin instead of being properly treated and ultimately die."*

Following this extremely unprofessional and unethical comment by Representative Kifowit, debate on the legislation continued until the motion to override the Governor's veto ultimately received enough votes to pass. Representatives on the Republican side of the aisle called for Representative Kifowit to apologize to Representative Breen for the abhorrent threats to his family, but the calls for an apology were ignored.

At the conclusion of floor action and prior to adjournment, Representative Keith Wheeler stood up and made a request for Representative Kifowit to apologize to Representative Breen. Representative Kifowit proceeded to make a statement that in no way was she saying she wished death to members of his family and that she was misheard. She stated: *"Quite clearly what I said was imagine if it was your family. So if it was misheard, I'll apologize for the misheard, but my words were clearly, "imagine if it was your family." My remarks are all transcribed and my words will be clear."*

At no point did Representative Kifowit issue an apology for wishing for the death of Representative Breen's family. The transcript contains the exact words of her remarks to Representative Breen. The comments were clearly unprofessional and constitute conduct unbecoming a legislator. Under the Governmental Ethics Act, Section 3-107, "No legislator may engage in other conduct which is unbecoming a legislator or which constitutes a breach of public trust"

In addition to engaging in conduct unbecoming a legislator, Representative Kifowit violated Rule 51 (Decorum), which states "the member in speaking shall confine himself or herself to the subject matter under discussion and avoid personalities." The subject of the legislation was the increasing of a cap on claims before the Illinois Court of Claims. Representative Kifowit went beyond the subject under discussion when she made the highly inappropriate comments about another member's family and wishing that they ultimately die.

The blatant disregard for decency and professional conduct by Representative Kifowit should be a cause for concern for all involved as to how the House conducts business. Calling for the death of a colleague's family member due to a disagreement on the substance of a bill will only lead to deeper divisions between the two parties. It will prevent the House from doing its duty for the citizens of Illinois.

For the foregoing reasons, we, the undersigned, request that this Protest and Dissent be entered upon the journal of the House on November 27, 2018.
