Streamlining and consolidating the functions of certain of these agencies in a single agency offers the opportunity to realize significant cost savings, eliminate redundancy and simplify the organizational structure of the Executive Branch, improve accessibility and accountability, provide more efficient use of specialized expertise and facilities, reduce administrative support, and promote more effective sharing of best practices and state of the art technology, among other things; and

WHEREAS, the foregoing benefits can be achieved by transferring the functions of the Department of the Lottery to the Department of Revenue and then abolishing the Department of the Lottery, and by reassigning the Liquor Control Commission and the Illinois Racing Board to the Department of Revenue;

THEREFORE, pursuant to the powers vested in me by Article V, Section 11 of the Illinois Constitution, I hereby order:

EXECUTIVE ORDER TO CONSOLIDATE FACILITIES MANAGEMENT, INTERNAL AUDITING  
AND STAFF LEGAL FUNCTIONS

WHEREAS, there is a need to increase efficiency and produce cost savings in the administration of state government; and

WHEREAS, there is currently no statewide agency coordinating certain common functions, such as real estate management, auditing and legal services; and

WHEREAS, the lack of coordination in managing facilities of the state results in leases and contracts on facilities that are overly expensive, and

WHEREAS, there are no statewide policies or procedures that coordinate the facilities management of differing agencies and thus no guarantee that facilities are being managed efficiently or effectively; and

WHEREAS, agencies are using different standards and procedures for internal audits, resulting in the inability of agencies to share management knowledge and gain efficiencies; and

WHEREAS, there is a need for a statewide risk management structure for effective management control, proactive risk management, governance and ongoing business process improvement; and

WHEREAS, redundancy in legal functions across state agencies has led to inefficiencies in time for attorneys; and

WHEREAS, consolidating facilities management would, among other things, provide major cost savings to the State by allowing the State to take advantage of economies of scale and organize lease arrangements; and

WHEREAS, consolidating internal auditing functions would, among other things, allow the State to invest in "state of the art" auditing techniques, aid management in identifying solutions, reduce the need for administrative support, and allow for more efficient use of specialized expertise; and

WHEREAS, consolidating staff legal functions would, among other things, result in significant cost savings, higher quality legal work as attorneys are able to specialize, decreased litigation, and less costly legal contracts with outside counsel; and

WHEREAS, Article V, Section 11 of the Constitution of the State of Illinois authorizes the Governor to

reassign functions among or reorganize executive agencies, which are directly responsible to him by means of an executive order; and

WHEREAS, Section 3.2 of the Executive Reorganization Implementation Act, 15 ILCS 15/3.2, provides that "Reorganization" includes the "transfer of . . . functions" from one agency to another; and

THEREFORE, I hereby order:

#### EXECUTIVE ORDER TO TRANSFER FUNCTIONS OF THE DEPARTMENT OF NUCLEAR SAFETY TO THE ILLINOIS EMERGENCY MANAGEMENT AGENCY

WHEREAS, nuclear power generates a significant amount of electricity and is essential to the industry and economy of Illinois; and

WHEREAS, the threat of terrorist attacks in the United States is real, as witnessed by the events of September 11, 2001. The unfortunate threat of terrorism places nuclear facilities potentially at risk; and

WHEREAS, Illinois' preparedness to respond to terrorist attacks is a priority of the highest magnitude for the State; and

WHEREAS, any emergency response to a terrorist threat or other potential disaster involving nuclear power facilities necessitates centralized coordination and communication among various entities at the State level; and

WHEREAS, there are a number of existing executive agencies directly responsible to the Governor which have rights, powers, duties and responsibilities that involve, in significant part, the preparedness for and response to emergencies involving nuclear facilities and power. Streamlining and consolidating the functions of certain of these agencies in a single agency enables the State to realize more efficient communication and use of informational resources, and to provide more efficient use of specialized expertise and facilities. Consolidation also improves accessibility and accountability, eliminates redundancy, and simplifies the organizational structure of the Executive Branch, promoting more effective sharing of best practices and state of the art technology, among other things; and

WHEREAS, Article V, Section 11 of the Constitution of the State of Illinois, as implemented by the Executive Reorganization Implementation Act, 15 ILCS 15/1, authorizes the Governor, by executive order, to reorganize agencies directly responsible to the Governor by (a) the transfer of the whole or any part of any agency, or of the whole or any part of the functions thereof, to the jurisdiction and control of any other agency, (b) the consolidation or coordination of the whole or any part of any other agency, or of the whole or any part of the functions thereof, with the whole or any part of any other agency or the functions thereof,

(c) the consolidation or coordination of any part of any agency or the functions thereof with any other part of the same agency or the functions thereof, (d) the abolition of the whole or any part of any agency which does not have, or upon the taking effect of such reorganization will not have, any functions, and (e) the establishment of a new agency to perform all or any part of the functions of an existing agency or agencies; and

WHEREAS, the foregoing benefits can be achieved by transferring the functions of the Department of Nuclear Safety to the Illinois Emergency Management Agency and then abolishing the Department of Nuclear Safety.

THEREFORE, pursuant to the powers vested in me by Article V, Section 11 of the Illinois Constitution, I hereby order the following:

XI. TRANSFER

- A. All the powers, duties, rights and responsibilities vested in the Department of Nuclear Safety shall be transferred to the Illinois Emergency Management Agency, effective July 1, 2003. The statutory powers, duties, rights and responsibilities of the Department of Nuclear Safety derive from 20 ILCS 2005/2005-1 et seq.
- B. Whenever any provision of an Executive Order or any Act or section thereof transferred by this Executive Order provides for membership of the Director of the Department of Nuclear Safety on any council, commission, board or other entity, the Assistant Director of Illinois Emergency Management Agency or his/her designee(s) shall serve in that place. If more than one such commissioner/director is required by law to serve on any council, commission, board or other entity, an equivalent number of representatives of the Illinois Emergency Management Agency shall so serve.

XII. EFFECT OF TRANSFER

- L. The Department of Nuclear Safety, and all offices, bureaus and divisions thereof are hereby abolished.
- M. The rights of the employees, the State and its agencies under the Personnel Code and applicable collective bargaining agreements or under any pension, retirement or annuity plan shall not be affected by this Executive Order. Personnel in the Department of Nuclear Safety shall continue their service within the Illinois Emergency Management Agency. All personnel shall initially constitute probationary employees under the Personnel Code. The Department of Central Management Services shall establish a procedure for qualification and retention of personnel in accordance with the Personnel Code. The Director of Nuclear Safety shall be transferred to the Illinois Emergency Management Agency and be made the Assistant Director of the Illinois Emergency Management Agency.
- N. All books, records, papers, documents, property (real and personal), contracts, unexpended appropriations and pending business pertaining to the powers, duties, rights and responsibilities transferred by this Executive Order from the Department of Nuclear Safety to the Illinois Emergency Management Agency, including but not limited to material in electronic or magnetic format and necessary computer hardware and software, shall be delivered to the Illinois Emergency Management Agency pursuant to the direction of the Director of the Illinois Emergency Management Agency.

IV. SAVINGS CLAUSE

- A. The rights, powers and duties transferred to the Illinois Emergency Management Agency by this Executive Order shall be vested in and shall be exercised by the Illinois Emergency Management Agency. Each act done in exercise of such rights, powers and duties shall have the same legal effect as if done by the Department of Nuclear Safety, its divisions, officers or employees.
- B. Every person or corporation shall be subject to the same obligations and duties and any penalties, civil or criminal, arising therefrom, and shall have the same rights arising from the exercise of such powers, duties, rights and responsibilities as had been exercised by the Department of Nuclear Safety, its divisions, officers or employees.
- C. Every officer of the Illinois Emergency Management Agency shall, for any offense, be subject to the same penalty or penalties, civil or criminal, as are prescribed by existing law for the same offense by any officer whose powers or duties were transferred under this Executive Order.
- D. Whenever reports or notices are now required to be made or given or papers or

documents furnished or served by any person to or upon the agencies and offices transferred by this Executive Order, the same shall be made, given, furnished or served in the same manner to or upon the Illinois Emergency Management Agency.

- E. This Executive Order shall not affect any act done, ratified or canceled or any right occurring or established or any action or proceeding had or commenced in an administrative, civil or criminal cause regarding the Department of Nuclear Safety before this Executive Order takes effect, but such actions or proceedings may be prosecuted and continued by the Illinois Emergency Management Agency.
- F. Any rules of the Department of Nuclear Safety that are in full force on the effective date of this Executive Order and that have been duly adopted by the agencies reorganized shall become the rules of the Illinois Emergency Management Agency. This Executive Order shall not affect the legality of any such rules in the Illinois Administrative Code. Any proposed rulings filed with the Secretary of State by the Department of Nuclear Safety that are pending in the rulemaking process on the effective date of this Executive Order, shall be deemed to have been filed by the Illinois Emergency Management Agency. As soon as practicable hereafter, the Illinois Emergency Management Agency shall revise and clarify the rules transferred to it under this Executive Order to reflect the reorganization of rights, power and duties effected by this Order, using the procedures for recodification of rules available under the Illinois Administrative Procedures Act, except that existing title, part, and section numbering for the affected rules may be retained. The Illinois Emergency Management Agency may propose and adopt under the Illinois Administrative Act such other rules of the reorganized agencies that will now be administered by the Illinois Emergency Management Agency.

#### V. SEVERABILITY

If any provision of this Executive Order or its application to any person or circumstance is held invalid by any court of competent jurisdiction, this invalidity does not affect any other provision or application of this Executive Order which can be given effect without the invalid provision or application. To achieve this purpose, the provisions of this Executive Order are declared to be severable.

#### VI. EFFECTIVE DATE

(5 ILCS 375/10) (from Ch. 127, par. 530)

Sec. 10. Payments by State; premiums. (a) The State shall pay the cost of basic non-contributory group life insurance and, subject to member paid contributions set by the Department or required by this Section, the basic program of group health benefits on each eligible member, except a member, not otherwise covered by this Act, who has retired as a participating member under Article 2 of the Illinois

Pension Code but is ineligible for the retirement annuity under Section 2-119 of the Illinois Pension Code, and part of each eligible member's and retired member's premiums for health insurance coverage for enrolled dependents as provided by Section 9. The State shall pay the cost of the basic program of group health benefits only after benefits are reduced by the amount of benefits covered by Medicare for all members and dependents who are eligible for benefits under Social Security or the Railroad Retirement system or who had sufficient Medicare-covered government employment, except that such reduction in benefits shall apply only to those members and dependents who (1) first become eligible for such Medicare coverage on or after July 1, 1992; or (2) are Medicare-eligible members or dependents of a local government unit which began participation in the program on or after July 1, 1992; or (3) remain eligible for, but no longer receive Medicare coverage which they had been receiving on or after July 1, 1992. The Department may determine the aggregate level of the State's contribution on the basis of actual cost of medical services adjusted for age, sex or geographic or other demographic characteristics which affect the costs of such programs.

The cost of participation in the basic program of group health benefits for the dependent or survivor of a living or deceased retired employee who was formerly employed by the University of Illinois in the Cooperative Extension Service and would be an annuitant but for the fact that he or she was made ineligible to participate in the State Universities Retirement System by clause (4) of subsection (a) of Section 15-107 of the Illinois Pension Code shall not be greater than the cost of participation that would otherwise apply to that dependent or survivor if he or she were the dependent or survivor of an annuitant under the State Universities Retirement System.

(a-1) Beginning January 1, 1998, for each person who becomes a new SERS annuitant and participates in the basic program of group health benefits, the State shall contribute toward the cost of the annuitant's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of creditable service upon which the annuitant's retirement annuity is based, up to a maximum of 100% for an annuitant with 20 or more years of creditable service. The remainder of the cost of a new SERS annuitant's coverage under the basic program of group health benefits shall be the responsibility of the annuitant.

(a-2) Beginning January 1, 1998, for each person who becomes a new SERS survivor and participates in the basic program of group health benefits, the State shall contribute toward the cost of the survivor's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of the deceased employee's or deceased annuitant's creditable service in the State Employees' Retirement System of Illinois on the date of death, up to a maximum of 100% for a survivor of an employee or annuitant with 20 or more years of creditable service. The remainder of the cost of the new SERS survivor's coverage under the basic program of group health benefits shall be the responsibility of the survivor.

(a-3) Beginning January 1, 1998, for each person who becomes a new SERS annuitant and participates in the basic program of group health benefits, the State shall contribute toward the cost of the annuitant's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of creditable service upon which the annuitant's retirement annuity is based, up to a maximum of 100% for an annuitant with 20 or more years of creditable service. The remainder of the cost of a new SERS annuitant's coverage under the basic program of group health benefits shall be the responsibility of the annuitant.

(a-4) (Blank).

(a-5) Beginning January 1, 1998, for each person who becomes a new SERS survivor and participates in the basic program of group health benefits, the State shall contribute toward the cost of the survivor's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of the deceased employee's or deceased annuitant's creditable service in the State Universities Retirement System on the date of death, up to a maximum of 100% for a survivor of an employee or annuitant with 20 or more years of creditable service. The remainder of the cost of the new SERS survivor's coverage under the basic program of group health benefits shall be the responsibility of the survivor.

(a-6) Beginning July 1, 1998, for each person who becomes a new TRS State annuitant and participates in the basic program of group health benefits, the State shall contribute toward the cost of the annuitant's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of creditable service as a teacher as defined in paragraph (2), (3), or (5) of Section 16-106 of the Illinois Pension Code upon which the annuitant's retirement annuity is based, up to a maximum of 100%; except that the State contribution shall be 12.5% per year (rather than 5%) for each full year of creditable

service as a regional superintendent or assistant regional superintendent of schools. The remainder of the cost of a new TRS State annuitant's coverage under the basic program of group health benefits shall be the responsibility of the annuitant.

(a-7) Beginning July 1, 1998, for each person who becomes a new TRS State survivor and participates in the basic program of group health benefits, the State shall contribute toward the cost of the survivor's coverage under the basic program of group health benefits an amount equal to 5% of that cost for each full year of the deceased employee's or deceased annuitant's creditable service as a teacher as defined in paragraph (2), (3), or (5) of Section 16-106 of the Illinois Pension Code on the date of death, up to a maximum of 100%; except that the State contribution shall be 12.5% per year (rather than 5%) for each full year of the deceased employee's or deceased annuitant's creditable service as a regional superintendent or assistant regional superintendent of schools. The remainder of the cost of the new TRS State survivor's coverage under the basic program of group health benefits shall be the responsibility of the survivor.

(a-8) A new SERS annuitant, new SERS survivor, new SURS annuitant, new SURS survivor, new TRS State annuitant, or new TRS State survivor may waive or terminate coverage in the program of group health benefits. Any such annuitant or survivor who has waived or terminated coverage may enroll or re-enroll in the program of group health benefits only during the annual benefit choice period, as determined by the Director; except that in the event of termination of coverage due to nonpayment of premiums, the annuitant or survivor may not re-enroll in the program.

(a-9) No later than May 1 of each calendar year, the Director of Central Management Services shall certify in writing to the Executive Secretary of the State Employees' Retirement System of Illinois the amounts of the Medicare supplement health care premiums and the amounts of the health care premiums for all other retirees who are not Medicare eligible.

A separate calculation of the premiums based upon the actual cost of each health care plan shall be so certified.

The Director of Central Management Services shall provide to the Executive Secretary of the State Employees' Retirement System of Illinois such information, statistics, and other data as he or she may require to review the premium amounts certified by the Director of Central Management Services.

(b) State employees who become eligible for this program on or after January 1, 1980 in positions normally requiring actual performance of duty not less than 1/2 of a normal work period but not equal to that of a normal work period, shall be given the option of participating in the available program. If the employee elects coverage, the State shall contribute on behalf of such employee to the cost of the employee's benefit and any applicable dependent supplement, that sum which bears the same percentage as that percentage of time the employee regularly works when compared to normal work period.

(c) The basic non-contributory coverage from the basic program of group health benefits shall be continued for each employee not in pay status or on active service by reason of (1) leave of absence due to illness or injury, (2) authorized educational leave of absence or sabbatical leave, or (3) military leave with pay and benefits. This coverage shall continue until expiration of authorized leave and return to active service, but not to exceed 24 months for leaves under item (1) or (2). This 24-month limitation and the requirement of returning to active service shall not apply to persons receiving ordinary or accidental disability benefits or retirement benefits through the appropriate State retirement system or benefits under the Workers' Compensation or Occupational Disease Act.

(d) The basic group life insurance coverage shall continue, with full State contribution, where such person is (1) absent from active service by reason of disability arising from any cause other than self-inflicted, (2) on authorized educational leave of absence or sabbatical leave, or (3) on military leave with pay and benefits.

(e) Where the person is in non-pay status for a period in excess of 30 days or on leave of absence, other than by reason of disability, educational or sabbatical leave, or military leave with pay and benefits, such person may continue coverage only by making personal payment equal to the amount normally contributed by the State on such person's behalf. Such payments and coverage may be continued: (1) until such time as the person returns to a status eligible for coverage at State expense, but not to exceed 24 months, (2) until such person's employment or annuitant status with the State is terminated, or (3) for a maximum period of 4 years for members on military leave with pay and benefits and military leave without pay and benefits (exclusive of any additional service imposed pursuant to law).

(f) The Department shall establish by rule the extent to which other employee benefits will continue for persons in non-pay status or who are not in active service.

(g) The State shall not pay the cost of the basic non-contributory group life insurance, program of health benefits and other employee benefits for members who are survivors as defined by paragraphs (1)

and (2) of subsection (q) of Section 3 of this Act. The costs of benefits for these survivors shall be paid by the survivors or by the University of Illinois Cooperative Extension Service, or any combination thereof. However, the State shall pay the amount of the reduction in the cost of participation, if any, resulting from the amendment to subsection (a) made by this amendatory Act of the 91st General Assembly.

(h) Those persons occupying positions with any department as a result of emergency appointments pursuant to Section 8b.8 of the Personnel Code who are not considered employees under this Act shall be given the option of participating in the programs of group life insurance, health benefits and other employee benefits. Such persons electing coverage may participate only by making payment equal to the amount normally contributed by the State for similarly situated employees. Such amounts shall be determined by the Director. Such payments and coverage may be continued until such time as the person becomes an employee pursuant to this Act or such person's appointment is terminated.

(i) Any unit of local government within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a unit of local government must agree to enroll all of its employees, who may select coverage under either the State group health benefits plan or a health maintenance organization that has contracted with the State to be available as a health care provider for employees as defined in this Act. A unit of local government must remit the entire cost of providing coverage under the State group health benefits plan or, for coverage under a health maintenance organization, an amount determined by the Director based on an analysis of the sex, age, geographic location, or other relevant demographic variables for its employees, except that the unit of local government shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the unit of local government attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan, and (2) at least 85% of the employees are enrolled and the unit of local government remits the entire cost of providing coverage to those employees, except that a participating school district must have enrolled at least 85% of its full-time employees who have not waived coverage under the district's group health plan by participating in a component of the district's cafeteria plan. A participating school district is not required to enroll a full-time employee who has waived coverage under the district's health plan, provided that an appropriate official from the participating school district attests that the full-time employee has waived coverage by participating in a component of the district's cafeteria plan. For the purposes of this subsection, "participating school district" includes a unit of local government whose primary purpose is education as defined by the Department's rules.

Employees of a participating unit of local government who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. A participating unit of local government may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the unit of local government, its employees, or some combination of the two as determined by the unit of local government. The unit of local government shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine monthly rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages, or contributed by the State for basic insurance coverages on behalf of its employees, adjusted for differences between State employees and employees of the local government in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the unit of local government and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the unit of local government.

In the case of coverage of local government employees under a health maintenance organization, the Director shall annually determine for each participating unit of local government the maximum monthly amount the unit may contribute toward that coverage, based on an analysis of (i) the age, sex, geographic location, and other relevant demographic variables of the unit's employees and (ii) the cost to cover those employees under the State group health benefits plan. The Director may similarly determine the maximum monthly amount each unit of local government may contribute toward coverage of its employees' dependents under a health maintenance organization.

Monthly payments by the unit of local government or its employees for group health benefits plan or

health maintenance organization coverage shall be deposited in the Local Government Health Insurance Reserve Fund.

The Local Government Health Insurance Reserve Fund shall be a continuing fund not subject to fiscal year limitations. All expenditures from this Fund shall be used for payments for health care benefits for local government, domestic violence shelter or service, and rehabilitation facility employees, annuitants, and dependents, and to reimburse the Department or its administrative service organization for all expenses incurred in the administration of benefits. No other State funds may be used for these purposes.

A local government employer's participation or desire to participate in a program created under this subsection shall not limit that employer's duty to bargain with the representative of any collective bargaining unit of its employees.

(j) Any rehabilitation facility within the State of Illinois may apply to the Director to have its employees, annuitants, and their eligible dependents provided group health coverage under this Act on a non-insured basis. To participate, a rehabilitation facility must agree to enroll all of its employees and remit the entire cost of providing such coverage for its employees, except that the rehabilitation facility shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the rehabilitation facility attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan, and (2) at least 85% of the employees are enrolled and the rehabilitation facility remits the entire cost of providing coverage to those employees. Employees of a participating rehabilitation facility who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. A participating rehabilitation facility may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the rehabilitation facility, its employees, or some combination of the 2 as determined by the rehabilitation facility. The rehabilitation facility shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine quarterly rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the rehabilitation facility in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the rehabilitation facility and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the rehabilitation facility.

Monthly payments by the rehabilitation facility or its employees for group health benefits shall be deposited in the Local Government Health Insurance Reserve Fund.

(k) Any domestic violence shelter or service within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a domestic violence shelter or service must agree to enroll all of its employees and pay the entire cost of providing such coverage for its employees. A participating domestic violence shelter may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the domestic violence shelter or service, its employees, or some combination of the 2 as determined by the domestic violence shelter or service. The domestic violence shelter or service shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine rates of payment, subject to the following constraints:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the domestic violence shelter or service in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the domestic violence shelter or service and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the domestic violence shelter or service.

Monthly payments by the domestic violence shelter or service or its employees for group health insurance shall be deposited in the Local Government Health Insurance Reserve Fund.

(k-5) Any qualified small business within the State of Illinois may apply to the Director to have its

employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. The Department may set a limit on the number of qualified small businesses that may receive group health coverage under this subsection (k-5). In order to control its costs, the Department may designate which plans it will offer to qualified small businesses under this subsection (k-5). Those plans may include, but need not be limited to, minimum, limited, or comprehensive coverage plans; Health Maintenance Organization and Preferred Provider Organization plans; and medical savings plans. The plans may include the utilization of insurance producers in the marketing of coverage under the plans. In offering plans under this subsection (k-5) the Department shall be subject to ratings and minimum coverage in the same manner as a private insurer. Any plan offered under this subsection (k-5) may provide for employee contributions to the cost of the plan. A qualified small business may select one or more of the plans offered by the Department to offer to its employees. To participate, a qualified small business must agree to offer to enroll all of its employees and remit the entire cost of providing such coverage for its employees, except that the qualified small business shall not be required to enroll those of its employees who waive coverage under this subsection (k-5) because they are covered spouses or dependents under another group policy or plan providing health benefits as long as (1) an appropriate official from the qualified small business attests that each employee not enrolled is a covered spouse or dependent under another group policy or plan and (2) at least 75% of the remaining employees are enrolled. A participating qualified small business may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the small business, its employees, or some combination of the 2 as determined by the qualified small business. The qualified small business shall be responsible for timely collection and transmission of all premiums.

The Director shall annually determine rates of payment taking into consideration, among other things, the following:

(1) In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages on behalf of its employees, adjusted for differences between State employees and employees of the qualified small business in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the qualified small business and their dependents.

(2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the qualified small business.

Monthly payments by the qualified small business for group health insurance shall be deposited into the Small Employers Health Insurance Reserve Fund. The Small Employers Health Insurance Reserve Fund shall be a continuing fund not subject to fiscal year limitations. All expenditures from this fund shall be used for payments for health care benefits for employees of qualified small businesses and their annuitants and dependents and to reimburse the Department or its administrative service organization for all expenses incurred in the administration of benefits. No State funds, other than those specifically appropriated, may be used for these purposes.

(l) A public community college or entity organized pursuant to the Public Community College Act may apply to the Director initially to have only annuitants not covered prior to July 1, 1992 by the district's health plan provided health coverage under this Act on a non-insured basis. The community college must execute a 2-year contract to participate in the Local Government Health Plan. Any annuitant may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period.

The Director shall annually determine monthly rates of payment subject to the following constraints: for those community colleges with annuitants only enrolled, first year rates shall be equal to the average cost to cover claims for a State member adjusted for demographics, Medicare participation, and other factors; and in the second year, a further adjustment of rates shall be made to reflect the actual first year's claims experience of the covered annuitants.

(l-5) The provisions of subsection (l) become inoperative on July 1, 1999.

(m) The Director shall adopt any rules deemed necessary for implementation of this amendatory Act of 1989 (Public Act 86-978). All amounts held in the Health Insurance Reserve Fund, the Group Insurance Premium Fund, the Small Employers Health Insurance Reserve Fund, and the Local Government Health Insurance Reserve Fund shall be invested, at interest, by the State Treasurer. The

investments shall be subject to terms, conditions, and limitations imposed by the laws of Illinois on State funds. All income derived from the investments shall accrue and be deposited to the respective funds no less frequently than quarterly. The Health Insurance Reserve Fund, the Small Employers Health Insurance Reserve Fund, and the Local Government Health Insurance Reserve Fund shall be administered by the Director. (5 ILCS 375/15) (from Ch. 127, par. 535)

Sec. 15. Administration; rules; audit; review. (a) The Director shall administer this Act and shall prescribe such rules and regulations as are necessary to give full effect to the purposes of this Act.

(b) These rules may fix reasonable standards for the group life and group health programs and other benefit programs offered under this Act, and for the contractors providing them.

(c) These rules shall specify that covered and optional medical services of the program are services provided within the scope of their licenses by practitioners in all categories licensed under the Medical Practice Act of 1987 and shall provide that all eligible persons be fully informed of this specification.

(d) These rules shall establish eligibility requirements for members and dependents as may be necessary to supplement or clarify requirements contained in this Act.

(e) Each affected department of the State, the State Universities Retirement System, the Teachers' Retirement System, and each qualified local government, rehabilitation facility, ~~or~~ domestic violence shelter or service, or small business shall keep such records, make such certifications, and furnish the Director such information as may be necessary for the administration of this Act, including information concerning number and total amounts of payroll of employees of the department who are paid from trust funds or federal funds.

(f) Each member, each community college benefit recipient to whom this Act applies, and each TRS benefit recipient to whom this Act applies shall furnish the Director, in such form as may be required, any information that may be necessary to enroll such member or benefit recipient and, if applicable, his or her dependents or dependent beneficiaries under the programs or plan, including such data as may be required to allow the Director to accumulate statistics on data normally considered in actuarial studies of employee groups. Information about community college benefit recipients and community college dependent beneficiaries shall be furnished through the State Universities Retirement System. Information about TRS benefit recipients and TRS dependent beneficiaries shall be furnished through the Teachers' Retirement System.

(g) There shall be audits and reports on the programs authorized and established by this Act prepared by the Director with the assistance of a qualified, independent accounting firm. The reports shall provide information on the experience, and administrative effectiveness and adequacy of the program including, when applicable, recommendations on up-grading of benefits and improvement of the program.

(h) Any final order, decision or other determination made, issued or executed by the Director under the provisions of this Act whereby any contractor or person is aggrieved shall be subject to review in accordance with the provisions of the Administrative Review Law and all amendments and modifications thereof, and the rules adopted pursuant thereto, shall apply to and govern all proceedings for the judicial review of final administrative decisions of the Director. Section 10. The State Finance Act is amended by changing Section 25 as follows:

(30 ILCS 105/25) (from Ch. 127, par. 161)

Sec. 25. Fiscal year limitations. (a) All appropriations shall be available for expenditure for the fiscal year or for a lesser period if the Act making that appropriation so specifies. A deficiency or emergency appropriation shall be available for expenditure only through June 30 of the year when the Act making that appropriation is enacted unless that Act otherwise provides.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations.

Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year.

Medical payments may be made by the Department of Public Aid and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Central Management Services from the Health Insurance Reserve Fund, the Small Employers Health Insurance Reserve Fund, and the Local Government Health Insurance Reserve Fund without regard to any fiscal year limitations.

Additionally, payments may be made by the Department of Human Services from its appropriations, or any other State agency from its appropriations with the approval of the Department of Human Services, from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986, without regard to any fiscal year limitations.

Further, with respect to costs incurred in fiscal years 2002 and 2003 only, payments may be made by the State Treasurer from its appropriations from the Capital Litigation Trust Fund without regard to any fiscal year limitations.

(c) Further, payments may be made by the Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) from their respective appropriations for grants for medical care to or on behalf of persons suffering from chronic renal disease, persons suffering from hemophilia, rape victims, and premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year.

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(e) The Department of Public Aid and the Department of Human Services (acting as successor to the Department of Public Aid) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before November 30, a report that shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for (i) services provided in prior fiscal years and (ii) services for which claims were received in prior fiscal years.

(f) The Department of Human Services (as successor to the Department of Public Aid) shall annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services (other than medical care) provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(g) In addition, each annual report required to be submitted by the Department of Public Aid under subsection (e) shall include the following information with respect to the State's Medicaid program:

(1) Explanations of the exact causes of the variance between the previous year's estimated and actual liabilities.

(2) Factors affecting the Department of Public Aid's liabilities, including but not limited to numbers of aid recipients, levels of medical service utilization by aid recipients, and inflation in the cost of medical services.

(3) The results of the Department's efforts to combat fraud and abuse.

(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a General Assembly member's district office for a period including portions of 2 consecutive

fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

#### AMENDMENT NO. 3

AMENDMENT NO. 3. Amend House Bill 2215 by replacing everything after the enacting clause with the following:

"Section 5. The Code of Civil Procedure is amended by changing Section 13-202.2 as follows: (735 ILCS 5/13-202.2) (from Ch. 110, par. 13-202.2)

Sec. 13-202.2. Childhood sexual abuse. (a) In this Section:

"Childhood sexual abuse" means an act of sexual abuse that occurs when the person abused is under 18 years of age.

"Sexual abuse" includes but is not limited to sexual conduct and sexual penetration as defined in Section 12-12 of the Criminal Code of 1961.

(b) Notwithstanding any other provision of law, an action for damages for personal injury based on childhood sexual abuse must be commenced within the later of: (1) 10 years of the date the limitation period begins to run under subsection (d); or (2) 5 2/3 years of the date the person abused discovers or through the use of reasonable diligence should discover both (i) that the act of childhood sexual abuse occurred and (ii) that the injury was caused by the childhood sexual abuse. The fact that the person abused discovers or through the use of reasonable diligence should discover that the act of childhood sexual abuse occurred is not, by itself, sufficient to start the discovery period under this subsection (b). Knowledge of the abuse does not constitute discovery of the injury or the causal relationship between the abuse and any later-discovered injury.

(c) If the injury is caused by 2 or more acts of childhood sexual abuse that are part of a continuing series of acts of childhood sexual abuse by the same abuser, then the discovery period under subsection (b) shall be computed from the date the person abused discovers or through the use of reasonable diligence should discover both (i) that the last act of childhood sexual abuse in the continuing series occurred and (ii) that the injury was caused by any act of childhood sexual abuse in the continuing series. The fact that the person abused discovers or through the use of reasonable diligence should discover that the last act of childhood sexual abuse in the continuing series occurred is not, by itself, sufficient to start the discovery period under subsection (b). Knowledge of the abuse does not constitute discovery of the injury or the causal relationship between the abuse and any later-discovered injury.

(d) The limitation periods under subsection (b) do not begin to run before the person abused attains the age of 18 years; and, if at the time the person abused attains the age of 18 years he or she is under other legal disability, the limitation periods under subsection (b) do not begin to run until the removal of the disability.

(d-1) The limitation periods in subsection (b) do not run during a time period when the person abused is subject to threats, intimidation, manipulation, or fraud perpetrated by the abuser or by any person acting in the interest of the abuser.

(e) This Section applies to actions pending on the effective date of this amendatory Act of 1990 as well as to actions commenced on or after that date. The changes made by this amendatory Act of 1993 shall apply only to actions commenced on or after the effective date of this amendatory Act of 1993. The changes made by this amendatory Act of the 93rd General Assembly apply to actions pending on the effective date of this amendatory Act of the 93rd General Assembly as well as actions commenced on or after that date. #### AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 209 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Senior Citizens and Disabled Persons Prescription Drug Discount Program Act.

Section 5. Findings. The General Assembly finds that:

(a) Although senior citizens represent 12% of the population, they use on average 37% of prescription drugs that are dispensed.

(b) Senior citizens in the United States without prescription drug insurance coverage pay the highest prices in the world for needed medications.

(c) High prescription drug prices force many Illinois seniors to go without proper medication or other necessities, thereby affecting their health and safety.

(d) Prescription drug prices in the United States are the world's highest, averaging 32% higher than in Canada, 40% higher than in Mexico, and 60% higher than in Great Britain.

(e) Regardless of household income, seniors without prescription drug coverage are often just one serious illness away from poverty.

(f) Reducing the price of prescription drugs would benefit the health and well-being of all Illinois senior citizens by providing more affordable access to needed drugs.

Section 10. Purpose. The purpose of this program is to require the Department of Central Management Services to establish and administer a program that will enable eligible senior citizens and disabled persons to purchase prescription drugs at discounted prices.

Section 15. Definitions. As used in this Act:

"AWP" or "average wholesale price" means the amount determined from the latest publication of the Red Book, a universally subscribed pharmacist reference guide annually published by the Hearst Corporation. "Department" means the Department of Central Management Services.

"Director" means the Director of Central Management Services.

"Disabled person" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months.

"Drug manufacturer", however, does not include a wholesale distributor of drugs or a retail pharmacy licensed under Illinois law.

"Eligible senior" means a person who is (i) a resident of Illinois and (ii) 65 years of age or older.

"Prescription drug" means any prescribed drug that may be legally dispensed by an authorized pharmacy.

"Program" means the Senior Citizens and Disabled Persons Prescription Drug Discount Program created

under this Act.

"Program administrator" means the entity that is chosen by the Department to administer the program. The program administrator may, in this case, be the Director or a Pharmacy Benefits Manager (PBM) chosen to subcontract with the Director.

"Rules" includes rules adopted and forms prescribed by the Department.

Section 17. Determination of disability. Disabled persons filing applications for participation in the program shall submit proof of disability in such form and manner as the Department shall by rule prescribe. Proof that a claimant is eligible to receive disability benefits under the Federal Social Security Act shall constitute proof of disability for purposes of this Act. Issuance of an Illinois Disabled Person Identification Card stating that the claimant is under a Class 2 disability, as defined in Section 4A of the Illinois Identification Card Act, shall constitute proof that the person named thereon is a disabled person for purposes of this Act. A disabled person not covered under the Federal Social Security Act and not presenting a Disabled Person Identification Card stating that the he or she is under a Class 2 disability shall be examined by a physician designated by the Department, and his or her status as a disabled person determined using the same standards as used by the Social Security Administration. The costs of any required examination shall be borne by the person claiming a disability.

Section 20. The Senior Citizens and Disabled Persons Prescription Drug Discount Program. The Senior Citizens and Disabled Persons Prescription Drug Discount Program is established to protect the health and safety of senior citizens and disabled persons. The program shall be administered by the Department. The Department or its program administrator shall (i) enroll eligible seniors and disabled persons into the program, as provided in Section 35 of this Act, to qualify them for a discount on the purchase of prescription drugs at an authorized pharmacy, (ii) enter into rebate agreements with drug manufacturers, as provided under Section 30 of this Act, and (iii) subject to the provisions of Section 47 of this Act, compensate pharmacies participating in the program as provided under Section 25 of this Act.

(C) Any other benefits offered to cardholders.

(D) The estimated number and geographic distribution of participating pharmacies in the administrator's pharmacy network.

When a contract period ends or a contract is terminated, the Director shall enter into a new contract in the manner specified in this Section for an original contract. Prior to making a new contract, the Director may modify the rules for administration of the program or programs.

(b) As used in this Section, "administrator" includes the administrator's parent company and any subsidiary of the parent company.

(1) No administrator shall sell any information concerning a person who holds a prescription drug discount card, other than aggregate information that does not identify the cardholder, without the cardholder's written consent.

(2) Unless an administrator has the cardholder's written consent, no administrator shall use any personally identifiable information that it obtains concerning a cardholder through the program to promote or sell a program or product offered by the administrator that is not related to the administration of the program. This subsection (b) does not prohibit an administrator from contacting cardholders concerning participation in or administration of the program, including, but not limited to, mailing a list of pharmacies participating in the program's network or participating in disease management programs.

(3) To the extent that a discount is achieved through rebates, administrative fees, or any other fees or discounts in prices that an administrator negotiates with drug manufacturers, an administrator shall use the rebates or discounts to do the following:

(d) The contract between the Department and a pharmacy benefits manager must, at a minimum, meet the criteria of subsection (a). The contract must also require notification by the pharmacy benefits manager of any proposed or ongoing activity that involves, directly or indirectly, any conflict of interest on the part of the pharmacy benefits manager. The Department shall ensure that the pharmacy benefits manager complies with the contract and shall adopt all procedures necessary to enforce the contract.

(e) The Department or program administrator shall, subject to the funds available under Section 30 of this Act, compensate authorized pharmacies for prescription drugs dispensed under the program for the difference between the amount paid by the eligible senior or disabled person for prescription drugs dispensed under the program and (i) the AWP minus 12% for brand name drug products, single-source generic drug products, and, for a period of 6 months, newly-released generic drug products and (ii) the AWP minus 35% for all other generic drug products. programs of research conducted by or for a drug manufacturer, the Department, its agent, or the program administrator shall negotiate and enter into rebate agreements with drug manufacturers, as defined in this Act, to effect prescription drug price discounts. The Department or program administrator may establish a preferred drug list as a basis for determining the discounts, administrative fees, or other fees or rebates under this Section.

(b) Rebate payment procedures. All rebates negotiated under agreements described in this Section shall be paid in accordance with procedures prescribed by the Department or the program administrator.

(c) Receipts from rebates shall be used to provide discounts for prescription drugs purchased by eligible seniors and disabled persons and to cover the cost of administering the program, including compensation to be paid to participating pharmacies by the Department or program administrator under subsection (e) of Section 25. Any receipts to be allocated to the Department shall be deposited into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund, a special fund hereby created in the State treasury.

The card may be presented to an authorized pharmacy to assist the pharmacy in verifying eligibility under the program. The Department shall deposit the enrollment fees collected into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund. The moneys collected by the Department for enrollment fees and deposited into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund must be separately accounted for by the Department. If 2 or more persons are eligible for any benefit under this Act and are members of the same household, each participating household member shall apply to the Department and pay the fee required for the purpose of obtaining an identification card.

(b) Proceeds from annual enrollment fees shall be used by the Department to offset the administrative cost of this Act. The Department may reduce the annual enrollment fee by rule if the revenue from the enrollment fees is in excess of the costs to carry out the program.

(c) Any person who is eligible for pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is presumed to be eligible for this program. The enrollment fee under this Act is not required for such persons. That person may purchase prescription drugs under this program that are not covered by the pharmaceutical assistance program under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act by using the identification card issued under the pharmaceutical assistance program.

#### Section 40. Eligible pharmacies.

(a) The Department or its program administrator shall adopt rules to establish standards and procedures for participation in the program and approve those pharmacies that apply to participate and meet the requirements for participation. Pharmacies in the program administrator's network must also comply with the Department's standards and procedures for participation.

(b) The Department shall establish procedures for properly contracting for pharmacy services, validating reimbursement claims, validating compliance of authorized pharmacies with the conditions for participation required under this Act, and otherwise providing for the effective administration of this Act. The Director, in consultation with pharmacists licensed under the Pharmacy Practice Act of 1987, may enter into a written contract with any other State agency, instrumentality, or political subdivision or with a fiscal intermediary for the purpose of making payments to authorized pharmacies and coordinating the program with other programs that provide payments for prescription drugs covered under the program.

- (9) Permit an administrator to receive any rebate payments from drug manufacturers.
- (10) Permit an administrator to develop, administer, and promote a program of disease management pursuant to written agreements between the administrator and pharmacies participating under the program established by this Act.

Section 47. Limit on State's obligation for cost of administration. The State of Illinois is obligated for the cost of administering this program only to the extent of the amount of money collected as enrollment fees under Section 35 of this Act, rebates collected under Section 30 of this Act, and funds appropriated by the General Assembly for the purpose of this Act.

(1) The recipient must (i) make the level of capital investment in the economic development project specified in the development assistance agreement; (ii) create or retain, or both, the requisite number of jobs, paying not less than specified wages for the created and retained jobs, within and for the duration of the time period specified in the legislation authorizing, or the administrative rules implementing, the development assistance programs and the development assistance agreement.

(2) If the recipient fails to create or retain the requisite number of jobs within and for the time period specified, in the legislation authorizing, or the administrative rules implementing, the development assistance programs and the development assistance agreement, the recipient shall be deemed to no longer qualify for the State economic assistance and the applicable recapture provisions shall take effect.

(3) If the recipient receives State economic assistance in the form of a High Impact Business designation pursuant to Section 5.5 of the Illinois Enterprise Zone Act and the business receives the benefit of the exemption authorized under Section 51 of the Retailers' Occupation Tax Act (for the sale of building materials incorporated into a High Impact Business location) and the recipient fails to create or retain the requisite number of jobs, as determined by the legislation authorizing the development assistance programs or the administrative rules implementing such legislation, or both, within the requisite period of time, the recipient shall be required to pay to the State the full amount of the State tax exemption that it received as a result of the High Impact Business designation.

If the recipient of development assistance under the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program ceases operations at the specific project site, during the 5-year period commencing on the date of assistance, the recipient shall be required to repay the entire amount of the grant or to accelerate repayment of the loan back to the State.

Representative Morrow offered the following amendment and moved its adoption:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 2459 by replacing the title with the following:

"AN ACT in relation to apprentice programs."; and

by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Apprentice/Training Equity Act.

Section 5. Statement of policy. It is the policy of the State of Illinois to ensure full and equitable employment opportunities for minorities and females in the building trades on all construction contracts funded in whole with State funds. Lack of employment opportunities for minorities and females in the building trades impedes economic development and contributes to the social ills of Illinois residents. Federal and State regulations prohibit discrimination because of race, color, religion, sex, or national origin in employment and training programs. The State is committed to ensuring that minorities and females are provided apprenticeship/training and self-improvement opportunities in the building trades on construction contracts funded in whole with State funds to assist in their increased employment in the building trades.

Section 10. Definitions. As used in this Act:

"Minority" has the definition contained in Section 10 of the State Employment Records Act.

"Apprentice program" means an apprentice program in the building trades that is authorized by the Bureau of Apprenticeship Training of the U.S. Department of Labor.

"Apprentice" means a participant in an apprentice program.

"Training program" means a training program in the building trades that is approved by the Bureau of Small Business Enterprises of the Illinois Department of Transportation.

"Trainee" means a participant in a training program.

"Apprentice plan" means a written description of the manner in which each minority or female apprentice shall be used on a project.

"Training plan" means a written description of the manner in which each minority or female trainee shall be used on a project.

Section 15. Plan.

(a) To facilitate the provision of apprenticeship/training opportunities for minorities and women in the building trades, the Director of the Capital Development Board and the Secretary of Transportation shall designate specific contracts let by the respective agencies as subject to an apprentice/training plan promoting employment opportunities for minorities and women.

(b) In selecting contracts for participation in the apprentice/training plan approved under this Act and in establishing the applicable goals for each selected contract, the Secretary of Transportation shall consider the following criteria:

(1) The nature of a project to ensure that it has the potential for providing effective training opportunities within the applicable apprentice/training program.

(2) The duration of the contract, work schedules for project completion, and labor intensiveness of work areas.

(3) The magnitude or dollar amount of the contract.

(4) The scope of work to be performed.

(5) The total normal building trade work force that the average low bidder could be expected to use.

(6) The ratio of apprentices/trainees to journeymen that it would be feasible for the average low bidder to use as part of the contractor's work force during normal operations, including the consideration of the relevant provisions of any applicable collective bargaining agreement or approved training program.

(c) For each designated contract subject to the apprentice/training plan approved under this Act, the Director of the Capital Development Board or the Secretary of Transportation shall establish goals for the number of minority and female apprentices/trainees in the building trades to be assigned work on the contract, expressed in terms of hours of assigned work. The bidder and the appropriate labor organization shall commit to the employment of minority and female apprentices/trainees on the contract equal to or greater than each of the applicable goals. In employing minority and female apprentices/trainees, the successful bidder shall give preference to minority and female apprentices/trainees who are already participants in an apprentice/training program. The Director of the Capital Development Board or the Secretary of Transportation, as applicable, shall require the appropriate labor organizations and joint apprenticeship training committees to submit to the Director of the Capital Development Board or the Secretary of Transportation lists of the individuals in applicable apprentice/training programs. The lists shall show the name, address, sex, and race of each individual. The Director of the Capital Development Board or the Secretary of Transportation shall use the lists in establishing goals under this subsection (c).

(d) If the goals established by the Director of the Capital Development Board or the Secretary of Transportation for a designated contract under subsection (c) are not met because of the composition of the individuals assigned by a labor organization for employment in apprentice/trainee positions under that contract, the contractor may submit a request to the Director of the Capital Development Board or the Secretary of Transportation, as applicable, for a waiver as to those goals. The contractor shall submit such documentation as may be requested by the Director of the Capital Development Board or the Secretary of Transportation, as applicable, in connection with the request and the reasonable good faith efforts of the contractor to hire minorities and females for apprentice/trainee positions. If the documentation supports the contractor's waiver request, the Director of the Capital Development Board or the Secretary of Transportation, as applicable, shall grant the waiver.

(e) In the event that a contractor subcontracts a portion of the contract work, he or she shall determine how many, if any, of the trainees are to be trained by the subcontractor, provided, however, that the contractor shall retain the primary responsibility for meeting the training requirements imposed by this special provision.

(f) Within 10 days following the approval of the contractor's required bond, the contractor shall submit to the Director of the Capital Development Board or the Secretary of Transportation, as applicable, a copy of the plan for using minority and female apprentices/trainees on the project, including the number of apprentices/trainees to be trained in each selected classification and the corresponding apprentice/training programs to be used. If a subcontract is let for a portion of the work, the contractor may determine the extent to which apprentices/trainees are to be trained by the subcontractor, but the contractor shall retain responsibility for meeting the applicable goals or shall submit with its bid a request for a partial or total waiver of the established goals.

(g) A contractor's plan for using minority and female apprentices/trainees shall be approved only if it meets the standards set forth with regard to:

(1) The primary objectives of training and upgrading minority and female workers within applicable apprentice/training programs.

(2) Whether the classifications proposed are appropriate for the specific project. The character, duration, and nature of the project operations shall readily support the proposed apprentice/training plan.

(h) If the contractor's submission is not acceptable, or if, in the opinion of the Director of the Capital Development Board or the Secretary of Transportation, as applicable, the character, duration, or nature of the project operations cannot support the proposed apprentice/trainee classification, the apprentice/training plan shall not be approved. The contractor's submission shall be returned for correction and resubmission.

(i) The contractor shall submit to the Director of the Capital Development Board or the Secretary of Transportation, as applicable, a monthly report, as specified by the Director or the Secretary, detailing the use of apprentices/trainees during the prior month.

(j) When the Director of the Capital Development Board or the Secretary of Transportation, as applicable, has determined that the contractor has failed to comply with any of the apprentice/training plan requirements, the Director or the Secretary may notify the contractor of any non-compliance and withhold up to 5% of the current progress or final payment due the contractor until it is determined that the contractor is in compliance or that, despite the contractor's making all reasonable good faith efforts, it is unable to meet the established goals.

(k) In the case of a contract with the Illinois Department of Transportation, the contractor shall implement specific recruitment actions to ensure equality of opportunity for minorities and females in apprenticeship and training programs. The recruitment shall comply with the guidance specified under the Illinois Department of Transportation specific equal employment opportunity responsibilities of the Supplemental Specifications and Recurring Special Provisions Rule.

If the contractor has not, in good faith, sought to train minorities and females as stipulated under the Supplemental Specifications and Recurring Special Provisions, the contractor shall be subject to sanctions set forth in the agreement. The sanctions may include lowered prequalification, suspension or cancellation of the contract, debarment from further contracts, and liquidated damages.

The contractor's compliance status shall be determined by monitoring and review procedures that are administered by the Illinois Department of Transportation Bureau of Small Business Enterprises.

(l) The contractor shall include all costs of compliance for the apprentice/training plan in its bid. The contractor will be reimbursed 80 cents per hour of training given an employee in accordance with an approved apprentice/training program. The contractor shall not be entitled to any additional compensation from the State for additional costs, delays, or expenses of any kind arising out of or resulting from the implementation of this plan in the contract.

(m) Nothing in this Act shall be construed or enforced to permit discrimination against any individual on the basis of race, color, sex, or national origin with respect to employment or apprenticeship/training opportunities on contracts funded in whole with State funds.

(n) The Director of the Capital Development Board and the Secretary of Transportation shall submit, at least once each calendar quarter, a report to the Governor and General Assembly detailing his or her implementation of the apprentice/training plan established by this Act, and the compliance of contractors with this Act.

The penalty shall be paid to the governmental entity that entered into the public works project. Any person who violates this Act may not bid on any public works project for a period of 2 years. #### AMENDMENT NO. 2

AMENDMENT NO. 2. Amend House Bill 2313 by replacing the title with the following:

"AN ACT concerning public utilities."; and

by replacing everything after the enacting clause with the following:

"Section 5. The Public Utilities Act is amended by adding Section 9-220.3 as follows:

(220 ILCS 5/9-220.3 new)

Sec. 9-220.3. Asbestos surcharges authorized.

(a) The Commission shall adopt a rule authorizing an electric or gas utility to implement a surcharge ("asbestos rider"). The surcharge shall be applied to customer bills no earlier than January 1, 2007, to recover costs associated with asbestos; provided that, for any calendar year, the amount of the surcharge for an electric or gas utility shall not exceed 5% of its annual Illinois retail revenue for sales to ultimate customers as reported in the Commission's Form 21 of the utility for 2002.

(b) Recoverable costs under an asbestos rider for a given year shall consist of the prudent costs incurred by the electric or gas utility and the prudent costs incurred by an owner of electric property or gas property, as those terms are defined in subsection (c) of this Section for:

(1) litigation costs and final injury and damage award judgments by a court of competent jurisdiction or settlements relating to asbestos exposure by employees and others on electric or gas property while owned by the utility;

(2) costs related to asbestos exposure insurance coverage, litigation pertaining to insurance coverage, and insurance claims; and

(3) the cost of site remediation (including removal, encapsulation, or other appropriate remediation methods).

For purposes of this subsection, "settlement costs" include litigation expenses, including legal consulting and dispute resolution costs.

"Recoverable costs" under an asbestos rider shall be those costs in excess of the level of such costs reflected in the establishment of a utility's base rates. However, "recoverable costs" under an asbestos rider shall not include any internal costs of the electric or gas utility.

(c) The cost of site remediation (including removal, encapsulation, or other appropriate remediation methods) shall be recoverable under an asbestos rider if the costs are associated with remediation of electric property or gas property and the site remediation is performed by a workforce of skilled and trained employees equipped with appropriate technical training and experience. Adequate skill, training, and expertise shall be demonstrated by factors such as completion by the employee of an accredited or otherwise recognized apprenticeship program for the particular craft, trade, or skill. Contractors performing site remediation shall comply with all governmental requirements for licensing and for the removal and handling of asbestos materials. "Electric property" or "gas property" shall mean all plant and property in the rate base of the electric utility or gas utility as of or subsequent to October 1, 1996, regardless of whether the electric or gas utility has subsequently retired, sold, leased, or otherwise transferred such plant or property.

(d) Under an asbestos rider, all related insurance recoveries shall be offset against costs charged through the rider, and allowable costs and revenues under the rider shall be reconciled annually pursuant to subsection (f) of this Section. Recoverable costs, net of insurance recoveries, incurred between the effective date of this amendatory Act of the 93rd General Assembly and December 31, 2006 may be deferred by an electric utility for recovery through an asbestos rider provided that those costs and recoveries are booked to deferred accounts that are not the subject of the Commission's determination of the return on common equity pursuant to subsection (d) or (e) of Section 16-111. Recoverable costs, net of insurance recoveries, incurred between the effective date of this amendatory Act of the 93rd General Assembly and December 31, 2006 may be deferred by a gas utility for recovery through an asbestos rider provided that those costs and recoveries are booked to deferred accounts that are not the subject of the Commission's determination of the gas utility's return on common equity. Additionally, electric and gas utilities may defer amounts in excess of the 5% annual cap. The electric or gas utility may accrue a carrying charge on the deferred amounts each month at a rate to be determined by the Commission's rulemaking. The Commission may determine that any such deferred amount and associated carrying costs may be amortized over a period not to exceed 60 months; provided that the deferred amounts shall continue to accrue carrying charges at the authorized rate during the amortization period.

(e) The Commission shall initiate a rulemaking proceeding within 90 days after the effective date of this amendatory Act of the 93rd General Assembly to address the following considerations:

- (1) rate design for recovering asbestos related costs, including jurisdictional allocation methods for multi-state utilities;
- (2) frequency of rate changes and timing of filings;
- (3) true-up mechanisms for over-or-under collection of costs;
- (4) information requirements;
- (5) methodology for determining amount of asbestos costs in existing base rates and for deferring asbestos costs in excess of base rate level;
- (6) guidelines for the prudence of incurred recoverable costs to be used in annual reviews;
- (7) tariff terms and conditions;
- (8) carrying charge rate applicable to deferred recoverable costs; and
- (9) length of the amortization period for the deferred costs.

The utility must file a tariff complying with the Commission's final rules to initiate the asbestos surcharge. The asbestos surcharge shall appear as a separate line item on customer bills. A utility intending to defer recoverable costs under this Section shall provide written notice to the Commission's Chief Clerk and Manger of Accounting prior to deferring such costs. A utility is required to file an asbestos rider in compliance with the Commission's final rule prior to implementing the surcharge for recovering any deferred costs and current recoverable costs after 2006.

(f) Annually, the Commission shall initiate a proceeding to reconcile any amounts collected under the tariff with the actual amount of prudent recoverable costs in excess of the level of such costs already reflected in the utility's base rates. In each proceeding, the burden of proof shall be on the utility to establish the prudence of its incurred recoverable costs. The Commission shall endeavor to issue its final order in each such annual proceeding by December 31 of the year following the year to which it pertains.

"New electric generating facility" means a newly-constructed electric generation plant or a newly constructed generation capacity expansion at an existing facility, including the transmission lines and associated equipment that transfers electricity from points of supply to points of delivery, and for which foundation construction commenced not sooner than July 1, 2001, which is designed to provide baseload electric generation operating on a continuous basis throughout the year; and which has an aggregate rated generating capacity of at least 400 megawatts for all new units at one site, uses coal or gases derived from coal as its primary fuel source, and supports the creation of at least 150 new Illinois coal mining jobs.

"Eligible business" means an entity that proposes to construct a new electric generating facility and that has applied to the Department to receive financial assistance pursuant to this Section. With respect to use and occupation taxes, wherever there is a reference to taxes, that reference means only those taxes paid on Illinois-mined coal used in a new electric generating facility.

"Department" means the Illinois Department of Commerce and Community Affairs.

(b) The Department is authorized to provide financial assistance to eligible businesses for new electric generating facilities from funds appropriated by the General Assembly as further provided in this Section.

An eligible business seeking qualification for financial assistance for a new electric generating facility, for purposes of this Section only, shall apply to the Department in the manner specified by the Department. Any projections provided by an eligible business as part of the application shall be independently verified in a manner as set forth by the Department. An application shall include, but not be limited to:

(1) the projected or actual completion date of the new electric generating facility for which financial assistance is sought;

(2) copies of documentation deemed acceptable by the Department establishing either (i) the total State occupation and use taxes paid on Illinois-mined coal used at the new electric generating facility for a minimum of 4 preceding calendar quarters or (ii) the projected amount of State occupation and use taxes paid on Illinois-mined coal used at the new electric generating facility in 4 calendar year quarters after completion of the new electric generating facility. Bond proceeds subject to this Section shall not be allocated to an eligible business until the eligible business has demonstrated the revenue stream sufficient to service the debt on the bonds; and

(3) the actual or projected amount of capital investment by the eligible business in the new electric generating facility.

The Department shall determine the maximum amount of financial assistance for eligible businesses in accordance with this paragraph. The Department shall not provide financial assistance from general obligation bond funds to any eligible business unless it receives a written certification from the Director of the Bureau of the Budget that 80% of the State occupation and use tax receipts for a minimum of the preceding 4 calendar quarters for all eligible businesses or as included in projections on approved applications by eligible businesses equal or exceed 110% of the maximum annual debt service required with respect to general obligation bonds issued for that purpose. The Department may provide financial assistance not to exceed the amount of State general obligation debt calculated as above, the amount of actual or projected capital investment in the energy generation facility, or \$100,000,000, whichever is less.

Financial assistance received pursuant to this Section may be used for capital facilities consisting of buildings, structures, durable equipment, and land at the new electric generating facility. Subject to the provisions of the agreement covering the financial assistance, a portion of the financial assistance may be required to be repaid to the State if certain conditions for the governmental purpose of the assistance were not met.

An eligible business shall file a monthly report with the Illinois Department of Revenue stating the amount of Illinois-mined coal purchased during the previous month for use in the new electric generating facility, the purchase price of that coal, the amount of State occupation and use taxes paid on that purchase to the seller of the Illinois-mined coal, and such other information as that Department may reasonably require. In sales of Illinois-mined coal between related parties, the purchase price of the coal must have been determined in an arms-length transaction. The report shall be filed with the Illinois Department of Revenue on or before the 20th day of each month on a form provided by that Department. However, no report need be filed by an eligible business in a month when it made no reportable purchases of coal in the previous month. The Illinois Department of Revenue shall provide a summary of such reports to the Bureau of the Budget.

Upon granting financial assistance to an eligible business, the Department shall certify the name of the eligible business to the Illinois Department of Revenue. Beginning with the receipt of the first report of State occupation and use taxes paid by an eligible business and continuing for a 25-year period, the Illinois Department of Revenue shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. Section 10. The Illinois Development Finance Authority Act is amended by changing Section 7.90 as follows:

(20 ILCS 3505/7.90)

Sec. 7.90. Clean Coal and Energy Project Financing. (a) Findings and declaration of policy. It is hereby found and declared that Illinois has abundant coal resources and, in some areas of Illinois, the demand for power exceeds the generating capacity. Incentives to encourage the construction of coal-fired electric generating plants in Illinois to ensure power-generating capacity into the future are in the best interests of all of the citizens of Illinois. The Authority is authorized to issue bonds to help finance Clean Coal and Energy projects pursuant to this Section and under this Act.

(b) Definition. "Clean Coal and Energy projects" means new electric generating facilities, as defined in Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois, which may include mine-mouth power plants, projects that employ the use of clean coal technology, projects to develop alternative energy sources, including renewable energy projects, projects to provide scrubber technology for existing energy generating plants, or projects to provide electric transmission facilities.

(c) Creation of reserve funds. The Authority may establish and maintain one or more reserve funds to enhance bonds issued by the Authority for Clean Coal and Energy projects under this Section. There may be one or more accounts in these reserve funds in which there may be deposited:

- (1) any proceeds of bonds issued by the Authority required to be deposited therein by the terms of any contract between the Authority and its bondholders or any resolution of the Authority;
- (2) any other moneys or funds of the Authority that it may determine to deposit therein from any other source; and
- (3) any other moneys or funds made available to the Authority.

Subject to the terms of any pledge to the owners of any bonds, moneys in any reserve fund may be held and applied to the payment of the interest, premium, if any, or principal of bonds or for any other purpose authorized by the Authority.

(d) Powers and duties. The Authority has the power:

- (1) To issue bonds in one or more series pursuant to one or more resolutions of the Authority for any Clean Coal and Energy projects authorized under this Section, within the authorization set forth in subsections subsection (e) and (e-5).
- (2) To provide for the funding of any reserves or other funds or accounts deemed necessary by the Authority in connection with any bonds issued by the Authority.
- (3) To pledge any funds of the Authority or funds made available to the Authority that may be applied to such purpose as security for any bonds or any guarantees, letters of credit, insurance contracts, or similar credit support or liquidity instruments securing the bonds.
- (4) To enter into agreements or contracts with third parties, whether public or private, including,

without limitation, the United States of America, the State, or any department or agency thereof, to obtain any appropriations, grants, loans, or guarantees that are deemed necessary or desirable by the Authority. Any such guarantee, agreement, or contract may contain terms and provisions necessary or desirable in connection with the program, subject to the requirements established by the Act.

(5) To exercise such other powers as are necessary or incidental to the foregoing.

(e) Clean Coal and Energy bond authorization and financing limits. In addition to any other bonds authorized to be issued under this Act, the Authority may have outstanding, at any time, bonds for the purpose enumerated in this ~~Section~~ subsection (e) in an aggregate principal amount that shall not exceed \$3,000,000,000, of which no more than \$300,000,000 may be issued to finance transmission facilities, no more than \$500,000,000 may be issued to finance scrubbers at existing generating plants, no more than \$500,000,000 may be issued to finance alternative energy sources, including renewable energy projects, and no more than \$1,700,000,000 may be issued to finance new electric generating facilities, as defined in Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois, which may include mine-mouth power plants. An application for a loan financed from bond proceeds from a borrower or its affiliates for a Clean Coal and Energy project may not be approved by the Authority for an amount in excess of \$450,000,000 for any borrower or its affiliates. These bonds shall not constitute an indebtedness or obligation of the State of Illinois and it shall be plainly stated on the face of each bond that it does not constitute an indebtedness or obligation of the State of Illinois but is payable solely from the revenues, income, or other assets of the Authority pledged therefor.

(e-5) Additional Clean Coal and Energy bond authorization and financing limits. In addition to any other bonds authorized to be issued under subsection (e), the Authority may issue bonds for the purposes enumerated in subsection (e) in an aggregate principal amount that shall not exceed \$300,000,000.

In the event that the Authority determines that the funds pledged, intercepted, or otherwise received or to be received by the Authority for the payment of the principal, premium, if any, and interest during the next State fiscal year on any bonds issued by the Authority under this subsection (e-5) for the specific purposes identified in this subsection (e-5) will not be sufficient for those payments, the Chairman, as soon as is practical, shall certify to the Governor the amount required by the Authority to enable it to pay the principal, premium, if any, and interest falling due on the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practical, but no later than the end of the current State fiscal year. This paragraph shall not apply to any bonds as to which the Authority shall have determined, in the resolution authorizing their issuance, that this paragraph shall not apply. Whenever the Authority makes such a determination, that fact shall be plainly stated on the face of the bonds and that fact shall also be reported to the Governor.

In the event of a withdrawal of moneys from a debt service reserve fund established with respect to any issue or issues of bonds of the Authority under this subsection (e-5) to pay principal and interest on those bonds, the Chairman, as soon as is practical, shall certify to the Governor the amount required to restore the reserve fund to the level required in the resolution or indenture securing the bonds. The Governor shall submit the amount so certified to the General Assembly as soon as practical, but not later than the end of the current State fiscal year.

(f) Criteria for participation in the program. Applications to the Authority for financing of any Clean Coal and Energy project shall be reviewed by the Authority. Upon submission of any such application, the Authority staff shall review the application for its completeness and may, at the discretion of the Authority staff, request such additional information as it deems necessary or advisable to aid in review. If the Authority receives applications for financing for Clean Coal and Energy projects in excess of the bond authorization available for such financing at any one time, it shall consider applications in the order of priority as it shall determine, in consultation with other State agencies. There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed; and the bill, as amended, was advanced to the order of Third Reading.

HOUSE BILL 2449. Having been printed, was taken up and read by title a second time.  
Representative Bellock offered the following amendment and moved its adoption:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 2449 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Mental Health Drug Open Access Authorization Act.

Section 5. Legislative findings; purpose.

(a) The General Assembly finds as follows:

(1) Recipients of medical assistance under the Illinois Public Aid Code are often the State's most disadvantaged citizens, burdened with significant medical, financial, and social needs. Those recipients benefit from an integrated approach to health care with open and continuous access to physician-prescribed medications.

(2) Mental health patients, including, but not limited to, patients with severe mental illnesses such as schizophrenia, bipolar disorder (manic-depressive illness), or depression, require individually tailored treatments determined by an appropriately trained health care provider.

(3) Medications for mental illness are not the same; medications can vary greatly in effectiveness in treating specific symptoms or disorders or in their side effects. Patient needs vary greatly, and not all patients respond in the same way to a given treatment.

(4) There is ample evidence that new medications offer therapeutic advantages over older medications when used within evidence-based clinical practice.

(5) The determination of the most appropriate medication for a particular patient with a mental illness should be made on the basis of patient acceptability, prior individual drug response, individual side-effect profile, and concomitant pharmacotherapies; and, finally, where multiple agents are equally documented as clinically effective, the final evaluation will be price.

(6) As a member of the direct caregiver team, a patient's physician should determine the most appropriate treatment that falls within the scope of evidence-based clinical practice. As a member of the direct caregiver team, a patient's pharmacist should apply the principles of pharmaceutical care to ensure patient safety relative to potential drug-drug, drug-food, and drug-preexisting medical abnormality interactions.

(b) The purpose of this Act is to ensure that recipients of medical assistance under the Illinois Public Aid Code, and other similarly situated patients, who need treatment for mental illness have open and continuous access to the medications deemed appropriate by their physicians and supported by evidence-based clinical practice.

Section 10. Definitions. In this Act:

"Cross-indication" means that a drug is used for a purpose generally held to be reasonable, appropriate, and within the scope of evidence-based clinical practice as set forth in peer-reviewed literature (not case reports).

"Department" means the following:

(1) In the case of the Children's Health Insurance Program under the Children's Health Insurance Program Act or the medical assistance program under the Illinois Public Aid Code: the Department of Public Aid.

(2) In the case of the program of pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act: the Department of Revenue.

(3) In the case of any other State prescription drug assistance program: the State agency that administers that program.

"Mental illness" has the meaning ascribed to that term in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association.

"Prior authorization" means a procedure by which the prescriber or dispenser of a drug must verify with the Department or its contractor that the proposed medical use of that drug for a patient meets predetermined criteria for coverage under a program described in Section 15.

Section 15. Affected programs. This Act applies to the following programs:

(1) The Children's Health Insurance Program under the Children's Health Insurance Program Act.

(2) The medical assistance program under Article V of the Illinois Public Aid Code, as well as medical assistance provided to recipients of General Assistance under Article VI of that Code.

(3) The program of pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act.

(4) Any other State prescription drug assistance program.

Section 20. Prior authorization of mental health drugs prohibited.

(a) The Department may not use or require the use of a prior authorization procedure in connection with the dispensing of a prescription drug, or reimbursement for the dispensing of a drug, that meets either of the following criteria:

(1) According to the most recent version of AHFS Drug Information, published by the American Society of Health-System Pharmacists, or the Physician's Desk Reference, the drug is:

(A) classified as an anti-anxiety, antidepressant, or antipsychotic central nervous system drug; or

(B) cross-indicated for a central nervous system drug classification.

(2) The drug is prescribed for the treatment of mental illness.

(b) Nothing in this Section precludes prior authorization requirements for dosages of prescribed medications that exceed the maximum dosage established by the federal Food and Drug Administration where clinical safety and efficacy have been established.

(c) Notwithstanding subdivision (a)(1)(B) of this Section, even though a cross-indicated use is not included in the federal Food and Drug Administration's approved label indications for the drug, dosages may not exceed the maximum dosage established by the Food and Drug Administration where clinical safety and efficacy have been established.

(d) In compliance with Health Care Finance Administration guidelines, a functional Drug Use Review (DUR) activity shall review clinical outcomes and, based on evidence-based clinical practices, intervene where clinically appropriate to ensure the health and safety of the patients receiving health benefits coverage under the Children's Health Insurance Program Act, medical assistance under Article V or VI of the Illinois Public Aid Code, pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act, or benefits under any other State prescription drug assistance program.

Section 90. The Children's Health Insurance Program Act is amended by adding Section 27 as follows:

(215 ILCS 106/27 new)

Sec. 27. Prior authorization of mental health drugs; other restrictions.

(a) Health benefits coverage provided to eligible children under this Act is subject to the Mental Health Drug Open Access Authorization Act, except where the dosage of a prescribed drug exceeds the maximum dosage established by the federal Food and Drug Administration where safety and clinical efficacy have been established.

(b) Nothing in this Section shall be construed to prohibit the Department from implementing restrictions, other than prior authorization requirements, as necessary for the purpose of ensuring the appropriate use of medications by program beneficiaries. Such restrictions include limitations on quantity, prescribing protocols and guidelines, and other restrictions that are supported by evidence-based medicine.

Section 93. The Illinois Public Aid Code is amended by changing Sections 5-5.12 and 6-11 as follows:

(305 ILCS 5/5-5.12) (from Ch. 23, par. 5-5.12)

Sec. 5-5.12. Pharmacy payments. (a) Every request submitted by a pharmacy for reimbursement under this Article for prescription drugs provided to a recipient of aid under this Article shall include the name of the prescriber or an acceptable identification number as established by the Department.

(b) Pharmacies providing prescription drugs under this Article shall be reimbursed at a rate which shall include a professional dispensing fee as determined by the Illinois Department, plus the current acquisition

cost of the prescription drug dispensed. The Illinois Department shall update its information on the acquisition costs of all prescription drugs no less frequently than every 30 days. However, the Illinois Department may set the rate of reimbursement for the acquisition cost, by rule, at a percentage of the current average wholesale acquisition cost.

(c) Reimbursement under this Article for prescription drugs shall be limited to reimbursement for 4 brand-name prescription drugs per patient per month. This subsection applies only if (i) the brand-name drug was not prescribed for an acute or urgent condition, (ii) the brand-name drug was not prescribed for Alzheimer's disease, arthritis, diabetes, HIV/AIDS, a mental health condition, or respiratory disease, and (iii) a therapeutically equivalent generic medication has been approved by the federal Food and Drug Administration.

(d) The Department shall not impose requirements for prior approval based on a preferred drug list for anti-retroviral or any atypical antipsychotics, conventional antipsychotics, or anticonvulsants used for the treatment of serious mental illnesses until 30 days after it has conducted a study of the impact of such requirements on patient care and submitted a report to the Speaker of the House of Representatives and the President of the Senate. In the case of a conflict between this subsection and the Mental Health Drug Open Access Authorization Act, the Mental Health Drug Open Access Authorization Act controls, except where the dosage of a prescribed drug exceeds the maximum dosage established by the federal Food and Drug Administration where safety and clinical efficacy have been established. Nothing in the changes made by this amendatory Act of the 93rd General Assembly shall be construed to prohibit the Department from implementing restrictions, other than prior authorization requirements, as necessary for the purpose of ensuring the appropriate use of medications by recipients of medical assistance under this Article. Such restrictions include limitations on quantity, prescribing protocols and guidelines, and other restrictions that are supported by evidence-based medicine. (305 ILCS 5/6-11) (from Ch. 23, par. 6-11)

Sec. 6-11. State funded General Assistance. (a) Effective July 1, 1992, all State funded General Assistance and related medical benefits shall be governed by this Section. Other parts of this Code or other laws related to General Assistance shall remain in effect to the extent they do not conflict with the provisions of this Section. If any other part of this Code or other laws of this State conflict with the provisions of this Section, the provisions of this Section shall control.

(b) State funded General Assistance shall consist of 2 separate programs. One program shall be for adults with no children and shall be known as State Transitional Assistance. The other program shall be for families with children and for pregnant women and shall be known as State Family and Children Assistance.

(c) (1) To be eligible for State Transitional Assistance on or after July 1, 1992, an individual must be ineligible for assistance under any other Article of this Code, must be determined chronically needy, and must be one of the following:

(A) age 18 or over or

(B) married and living with a spouse, regardless of age.

(2) The Illinois Department or the local governmental unit shall determine whether individuals are chronically needy as follows:

(A) Individuals who have applied for Supplemental Security Income (SSI) and are awaiting a decision on eligibility for SSI who are determined disabled by the Illinois Department using the SSI standard shall be considered chronically needy, except that individuals whose disability is based solely on substance addictions (drug abuse and alcoholism) and whose disability would cease were their addictions to end shall be eligible only for medical assistance and shall not be eligible for cash assistance under the State Transitional Assistance program.

(B) If an individual has been denied SSI due to a finding of "not disabled" (either at the Administrative Law Judge level or above, or at a lower level if that determination was not appealed), the Illinois Department shall adopt that finding and the individual shall not be eligible for State Transitional Assistance or any related medical benefits. Such an individual may not be determined disabled by the Illinois Department for a period of 12 months, unless the individual shows that there has been a substantial change in his or her medical condition or that there has been a substantial change in other factors, such as age or work experience, that might change the determination of disability.

(C) The Illinois Department, by rule, may specify other categories of individuals as chronically needy; nothing in this Section, however, shall be deemed to require the inclusion of any specific category other than as specified in paragraphs (A) and (B).

(3) For individuals in State Transitional Assistance, medical assistance shall be provided in an amount and nature determined by the Illinois Department of Public Aid by rule. The amount and nature of medical assistance provided need not be the same as that provided under paragraph (4) of subsection (d) of this Section, and nothing in this paragraph (3) shall be construed to require the coverage of any particular medical service. In addition, the amount and nature of medical assistance provided may be different for different categories of individuals determined chronically needy.

(4) The Illinois Department shall determine, by rule, those assistance recipients under Article VI who shall be subject to employment, training, or education programs including Earnfare, the content of those programs, and the penalties for failure to cooperate in those programs.

(5) The Illinois Department shall, by rule, establish further eligibility requirements, including but not limited to residence, need, and the level of payments.

(d) (1) To be eligible for State Family and Children Assistance, a family unit must be ineligible for assistance under any other Article of this Code and must contain a child who is:

(A) under age 18 or

(B) age 18 and a full-time student in a secondary school or the equivalent level of vocational or technical training, and who may reasonably be expected to complete the program before reaching age 19.

Those children shall be eligible for State Family and Children Assistance.

(2) The natural or adoptive parents of the child living in the same household may be eligible for State Family and Children Assistance.

(3) A pregnant woman whose pregnancy has been verified shall be eligible for income maintenance assistance under the State Family and Children Assistance program.

(4) The amount and nature of medical assistance provided under the State Family and Children Assistance program shall be determined by the Illinois Department of Public Aid by rule. The amount and nature of medical assistance provided need not be the same as that provided under paragraph (3) of subsection (c) of this Section, and nothing in this paragraph (4) shall be construed to require the coverage of any particular medical service.

(5) The Illinois Department shall, by rule, establish further eligibility requirements, including but not limited to residence, need, and the level of payments.

(d-5) Medical assistance benefits provided to eligible recipients under this Section are subject to the Mental Health Drug Open Access Authorization Act. Nothing in this subsection shall be construed to prohibit the Department of Public Aid from implementing restrictions, other than prior authorization requirements, as necessary for the purpose of ensuring the appropriate use of medications by recipients of medical assistance under this Section. Such restrictions include limitations on quantity, prescribing protocols and guidelines, and other restrictions that are supported by evidence-based medicine.

(e) A local governmental unit that chooses to participate in a General Assistance program under this Section shall provide funding in accordance with Section 12-21.13 of this Act. Local governmental funds used to qualify for State funding may only be expended for clients eligible for assistance under this Section 6-11 and related administrative expenses.

(f) In order to qualify for State funding under this Section, a local governmental unit shall be subject to the supervision and the rules and regulations of the Illinois Department.

(g) Notwithstanding any other provision in this Code, the Illinois Department is authorized to reduce payment levels used to determine cash grants provided to recipients of State Transitional Assistance at any time within a Fiscal Year in order to ensure that cash benefits for State Transitional Assistance do not exceed the amounts appropriated for those cash benefits. Changes in payment levels may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative Procedure Act, except that the limitation on the number of emergency rules that may be adopted in a 24-month period shall not apply and the provisions of Sections 5-115 and 5-125 of the Illinois Administrative Procedure Act shall not apply. This provision shall also be applicable to any reduction in payment levels made upon implementation of this amendatory Act of 1995. (Source: P.A. 92-111, eff. 1-1-02.)

Section 95. The Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is amended by changing Section 4 as follows:

(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

Sec. 4. Amount of Grant. (a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following

the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any disabled person whose annual household income is less than \$14,000 for grant years before the 1998 grant year, less than \$16,000 for the 1998 and 1999 grant years, and less than (i) \$21,218 for a household containing one person, (ii) \$28,480 for a household containing 2 persons, or (iii) \$35,740 for a household containing 3 or more persons for the 2000 grant year and thereafter and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) \$700 less 4.5% of household income for that year for those with a household income of \$14,000 or less or (ii) \$70 if household income for that year is more than \$14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of \$55 per month from the Department of Public Aid or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over \$55 to the number twelve. If household income did not include such cash assistance over \$55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) There is hereby established a program of pharmaceutical assistance to the aged and disabled which shall be administered by the Department in accordance with this Act, to consist of payments to authorized pharmacies, on behalf of beneficiaries of the program, for the reasonable costs of covered prescription drugs. Each beneficiary who pays \$5 for an identification card shall pay no additional prescription costs. Each beneficiary who pays \$25 for an identification card shall pay \$3 per prescription. In addition, after a beneficiary receives \$2,000 in benefits during a State fiscal year, that beneficiary shall also be charged 20% of the cost of each prescription for which payments are made by the program during the remainder of the fiscal year. To become a beneficiary under this program a person must: (1) be (i) 65 years of age or older, or (ii) the surviving spouse of such a claimant, who at the time of death received or was entitled to receive benefits pursuant to this subsection, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive benefits pursuant to this subsection, or (iii) disabled, and (2) be domiciled in this State at the time he or she files his or her claim, and (3) have a maximum household income of less than \$14,000 for grant years before the 1998 grant year, less than \$16,000 for the 1998 and 1999 grant years, and less than (i) \$21,218 for a household containing one person, (ii) \$28,480 for a household containing 2 persons, or (iii) \$35,740 for a household containing 3 more persons for the 2000 grant year and thereafter. In addition, each eligible person must (1) obtain an identification card from the Department,

(2) at the time the card is obtained, sign a statement assigning to the State of Illinois benefits which may be otherwise claimed under any private insurance plans, and (3) present the identification card to the dispensing pharmacist.

Whenever a generic equivalent for a covered prescription drug is available, the Department shall reimburse only for the reasonable costs of the generic equivalent, less the co-pay established in this Section, unless (i) the covered prescription drug contains one or more ingredients defined as a narrow therapeutic index drug at 21 CFR 320.33, (ii) the prescriber indicates on the face of the prescription "brand medically necessary", and (iii) the prescriber specifies that a substitution is not permitted. When issuing an oral prescription for covered prescription medication described in item (i) of this paragraph, the prescriber shall stipulate "brand medically necessary" and that a substitution is not permitted. If the covered prescription drug and its authorizing prescription do not meet the criteria listed above, the beneficiary may purchase the non-generic equivalent of the covered prescription drug by paying the difference between the generic cost and the non-generic cost plus the beneficiary co-pay.

Pharmaceutical assistance benefits provided to eligible persons under this Act are subject to the Mental Health Drug Open Access Authorization Act. Nothing in the changes made by this amendatory Act of the 93rd General Assembly shall be construed to prohibit the Department of Revenue from implementing restrictions, other than prior authorization requirements, as necessary for the purpose of ensuring the appropriate use of medications by recipients of pharmaceutical assistance under this Act. Such restrictions include limitations on quantity, prescribing protocols and guidelines, and other restrictions that are supported by evidence-based medicine.

Any person otherwise eligible for pharmaceutical assistance under this Act whose covered drugs are covered by any public program for assistance in purchasing any covered prescription drugs shall be ineligible for assistance under this Act to the extent such costs are covered by such other plan.

The fee to be charged by the Department for the identification card shall be equal to \$5 per coverage year for persons below the official poverty line as defined by the United States Department of Health and Human Services and \$25 per coverage year for all other persons.

In the event that 2 or more persons are eligible for any benefit under this Act, and are members of the same household, (1) each such person shall be entitled to participate in the pharmaceutical assistance program, provided that he or she meets all other requirements imposed by this subsection and (2) each participating household member contributes the fee required for that person by the preceding paragraph for the purpose of obtaining an identification card. (b) The Authority shall promulgate rules to implement this Section.

Section 10. The Illinois Police Training Act is amended by adding Section 10.3 as follows:

(50 ILCS 705/10.3 new)

Sec. 10.3. Training of police officers to conduct electronic interrogations. From appropriations made to it for that purpose, the Board shall initiate, administer, and conduct training programs for permanent police officers, part-time police officers, and recruits on the methods and technical aspects of conducting electronic recordings of interrogations.

Section 15. The Juvenile Court Act of 1987 is amended by adding Section 5-401.5 as follows:

(705 ILCS 405/5-401.5 new)

Sec. 5-401.5. When statements by minor may be used.

(a) In this Section, "custodial interrogation" means any interrogation (i) during which a reasonable person in the subject's position would consider himself or herself to be in custody and (ii) during which a question is asked that is reasonably likely to elicit an incriminating response.

In this Section, "electronic recording" includes motion picture, audiotape, videotape, or digital recording.

In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons or allegations that those persons are delinquent minors.

(b) An oral, written, or sign language statement of a minor who, at the time of the commission of the offense was under the age of 17 years, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act of the 93rd General Assembly shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, or 9-3.3, of the Criminal Code of 1961 unless:

(1) an electronic recording is made of the custodial interrogation; and

(2) the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this Section must be preserved until such time as the minor's adjudication for any offense relating to the statement is final and all direct and habeas corpus

appeals are exhausted, or the prosecution of such offenses is barred by law.

(d) If the court finds, by a preponderance of the evidence, that the minor was subjected to a custodial interrogation in violation of this Section, then any statements made by the minor during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding or juvenile court proceeding against the minor except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the minor in open court in any criminal proceeding or juvenile court proceeding, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death or an act of sexual assault or sexual conduct has in fact occurred, or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(a) Listening to radio, wireless and television communications of any sort where the same are publicly made;

(b) Hearing conversation when heard by employees of any common carrier by wire incidental to the normal course of their employment in the operation, maintenance or repair of the equipment of such common carrier by wire so long as no information obtained thereby is used or divulged by the hearer;

(c) Any broadcast by radio, television or otherwise whether it be a broadcast or recorded for the purpose of later broadcasts of any function where the public is in attendance and the conversations are overheard incidental to the main purpose for which such broadcasts are then being made;

(d) Recording or listening with the aid of any device to any emergency communication made in the normal course of operations by any federal, state or local law enforcement agency or institutions dealing in emergency services, including, but not limited to, hospitals, clinics, ambulance services, fire fighting agencies, any public utility, emergency repair facility, civilian defense establishment or military installation;

(e) Recording the proceedings of any meeting (required to be open by the Open Meetings Act, as amended);

Such recordings must be destroyed, erased or turned over to local law enforcement authorities within 24 hours from the time of such recording and shall not be otherwise disseminated. Failure on the part of the individual or business operating any such recording or listening device to comply with the requirements of this subsection shall eliminate any civil or criminal immunity conferred upon that individual or business by the operation of this Section;

(g) With prior notification to the State's Attorney of the county in which it is to occur, recording or listening with the aid of any device to any conversation where a law enforcement officer, or any person acting at the direction of law enforcement, is a party to the conversation and has consented to it being intercepted or recorded under circumstances where the use of the device is necessary for the protection of the law enforcement officer or any person acting at the direction of law enforcement, in the course of an investigation of a forcible felony, a felony violation of the Illinois Controlled Substances Act, a felony

violation of the Cannabis Control Act, or any "streetgang related" or "gang-related" felony as those terms are defined in the Illinois Streetgang Terrorism Omnibus Prevention Act. Any recording or evidence derived as the result of this exemption shall be inadmissible in any proceeding, criminal, civil or administrative, except (i) where a party to the conversation suffers great bodily injury or is killed during such conversation, or (ii) when used as direct impeachment of a witness concerning matters contained in the interception or recording. (g-5) With approval of the State's Attorney of the county in which it is to occur, recording or listening with the aid of any device to any conversation where a law enforcement officer, or any person acting at the direction of law enforcement, is a party to the conversation and has consented to it being intercepted or recorded in the course of an investigation of any offense defined in Article 29D of this Code. In all such cases, an application for an order approving the previous or continuing use of an eavesdropping device must be made within 48 hours of the commencement of such use. In the absence of such an order, or upon its denial, any continuing use shall immediately terminate. Any recording or evidence obtained or derived in the course of an investigation of any offense defined in Article 29D of this Code shall, upon motion of the State's Attorney or Attorney General prosecuting any violation of Article 29D, be reviewed in camera with notice to all parties present by the court presiding over the criminal case, and, if ruled by the court to be relevant and otherwise admissible, it shall be admissible at the trial of the criminal case.

This subsection (g-5) is inoperative on and after January 1, 2005. No conversations recorded or monitored pursuant to this subsection (g-5) shall be inadmissible in a court of law by virtue of the repeal of this subsection (g-5) on January 1, 2005.

(i) Recording of a conversation made by or at the request of a person, not a law enforcement officer or agent of a law enforcement officer, who is a party to the conversation, under reasonable suspicion that another party to the conversation is committing, is about to commit, or has committed a criminal offense against the person or a member of his or her immediate household, and there is reason to believe that evidence of the criminal offense may be obtained by the recording; and

(j) The use of a telephone monitoring device by either (1) a corporation or other business entity engaged in marketing or opinion research or (2) a corporation or other business entity engaged in telephone solicitation, as defined in this subsection, to record or listen to oral telephone solicitation conversations or marketing or opinion research conversations by an employee of the corporation or other business entity when:

(i) the monitoring is used for the purpose of service quality control of marketing or opinion research or telephone solicitation, the education or training of employees or contractors engaged in marketing or opinion research or telephone solicitation, or internal research related to marketing or opinion research or telephone solicitation; and

(ii) the monitoring is used with the consent of at least one person who is an active party to the marketing or opinion research conversation or telephone solicitation conversation being monitored.

No communication or conversation or any part, portion, or aspect of the communication or conversation made, acquired, or obtained, directly or indirectly, under this exemption (j), may be, directly or indirectly, furnished to any law enforcement officer, agency, or official for any purpose or used in any inquiry or investigation, or used, directly or indirectly, in any administrative, judicial, or other proceeding, or divulged to any third party.

When recording or listening authorized by this subsection (j) on telephone lines used for marketing or opinion research or telephone solicitation purposes results in recording or listening to a conversation that does not relate to marketing or opinion research or telephone solicitation; the person recording or listening shall, immediately upon determining that the conversation does not relate to marketing or opinion research or telephone solicitation, terminate the recording or listening and destroy any such recording as soon as is practicable.

Business entities that use a telephone monitoring or telephone recording system pursuant to this exemption (j) shall provide current and prospective employees with notice that the monitoring or recordings may occur during the course of their employment. (d) If the court finds, by a preponderance of the evidence, that the defendant was subjected to a custodial interrogation in violation of this Section prior to the custodial interrogation in violation of this Section, then any statements made by the defendant during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding against the defendant except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the accused in open court at his or her trial, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section, because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death or an act of sexual assault or

sexual conduct has in fact occurred, or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.

#### AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 1256 by replacing everything after the enacting clause with the following:

"Section 5. The School Code is amended by changing Section 2-3.25g as follows:  
(105 ILCS 5/2-3.25g) (from Ch. 122, par. 2-3.25g)

Sec. 2-3.25g. Waiver or modification of mandates within the School Code and administrative rules and regulations. Notwithstanding any other provisions of this School Code or any other law of this State to the contrary, school districts may petition the State Board of Education for the waiver or modification of the mandates of this School Code or of the administrative rules and regulations promulgated by the State Board of Education. Waivers or modifications of administrative rules and regulations and modifications of mandates of this School Code may be requested when a school district demonstrates that it can address the intent of the rule or mandate in a more effective, efficient, or economical manner or when necessary to stimulate innovation or improve student performance. Waivers of mandates of the School Code may be requested when the waivers are necessary to stimulate innovation or improve student performance. Waivers may not be requested from laws, rules, and regulations pertaining to special education, teacher certification, or teacher tenure and seniority.

School districts, as a matter of inherent managerial policy, and any Independent Authority established under Section 2-3.25f may submit an application for a waiver or modification authorized under this Section. Each application must include a written request by the school district or Independent Authority and must demonstrate that the intent of the mandate can be addressed in a more effective, efficient, or economical manner or be based upon a specific plan for improved student performance and school improvement. Any district requesting a waiver or modification for the reason that intent of the mandate can be addressed in a more economical manner shall include in the application a fiscal analysis showing current expenditures on the mandate and projected savings resulting from the waiver or modification. Applications and plans developed by school districts must be approved by each board of education following a public hearing on the application and plan and the opportunity for the board to hear testimony from educators directly involved in its implementation, parents, and students. The public hearing must be preceded by at least one published notice occurring at least 7 days prior to the hearing in a newspaper of general circulation within the school district that sets forth the time, date, place, and general subject matter of the hearing. The school district must notify in writing the affected exclusive collective bargaining agent of the district's intent to seek approval of a waiver or modification and of the hearing to be held to take testimony from educators. The affected exclusive collective bargaining agents shall be notified of such public hearing at least 7 days prior to the date of the hearing and shall be allowed to attend such public hearing.

A request for a waiver or modification of administrative rules and regulations or for a modification of mandates contained in this School Code shall be submitted to the State Board of Education within 15 days after approval by the board of education. Following receipt of the request, the State Board shall have 45 days to review the application and request. If the State Board fails to disapprove the application within that 45 day period, the waiver or modification shall be deemed granted. The State Board may disapprove any request if it is not based upon sound educational practices, endangers the health or safety of students or staff, compromises equal opportunities for learning, or fails to demonstrate that the intent of the rule or mandate can be addressed in a more effective, efficient, or economical manner or have improved student performance as a primary goal. Any request disapproved by the State Board may be appealed to the

General Assembly by the requesting school district as outlined in this Section.

A request for a waiver from mandates contained in this School Code shall be submitted to the State Board within 15 days after approval by the board of education. The State Board shall review the applications and requests for completeness and shall compile the requests in reports to be filed with the General Assembly. The State Board shall file reports outlining the waivers requested by school districts and appeals by school districts of requests disapproved by the State Board with the Senate and the House of Representatives before each May 1 and October 1. The General Assembly may disapprove the report of the State Board in whole or in part within 30 calendar days after each house of the General Assembly next convenes after the report is filed by adoption of a resolution by a record vote of the majority of members elected in each house. If the General Assembly fails to disapprove any waiver request or appealed request within such 30 day period, the waiver or modification shall be deemed granted. Any resolution adopted by the General Assembly disapproving a report of the State Board in whole or in part shall be binding on the State Board.

An approved waiver or modification may remain in effect for a period not to exceed 5 school years and may be renewed upon application by the school district. However, such waiver or modification may be changed within that 5-year period by a local school district board following the procedure as set forth in this Section for the initial waiver or modification request. If neither the State Board of Education nor the General Assembly disapproves, the change is deemed granted.

On or before February 1, 1998, and each year thereafter, the State Board of Education shall submit a cumulative report summarizing all types of waiver mandates and modifications of mandates granted by the State Board or the General Assembly. The report shall identify the topic of the waiver along with the number and percentage of school districts for which the waiver has been granted. The report shall also include any recommendations from the State Board regarding the repeal or modification of waived mandates. AMENDMENT NO. 2

AMENDMENT NO. 2. Amend House Bill 107, AS AMENDED, by replacing the title with the following:

"Section 5. The Managed Care Reform and Patient Rights Act is amended by changing Section 65 as follows:

(215 ILCS 134/65)

Sec. 65. Emergency services prior to stabilization. (a) A health care plan that provides or that is required under by law to provide coverage for emergency services shall provide coverage such that payment under this coverage is not dependent upon whether the services are performed by a plan or non-plan health care provider and without regard to prior authorization. This coverage shall be at the same benefit level as if the services or treatment had been rendered by the health care plan physician licensed to practice medicine in all its branches or health care provider.

(b) Prior authorization or approval by the plan shall not be required for emergency services.

(c) Coverage and payment shall only be retrospectively denied under the following circumstances:

(1) upon reasonable determination that the emergency services claimed were never performed;

(2) upon timely determination that the emergency evaluation and treatment were rendered to an enrollee who sought emergency services and whose circumstance did not meet the definition of emergency medical condition;

(3) upon determination that the patient receiving such services was not an enrollee of the health care plan; or

(4) upon material misrepresentation by the enrollee or health care provider; "material" means a fact or situation that is not merely technical in nature and results or could result in a substantial change in the situation.

(d) When an enrollee presents to a hospital seeking emergency services, the determination as to whether the need for those services exists shall be made for purposes of treatment by a physician licensed to practice medicine in all its branches or, to the extent permitted by applicable law, by other appropriately licensed personnel under the supervision of or in collaboration with a physician licensed to practice medicine in all its branches. The physician or other appropriate personnel shall indicate in the patient's chart the results of the emergency medical screening examination.

(e) The appropriate use of the 911 emergency telephone system or its local equivalent shall not be discouraged or penalized by the health care plan when an emergency medical condition exists. This provision shall not imply that the use of 911 or its local equivalent is a factor in determining the existence of an emergency medical condition.

(f) The medical director's or his or her designee's determination of whether the enrollee meets the standard of an emergency medical condition shall be based solely upon the presenting symptoms documented in the medical record at the time care was sought. Only a clinical peer may make an adverse determination.

(g) Nothing in this Section shall prohibit the imposition of deductibles, copayments, and co-insurance. Nothing in this Section alters the prohibition on billing enrollees contained in the Health Maintenance Organization Act. (Source: P.A. 91-617, eff. 1-1-00.)"

Sec. 7.2. Custodial Interview Pilot Program.

(a) Legislative findings and intent. The General Assembly finds that technology has made it possible to electronically record custodial interviews of suspects during first degree murder investigations. This technology will protect law enforcement agencies against claims of abuse and coercion by suspects while providing a memorialized account of interviews at police stations. The technology will also provide a better means for courts to review confessions of suspects with direct evidence of demeanor, tone, manner, and content of statements. The General Assembly intends to create a Custodial Interview Pilot Program to establish 4 pilot programs at police stations in the State of Illinois. For each program, video and audio experts shall install equipment and train participating law enforcement agencies to electronically record custodial interviews at their respective police stations. Participating law enforcement agencies shall choose how to use the equipment in cooperation with the local State's Attorney's office. The participating law enforcement agencies may choose to electronically record interviews of suspects for offenses other than first degree murder if they adopt local protocols in cooperation with the local State's Attorney's office.

(1) "Electronically record" means to memorialize by video and audio electronic equipment.

(2) "Custodial interviews" means interviews of suspects during first degree murder investigations or other investigations established by local protocol by law enforcement authorities that take place at the police station.

Each participating law enforcement agency must:

A. the defendant was convicted upon a plea of guilty; or

B. the defendant was convicted after a trial before the court sitting without a jury; or

C. the court for good cause shown discharges the jury that determined the defendant's guilt; or  
 (3) before the court alone if the defendant waives a jury for the separate proceeding.

(e) Evidence and Argument.

During the proceeding any information relevant to any of the factors set forth in subsection (b) may be presented by either the State or the defendant under the rules governing the admission of evidence at criminal trials. Any information relevant to any additional aggravating factors or any mitigating factors indicated in subsection (c) may be presented by the State or defendant regardless of its admissibility under the rules governing the admission of evidence at criminal trials. The State and the defendant shall be given fair opportunity to rebut any information received at the hearing.

(f) Proof.

The burden of proof of establishing the existence of any of the factors set forth in subsection (b) is on the State and shall not be satisfied unless established beyond a reasonable doubt.

(g) Procedure - Jury.

If at the separate sentencing proceeding the jury finds that none of the factors set forth in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections. If there is a unanimous finding by the jury that one or more of the factors set forth in subsection (b) exist, the jury shall consider aggravating and mitigating factors as instructed by the court and shall determine whether the sentence of death shall be imposed. If the jury determines unanimously, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence ~~that there are no mitigating factors sufficient to preclude the imposition of the death sentence~~, the court shall sentence the defendant to death.

~~If Unless the jury determines unanimously, after weighing the factors in aggravation and mitigation, that death is not the appropriate sentence, finds that there are no mitigating factors sufficient to preclude the imposition of the death sentence~~ the court shall sentence the defendant to a term of natural life imprisonment under Chapter V of the Unified Code of Corrections.

(h) Procedure - No Jury.

In a proceeding before the court alone, if the court finds that none of the factors found in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

If the Court determines, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence ~~that one or more of the factors set forth in subsection (b) exists, the Court shall consider any aggravating and mitigating factors as indicated in subsection (c). If the Court determines that there are no mitigating factors sufficient to preclude the imposition of the death sentence~~, the Court shall sentence the defendant to death.

~~If Unless the court finds that there are no mitigating factors sufficient to preclude the imposition of the sentence of death is not the appropriate sentence~~, the court shall sentence the defendant to a term of natural life imprisonment under Chapter V of the Unified Code of Corrections.

(i) Appellate Procedure.

The conviction and sentence of death shall be subject to automatic review by the Supreme Court. Such review shall be in accordance with rules promulgated by the Supreme Court.

(j) Disposition of reversed death sentence.

In the event that the death penalty in this Act is held to be unconstitutional by the Supreme Court of the United States or of the State of Illinois, any person convicted of first degree murder shall be sentenced by the court to a term of imprisonment under Chapter V of the Unified Code of Corrections.

In the event that any death sentence pursuant to the sentencing provisions of this Section is declared unconstitutional by the Supreme Court of the United States or of the State of Illinois, the court having jurisdiction over a person previously sentenced to death shall cause the defendant to be brought before the court, and the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(k) Guidelines for seeking the death penalty. The Attorney General and States Attorney's Association shall adopt voluntary guidelines on procedures for deciding whether or not to seek the death penalty. The guidelines do not have the force of law and are only advisory in nature. (Source: P.A. 91-357, eff. 7-29-99; 91-434, eff. 1-1-00; 92-854, eff. 12-5-02.)

This subsection (g-5) is inoperative on and after January 1, 2005. No conversations recorded or monitored pursuant to this subsection (g-5) shall be inadmissible in a court of law by virtue of the repeal of this subsection (g-5) on January 1, 2005;

(j) The use of a telephone monitoring device by either (1) a corporation or other business entity engaged in marketing or opinion research or (2) a corporation or other business entity engaged in telephone solicitation, as defined in this subsection, to record or listen to oral telephone solicitation conversations or marketing or opinion research conversations by an employee of the corporation or other business entity when:

(ii) the monitoring is used with the consent of at least one person who is an active party to the marketing or opinion research conversation or telephone solicitation conversation being monitored.

No communication or conversation or any part, portion, or aspect of the communication or conversation made, acquired, or obtained, directly or indirectly, under this exemption (j), may be, directly or indirectly, furnished to any law enforcement officer, agency, or official for any purpose or used in any inquiry or investigation, or used, directly or indirectly, in any administrative, judicial, or other proceeding, or divulged to any third party.

When recording or listening authorized by this subsection (j) on telephone lines used for marketing or opinion research or telephone solicitation purposes results in recording or listening to a conversation that does not relate to marketing or opinion research or telephone solicitation; the person recording or listening shall, immediately upon determining that the conversation does not relate to marketing or opinion research or telephone solicitation, terminate the recording or listening and destroy any such recording as soon as is practicable.

Business entities that use a telephone monitoring or telephone recording system pursuant to this exemption (j) shall provide current and prospective employees with notice that the monitoring or recordings may occur during the course of their employment. Every investigative and law enforcement agency in this State shall adopt policies to ensure compliance with these standards.

Sec. 114-15. Motion for genetic marker groupings comparison analysis.

Reasonable notice of the motion shall be served upon the State.

(b) The defendant must present a prima facie case that:

(1) identity was the issue in the trial which resulted in his or her conviction; and

(725 ILCS 124/10) (Section scheduled to be repealed on July 1, 2004)

Sec. 10. Court appointed trial counsel; compensation and expenses. (a) This Section applies only to compensation and expenses of trial counsel appointed by the court as set forth in Section 5, other than public defenders, for the period after arraignment and so long as the State's Attorney has not, at any time, filed a certificate indicating he or she will not seek the death penalty or stated on the record in open court that the death penalty will not be sought.

(b) Appointed trial counsel shall be compensated upon presentment and certification by the circuit court of a claim for services detailing the date, activity, and time duration for which compensation is sought. Compensation for appointed trial counsel may be paid at a reasonable rate not to exceed \$125 per hour.

Beginning in 2001, every January 20, the statutory rate prescribed in this subsection shall be automatically increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the preceding 12-month calendar year. Payment in excess of the limitations stated in this subsection (b) may be made if the trial court certifies that such payment is necessary to provide fair compensation for representation based upon customary charges in the relevant legal market for attorneys of similar skill, background, and experience. A trial court may entertain the filing of this verified statement before the termination of the cause and may order the provisional payment of sums during the pendency of the cause.

(c) Appointed trial counsel may also petition the court for certification of expenses for reasonable and necessary capital litigation expenses including, but not limited to, investigatory and other assistance, expert, forensic, and other witnesses, and mitigation specialists. (d) Appointed trial counsel shall petition the court for certification of compensation and expenses under this Section periodically during the course of counsel's representation. If the court determines that the compensation and expenses should be paid from the Capital Litigation Trust Fund, the court shall certify, on a form created by the State Treasurer, that all or a designated portion of the amount requested is reasonable, necessary, and appropriate for payment from the Trust Fund. Certification of compensation and expenses by a court in any county other than Cook County shall be delivered by the court to the State Treasurer and paid by the State Treasurer directly from the Capital Litigation Trust Fund if there are sufficient moneys in the Trust Fund to pay the compensation and expenses. Certification of compensation and expenses by a court in Cook County shall be delivered by the court to the county treasurer and paid by the county treasurer from moneys granted to the county from the Capital Litigation Trust Fund. (Source: P.A. 91-589, eff. 1-1-00.)

State's Attorneys in any county other than Cook County seeking funding for capital litigation expenses including, but not limited to, investigatory and other assistance and expert, forensic, or other witnesses under this Section may request that the State's Attorneys Appellate Prosecutor or the Attorney General, as the case may be, certify the expenses as reasonable, necessary, and appropriate for payment from the Trust Fund, on a form created by the State Treasurer. Upon certification of the expenses and delivery of the certification to the State Treasurer, the Treasurer shall pay the expenses directly from the Capital Litigation Trust Fund if there are sufficient moneys in the Trust Fund to pay the expenses.

Moneys expended from the Trust Fund shall be in addition to county funding for Public Defenders and

State's Attorneys, and shall not be used to supplant or reduce ordinary and customary county funding.

(f) Moneys in the Trust Fund shall be appropriated to the State Appellate Defender, the State's Attorneys Appellate Prosecutor, the Attorney General, and the State Treasurer. The State Appellate Defender shall receive an appropriation from the Trust Fund to enable it to provide assistance to appointed defense counsel throughout the State and to Public Defenders in counties other than Cook. (1) For each State fiscal year, the State's Attorney and Public Defender must each make a separate application to the State Treasurer for capital litigation grants.

(2) The State Treasurer shall establish rules and procedures for grant applications. The rules shall require the Cook County Treasurer as the grant recipient to report on a periodic basis to the State Treasurer how much of the grant has been expended, how much of the grant is remaining, and the purposes for which the grant has been used. The rules may also require the Cook County Treasurer to certify on a periodic basis that expenditures of the funds have been made for expenses that are reasonable, necessary, and appropriate for payment from the Trust Fund.

(3) The State Treasurer shall make the grants to the Cook County Treasurer as soon as possible after the beginning of the State fiscal year.

(4) The State's Attorney or Public Defender may apply for supplemental grants during the fiscal year.

(c) The Board shall, if requested and upon due notice, give a hearing to each application, allowing representation by counsel, if desired, after which it shall confidentially advise the Governor by a written report of its recommendations which shall be determined by majority vote. The Board shall meet to consider such petitions no less than 4 times each year.

Application for executive clemency under this Section may not be commenced on behalf of a person who has been sentenced to death without the written consent of the defendant, unless the defendant, because of a mental or physical condition, is incapable of asserting his or her own claim.

All petitions for executive clemency on behalf of a person who is sentenced to death must be filed with the Prisoner Review Board within 30 days from the date that the Supreme Court has issued a final order setting the execution date. The Governor or the Chairman of the Prisoner Review Board may waive the 30-day requirement if the petitioner has just cause for not filing the petition within the appropriate time limitations.

(d) The Governor shall decide each application and communicate his decision to the Board which shall notify the petitioner.

In the event a petitioner who has been convicted of a Class X felony is granted a release, after the Governor has communicated such decision to the Board, the Board shall give written notice to the Sheriff of the county from which the offender was sentenced if such sheriff has requested that such notice be given on a continuing basis. In cases where arrest of the offender or the commission of the offense took place in any municipality with a population of more than 10,000 persons, the Board shall also give written notice to the proper law enforcement agency for said municipality which has requested notice on a continuing basis.

(e) Nothing in this Section shall be construed to limit the power of the Governor under the constitution

to grant a reprieve, commutation of sentence, or pardon. (Source: P.A. 89-112, eff. 7-7-95; 89-684, eff. 6-1-97.)

(70 ILCS 1505/20) (from Ch. 105, par. 333.20)

Sec. 20. The Chicago Park District is authorized to issue the bonds of such district for the payment of land condemned or purchased for park or boulevards, for the building, maintaining, improving and protecting of such for the purpose of establishing, acquiring, completing, enlarging, ornamenting, building, rebuilding and improving public parks, boulevards, bridges, subways, viaducts and approaches thereto, wharfs, piers, jetties, air landing fields and basins, shore protection works, pleasure grounds and ways, walks, pathways, driveways, roadways, highways and all public works, grounds, or improvements under the control of and within the jurisdiction of such park commissioners and including the filling in of submerged lands for park purposes and constructing all buildings, field houses, stadiums, shelters, conservatories, museums, service shops, power plants, structures, playground devices, boulevard and building lighting systems and building all other types of permanent improvement and construction necessary to render the property under the control of such park commissioners usable for the enjoyment thereof as public parks, parkways, boulevards and pleasure ways and for the payment of the expenses incident thereto, and may pledge its property and credit therefor.

Such district shall not incur any bonded indebtedness, exclusive of outstanding indebtedness to an amount in the aggregate exceeding 2.3% of the assessed valuation of all taxable property therein as last equalized and determined for state and local taxes preceding the incurring of such indebtedness. Bonds may be issued from time to time to an amount which together with the outstanding bonded indebtedness of such district, exclusive of bonds issued to create a working cash fund, will not exceed 1% of the assessed valuation of all taxable property therein as last equalized and determined for state and local taxes preceding the issuance of such bonds without submitting the question to the legal voters for approval.

Except as otherwise provided in this Section and except for working cash fund bonds issued and to be issued under Section 2 of "An Act authorizing the Chicago Park District to provide for the creation, maintenance and administration of a working cash fund", approved July 11, 1935, as amended, bonds shall not be issued until the proposition to issue such has been submitted to and approved by a majority of the legal voters of such park district voting upon the proposition, at an election, after notice of such submission has been given in the manner provided by the general election law.

Submission of any proposition of issuing bonds shall be authorized by resolution to be adopted by the Chicago Park District commissioners, which shall designate the election at which the question is to be submitted the amount of bonds and purpose for which such bonds are to be issued.

Any proposition to issue bonds shall be certified by the Chicago Park District commissioners to the proper election officials, who shall submit that proposition in accordance with the general election law. The proposition shall be in substantially the following form:

After such advertising as the commissioners shall deem necessary, the bonds shall be sold at such price and upon such terms as determined by the commissioners and which will not cause the net effective interest rate to be paid by the Chicago Park District to exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as now or hereafter amended. The validity of any bond so executed shall remain unimpaired, although one or more of the officers executing such shall have ceased to be such officer or officers before delivery thereof to the purchaser.

For the purpose of paying the principal of and interest upon such bonds, the Chicago Park District is authorized to levy and have collected a direct annual tax upon all taxable property within its jurisdiction, in addition to all other taxes authorized by law to be levied and collected for park purposes, sufficient to pay

The bonds shall bear interest at the rate of not to exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as now or hereafter amended.

A certified copy of the ordinance providing for the issuance of the bonds and the levying and collecting of the tax to pay the same shall be filed with the County Clerk of the county in which the Chicago Park District is located or with the respective County Clerks of each county in which the Chicago Park District is located. Such ordinance shall be irrevocable and upon receipt of the certified copy thereof the County Clerk or County Clerks, as the case may be, shall provide for, assess and extend the tax as therein provided upon all the taxable property located within the corporate boundaries of the Chicago Park District, in the same manner as other park taxes by law shall be provided for, assessed and extended, and such taxes shall be collected and paid out in the same manner as other park taxes by law shall be collected and paid.

The interest on any unexpended proceeds of bonds issued under this Section shall be credited to the Chicago Park District and shall be paid into the District's general corporate fund. The Chicago Park District may transfer such amount of interest from the general corporate fund to the aquarium and museum bond fund.

The amount of the outstanding bonded indebtedness of the Chicago Park District issued under this Section shall not be included in the bonded indebtedness of the District in determining whether or not the District has exceeded its limitation of 1/2 of 1% of the assessed valuation of all taxable property in the District as last equalized and determined by the Department of Revenue for the issuance of any bonds authorized under the provisions of Section 20 of this Act without submitting the question to the legal voters for approval. Such bonds may bear interest at the rate of not to exceed six per cent per annum payable at the time and place provided in the bond ordinance.

The ordinance authorizing such refunding and/or funding bonds of any superseded park district shall prescribe all details thereof and shall provide for the levy and collection of an annual tax upon all the taxable property within the superseded park district sufficient to pay the principal thereof and interest thereon as it matures which tax shall be in addition to and exclusive of the maximum of all other taxes authorized to be levied by said commissioners.

A duly certified copy of the bond ordinance shall be filed in the office of the County Clerk of Cook County and shall constitute authority for the extension and collection of such bond and interest taxes as required by the constitution.

Refunding and funding bonds shall be signed by the facsimile signature of the president with like effect as if signed with his genuine signature and shall be signed by such other officers of the Chicago Park District as may be designated in the bond ordinance.

proposed to purchase and/or redeem any such refunding and/or funding bonds, or the commissioners may require that said sum of money be equal to the amount of interest that will so accrue within the next twelve months period, the treasurer of the Chicago Park District shall use the money available from the proceeds of taxes levied for the payment of the refunding and/or funding bonds, first, in the purchase of such refunding and/or funding bonds at the lowest price obtainable, but not to exceed their par value and accrued interest, after sealed tenders for such purchase shall have been advertised for as may be directed by the commissioners thereof and thereafter such money shall be used by said official in calling said bonds for payment, if, by their terms, they are subject to redemption.

The maturity date of the invested securities shall be prior to the due date of the refunding and/or funding bonds for the payment of which said money was collected. Such securities may be sold when ordered by the commissioners if necessary to obtain cash to meet bond and interest payments.

The commissioners of the Chicago Park District are authorized to take any action that may be necessary to inform the owners of such outstanding bonds and floating indebtedness of the financial condition of the superseded park districts and the necessity of refunding said outstanding bonds and readjusting their maturities and funding such floating indebtedness in order that sufficient taxes may be collected to take care of all financial obligations. Said commissioners may enter into such agreements as may be deemed essential to prepare and complete any refunding and funding plan and are authorized, without previous appropriation therefor under any budget law, to incur and pay from any available revenues all expenditures necessary to complete the refunding of such bonds and the funding of such floating indebtedness of the superseded park districts and reestablish the credit of the Chicago Park District.

The outstanding indebtedness of the several superseded park districts as evidenced by their official records and described in this section is declared to be the legal and binding obligation of said several superseded park districts in the amounts therein described, respectively, and when refunding and/or funding bonds shall have been issued in lieu thereof, such bonds will constitute the legal and binding obligation of the superseded park districts, respectively, for the payment of which all taxable property therein will be liable.

(10 ILCS 5/9-3) (from Ch. 46, par. 9-3)

Sec. 9-3. Every state political committee and every local political committee shall file with the State Board of Elections, and every local political committee shall file with the county clerk, a statement of organization within 10 business days of the creation of such committee, except any political committee created within the 30 days before an election shall file a statement of organization within 5 business days. A political committee that acts as both a state political committee and a local political committee shall file a copy of each statement of organization with the State Board of Elections and the county clerk.

The statement of organization shall include -

- (a) the name and address of the political committee (the name of the political committee must include the name of any sponsoring entity);
- (b) the scope, area of activity, party affiliation, candidate affiliation and his county of residence, and purposes of the political committee;
- (c) the name, address, and position of each custodian of the committee's books and accounts;
- (d) the name, address, and position of the committee's principal officers, including the chairman, treasurer, and officers and members of its finance committee, if any;
- (e) (Blank);
- (f) a statement of what specific disposition of residual fund will be made in the event of the dissolution or termination of the committee;
- (g) a listing of all banks or other financial institutions, safety deposit boxes, and any other repositories or custodians of funds used by the committee;
- (h) the amount of funds available for campaign expenditures as of the filing date of the committee's statement of organization.

For purposes of this Section, a "sponsoring entity" is (i) any person, political committee, organization, corporation, or association that contributes at least 33% of the total funding of the political committee or (ii) any person or other entity that is registered or is required to register under the Lobbyist Registration Act and contributes at least 33% of the total funding of the political committee.

A political committee that acts as either (i) a State and local political committee or (ii) a local political

committee and that files statements of organization electronically under Section 9-28 is not required to file copies of the statements with the appropriate county clerk if the county clerk has a system that permits access to, and duplication of, statements that are filed with the State Board of Elections. (10 ILCS 5/9-10) (from Ch. 46, par. 9-10)

Sec. 9-10. Financial reports. (a) The treasurer of every state political committee and the treasurer of every local political committee shall file with the Board, and the treasurer of every local political committee shall file with the county clerk, reports of campaign contributions, and semi-annual reports of campaign contributions and expenditures on forms to be prescribed or approved by the Board. The treasurer of every political committee that acts as both a state political committee and a local political committee shall file a copy of each report with the State Board of Elections and the county clerk. Entities subject to Section 9-7.5 shall file reports required by that Section at times provided in this Section and are subject to the penalties provided in this Section.

(b) Reports of campaign contributions shall be filed no later than the 15th day next preceding each election including a primary election in connection with which the political committee has accepted or is accepting contributions or has made or is making expenditures. Such reports shall be complete as of the 30th day next preceding each election including a primary election. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. The fine, however, shall not exceed \$500 for a first filing violation for filing less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. For the purpose of this subsection, "statewide office" and "State officer" means the Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, and Treasurer. However, a continuing political committee that neither accepts contributions nor makes expenditures on behalf of or in opposition to any candidate or public question on the ballot at an election shall not be required to file the reports heretofore prescribed but may file in lieu thereof a Statement of Nonparticipation in the Election with the Board or the Board and the county clerk.

(b-5) Notwithstanding the provisions of subsection (b), any contribution of \$500 or more received in the interim between the last date of the period covered by the last report filed under subsection (b) prior to the election and the date of the election shall be reported within 2 business days after its receipt. The State Board shall allow filings under this subsection (b-5) to be made by facsimile transmission. For the purpose of this subsection, a contribution is considered received on the date the public official, candidate, or political committee (or equivalent person in the case of a reporting entity other than a political committee) actually receives it or, in the case of goods or services, 2 days after the date the public official, candidate, committee, or other reporting entity receives the certification required under subsection (b) of Section 9-6. Failure to report each contribution is a separate violation of this subsection. The Board shall impose fines for violations of this subsection as follows:

(1) if the political committee's or other reporting entity's total receipts, total expenditures, and balance remaining at the end of the last reporting period were each \$5,000 or less, then \$100 per business day for the first violation, \$200 per business day for the second violation, and \$300 per business day for the third and subsequent violations.

(2) if the political committee's or other reporting entity's total receipts, total expenditures, and balance remaining at the end of the last reporting period were each more than \$5,000, then \$200 per business day for the first violation, \$400 per business day for the second violation, and \$600 per business day for the third and subsequent violations.

(c) In addition to such reports the treasurer of every political committee shall file semi-annual reports of campaign contributions and expenditures no later than July 31st, covering the period from January 1st through June 30th immediately preceding, and no later than January 31st, covering the period from July 1st through December 31st of the preceding calendar year. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. The fine, however, shall not exceed \$500 for a first filing violation for filing less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. For the purpose of this subsection, "statewide office" and "State officer" means the Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, and Treasurer.

(c-5) A political committee that acts as either (i) a State and local political committee or (ii) a local political committee and that files reports electronically under Section 9-28 is not required to file copies of the reports with the appropriate county clerk if the county clerk has a system that permits access to, and duplication of, reports that are filed with the State Board of Elections.

(d) A copy of each report or statement filed under this Article shall be preserved by the person filing it for a period of two years from the date of filing. (Source: P.A. 90-737, eff. 1-1-99.)

(10 ILCS 5/9-28)

Sec. 9-28. Electronic filing and availability. The Board shall by rule provide for the electronic filing of expenditure and contribution reports as follows:

Beginning July 1, 1999, or as soon thereafter as the Board has provided adequate software to the political committee, electronic filing is required for all political committees that during the reporting period (i) had at any time a balance or an accumulation of contributions of \$25,000 or more, (ii) made aggregate expenditures of \$25,000 or more, or (iii) received loans of an aggregate of \$25,000 or more.
