Senate Amendment No. 1 to HOUSE BILL NO. 920

Passed the Senate, as amended, May 27, 2003.

Linda Hawker, Secretary of the Senate

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 920 by replacing everything after the enacting clause with the following:

"Section 5. The Northeastern Illinois University Law is amended by changing Section 25-15 as follows:
(110 ILCS 680/25-15)

Sec. 25-15. Membership; terms; vacancies. The Board shall consist of 9 voting members who are residents of this State and are appointed by the Governor, by and with the advice and consent of the Senate, and one voting member who is a student at Northeastern Illinois University. The student member shall be elected by a campus-wide election of all students of the University. The student member shall serve a term of one year beginning on July 1 of each year, except that the student member initially selected under this amendatory Act of the 91st General Assembly shall serve a term beginning on the date of his or her selection and expiring on the next succeeding June 30. A student member may serve only for one term. To be eligible to remain as a student member of the Board, the student member must be a resident of this State, must have and maintain a grade point average that is equivalent to at least 2.5 on a 4.0 scale, and must be a full time ~~undergraduate~~ student enrolled at all times during his or her term of office except for that part of the term which follows the completion of the last full regular semester of an academic year and precedes the first full regular semester of the succeeding academic year at the university (sometimes commonly referred to as the summer session or summer school). If a student member serving on the Board fails to continue to meet or maintain the residency, minimum grade point average, or enrollment requirement established by this Section, his or her membership on the Board shall be deemed to have terminated by operation of law. If any member of the Board appointed by the Governor fails to continue to meet or maintain the residency requirement established by this Section, he or she shall resign membership on the Board within 30 days thereafter and, failing submission of this resignation, his or her membership on the Board shall be deemed to have terminated by operation of law. Of the members first appointed by the Governor, 4 shall be appointed for terms to expire on the third Monday in January, 1999 and until their successors are appointed and qualified, and 3 shall be appointed for terms to expire on the third Monday in January, 2001 and until their successors are appointed and qualified. The 2 additional members appointed by the Governor, by and with the advice and consent of the Senate, under this amendatory Act of the 91st General Assembly, shall not be from the same political party and shall be appointed for terms to expire on the third Monday in January, 2003 and until their successors are appointed and qualified. Any vacancy in membership existing on January 1, 1999 shall be filled by appointment by the Governor, with the advice and consent of the Senate, for a term to expire on the third Monday in January, 2003. If the Senate is not in session on the effective date of this Article, or if a vacancy in an appointive membership occurs at a time when the Senate is not in session, the Governor shall make temporary appointments to fill the vacancy. Members with these temporary appointments shall be deemed qualified to serve upon appointment and shall continue to serve until the next meeting of the Senate when the Governor shall appoint persons to fill such memberships, by and with the advice and consent of the Senate, for the remainder of their respective terms. No more than 5 of the members appointed by the Governor shall be affiliated with the same political party. Each member appointed by the Governor must be a resident of this State. A failure to meet or maintain this residency requirement constitutes a resignation from and creates a vacancy in the Board. Upon the expiration of the terms of members appointed by the Governor for other than temporary appointments, their respective successors shall be appointed, by and with the advice and consent of the Senate, for terms of 6 years from the third Monday in January of each odd-numbered year. Any members appointed to the Board shall continue to serve in such capacity until their successors are appointed and qualified. AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 687 by replacing everything after the enacting clause with the following:

"Section 5. The Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois is amended by adding Sections 2310-376, 2310-377, and 2310-378 as follows:

(20 ILCS 2310/2310-376 new)

Sec. 2310-376. Hepatitis C education and outreach.

(a) The Illinois General Assembly finds and declares the following:

(1) The World Health Organization characterizes Hepatitis C as a disease of primary concern to humanity.

(2) Hepatitis C is considered a silent killer; no recognizable signs or symptoms occur until severe liver damage has occurred.

(3) Studies indicate that nearly 4 million Americans (1.8 percent of the population) carry the virus HCV that causes the disease.

(4) 30,000 acute new infections occur each year in the United States, and only 25 to 30 percent are diagnosed.

(5) 8,000 to 10,000 Americans die from the disease each year.

(6) 200,000 Illinois residents may be carriers and could develop the debilitating and potentially deadly liver disease.

(7) Inmates of correctional facilities have a higher incidence of Hepatitis C and, upon their release, present a significant health risk to the general population.

(b) Subject to appropriation, the Department shall conduct an education and outreach campaign, in addition to its overall effort to prevent infectious disease in Illinois, in order to raise awareness about and promote prevention of Hepatitis C.

(20 ILCS 2310/2310-377 new)

Sec. 2310-377. Lupus education and outreach.

(a) The Illinois General Assembly finds and declares the following:

(1) Lupus is a chronic, incurable auto-immune disease of unknown origin that mainly affects women of childbearing age, is difficult to diagnose, and causes severe, potentially life-threatening organ damage.

(2) The Lupus Foundation of America estimates that 1.4 million people in the U.S. have a form of lupus.

(3) Lupus causes the immune system to attack the body's healthy cells and tissues producing skin

damage, rheumatoid arthritis, life-threatening inflammation of multiple major organs, and a potentially fatal failure of the renal, circulatory, or central nervous system.

(4) Symptoms include joint pain, rash, unusual loss of hair, unexplained fever, low blood counts, sensitivity to the sun, and fingers that turn pale or purple when exposed to cold.

(5) According to the Lupus Foundation of America, a survey of its members revealed that more than half of all people with lupus suffered 4 or more years and were examined by 3 or more doctors before obtaining a correct diagnosis.

(6) According to the Center for Disease Control and Prevention, the number of lupus-related deaths between 1979 and 1988 increased dramatically; African American women, ages 45-64, experienced a 70% increase, the largest increase among all groups in the 20 years studied.

(b) Subject to appropriation, the Department shall conduct an education and outreach campaign in order to raise awareness about the symptoms and treatment of lupus, a potentially life-threatening disease.

(20 ILCS 2310/2310-378 new)

Sec. 2310-378. Wilson's disease.

(a) The Illinois General Assembly finds and declares the following:

(1) Wilson's disease is an inherited disorder in which excessive amounts of copper accumulate in the body and can cause liver disease and neurological or psychiatric disorders; and

(2) successful treatment is available for sufferers of Wilson's disease but, without proper treatment, the disease is generally fatal by the age of 30.

(b) Subject to appropriation, the Department shall: (i) conduct a public health information campaign for physicians, hospitals, health facilities, public health departments, and the general public on Wilson's disease, methods of care, and treatment modalities available; (ii) identify and catalog Wilson's disease resources in this State for distribution and referral purposes; and (iii) coordinate services with established programs, including State, federal, and voluntary groups."

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 1017 by replacing everything after the enacting clause with the following:

"Section 5. The Trusts and Trustees Act is amended by adding Section 15.2 as follows:

(760 ILCS 5/15.2 new)

Sec. 15.2. Trusts for domestic or pet animals.

(a) A trust for the care of one or more designated domestic or pet animals is valid. The trust terminates when no living animal is covered by the trust. A governing instrument shall be liberally construed to bring the transfer within this Section, to presume against a merely precatory or honorary nature of its disposition, and to carry out the general intent of the transferor. Extrinsic evidence is admissible in determining the transferor's intent.

(b) A trust for the care of one or more designated domestic or pet animals is subject to the following provisions:

(1) Except as expressly provided otherwise in the instrument creating the trust, no portion of the principal or income of the trust may be converted to the use of the trustee or to a use other than for the trust's purposes or for the benefit of a covered animal.

(2) Upon termination, the trustee shall transfer the unexpended trust property in the following order:

(A) as directed in the trust instrument;

(B) if there is no such direction in the trust instrument and if the trust was created in a non-residuary clause in the transferor's will, then under the residuary clause in the transferor's will; or

(C) if no taker is produced by the application of subparagraph (A) or (B), then to the transferor's heirs, determined according to Section 2-1 of the Probate Act of 1975.

(3) The intended use of the principal or income may be enforced by an individual designated for that purpose in the trust instrument or, if none, by an individual appointed by a court having jurisdiction of the matter and parties, upon petition to it by an individual.

(4) Except as ordered by the court or required by the trust instrument, no filing, report, registration, periodic accounting, separate maintenance of funds, appointment, or fee is required by reason of the existence of the fiduciary relationship of the trustee.

(5) The court may reduce the amount of the property transferred if it determines that the amount

substantially exceeds the amount required for the intended use. The amount of the reduction, if any, passes as unexpended trust property under paragraph (2).

(6) If a trustee is not designated or no designated trustee is willing and able to serve, the court shall name a trustee. The court may order the transfer of the property to another trustee if the transfer is necessary to ensure that the intended use is carried out, and if a successor trustee is not designated in the trust instrument or if no designated successor trustee agrees to serve and is able to serve. The court may also make other orders and determinations as are advisable to carry out the intent of the transferor and the purpose of this Section.

(7) The trust is exempt from the operation of the common law rule against perpetuities."

Passed the Senate, as amended, May 27, 2003.

Linda Hawker, Secretary of the Senate

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 3023 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Public Aid Code is amended by changing Sections 4-2, 9A-3, 9A-5, 9A-7, 9A-8, 9A-9, 11-1, and 11-20.1 as follows:

(305 ILCS 5/4-2) (from Ch. 23, par. 4-2)

Sec. 4-2. Amount of aid. (a) The amount and nature of financial aid shall be determined in accordance with the grant amounts, rules and regulations of the Illinois Department. Due regard shall be given to the self-sufficiency requirements of the family and to the income, money contributions and other support and resources available, from whatever source. However, the amount and nature of any financial aid is not affected by the payment of any grant under the "Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act" or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act. The aid shall be sufficient, when added to all other income, money contributions and support to provide the family with a grant in the amount established by Department regulation.

(b) The Illinois Department may conduct special projects, which may be known as Grant Diversion Projects, under which recipients of financial aid under this Article are placed in jobs and their grants are diverted to the employer who in turn makes payments to the recipients in the form of salary or other employment benefits. The Illinois Department shall by rule specify the terms and conditions of such Grant Diversion Projects. Such projects shall take into consideration and be coordinated with the programs administered under the Illinois Emergency Employment Development Act.

(c) The amount and nature of the financial aid for a child requiring care outside his own home shall be determined in accordance with the rules and regulations of the Illinois Department, with due regard to the needs and requirements of the child in the foster home or institution in which he has been placed.

(d) If the Department establishes grants for family units consisting exclusively of a pregnant woman with no dependent child or including her husband if living with her, the grant amount for such a unit shall be equal to the grant amount for an assistance unit consisting of one adult, or 2 persons if the husband is included. Other than as herein described, an unborn child shall not be counted in determining the size of an assistance unit or for calculating grants.

Payments for basic maintenance requirements of a child or children and the relative with whom the child or children are living shall be prescribed, by rule, by the Illinois Department.

Grants under this Article shall not be supplemented by General Assistance provided under Article VI.

(e) Grants shall be paid to the parent or other person with whom the child or children are living, except for such amount as is paid in behalf of the child or his parent or other relative to other persons or agencies pursuant to this Code or the rules and regulations of the Illinois Department.

(f) Subject to subsection (f-5), an assistance unit, receiving financial aid under this Article or temporarily ineligible to receive aid under this Article under a penalty imposed by the Illinois Department for failure to comply with the eligibility requirements or that voluntarily requests termination of financial assistance under this Article and becomes subsequently eligible for assistance within 9 months, shall not receive any increase in the amount of aid solely on account of the birth of a child; except that an increase is not prohibited when the birth is (i) of a child of a pregnant woman who became eligible for aid under this Article during the pregnancy, or (ii) of a child born within 10 months after the date of implementation of this subsection, or (iii) of a child conceived after a family became ineligible for assistance due to income or marriage and at least 3 months of ineligibility expired before any reapplication for assistance. This subsection does not, however, prevent a unit from receiving a general increase in the amount of aid that is provided to all recipients of aid under this Article.

The Illinois Department is authorized to transfer funds, and shall use any budgetary savings attributable to not increasing the grants due to the births of additional children, to supplement existing funding for employment and training services for recipients of aid under this Article IV. The Illinois Department shall target, to the extent the supplemental funding allows, employment and training services to the families who do not receive a grant increase after the birth of a child. In addition, the Illinois Department shall provide, to the extent the supplemental funding allows, such families with up to 24 months of transitional child care pursuant to Illinois Department rules. All remaining supplemental funds shall be used for employment and training services or transitional child care support.

In making the transfers authorized by this subsection, the Illinois Department shall first determine, pursuant to regulations adopted by the Illinois Department for this purpose, the amount of savings

attributable to not increasing the grants due to the births of additional children. Transfers may be made from General Revenue Fund appropriations for distributive purposes authorized by Article IV of this Code only to General Revenue Fund appropriations for employability development services including operating and administrative costs and related distributive purposes under Article IXA of this Code. The Director, with the approval of the Governor, shall certify the amount and affected line item appropriations to the State Comptroller.

Nothing in this subsection shall be construed to prohibit the Illinois Department from using funds under this Article IV to provide assistance in the form of vouchers that may be used to pay for goods and services deemed by the Illinois Department, by rule, as suitable for the care of the child such as diapers, clothing, school supplies, and cribs.

(f-5) Subsection (f) shall not apply to affect the monthly assistance amount of any family as a result of the birth of a child on or after January 1, 2004. As resources permit after January 1, 2004, the Department may cease applying subsection (f) to limit assistance to families receiving assistance under this Article on January 1, 2004, with respect to children born prior to that date. In any event, subsection (f) shall be completely inoperative on and after July 1, 2007.

(g) (Blank).

(h) Notwithstanding any other provision of this Code, the Illinois Department is authorized to reduce payment levels used to determine cash grants under this Article after December 31 of any fiscal year if the Illinois Department determines that the caseload upon which the appropriations for the current fiscal year are based have increased by more than 5% and the appropriation is not sufficient to ensure that cash benefits under this Article do not exceed the amounts appropriated for those cash benefits. Reductions in payment levels may be accomplished by emergency rule under Section 5-45 of the Illinois Administrative Procedure Act, except that the limitation on the number of emergency rules that may be adopted in a 24-month period shall not apply and the provisions of Sections 5-115 and 5-125 of the Illinois Administrative Procedure Act shall not apply. Increases in payment levels shall be accomplished only in accordance with Section 5-40 of the Illinois Administrative Procedure Act. Before any rule to increase payment levels promulgated under this Section shall become effective, a joint resolution approving the rule must be adopted by a roll call vote by a majority of the members elected to each chamber of the General Assembly. Sec. 9A-3. Establishment of Program and Level of Services. (a) The Illinois Department shall establish and maintain a program to provide recipients with services consistent with the purposes and provisions of this Article. The program offered in different counties of the State may vary depending on the resources available to the State to provide a program under this Article, and no program may be offered in some counties, depending on the resources available. Services may be provided directly by the Illinois Department or through contract. References to the Illinois Department or staff of the Illinois Department shall include contractors when the Illinois Department has entered into contracts for these purposes. The Illinois Department shall provide each recipient who participates with such services available under the program as are necessary to achieve his employability plan as specified in the plan.

(b) The Illinois Department, in operating the program, shall cooperate with public and private education and vocational training or retraining agencies or facilities, the Illinois State Board of Education, the Illinois Community College Board, the Departments of Employment Security and Commerce and Community Affairs or other sponsoring organizations funded under the federal Workforce Investment Job Training Partnership Act and other public or licensed private employment agencies. Sec. 9A-5. Exempt recipients. (a) Exempt recipients under Section 9A-4 may volunteer to participate.

(b) Services will be offered to exempt and non-exempt individuals who wish to volunteer to participate only to the extent resources permit.

(c) Exempt and non-exempt individuals who volunteer to participate become program participants upon completion of the initial assessment, development of the employability plan, and assignment to a component. An exempt individual who volunteers to participate may not be sanctioned for not meeting program requirements. Volunteers who fail to attend the orientation or initial assessment meetings or both will not be sanctioned. Exempt and non-exempt individuals who attend the orientation meeting and become program participants by completing the initial assessment, development of the employability plan, and assignment to a component may be sanctioned if they do not meet program requirements without good

~~cause.~~ (Source: P.A. 92-111, eff. 1-1-02.)

(305 ILCS 5/9A-7) (from Ch. 23, par. 9A-7)

Sec. 9A-7. Good Cause and Pre-Sanction Process. The Department shall establish by rule what constitutes good cause for failure to participate in education, training and employment programs, failure to accept suitable employment or terminating employment or reducing earnings.

The Department shall establish, by rule, a pre-sanction process to assist in resolving disputes over proposed sanctions and in determining if good cause exists. Good cause shall include, but not be limited to:

- (1) temporary illness for its duration;
- (2) court required appearance or temporary incarceration;
- (3) (blank);
- (4) death in the family;
- (5) (blank);

- (12) if an individual is engaged in employment or training or both that is consistent with the employment related goals of the program, if such employment and training is later approved by Department staff;
- (13) (blank);
- (14) failure of Department staff to correctly forward the information to other Department staff;
- (15) failure of the participant to cooperate because of attendance at a test or a mandatory class or function at an educational program (including college), when an education or training program is officially approved by the Department;

Documentation can include, but is not limited to: a written statement from the post office or other informed individual; the notice not sent to the participant's last known address in Department records; return of the notice by the post office; other returned mail; proof of previous mail theft problems. When determining whether or not the participant has demonstrated non-receipt, the Department shall take into consideration a participant's history of cooperation or non-cooperation in the past. If the documented non-receipt of mail occurs frequently, the Department shall explore an alternative means of providing notices of participation requests to participants;~~

(c) (1) The Department shall establish a reconciliation procedure to assist in resolving disputes related to any aspect of participation, including exemptions, good cause, sanctions or proposed sanctions,

supportive services, assessments, responsibility and service plans, assignment to activities, suitability of employment, or refusals of offers of employment. Through the reconciliation process the Department shall have a mechanism to identify good cause, ensure that the client is aware of the issue, and enable the client to perform required activities without facing sanction.

(2) A participant may request reconciliation and receive notice in writing of a meeting. At least one face-to-face meeting may be scheduled to resolve misunderstandings or disagreements related to program participation and situations which may lead to a potential sanction. The meeting will address the underlying reason for the dispute and plan a resolution to enable the individual to participate in TANF employment and work activity requirements.

(2.5) If the individual fails to appear at the reconciliation meeting without good cause, the reconciliation is unsuccessful and a sanction shall be imposed.

(3) The reconciliation process shall continue after it is determined that the individual did not have good cause for non-cooperation. Any necessary demonstration of cooperation on the part of the participant will be part of the reconciliation process. Failure to demonstrate cooperation will result in immediate sanction.

(4) For the first instance of non-cooperation, if the client reaches agreement to cooperate, the client shall be allowed 30 days to demonstrate cooperation before any sanction activity may be imposed. In any subsequent instances of non-cooperation, the client shall be provided the opportunity to show good cause or remedy the situation by immediately complying with the requirement.

(5) The Department shall document in the case record the proceedings of the reconciliation and provide the client in writing with a reconciliation agreement.

(6) If reconciliation resolves the dispute, no sanction shall be imposed. If the client fails to comply with the reconciliation agreement, the Department shall then immediately impose the original sanction. If the dispute cannot be resolved during reconciliation, a sanction shall not be imposed until the reconciliation process is complete.

employment activity prior to such assessment, ~~provided that a participant may be assigned up to 4 weeks of Job Search prior to such assessment.~~ The plan shall include collection of information on the individual's background, proficiencies, skills deficiencies, education level, work history, employment goals, interests, aptitudes, and employment preferences, as well as factors affecting employability or ability to meet participation requirements (e.g., health, physical or mental limitations, child care, family circumstances, domestic violence, substance abuse, and special needs of any child of the individual). As part of the plan, individuals and Department staff shall work together to identify any supportive service needs required to enable the client to participate and meet the objectives of his or her employability plan. The assessment may be conducted through various methods such as interviews, testing, counseling, and self-assessment instruments. In the assessment process, the Department shall offer to include standard literacy testing and a determination of English language proficiency and shall provide it for those who accept the offer, for those who display a potential need for literacy or language services. For those individuals subject to a job search demonstration, there may be an abbreviated assessment, as defined by rule. Based on the assessment, the individual will be assigned to the appropriate activity. The decision will be based on a determination of the individual's level of preparation for employment as defined by rule.

(e) Recipients determined to be exempt may volunteer to participate pursuant to Section 9A-4 and must be assessed.

(f) As part of the personal plan for achieving employment and self-sufficiency under Section 4-1, an employability plan for recipients shall be developed in consultation with the participant. - (5) the preferences of the participant.

(h) A reassessment shall be conducted to assess a participant's progress and to review the employability plan on the following occasions:

- (1) upon completion of an activity and before assignment to an activity;
- (2) upon the request of the participant;
- (3) if the individual is not cooperating with the requirements of the program; and
- (4) if the individual has failed to make satisfactory progress in an education or training program.

Based on the reassessment, the Department may revise the employability plan of the participant. (Source: P.A. 90-17, eff. 7-1-97; 91-331, eff. 7-29-99.)

(305 ILCS 5/9A-9) (from Ch. 23, par. 9A-9)

Sec. 9A-9. Program Activities. The Department shall establish education, training and placement activities by rule. Not all of the same activities need be provided in each county in the State. Such activities may include the following:

(a) Education (Below post secondary). In the Education (below post secondary) activity, the individual receives information, referral, counseling services and support services to increase the individual's employment potential. Participants may be referred to testing, counseling and education resources. Educational activities will include basic and remedial education; English proficiency classes; high school or its equivalency (e.g., GED) or alternative education at the secondary level; and with any educational program, structured study time to enhance successful participation. An individual's participation in an education program such as literacy, basic adult education, high school equivalency (GED), or a remedial program shall be limited to 2 years unless the individual also is working or participating in a work activity approved by the Illinois Department as defined by rule; this requirement does not apply, however, to students enrolled in high school.

(b) Job Skills Training (Vocational). Job Skills Training is designed to increase the individual's ability to obtain and maintain employment. Job Skills Training activities will include vocational skill classes designed to increase a participant's ability to obtain and maintain employment. Job Skills Training may

include certificate programs.

(c) Job Readiness. The job readiness activity is designed to enhance the quality of the individual's level of participation in the world of work while learning the necessary essentials to obtain and maintain employment. This activity helps individuals gain the necessary job finding skills to help them find and retain employment that will lead to economic independence.

(d) Job Search. Job Search may be conducted individually or in groups. Job Search includes the provision of counseling, job seeking skills training and information dissemination. Group job search may include training in a group session. Assignment exclusively to job search cannot be in excess of 8 consecutive weeks (or its equivalent) in any period of 12 consecutive months.

(e) Work Experience. Work Experience assignments may be with private employers or not-for-profit or public agencies in the State. The Illinois Department shall provide workers' compensation coverage. Participants who are not members of a 2-parent assistance unit may not be assigned more hours than their cash grant amount plus food stamps divided by the minimum wage. Private employers and not-for-profit and public agencies shall not use Work Experience participants to displace regular employees. Participants in Work Experience may perform work in the public interest (which otherwise meets the requirements of this Section) for a federal office or agency with its consent, and notwithstanding the provisions of 31 U.S.C. 1342, or any other provision of law, such agency may accept such services, but participants shall not be considered federal employees for any purpose. A participant shall be reassessed at the end of assignment to Work Experience. The participant may be reassigned to Work Experience or assigned to another activity, based on the reassessment.

(f) On the Job Training. In On the Job Training, a participant is hired by a private or public employer and while engaged in productive work receives training that provides knowledge or skills essential to full and adequate performance of the job.

(g) Work Supplementation. In work supplementation, the Department pays a wage subsidy to an employer who hires a participant. The cash grant which a participant would receive if not employed is diverted and the diverted cash grant is used to pay the wage subsidy.

(h) Post Secondary Education. Post secondary education must be administered by an educational institution accredited under requirements of State law. ~~The Illinois Department may not approve an individual's participation in any post secondary education program, other than full time, short term vocational training for a specific job, unless the individual also is employed part time, as defined by the Illinois Department by rule.~~

(i) Self Initiated Education. Participants who are attending an institution of higher education or a vocational or technical program of their own choosing and who are in good standing, may continue to attend and receive supportive services only if the educational program is approved by the Department, and is in conformity with the participant's personal plan for achieving employment and self-sufficiency and the participant is employed part-time, as defined by the Illinois Department by rule.

(j) Job Development and Placement. Department staff shall develop through contacts with public and private employers unsubsidized job openings for participants. Job interviews will be secured for clients by the marketing of participants for specific job openings. Job ready individuals may be assigned to Job Development and Placement.

(k) Job Retention. The job retention component is designed to assist participants in retaining employment. Initial employment expenses and job retention services are provided. The individual's support service needs are assessed and the individual receives counseling regarding job retention skills.

(l) (Blank).

(l-5) Transitional Jobs. These programs provide temporary wage-paying work combined with case management and other social services designed to address employment barriers. The wage-paying work is treated as regular employment for all purposes under this Code, and the additional activities, as determined by the Transitional Jobs provider, shall be countable work activities. The program must comply with the anti-displacement provisions of this Code governing the Work Experience program.

(m) Pay-after-performance Program. A parent may be required to participate in a pay-after-performance program in which the parent must work a specified number of hours to earn the grant. The program shall comply with provisions of this Code governing work experience programs.

(n) Community Service. Community service includes unpaid work that the client performs in his or her community, such as for a school, church, government agency, or nonprofit organization. A participant whose youngest child is 13 years of age or older may be required to perform at least 20 hours of community service per week as a condition of eligibility for aid under Article IV. The Illinois Department shall give priority to community service placements in public schools, where participants can serve as hall

~~and lunchroom monitors, assist teachers, and perform other appropriate services.~~ (Source: P.A. 89-289, eff. 1-1-96; 90-17, eff. 7-1-97; 90-457, eff. 1-1-98; 90-655, eff. 7-30-98.)

(305 ILCS 5/11-1) (from Ch. 23, par. 11-1)

Sec. 11-1. No discrimination). There shall be no discrimination or denial of financial aid and social services on account of the race, religion, color, national origin, sex, marital status, or political affiliation of any applicant or recipient. This paragraph shall not prevent the Department from treating individuals differently as a result of the rights and responsibilities that arise under law from marital status.

Participation in any marriage promotion or family formation activity is voluntary. Non-participation shall not affect any person's eligibility for or receipt of financial aid or social services in any program under this Code.

Where financial aid or social services are granted to certain classes of persons under a program for which federal funds are available, nothing in this Section shall require granting of financial aid or social services to other persons where federal funds would not be available as to those other persons. (Source: P.A. 80-354.)

(305 ILCS 5/11-20.1) (from Ch. 23, par. 11-20.1)

Sec. 11-20.1. Employment; Rights of recipient and obligations of Illinois Department when recipients become employed; Assistance when a recipient has employment or earned income or both.

(a) When a recipient reports employment or earned income, or both, or the Illinois Department otherwise learns of a recipient's employment or earned income, or both, the Illinois Department shall provide the recipient with:

(1) An explanation of how the earned income will affect the recipient's eligibility for a grant, and whether the recipient must engage in additional work activities to meet the recipient's monthly work activities requirement and what types of activities may be approved for that purpose, and whether the employment is sufficient to cause months of continued receipt of a grant not to be counted against the recipient's lifetime eligibility limit.

Senate Amendment No. 4 to HOUSE BILL NO. 2391

Passed the Senate, as amended, May 27, 2003.

Linda Hawker, Secretary of the Senate

AMENDMENT NO. 4. Amend House Bill 2391 by replacing everything after the enacting clause with the following:

"Section 5. The Criminal Identification Act is amended by changing Section 5 and adding Sections 11, 12, and 13 as follows:

(20 ILCS 2630/5) (from Ch. 38, par. 206-5)

Sec. 5. Arrest reports; expungement. (a) All policing bodies of this State shall furnish to the Department, daily, in the form and detail the Department requires, fingerprints and descriptions of all persons who are arrested on charges of violating any penal statute of this State for offenses that are classified as felonies and Class A or B misdemeanors and of all minors of the age of 10 and over who have been arrested for an offense which would be a felony if committed by an adult, and may forward such fingerprints and descriptions for minors arrested for Class A or B misdemeanors. Moving or nonmoving traffic violations under the Illinois Vehicle Code shall not be reported except for violations of Chapter 4, Section 11-204.1, or Section 11-501 of that Code. In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by

inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued pursuant to the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is

under 18 years of age.

(h) (1) Notwithstanding any other provision of this Act to the contrary and cumulative with any rights to expungement of criminal records, whenever an adult or minor prosecuted as an adult charged with a violation of a municipal ordinance or a misdemeanor is acquitted or released without being convicted, or if the person is convicted but the conviction is reversed, or if the person has been convicted of or placed on supervision for a misdemeanor and has not been convicted of a felony or misdemeanor or placed on supervision for a misdemeanor within 3 years after the acquittal or release or reversal of conviction, the completion of the sentence or completion of the terms and conditions of the supervision, if the acquittal, release, finding of not guilty, or conviction occurred on or after the effective date of this amendatory Act of the 93rd General Assembly, the Chief Judge of the circuit in which the charge was brought may have the official records of the arresting authority, the Department, and the clerk of the circuit court sealed 3 years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the sentence or terms and conditions of the supervision, except those records are subject to inspection and use by the court for the purposes of subsequent sentencing for misdemeanor and felony violations and inspection and use by law enforcement agencies and State's Attorneys or other prosecutors in carrying out the duties of their offices. This subsection (h) does not apply to persons convicted of or placed on supervision for: (1) a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; (2) a misdemeanor violation of Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance; (3) a misdemeanor violation of Section 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance; (4) a misdemeanor violation that is a crime of violence as defined in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance; (5) a Class A misdemeanor violation of the Humane Care for Animals Act; or (6) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(2) Upon acquittal, release without conviction, or conviction of such offense, the person charged with the offense shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records. Three years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the sentence or the terms and conditions of the supervision, the defendant shall provide the clerk of the court with a notice of request for sealing of records and payment of the applicable fee and a current address and shall promptly notify the clerk of the court of any change of address. The clerk shall promptly serve notice that the person's records are to be sealed on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to sealing of the records within 90 days of notice the court shall enter an order sealing the defendant's records 3 years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the sentence or the terms and conditions of the supervision. The clerk of the court shall promptly serve by mail or in person a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge. If an objection is filed, the court shall set a date for hearing. At the hearing the court shall hear evidence on whether the sealing of the records should or should not be granted.

(3) The clerk may charge a fee equivalent to the cost associated with the sealing of records by the clerk and the Department of State Police. The clerk shall forward the Department of State Police portion of the fee to the Department and it shall be deposited into the State Police Services Fund.

(4) Whenever sealing of records is required under this subsection (h), the notification of the sealing must be given by the circuit court where the arrest occurred to the Department in a form and manner prescribed by the Department.

(5) An adult or a minor prosecuted as an adult who was charged with a violation of a municipal ordinance or a misdemeanor who was acquitted, released without being convicted, convicted and the conviction was reversed, convicted of a misdemeanor or placed on supervision for a misdemeanor before the date of this amendatory Act of the 93rd General Assembly and was not convicted of a felony or misdemeanor or placed on supervision for a misdemeanor for 3 years after the acquittal or release or reversal of conviction, the completion of the sentence or completion of the terms and conditions of the supervision may petition the Chief Judge of the circuit in which the charge was brought, any judge of that circuit in which the charge was brought, any judge of the circuit designated by the Chief Judge, or, in counties of less than 3,000,000 inhabitants, the presiding trial judge at that defendant's trial, to seal the official records of the arresting authority, the Department, and the clerk of the court, except those records

are subject to inspection and use by the court for the purposes of subsequent sentencing for misdemeanor and felony violations and inspection and use by law enforcement agencies, the Department of Corrections, and State's Attorneys and other prosecutors in carrying out the duties of their offices. This subsection (h) does not apply to persons convicted of or placed on supervision for: (1) a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; (2) a misdemeanor violation of Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance; (3) a misdemeanor violation of Section 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance; (4) a misdemeanor violation that is a crime of violence as defined in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance; (5) a Class A misdemeanor violation of the Humane Care for Animals Act; or (6) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act. The State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest shall be served with a copy of the verified petition and shall have 90 days to object. If an objection is filed, the court shall set a date for hearing. At the hearing the court shall hear evidence on whether the sealing of the records should or should not be granted. The person whose records are sealed under the provisions of this Act shall pay to the clerk of the court and the Department of State Police a fee equivalent to the cost associated with the sealing of records. The fees shall be paid to the clerk of the court who shall forward the appropriate portion to the Department at the time the court order to seal the defendant's record is forwarded to the Department for processing. Passed the Senate, as amended, May 27, 2003.

Linda Hawker, Secretary of the Senate

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 3047 by replacing everything after the enacting clause with the following:

"Section 5. The Physician Assistant Practice Act of 1987 is amended by changing Section 7 as follows: (225 ILCS 95/7) (from Ch. 111, par. 4607) (Section scheduled to be repealed on January 1, 2008)

Sec. 7. Supervision requirements. No more than 2 physician assistants shall be supervised by the supervising physician, although a physician assistant shall be able to hold more than one professional position. Each supervising physician shall file a notice of supervision of such physician assistant according to the rules of the Department. However, the alternate supervising physician may supervise more than 2 physician assistants when the supervising physician is unable to provide such supervision consistent with the definition of alternate physician in Section 4.

Physician assistants shall be supervised only by physicians as defined in this Act who are engaged in clinical practice, or in clinical practice in public health or other community health facilities.

Nothing in this Act shall be construed to limit the delegation of tasks or duties by a physician to a nurse or other appropriately trained personnel.

Nothing in this Act shall be construed to prohibit the employment of physician assistants by a hospital, nursing home or other health care facility where such physician assistants function under the supervision of a supervising physician.

Physician assistants may be employed by the Department of Corrections or the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) for service in facilities maintained by such Departments and affiliated training facilities in programs conducted under the authority of the Director of Corrections or the Secretary of Human Services. Each physician assistant employed by the Department of Corrections or the Department of Human Services (as successor to the Department of Mental Health and Developmental Disabilities) shall be under the supervision of a physician engaged in clinical practice and direct patient care. Duties of each physician assistant employed by such Departments are limited to those within the scope of practice of the supervising physician who is fully responsible for all physician assistant activities.

A physician assistant may be employed by a practice group or other entity employing multiple physicians at one or more locations. In that case, one of the physicians practicing at a location shall be designated the supervising physician. The other physicians with that practice group or other entity who practice in the same general type of practice or specialty as the supervising physician may supervise the physician assistant with respect to their patients without being deemed alternate supervising physicians for the purpose of this Act. Section 10. The Radiation Protection Act of 1990 is amended by changing Sections 5 and 6 as follows: (420 ILCS 40/5) (from Ch. 111 1/2, par. 210-5) (Section scheduled to be repealed on January 1, 2011)

Sec. 5. Limitations on application of radiation to human beings and requirements for radiation installation operators providing mammography services.

(a) No person shall intentionally administer radiation to a human being unless such person is licensed to practice a treatment of human ailments by virtue of the Illinois Medical, Dental or Podiatric Medical Practice Acts, or, as physician assistant, advanced practice nurse, technician, nurse, or other assistant, is acting under the supervision, prescription or direction of such licensed person. However, no such physician assistant, advanced practice nurse, technician, nurse, or other assistant acting under the supervision of a person licensed under the Medical Practice Act of 1987, shall administer radiation to human beings unless accredited by the Department of Nuclear Safety, except that persons enrolled in a course of education

approved by the Department of Nuclear Safety may apply ionizing radiation to human beings as required by their course of study when under the direct supervision of a person licensed under the Medical Practice Act of 1987. No person authorized by this Section to apply ionizing radiation shall apply such radiation except to those parts of the human body specified in the Act under which such person or his supervisor is licensed. No person may operate a radiation installation where ionizing radiation is administered to human beings unless all persons who administer ionizing radiation in that radiation installation are licensed, accredited, or exempted in accordance with this Section. Nothing in this Section shall be deemed to relieve a person from complying with the provisions of Section 10.

(b) In addition, no person shall provide mammography services unless all of the following requirements are met:

(1) the mammography procedures are performed using a radiation machine that is specifically designed for mammography;

(2) the mammography procedures are performed using a radiation machine that is used solely for performing mammography procedures;

(3) the mammography procedures are performed using equipment that has been subjected to a quality assurance program that satisfies quality assurance requirements which the Department shall establish by rule;

(4) beginning one year after the effective date of this amendatory Act of 1991, if the mammography procedure is performed by a radiologic technologist, that technologist, in addition to being accredited by the Department to perform radiography, has satisfied training requirements specific to mammography, which the Department shall establish by rule.

(c) Every operator of a radiation installation at which mammography services are provided shall ensure and have confirmed by each mammography patient that the patient is provided with a pamphlet which is orally reviewed with the patient and which contains the following:

(2) that early detection of breast cancer is maximized through a combined approach, using monthly breast self-examination, a thorough physical examination performed by a physician, and mammography performed at recommended intervals;

(3) that mammography is the most accurate method for making an early detection of breast cancer, however, no diagnostic tool is 100% effective;

(4) that if the patient is self-referred and does not have a primary care physician, or if the patient is unfamiliar with the breast examination procedures, that the patient has received information regarding public health services where she can obtain a breast examination and instructions.

(420 ILCS 40/6) (from Ch. 111 1/2, par. 210-6) (Section scheduled to be repealed on January 1, 2011)

Sec. 6. Accreditation of administrators of radiation; Limited scope accreditation; Rules and regulations; Education.

(a) The Department shall promulgate such rules and regulations as are necessary to establish accreditation standards and procedures, including a minimum course of education and continuing education requirements in the administration of radiation to human beings, which are appropriate to the classification of accreditation and which are to be met by all physician assistants, advanced practice nurses, nurses, technicians, or other assistants who administer radiation to human beings under the supervision of a person licensed under the Medical Practice Act of 1987. Such rules and regulations may provide for different classes of accreditation based on evidence of national certification, clinical experience or community hardship as conditions of initial and continuing accreditation. The rules and regulations of the Department shall be consistent with national standards in regard to the protection of the health and safety of the general public.

(b) The rules and regulations shall also provide that persons who have been accredited by the Department, in accordance with the Radiation Protection Act, without passing an examination, will remain accredited as provided in Section 43 of this Act and that those persons may be accredited, without passing an examination, to use other equipment, procedures, or supervision within the original category of accreditation if the Department receives written assurances from a person licensed under the Medical Practice Act of 1987, that the person accredited has the necessary skill and qualifications for such additional equipment procedures or supervision. The Department shall, in accordance with subsection (c) of this Section, provide for the accreditation of nurses, technicians, or other assistants, unless exempted elsewhere in this Act, to perform a limited scope of diagnostic radiography procedures of the chest, the

extremities, skull and sinuses, or the spine, while under the supervision of a person licensed under the Medical Practice Act of 1987.

(c) The rules or regulations promulgated by the Department pursuant to subsection (a) shall establish standards and procedures for accrediting persons to perform a limited scope of diagnostic radiography procedures. The rules or regulations shall require persons seeking limited scope accreditation to register with the Department as a "student-in-training," and declare those procedures in which the student will be receiving training. The student-in-training registration shall be valid for a period of 16 months, during which the time the student may, under the supervision of a person licensed under the Medical Practice Act of 1987, perform the diagnostic radiography procedures listed on the student's registration. The student-in-training registration shall be nonrenewable.

Upon expiration of the 16 month training period, the student shall be prohibited from performing diagnostic radiography procedures unless accredited by the Department to perform such procedures. In order to be accredited to perform a limited scope of diagnostic radiography procedures, an individual must pass an examination offered by the Department. The examination shall be consistent with national standards in regard to protection of public health and safety. The examination shall consist of a standardized component covering general principles applicable to diagnostic radiography procedures and a clinical component specific to the types of procedures for which accreditation is being sought. The Department may assess a reasonable fee for such examinations to cover the costs incurred by the Department in conjunction with offering the examinations.

(d) The Department shall by rule or regulation exempt from accreditation physician assistants, advanced practice nurses, nurses, technicians, or other assistants who administer radiation to human beings under supervision of a person licensed to practice under the Medical Practice Act of 1987 when the services are performed on employees of a business at a medical facility owned and operated by the business. Such exemption shall only apply to the equipment, procedures and supervision specific to the medical facility owned and operated by the business. (Source: P.A. 90-14, eff. 7-1-97.)

"AN ACT concerning local government."; and

"Section 5. The Illinois State Auditing Act is amended by changing Section 3-1 as follows:

(30 ILCS 5/3-1) (from Ch. 15, par. 303-1)

Sec. 3-1. Jurisdiction of Auditor General. The Auditor General has jurisdiction over all State agencies to make post audits and investigations authorized by or under this Act or the Constitution.

The Auditor General has jurisdiction over local government agencies and private agencies only:

(a) to make such post audits authorized by or under this Act as are necessary and incidental to a post audit of a State agency or of a program administered by a State agency involving public funds of the State, but this jurisdiction does not include any authority to review local governmental agencies in the obligation, receipt, expenditure or use of public funds of the State that are granted without limitation or condition imposed by law, other than the general limitation that such funds be used for public purposes;

(b) to make investigations authorized by or under this Act or the Constitution; and

(c) to make audits of the records of local government agencies to verify actual costs of state-mandated programs when directed to do so by the Legislative Audit Commission at the request of the State Board of Appeals under the State Mandates Act.

In addition to the foregoing, the Auditor General may conduct an audit of the Metropolitan Pier and Exposition Authority, the Regional Transportation Authority, the Suburban Bus Division, the Commuter Rail Division and the Chicago Transit Authority and any other subsidized carrier when authorized by the Legislative Audit Commission. Such audit may be a financial, management or program audit, or any combination thereof.

The audit shall determine whether they are operating in accordance with all applicable laws and regulations. Subject to the limitations of this Act, the Legislative Audit Commission may by resolution specify additional determinations to be included in the scope of the audit.

In addition to the foregoing, the Auditor General must also conduct a financial audit of the Illinois Sports Facilities Authority's expenditures of public funds in connection with the reconstruction, renovation, remodeling, extension, or improvement of all or substantially all of any existing "facility", as that term is defined in the Illinois Sports Facilities Authority Act.

The Auditor General may also conduct an audit, when authorized by the Legislative Audit Commission, of any hospital which receives 10% or more of its gross revenues from payments from the State of Illinois, Department of Public Aid, Medical Assistance Program.

The Auditor General is authorized to conduct financial and compliance audits of the Illinois Distance Learning Foundation and the Illinois Conservation Foundation.

As soon as practical after the effective date of this amendatory Act of 1995, the Auditor General shall conduct a compliance and management audit of the City of Chicago and any other entity with regard to the operation of Chicago O'Hare International Airport, Chicago Midway Airport and Merrill C. Meigs Field. The audit shall include, but not be limited to, an examination of revenues, expenses, and transfers of funds; purchasing and contracting policies and practices; staffing levels; and hiring practices and procedures. When completed, the audit required by this paragraph shall be distributed in accordance with Section 3-14.

The Auditor General shall conduct a financial and compliance and program audit of distributions from the Municipal Economic Development Fund during the immediately preceding calendar year pursuant to Section 8-403.1 of the Public Utilities Act at no cost to the city, village, or incorporated town that received the distributions.

The Auditor General must conduct an audit of the Health Facilities Planning Board pursuant to Section 19.5 of the Illinois Health Facilities Planning Act.

The Auditor General must conduct an annual audit of the water fund of a county water commission organized pursuant to the Water Commission Act of 1985. (Source: P.A. 90-813, eff. 1-29-99; 91-782, eff. 6-9-00; 91-935, eff. 6-1-01.)

Section 10. The Illinois Municipal Code is amended by changing Section 11-124-1 as follows:

(65 ILCS 5/11-124-1) (from Ch. 24, par. 11-124-1)

Sec. 11-124-1. Contracts for supply of water. (a) The corporate authorities of each municipality may contract with any person, corporation, municipal corporation, political subdivision, public water district or any other agency for a supply of water. Any such contract entered into by a municipality shall provide that payments to be made thereunder shall be solely from the revenues to be derived from the operation of the waterworks system of the municipality, and the contract shall be a continuing valid and binding obligation of the municipality payable from the revenues derived from the operation of the waterworks system of the municipality for the period of years, not to exceed 40, as may be provided in such contract. Any such contract shall not be a debt within the meaning of any constitutional or statutory limitation. No prior appropriation shall be required before entering into such a contract and no appropriation shall be required to authorize payments to be made under the terms of any such contract notwithstanding any provision in this Code to the contrary. (a) Payments to be made under any such contract shall be an operation and maintenance expense of the waterworks system of the municipality. Any such contract made by a municipality for a supply of water may contain provisions whereby the municipality is obligated to pay for such supply of water without setoff or counterclaim and irrespective of whether such supply of water is ever furnished, made available or delivered to the municipality or whether any project for the supply of water contemplated by any such contract is completed, operable or operating and notwithstanding any suspension, interruption, interference, reduction or curtailment of the supply of water from such project. Any such contract may provide that if one or more of the other purchasers of water defaults in the payment of its obligations under such contract or a similar contract made with the supplier of the water, one or more of the remaining purchasers party to such contract or such similar contract shall be required to pay for all or a portion of the obligations of the defaulting purchasers. (b) Payments to be made under any such contract with a municipal joint action water agency under the Intergovernmental Cooperation Act shall be an operation and maintenance expense of the waterworks system of the municipality. Any such contract made by a municipality for a supply of water with a municipal joint action water agency under the provisions of the Intergovernmental Cooperation Act may contain provisions whereby the municipality is obligated to pay for such supply of water without setoff or counterclaim and irrespective of whether such supply of water is ever furnished, made available or delivered to the municipality or whether any project for the supply of water contemplated by any such contract is completed, operable or operating and notwithstanding any suspension, interruption, interference, reduction or curtailment of the supply of water from such project. Any such contract with a municipal joint action water agency may provide that if one or more of the other purchasers of water defaults in the payment of its obligations under such contract or a similar contract made with the supplier of the water, one or more of the remaining purchasers party to such contract or such similar contract shall be required to pay for all or a portion of the obligations of the defaulting purchasers.

The changes in this Section made by these amendatory Acts of 1984 are intended to be declarative of existing law.

(b) A municipality with a water supply contract with a county water commission organized pursuant to the Water Commission Act of 1985 shall provide water to unincorporated areas of that home county in accordance with the terms of this subsection. The provision of water by the municipality shall be in accordance with a mandate of the home county as provided in Section 0.01 of the Water Commission Act

of 1985. A home rule unit may not provide water in a manner that is inconsistent with the provisions of this amendatory Act of the 93rd General Assembly. This subsection is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State. (Source: P.A. 83-1123; 83-1524.)

Section 15. The Water Commission Act of 1985 is amended by changing Section 2 and by adding Sections 0.01, 0.02, 0.03, 0.04, and 0.05 as follows:

(70 ILCS 3720/2) (from Ch. 111 2/3, par. 252)

Sec. 2. The General Assembly hereby finds and declares that it is necessary and in the public interest to help assure a sufficient and economic supply of a source of water within those county wide areas of this State where, because of a growth in population and proximity to large urban centers, the health, safety and welfare of the residents is threatened by an ever increasing shortage of a continuing, available and adequate source and supply of water on an economically reasonable basis; however, it is not the intent of the General Assembly to interfere with the power of municipalities to provide for the retail distribution of water to their residents or the customers of their water systems. Therefore, in order to provide for a sufficient and economic supply of water to such areas, it is hereby declared to be the law of this State that:

(a) With respect to any water commission constituted pursuant to Division 135 of the Illinois Municipal Code or established by operation of law under Public Act 83-1123, as amended, which water commission includes municipalities which in the aggregate have within their corporate limits more than 50% of the population of a county (hereinafter referred to as a "home county"), and such county is contiguous to a county which has a population in excess of 1,000,000 inhabitants, the provisions of this Act shall apply. With respect to any such water commission (hereinafter referred to as a "county water commission"):

(i) the terms of all commissioners of such commission holding office at the time a water commission becomes a county water commission shall terminate 30 days after such time and new commissioners shall be appointed as the governing board of the county water commission as hereinafter provided in subsection (c); and

(ii) the county water commission shall continue to be a body corporate and politic, and shall bear the name of the home county but shall be independent from and not a part of the county government and shall itself be a political subdivision and a unit of local government, and upon appointment of the new commissioners as the governing board of such water commission as provided in subsection (c), such water commission shall remain responsible for the full payment of, and shall by operation of law be deemed to have assumed and shall pay when due all debts and obligations of the commission as the same is constituted and as such debts and obligations existed on the date such water commission becomes a county water commission and such additional debts and obligations as are incurred by such commission after such date and prior to the appointment of the new commissioners as the governing board of such commission, and further shall continue to have and exercise all powers and functions and duties of a water commission created pursuant to Division 135 of the Illinois Municipal Code, as now or hereafter amended, and the county water commission may rely on that Division, as modified and supplemented by the provisions of this Act, as lawful authority under which it may act.

(b) Any county water commission shall have as its territory within its corporate limits, subject to taxation for its purposes, and subject to the powers and limitations as conferred by this Act, (i) all of the territory of the home county except that territory located within the corporate limits of excluded units as hereinafter defined and (ii) also all of the territory located outside the home county and included within the corporate limits of an included unit as hereinafter defined. As used in this Act, "excluded unit" means a unit of local government having a waterworks system and having within its corporate limits territory within the home county and which, at the time any commission becomes a county water commission, receives, or has contracted at such time for the receipt of, more than 25% of the water distributed by such unit's water system from a source outside of the home county. As used in this Section, "included unit" means any unit of local government having a waterworks system and having within its corporate limits territory within the home county, which unit of local government is not an excluded unit. No other water commission shall be constituted under Division 135 of the Illinois Municipal Code in any home county after the effective date of this Act to provide water from any source located outside the home county. Except as authorized by a county water commission, no home county or included unit shall enter into any new or renew or extend any existing contract, agreement or other arrangement for the acquisition or sale of water from any source located outside a home county; provided, however, that any included unit may contract for a supply of water in case of a temporary emergency from any other unit of local government or any entity. In the event that any included unit elects to serve retail customers outside its corporate boundaries and to establish rates and charges for such water in excess of those charged within its corporate boundaries, such rates and

charges shall have a reasonable relationship to the actual cost of providing and delivering the water; this provision is declarative of existing law. It is declared to be the law of this State pursuant to paragraphs (g) and (h) of Section 6 of Article VII of the Illinois Constitution that in any home county, the provisions of this Act and Division 135 of the Illinois Municipal Code, as modified and supplemented by this Act and this amendatory Act of the 93rd General Assembly, constitute a limitation upon the power of any such county and upon all units of local government (except excluded units) within such county, including home rule units, limiting to such county, units of local government and home rule units the power to acquire, supply or distribute water or to establish any water commission for such purposes involving water from any source located outside the home county in a manner other than as provided or permitted by this Act and Division 135, as modified and supplemented by this Act, and further constitute an exercise of exclusive State power with respect to the acquisition, supply and distribution of water from any source located outside the home county by any such county and by units of local government (except excluded units), including home rule units, within such county and with respect to the establishment for such purposes of any water commission therein, which power may not be exercised concurrently by any unit of local government or home rule unit. Upon the request of any included unit, a county water commission shall provide such included unit Lake Michigan water in an amount up to the then current Department of Transportation allocation of Lake Michigan water for such included unit.

With respect to a water commission to which the provisions of subsection (a) apply, all uninhabited territory that is owned and solely occupied by such a commission and is located not within its home county but within a non-home rule municipality adjacent to its home county shall, notwithstanding any other provision of law, be disconnected from that municipality by operation of this Act on the effective date of this amendatory Act of 1991, and shall thereafter no longer be within the territory of the municipality for any purpose; except that for the purposes of any statute that requires contiguity of territory, the territory of the water commission shall be disregarded and the municipality shall not be deemed to be noncontiguous by virtue of the disconnection of the water commission territory.

(c) The governing body of any water commission to which the provisions of subsection (a) apply shall be a board of commissioners, each to be appointed within 30 days after the water commission becomes a county water commission to a term commencing on such date, as follows:

(i) one commissioner, who shall serve as chairman, who shall be a resident of the home county, to be appointed by the chairman of the county board of such county with the advice and consent of the county board, provided that following the expiration of the term or vacancy of the current chairman serving on the effective date of this amendatory Act of the 93rd General Assembly, any subsequent appointment as chairman shall also be subject to the advice and consent of the county water commission;

(ii) one commissioner from each county board district within the home county, to be appointed by the chairman of the county board of the home county with the advice and consent of the county board; and

(iii) one commissioner from each county board district within the home county, to be appointed by the majority vote of the mayors of those included units which are municipalities and which have the greatest percentage of their respective populations residing within such county board district of the home county.

The mayors of the respective county board districts shall meet for the purpose of making said respective appointments at a time and place designated by that mayor in each county board district of the included unit with the largest population voting for a commissioner upon not less than 10 days' written notice to each other mayor entitled to vote.

The commissioners so appointed shall serve for a term of 6 years, or until their successors have been appointed and have qualified in the same manner as the original appointments, except that at the first meeting of such commissioners, (A) the commissioners first appointed pursuant to paragraph (ii) of this subsection shall determine publicly by lot 1/3 of their number to serve for terms of 2 years, 1/3 of their number to serve for terms of 4 years and 1/3 of their number to serve for terms of 6 years, any odd number of commissioners so determined by dividing into thirds to serve 6 year terms, and (B) the commissioners first appointed pursuant to paragraph (iii) of this subsection shall determine publicly by lot 1/3 of their number to serve for terms of 2 years, 1/3 of their number to serve for terms of 4 years and 1/3 of their number to serve for terms of 6 years, any odd number of commissioners so determined by dividing into thirds to serve 6 year terms. The commissioner first appointed pursuant to paragraph (i) of this subsection, who shall serve as chairman, shall serve for a term of 6 years. Any commissioner may be a member of the governing board or an officer or employee of such county or any unit of local government within such county. A commissioner is eligible for reappointment upon the expiration of his term. A vacancy in the

office of a commissioner shall be filled for the balance of the unexpired term by appointment and qualification as to residency in the same manner as the original appointment was made. Each commissioner shall receive the same compensation which shall not be more than \$600 per year, except that no such commissioner who is a member of the governing board or an officer or employee of such county or any unit of local government within such county may receive any compensation for serving as a commissioner. Each commissioner may be removed by the appointing authority for any cause for which any other county or municipal officer may be removed. The county water commission shall determine its own rules of proceeding. A quorum shall be a majority of the commissioners then in office. All ordinances or resolutions shall be passed by not less than a majority of a quorum. No commissioner or employee of the commission, no member of the county board or other official elected within such county, no mayor or president or other member of the corporate authorities of any unit of local government within such county, and no employee of such county or any such unit of local government, shall be interested directly or indirectly in any contract or job of work or materials, or the profits thereof, or services to be performed for or by the commission. A violation of any of the foregoing provisions of this subsection is a Class C misdemeanor. A conviction is cause for the removal of a person from his office or employment.

(d) Except as provided in subsection (g), subject to the referendum provided for in subsection (e), a county water commission may borrow money for corporate purposes on the credit of the commission, and issue general obligation bonds therefor, in such amounts and form and on such conditions as it shall prescribe, but shall not become indebted in any manner or for any purpose in an amount including existing indebtedness in the aggregate to exceed 5.75% of the aggregate value of the taxable property within the territorial boundaries of the county water commission, as equalized and assessed by the Department of Revenue and as most recently available at the time of the issue of said bonds. Before or at the time of incurring any indebtedness, except as provided in subsection (g), the commission shall provide for the collection of a direct annual tax, which shall be unlimited as to rate or amount, sufficient to pay the interest on such debt as it falls due and also to pay and discharge the principal thereof at maturity, which shall be within 40 years after the date of issue thereof. Such tax shall be levied upon and collected from all of the taxable property within the territory of the county water commission. Dissolution of the county water commission for any reason shall not relieve the taxable property within such territory of the county water commission from liability for such tax. The clerk of the commission shall file a certified copy of the resolution or ordinance by which such bonds are authorized to be issued and such tax is levied with the County Clerk of each county in which any of the territory of the county water commission is located and such filing shall constitute, without the doing of any other act, full and complete authority for each such County Clerk to extend such tax for collection upon all the taxable property within the territory of the county water commission subject to such tax in each and every year required sufficient to pay the principal of and interest on such bonds, as aforesaid, without limit as to rate or amount, and shall be in addition to and in excess of all other taxes authorized to be levied by the commission or any included unit. The general obligation bonds shall be issued pursuant to an ordinance or resolution and may be issued in one or more series, and shall bear such date or dates, mature at such time or times and in any event not more than 40 years from the date thereof, be sold at such price at private or public sale as determined by a county water commission, bear interest at such rate or rates such that the net effective interest rate received upon the sale of such bonds does not exceed the maximum rate determined under Section 2 of the Bond Authorization Act, which rates may be fixed or variable, be in such denominations, be in such form, either coupon or registered, carry such conversion, registration, and exchange privileges, be executed in such manner, be payable in such medium of payment at such place or places within or without the State of Illinois, be subject to such terms of redemption, and contain or be subject to such other terms as the ordinance or resolution may provide, and shall not be restricted by the provisions of any other terms of obligations of public agencies or private persons.

(e) No issue of general obligation bonds by a county water commission (except bonds to refund an existing bonded indebtedness) shall be authorized unless the commission certifies the proposition of issuing such bonds to the proper election officials, who shall submit the proposition to the voters at an election in accordance with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

Shall general obligation
bonds for the purpose of

(state purpose), in the YES
 sum of \$...(insert amount), -----
 be issued by the NO
 (insert corporate name of
 the county water commission)?

(f) In order to carry out and perform its powers and functions and duties under the provisions of this Act and Division 135 of the Illinois Municipal Code, as modified and supplemented by this Act, the governing body of any county water commission may by ordinance levy annually upon all taxable property within its territory a tax at a rate not to exceed .005% of the value of such property, as equalized or assessed by the Department of Revenue for the year in which the levy is made. In addition, any county water commission may by ordinance levy upon all taxable property within its territory, for one year only, an additional tax for such purposes at a rate not to exceed .20% of the value of such property, as equalized or assessed by the Department of Revenue for that year; provided, however, that such tax may not be levied more than once in any county water commission.

(g) Any county water commission shall have the power to borrow money, subject to the indebtedness limitation provided in subsection (d), from the home county or included units, in such amounts and in such terms as agreed by the governing bodies of the commission and the home county or included units.

(h) No county water commission constituted pursuant to the Act shall engage in the retail sale or distribution of water to residents or customers of any municipality.

(i) Nothing in the Section requires any municipality to contract with a county water commission for a supply of water.

(j) The State of Illinois recognizes that any such contract for the supply of water executed by a unit of local government and a county water commission may contain terms and conditions intended by the parties thereto to be absolute conditions thereof. The State of Illinois also recognizes that persons may loan funds to a county water commission (including, without limitation, the purchase of revenue or general obligation bonds of such commission) in reliance upon the terms and conditions of any such contract for the supply of water. Therefore, the State of Illinois pledges and agrees to those parties and persons which make loans of funds to a county water commission that it will not impair or limit the power or ability of a county water commission or a unit of local government fully to carry out the financial obligations and obligation to furnish water pursuant to the terms of any contract for the supply of water entered into by such county water commission or unit of local government for the term of such contracts or loans. All other terms and conditions of such contracts and intergovernmental agreements shall be binding to the extent that they are not inconsistent with this amendatory Act of the 93rd General Assembly. (Source: P.A. 87-145.)

(70 ILCS 3720/0.01 new)

Sec. 0.01. Service to areas with contaminated or tainted water.

(a) Notwithstanding the terms of a water supply contract existing on the effective date of this amendatory Act of the 93rd General Assembly, a municipality with a water supply contract with a county water commission must provide water to territories outside that municipality, provided that the territory to be served currently receives well water that is tainted or contaminated. The home county board must find that the water supply in such territory is tainted or contaminated such that the health of persons served in that territory is likely to be adversely affected now or in the future. The county water commission shall determine which municipality in the home county is most appropriate for supplying water to the territory with the contaminated wells within 30 days of a county board finding that there is a tainted or contaminated water supply.

The municipality shall provide access to water for such territory no later than 90 days after the county water commission has determined by resolution that the municipality is the most appropriate municipality for providing access to water for the territory. "Access to water" includes access through the municipal main, but the municipality need not otherwise provide infrastructure to deliver water from the municipal main. The municipality may sell water to such territory at a rate higher than the rate charged to municipal customers, in accordance with existing law.

(b) Unless otherwise provided by law, property in unincorporated territory receiving water pursuant to subsection (a) of this Section shall not be annexed without consent of the owner of the property. A municipality's furnishing water pursuant to subsection (a) of this Section may not be conditioned on an agreement to annex. "Owner" for the purpose of this subsection is any person or persons in title, or in the case of property owned in trust, having the beneficial ownership of such property, who owned the property on the date water is first so received pursuant to subsection (a) of this Section. Upon transfer of ownership

of such property, the municipality may annex it by ordinance.

(c) This amendatory Act of the 93rd General Assembly is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(70 ILCS 3720/0.02 new)

Sec. 0.02. Rate equalization. Notwithstanding the terms of a water supply contract existing on the effective date of this amendatory Act of the 93rd General Assembly, all parties to a water supply contract with a county water commission, irrespective of whether such party is a charter member or subsequent entrant, shall pay rates equal to the rates paid by other parties to such water supply contract and shall not pay any additional fees, costs, or differentials as a condition of becoming a party to such water supply contract. Subsequent entrants to a water supply contract shall pay their pro-rata portion of the original capital costs less any rebates and the actual costs of connection to the water commission system.

(70 ILCS 3720/0.03 new)

Sec. 0.03. Water subsidy guaranty. Except to satisfy the obligations of persons who loaned funds to the county water commission, the water rates charged to municipalities that are in effect on the effective date of this amendatory Act of the 93rd General Assembly may not be increased for a period of 5 years.

(70 ILCS 3720/0.04 new)

Sec. 0.04. Five-year annual transfer of funds to home county. Beginning July 1, 2003 and prior to July 1 of each year through and including 2007, each county water commission shall from any legally available sources transfer the sum of \$15,000,000 to the county board of the home county to be used for county purposes. This amendatory Act of the 93rd General Assembly is subordinate to any legally required payment of principal, interest, or required reserve pursuant to the county water commission's debt obligations.

(70 ILCS 3720/0.05 new)

Sec. 0.05. Home rule. A municipality, including a home rule unit, must regulate its water systems and provide access to water as required under the provisions of this amendatory Act of the 93rd General Assembly. This Section is a denial and limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

Section 90. The State Mandates Act is amended by adding Section 8.27 as follows:

(30 ILCS 805/8.27 new)

Sec. 8.27. Exempt mandate. Notwithstanding Sections 6 and 8 of this Act, no reimbursement by the State is required for the implementation of any mandate created by this amendatory Act of the 93rd General Assembly.

Section 97. Severability. The provisions of this Act are severable under Section 1.31 of the Statute on Statutes.

Section 99. Effective date. This Act takes effect upon becoming law."

SENATE BILL 172. Having been printed, was taken up and read by title a second time.

The following amendment was offered in the Committee on Elementary & Secondary Education, adopted and printed:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 172 by replacing the title with the following:

"AN ACT in relation to air transportation."; and

by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the I-FLY Act.

Section 5. Findings. The General Assembly finds that, in order to create, retain, and stabilize reliable air service to commercial service airports outside of Cook County, improve accessibility to business and industrial centers, augment the State's tourism industry, and encourage the development of facilities and support initiatives for community growth, cooperation between the State, airports, and communities is essential. The General Assembly further finds that a State grant program is the best method to achieve these ends.

Section 10. Definitions. As used in this Act:

"Air carrier" means an entity that provides commercial passenger air transportation.

"Commission" means the Air Service Commission.

Section 15. I-FLY Fund.

(a) The I-FLY Fund is created as a special fund in the State treasury. Moneys may be deposited into the Fund from: (1) appropriations made by the General Assembly and units of local government to the Fund, (2) federal moneys designated for the Fund, and (3) any grants or gifts designated for the Fund.

(b) The moneys in the Fund shall be used by the Commission, subject to appropriation, for air carrier recruitment and retention program grants and for planning grants.

Section 20. Air Service Commission. There is created the Air Service Commission. The Commission shall consist of 5 members, each of whom has airport management or air carrier experience, or both. The members shall be appointed by the Governor, with the advice and consent of the Senate, each one from a different geographical region of the State outside of Cook County. The Governor shall designate one of the members as the chairperson.

Members shall serve for a term of 4 years, except that, for the initial members appointed, one shall serve for a term of 5 years, one for a term of 4 years, one for a term of 3 years, one for a term of 2 years, and one for a term of one year. Initial terms shall commence on July 1, 2003. Each member shall serve until a successor is appointed and qualified. Vacancies shall be filled in the same manner as initial appointments. The members shall receive a salary set by the Compensation Review Board and shall be reimbursed for the necessary expenses incurred in the performance of their duties.

The Commission shall administer this Act and is authorized to do all things reasonable and necessary to accomplish the goals of the I-Fly Program.

Section 25. I-FLY Program.

(a) The Commission shall establish the I-FLY Program. The Program shall consist of the following components:

- (1) air carrier recruitment and retention grants as described in subsection (c); and
- (2) planning grants under subsection (d).

The Commission may make grants under this Act only to airports that are located completely outside of Cook County.

(b) During any one-year period, an airport may receive a grant for only one of the 2 components specified in subsection (a).

(c) Air carrier recruitment and retention program grants.

(1) An airport may receive an air carrier recruitment and retention program grant from the Commission only if:

- (A) it is capable of supporting takeoffs and landings by aircraft that have at least 19 passenger seats or have made improvements or commitments to the Commission to provide this capability; and
- (B) it has a commitment from an air carrier to start or continue air service to the community that the airport serves subject to financial support from the State and from the airport or unit of local government that the airport serves. The commitment must specify that the air carrier would not provide or continue to provide service to the community if financial assistance were not available.

(2) An application for an air carrier recruitment and retention program grant must contain commitments from the airport or the unit of local government in which the airport is located as to the amount of the total project cost, the contribution from the unit of local government or airport, the method in which the contribution from the airport or unit of local government will be generated, and the requested State contribution.

(3) The air carrier recruitment and retention program grant shall be used to guarantee the financial viability of air carriers providing reasonable air service at the airport. A grant under this subsection (c) to a particular airport may be in only one of the following 3 forms:

- (A) A grant may be used to guarantee that an air carrier shall receive an agreed amount of revenue per flight.
- (B) A grant may be used to guarantee a reduced or subsidized consumer ticket price.
- (C) A grant may be used to guarantee a profit goal established by the air carrier and airport.

(4) During the first year of a grant under this subsection (c), the grant shall pay 80% of the total cost of the guarantee and the airport or unit of local government in which the airport is located shall pay 20% of the total cost of the guarantee. During the second year of a grant under this subsection (c), the grant shall pay 50% of the total cost of the guarantee and the airport or the unit of local government in which the airport is located shall pay 50% of the total cost of the guarantee.

(5) The total State funding for a grant under this subsection (c) to a particular airport may not exceed \$1,000,000 in any year.

(6) An airport that has received a 2-year grant under this subsection (c) may apply for another grant for an additional 2-year period; however, the Commission shall, in determining whether to make a grant for an additional 2-year period, give priority to other airports that have not previously received a grant under this subsection (c). The Commission shall also give priority in making grants under this subsection (c) to airports at which the Commission determines that a 2-year grant may result in the creation of stable and reliable commercial air service without an additional grant.

(d) Planning grants. An airport may apply for and receive a planning grant to conduct feasibility studies

or business plans designed to study the recruitment, retention, or expansion of an air carrier at the airport. To be eligible for a grant under this subsection (d), the airport must have the potential for initial or expanded air service as the Commission determines through its evaluation process. The grant shall pay 70% of the total cost of the feasibility studies or business plans and the airport or the unit of local government in which the airport is located shall pay 30% of the total cost of the feasibility studies or business plans. An airport may receive only one planning grant.

"Developmental disability" means a disability that is attributable to mental retardation or a related condition. A related condition must meet all of the following conditions:

(1) It must be attributable to cerebral palsy, epilepsy, or any other condition (other than mental illness) found to be closely related to mental retardation because that condition results in impairment of general intellectual functioning or adaptive behavior similar to that of individuals with mental retardation, and requires treatment or services similar to those required for those individuals. For purposes of this Section autism shall be considered a related condition.

(2) It must be manifested before the individual reaches age 22.

(4) It must result in substantial functional limitations in 3 or more of the following areas of major life activity: self-care, language, learning, mobility, self-direction, and capacity for independent living.

"Mental Illness" means a mental or emotional disorder verified by a diagnosis contained in the Diagnostic and Statistical Manual of Mental Disorders-Fourth Edition, published by the American Psychiatric Association (DSM-IV) or International Classification of Diseases, 9th Revision, Clinical Modification (ICD-9-CM) or its successor that substantially impairs a person's cognitive, emotional, or behavioral functioning, or any combination of those, excluding (i) conditions that may be the focus of clinical attention but are not of sufficient duration or severity to be categorized as a mental illness, such as parent-child relational problems, partner-relational problems, sexual abuse of a child, bereavement, academic problems, phase-of-life problems, and occupational problems (collectively, "V codes"), (ii) organic disorders such as substance intoxication dementia, substance withdrawal dementia, Alzheimer's disease, vascular dementia, dementia due to HIV infection, and dementia due to Creutzfeld-Jakob disease and disorders associated with known or unknown physical conditions such as hallucinosis, amnesic disorders and delirium, and psychoactive substance-induced organic disorders, and (iii) a developmental disability, a substance abuse disorder, or an abnormality manifested only by repeated criminal or otherwise anti-social conduct.

(b) In this Act:

"Chronological age-appropriate services" means services, activities, and strategies for persons with disabilities that are representative of the lifestyle activities of nondisabled peers of similar age in the community.

"Independent service coordination" means a social service that enables persons with developmental disabilities and their families to locate, use, and coordinate resources and opportunities in their communities on the basis of individual need. Independent service coordination is independent of providers of services and funding sources and is designed to ensure accessibility, continuity of care, and accountability and to maximize the potential of persons with developmental disabilities for independence, productivity, and integration into the community. Independent service coordination includes, at a minimum: (i) outreach to identify eligible individuals; (ii) assessment and periodic reassessment to determine each individual's strengths, functional limitations, and need for specific services; (iii) participation in the development of a comprehensive individual service or treatment plan; (iv) referral to and linkage with needed services and supports; (v) monitoring to ensure the delivery of appropriate services and to determine individual progress in meeting goals and objectives; and (vi) advocacy to assist the person in obtaining all services for which he or she is eligible or entitled.

"Individual service or treatment plan" means a recorded assessment of the needs of a person with a disability, a description of the services recommended, the goals of each type of element of service, an anticipated timetable for the accomplishment of the goals, and a designation of the qualified professionals responsible for the implementation of the plan.

"Least restrictive environment" means an environment that represents the least departure from the normal patterns of living and that effectively meets the needs of the person receiving the service.

Section 15. Services. Services shall be provided in accordance with the individual service or treatment plan developed for an individual under this Section. The individual shall initially be screened for potential eligibility by the appropriate State agency and, if the individual is deemed probably eligible for a disability service or program, a comprehensive evaluation of the individual shall be conducted to determine the services and programs appropriate for that individual. The array of available services shall be described in the Disabilities Services Implementation Plan required under this Act and may include, but need not be limited to:

(1) Comprehensive evaluation and diagnosis. A person with a suspected disability who is applying for Department-authorized disability services must receive, after an initial screening and a determination of probable eligibility for a disability service or program, a comprehensive diagnosis and evaluation, including an assessment of skills, abilities, and potential for residential and work placement, adapted to his or her primary language, cultural background, and ethnic origin. All components of a comprehensive evaluation must be administered by a qualified professional, as defined by rule.

(2) Individual service or treatment plan. A person with a disability shall receive services in accordance with a current individual service or treatment plan. A person with a disability who is receiving services shall be provided periodic reevaluation and review of the individual service or treatment plan, at least annually, in order to measure progress, to modify or change objectives if necessary, and to provide guidance and remediation techniques.

A person with a disability and his or her guardian have the right to participate in the planning and decision-making process regarding the person's individual service or treatment plan and to be informed in writing, or in that person's mode of communication, of progress at reasonable time intervals. Each person must be given the opportunity to make decisions and exercise options regarding the plan, consistent with the person's capabilities. Family members and other representatives of the person with a disability must be allowed, encouraged, and supported to participate as well, if the person with a disability consents to that participation.

(3) Nondiscriminatory access to services. A person with a disability may not be denied program services because of sex, ethnic origin, marital status, ability to pay (except where contrary to law), or

criminal record. Specific program eligibility requirements with regard to disability, level of need, age, and other matters may be established by the Department by rule. The Department may set priorities for the provision of services and for determining the need and eligibility for services in accordance with available funding.

(4) Family or individual support. A person with a disability must be provided family or individual support services, or both, whenever possible and appropriate, to prevent unnecessary out-of-home placement and to foster independent living skills when authorized for such services.

(5) Residential choices and options. A person with a disability who requires residential placement in a supervised or supported setting must be provided choices among various residential options when authorized for those services. The placement must be offered in the least restrictive environment appropriate to the individual.

(6) Education. A person with a disability has the right to a free, appropriate public education as provided in both State and federal law. Each local educational agency must prepare persons with disabilities for adult living. In anticipation of adulthood, each person with a disability has the right to a transition plan developed and ready for implementation before the person's exit by no later than the school year in which the person reaches age 14, consistent with the requirements of the federal Individuals with Disabilities Education Act and Article XIV of the School Code.

(7) Vocational training. A person with a disability must be provided vocational training, when appropriate, that contributes to the person's independence and employment potential. This training should include strategies and activities in programs that lead to employment and reemployment in the least restrictive environment appropriate to the individual.

(8) Employment. A person with a disability has the right to be employed free from discrimination, pursuant to the Constitution and laws of this State.

(9) Independent service coordination. A person with a developmental disability who is receiving direct services from the Department must be provided independent service coordination when needed.

(10) Mental health supports. Individuals with a disability must be provided needed mental health supports such as psychological rehabilitation, psychiatric and medication coverage, day treatment, care management, and crisis services.

(11) Due process. A person with a disability retains the rights of citizenship. Any person aggrieved by a decision of a department regarding services provided under this Act must be given an opportunity to present complaints at a due process hearing before an impartial hearing officer designated by the director of that department. Any person aggrieved by a final administrative decision rendered following the due process hearing may seek judicial review of that decision pursuant to the Administrative Review Law. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure. Attorney's fees and costs may be awarded to a prevailing complainant in any due process hearing or action for judicial review under this Act.

The right to a hearing under this item (11) is in addition to any other rights under federal, State, or local laws, however nothing in this Section shall be construed as requiring the establishment of a new due process hearing procedure if one already exists for a particular service or program.

Section 20. Implementation.

(a) The Governor shall appoint an advisory committee to assist in the development and implementation of a Disabilities Services Implementation Plan that will ensure compliance by the State of Illinois with the Americans with Disabilities Act and the decision in *Olmstead v. L.C.*, 119 S.Ct. 2176 (1999). The advisory committee shall be known as the Illinois Disabilities Services Advisory Committee and shall be composed of no more than 33 members, including: persons who have a physical disability, a developmental disability, or a mental illness; senior citizens; advocates for persons with physical disabilities; advocates for persons with developmental disabilities; advocates for persons with mental illness; advocates for senior citizens; representatives of providers of services to persons with physical disabilities, developmental disabilities, and mental illness; representatives of providers of services to senior citizens; and representatives of organized labor.

The contribution shall be further reduced at the rate of 25% of the contribution (as reduced for service after June 30, 1998) for each year of the member's total creditable service in excess of 34 years. The contribution shall not in any event exceed 20% of that salary rate.

The member shall pay to the System the amount of the contribution as calculated at the time of application under this Section. The amount of the contribution determined under this subsection shall be recalculated at the time of retirement, and if the System determines that the amount paid by the member exceeds the recalculated amount, the System shall refund the difference to the member with regular interest from the date of payment to the date of refund.

The contribution required by this subsection shall be paid in one of the following ways or in a combination of the following ways that does not extend over more than 5 years:

- (i) in a lump sum on or before the date of retirement;
- (ii) in substantially equal installments over a period of time not to exceed 5 years, as a deduction from salary in accordance with subsection (b) of Section 16-154;
- (iii) ~~if the member becomes an annuitant before June 30, 2003,~~ in substantially equal monthly installments over a 24-month period, by reducing the annuitant's monthly benefit over a 24-month period by the amount of the otherwise applicable contribution. For federal and Illinois tax purposes, the monthly amount by which the annuitant's benefit is reduced shall not be treated as a contribution by the annuitant, but rather as a reduction of the annuitant's monthly benefit.

(c) If the member fails to make the full contribution under this Section in a timely fashion, the payments made under this Section shall be refunded to the member, without interest. If the member dies before making the full contribution, the payments made under this Section, together with regular interest thereon, shall be refunded to the member's designated beneficiary for benefits under Section 16-138.

(d) For purposes of this Section and subdivision (a)(B)(1) of Section 16-133, optional creditable service established by a member shall be deemed to have been earned at the time of the employment or other qualifying event upon which the service is based, rather than at the time the credit was established in this System.

(e) The contributions required under this Section are the responsibility of the teacher and not the teacher's employer. However, an employer of teachers may, after the effective date of this amendatory Act of 1998, specifically agree, through collective bargaining or otherwise, to make the contributions required by this Section on behalf of those teachers.

(f) A person who, on or after July 1, 1998 and before June 4, 1999, began receiving a retirement annuity calculated at the augmented rate may apply in writing to have the annuity recalculated to reflect the changes to this Section and Section 16-133 that were enacted in Public Act 91-17. The amount of any resulting decrease in the optional contribution shall be refunded to the annuitant, without interest. Any resulting increase in retirement annuity shall take effect on the next annuity payment date following the date of application under this subsection.

(40 ILCS 5/16-133.2) (from Ch. 108 1/2, par. 16-133.2)

Sec. 16-133.2. Early retirement without discount. A member retiring after June 1, 1980 and on or before June 30, 2005, and applying for a retirement annuity within 6 months of the last day of teaching for which retirement contributions were required, may elect at the time of application for a retirement annuity, to make a one time member contribution to the System and thereby avoid the reduction in the retirement annuity for retirement before age 60 specified in paragraph (B) of Section 16-133. The exercise of the election shall also obligate the last employer to make a one time non-refundable contribution to the System. Substitute teachers wishing to exercise this election must teach 85 or more days in one school term with one employer, who shall be deemed the last employer for purposes of this Section. The last day of teaching with that employer must be within 6 months of the date of application for retirement. All substitute teaching credit applied toward the required 85 days must be earned after June 30, 1990.

The one time member and employer contributions shall be a percentage of the retiring member's highest annual salary rate used in the determination of the average salary for retirement annuity purposes. However, when determining the one-time member and employer contributions, that part of a member's salary with the same employer which exceeds the annual salary rate for the preceding year by more than 20% shall be excluded. The member contribution shall be at the rate of 7% for the lesser of the following 2 periods: (1) for each year that the member is less than age 60; or (2) for each year that the member's creditable service is less than 35 years. If a member is at least age 55 and has at least 34 years of creditable service, no member or employer contribution for the early retirement option shall be required. The employer contribution shall be at the rate of 20% for each year the member is under age 60.

Upon receipt of the application and election, the System shall determine the one time employee and employer contributions required. The member contribution shall be credited to the individual account of the member and the employer contribution shall be credited to the Benefit Trust Reserve ~~Employer's Contribution Reserve~~. The provisions of this Section shall not be applicable until the member's contribution, if any, has been received by the System; however, the date such contributions are received shall not be considered in determining the effective date of retirement.

The number of members working for a single employer who may retire under this Section in any year may be limited at the option of the employer to a specified percentage of those eligible, not less than 30%, with the right to participate to be allocated among those applying on the basis of seniority in the service of the employer.

(40 ILCS 5/16-149.2) (from Ch. 108 1/2, par. 16-149.2)

Sec. 16-149.2. Disability retirement annuity.

(a) A member whose disability benefit has been terminated under the provisions of Section 16-149 may be retired on a disability retirement annuity payable effective the day following such termination provided the member remains disabled under the standard of disability provided in Section 16-149.

The disability retirement annuity shall be payable upon receipt of written certificates from at least 2 licensed physicians designated by the System verifying the continuation of the disability condition. A disability retirement annuity shall not be paid during any period for which the member receives benefits under Section 16-133, Section 16-149, or Section 16-149.1 or has a right to receive a salary as a teacher, or is employed in any capacity as a teacher by the employers included under this System or in an equivalent capacity in any other public or private school, college or university.

(b) The disability retirement annuity shall be equal to the larger of: (1) 35% of the most recent annual contract salary rate or for part-time and substitute members after June 30, 1990, the most recent annualized salary rate; or (2) if disability commences prior to the member's attainment of age 55, the amount computed in accordance with Section 16-133, provided the amount computed under paragraph (B) of Section 16-133 shall be reduced by 1/2 of 1% for each month that the member is less than age 55; or (3) if disability commences after the member's attainment of age 55, and the member is not receiving a retirement annuity under Section 16-133, the amount computed in accordance with Section 16-133.

Prior to July 1, 1990, if the most recent period of service of any member eligible to receive a disability retirement annuity was rendered on a less than full-time but not less than half-time basis, the amount of the disability retirement annuity payable shall be computed on the basis of the salary received by such member for the member's last year of service on a full-time basis if such salary was greater than the member's most recent salary.

(c) If an annuitant receiving a disability retirement annuity under this Section is engaged in or able to engage in gainful employment paying more than the difference between the disability retirement annuity and the salary rate upon which the disability benefit is based, with no salary to be considered less than the minimum prescribed in Section 24-8 of the School Code, the disability retirement annuity shall be reduced to an amount which together with the amount earned by the annuitant, equals the salary rate upon which the disability benefit is based. However, for the purposes of this subsection (c) only, the salary rate upon which the benefit is based shall be deemed to increase by 15% on the tenth anniversary of the commencement of the annuity.

Once each year during the first 5 years following retirement on a disability retirement annuity, and once in every 3-year period thereafter, the System may require an annuitant to undergo a medical examination, by a physician or physicians designated by the System. If the annuitant refuses to submit to such medical examination, the annuity shall be discontinued until such time as the annuitant consents to the examination, and if refusal continues for one year, all the rights to the annuity shall be revoked.

(d) If an annuitant in receipt of a disability retirement annuity returns to active service as a teacher or is

no longer disabled, such annuity shall cease and the annuitant shall again become a member of the Retirement System and, if in active service as a teacher, shall make regular contributions. ~~The remaining accumulated contributions shall be transferred to the Members' Contribution Reserve from the Employer's Contribution Reserve.~~ All service for which the annuitant had credit on the date of disability shall be properly reestablished.

An annuitant in receipt of a disability retirement annuity who returns to active service as a teacher and who again becomes disabled shall not be entitled to a recomputation of the disability retirement annuity based on amendments enacted while the annuitant was in receipt of the annuity unless at least one year of creditable service is rendered after the latest re-entry into service.

(e) An annuitant in receipt of a disability retirement annuity may, upon reaching retirement age as specified in Section 16-132, apply for a retirement annuity which is to be calculated as specified in Section 16-133. The disability retirement annuity shall be discontinued upon commencement of the retirement annuity.

(f) The board shall prescribe rules governing the filing, investigation, control, and supervision of disability retirement claims. The rules shall include specific standards to be used when requesting additional medical examinations, hospital records or other data necessary for determining the employment capacity and condition of the annuitant. Costs incurred by a claimant in connection with completing a claim for disability benefits shall be paid by the claimant.

The changes to this Section made by this amendatory Act of 1991 shall apply not only to persons who on or after its effective date are in service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that date.

(40 ILCS 5/16-150) (from Ch. 108 1/2, par. 16-150)

Sec. 16-150. Re-entry. If an annuitant under this System is again employed as a teacher for an aggregate period exceeding that permitted by Section 16-118, his or her retirement annuity shall be terminated and the annuitant shall thereupon be regarded as an active member. ~~The annuitant's remaining accumulated contributions shall be transferred to the Members' Contribution Reserve from the Employer's Contribution Reserve.~~

Such annuitant is not entitled to a recomputation of his or her retirement annuity unless at least one full year of creditable service is rendered after the latest re-entry into service and the annuitant must have rendered at least 3 years of creditable service after last re-entry into service to qualify for a recomputation of the retirement annuity based on amendments enacted while in receipt of a retirement annuity, except when retirement was due to disability.

However, regardless of age, an annuitant in receipt of a retirement annuity may be given temporary employment by a school board not exceeding that permitted under Section 16-118 and continue to receive the retirement annuity.

Unless retirement was necessitated by disability, a retirement shall be considered cancelled and the retirement allowance must be repaid in full if the annuitant is employed as a teacher within the school year during which service was terminated.

An annuitant's retirement which does not include a period of at least one full and complete school year shall be considered cancelled and the retirement annuity must be repaid in full unless such retirement was necessitated by disability.

(40 ILCS 5/16-151) (from Ch. 108 1/2, par. 16-151)

Sec. 16-151. Refund. Upon termination of employment as a teacher for any cause other than death or retirement, a member shall be paid the following amount upon demand made at least 4 months after ceasing to teach:

(1) from the ~~Benefit Trust Reserve~~ Members' Contribution Reserve, the actual total contributions paid by or on behalf of the member for membership service which have not been previously refunded and which are then credited to the member's individual account in the ~~Benefit Trust Reserve~~ Members' Contribution Reserve, without interest thereon, and

(2) from the ~~Benefit Trust Reserve~~ Employer's Contribution Reserve, the actual contributions not previously refunded, paid by or on behalf of the member for prior service and towards the cost of the automatic annual increase in retirement annuity as provided under Section 16-152, without interest thereon.

Any such amounts may be paid to the member either in one sum or, at the election of the board, in 4

quarterly payments.

Contributions credited to a member for periods of disability as provided in Sections 16-149 and 16-149.1 are not refundable.

Upon acceptance of a refund, all accrued rights and credits in the System are forfeited and may be reinstated only if the refund is repaid together with interest from the date of the refund to the date of repayment at the following rates compounded annually: for periods prior to July 1, 1965, regular interest; for periods from July 1, 1965 to June 30, 1977, 4% per year; for periods on and after July 1, 1977, regular interest. Repayment shall be permitted upon return to membership; however, service credit previously forfeited by a refund and subsequently reinstated may not be used as a basis for the payment of benefits, other than a refund of contributions, prior to the completion of one year of creditable service following the refund, except when repayment is permitted under the provisions of the "Retirement Systems Reciprocal Act" contained in Article 20.

Representative Smith offered the following amendment and moved its adoption.

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 1754 on page 19, immediately below line 8, by inserting the following:

"Section 900. The Prevailing Wage Act is amended by changing Sections 2 and 4 as follows:
(820 ILCS 130/2) (from Ch. 48, par. 39s-2)

Sec. 2. This Act applies to the wages of laborers, mechanics and other workers employed in any public works, as hereinafter defined, by any public body and to anyone under contracts for public works.

As used in this Act, unless the context indicates otherwise:

"Public works" means all fixed works constructed for public use by any public body, other than work done directly by any public utility company, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" as defined herein includes all projects financed in whole or in part with bonds issued under the Industrial Project Revenue Bond Act (Article 11, Division 74 of the Illinois Municipal Code), the Industrial Building Revenue Bond Act, the Illinois Development Finance Authority Act, the Illinois Sports Facilities Authority Act, or the Build Illinois Bond Act, and all projects financed in whole or in part with loans or other funds made available pursuant to the Build Illinois Act. "Public works" shall also include all projects financed in whole or in part with bonds, loans, or other financial aid authorized under the Western Illinois Economic Development Authority Act.

"Construction" means all work on public works involving laborers, workers or mechanics.

"Locality" means the county where the physical work upon public works is performed, except (1) that if there is not available in the county a sufficient number of competent skilled laborers, workers and mechanics to construct the public works efficiently and properly, "locality" includes any other county nearest the one in which the work or construction is to be performed and from which such persons may be obtained in sufficient numbers to perform the work and (2) that, with respect to contracts for highway work with the Department of Transportation of this State, "locality" may at the discretion of the Secretary of the Department of Transportation be construed to include two or more adjacent counties from which workers may be accessible for work on such construction.

"Public body" means the State or any officer, board or commission of the State or any political subdivision or department thereof, or any institution supported in whole or in part by public funds, ~~authorized by law to construct public works or to enter into any contract for the construction of public~~

works, and includes every county, city, town, village, township, school district, irrigation, utility, reclamation improvement or other district and every other political subdivision, district or municipality of the state whether such political subdivision, municipality or district operates under a special charter or not.

The terms "general prevailing rate of hourly wages", "general prevailing rate of wages" or "prevailing rate of wages" when used in this Act mean the hourly cash wages plus fringe benefits for training and apprenticeship programs approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training, health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works. (820 ILCS 130/4) (from Ch. 48, par. 39s-4)

Sec. 4. The public body awarding any contract for public work or otherwise undertaking any public works, shall ascertain the general prevailing rate of hourly wages in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract, and where the public body performs the work without letting a contract therefor, shall ascertain the prevailing rate of wages on a per hour basis in the locality, and such public body shall specify in the resolution or ordinance and in the call for bids for the contract, that the general prevailing rate of wages in the locality for each craft or type of worker or mechanic needed to execute the contract or perform such work, also the general prevailing rate for legal holiday and overtime work, as ascertained by the public body or by the Department of Labor shall be paid for each craft or type of worker needed to execute the contract or to perform such work, and it shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, and where the public body performs the work, upon the public body, to pay not less than the specified rates to all laborers, workers and mechanics employed by them in the execution of the contract or such work; provided, however, that if the public body desires that the Department of Labor ascertain the prevailing rate of wages, it shall notify the Department of Labor to ascertain the general prevailing rate of hourly wages for work under contract, or for work performed by a public body without letting a contract as required in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. Upon such notification the Department of Labor shall ascertain such general prevailing rate of wages, and certify the prevailing wage to such public body. The public body awarding the contract shall cause to be inserted in the contract a stipulation to the effect that not less than the prevailing rate of wages as found by the public body or Department of Labor or determined by the court on review shall be paid to all laborers, workers and mechanics performing work under the contract. It shall also require in all such contractor's bonds that the contractor include such provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract. All bid specifications shall list the specified rates to all laborers, workers and mechanics in the locality for each craft or type of worker or mechanic needed to execute the contract. If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body, the revised rate shall apply to such contract, and the public body shall be responsible to notify the contractor and each subcontractor, of the revised rate. Two or more investigatory hearings under this Section on the issue of establishing a new prevailing wage classification for a particular craft or type of worker shall be consolidated in a single hearing before the Department. Such consolidation shall occur whether each separate investigatory hearing is conducted by a public body or the Department. The party requesting a consolidated investigatory hearing shall have the burden of establishing that there is no existing prevailing wage classification for the particular craft or type of worker in any of the localities under consideration.

It shall be mandatory upon the contractor or construction manager to whom a contract for public works is awarded to post, at a location on the project site of the public works that is easily accessible to the workers engaged on the project, the prevailing wage rates for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. A failure to post a prevailing wage rate as required by this Section is a violation of this Act. (Source: P.A. 92-783, eff. 8-6-02.)"

AMENDMENT NO. 2

AMENDMENT NO. 2. Amend Senate Bill 947, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Firearm Owners Identification Card Act is amended by adding Section 3.5 as follows:

(430 ILCS 65/3.5 new)

Sec. 3.5. Private transfers of firearms by persons attending gun shows.

(a) To ensure that, prior to any sale or transfer of a firearm at a gun show in the State of Illinois, a background check is conducted on the transferor and the transferee of the firearm, the Department of State Police shall establish a system which shall be available for requests from individuals selling or transferring firearms at a gun show, other than a federally licensed firearms dealer, to conduct background checks under this system.

The Department of State Police shall utilize technology which allows the person to be charged a fee equivalent to the cost of providing the service. Fees collected by the Department of State Police shall be deposited in the State Police Services Fund and used to provide the service.

The Department of State Police shall establish a service of conducting background checks for individuals selling or transferring firearms at a gun show, other than a federally licensed firearm dealer. Gun show promoters and other interested parties shall access the background check system through a process established by the Department of State Police.

Upon receiving a request from an individual selling or transferring firearms at a gun show, other than a federally licensed firearm dealer, the Department of State Police shall provide, during the initial transferor inquiry, an approval, denial, or conditional denial of the transfer. The time period for the Department to respond shall begin at the time the inquiry is received. When the Department provides a conditional denial, the dealer shall not transfer the firearm until an approval is provided by the Department. However, if any approval or denial is not provided in accordance with the Brady Handgun Violence Prevention Act (Brady Act, 1993), Title 18 U.S. Code, Section 922(t) and in Section 24-3 of the Criminal Code of 1961, the transfer may proceed. Failure of the Department to provide an approval or denial within the prescribed length of times does not relieve the transferor from compliance with any other statutory restrictions on firearm transfers. Regardless of the requirements of this Section, transactions must comply with all State and federal firearm laws.

(b) Any person who is not a federally licensed firearm dealer and who desires to transfer or sell a firearm while that person is on the grounds of a gun show must, prior to the sale or transfer of the firearm:

(1) Request the Department of State Police to conduct a background check on the transferor and the prospective transferee of a firearm and shall provide the following information to the Department:

(A) A valid Firearm Owner's Identification Card number of the transferor and transferee. If there is not a valid Firearm Owner's Identification Card number, the following shall be provided:

- (i) Name.
- (ii) Date of Birth.
- (iii) Race.
- (iv) Sex.
- (v) State of residency.

(B) The telephone number of the transferor and transferee.

(C) The type of firearm (long gun or short gun).

(2) Receive an approval from the Department of State Police that, after a background check was conducted, nothing in the records accessed by the Department shall prohibit, based on State or federal law, the purchaser from purchasing or possessing a firearm.

(c) From the background check under this Section, the Department of State Police shall:

(1) Determine from records and other information available to it whether the recipient is disqualified under State or federal laws from completing the transfer or is otherwise prohibited by State or federal law from purchasing or possessing a firearm; and

(2) Notify the transferor when a recipient is disqualified from completing the transfer or provide the transferor with a unique approval number indicating that the recipient is qualified to complete the transfer. The unique approval number is a permit valid for 30 days for the requested transfer. If the firearm is not transferred from the transfer to the recipient within 30 days after receipt of the unique approval number, a new request must be made by the transferor.

(d) The Department of State Police shall provide, during the initial transferor inquiry, an approval, denial, or conditional denial of the transfer. The time period for the Department to respond shall begin at the time the inquiry is received. When the Department provides a conditional denial, the transferor shall not transfer the firearm until an approval is provided by the Department. However, if any approval or denial is not provided in accordance with the Brady Handgun Violence Prevention Act (Brady Act, 1993), Title 18 U.S. Code, Section 922(t) or in Section 24-3 of the Criminal Code of 1961, the transfer may proceed. Failure of the Department to provide an approval or denial within the prescribed length of times does not relieve the transferor from compliance with any other statutory restrictions on firearm transfers. Regardless of the requirements of this Section, transactions must comply with all State and federal firearm laws.

(e) A public employee or public agency incurs no criminal or civil liability for performing the background checks required by this Section, provided the employee or agency acts in good faith without malice.

(f) A transferor other than a gun dealer may not transfer a firearm at a gun show unless the transferor:

- (1) Requests a background check under this Section prior to completing the transfer;
- (2) Receives notification that the recipient is qualified to complete the transfer;
- (3) Has complied with Section 24-3 of the Criminal Code of 1961; and
- (4) Has the recipient complete the form described in this Section.

(g) The transferor shall retain the completed form referred to in subsection (h) of this Section for at least 10 years and shall make the completed form available to law enforcement agencies for the purpose of criminal investigations. A gun show promoter shall post in a prominent place at the gun show a notice explaining the requirements of this Section. The gun show promoter shall provide the form required by subsection (h) of this Section to any person transferring a firearm at the gun show.

(h) The Department of State Police shall develop a form to be completed by a person seeking to obtain a firearm at a gun show from a transferor other than a gun show dealer. The Department shall consider including in the form all of the requirements for disclosure of information that are required by federal law for over-the-counter firearms transactions.

(i) Failure to comply with the requirement of this Section is a Class A misdemeanor. Failure to comply with the requirements of this Section is a Class 2 felony if the person has 2 or more previous convictions under this Section.

(j) In this Section:

"Gun show" means the entire premises provided for an event or function, including but not limited to parking areas for the event or function, that is sponsored to facilitate, in whole or in part, the purchase, sale, offer for sale, or collection of firearms at which:

- (1) 25 or more firearms are offered or exhibited for sale, transfer, or exchange; or

(2) not less than 3 gun show vendors exhibit, sell, offer for sale, transfer, or exchange firearms.
"Gun show promoter" means a person who organizes or operates a gun show.
"Gun show vendor" means any person who exhibits, sells, offers for sale, transfers, or exchanges any firearms at a gun show, regardless of whether the person arranges with a gun show promoter for a fixed location from which to exhibit, sell, offer for sale, transfer, or exchange any firearm.
(k) The Department of State Police shall adopt rules to carry out the provisions of this Section."

All counties, townships, census tracts, block groups, and blocks are those that appear on maps published by the United States Bureau of the Census for the 2000 census. The term "tract" means census tract. Trustee districts created by this subsection (d) for the purpose of electing board members shall not be altered by operation of any other statute, ordinance, or resolution. Any part of the community college district that has not been described as included in one of the trustee districts described in this subsection (d) is included within the trustee district that (i) is contiguous to the part and (ii) contains the least population of all trustee districts contiguous to the part according to the 2000 decennial census of Illinois. If any part of the community college district is described in this subsection (d) as being in more than one trustee district, the part is included within the trustee district that (i) is one of the trustee districts in which that part is listed in this subsection (d), (ii) is contiguous to that part, and (iii) contains the least population according to the 2000 decennial census of Illinois. If any part of the community college district (i) is described in this subsection (d) as being in one trustee district and (ii) is entirely surrounded by another trustee district, then the part shall be incorporated into the trustee district that surrounds the part. If any part of the community college district (i) is described in this subsection (d) as being in one trustee district and (ii) is not contiguous to another part of that trustee district, then the part is included within the contiguous trustee district that contains the least population according to the 2000 decennial census of Illinois. The Speaker of the House, the Minority Leader of the House, the President of the Senate, and the Minority Leader of the Senate shall by joint letter of transmittal present to the Secretary of State for deposit into the State Archives an official set of United States Bureau of the Census maps and descriptions used for conducting the 2000 census, and those maps shall serve as the official record of all counties, townships, census tracts, block groups, and blocks referred to in this subsection (d). The State Board of Elections shall prepare and make available to the public a metes and bounds description of the trustee districts created under this subsection (d).

For each at-large seat on the board that is to be filled by election in 2005 or 2007, the seat shall be filled by a trustee elected from a trustee district. The State Board shall determine which trustee district seat is to replace which at-large seat by lot. The term of each trustee elected at the 2005 or 2007 consolidated election shall end on the date that the trustees elected in 2009 are officially determined by a canvass conducted pursuant to the Election Code. For the 2009 consolidated election, one trustee shall be elected from each trustee district to serve a 4-year term.

At least one year prior to the 2013 consolidated election, the board shall meet to, publicly by lot, divide the trustee districts as equally as possible into 3 groups. Beginning with the 2013 consolidated election and

the consolidated election every 10 years thereafter, trustees or their successors from the first group shall be elected for successive terms of 2 years, 4 years, and 4 years; trustees or their successors from the second group shall be elected for successive terms of 4 years, 2 years, and 4 years; and trustees or their successors from the third group shall be elected for successive terms of 4 years, 4 years, and 2 years.

(e) Each member must on the date of his election be a citizen of the United States, of the age of 18 years or over, and a resident of the State and the territory which on the date of the election is included in the community college district for at least one year immediately preceding his election. In Community College District No. 526, each member elected at the consolidated election in 2005 or thereafter must also be a resident of the trustee district he or she represents for at least one year immediately preceding his or her election, except that in the first consolidated election for each trustee district following reapportionment by the General Assembly, a candidate for the board may be elected from any trustee district that contains a part of the trustee district in which he or she resided at the time of the reapportionment and may be reelected if a resident of the new trustee district he or she represents for one year prior to reelection. In the event a person who is a member of a common school board is elected or appointed to a board of trustees of a community college district, that person shall be permitted to serve the remainder of his or her term of office as a member of the common school board. Upon the expiration of the common school board term, that person shall not be eligible for election or appointment to a common school board during the term of office with the community college district board of trustees.

(f) Whenever a vacancy occurs, the remaining members shall fill the vacancy, and the person so appointed shall serve until a successor is elected at the next regular election for board members and is certified in accordance with Sections 22-17 and 22-18 of the Election Code. If the remaining members fail so to act within 60 days after the vacancy occurs, the chairman of the State Board shall fill that vacancy, and the person so appointed shall serve until a successor is elected at the next regular election for board members and is certified in accordance with Sections 22-17 and 22-18 of the Election Code. The person appointed to fill the vacancy shall have the same residential qualifications as his predecessor in office was required to have. In either instance, if the vacancy occurs with less than 4 months remaining before the next scheduled consolidated election, and the term of office of the board member vacating the position is not scheduled to expire at that election, then the term of the person so appointed shall extend through that election and until the succeeding consolidated election. If the term of office of the board member vacating the position is scheduled to expire at the upcoming consolidated election, the appointed member shall serve only until a successor is elected and qualified at that election.

(g) Members of the board shall serve without compensation but shall be reimbursed for their reasonable expenses incurred in connection with their service as members. Compensation, for purposes of this Section, means any salary or other benefits not expressly authorized by this Act to be provided or paid to, for or on behalf of members of the board. The board of each community college district may adopt a policy providing for the issuance of bank credit cards, for use by any board member who requests the same in writing and agrees to use the card only for the reasonable expenses which he or she incurs in connection with his or her service as a board member. Expenses charged to such credit cards shall be accounted for separately and shall be submitted to the chief financial officer of the district for review prior to being reported to the board at its next regular meeting.

(h) Except in an election of the initial board for a new community college district created pursuant to Section 6-6.1, the ballot for the election of members of the board for a community college district shall indicate the length of term for each office to be filled. In the election of a board for any community college district, the ballot shall not contain any political party designation.

SENATE BILLS ON SECOND READING

SENATE BILL 173. Having been printed, was taken up and read by title a second time.

The following amendments were offered in the Committee on Transportation & Motor Vehicles, adopted and printed:

AMENDMENT NO. 1

AMENDMENT NO. 1____. Amend Senate Bill 173 on page 17, by replacing lines 22 through 33 with the following:

"(625 ILCS 5/11-208.5 new)

Sec. 11-208.5. Automated traffic law enforcement system.

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with:

(1) a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code or a similar provision of a local ordinance;

(2) a speed measuring device to produce recorded images of motor vehicles traveling at a prohibited rate of speed; or

(3) any other traffic control device designed to enhance highway safety.

An automated traffic law enforcement system is a system in a municipality or county operated by a governmental agency, in cooperation with a law enforcement agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a videotape showing the motor vehicle and, on at least one image or portion of tape, clearly identifying the registration plate number of the motor vehicle.

(c) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the local law enforcement agency having jurisdiction shall issue a written citation and a notice of the violation to the registered owner of the motor vehicle as the alleged violator. A violation of this Section shall result in the imposition of a civil penalty not exceeding \$250 upon the registered owner of the motor vehicle. The citation and notice shall be delivered to the registered owner of the motor vehicle, by mail, within 30 days of the violation.

The citation shall include:

(1) the name and address of the registered owner of the motor vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(8) a signed statement by a technician employed by the agency that, based on inspection of recorded images, the motor vehicle was being operated in violation of a automated traffic law enforcement system;

(9) a statement that recorded images are evidence of a violation of a traffic control device or posted rate of speed; and

(10) warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the motor vehicle.

(d) The citation issued to the registered owner of the motor vehicle shall be accompanied by a written notice, the contents of which is set forth in subsection (e) of this Section, explaining how the registered owner of the motor vehicle can elect to proceed by either paying the civil penalty or challenging the issuance of the citation.

(e) The written notice explaining the alleged violator's rights and obligations must include the following text:

"You have been served with the accompanying citation and cited with having violated Section 11-208.5 of the Illinois Vehicle Code. You can elect to proceed by:

1. paying the fine; or

2. challenging the issuance of the Citation in court."

(f) If a person charged with a traffic violation, as a result of an automated traffic law enforcement system, does not pay or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the motor vehicle under Section 6-306.5 of this Code for failing to pay any fine or penalty due and owing as a result of 5 violations of the automated traffic law enforcement system.

(g) Based on inspection of recorded images produced by an automated traffic law enforcement system, a citation or a copy of a citation alleging that the violation occurred and signed by a duly authorized agent of the agency shall be evidence of the facts contained in the citation or copy and admissible in any proceeding alleging a violation under this Section.

(h) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section. Any recorded image evidencing a violation of this Section,

however, is admissible in any proceeding resulting from the issuance of the citation when there is reasonable and sufficient proof of the accuracy of the camera or electronic instrument recording the image. There is a rebuttable presumption that the recorded image is accurate if the camera or electronic recording instrument was in good working order at the beginning and the end of the day of the alleged offense.

(i) The court may consider in defense of a violation:

(1) that the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;

(2) with respect to an alleged automated red light violation, that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues that the Court deems pertinent.

(j) To demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a police report concerning the stolen motor vehicle or registration plates was filed in a timely manner.

(k) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the registered owner of the motor vehicle is subject to a civil penalty not exceeding \$250 if the motor vehicle is recorded by an automated traffic law enforcement system. The registered owner of the motor vehicle shall be the alleged violator when any violation of a provision of this Code or a local ordinance is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the registered owner of the motor vehicle.

(l) A roadway or intersection equipped with an automated traffic law enforcement system must be posted with a sign visible to approaching traffic indicating that the roadway or intersection is being monitored by an automated traffic law enforcement system.

(m) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system."; and

SENATE BILL 955. Having been printed, was taken up and read by title a second time.
The following amendment was offered in the Committee on Executive, adopted and printed:

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 955 by replacing everything after the enacting clause

with the following:

"Section 5. The Election Code is amended by changing Section 7-8 as follows:

(10 ILCS 5/7-8) (from Ch. 46, par. 7-8)

Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee

(a) Within 30 days after the effective date of this amendatory Act of 1983 the State central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in March 1970, and at the primary held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any State convention of such party, determine to thereafter elect the State central committeemen in the manner following:

At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected State central committeeman for that congressional district.

The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for State central committeeman, and the female candidate receiving the highest number of votes of the party's female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative B must be selected

from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 30 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of 2,000,000 or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of 2,000,000 or more inhabitants, the ward and township committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of 2,000,000 or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action.

Ward, Township and Precinct Committeemen

(b) At the primary held on the third Tuesday in March, 1972, and every 4 years thereafter, each primary elector in cities having a population of 200,000 or over may vote for one candidate of his party in his ward for ward committeeman. Each candidate for ward committeeman must be a resident of and in the ward where he seeks to be elected ward committeeman. The one having the highest number of votes shall be such ward committeeman of such party for such ward. At the primary election held on the third Tuesday in March, 1970, and every 4 years thereafter, each primary elector in counties containing a population of 2,000,000 or more, outside of cities containing a population of 200,000 or more, may vote for one candidate of his party for township committeeman. Each candidate for township committeeman must be a resident of and in the township or part of a township (which lies outside of a city having a population of 200,000 or more, in counties containing a population of 2,000,000 or more), and in which township or part of a township he seeks to be elected township committeeman. The one having the highest number of votes shall be such township committeeman of such party for such township or part of a township. At the primary held on the third Tuesday in March, 1970 and every 2 years thereafter, each primary elector, except in counties having a population of 2,000,000 or over, may vote for one candidate of his party in his precinct for precinct committeeman. Each candidate for precinct committeeman must be a bona fide resident of the precinct where he seeks to be elected precinct committeeman. The one having the highest number of votes shall be such precinct committeeman of such party for such precinct. The official returns of the primary shall show the name of the committeeman of each political party. Notwithstanding any law to the contrary, a person is ineligible to become a candidate for ward or township committeeman in Cook County if he or she has been convicted of an infamous crime.

Terms of Committeemen. All precinct committeemen elected under the provisions of this Article shall continue as such committeemen until the date of the primary to be held in the second year after their election. Except as otherwise provided in this Section for certain State central committeemen who have 2 year terms, all State central committeemen, township committeemen and ward committeemen shall continue as such committeemen until the date of primary to be held in the fourth year after their election.

However, a vacancy exists in the office of precinct committeeman when a precinct committeeman ceases to reside in the precinct in which he was elected and such precinct committeeman shall thereafter neither have nor exercise any rights, powers or duties as committeeman in that precinct, even if a successor has not been elected or appointed.

(c) The Multi-Township Central Committee shall consist of the precinct committeemen of such party, in the multi-township assessing district formed pursuant to Section 2-10 of the Property Tax Code and shall be organized for the purposes set forth in Section 45-25 of the Township Code. In the organization and proceedings of the Multi-Township Central Committee each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected.

County Central Committee

(d) The county central committee of each political party in each county shall consist of the various township committeemen, precinct committeemen and ward committeemen, if any, of such party in the county. In the organization and proceedings of the county central committee, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected; each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election for the nomination of candidates for election to the General Assembly immediately preceding the meeting of the county central committee; and in the organization and proceedings of the county central committee, each ward committeeman shall have one vote for each ballot voted in his ward by the primary electors of his party at the primary election for the nomination of candidates for election to the General Assembly immediately preceding the meeting of the county central committee.

Congressional Committee

(e) The congressional committee of each party in each congressional district shall be composed of the chairmen of the county central committees of the counties composing the congressional district, except that in congressional districts wholly within the territorial limits of one county, or partly within 2 or more counties, but not coterminous with the county lines of all of such counties, the precinct committeemen, township committeemen and ward committeemen, if any, of the party representing the precincts within the limits of the congressional district, shall compose the congressional committee. A State central committeeman in each district shall be a member and the chairman or, when a district has 2 State central committeemen, a co-chairman of the congressional committee, but shall not have the right to vote except in case of a tie.

In the organization and proceedings of congressional committees composed of precinct committeemen or township committeemen or ward committeemen, or any combination thereof, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected, each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee, and each ward committeeman shall have one vote for each ballot voted in each precinct of his ward located in such congressional district by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee; and in the organization and proceedings of congressional committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee.

Judicial District Committee

(f) The judicial district committee of each political party in each judicial district shall be composed of the chairman of the county central committees of the counties composing the judicial district.

In the organization and proceedings of judicial district committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the judicial district committee.

Circuit Court Committee

(g) The circuit court committee of each political party in each judicial circuit outside Cook County shall be composed of the chairmen of the county central committees of the counties composing the judicial circuit.

In the organization and proceedings of circuit court committees, each chairman of a county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the

primary election immediately preceding the meeting of the circuit court committee.

Judicial Subcircuit Committee

(g-1) The judicial subcircuit committee of each political party in each judicial subcircuit in Cook County shall be composed of the ward and township committeemen of the townships and wards composing the judicial subcircuit.

In the organization and proceedings of each judicial subcircuit committee, each township committeeman shall have one vote for each ballot voted in his township or part of a township, as the case may be, in the judicial subcircuit by the primary electors of his party at the primary election immediately preceding the meeting of the judicial subcircuit committee; and each ward committeeman shall have one vote for each ballot voted in his ward or part of a ward, as the case may be, in the judicial subcircuit by the primary electors of his party at the primary election immediately preceding the meeting of the judicial subcircuit committee.

Municipal Central Committee

(h) The municipal central committee of each political party shall be composed of the precinct, township or ward committeemen, as the case may be, of such party representing the precincts or wards, embraced in such city, incorporated town or village. The voting strength of each precinct, township or ward committeeman on the municipal central committee shall be the same as his voting strength on the county central committee.

For political parties, other than a statewide political party, established only within a municipality or township, the municipal or township managing committee shall be composed of the party officers of the local established party. The party officers of a local established party shall be as follows: the chairman and secretary of the caucus for those municipalities and townships authorized by statute to nominate candidates by caucus shall serve as party officers for the purpose of filling vacancies in nomination under Section 7-61; for municipalities and townships authorized by statute or ordinance to nominate candidates by petition and primary election, the party officers shall be the party's candidates who are nominated at the primary. If no party primary was held because of the provisions of Section 7-5, vacancies in nomination shall be filled by the party's remaining candidates who shall serve as the party's officers.

Powers

(i) Each committee and its officers shall have the powers usually exercised by such committees and by the officers thereof, not inconsistent with the provisions of this Article. The several committees herein provided for shall not have power to delegate any of their powers, or functions to any other person, officer or committee, but this shall not be construed to prevent a committee from appointing from its own membership proper and necessary subcommittees.

(j) The State central committee of a political party which elects its members by Alternative B under paragraph (a) of this Section shall adopt a plan to give effect to the delegate selection rules of the national political party and file a copy of such plan with the State Board of Elections when approved by a national political party.

(k) For the purpose of the designation of a proxy by a Congressional Committee to vote in place of an absent State central committeeman or committeewoman at meetings of the State central committee of a political party which elects its members by Alternative B under paragraph (a) of this Section, the proxy shall be appointed by the vote of the ward and township committeemen, if any, of the wards and townships which lie entirely or partially within the Congressional District from which the absent State central committeeman or committeewoman was elected and the vote of the chairmen of the county central committees of those counties which lie entirely or partially within that Congressional District and in which there are no ward or township committeemen. When voting for such proxy the county chairman, ward committeeman or township committeeman, as the case may be shall have one vote for each ballot voted in his county, ward or township, or portion thereof within the Congressional District, by the primary electors of his party at the primary at which he was elected. However, the absent State central committeeman or committeewoman may designate a proxy when permitted by the rules of a political party which elects its members by Alternative B under paragraph (a) of this Section. Sec. 40. Remedial action account. (a) The remedial action account is established to provide reimbursement to eligible claimants for drycleaning solvent investigation, remedial action planning, and remedial action activities for existing drycleaning solvent contamination discovered at their drycleaning facilities.

(b) The following persons are eligible for reimbursement from the remedial action account:

(1) In the case of claimant who is the owner or operator of an active drycleaning facility licensed by the Council under this Act at the time of application for remedial action benefits afforded under the Fund, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from that drycleaning facility, subject to any other limitations under this Act.

(2) In the case of a claimant who is the owner of an inactive drycleaning facility and was the owner

or operator of the drycleaning facility when it was an active drycleaning facility, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from the drycleaning facility, subject to any other limitations under this Act.

(c) An eligible claimant requesting reimbursement from the remedial action account shall meet all of the following:

(C) That every drycleaning facility:

(I) install a containment dike or other containment structure around each machine, ~~or~~ item of equipment, ~~or the entire~~ drycleaning area, and portable waste container in which any drycleaning solvent is utilized, which shall be capable of containing ~~leaks, spills, or releases~~ any leak, spill, or release of drycleaning solvent from that machine, item, ~~or~~ area, or container. The containment dike or other containment structure shall be capable of at least the following: (i) containing a capacity of 110% of the drycleaning solvent in the largest tank or vessel within the machine; (ii) containing 100% of the drycleaning solvent of each item of equipment or drycleaning area; and (iii) containing 100% of the drycleaning solvent of the largest portable waste container or at least 10% of the total volume of the portable waste containers stored within the containment dike or structure, whichever is greater.

Petroleum underground storage tank systems that are upgraded in accordance with USEPA upgrade standards pursuant to 40 CFR Part 280 for the tanks and related piping systems and use a leak detection system approved by the USEPA or IEPA are exempt from this secondary containment requirement; and

(II) seal or otherwise render impervious those portions of diked floor surfaces on which a drycleaning solvent may leak, spill, or otherwise be released.

(D) A requirement that all drycleaning solvent shall be delivered to drycleaning facilities by means of closed, direct-coupled delivery systems.

(6) An active drycleaning facility has maintained continuous financial assurance for environmental liability coverage in the amount of at least \$500,000 at least since the date of award of benefits under this Section or July 1, 2000, whichever is earlier. An uninsured drycleaning facility that has filed an application for insurance with the Fund by January 1, 2004, obtained insurance through that application, and maintained that insurance coverage continuously shall be considered to have conformed with the requirements of this subdivision (6). To conform with this requirement the applicant must pay the equivalent of the total premiums due for the period beginning June 30, 2000 through the date of application plus a 20% penalty of the total premiums due for that period.

(7) The release was discovered on or after July 1, 1997 and before July 1, ~~2006~~ 2004.

(d) A claimant shall submit a completed application form provided by the Council. The application shall contain documentation of activities, plans, and expenditures associated with the eligible costs incurred in response to a release of drycleaning solvent from a drycleaning facility. Application for remedial action account benefits must be submitted to the Council on or before June 30, ~~2005~~ 2004.

(e) Claimants shall be subject to the following deductible requirements, unless modified pursuant to the Council's authority under Section 75:

(1) An eligible claimant submitting a claim for an active drycleaning facility is responsible for the first \$5,000 of eligible investigation costs and for the first \$10,000 of eligible remedial action costs incurred in connection with the release from the drycleaning facility and is only eligible for

reimbursement for costs that exceed those amounts, subject to any other limitations of this Act.

(2) An eligible claimant submitting a claim for an inactive drycleaning facility is responsible for the first \$10,000 of eligible investigation costs and for the first \$10,000 of eligible remedial action costs incurred in connection with the release from that drycleaning facility, and is only eligible for reimbursement for costs that exceed those amounts, subject to any other limitations of this Act.

(f) Claimants are subject to the following limitations on reimbursement:

(1) Subsequent to meeting the deductible requirements of subsection (e), and pursuant to the requirements of Section 75, reimbursement shall not exceed \$300,000 per active drycleaning facility and \$50,000 per inactive drycleaning facility:-

~~(A) \$160,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 1999;~~

~~(B) \$150,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2000;~~

~~(C) \$140,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2001;~~

~~(D) \$130,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2002;~~

~~(E) \$120,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2003; or~~

~~(F) \$50,000 per inactive drycleaning facility.~~

(2) A contract in which one of the parties to the contract is a claimant, for goods or services that may be payable or reimbursable from the Council, is void and unenforceable unless and until the Council has found that the contract terms are within the range of usual and customary rates for similar or equivalent goods or services within this State and has found that the goods or services are necessary for the claimant to comply with Council standards or other applicable regulatory standards.

(3) A claimant may appoint the Council as an agent for the purposes of negotiating contracts with suppliers of goods or services reimbursable by the Fund. The Council may select another contractor for goods or services other than the one offered by the claimant if the scope of the proposed work or actual work of the claimant's offered contractor does not reflect the quality of workmanship required or if the costs are determined to be excessive, as determined by the Council.

(4) The Council may require a claimant to obtain and submit 3 bids and may require specific terms and conditions in a contract subject to approval.

(5) The Council may enter into a contract or an exclusive contract with the supplier of goods or services required by a claimant or class of claimants, in connection with an expense reimbursable from the Fund, for a specified good or service at a gross maximum price or fixed rate, and may limit reimbursement accordingly.

(6) Unless emergency conditions exist, a service provider shall obtain the Council's approval of the budget for the remediation work before commencing the work. No expense incurred that is above the budgeted amount shall be paid unless the Council approves the expense prior to its being incurred. All invoices and bills relating to the remediation work shall be submitted with appropriate documentation, as deemed necessary by the Council, not later than 30 days after the work has been performed.

(7) Neither the Council nor an eligible claimant is responsible for payment for costs incurred that have not been previously approved by the Council, unless an emergency exists.

(8) The Council may determine the usual and customary costs of each item for which reimbursement may be awarded under this Section. The Council may revise the usual and customary costs from time to time as necessary, but costs submitted for reimbursement shall be subject to the rates in effect at the time the costs were incurred.

(9) If a claimant has pollution liability insurance coverage other than coverage provided by the insurance account under this Act, that coverage shall be primary. Reimbursement from the remedial account shall be limited to the deductible amounts under the primary coverage and the amount that exceeds the policy limits of the primary coverage, subject to the deductible amounts of this Act. If there is a dispute between the claimant and the primary insurance provider, reimbursement from the remedial action account may be made to the claimant after the claimant assigns all of his or her interests in the insurance coverage to the Council.

(g) The source of funds for the remedial action account shall be moneys allocated to the account by the Council according to the Fund budget approved by the Council.

(h) A drycleaning facility will be classified as active or inactive for purposes of determining benefits

under this Section based on the status of the facility on the date a claim is filed.

(i) Eligible claimants shall conduct remedial action in accordance with the Site Remediation Program under the Environmental Protection Act and Part 740 of Title 35 of the Illinois Administrative Code and the Tiered Approach to Cleanup Objectives under Part 742 of Title 35 of the Illinois Administrative Code. Sec. 45. Insurance account. (a) The insurance account shall offer financial assurance for a qualified owner or operator of a drycleaning facility under the terms and conditions provided for under this Section. Coverage may be provided to either the owner or the operator of a drycleaning facility. The Council is not required to resolve whether the owner or operator, or both, are responsible for a release under the terms of an agreement between the owner and operator.

(b) The source of funds for the insurance account shall be as follows:

(1) Moneys appropriated to the Council or moneys allocated to the insurance account by the Council according to the Fund budget approved by the Council.

(2) Moneys collected as an insurance premium, including service fees, if any.

(3) Investment income attributed to the insurance account by the Council.

(c) An owner or operator may purchase coverage of up to \$500,000 per drycleaning facility subject to the terms and conditions under this Section and those adopted by the Council. Coverage shall be limited to remedial action costs associated with soil and groundwater contamination resulting from a release of drycleaning solvent at an insured drycleaning facility, including third-party liability for soil and groundwater contamination. Coverage is not provided for a release that occurred before the date of coverage.

(d) An owner or operator, subject to underwriting requirements and terms and conditions deemed necessary and convenient by the Council, may purchase insurance coverage from the insurance account provided that the drycleaning facility to be insured meets the following conditions:

(1) a site investigation designed to identify soil and groundwater contamination resulting from the release of a drycleaning solvent has been completed. The Council shall determine if the site investigation is adequate. This investigation must be completed by June 30, ~~2006~~ ~~2004~~. For drycleaning facilities that apply for insurance coverage ~~become active~~ after June 30, ~~2006~~ ~~2004~~, the site investigation must be completed prior to issuance of insurance coverage; and

(2) the drycleaning facility is participating in and meets all requirements of a drycleaning compliance program approved by the Council.

(e) The annual premium for insurance coverage shall be:

(1) For the year July 1, 1999 through June 30, 2000, \$250 per drycleaning facility.

(2) For the year July 1, 2000 through June 30, 2001, \$375 per drycleaning facility.

(3) For the year July 1, 2001 through June 30, 2002, \$500 per drycleaning facility.

(4) For the year July 1, 2002 through June 30, 2003, \$625 per drycleaning facility.

(5) For subsequent years, an owner or operator applying for coverage shall pay an annual actuarially-sound insurance premium for coverage by the insurance account. The Council may approve Fund coverage through the payment of a premium established on an actuarially-sound basis, taking into consideration the risk to the insurance account presented by the insured. Risk factor adjustments utilized to determine actuarially-sound insurance premiums should reflect the range of risk presented by the variety of drycleaning systems, monitoring systems, drycleaning volume, risk management practices, and other factors as determined by the Council. As used in this item, "actuarially sound" is not limited to Fund premium revenue equaling or exceeding Fund expenditures for the general drycleaning facility population. Actuarially-determined premiums shall be published at least 180 days prior to the premiums becoming effective.

(f) If coverage is purchased for any part of a year, the purchaser shall pay the full annual premium. The insurance premium is fully earned upon issuance of the insurance policy.

(g) The insurance coverage shall be provided with a \$10,000 deductible policy.

(h) A future repeal of this Section shall not terminate the obligations under this Section or authority necessary to administer the obligations until the obligations are satisfied, including but not limited to the payment of claims filed prior to the effective date of any future repeal against the insurance account until moneys in the account are exhausted. Upon exhaustion of the moneys in the account, any remaining claims shall be invalid. If moneys remain in the account following satisfaction of the obligations under this Section, the remaining moneys and moneys due the account shall be used to assist current insureds to obtain a viable insuring mechanism as determined by the Council after public notice and opportunity for

comment. (Source: P.A. 90-502, eff. 8-19-97; 91-453, eff. 8-6-99.)

For purpose of this subsection, the quantity of drycleaning solvents used ~~used purchased~~ annually shall be determined as follows:

(1) in the case of an initial applicant, the quantity of drycleaning solvents that the applicant estimates will be used during his or her initial license year. A fee assessed under this subdivision is subject to audited adjustment for that year; or

(2) in the case of a renewal applicant, the quantity of drycleaning solvents actually used in the preceding license year.

The Council may adjust licensing fees annually based on the published Consumer Price Index - All Urban Consumers ("CPI-U") or as otherwise determined by the Council.

(d) A license issued under this Section shall expire one year after the date of issuance and may be renewed on reapplication to the Council and submission of proof of payment of the appropriate fee to the Department of Revenue in accordance with subsections (c) and (e). At least 30 days before payment of a renewal licensing fee is due, the Council shall attempt to:

(1) notify the operator of each licensed drycleaning facility concerning the requirements of this Section; and

(2) submit a license fee payment form to the licensed operator of each drycleaning facility.

(e) An operator of a drycleaning facility shall submit the appropriate application form provided by the Council with the license fee in the form of cash or guaranteed remittance to the Department of Revenue. The license fee payment form and the actual license fee payment shall be administered by the Department of Revenue under rules adopted by that Department.

(f) The Department of Revenue shall issue a proof of payment receipt to each operator of a drycleaning facility who has paid the appropriate fee in cash or by guaranteed remittance. However, the Department of Revenue shall not issue a proof of payment receipt to a drycleaning facility that is liable to the Department of Revenue for a tax imposed under this Act. The original receipt shall be presented to the Council by the operator of a drycleaning facility.

(g) An operator of a dry cleaning facility who is required to pay a license fee under this Act and fails to pay the license fee when the fee is due may ~~shall~~ be assessed a penalty of \$5 for each day after the license fee is due and until the license fee is paid. The penalty shall be effective for license fees due on or after July 1, 1999.

(h) The Council and the Department of Revenue may adopt rules as necessary to administer the licensing requirements of this Act. (Source: P.A. 90-502, eff. 8-19-97; 91-453, eff. 8-6-99.)

(415 ILCS 135/65) (Section scheduled to be repealed on January 1, 2010)

Sec. 65. Drycleaning solvent tax. (a) On and after January 1, 1998, a tax is imposed upon the use of drycleaning solvent by a person engaged in the business of operating a drycleaning facility in this State at the rate of \$3.50 per gallon of perchloroethylene or other chlorinated drycleaning solvents used in drycleaning operations, ~~and \$0.35 per gallon of petroleum-based drycleaning solvent, and \$3.50 per gallon of green solvents, unless the green solvent is used at a virgin facility, in which case the rate is \$0.35 per gallon.~~ The Council shall determine by rule which products are chlorine-based solvents, ~~and which products are petroleum-based solvents, and which products are green solvents.~~ All drycleaning solvents shall be considered chlorinated solvents unless the Council determines that the solvents are petroleum-based drycleaning solvents or green solvents ~~subject to the lower tax.~~

(b) The tax imposed by this Act shall be collected from the purchaser at the time of sale by a seller of drycleaning solvents maintaining a place of business in this State and shall be remitted to the Department of Revenue under the provisions of this Act.

(c) The tax imposed by this Act that is not collected by a seller of drycleaning solvents shall be paid directly to the Department of Revenue by the purchaser or end user who is subject to the tax imposed by this Act.

(d) No tax shall be imposed upon the use of drycleaning solvent if the drycleaning solvent will not be used in a drycleaning facility or if a floor stock tax has been imposed and paid on the drycleaning solvent. Prior to the purchase of the solvent, the purchaser shall provide a written and signed certificate to the drycleaning solvent seller stating:

- (1) the name and address of the purchaser;
- (2) the purchaser's signature and date of signing; and
- (3) one of the following:
 - (A) that the drycleaning solvent will not be used in a drycleaning facility; or
 - (B) that a floor stock tax has been imposed and paid on the drycleaning solvent.

A person who provides a false certification under this subsection shall be liable for a civil penalty not to exceed \$500 for a first violation and a civil penalty not to exceed \$5,000 for a second or subsequent violation.

(e) On January 1, 1998, there is imposed on each operator of a drycleaning facility a tax on drycleaning solvent held by the operator on that date for use in a drycleaning facility. The tax imposed shall be the tax that would have been imposed under subsection (a) if the drycleaning solvent held by the operator on that date had been purchased by the operator during the first year of this Act.

(f) On or before the 25th day of the 1st month following the end of the calendar quarter, a seller of drycleaning solvents who has collected a tax pursuant to this Section during the previous calendar quarter, or a purchaser or end user of drycleaning solvents required under subsection (c) to submit the tax directly to the Department, shall file a return with the Department of Revenue. The return shall be filed on a form prescribed by the Department of Revenue and shall contain information that the Department of Revenue reasonably requires, but at a minimum will require the reporting of the volume of drycleaning solvent sold to each licensed drycleaner. The Department of Revenue shall report quarterly to the Council the volume of drycleaning solvent purchased for the quarter by each licensed drycleaner. Each seller of drycleaning solvent maintaining a place of business in this State who is required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of the tax at the time when he or she is required to file his or her return for the period during which the tax was collected. Purchasers or end users remitting the tax directly to the Department under subsection (c) shall file a return with the Department of Revenue and pay the tax so incurred by the purchaser or end user during the preceding calendar quarter.

(g) The tax on drycleaning solvents used in drycleaning facilities and the floor stock tax shall be administered by Department of Revenue under rules adopted by that Department.

(h) On and after January 1, 1998, no person shall knowingly sell or transfer drycleaning solvent to an operator of a drycleaning facility that is not licensed by the Council under Section 60. A person who violates this subsection is liable for a civil penalty not to exceed \$500 for a first violation and a civil penalty not to exceed \$5,000 for a second or subsequent violation.

(i) The Department of Revenue may adopt rules as necessary to implement this Section. (Source: P.A. 90-502, eff. 8-19-97.)
