Linda Hawker, Secretary of the Senate

AMENDMENT NO. 1\_\_\_\_. Amend House Bill 576 by replacing the title with the following:

"AN ACT in relation to police officers."; and

by replacing everything after the enacting clause with the following:

"Section 5. If and only if Senate Bill 472 of the 93rd General Assembly becomes law by the override of the Governor's amendatory veto, the Illinois Police Training Act is amended by changing Section 6.1 as follows:

(50 ILCS 705/6.1)

Sec. 6.1. Decertification of full-time and part-time police officers. (a) The Board must review police officer conduct and records to ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted of a felony offense under the laws of this State or any other state which if committed in this State would be punishable as a felony. The Board must also ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted on or after the effective date of this amendatory Act of 1999 of any misdemeanor specified in this Section or if committed in any other state would be an offense similar to Section 11-6, 11-9.1, 11-14, 11-17, 11-19, 12-2, 12-15, 16-

- 1, 17-1, 17-2, 28-3, 29-1, 31-1, 31-6, 31-7, 32-4a, or 32-7 of the Criminal Code of 1961 or to Section 5 or 5.2 of the Cannabis Control Act. The Board must appoint investigators to enforce the duties conferred upon the Board by this Act.
- (b) It is the responsibility of the sheriff or the chief executive officer of every local law enforcement agency or department within this State to report to the Board any arrest or conviction of any officer for an offense identified in this Section.
- (c) It is the duty and responsibility of every full-time and part-time police officer in this State to report to the Board within 30 days, and the officer's sheriff or chief executive officer, of his or her arrest or conviction for an offense identified in this Section. Any full-time or part-time police officer who knowingly makes, submits, causes to be submitted, or files a false or untruthful report to the Board must have his or her certificate or waiver immediately decertified or revoked.
- (d) Any person, or a local or State agency, or the Board is immune from liability for submitting, disclosing, or releasing information of arrests or convictions in this Section as long as the information is submitted, disclosed, or released in good faith and without malice. The Board has qualified immunity for the release of the information.
- (e) Any full-time or part-time police officer with a certificate or waiver issued by the Board who is convicted of any offense described in this Section immediately becomes decertified or no longer has a valid waiver. The decertification and invalidity of waivers occurs as a matter of law. Failure of a convicted person to report to the Board his or her conviction as described in this Section or any continued law enforcement practice after receiving a conviction is a Class 4 felony.
- (f) The Board's investigators are peace officers and have all the powers possessed by policemen in cities and by sheriff's, provided that the investigators may exercise those powers anywhere in the State, only after contact and cooperation with the appropriate local law enforcement authorities.
- (g) The Board must request and receive information and assistance from any federal, state, or local governmental agency as part of the authorized criminal background investigation. The Department of State Police must process, retain, and additionally provide and disseminate information to the Board concerning criminal charges, arrests, convictions, and their disposition, that have been filed before, on, or after the effective date of this amendatory Act of the 91st General Assembly against a basic academy applicant, law enforcement applicant, or law enforcement officer whose fingerprint identification cards are on file or maintained by the Department of State Police. The Federal Bureau of Investigation must provide the Board any criminal history record information contained in its files pertaining to law enforcement officers or any applicant to a Board certified basic law enforcement academy as described in this Act based on fingerprint identification. The Board must make payment of fees to the Department of State Police for each fingerprint card submission in conformance with the requirements of paragraph 22 of Section 55a of the Civil Administrative Code of Illinois.
- (h) A police officer who has been certified or granted a valid waiver may also be decertified or have his or her waiver revoked upon a determination by the Illinois Labor Relations Board State Panel that he or she, while under oath, has knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. If an appeal is filed, the determination shall be stayed.
  - (1) In the case of an acquittal on a charge of murder, a verified complaint may be filed:

(A) by the defendant; or

(B) by a police officer with personal knowledge of perjured testimony.

The complaint must allege that a police officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. The verified complaint must be filed with the Executive Director of the Illinois Law Enforcement Training Standards Board within 2 years of the judgment of acquittal.

- (2) Within 30 days, the Executive Director of the Illinois Law Enforcement Training Standards Board shall review the verified complaint and determine whether the verified complaint is frivolous and without merit, or whether further investigation is warranted. The Illinois Law Enforcement Training Standards Board shall notify the officer and the Executive Director of the Illinois Labor Relations Board State Panel of the filing of the complaint and any action taken thereon. If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint is frivolous and without merit, it shall be dismissed. The Executive Director of the Illinois Law Enforcement Training Standards Board has sole discretion to make this determination and this decision is not subject to appeal.
- (i) If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint warrants further investigation, he or she shall refer the matter to a task force of

investigators created for this purpose. This task force shall consist of 8 sworn police officers: 2 from the Illinois State Police, 2 from the City of Chicago Police Department, 2 from county police departments, and 2 from municipal police departments. These investigators shall have a minimum of 5 years of experience in conducting criminal investigations. The investigators shall be appointed by the Executive Director of the Illinois Law Enforcement Training Standards Board. Any officer or officers acting in this capacity pursuant to this statutory provision will have statewide police authority while acting in this investigative capacity. Their salaries and expenses for the time spent conducting investigations under this paragraph shall be reimbursed by the Illinois Law Enforcement Training Standards Board.

(j) Once the Executive Director of the Illinois Law Enforcement Training Standards Board has determined that an investigation is warranted, the verified complaint shall be assigned to an investigator or investigators. The investigator or investigators shall conduct an investigation of the verified complaint and shall write a report of his or her findings. This report shall be submitted to the Executive Director of the Illinois Labor Relations Board State Panel.

Within 30 days, the Executive Director of the Illinois Labor Relations Board State Panel shall review the investigative report and determine whether sufficient evidence exists to conduct an evidentiary hearing on the verified complaint. If the Executive Director of the Illinois Labor Relations Board State Panel determines upon his or her review of the investigatory report that a hearing should not be conducted, the complaint shall be dismissed. This decision is in the Executive Director's sole discretion, and this dismissal may not be appealed.

If the Executive Director of the Illinois Labor Relations Board State Panel determines that there is sufficient evidence to warrant a hearing, a hearing shall be ordered on the verified complaint, to be conducted by an administrative law judge employed by the Illinois Labor Relations Board State Panel. The Executive Director of the Illinois Labor Relations Board State Panel shall inform the Executive Director of the Illinois Law Enforcement Training Standards Board and the person who filed the complaint of either the dismissal of the complaint or the issuance of the complaint for hearing. The Executive Director shall assign the complaint to the administrative law judge within 30 days of the decision granting a hearing.

(k) In the case of a finding of guilt on the offense of murder, if a new trial is granted on direct appeal, or a state post-conviction evidentiary hearing is ordered, based on a claim that a police officer, under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the Illinois Labor Relations Board State Panel shall hold a hearing to determine whether the officer should be decertified if an interested party requests such a hearing within 2 years of the court's decision. The complaint shall be assigned to an administrative law judge within 30 days so that a hearing can be scheduled.

At the hearing, the accused officer shall be afforded the opportunity to:

- (1) Be represented by counsel of his or her own choosing;
- (2) Be heard in his or her own defense;
- (3) Produce evidence in his or her defense;
- (4) Request that the Illinois Labor Relations Board State Panel compel the attendance of witnesses and production of related documents including but not limited to court documents and records.

Once a case has been set for hearing, the verified complaint shall be referred to the Department of Professional Regulation. That office shall prosecute the verified complaint at the hearing before the administrative law judge. The Department of Professional Regulation shall have the opportunity to produce evidence to support the verified complaint and to request the Illinois Labor Relations Board State Panel to compel the attendance of witnesses and the production of related documents, including, but not limited to, court documents and records. The Illinois Labor Relations Board State Panel shall have the power to issue subpoenas requiring the attendance of and testimony of witnesses and the production of related documents including, but not limited to, court documents and records and shall have the power to administer oaths.

The administrative law judge shall have the responsibility of receiving into evidence relevant testimony and documents, including court records, to support or disprove the allegations made by the person filing the verified complaint and, at the close of the case, hear arguments. If the administrative law judge finds that there is not clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the administrative law judge shall make a written recommendation of dismissal to the Illinois Labor Relations Board State Panel. If the administrative law judge finds that there is clear and convincing evidence that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact that goes to an element of the offense of murder, the administrative law judge shall make a written recommendation so concluding to the Illinois Labor Relations Board State

- Panel. The hearings shall be transcribed. The Executive Director of the Illinois Law Enforcement Training Standards Board shall be informed of the administrative law judge's recommended findings and decision and the Illinois Labor Relations Board State Panel's subsequent review of the recommendation.
- (1) An officer named in any complaint filed pursuant to this Act shall be indemnified for his or her reasonable attorney's fees and costs by his or her employer. These fees shall be paid in a regular and timely manner. The State, upon application by the public employer, shall reimburse the public employer for the accused officer's reasonable attorney's fees and costs. At no time and under no circumstances will the accused officer be required to pay his or her own reasonable attorney's fees or costs.
- (m) The accused officer shall not be placed on unpaid status because of the filing or processing of the verified complaint until there is a final non-appealable order sustaining his or her guilt and his or her certification is revoked. Nothing in this Act, however, restricts the public employer from pursuing discipline against the officer in the normal course and under procedures then in place.
- (n) The Illinois Labor Relations Board State Panel shall review the administrative law judge's recommended decision and order and determine by a majority vote whether or not there was clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to the offense of murder. Within 30 days of service of the administrative law judge's recommended decision and order, the parties may file exceptions to the recommended decision and order and briefs in support of their exceptions with the Illinois Labor Relations Board State Panel. The parties may file responses to the exceptions and briefs in support of the responses no later than 15 days after the service of the exceptions. If exceptions are filed by any of the parties, the Illinois Labor Relations Board State Panel shall review the matter and make a finding to uphold, vacate, or modify the recommended decision and order. If the Illinois Labor Relations Board State Panel concludes that there is clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense murder, the Illinois Labor Relations Board State Panel shall inform the Illinois Law Enforcement Training Standards Board and the Illinois Law Enforcement Training Standards Board shall revoke the accused officer's certification. If the accused officer appeals that determination to the Appellate Court, as provided by this Act, he or she may petition the Appellate Court to stay the revocation of his or her certification pending the court's review of the matter.
- (o) None of the Illinois Labor Relations Board State Panel's findings or determinations shall set any precedent in any of its decisions decided pursuant the Illinois Public Labor Relations Act by the Illinois Labor Relations Board State Panel or the courts.
- (p) A party aggrieved by the final order of the Illinois Labor Relations Board State Panel may apply for and obtain judicial review of an order of the Illinois Labor Relations Board State Panel, in accordance with the provisions of the Administrative Review Law, except that such judicial review shall be afforded directly in the Appellate Court for the district in which the accused officer resides. Any direct appeal to the Appellate Court shall be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision.
- (q) Interested parties. Only interested parties to the criminal prosecution in which the police officer allegedly, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder may file a verified complaint pursuant to this Section. For purposes of this Section, "interested parties" shall be limited to the defendant and any police officer who has personal knowledge that the police officer who is the subject of the complaint has, while under oath, knowingly and willfully made false states as to a material fact going to an element of the offense of murder.
- (r) Semi-annual reports. The Executive Director of the Illinois Labor Relations Board shall submit semi-annual reports to the Governor, President, and Minority Leader of the Senate, and to the Speaker and Minority Leader of the House of Representatives beginning on June 30, 2004, indicating:
  - (1) the number of verified complaints received since the date of the last report;
  - (2) the number of investigations initiated since the date of the last report;
  - (3) the number of investigations concluded since the date of the last report;
  - (4) the number of investigations pending as of the reporting date;
  - (5) the number of hearings held since the date of the last report; and
  - (6) the number of officers decertified since the date of the last report.
- (h) A police officer who has been certified or granted a valid waiver may also be decertified or have his or her waiver revoked upon a determination by the Board that he or she, while under oath, has knowingly and willfully made false statements as to a material fact during a homicide proceeding. A determination may be made only after an investigation and hearing upon a verified complaint filed with the Illinois Law

Enforcement Training Standards Board. No action may be taken by the Board regarding a complaint unless a majority of the members of the Board are present at the meeting at which the action is taken.

- (1) The Board shall adopt rules governing the investigation and hearing of a verified complaint to assure the police officer due process and to eliminate conflicts of interest within the Board itself.
- (2) Upon receipt of the initial verified complaint, the Board must make a finding within 30 days of receipt of the complaint as to whether sufficient evidence exists to support the complaint. The Board is empowered to investigate and dismiss the complaint if it finds, by a vote of a majority of the members present, that there is insufficient evidence to support it. Upon the initial filing, the sheriff or police chief, or other employing agency, of the accused officer may suspend, with or without pay, the accused officer pending a decision of the Board. Upon a Board finding of insufficient evidence, the police officer shall be reinstated with back pay, benefits, and seniority status as appropriate. The sheriff or police chief, or employing agency, shall take such necessary action as is ordered by the Board.
- (3) If the Board finds, by a vote of a majority of the members present, that sufficient evidence exists to support the complaint, it shall authorize a hearing before an administrative law judge within 45 days of the Board's finding, unless, based upon the complexity and extent of the allegations and charges, additional time is needed. In no event may a hearing before an administrative law judge take place later than 60 days after the Board's finding.
- (i) The Board shall have the power and authority to appoint administrative law judges on a contractual basis. The Administrative law judges must be attorneys licensed to practice law in the State of Illinois. The Board shall also adopt rules governing the appointment of administrative law judges and the conduct of hearings consistent with the requirements of this Section. The administrative law judge shall hear all evidence and prepare a written recommendation of his or her findings to the Board. At the hearing the accused police officer shall be afforded the opportunity to:
  - (1) Be represented by counsel;
  - (2) Be heard in his or her own defense;
  - (3) Produce evidence in his or her defense;
  - (4) Request that the Board compel the attendance of witnesses and production of court records and documents.
- (j) Once a case has been set for hearing, the person who filed the verified complaint shall have the opportunity to produce evidence to support any charge against a police officer that he or she, while under oath, has knowingly and willfully made false statements as to a material fact during a homicide proceeding.
  - (1) The person who filed the verified complaint shall have the opportunity to be represented by counsel and shall produce evidence to support his or her charges;
  - (2) The person who filed the verified complaint may request the Board to compel the attendance of witnesses and production of court records and documents.
- (k) The Board shall have the power to issue subpoenas requiring the attendance and testimony of witnesses and the production of court records and documents and shall have the power to administer oaths.
- (l) The administrative law judge shall have the responsibility of receiving into evidence relevant testimony and documents, including court records, to support or disprove the allegations made by the person filing the verified complaint, and, at the close of the case, hear arguments. If the administrative law judge finds that there is not clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding, the administrative law judge shall make a written recommendation of dismissal to the Board. If the administrative law judge finds that there is clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding, the administrative law judge shall make a written recommendation of decertification to the Board.
- (m) Any person, with the exception of the police officer who is the subject of the hearing, who is served by the Board with a subpoena to appear, testify or produce evidence and refuses to comply with the subpoena is guilty of a Class B misdemeanor. Any circuit court or judge, upon application by the Board, may compel compliance with a subpoena issued by the Board.
- (n) Within 15 days of receiving the recommendation, the Board shall consider the recommendation of the administrative law judge and the record of the hearing at a Board meeting. If, by a two thirds vote of the members present at the Board meeting, the Board finds that there is clear and convincing evidence that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding, the Board shall order that the police officer be decertified as a full time or part time police officer. If less than two thirds of the members present vote to decertify the police officer,

the Board shall dismiss the complaint.

- (o) The provisions of the Administrative Review Law shall govern all proceedings for the judicial review of any order rendered by the Board. The moving party shall pay the reasonable costs of preparing and certifying the record for review. If the moving party is the police officer and he or she prevails, the court may award the police officer actual costs incurred in all proceedings, including reasonable attorney fees. If the court awards the police officer the actual costs incurred in a proceeding, including reasonable attorney fees, the costs and attorney fees shall be paid, subject to appropriation, from the Illinois Law Enforcement Training Standards Board Costs and Attorney Fees Fund, a special fund that is created in the State Treasury. The Fund shall consist of moneys appropriated or transferred into the Fund for the purpose of making payments of costs and attorney fees in accordance with this subsection (o). The Illinois Law Enforcement Training Standards Board shall administer the Fund and adopt rules for the administration of the Fund and for the submission and disposition of claims for costs and attorney fees in accordance with this subsection (o).
- (p) If the police officer is decertified under subsection (h), the Board shall notify the defendant who was a party to the proceeding that resulted in the police officer's decertification and his or her attorney of the Board's decision. Notification shall be by certified mail, return receipt requested, sent to the party's last known address and to the party's attorney if any.
  - (g) Limitation of action.
  - (1) No complaint may be filed pursuant to this Section until after a verdict or other disposition is rendered in the underlying case or the underlying case is dismissed in the trial court.
  - (2) A complaint pursuant to this Section may not be filed more than 2 years after the final resolution of the case. For purposes of this Section, final resolution is defined as the trial court's ruling on the State post conviction proceeding in the case in which it is alleged the police officer, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding. In the event a post conviction petition is not filed, an action pursuant to this Section may not be commenced more than 2 years after the denial of a petition for certiorari to the United States Supreme Court, or if no petition for certiorari is filed, 2 years after the date such a petition should have been filed. In the event of an acquittal, no proceeding may be commenced pursuant to this Section more than 6 years after the date upon which judgment on the verdict of acquittal was entered.
- (r) Interested parties. Only interested parties to the criminal prosecution in which the police officer allegedly, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding may file a verified complaint pursuant to this Section. For purposes of this Section, "interested parties" include the defendant and any police officer who has personal knowledge that the police officer who is the subject of the complaint has, while under oath, knowingly and willfully made false statements as to a material fact during a homicide proceeding. "Section 10.

If and only if Senate Bill 472 of the 93rd General Assembly becomes law by the override of the Governor's amendatory veto, the Code of Criminal Procedure of 1963 is amended by changing Section 107A-10 as follows:

(725 ILCS 5/107A-10)

- Sec. 107A-10. Pilot study on sequential lineup procedures. (a) Legislative intent. Because the goal of a police investigation is to apprehend the person or persons responsible for committing a crime, it is useful to conduct a pilot study in the field on the effectiveness of the sequential method for lineup procedures.
- (b) Establishment of pilot jurisdictions. The Department of State Police shall select 3 police departments to participate in a one-year pilot study on the effectiveness of the sequential lineup method for photo and live lineup procedures. One such pilot jurisdiction shall be a police district within a police department in a municipality whose population is at least 500,000 residents; one such pilot jurisdiction shall be a police

department in a municipality whose population is at least 100,000 but less than 500,000; and one such pilot jurisdiction shall be a police department in a municipality whose population is less than 100,000. All such pilot jurisdictions shall be selected no later than <u>July January</u> 1, 2004.

- (c) Sequential lineup procedures in pilot jurisdictions. For any offense alleged to have been committed in a pilot jurisdiction on or after <u>July January</u> 1, 2004, selected lineup identification procedure shall be presented in the sequential method in which a witness is shown lineup participants one at a time, using the following procedures:
  - (1) The witness shall be requested to state whether the individual shown is the perpetrator of the crime prior to viewing the next lineup participant. Only one member of the lineup shall be a suspect and the remainder shall be "fillers" who are not suspects but fit the general description of the offender without the suspect unduly standing out;
  - (2) The lineup administrator shall be someone who is not aware of which member of the lineup is the suspect in the case; and
    - (3) Prior to presenting the lineup using the sequential method the lineup administrator shall:
    - (A) Inform the witness that the perpetrator may or may not be among those shown, and the witness should not feel compelled to make an identification;
    - (B) Inform the witness that he or she will view individuals one at a time and will be requested to state whether the individual shown is the perpetrator of the crime, prior to viewing the next lineup participant; and
    - (C) Ask the witness to state in his or her own words how sure he or she is that the person identified is the actual offender. During the statement, or as soon thereafter as reasonably possible, the witness's actual words shall be documented.
- (d) Application. This Section applies to selected live lineups that are composed and presented at a police station and to selected photo lineups regardless of where presented; provided that this Section does not apply in police investigations in which a spontaneous identification is possible and no lineup procedure is being used. This Section does not affect the right to counsel afforded by the U.S. or Illinois Constitutions or State law at any stage of a criminal proceeding.
- (e) Selection of lineups. The participating jurisdictions shall develop a protocol for the selection and administration of lineups which is practical, designed to elicit information for comparative evaluation purposes, and is consistent with objective scientific research methodology.
- (f) Training and administrators. The Department of State Police shall offer training to police officers and any other appropriate personnel on the sequential method of conducting lineup procedures in the pilot jurisdictions and the requirements of this Section. The Department of State Police may seek funding for training and administration from the Illinois Criminal Justice Information Authority and the Illinois Law Enforcement Training Standards Board if necessary.
- (g) Report on the pilot study. The Department of State Police shall gather information from each of the participating police departments selected as a pilot jurisdiction with respect to the effectiveness of the sequential method for lineup procedures and shall file a report of its findings with the Governor and the General Assembly no later than <u>September April</u> 1, 2005. To the Honorable Members of the Illinois Senate 93<sup>rd</sup> General Assembly

Senate Bill 191 extends reimbursement for special education services to school districts for children who were DCFS wards, have been adopted, and are still receiving services from DCFS. This is creating a new category of eligibility for full reimbursement of special education costs and is expected to cost the State tens of millions of dollars. Given the fiscal constraints of the State, we cannot justify providing additional reimbursement to school districts outside of the nearly \$145 million increase already approved for FY 04.

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto and return Senate Bill 191, entitled "AN ACT in relation to schools."

Senate Bill 192 requires the State to reimburse school districts for administrative costs of coordinating the special education services for wards of the State who are educated in residential facilities. The administration has been committed to reducing administrative costs wherever possible and given the fiscal constraints the State is facing, we cannot justify an additional \$500,000 to \$1.0 million in reimbursement for administrative costs.

# State of Illinois OFFICE OF THE GOVERNOR 207 State Capitol, Springfield, Illinois 62706

August 15, 2003

To the Honorable Members of the Illinois Senate
93rd General Assembly

I am committed to funding education for our school children, including special education, and the FY 04 budget reflects that commitment. While we were not able to fund every program, we significantly increased funding for education (by \$381 million for fiscal year 2004) and for special education programs overall (by 145 million for fiscal year 2004). In these difficult fiscal times, I believe that we must operate within the constraints set by that budget and not allow costs to be passed on to future years. Therefore, I am modifying SB 1333 so that at least for the next two years reimbursements for these special education costs must be paid solely from the year they are appropriated.

Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 1333, entitled "AN ACT concerning education", with the following specific recommendations for change: on page 4, by replacing line 17 with the following:

"year thereafter through fiscal year 2002 and then in fiscal year 2006 and each fiscal year thereafter, if the amount"; and

on page 4, by replacing line 22 with the following:

"the next fiscal year, and the payments required to eliminate"; and

on page 4, by replacing lines 25 through 32 with the following:

"Notwithstanding any other provision of this Section or this Code, beginning with fiscal year 2003 and continuing through fiscal year 2005, total reimbursement under this Section in any fiscal year is limited to the amount appropriated for that purpose for that fiscal year, and if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the insufficiency shall be apportioned pro rata among the school districts seeking reimbursement."; and

on page 10, by replacing lines 15 and 16 with the following:

"1994 and each fiscal year thereafter through fiscal year 2002 and then in fiscal year 2006 and each fiscal year thereafter, if the amount appropriated for any fiscal year is less"; and

on page 10, by replacing lines 20 and 21 with the following:

"reimbursed on August 30 of the next fiscal year, and the payments required to eliminate any insufficiency for prior"; and

on page 10, by replacing lines 23 through 31 with the following:

"for the current fiscal year. Notwithstanding any other provision of this Section or this Code, beginning with fiscal year 2003 and continuing through fiscal year 2005, total reimbursement under this Section in any fiscal year is limited to the amount appropriated for that purpose for that fiscal year, and if the amount appropriated for any fiscal year is less than the amount required for purposes of this Section, the insufficiency shall be apportioned pro rata among the school districts seeking reimbursement."

With these changes, Senate Bill 1333 will have my approval. I respectfully request your concurrence.

To the Honorable Members of the

93<sup>rd</sup> General Assembly

I am firmly committed to funding elementary and secondary education. The fiscal year 2004 budget provides over \$381 million new dollars directly to school districts, including a \$250 increase in the per student Foundation Level. SB 1321 targets additional resources to school districts affected by tax caps and struggling to make up for lost resources through property tax appeals. While we have provided millions of new dollars to school districts, we must recognize our budget constraints, and therefore, I am modifying SB

1321 to limit the allocation for state aid adjustments to \$20 million of the General State Aid appropriation within each fiscal year. This amount is consistent with the average allocated in the past four years. Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 1321, entitled "AN ACT regarding schools", with the following specific recommendations for change:

on page 2, line 4, after "claim.", by inserting "From the total amount of general State aid to be provided to districts, adjustments as a result of recomputation under this Section together with adjustments under Section 2-3.84 shall not exceed \$20 million, in the aggregate for all districts under both Sections combined, of the general State aid appropriation in any fiscal year; if necessary, amounts shall be prorated among districts."; and

on page 2, line 16, after "<u>calculation</u>.", by inserting "<u>From the total amount of general State aid to be provided to districts, adjustments under this Section together with adjustments as a result of recomputation under Section 2-3.33 shall not exceed \$20 million, in the aggregate for all districts under both Sections combined, of the general State aid appropriation in any fiscal year; if necessary, amounts shall be prorated among districts."</u>

To the Honorable Members of the

93<sup>rd</sup> General Assembly

Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 150, entitled "AN ACT in relation to vehicles", with the following specific recommendations for change:

on page 1, line 5, by deleting "and changing Section 29-15"; and by deleting line 26 on page 2 through line 13 on page 3.

I applaud the sponsors for the many good provisions contained in this bill that seek to improve the safe transportation of children in school districts throughout the state.. However, in light of the current fiscal crisis, we simply cannot commit additional state funds to reimburse school districts for transporting children who use public transportation to get to school. Therefore, with the changes outlined above, Senate Bill 150 will have my approval. I respectfully request your concurrence.

Sincerely, Rod R. Blagojevich Governor

Quick-take authority should be limited in scope, limited in time, limited to specific property, and confined to a public purpose. The provision regarding Morton Grove has raised many questions as to the appropriate use of quick-take in regards to economic development. The provision regarding Morton Grove fails in this regard but I am interested in any subsequent bill regarding Morton Grove if it is limited to specific property with clearly defined boundaries as opposed to an entire area in a redevelopment district. To the Honorable Members of the Illinois Senate
93<sup>rd</sup> General Assembly

Park districts and forest preserves are central to the life of many communities for recreation, renewal, and quality of life. Managing and maintaining these public areas are central to serving the community. SB 83 proposed one avenue for ensuring that funds are available, but it relies on increasing property taxes outside the limits set through tax caps and without the voter approval process required by them. Our analysis indicates that property taxes on a home valued at \$100,000 would increase by \$7 per year to \$52 per year, depending on the park district. In total, the Cook County Forest Preserve District provisions could cost \$8.0 million per year in property taxes. I do not support property tax increases outside the limits of the tax cap law.

I do, however, support the intent of this legislation and will therefore create a grant program, within the state's bonded capital program, that will allow eligible park districts and forest preserve districts to apply for funds to support capital improvements. The grant program will provide a match to amounts local park districts make available under the terms of the grant and will make grant funds available to eligible forest preserve districts. Grant recipients will have to document the need for the projects and the state funds, demonstrating that no other funds within their existing tax authority will support the proposed projects.

I commend the park districts and forest preserves for their support of our communities. These new grant programs demonstrate my support for the vital role they play.

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto and return Senate Bill 83, entitled "AN ACT concerning taxes."

To the Honorable Members of the Illinois Senate

This legislation promotes an important purpose: providing programs through our park districts and special recreation districts to serve persons with physical or mental disabilities. Yet, this legislation also poses a significant hurdle: increasing property taxes to pay for these programs outside the limits of tax caps and the voter approval process required by them. We have estimated that property taxes could increase by \$16 million in Chicago over several years. The challenge, which we have faced throughout state government, is to fund important and priority services and programs without asking the people of Illinois to pay more in taxes. I remain committed to this principle and cannot support legislation that asks for an increase in property taxes. I do believe that there are other ways these services can be funded, and I am directing the Office of Management and Budget to convene a meeting with representatives of the Special

Recreation Associations and others affected to propose alternatives. I know that by working together we can provide these important opportunities for persons with disabilities.

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto and return Senate Bill 1881, entitled "AN ACT concerning taxes."

August 22, 2003

To the Honorable Members of the

Illinois Senate

93<sup>rd</sup> General Assembly

This bill, while extremely important, is technically problematic given the multiple years of appropriations and funding sources and other issues. After exhaustive review, the most prudent option seems to be to sign the majority of the bill. The Administration will only release certain projects, over time, rather than trying to address all of the bill's issues at the outset through amendatory vetoes.

The Administration's intent with regard to member projects is to release a total of \$450 million as indicated in my budget released on April 9, including spending on projects that have already been released by this Administration. The total amount of member initiative projects listed in the bill is \$907,892,320. However, the bill contains many duplicates of member initiatives, meaning some items appear more than once in the bill. Obviously, projects will only be funded once, so that the total amount of spending authority in the bill for member projects is actually \$657,153,623. Only \$450 million total will be spent on projects released by this Administration.

The total amount of item vetoes and reductions totals \$555,806,937. The items vetoed and reduced are:

- \$54,844,803 for land acquisition at the Capitol Complex. In these fiscally difficult times, and at a time that the state has achieved a decrease in its workforce, it is not appropriate for the State to be expanding its property holdings for administrative purposes at this large a scale.
- \$47,514,810 in additional capital vetoes and reductions, primarily of repair and renovation projects on state facilities that, while worthy, can be put off until the state's fiscal situation improves, or that it has been deemed that the state can do without.
- \$35,000,000 of appropriations to transfer funding from the Anti-Pollution Fund to the Clean Water Trust Fund. Since legislation to create a program for expenditure of these funds, and bond

**Amount Enacted** 

authorization for this purpose, have not yet passed the legislature, this item will be held till it can be dealt with as a package.

- \$17,266,562 in projects that have completely spent out by the end of Fiscal Year 2003 and are completed.
- \$401,180,762 in technical writedowns to reflect the actual amount available on June 30 after all Fiscal Year 2003 spending.

Lines

Pursuant to Article IV, Section 9(d) of the Illinois Constitution of 1970, I hereby veto and return several appropriation items included in Senate Bill 1239, entitled "AN ACT making appropriations", having taken the actions set forth below.

Rod Blagojevich Governor

August 25, 2003

To the Honorable Members of the

Illinois Senate

93<sup>rd</sup> General Assembly

Quick-take authority should be limited in scope, limited in time, limited to specific property, and confined to a public purpose. This bill contains provisions that have raised many questions as to the appropriate use of quick-take in regards to economic development. The provision regarding Palatine fails in this regard but I am interested in any subsequent bill regarding Palatine if it is limited to specific property with clearly defined boundaries as opposed to an entire area in a redevelopment district.

In case of the SWIDA provision, each project subject to the quick-take authority must have specific, limited and clearly defined boundaries when it is submitted for approval from the Department of Transportation. Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 212, entitled "AN ACT in relation to local government", with the following specific recommendations for change:

On page 4, line 18, after "2005", by inserting ", subject to the written approval of the Illinois Secretary of Transportation based upon the overall economic development and fiscal plans and needs of the State of Illinois." And

by deleting line 23 on page 4 through line 22 on page 5.

With these changes, Senate Bill 212 will have my approval. I respectfully request your concurrence.

Sincerely, Rod R. Blagojevich Governor

To the Honorable Members of the Illinois Senate

93rd General Assembly

This landmark legislation will provide vital reforms to the criminal justice system as it relates to capital punishment. The legislation overwhelmingly achieves these ends and I support all of its provisions except that provision assigning the decertification of police officers to the law enforcement training board. It will have the unintended and adverse impact of placing new constraints on the effective administration of justice, while denying due process rights to police officers.

Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 472 entitled "AN ACT in relation to criminal law," with the following specific recommendation for change:

By deleting all lines between and including page 4, line 17, through page 11, line 25.

WHEREAS, The State of Illinois is one of the most congested in the country; and

WHEREAS, Illinois' statewide population is projected to increase 9.2% by 2020 and the State's already strained transportation infrastructure cannot accommodate that population and ensuing economic growth; and

WHEREAS, Passenger rail provides an efficient, safe, and environmentally sound means of transportation for commuters and for business and leisure travelers; and

WHEREAS, Amtrak and the State of Illinois have developed a partnership that should serve as a model for similar corridors in the United States; and

WHEREAS, Illinois' four state-supported corridors operated by Amtrak (Chicago-St. Louis, Chicago-Quincy, Chicago-Carbondale, Chicago-Milwaukee) each experienced strong ridership gains in Fiscal Year 2003, despite a weakened economy and travel market; and

WHEREAS, Amtrak carried more than 2,600,000 passengers a year to and from Illinois; and

WHEREAS, Amtrak expended more than \$38 million for goods and services in Illinois in Fiscal Year 2002; and

WHEREAS, Amtrak employs nearly 2,300 Illinois residents, who earned a combined total of more than \$70 million in calendar year 2002; and

WHEREAS, Amtrak, the Illinois Department of Transportation, the Federal Railroad Administration, and Union Pacific Railroad are jointly working to develop High Speed Rail service on the Chicago-St. Louis corridor; and

WHEREAS, The State of Illinois has already invested \$100 million in the Chicago-St. Louis High Speed Rail program; and

WHEREAS, Congress has introduced several measures intended to provide states with a dedicated source of funding to develop viable, safe, and efficient passenger rail networks, including the National Defense Rail Act, RIDE-21, the Emergency Anti-Recession Act of 2003, and the National Infrastructure Program Act of 2003; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we hereby endorse Amtrak's 2004 funding request for \$1.812 billion and 5-year plan, as well as federal legislation that provides states with a dedicated source of funding to develop rail corridors; and we further urge the United States Congress to pass and the President of the United States to sign this legislation; and be it further

RESOLVED, That we urgently request that all members of Congress who represent the State of Illinois cosponsor and support passage of legislative measures intended to bring stability to the nation's rail passenger network and provide states the funding needed to develop successful rail corridors; and be it further

RESOLVED, That suitable copies of this resolution be presented to the President of the United States, the Vice President of the United States, to the Majority Leaders of the United States Senate and House of Representatives, and to each member of the Illinois congressional delegation.

## **HOUSE RESOLUTION 534**

Offered by Representative Ryg:

WHEREAS, Providing care and habilitative services to individuals with developmental disabilities is a fundamental responsibility of Illinois State government; and

WHEREAS, These vulnerable individuals depend on these services to ensure their safety, meet their basic needs, and help them develop to their fullest potential; and

WHEREAS, Illinois has a widespread network of community-based agencies with which it contracts to provide these residential and day treatment programs to thousands of disabled individuals; and

WHEREAS, A critical variable in providing high quality services is having a dedicated, stable, well-trained staff; and

WHEREAS, Historically these agencies have not received sufficient State funding to provide salary levels or benefits that can attract and retain employees; and

WHEREAS, These low wages and inadequate benefits are unfair to the employees who provide this vital service as well as to the individuals they serve who suffer from the high employee turnover and lack of continuity of care; and

WHEREAS, Over the past three years insurance costs for these agencies, particularly employee health insurance costs, have increased far faster than the rate of inflation; and

WHEREAS, These agencies did not receive any cost-of-living increase in the previous two years, leaving many low-wage workers without a wage increase during that period; and

WHEREAS, In recognition of all of the above, the Illinois General Assembly, by an overwhelming vote, included a 4% cost-of-living increase for these agencies serving people with developmental disabilities in the Illinois FY 04 budget; and

WHEREAS, Governor Blagojevich signed that increase into law; and

WHEREAS, The Office of Management and Budget has directed all State agencies to hold back 2% of their funds in reserve; and

WHEREAS, In response to this directive, the Department of Human Services is withholding a portion of the appropriated increase from the grants to these agencies; and

WHEREAS, Because of other actions taken by the Department of Human Services, many of these agencies have thus far not received any increase at all; and

WHEREAS, Based on information currently available, DHS is planning to provide these agencies with an increase that will average approximately 2%; and

WHEREAS, Because funding to these agencies is reimbursed by the federal government at the rate of 50% through the Medicaid program, the actual cost to the State to fund the full 4% is less than the amount being withheld; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call upon the Governor's Office of Management and Budget and the Department of Human Services to act to ensure that agencies serving the developmentally disabled through contracts with the State receive the full 4% cost-of-living increase that was mandated by action of the General Assembly for the purpose of enabling these agencies to increase direct care wages, meet rising costs, and continue to meet the vital needs of the individuals they serve.

The General Assembly finds and declares (i) that the Constitution of the State of Illinois provides that a "fundamental goal of the People of the State is the educational development of all persons to the limits of their capacities" and (ii) that the educational development of every school student serves the public purposes of the State. In order to ensure that all Illinois students and teachers have the opportunity to enroll and work in State-approved educational institutions and programs, the State Board of Education shall provide for the voluntary registration and recognition of non-public elementary and secondary schools.
