**MESSAGES FROM THE SENATE**

A message from the Senate by  
Ms. Hawker, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has passed a bill of the following title, the veto of the Governor to the contrary notwithstanding, in the passage of which I am instructed to ask the concurrence of the House, to-wit:

Senate Bill No. 2165

A bill for AN ACT concerning criminal law.

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, November 9, 2004, by a three-fifths vote.

State of Illinois  
OFFICE OF THE GOVERNOR

August 20, 2004

To the Honorable Members of the  
Illinois Senate  
93rd General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2165, entitled "AN ACT concerning criminal law." Although Senate Bill 2165 may provide a proper defense to a municipal ordinance, each individual municipality should determine which affirmative defenses apply to a violation of its own ordinance.

For this reason, I hereby veto and return Senate Bill 2165.

Sincerely,  
s/ROD R. BLAGOJEVICH  
Governor

August 9, 2004

To the Honorable Members of the  
Illinois Senate  
93rd General Assembly

This legislation promotes an important purpose: providing the Metropolitan Water Reclamation District of Greater Chicago the authority to manage and finance activities related to stormwater management in Cook County. SB2196 proposes avenues to ensure that funds are available to manage and finance these activities. Yet, this legislation also poses a significant hurdle: increasing property taxes to pay for the purposes of stormwater management outside the limits of tax caps and the voter approval process required by

them. The challenge, which we have faced throughout state government, is to fund important services and programs without asking the people of Illinois to pay more in taxes. I remain committed to this principle and cannot support legislation that asks for an increase in property taxes.

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto and return Senate Bill 2196, entitled "AN ACT concerning stormwater management."

Sincerely,  
s/ROD R. BLAGOJEVICH

To the Honorable Members of the  
Illinois Senate  
93rd General Assembly

While I recognize that Off-Highway Vehicle enthusiasts desire expansion of recreational trails, this legislation could expose state-owned lands, including state parks, to potential trail development. More appropriate sites for Off Highway Vehicle use should be found that do not infringe on our shared natural resources.

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto and return Senate Bill 2272, entitled "AN ACT concerning recreational trails."

To the Honorable Members of the  
Illinois Senate  
93rd General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2374, entitled "AN ACT concerning vehicles."

Last year, the General Assembly presented the same legislation for my review. I studied the issues involved and for safety reasons, I vetoed that bill. I am unaware of any change in the safety issues I considered last year. I remain opposed to increasing the speed limit to 65 miles per hour for these large trucks.

For this reason, I hereby veto and return Senate Bill 2374.

To the Honorable Members of the  
Illinois Senate  
93<sup>rd</sup> General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2460, entitled "AN ACT concerning gaming." By changing the procedural means by which the state may enter a gaming compact with a Native American tribe, this bill alters the relationship between the legislative and executive branches of government. I find the current and historical balance of powers between these two branches in no need of procedural alteration.

For this reason, I hereby veto and return Senate Bill 2460.

A bill for AN ACT in relation to public aid.

August 27, 2004

To the Honorable Members of the  
Illinois Senate

93<sup>rd</sup> General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto - Senate Bill 2847, entitled "AN ACT in relation to public aid." Senate Bill 2847 prohibits the Department of Public Aid from establishing any formulary limits or prior authorization requirements on any insulin prescription drugs necessary for the treatment of diabetes. However, one goal of the prior approval requirement is to allow all Medicaid patients access to medically necessary medications while, at the same time, being fiscally responsible with taxpayer funds by requiring patients to take lower cost medications when possible.

Another important function of formulary limitations is to prevent fraud and abuse in the Medicaid program. This bill would exempt insulin from these formulary restrictions. Unlike several other states, Illinois does not limit the number of prescriptions a beneficiary may have in a given month. Instead, the state attempts to get the most competitive price from drug manufacturers for our program. Prior approval is the only available mechanism to enforce a preferred drug list in the Medicaid program. Decisions on the preferred drug list weigh both clinical and financial information in order to ensure that patients have access to the highest quality of medicines at the lowest possible price. Clinical input is received from both the University of Illinois College of Pharmacy and the Illinois State Medical Society Drugs and Therapeutics Committee. The preferred drug list and related prior approval requirements generate substantial supplemental rebates from pharmaceutical manufacturers, which save the state close to \$100 million dollars annually. Constraining costs allows the state to, among other things, maintain and expand coverage in Family Care and KidCare during times of severe fiscal constraints.

For these reasons, I hereby veto and return Senate Bill 2847.

Sincerely,  
ROD R. BLAGOJEVICH  
Governor

To the Honorable Members of the  
Illinois Senate  
93<sup>rd</sup> General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2273, entitled "AN ACT concerning recreational trails." While I recognize that Off-Highway Vehicle enthusiasts desire expansion of funding for recreational trails, this legislation does not reflect the compromise language I offered last year. Additionally, this legislation would leave no funds available for remediation of damage to natural areas that Off-Highway Vehicles may cause.

For this reason, I hereby veto and return Senate Bill 2273.

Linda Hawker, Secretary of the Senate

August 9, 2004

To the Honorable Members of the  
Illinois Senate  
93<sup>rd</sup> General Assembly

Pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby veto Senate Bill 2525, entitled "AN ACT concerning public utilities." Encouraging competition in our energy markets will benefit consumers. This bill creates a special exception to Illinois law that would allow one utility company to engage in business practices that discourage competition. Additionally, this legislation proposes safeguards that are inadequate to ensure that the utility's regulated ratepayers are fairly treated and creates an additional regulatory burden for the Illinois Commerce Commission. Moreover, if enacted, this bill could lead other utility companies to demand similar exemptions from laws that protect consumers from unfair and anti-competitive business practices.

For this reason, I hereby veto and return Senate Bill 2525.

Sincerely,  
ROD R. BLAGOJEVICH  
Governor

93rd General Assembly

Pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 2395 entitled "AN ACT concerning professional regulation," with the following specific recommendation for change:

on page 2, line 26, and on page 4, line 16, by adding after the word "setting" the following language: ", including experience required by federal law or federal court order".

Senate Bill 2395 is an important step toward reducing the shortage of speech language pathologists available to work in Illinois schools, and I applaud the sponsors for their work to solve this problem. However, it is essential that Senate Bill 2395 make clear that all speech language pathologists certified by the State Board of Education must have the expertise required to comply with all federal requirements.

With this change, Senate Bill 2395 will have my approval. I respectfully request your concurrence.

Sincerely,
