(b) Capital gains and losses. (1) Real property. Capital gains and losses from sales or exchanges of real property are allocable to this State if the property is located in this State.

(2) Tangible personal property. Capital gains and losses from sales or exchanges of tangible personal property are allocable to this State if, at the time of such sale or exchange:

(A) The property had its situs in this State; or

(B) The taxpayer had its commercial domicile in this State and was not taxable in the state in which the property had its situs.

(3) Intangibles. Capital gains and losses from sales or exchanges of intangible personal property are allocable to this State if the taxpayer had its commercial domicile in this State at the time of such sale or exchange.

(c) Rents and royalties. (1) Real property. Rents and royalties from real property are allocable to this State if the property is located in this State.

(2) Tangible personal property. Rents and royalties from tangible personal property are allocable to this State:

(B) In their entirety if, at the time such rents or royalties were paid or accrued, the taxpayer had its commercial domicile in this State and was not organized under the laws of or taxable with respect to such rents or royalties in the state in which the property was utilized. The extent of utilization of tangible personal property in a state is determined by multiplying the rents or royalties derived from such property by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(d) Patent and copyright royalties.

(1) Allocation. Patent and copyright royalties are allocable to this State:

state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in this State if the taxpayer has its commercial domicile in this State.

(B) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in this State if the taxpayer has its commercial domicile in this State.

(e) Illinois lottery prizes. Prizes awarded under the "Illinois Lottery Law", approved December 14, 1973, are allocable to this State.

(e-5) Wagering and gambling winnings. Payments made after December 31, 2004 of winnings from pari-mutuel wagering conducted at a wagering facility licensed under the Illinois Horse Racing Act of 1975 or from gambling games conducted on a riverboat licensed under the Riverboat Gambling Act are allocable to this State.

(f) Taxability in other state. For purposes of allocation of income pursuant to this Section, a taxpayer is taxable in another state if:

(1) In that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) That state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

All reciprocal agreements shall be subject to the requirements of Section 2505-575 of the Department of Revenue Law (20 ILCS 2505/2505-575).

(e) Notwithstanding subsection (a)(2) of this Section, no withholding is required on payments for which

withholding is required under Section 3405 or 3406 of the Internal Revenue Code of 1954.

Each insurance company providing the coverage must provide applicants with a brief description of the coverage and advise them of their right to reject the coverage in excess of the limits set forth in Section 7-203 of The Illinois Vehicle Code. The provisions of this amendatory Act of 1990 apply to policies of insurance applied for after June 30, 1991.

(2) Right of rejection of additional uninsured motorist coverage. Any named insured or applicant After June 30, 1991, every application for motor vehicle coverage must contain a space for indicating the rejection of additional uninsured motorist coverage. No rejection of that coverage may be effective unless the applicant signs or initials the indication of rejection. The applicant may reject additional uninsured motorist coverage in excess of the limits set forth in Section 7-203 of the Illinois Vehicle Code by making a written request for limits of uninsured motorist coverage which are less than bodily injury liability limits or

a written rejection of limits in excess of those required by law. This election or rejection shall be binding on all persons insured under the policy. In those cases ~~including policies first issued before July 1, 1991,~~ where the insured has elected to purchase limits of uninsured motorist coverage which are less than bodily injury liability limits or to reject limits in excess of those required by law, the insurer need not provide in any renewal, reinstatement, reissuance, substitute, amended, replacement or supplementary policy, coverage in excess of that elected by the insured in connection with a policy previously issued to such insured by the same insurer unless the insured subsequently makes a written request for such coverage.

(3) The original ~~document application~~ indicating the applicant's selection of uninsured motorist coverage limits shall constitute sufficient evidence of the applicant's selection of uninsured motorist coverage limits ~~and shall be binding on all persons insured under the policy.~~ For purposes of this Section any reproduction of the ~~document application~~ by means of photograph, photostat, microfiche, computerized optical imaging process, or other similar process or means of reproduction shall be deemed the equivalent of the original ~~document application.~~

(4) For the purpose of this Code the term "underinsured motor vehicle" means a motor vehicle whose ownership, maintenance or use has resulted in bodily injury or death of the insured, as defined in the policy, and for which the sum of the limits of liability under all bodily injury liability insurance policies or under bonds or other security required to be maintained under Illinois law applicable to the driver or to the person or organization legally responsible for such vehicle and applicable to the vehicle, is less than the limits for underinsured coverage provided the insured as defined in the policy at the time of the accident. The limits of liability for an insurer providing underinsured motorist coverage shall be the limits of such coverage, less those amounts actually recovered under the applicable bodily injury insurance policies, bonds or other security maintained on the underinsured motor vehicle. ~~However, the maximum amount payable by the underinsured motorist coverage carrier shall not exceed the amount by which the limits of the underinsured motorist coverage exceeds the limits of the bodily injury liability insurance of the owner or operator of the underinsured motor vehicle.~~

On or after July 1, 1983, no policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance or use of a motor vehicle shall be renewed or delivered or issued for delivery in this State with respect to any motor vehicle designed for use on public highways and required to be registered in this State unless underinsured motorist coverage is included in such policy in an amount equal to the total amount of uninsured motorist coverage provided in that policy where such uninsured motorist coverage exceeds the limits set forth in Section 7-203 of the Illinois Vehicle Code.

The changes made to this subsection (4) by this amendatory Act of the 93rd General Assembly apply to policies issued or renewed on or after December 1, 2004.

(5) Scope. Nothing herein shall prohibit an insurer from setting forth policy terms and conditions which provide that if the insured has coverage available under this Section under more than one policy or provision of coverage, any recovery or benefits may be equal to, but may not exceed, the higher of the applicable limits of the respective coverage, and the limits of liability under this Section shall not be increased because of multiple motor vehicles covered under the same policy of insurance. Insurers providing liability coverage on an excess or umbrella basis are neither required to provide, nor are they prohibited from offering or making available coverages conforming to this Section on a supplemental basis. Notwithstanding the provisions of this Section, an insurer shall not be prohibited from solely providing a combination of uninsured and underinsured motorist coverages where the limits of liability under each coverage is in the same amount.

(6) Subrogation against underinsured motorists. No insurer shall exercise any right of subrogation under a policy providing additional uninsured motorist coverage against an underinsured motorist where the insurer has been provided with written notice in advance of a settlement between its insured and the underinsured motorist and the insurer fails to advance a payment to the insured, in an amount equal to the tentative settlement, within 30 days following receipt of such notice.

(7) A policy which provides underinsured motor vehicle coverage may include a clause which denies payment until the limits of liability or portion thereof under all bodily injury liability insurance policies applicable to the underinsured motor vehicle and its operators have been partially or fully exhausted by payment of judgment or settlement. A judgment or settlement of the bodily injury claim in an amount less than the limits of liability of the bodily injury coverages applicable to the claim shall not preclude the claimant from making an underinsured motorist claim against the underinsured motorist coverage. Any such provision in a policy of insurance shall be inapplicable if the insured, or the legal representative of the insured, and the insurer providing underinsured motor vehicle coverage agree that the insured has suffered

bodily injury or death as the result of the negligent operation, maintenance, or use of an underinsured motor vehicle and, without arbitration, agree also on the amount of damages that the insured is legally entitled to collect. The maximum amount payable pursuant to such an underinsured motor vehicle insurance settlement agreement shall not exceed the amount by which the limits of the underinsured motorist coverage exceed the limits of the bodily injury liability insurance of the owner or operator of the underinsured motor vehicle. Any such agreement shall be final as to the amount due and shall be binding upon both the insured and the underinsured motorist insurer regardless of the amount of any judgment, or any settlement reached between any insured and the person or persons responsible for the accident. No such settlement agreement shall be concluded unless: (i) the insured has complied with all other applicable policy terms and conditions; and (ii) before the conclusion of the settlement agreement, the insured has filed suit against the underinsured motor vehicle owner or operator and has not abandoned the suit, or settled the suit without preserving the rights of the insurer providing underinsured motor vehicle coverage in the manner described in paragraph (6) of this Section.

"Construction manager" means any individual, sole proprietorship, firm, partnership, corporation, or other legal entity providing construction management services for a State agency and prequalified by the State of Illinois in accordance with 30 ILCS 500/33-10.

(30 ILCS 500/33-10 new)

Sec. 33-10. Prequalification. A State agency shall establish procedures to prequalify firms seeking to provide construction management services or may use prequalification lists from other State agencies to meet the requirements of this Section.

(30 ILCS 500/33-15 new)

Sec. 33-15. Public notice. Whenever a project requiring construction management services is proposed for a State agency, the State agency shall provide no less than a 14-day advance notice published in a request for proposals setting forth the projects and services to be procured. The request for proposals shall be mailed to each firm that is prequalified under Section 33-10. The request for proposals shall include a description of each project and shall state the time and place for interested firms to submit a letter of interest and, if required by the request for proposals, a statement of qualifications.

(30 ILCS 500/33-20 new)

Sec. 33-20. Evaluation procedure. A State agency shall evaluate the construction managers submitting letters of interest and other prequalified construction managers, taking into account qualifications; and the State agency may consider, but shall not be limited to considering, ability of personnel, past record and experience, performance data on file, willingness to meet time requirements, location, workload of the construction manager, and any other qualifications-based factors as the State agency may determine in writing are applicable. The State agency may conduct discussions with and require public presentations by construction managers deemed to be the most qualified regarding their qualifications, approach to the project, and ability to furnish the required services.

A State agency shall establish a committee to select construction managers to provide construction management services. A selection committee may include at least one public member. The public member may not be employed or associated with any firm holding a contract with the State agency nor may the public member's firm be considered for a contract with that State agency while he or she is serving as a public member of the committee.

The State agency shall then contract at a fair and reasonable compensation. If fewer than 3 firms submit letters of interest and the State agency determines that one or both of those firms are so qualified, the State agency may proceed to negotiate a contract under Section 33-30. In making this decision, the State agency shall take into account the estimated value, scope, complexity, and nature of the services to be rendered. In no case may a State agency establish a payment formula designed to eliminate firms from contention or restrict competition or negotiation of fees.

(b) If the State agency is unable to negotiate a satisfactory contract with the firm that is highest ranked, negotiations with that firm shall be terminated. The State agency shall then begin negotiations with the firm that is next highest ranked. If the State agency is unable to negotiate a satisfactory contract with that firm, negotiations with that firm shall be terminated. The State agency shall then begin negotiations with the firm that is next highest ranked.

(c) If the State agency is unable to negotiate a satisfactory contract with any of the selected firms, the State agency shall re-evaluate the construction management services requested, including the estimated value, scope, complexity, and fee requirements. The State agency shall then compile a list of not less than 3 prequalified firms and proceed in accordance with the provisions of this Act.

(30 ILCS 500/33-55 new)

Sec. 33-55. Prohibited conduct. No construction management services contract may be awarded by a State agency on a negotiated basis as provided in this Article if the construction manager or an entity that controls, is controlled by, or shares common ownership or control with the construction manager (i) guarantees, warrants, or otherwise assumes financial responsibility for the work of others on the project; (ii) provides the State agency with a guaranteed maximum price for the work of others on the project; or (iii) furnishes or guarantees a performance or payment bond for other contractors on the project. In any such case, the contract for construction management services must be let by competitive bidding as in the case of contracts for construction work.

(55 ILCS 5/5-1130 new)

Sec. 5-1130. Intergovernmental Cooperation Council.

(a) The purpose of this Section is to provide a framework and incentives for intergovernmental cooperation for development and implementation of coordinated land use, transportation, and infrastructure plans that reduce traffic congestion, conserve land, provide housing conveniently accessible to jobs, and make the most efficient use of public infrastructure investments.

(b) A county board may, by resolution, establish an Intergovernmental Cooperation Council ("Council") with its membership consisting of the mayor of each municipality within the county, up to 6 county board members, and such other members as may be determined by the county and municipal members, except that the number of county board members appointed to the Council shall not exceed the number of mayors appointed to the Council. The county board members shall be appointed by the chairman of the county board. If the county has an existing planning commission that was established by the county board under the Regional Planning Commission Act or under Division 5-14 of the Counties Code, then the county board may designate that planning commission as the Intergovernmental Cooperation Council for that county. If the county is within the Northeastern Illinois Planning Commission or the Southwestern Illinois Metro Planning Commission, then the county board may designate that commission as the Intergovernmental Cooperation Council for the county.

Within 60 days after the establishment of an Intergovernmental Cooperation Council in accordance with this Section, the Council must notify the Department of Commerce and Economic Opportunity of the establishment of the Council and the identity of the Council members.

Each municipal and county board representative shall be entitled to a vote; the other members shall be nonvoting members, unless authorized to vote by the unanimous consent of the voting members.

A municipality that is located in more than one county may choose, at the time of formation of the Council, to participate in the Council program of either or both of the counties.

The Council shall adopt by-laws, by a majority vote of the county and municipal members, to govern the functions of the Council and its subcommittees.

Officers of the Council shall include a chair and vice chair, one of whom shall be a county representative and one a municipal representative.

Principal duties of the Council, as further described in this Section, shall be (i) to develop coordinated land use, transportation, and infrastructure plans and intergovernmental Local Land Resource Management Plans that address the elements of a comprehensive plan under Section 25 of the Local Planning Technical Assistance Act and that foster intergovernmental cooperation and (ii) to direct implementation and revision of the plans and procedures.

The Council must coordinate all plans and activities with any Economic Development Districts designated by the Economic Development Administration Division of the U.S. Department of Commerce that are within the county.

The Council may retain planning, mediation, negotiation, engineering, legal, and financial advisors and administrative personnel, subject to the budgetary, purchasing, and personnel policies of the county.

The Council shall meet at least quarterly and shall hold at least one public hearing during the preparation of each plan.

(c) The county board may, by resolution, assign the Intergovernmental Cooperation Council to serve as the county planning commission as provided in Division 5-14 and in the Regional Planning Commission Act. In counties exercising this option, the Council shall assume all the duties and responsibilities of the county planning commission and the Local Land Resource Management Plan shall meet the requirements of and serve as the county plan as provided in Section 5-14001.

(d) The Intergovernmental Cooperation Council shall have the responsibility to prepare, for recommendation to the county board, a Local Land Resource Management Plan for all or substantial portions of the county. The Local Land Resource Management Plan shall, to the greatest extent practical, include coordinated land use, transportation, and infrastructure plans and encourage development and redevelopment patterns that reduce traffic congestion, support transit, conserve land, protect natural resources, provide housing conveniently accessible to jobs, and make the most efficient use of public infrastructure investments. The Local Land Resource Management Plan should incorporate (i) municipal and intergovernmental plans and other countywide plans and (ii) the elements of a comprehensive plan under Section 25 of the Local Planning Technical Assistance Act, to the greatest extent practical.

(e) The Intergovernmental Cooperation Council may prepare, for recommendation to the county board, a procedure for intergovernmental cooperation that provides for:

(1) an efficient and timely process for intergovernmental review of public and private land use, development, and transportation proposals with greater than local impacts; and

(2) a voluntary procedure for early resolution of intergovernmental disputes regarding public and private land use, development, transportation, and annexation actions, prior to administrative or judicial hearings.

Public and private land use, development, and transportation proposals with greater than local impact shall require notification to interested governments, which shall include, at a minimum: (i) any local

government with jurisdiction over the property in question; (ii) the county; (iii) adjacent municipalities; (iv) the Metropolitan Planning Organization or any other regional transportation agency; and (v) any regional planning agency established by State law having jurisdiction for the county. It shall be the responsibility of the Intergovernmental Cooperation Council to establish definitions and procedures for implementation of this subsection. The notification requirement shall extend to any local development project that meets certain threshold conditions as to size and probable impact as defined by the Intergovernmental Cooperation Council. Within 45 days after notification, notified entities must prepare and submit comments. The sponsoring government may hold a meeting with interested parties to discuss and seek resolution of issues raised in the comments. Completion of notification and responsiveness to comments shall enhance the priority position for State funding in support of the proposed project.

(f) An Intergovernmental Cooperation Council may develop a procedure providing for the early voluntary resolution of intergovernmental disputes. These procedures shall allow local governmental entities to request the Council to review disputes regarding public and private land use, development, transportation, and annexation actions, prior to seeking administrative or judicial hearings. The Council shall review actions only if each party to the dispute requests it. In conducting the review, the Council shall provide each party the opportunity to present its case. In making its finding the Council shall determine whether the proposed action on the part of the first party does in fact have a negative impact on the second party, and if so, identify an appropriate mitigation or alternative course of action. In making its decision, the Council shall consider the adopted Local Land Resource Management Plan and any other plans prepared by the Council. The Council shall forward its written findings to the governing body of each party. The findings of the Council shall be non-binding and shall in no case affect the ability of each party to pursue other administrative or judicial hearings, unless otherwise agreed in writing by each party.

(g) In the preparation of its plans, the Intergovernmental Cooperation Council shall coordinate the planning process with any regional or multi-county planning agency having jurisdiction for the county and shall coordinate with each adjoining county to ensure that recommended plans and projects have minimum adverse impacts. An adopted Local Land Resource Management Plan and any other plan prepared by the Council shall identify steps taken to coordinate the development of plan recommendations with adjoining counties and any regional or multi-county planning agency having jurisdiction for the county.

(h) A unit of local government shall receive priority consideration for State grants and other State programs if the affected unit of local government is located in a county that has: (i) established an Intergovernmental Cooperation Council; (ii) adopted a Local Land Resource Management Plan that has been deemed to be "joint and compatible" by resolution of the affected unit of local government; and (iii) established procedures for intergovernmental review.

(i) The powers granted under this Section are in addition to any other powers granted under any other law.

All workpapers shall be made available to the Commissioner upon request. Except as authorized by the Commissioner, no person obtaining access to confidential supervisory information may make a copy of the confidential supervisory information. The Commissioner may condition a decision to disclose confidential supervisory information on entry of a protective order by the court or administrative tribunal presiding in the particular case or on a written agreement of confidentiality. In a case in which a protective order or agreement has already been entered between parties other than the Commissioner, the Commissioner may nevertheless condition approval for release of confidential supervisory information upon the inclusion of additional or amended provisions in the protective order. The Commissioner may authorize a party who obtained the records for use in one case to provide them to another party in another case, subject to any conditions that the Commissioner may impose on either or both parties. The requestor shall promptly notify other parties to a case of the release of confidential supervisory information obtained and, upon entry of a protective order, shall provide copies of confidential supervisory information to the other parties.

(f) The Commissioner, deputy commissioners, and employees of the Office of Banks and Real Estate shall be subject to the restrictions provided in Section 2.5 of the Office of Banks and Real Estate Act including, without limitation, the restrictions on (i) owning shares of stock or holding any other equity interest in an entity regulated under this Act or in any corporation or company that owns or controls an entity regulated under this Act; (ii) being an officer, director, employee, or agent of an entity regulated under this Act; and (iii) obtaining a loan or accepting a gratuity from an entity regulated under this Act.

(g) After the initial examination for those licensees whose only mortgage activity is servicing fewer than 1,000 Illinois residential loans, the examination required in subsection (a) may be waived upon submission of a letter from the licensee's independent certified auditor that the licensee serviced fewer than 1,000 Illinois residential loans during the year in which the audit was performed.

(205 ILCS 635/4-5) (from Ch. 17, par. 2324-5)

Sec. 4-5. Suspension, revocation of licenses; fines.

(a) Upon written notice to a licensee, the Commissioner may suspend or revoke any license issued pursuant to this Act if he or she shall make a finding of one or more of the following in the notice that:

(1) Through separate acts or an act or a course of conduct, the licensee has violated any provisions of this Act, any rule or regulation promulgated by the Commissioner or of any other law, rule or regulation of this State or the United States.

(2) Any fact or condition exists which, if it had existed at the time of the original application for such license would have warranted the Commissioner in refusing originally to issue such license.

(3) If a licensee is other than an individual, any ultimate equitable owner, officer, director, or member of the licensed partnership, association, corporation, or other entity has so acted or failed to act as would be cause for suspending or revoking a license to that party as an individual.

(b) No license shall be suspended or revoked, except as provided in this Section, nor shall any licensee be fined without notice of his or her right to a hearing as provided in Section 4-12 of this Act.

(c) The Commissioner, on good cause shown that an emergency exists, may suspend any license for a period not exceeding 180 days, pending investigation. Upon a showing that a licensee has failed to meet the experience or educational requirements of Section 2-2 or the requirements of subsection (g) of Section 3-2, the Commissioner shall suspend, prior to hearing as provided in Section 4-12, the license until those requirements have been met.

(d) The provisions of subsection (e) of Section 2-6 of this Act shall not affect a licensee's civil or criminal liability for acts committed prior to surrender of a license.

(e) No revocation, suspension or surrender of any license shall impair or affect the obligation of any pre-existing lawful contract between the licensee and any person.

(f) Every license issued under this Act shall remain in force and effect until the same shall have expired without renewal, have been surrendered, revoked or suspended in accordance with the provisions of this Act, but the Commissioner shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this Act.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this Act or fine a licensee under this Act, he or she shall forthwith execute in duplicate a written order to that effect. The Commissioner shall publish notice of such order in the Illinois Register and post notice of the order on an agency Internet site maintained by the Commissioner ~~a newspaper of general circulation in the county in which the license is located~~ and shall forthwith serve a copy of such order upon the licensee. Any such order may be reviewed in the manner provided by Section 4-12 of this Act.

(h) When the Commissioner finds any person in violation of the grounds set forth in subsection (i), he or she may enter an order imposing one or more of the following penalties:

- (1) Revocation of license;
- (2) Suspension of a license subject to reinstatement upon satisfying all reasonable conditions the Commissioner may specify;
- (3) Placement of the licensee or applicant on probation for a period of time and subject to all reasonable conditions as the Commissioner may specify;
- (4) Issuance of a reprimand;
- (5) Imposition of a fine not to exceed \$25,000 for each count of separate offense; and
- (6) Denial of a license.

(i) The following acts shall constitute grounds for which the disciplinary actions specified in subsection (h) above may be taken:

- (1) Being convicted or found guilty, regardless of pendency of an appeal, of a crime in any jurisdiction which involves fraud, dishonest dealing, or any other act of moral turpitude;
- (2) Fraud, misrepresentation, deceit or negligence in any mortgage financing transaction;
- (3) A material or intentional misstatement of fact on an initial or renewal application;
- (4) Failure to follow the Commissioner's regulations with respect to placement of funds in escrow accounts;
- (5) Insolvency or filing under any provision of the Bankruptcy Code as a debtor;

(6) Failure to account or deliver to any person any property such as any money, fund, deposit, check, draft, mortgage, or other document or thing of value, which has come into his or her hands and which is not his or her property or which he or she is not in law or equity entitled to retain, under the circumstances and at the time which has been agreed upon or is required by law or, in the absence of a fixed time, upon demand of the person entitled to such accounting and delivery;

- (7) Failure to disburse funds in accordance with agreements;

- (8) Any misuse, misapplication, or misappropriation of trust funds or escrow funds;
 - (9) Having a license, or the equivalent, to practice any profession or occupation revoked, suspended, or otherwise acted against, including the denial of licensure by a licensing authority of this State or another state, territory or country for fraud, dishonest dealing or any other act of moral turpitude;
 - (10) Failure to issue a satisfaction of mortgage when the residential mortgage has been executed and proceeds were not disbursed to the benefit of the mortgagor and when the mortgagor has fully paid licensee's costs and commission;
 - (11) Failure to comply with any order of the Commissioner or rule made or issued under the provisions of this Act;
 - (12) Engaging in activities regulated by this Act without a current, active license unless specifically exempted by this Act;
 - (13) Failure to pay in a timely manner any fee, charge or fine under this Act;
 - (14) Failure to maintain, preserve, and keep available for examination, all books, accounts or other documents required by the provisions of this Act and the rules of the Commissioner;
 - (15) Refusal to permit an investigation or examination of the licensee's or its affiliates' books and records or refusal to comply with the Commissioner's subpoena or subpoena duces tecum;
 - (16) A pattern of substantially underestimating the maximum closing costs;
 - (17) Failure to comply with or violation of any provision of this Act.
- (j) A licensee shall be subject to the disciplinary actions specified in this Act for violations of subsection (i) by any officer, director, shareholder, joint venture, partner, ultimate equitable owner, or employee of the licensee.
- (k) Such licensee shall be subject to suspension or revocation for employee actions only if there is a pattern of repeated violations by employees or the licensee has knowledge of the violations.
- (l) Procedure for surrender of license:
- (1) The Commissioner may, after 10 days notice by certified mail to the licensee at the address set forth on the license, stating the contemplated action and in general the grounds therefor and the date, time and place of a hearing thereon, and after providing the licensee with a reasonable opportunity to be heard prior to such action, fine such licensee an amount not exceeding ~~\$10,000~~ \$25,000 per violation, or revoke or suspend any license issued hereunder if he or she finds that:
 - (i) The licensee has failed to comply with any provision of this Act or any order, decision, finding, rule, regulation or direction of the Commissioner lawfully made pursuant to the authority of this Act; or
 - (ii) Any fact or condition exists which, if it had existed at the time of the original application for the license, clearly would have warranted the Commissioner in refusing to issue the license.
 - (2) Any licensee may surrender a license by delivering to the Commissioner written notice that he or she thereby surrenders such license, but surrender shall not affect the licensee's civil or criminal liability for acts committed prior to surrender or entitle the licensee to a return of any part of the license fee.

(205 ILCS 635/4-8.3 new)

Sec. 4-8.3. Annual report of mortgage and servicing activity. On or before March 1 of each year, each licensee, except residential mortgage brokers, shall file a report with the Commissioner that shall disclose such information as the Commissioner requires. (205 ILCS 635/6-2) (from Ch. 17, par. 2326-2)

Sec. 6-2. Removal and prohibition.

(a) Upon making any one or more of the following findings, the Commissioner may issue a notice of intent to issue an order of removal or prohibition, or an order of removal and prohibition, which order may remove a named person, persons, or entity or entities from participating in the affairs of one or more licensees and may be permanent or for a specific shorter period of time. The findings required under this Section may be any one or more of the following:

- (1) A finding that the party or entity subject to the order has been convicted of a crime involving material financial loss to a licensee, a federally insured depository institution, a government sponsored enterprise, a Federal Home Loan Bank, a Federal Reserve Bank, or any other

person.

(2) A finding that the person or entity subject to the order has submitted or caused to be submitted any document that contains multiple willful and material misstatements of facts, and that includes the signature of the person or entity specified in the Commissioner's order, or that is notarized, certified, verified or is in any other way attested to, as to its veracity. An application for licensure or license renewal may be considered such a document.

(3) Conviction of a business offense under subsection (e) of Section 1-3 or subsection (g) of Section 3-2.

(4) A finding prepared by a hearing officer pursuant to a hearing held under Section 4-1(n) of this Act that the person subject to the order, while an employee of a licensee, has knowingly submitted or caused to be submitted any document that contains willful and material misstatement of facts and which is used in connection with any licensable activity as defined in Section 1-3(a) of this Act.

(b) Whenever, in the opinion of the Commissioner, any director, officer, or employee of a licensee shall have violated any law, rule, or order relating to that licensee or shall have obstructed or impeded any examination or investigation by the Commissioner, shall have engaged in an unsafe, unsound, or unlawful practice in conducting the business of the licensee, or shall have violated any law or engaged or participated in any unsafe, unsound or unlawful practice in connection with any licensee or other business entity such that the character and fitness of the director, officer, or employee does not assure reasonable promise of safe, sound, and lawful operation of the licensee, the Commissioner may issue an order of removal. If, in the opinion of the Commissioner, any former director, officer, or employee of a licensee, prior to the termination of his or her service with that licensee, violated any law, rule, or order relating to that licensee, obstructed or impeded any examination or investigation by the Commissioner, engaged in an unsafe or unsound practice in conducting the business of that licensee or any subsidiary or holding company of the licensee, or violated any law or engaged or participated in any unsafe, unsound, or unlawful practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, or employee would not have assured reasonable promise of safe, sound, and lawful operation of the licensee, the Commissioner may issue an order prohibiting that person from further service with a licensee as a director, officer, or employee. An order issued pursuant to this subsection shall be served upon the director, officer, or employee. A copy of the order shall be sent to each owner or director of the licensee affected by registered mail. The person affected by the action may make a request to the Commissioner for a hearing pursuant to Section 4-1(n) within 10 days after receipt of the order. The hearing shall be held before a hearing officer within 30 days after the request has been received by the Commissioner. The hearing officer shall prepare a finding and report the same to the Commissioner who shall consider the finding in making his determination approving, modifying, or disapproving his order as a final administrative decision. If a hearing is held before a hearing officer, the Commissioner shall make his determination within 60 days from the conclusion of the hearing. Any person affected by a decision of the Commissioner under this subsection (b) may have the decision reviewed only under and in accordance with the Administrative Review Law and the rules adopted pursuant thereto. A copy of the order shall also be served upon the licensee of which he is a director, officer, or employee, whereupon he shall cease to be a director, officer, or employee of that licensee. The Commissioner may institute a civil action against the director, officer, or employee of the licensee to enforce compliance with or to enjoin any violation of the terms of the order. Any person who has been the subject of an order of removal or an order of prohibition issued by the Commissioner under this subsection may not thereafter serve as director, officer, or employee of any licensee, or of any other entity that is subject to licensure or regulation by the Commissioner unless the Commissioner has granted prior approval in writing.

SENATE BILL 2499. Having been read by title a second time on May 20, 2004, and held on the order of Second Reading, the same was again taken up.

Representative Feigenholtz offered the following amendment and moved its adoption.

AMENDMENT NO. 1 . Amend Senate Bill 2499 by replacing everything after the enacting clause with the following:

"Section 5. The Child Care Act of 1969 is amended by adding Section 14.5 as follows:

(225 ILCS 10/14.5 new)

Sec. 14.5. Offering, providing, or co-signing a loan or other credit accommodation. No person or entity shall offer, provide, or co-sign a loan or other credit accommodation, directly or indirectly, with a biological parent or a relative of a biological parent based on the contingency of a surrender or placement of a child for adoption.

Section 10. The Adoption Compensation Prohibition Act is amended by changing Section 4.1 as follows: (720 ILCS 525/4.1) (from Ch. 40, par. 1704.1)

Sec. 4.1. Payment of certain expenses.

(a) A person or persons who have filed or intend to file a petition to adopt a child under the Adoption Act shall be permitted to pay the reasonable living expenses of the biological parents of the child sought to be adopted, in addition to those expenses set forth in Section 4, only in accordance with the provisions of this Section.

"Reasonable living expenses" means the reasonable costs of lodging, food, and clothing for the biological parents during the period of the biological mother's pregnancy and for no more than 30 days after the birth of the child. The term does not include expenses for lost wages, gifts, educational expenses, or other similar expenses of the biological parents.

(b) The petitioners may seek leave of the court to pay the reasonable living expenses of the biological parents. They shall be permitted to pay the reasonable living expenses of the biological parents only upon prior order of the circuit court where the petition for adoption will be filed, or if the petition for adoption has been filed in the circuit court where the petition is pending.

(c) Payments under this Section shall be permitted only in those circumstances where there is a

demonstrated need for the payment of such expenses to protect the health of the biological parents or the health of the child sought to be adopted.

(d) Payment of their reasonable living expenses, as provided in this Section, shall not obligate the biological parents to place the child for adoption. In the event the biological parents choose not to place the child for adoption, the petitioners shall have no right to seek reimbursement of moneys paid to the biological parents pursuant to a court order under this Section.

(d-5) No person or entity shall offer, provide, or co-sign a loan or any other credit accommodation, directly or indirectly, with a biological parent or a relative of a biological parent based on the contingency of a surrender or placement of a child for adoption.

(e) Within 14 days after the completion of all payments for reasonable living expenses of the biological parents under this Section, the petitioners shall present a final accounting of all those expenses to the court. The accounting shall include vouchers for all moneys expended, copies of all checks written, and receipts for all cash payments. Sec. 25-65. Contracts performed outside the United States. Prior to contracting or as a requirement of solicitation of any State contracts for services as defined in Section 1-15.90, whichever is appropriate, prospective vendors shall disclose in a statement of work where services will be performed under that contract, including any subcontracts, and whether any services under that contract, including any subcontracts, are anticipated to be performed outside the United States.

In awarding the contract or evaluating the bid or offer, the chief procurement officer may consider such disclosure and the economic impact to the State of Illinois and its residents.

If the chief procurement officer awards a contract to a vendor based upon disclosure that work will be

performed in the United States and during the term of the contract the contractor or a subcontractor proceeds to shift work outside of the United States, the contractor shall be deemed in breach of contract, unless the chief procurement officer shall have first determined in writing that circumstances require the shift of work or that termination of the contract would not be in the State's best interest.

Nothing in this Section is intended to contravene any existing treaty, law, agreement, or regulation of the United States.

The Department of Central Management Services shall prepare and deliver to the General Assembly, no later than September 1, 2007, a report on the impact of outsourcing services on the State's cost of procurement that identifies those contracts where it was disclosed that services were provided outside of the United States and a description and value of those services."

Private property shall not be taken or damaged for public use without just compensation, and in all cases in which compensation is not made by the state in its corporate capacity, or a political subdivision of the state, or municipality in its respective corporate capacity, such compensation shall be ascertained by a jury, as hereinafter prescribed. Where compensation is so made by the state, a political subdivision of the state, or municipality, any party upon application may have a trial by jury to ascertain the just compensation to be paid. Such demand on the part of the state, a political subdivision of the state, or municipality, shall be filed with the complaint for condemnation of the state, a political subdivision of the state, or municipality. Where the state, a political subdivision of the state, or municipality is plaintiff, a defendant desirous of a trial by jury must file a demand therefor on or before the return date of the summons served on him or her or fixed in the publication in case of defendants served by publication. The right to just compensation as provided in this Article applies to property subject to a conservation right under the Real Property Conservation Rights Act. The amount of compensation for the taking of the property shall not be diminished or reduced by virtue of the existence of the conservation right. The holder of the conservation right shall be entitled to just compensation for the value of the conservation right. (Source: P.A. 91-497, eff. 1-1-00.)".

(2) persons whose screenings under the above program were funded in whole or in part by funds appropriated to the Illinois Department of Public Health for breast or cervical cancer screening.
