RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 760

Offered by Representative Rose:

WHEREAS, The Department of Revenue has a legitimate need for information from individual taxpayers to enable the Department to monitor taxpayer compliance with various State laws, and the

Department customarily gathers much of this information through forms and disclosures that individual taxpayers must file with the Department by mandated calendar dates; and

WHEREAS, The federal government's Internal Revenue Service and allied federal agencies often require parallel information from many individual taxpayers and often require taxpayers to file parallel tax forms with the federal government, also by mandated calendar dates; and

WHEREAS, Taxpayer filing calendar deadlines enforced upon individual taxpayers by the Department of Revenue often do not conform with parallel deadlines enforced upon individual taxpayers by the federal government; and

WHEREAS, The lack of coordination between the taxpayer form filing deadlines enforced by the Department of Revenue and the federal Internal Revenue Service imposes vexatious and unnecessarily burdensome operating expenses on the lives and budgets of individual Illinois taxpayers; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Department of Revenue shall undertake a comprehensive study of its current individual taxpayer filing deadline calendar, with the goal of reconciling as many of the filing deadlines imposed upon individual taxpayers by the State and federal governments as possible; and be it further

RESOLVED, That when these reconciliations can be performed by administrative rule without further action by the General Assembly, that the Department of Revenue shall take administrative action to reconcile the onerous incongruities in these individual taxpayer filing deadlines; and be it further

RESOLVED, That the Department of Revenue shall report to the General Assembly no later than January 1, 2005, to recommend legislative actions to be taken to reduce or eliminate incongruities in federal/State taxpayer filing deadlines; and be it further

RESOLVED, That a copy of this resolution be presented to the Director of Revenue.

HOUSE RESOLUTION 761

Offered by Representative Jakobsson:

WHEREAS, America's music commands boundless artistic reflections of this country's past and future legacies; and

WHEREAS, America's music transcends culture, gender, race, class, and creed, and thrives freely as it is continually reinvented, rearranged, transformed, and infused by a universe of memories and imaginations; it draws on the personal experiences of men and women and aspires to approximate the complexities of humanity in all degrees of inelegance and beauty; and

WHEREAS, America's music expresses our country's vital cultural and social identities and empowers us to assert and preserve our past for the future; it transforms our wondrous and harsh experiences into potent messages that freely declare democratic choice and freedom of expression; it inspires social justice, enlivens collective action, and reflects our nation's dynamic social movements; and

WHEREAS, John Philip Sousa's music embodies the unflagging spirit of this nation; his music, a product of a renaissance in American art and technology, affirmed our parents' contagious patriotism and profound love of country even as they witnessed the brutalities of a nation at war; his music was a fanfare about and for all men and women of these United States; his rousing melodies celebrated the best and worst of our diverse cultures and emerging histories; Sousa's music, both now and then, entertained and telegraphed our nation's indomitable sense of spirit to the world; and

WHEREAS, John Philip Sousa performed over 275 concerts in this great State; his band spread the wealth of his music and a nation's spirit from the humble banks of Illinois' Wabash to its mighty Mississippi, and from Chicago's Great Lake to the Ohio's "La Belle Riviere"; his profound devotion to America moved him in May of 1917, at the age of 62, to enlist in the United States Navy and serve as the coordinator of the music program at Chicago's Great Lakes Naval Training Center; as one of Illinois' most celebrated residents, Sousa championed music education throughout the State as well as the nation; and

WHEREAS, John Philip Sousa and his band served as the model for the University of Illinois' innovative band program; the university's vital band program eventually established the standard for all college and university bands throughout the United States; Sousa was named "Honorary Conductor" of the University's Concert Band on March 20, 1930, and upon his death in 1932, he bequeathed to the University his band's entire performance library; he believed his music and legacy could be preserved only through active performance by a band and its director as capable as his own ensemble; and

WHEREAS, Today the State of Illinois and the University of Illinois at Urbana-Champaign are home to the single greatest collection of original music compositions and arrangements by John Philip Sousa; the university is also the residence of one of this country's most recognized university bands and music programs and the largest public university library in the world; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the month of November American Music Month to celebrate both John Philip Sousa's birth on November 6, 1854, and his monumental contributions to America's and the State of Illinois' music heritage; and be it further

RESOLVED, That all forms of America's music will be honored, celebrated, and preserved for future generations as expressions of the democratic freedoms that John Philip Sousa so eloquently embodied through his music, and his music remains a hallmark of this nation's indomitable spirit; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Sousa Archives and Center for American Music at the University of Illinois at Urbana-Champaign as a memento of the celebration of this month.

(65 ILCS 5/9-2-4.5 new)

HOUSE BILL 4688. Having been read by title a second time on March 23, 2004, and held on the order of Second Reading, the same was again taken up.

Representative Colvin offered the following amendment and moved its adoption.

AMENDMENT NO. 1 . Amend House Bill 4688 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Grow Our Own Teacher Education Act.

Section 5. Purpose. The Grow Our Own Teacher preparation programs established under this Act shall comprise a major new statewide initiative, known as the Grow Our Own Teacher Education Initiative, to prepare highly skilled, committed teachers who will teach in hard-to-staff schools and hard-to-staff teaching positions and who will remain in these schools for substantial periods of time.

The Grow Our Own Teacher Education Initiative shall effectively recruit and prepare parent and community leaders and paraeducators to become effective teachers and teacher leaders statewide in hard-to-staff schools and hard-to-staff teaching positions in schools serving a substantial percentage of low-income students. Further, the Initiative shall increase the diversity of teachers, including diversity based on race, ethnicity, and disability.

The Grow Our Own Teacher Education Initiative shall ensure educational rigor by effectively preparing students in accredited bachelor's degree programs in teaching, through which graduates shall meet the requirements to secure an Illinois standard teaching certificate.

The goal of the Grow Our Own Teacher Education Initiative is to add 1,000 teachers to low-income and other hard-to-staff Illinois schools by 2016 with an average retention period of 7 years, as opposed to the current rate of 2.5 years for new teachers in such areas.

Section 10. Definitions. In this Act:

"Accredited teacher preparation program" means a State or regionally accredited higher education program authorized to prepare individuals to fulfill all of the requirements to receive an Illinois standard teaching certificate.

"Hard-to-staff school" means an elementary or secondary school that, based on data compiled by the State Board of Education, ranks in the upper third of schools in this State on a combined index measuring the percentage of the school's teachers who are not fully certified and the percentage of the school's teachers who leave their positions annually.

"Hard-to-staff teaching position" means a teaching category (such as special education, mathematics, or science) in which statewide data compiled by the State Board of Education indicates a multi-year pattern of substantial teacher shortage or that has been identified as a critical need by the local school board.

"Initiative" means the Grow Our Own Teacher Education Initiative created under this Act.

"Paraeducators" means individuals with a history of demonstrated accomplishments in school staff positions (such as teacher assistants, school-community liaisons, school clerks, and security aides) in schools serving a substantial percentage of low-income students.

"Parent and community leaders" means individuals with a significant history of involvement in improving schools serving a substantial percentage of low-income students, including membership in a community organization.

"Community organization" means a nonprofit organization that has a demonstrated capacity to train, develop, and organize parents and community leaders into a constituency that will hold the school and the school district accountable for achieving high academic standards; in addition to organizations with a geographic focus, "community organization" includes general parent organizations, organizations of special education or bilingual education parents, and school employee unions.

"Program" means a Grow Our Own Teacher preparation program established by a consortium under this Act.

"Schools serving a substantial percentage of low-income students" means schools whose percentage of students receiving free or reduced-price lunches is at or above the district-average percentage.

"State Board" means the State Board of Education.

Section 15. Creation of Initiative. The Grow Our Own Teacher Education Initiative is created. The State Board shall administer the Initiative as a grant competition to fund consortia that will carry out Grow Our Own Teacher preparation programs.

Section 20. Selection of grantees. The State Board shall award grants to up to 10 qualified consortia that reflect the distribution and diversity of target hard-to-staff schools across this State. In awarding grants, the State Board shall select programs that successfully address Initiative criteria and that reflect a diversity of strategies in terms of serving urban areas, serving rural areas, the nature of the participating institutions of

higher education, whether participants will be trained at the baccalaureate or master's level, and the nature of hard-to-staff teaching positions on which a program is focused.

The State Board shall select consortia that meet the following requirements:

(1) A consortium shall be composed of at least one 4-year institution of higher education with an accredited teacher preparation program, at least one school district or group of schools, and one or more community organizations. The consortium may also include a 2-year institution of higher education or a school employee union or both.

(2) The 4-year institution of higher education participating in the consortium shall have past, demonstrated success in preparing teachers for elementary or secondary schools serving a substantial percentage of low-income students.

(3) The consortium shall focus on a clearly defined set of target schools serving a substantial percentage of low-income students that will be the primary focus of the program. The consortium shall articulate the steps that it will carry out in preparing teachers for its target hard-to-staff schools and in preparing teachers for one or more hard-to-staff teaching positions in its target schools.

(4) Student participants in a program under the Initiative must hold a high school diploma or its equivalent and must meet either the definition of "parent and community leaders" or the definition of "paraeducators" contained in Section 10 of this Act.

(5) The consortium shall employ effective procedures for teaching the skills and knowledge needed to prepare highly competent teachers. Instruction shall include on-going direct experience in target schools and analysis of this experience.

(6) The consortium shall offer the program to cohorts of students who begin by moving through the program together. The program shall be offered on a schedule that enables students to work full time while participating in the program and allows paraeducators to continue in their current positions. The consortium shall guarantee that support will be available to an admitted cohort through the cohort's full period of training. At the beginning of the Initiative, programs that are already operating and existing cohorts of students under this model shall be eligible for funding.

(7) The institutions of higher education participating in the consortium shall document and agree to expend the same amount of funds in implementing the program that these institutions spend per student on similar educational programs. Grants received by the consortium shall supplement and not supplant these amounts.

(8) The State Board shall establish additional criteria for review of proposals, including criteria that address the following issues:

(A) Previous experience of the institutions of higher education in preparing students for hard-to-staff schools and positions and in working with students with non-traditional backgrounds.

(B) The quality of the implementation plan, including strategies for overcoming institutional barriers to the progress of non-traditional students.

(C) If a community college is a participant, the nature and extent of existing articulation agreements and guarantees between the community college and the 4-year institution of higher education.

(D) The number of participants to be trained in the current cohort or cohorts and the capacity of the consortium for adding cohorts in future cycles.

(E) Experience of the community organization or organizations in organizing parents and community leaders to achieve school improvement and a strong relational school culture.

(F) The qualifications of the person or persons designated by the 4-year institution of higher education to be responsible for cohort support and the development of a shared learning and social environment among participants.

(G) The consortium's plan for collective consortium decision-making, including mechanisms for community and participant input.

(H) The consortium's plan for direct impact of the program on the quality of education in the target schools.

(I) The relevance of the curriculum to the needs of targeted schools and positions, and the use in curriculum and instructional planning of principles for effective adult education.

(J) The availability of classes under the program in places and times accessible to the participants.

(K) Provision of a level of performance to be maintained by participants as a condition of continuing in the program.

(L) The plan of the 4-year institution of higher education to ensure that students take advantage of existing financial aid resources before using the loan funds described in Section 25 of this Act.

(M) The availability of supportive services, including counseling, tutoring, and child care.

(N) A plan for continued participation of graduates of the program in a program of support for at least 2 years, including mentoring and group meetings.

(O) A plan for testing and qualitative evaluation of participants' teaching skills that ensures that graduates of the program are as prepared for teaching as those from the conventional teacher training program of the 4-year institution of higher education.

(P) A plan for internal evaluation that provides reports at least yearly on the progress of participants towards graduation and the impact of the program on the target schools and their communities.

(Q) Contributions from schools, school districts, and other consortia members to the program, including stipends for participants during their student teaching.

(R) Consortium commitment for sustaining the program over time, as evidenced by plans for reduced requirements for external funding in subsequent cycles.

Section 25. Expenditures under the Initiative.

(a) Every program under the Initiative shall implement and manage a program of forgivable loans to cover any portion of tuition and direct expenses of students under the program in excess of grants-in-aid and other forgivable loans received. All students admitted to a cohort shall be eligible for such loans. Loans shall be fully forgiven if a graduate completes 5 years of service in a hard-to-staff school or hard-to-staff teaching position.

(b) Grants under the Initiative shall be awarded in such a way as to provide the required support for a cohort of students for the cohort's entire training period. Program budgets must show expenditures for the entire period that participants are expected to be enrolled.

(c) No funds under the Initiative may be used to supplant the average per-capita expenditures by the institution of higher education for students in regular education degree programs.

(d) Where necessary, program budgets shall include the costs of child care to permit parents to maintain a full class schedule. Child care may be provided by the community organization or organizations or be independently contracted for.

(e) The institution of higher education may expend grant funds to cover the salary of a site-based cohort coordinator and the additional costs of offering classes in community settings and for tutoring services.

(f) The community organization or organizations may receive a portion of the grant money for the expenses of recruitment, community orientation, and counseling of potential participants, for providing space in the community, and for working with school personnel to facilitate individual work experiences and support of participants.

(g) The school district or school employee union or both may receive a portion of the grant money for expenses of supporting the work experiences of participants and providing mentors for graduates.

Section 30. Implementation of Initiative. The State Board shall develop guidelines and application procedures for the Initiative in fiscal year 2005. The State Board may, if it chooses, award a small number of planning grants during fiscal year 2005 to potential consortia using existing resources. The first programs under the Initiative shall be awarded grants in such a way as to allow participants to begin their work at the beginning of the 2005-2006 school year.

Section 35. Independent program evaluation. The State Board shall contract for an independent evaluation of program implementation by each of its participating consortia and of the impact of each program, including the extent of student persistence in program enrollment, acceptance as an education major in a 4-year institution of higher education, completion of a bachelor's degree in teaching, obtaining a teaching position in a target school or similar school, subsequent effectiveness as a teacher, and persistence in teaching in a target school or similar school. The evaluation shall assess the Initiative's overall effectiveness and shall identify particular program strategies that are especially effective.

Section 40. Funding. Funding of the Initiative is subject to appropriation. \$200,000 of the amount appropriated each fiscal year for the Initiative shall be allocated to carry out the independent program evaluation under Section 35 of this Act, and the remainder shall be allocated to participating consortia.

Section 90. Rules. The State Board may adopt any rules necessary to carry out its responsibilities under this Act.

Section 99. Effective date. This Act takes effect January 1, 2005."

HOUSE BILL 4318. Having been printed, was taken up and read by title a second time.

Representative Lindner offered the following amendment and moved its adoption:

AMENDMENT NO. 1 . Amend House Bill 4318 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 607 as follows:

(750 ILCS 5/607) (from Ch. 40, par. 607)
Sec. 607. Visitation.

(a) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger seriously the child's physical, mental, moral or emotional health. If the custodian's street address is not identified, pursuant to Section 708, the court shall require the parties to identify reasonable alternative arrangements for visitation by a non-custodial parent, including but not limited to visitation of the minor child at the residence of another person or at a local public or private facility.

(a-5)(1) Except as otherwise provided in this subsection (a-5), any grandparent, great-grandparent, or sibling may file a petition for visitation rights to a minor child if there is an unreasonable denial of visitation and at least one of the following conditions exists:

(A) one parent of the child is incompetent as a matter of law or deceased or has been sentenced to a period of imprisonment for more than 1 year;

(B) the child's mother and father are divorced or have been legally separated from each other during the 3 month period prior to the filing of the petition and at least one parent does not object to the grandparent, great-grandparent, or sibling having visitation with the child. The visitation of the grandparent, great-grandparent, or sibling must not diminish the visitation of the parent who is not related to the grandparent, great-grandparent, or sibling seeking visitation;

(C) the court has terminated a parent-child relationship and the grandparent, great-grandparent, or sibling is the parent of the person whose parental rights have been terminated, except in cases of adoption. The visitation must not be used to allow the parent who lost parental rights to unlawfully visit with the child;

(D) the child resided in the home of the grandparent, great-grandparent, or sibling for a period of 6 consecutive months or more and the grandparent, great-grandparent, or sibling was the primary caregiver for the child within the 2 years prior to the filing of the petition;

(E) the child is illegitimate, the parents are not living together, and the petitioner is a maternal grandparent, great-grandparent, or sibling of the illegitimate child; or

(F) the child is illegitimate, the parents are not living together, the petitioner is a paternal grandparent, great-grandparent, or sibling, and the paternity has been established by a court of competent jurisdiction.

(2) The grandparent, great-grandparent, or sibling of a parent whose parental rights have been terminated through an adoption proceeding may not petition for visitation rights.

(3) In making a determination under this subsection (a-5), there is a rebuttable presumption that a fit parent's actions and decisions regarding grandparent, great-grandparent, or sibling visitation are not harmful to the child's mental, physical, or emotional health. The burden is on the party filing a petition under this Section to prove that the parent's actions and decisions regarding visitation times are harmful to the child's mental, physical, or emotional health.

(4) In determining whether to grant visitation, the court shall consider the following:

(A) the preference of the child if the child is determined to be of sufficient maturity to express a preference;

(B) the mental and physical health of the child;

(C) the mental and physical health of the grandparent, great-grandparent, or sibling;

(D) the length and quality of the prior relationship between the child and the grandparent, great-grandparent, or sibling;

(E) the good faith of the party in filing the petition;

(F) the good faith of the person denying visitation;

(G) the quantity of the visitation time requested and the potential adverse impact that visitation would have on the child's customary activities;

(H) whether the child resided with the petitioner for at least 6 consecutive months with or without the current custodian present;

(I) whether the petitioner had frequent or regular contact with the child for at least 12 consecutive months; and

(J) any other fact that establishes that the loss of the relationship between the petitioner and the child is likely to harm the child's mental, physical, or emotional health.

(5) The court may order visitation rights for the grandparent, great-grandparent, or sibling that include reasonable access without requiring overnight or possessory visitation.

(a-7)(1) Unless by stipulation of the parties, no motion to modify a grandparent, great-grandparent, or sibling visitation order may be made earlier than 2 years after the date the order was filed, unless the court

permits it to be made on the basis of affidavits that there is reason to believe the child's present environment may endanger seriously the child's mental, physical, or emotional health.

(2) The court shall not modify a prior grandparent, great-grandparent, or sibling visitation order unless it finds by clear and convincing evidence, upon the basis of facts that have arisen since the prior visitation order or that were unknown to the court at the time of entry of the prior visitation, that a change has occurred in the circumstances of the child or his or her custodian, and that the modification is necessary to protect the mental, physical, or emotional health of the child. The court shall state in its decision specific findings of fact in support of its modification or termination of the grandparent, great-grandparent, or sibling visitation.

(3) Attorney fees and costs shall be assessed against a party seeking modification of the visitation order if the court finds that the modification action is vexatious and constitutes harassment.

(4) Notice under this subsection (a-7) shall be given as provided in subsections (c) and (d) of Section 601.

~~(b) (1) (Blank.) The court may grant reasonable visitation privileges to a grandparent, great grandparent, or sibling of any minor child upon petition to the court by the grandparents or great grandparents or on behalf of the sibling, with notice to the parties required to be notified under Section 601 of this Act, if the court determines that it is in the best interests and welfare of the child, and may issue any necessary orders to enforce such visitation privileges. Except as provided in paragraph (2) of this subsection (b), a petition for visitation privileges may be filed under this paragraph (1) whether or not a petition pursuant to this Act has been previously filed or is currently pending if one or more of the following circumstances exist:~~

~~(A) the parents are not currently cohabiting on a permanent or an indefinite basis;~~

~~(B) one of the parents has been absent from the marital abode for more than one month without the spouse knowing his or her whereabouts;~~

~~(C) one of the parents is deceased;~~

~~(D) one of the parents joins in the petition with the grandparents, great grandparents, or sibling; or~~

~~(E) a sibling is in State custody.~~

(1.5) The Court may grant reasonable visitation privileges to a stepparent upon petition to the court by the stepparent, with notice to the parties required to be notified under Section 601 of this Act, if the court determines that it is in the best interests and welfare of the child, and may issue any necessary orders to enforce those visitation privileges. A petition for visitation privileges may be filed under this paragraph (1.5) whether or not a petition pursuant to this Act has been previously filed or is currently pending if the following circumstances are met:

(A) the child is at least 12 years old;

(B) the child resided continuously with the parent and stepparent for at least 5 years;

(C) the parent is deceased or is disabled and is unable to care for the child;

(D) the child wishes to have reasonable visitation with the stepparent; and

(E) the stepparent was providing for the care, control, and welfare to the child prior to the initiation of the petition for visitation.

(2)(A) A petition for visitation privileges shall not be filed pursuant to this subsection (b) by the parents or grandparents of a putative father if the paternity of the putative father has not been legally established.

(B) A petition for visitation privileges may not be filed under this subsection (b) if the child who is the subject of the grandparents' or great-grandparents' petition has been voluntarily surrendered by the parent or parents, except for a surrender to the Illinois Department of Children and Family Services or a foster care facility, or has been previously adopted by an individual or individuals who are not related to the biological parents of the child or is the subject of a pending adoption petition by an individual or individuals who are not related to the biological parents of the child.

~~(3) (Blank). When one parent is deceased, the surviving parent shall not interfere with the visitation rights of the grandparents.~~

(c) The court may modify an order granting or denying visitation rights of a parent whenever modification would serve the best interest of the child; but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger seriously the child's physical, mental, moral or emotional health. The court may modify an order granting, denying, or limiting visitation rights of a grandparent, great-grandparent, or sibling of any minor child whenever a change of circumstances has occurred based on facts occurring subsequent to the judgment and the court finds by clear and convincing evidence that the modification is in the best interest of the minor child.

(d) If any court has entered an order prohibiting a non-custodial parent of a child from any contact with a child or restricting the non-custodial parent's contact with the child, the following provisions shall apply:

(1) If an order has been entered granting visitation privileges with the child to a grandparent or great-grandparent who is related to the child through the non-custodial parent, the visitation privileges of the grandparent or great-grandparent may be revoked if:

(i) a court has entered an order prohibiting the non-custodial parent from any contact with the child, and the grandparent or great-grandparent is found to have used his or her visitation privileges to facilitate contact between the child and the non-custodial parent; or

(ii) a court has entered an order restricting the non-custodial parent's contact with the child, and the grandparent or great-grandparent is found to have used his or her visitation privileges to facilitate contact between the child and the non-custodial parent in a manner that violates the terms of the order restricting the non-custodial parent's contact with the child.

Nothing in this subdivision (1) limits the authority of the court to enforce its orders in any manner permitted by law.

(2) Any order granting visitation privileges with the child to a grandparent or great-grandparent who is related to the child through the non-custodial parent shall contain the following provision:

"If the (grandparent or great-grandparent, whichever is applicable) who has been granted visitation privileges under this order uses the visitation privileges to facilitate contact between the child and the child's non-custodial parent, the visitation privileges granted under this order shall be permanently revoked."

(e) No parent, not granted custody of the child, or grandparent, or great-grandparent, or stepparent, or sibling of any minor child, convicted of any offense involving an illegal sex act perpetrated upon a victim less than 18 years of age including but not limited to offenses for violations of Article 12 of the Criminal Code of 1961, is entitled to visitation rights while incarcerated or while on parole, probation, conditional discharge, periodic imprisonment, or mandatory supervised release for that offense, and upon discharge from incarceration for a misdemeanor offense or upon discharge from parole, probation, conditional discharge, periodic imprisonment, or mandatory supervised release for a felony offense, visitation shall be denied until the person successfully completes a treatment program approved by the court.

(f) Unless the court determines, after considering all relevant factors, including but not limited to those set forth in Section 602(a), that it would be in the best interests of the child to allow visitation, the court shall not enter an order providing visitation rights and pursuant to a motion to modify visitation shall revoke visitation rights previously granted to any person who would otherwise be entitled to petition for visitation rights under this Section who has been convicted of first degree murder of the parent, grandparent, great-grandparent, or sibling of the child who is the subject of the order. Until an order is entered pursuant to this subsection, no person shall visit, with the child present, a person who has been convicted of first degree murder of the parent, grandparent, great-grandparent, or sibling of the child without the consent of the child's parent, other than a parent convicted of first degree murder as set forth herein, or legal guardian.

(g) If an order has been entered limiting, for cause, a minor child's contact or visitation with a grandparent, great-grandparent, or sibling on the grounds that it was in the best interest of the child to do so, that order may be modified only upon a showing of a substantial change in circumstances occurring subsequent to the entry of the order with proof by clear and convincing evidence that modification is in the best interest of the minor child.

(b) Upon request, an insurer shall provide to the Department an actuarial certification certifying that the insurer is in compliance with this Act, and that the rating methods of the insurer are actuarially sound. Such certification shall be in a form and manner, and shall contain such information, as specified by the Director.
