RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 801

Offered by Representative Colvin:

WHEREAS, Following the Civil War, Congress adopted the Thirteenth Amendment abolishing slavery, the Fourteenth Amendment establishing the citizenship rights of all persons born in the United States and requiring that no one be denied due process or equal protection of the laws, and the Fifteenth Amendment securing the right to vote for all citizens regardless of a person's race, color, or former condition of servitude; and

WHEREAS, Despite the enactment of these significant constitutional commands, for nearly 100 years, states and local jurisdictions passed laws and instituted practices designed to circumvent the Civil War amendments; many states erected barriers to African-Americans' access to the polls, including infamous poll taxes and literacy or good character tests; African Americans and those who advocated on their behalf often were subjected to severe violence and intimidation, or in some cases death, if they attempted to register to vote or cast a ballot; and

WHEREAS, Confronted with aggressive and relentless defiance of the Constitution, Congress enacted the Voting Rights Act of 1965 in order to ensure that the rights guaranteed by the Fourteenth and Fifteenth Amendments were enforced; and

WHEREAS, The Voting Rights Act of 1965 is widely viewed as one of the most successful civil rights statutes ever enacted; it bans literacy tests and poll taxes, outlaws intimidation during the electoral process, authorizes federal election monitors and observers, and creates various means for protecting and enforcing racial and language minority voting rights; and

WHEREAS, Although the struggle to ensure fairness in the electoral process continues, as a result of the Voting Rights Act racial and language minorities have enjoyed enhanced opportunities to participate in the electoral process, cast votes, and elect their candidates of choice; and

WHEREAS, In 2007, certain "special provisions" of the Voting Rights Act that were enacted to address discriminatory voting practices and the present effects of those practices could expire if not renewed by Congress; and

WHEREAS, These provisions include:

Section 2: This provision equips voters with the means to challenge election laws that result in a denial or abridgement of voting rights on account of race, color, or language minority status;

Section 4: The coverage provision, which determines which states and jurisdictions must seek Section 5 pre-clearance; the coverage formula reaches states and jurisdictions with some of the most active histories of discrimination;

Section 5: The federal pre-clearance of voting changes provisions, which requires covered jurisdictions to prove that voting changes are not discriminatory before they may legally take effect;

Sections 6-9: The Federal Examiner/Observer provisions, which set forth criteria for election monitoring by the Department of Justice; and

Section 203: The bilingual voting materials provisions, which mandate that certain voting materials must be translated for language minorities in certain jurisdictions; and

WHEREAS, By 2007, Congress will vote on whether to extend these "special provisions" of the Voting Rights Act; the effects of the long history of voting discrimination persist; the "special provisions" of the

Voting Rights Act continue to be extremely important tools for protecting minority voting; during the reauthorization process, Congress will compile a record that sets forth the continuing effects of the nation's widespread voting discrimination; and

WHEREAS, During the reauthorization process, Congress and individuals and organizations concerned with maintaining the protections that the Voting Rights Act of 1965 provides will have an opportunity to present the evidence necessary to support renewal of the "special provisions" of the Voting Rights Act of 1965; in the meantime, all eligible voters should register, confirm their registration status, and exercise the right to vote so that the long struggle to expand the franchise yields meaningful results; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Congress to reauthorize the "special provisions" of the Voting Rights Act of 1965; and be it further

RESOLVED, That the House of Representatives of the State of Illinois will collaborate with the NAACP to ensure the reauthorization of the Voting Rights Act of 1965.

HOUSE RESOLUTION 806

WHEREAS, More than a half million babies were born too soon in the United States last year, according to preliminary data released by the National Center for Health Statistics, and approximately 12.5% of all babies - about 508,000 - were born prematurely (less than 37 completed weeks gestation) in 2004, according to "Preliminary Births for 2004: Infant and Maternal Health" released by the March of Dimes during its Third Annual National "Prematurity Awareness Day"; and

WHEREAS, The March of Dimes Illinois Chapter has made a difference in the lives of over 22,000 premature babies annually born in Illinois; and

WHEREAS, The March of Dimes Illinois Chapter is recognized for its programs to improve prematurity risk detection and prevent preterm births; and

WHEREAS, Thanks to the research and education programs funded by the March of Dimes, every premature baby born has an increased chance for survival; and

WHEREAS, The March of Dimes Illinois Chapter serves as a resource for information about healthy pregnancies and premature births; and

WHEREAS, The March of Dimes Illinois Chapter works to increase awareness of the risk factors associated with premature birth such as smoking, drinking, and substance use; and

WHEREAS, The March of Dimes Illinois Chapter has successfully advocated to expand access to health coverage for pregnant women, infants, and children; and

WHEREAS, The March of Dimes annually promotes November as "Prematurity Awareness Month" and November 15 as "Prematurity Awareness Day" to recognize the serious crisis of premature birth; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we do hereby proclaim November 15, 2006, as Premature Birth Awareness Day in Illinois and encourage all citizens to be cognizant of the many wonderful and lifesaving services the March of Dimes Illinois Chapter provides to the people of Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the March of Dimes Illinois Chapter as an expression of our esteem.

HOUSE RESOLUTION 812

Offered by Representative Dunn:

WHEREAS, The City of Naperville has implemented a database to identify persons with disabilities and

their prospective issues regarding emergency assistance in conjunction with Illinois' 911 emergency assistance line; and

WHEREAS, The City of Naperville has adopted the Medical Emergency and Disability Information on Computer program (MEDIC); this database tracks pertinent information about citizens who may require special consideration in emergencies; prior to arrival on the scene, this program allows the 9-1-1 emergency operators to alert emergency medical personnel of any life-threatening medical conditions or fire and police personnel of persons with disabilities who may require special assistance during an emergency; and

WHEREAS, The database is compiled and updated by local fire districts upon the specific request of those citizens with a physical or mental disability within their areas of concern; and

WHEREAS, The information is provided to the 9-1-1 emergency response program with local obligation; and

WHEREAS, The database is updated by the local fire districts on a yearly basis with immediate updates concerning a change in a citizen's situation as well; and

WHEREAS, The success of the MEDIC program within the City of Naperville should be recognized; implementation of a program such as this should be seriously examined by other local governments; and

WHEREAS, Local first responders' understanding of their surroundings during an emergency response greatly improves the chances of citizen safety; and

WHEREAS, Additionally, those in the community who are in need of special assistance, especially the senior citizens and persons with disabilities, deserve the best protection and emergency awareness that the first responders and communities can provide; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize and support statewide awareness of the MEDIC program and its potential for saving lives, not only in the City of Naperville, but throughout the State of Illinois.

HOUSE RESOLUTION 813

Offered by Representative Miller:

WHEREAS, Nurse anesthetists have a long standing history as pioneers in the field of anesthesia, providing anesthesia since 1877; and

WHEREAS, Nurse anesthetists were the first professional group to provide anesthesia in the United States and are the oldest recognized group of advanced practice registered nursing specialists; and

WHEREAS, These specially trained registered nurses have completed a graduate-level educational program in a nationally accredited program of nurse anesthesia and after graduation are qualified to take the national certifying examination; and

WHEREAS, Graduates who successfully pass the examination can use the title Certified Registered Nurse Anesthetist (CRNA), and in addition, all graduates of nurse anesthesia programs in Illinois now receive a master's degree upon completion of the rigorous academic and clinical curriculum; and

WHEREAS, According to the American Association of Nurse Anesthetists, more than 65 percent of all rural hospitals rely on CRNAs to provide anesthesia care, and without these advanced practice nurses, some 1,500 facilities would be unable to maintain trauma stabilization, surgical, and obstetrical capabilities, forcing many rural Americans to travel long distances for such services; and

WHEREAS, Each year CRNAs working in hospitals, ambulatory surgical centers, physician's offices, and the medical facilities of the United States military, veteran's administration, and public health service, administer 65 percent of the 26 million anesthetics given to patients in the United States; and

WHEREAS, Over 1,200 CRNAs provide the highest quality patient anesthesia care in Illinois; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the period of January 22 - 28, 2006, be recognized as Nurse Anesthetists Week in Illinois to honor the importance of Certified Registered Nurse Anesthetists and their role in providing accessible quality health care in Illinois; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the American Association of Nurse Anesthetists as an expression of our esteem.

HOUSE JOINT RESOLUTION 75

Offered by Representative Colvin:

WHEREAS, The U.S. Department of Justice, Bureau of Justice Statistics, reported that 1,498,000 children had a parent in prison in 1999, an increase of more than 500,000 since 1991; in that study, 46% of the parents reported living with their children prior to incarceration; the survey estimated that 336,300 U.S. households with minor children are affected by the imprisonment of a resident parent; and

WHEREAS, As the new millennium advances, the plight of children impacted by parental incarceration is among the most pervasive problems challenging correction policymakers and child welfare advocates; research results show that when a parent is incarcerated, the lives of their children are disrupted by separation from parents, severance from siblings, and displacement to different caregivers, a large number placed in foster care; and

WHEREAS, About 80% of the roughly 2,800 women locked up in Illinois are mothers; and

WHEREAS, Studies show that the more contact parents have with their children, the less likely they are to reenter the penal system and the less likely their children are to be involved in delinquent behaviors; and

WHEREAS, The Illinois Department of Children and Family Services is responsible for the care and maintenance of hundreds of children whose parents are incarcerated in Illinois Department of Corrections facilities; and

WHEREAS, The importance of parent/child visitation is acknowledged by the Illinois Department of Children and Family Services in its rules (89 Ill. Adm. Code 301.210(a)) which provide: "The Department recognizes that there is a strong correlation between regular parental visits and contacts with a child and the child's discharge from placement services"; and

WHEREAS, The locations of the State's penal facilities often create logistical obstacles, preventing frequent in-person contacts between these children and their incarcerated parents, as a result, these children are often restricted to 4 visits a year, or less, although State officials recognize that more frequent contacts would be in the children's best interests; and

WHEREAS, It would be in the best interests of many children of incarcerated parents to be able to visit at least monthly with their parents by way of video conferencing at the offices of Illinois Department of Children and Family Services and the child welfare agencies; and

WHEREAS, While video conferencing is not a substitute for actual face to face visitation, when used as a tool to bridge the distance and time until the next physical visit, it can be extremely beneficial and will nurture parent-child relationships, however, the availability of video-conferencing should in no way reduce or limit the child's opportunity to have in person visitation with the parent, but should supplement that in person contact; and

WHEREAS, Through the use of high speed Internet services, the costs related to video conferencing have been greatly reduced; and

WHEREAS, The Illinois Department of Corrections and the Women's Treatment Center sponsor a program called "Parent and Child Together" (PACT), a small video conferencing program which allows about 100 incarcerated women at the Decatur Correctional Center to "visit" with their children 180 miles away in a networked Chicago office; and

WHEREAS, The Illinois Department of Corrections has concluded that this program has been a success; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Illinois Department of Children and Family Services and the Illinois Department of Corrections shall jointly prepare a report as to the costs and feasibility of providing monthly video conferencing visitation to appropriate children in State care, whose parents are incarcerated in facilities of the Illinois Department of Corrections, where there is a judicial finding that video conference visitation, as supplement to in person visitation, would be in the child's best interests; and be it further

RESOLVED, That the Illinois Department of Children and Family Services and the Illinois Department of Corrections shall present the report to the General Assembly no later than October 1, 2006; and be it further

RESOLVED, That a copy of this resolution be sent to the Director of Children and Family Services and the Director of Corrections.

HOUSE JOINT RESOLUTION 76

Offered by Representative Acevedo:

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the False Identification Task Force is created, to consist of 12 members appointed as follows: one member of the Senate, to serve as co-chair, appointed by the Senate President; one member of the Senate appointed by the Senate Minority Leader; one member of the House, to serve as co-chair, appointed by the Speaker of the House; one member of the House appointed by the House Minority leader; and 8 additional members, of whom one member is to be appointed by each of the following officials: the Governor; the Secretary of State; the Attorney General; the State's Attorney of Cook County; the Director of the U.S. Office of Citizenship and Immigration Services; the U.S. Secretary of Homeland Security; the Commissioner of the Chicago Police Department; and the Director of the Illinois Department of State Police; and be it further

RESOLVED, That copies of this resolution be delivered to the following officials: the Governor; the Secretary of State; the Attorney General; the State's Attorney of Cook County; the Director of the U.S. Office of Citizenship and Immigration Services; the U.S. Secretary of Homeland Security; the Commissioner of the Chicago Police Department; and the Director of the Illinois Department of State Police.
