MESSAGES FROM THE SENATE

A message from the Senate by

Ms. Hawker, Secretary:

Mr. Speaker -- I am directed to inform the House of Representatives that the Senate has adopted the following Senate Joint Resolution, in the adoption of which I am instructed to ask the concurrence of the House of Representatives, to-wit:

SENATE JOINT RESOLUTION NO. 95

WHEREAS, On September 16, 2005 at the World Summit Outcome of the United Nations General Assembly, the United States of America and the other Members of the United Nations embraced the principle of the responsibility to protect according to which, "(e)ach individual State has the responsibility to protect its populations from genocide, war crimes, ethnic cleansing and crimes against humanity. This responsibility entails the prevention of such crimes, including their incitement, through appropriate and necessary means. We accept that responsibility and will act in accordance with it. The international community should, as appropriate, encourage and help States to exercise this responsibility and support the United Nations in establishing an early warning capability" (U.N. Document A/RES/60/1, par. 138 (2005)); and

WHEREAS, The United States of America and other Members of the United Nations further agreed that, "(t)he international community, through the United Nations, also has the responsibility to use appropriate diplomatic, humanitarian and other peaceful means, in accordance with Chapters VI and VIII of the Charter, to help to protect populations from genocide, war crimes, ethnic cleansing and crimes against

humanity. In this context, we are prepared to take collective action, in a timely and decisive manner, through the Security Council, in accordance with the Charter, including Chapter VII, on a case-by-case basis and in cooperation with relevant regional organizations as appropriate, should peaceful means be inadequate and national authorities are manifestly failing to protect their populations from genocide, war crimes, ethnic cleansing and crimes against humanity. . . . We also intend to commit ourselves, as necessary and appropriate, to helping States build capacity to protect their populations from genocide, war crimes, ethnic cleansing and crimes against humanity and to assisting those which are under stress before crises and conflicts break out" (U.N. Document A/RES/60/1, par. 139 (2005)); and

WHEREAS, On April 28, 2006, the United Nations Security Council reaffirmed the provisions of paragraphs 138 and 139 of the 2005 World Summit Outcome Document regarding the responsibility to protect populations from genocide, war crimes, ethnic cleansing and crimes against humanity (U.N. Document S/RES/1674 (2006), par. 4); and

WHEREAS, The principle of the responsibility to protect now reflects the commitment of all the Members of the United Nations to determine means to protect populations from the deadly and devastating consequences of genocide, war crimes, ethnic cleansing and crimes against humanity (hereinafter "atrocities crimes"); and

WHEREAS, Efforts by the United Nations and individual nations to prevent and respond to atrocity crimes and thus protect populations have far too often failed or not even been attempted, with the result since 1945 that millions of innocent civilians have lost their lives or been wounded or displaced and their property and livelihoods destroyed; and

WHEREAS, In the 2005 World Summit Outcome Document, the United States of America has accepted its responsibility to protect its own population from atrocity crimes and should continue acting in accordance with this principle; and

WHEREAS, The continued commission of atrocity crimes and the likely future threat of them is morally intolerable and unacceptable; and

WHEREAS, At other times in the history of the State of Illinois and of the United States, such abominations as slavery and the denial of basic civil and voting rights to all citizens have been rendered illegal and to significant degrees eliminated through the concerted actions of concerned citizens, civil society, the courts, and state and national lawmakers and leaders; and

WHEREAS, In the State of Illinois there reside many citizens who have fled from atrocity crimes, for whom the State of Illinois provides services and various forms of support, and many thousands of relatives of victims of the atrocity crimes that have occurred in other countries and who seek effective policies by the United States and other nations to help protect their surviving relatives; and

WHEREAS, The moral imperative of the responsibility to protect is inescapable and it reflects the highest American values of freedom, humanitarian care, and the preservation of the lives of innocent non-combatant men, women, and children; and

WHEREAS, The United States of America, as the most powerful and influential country in the world, has the moral duty and capacity to lead in domestic, in multinational initiatives and in the United Nations Security Council to prevent and respond rapidly to protect populations from the commission of atrocity crimes; and

WHEREAS, The citizens of the State of Illinois contribute men and women and financial resources to the U.S. Armed Forces and elect Members of Congress and, with other states, the President and Vice-President of the United States, and strongly believe that these public officials and their subordinates have profound responsibilities, to use every possible legal means, under both federal and international law, to protect populations from atrocity crimes; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the President and Congress should commit the leadership of the United States Government to effective implementation of the World Summit Outcome declaration on the responsibility to protect, and to do so in part through strengthening the preventive early warning capabilities of the federal government and the United Nations, and to develop strategies and policies as outlined in the 2005 World Summit Outcome Document (U.N. Document A/RES/60/1) and in the Security Council Resolution 1674 (2006) to ensure that the responsibility to protect populations has both credible meaning and effect, and that the United States is in the forefront of its domestic and global application; and be it further

RESOLVED, That the President should initiate discussions with the permanent and non-permanent members of the United Nations Security Council, the members of the United Nations General Assembly and in separate forums with the governments of the North Atlantic Treaty Organization, the European

Union, the African Union, the Organization of American States, and the Association of Southeast Asian Nations respectively, to develop coordinated strategies for regional efforts to implement the responsibility to protect, and that Congress should express its full support for these discussions by joint resolution; and be it further

RESOLVED, That copies of this resolution be sent to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, each member of the Illinois congressional delegation, the President and Vice-President of the United States, the U.S. Secretary of State, the U.S. Secretary of Defense, and the U.S. Permanent Representative to the United Nations.

HOUSE RESOLUTION 1541

Offered by Representative Howard:

WHEREAS, The members of the House of Representatives of the State of Illinois learned with regret of the death of David Saxner on Thursday, November 23, 2006; and

WHEREAS, He was united in marriage to his wife, Rikke; and

WHEREAS, He shared his commitment, generosity, sensitivity and concern for those behind bars with everyone who knew him; he started teaching a class on law at Stateville in the mid seventies; during this time David became a tireless advocate for the parole of a particular "C#" prisoner, and later expanded his work to support the parole of all C# prisoners; and

WHEREAS, When the Pontiac rebellion happened in 1978, David became a legal worker and political supporter of the 17 Pontiac Brothers charged with death penalty offenses; it was partly through his tireless work that all were eventually acquitted; and

WHEREAS, David developed The Campaign in Support of C# Prisoners to help all prisoners subject to parole (those convicted before 1978, known as "C number prisoners" because of their prison identification numbers); he recruited lawyers to help these prisoners, trained them in how to handle parole hearings, and attended hearings of the Prisoner Review Board in an attempt to open up their process to the public; and

WHEREAS, David encouraged everyone he came into contact with to educate themselves on the plight of C# prisoners, and urged them to join him in the effort to change the law and the practice which had resulted in C# prisoners serving sentences almost twice as long as prisoners with determinate sentences; to this end he tirelessly catalogued the activities of the Illinois Prisoner Review Board; his doggedness played a key role in not only the eventual parole of James Sayles but of many Illinois prisoners languishing behind bars many years after they should have been released; and

WHEREAS, To date, David's C# Campaign has succeeded in actively participating in and influencing the release on parole of more than 50 C#'s, facilitating the release from parole of another 40 people, developed a parole training manual for the families and anyone else who could use it, researching, writing, and disseminating a vast amount of literature to the community and educating thousands of people about indeterminate sentencing, parole, the Illinois prison system, and related issues, organizing and training lawyers and law students to take parole cases, have developed a six-hour web site presentation, and a 100-page manual, to train lawyers and law students in this work, regularly attended en banc hearings on parole decision-making held in Springfield-including providing family members and friends with transportation, funds for hotels, etc, setting up Town Hall meetings and other educational events for the community to have contact with representatives of the Governor, Attorney General, State's Attorney, the DOC, PRB, legislators, and others, hosting an annual C# family picnic as well as an annual Christmas fundraiser benefit, developed recommendations relating to parole and the Prisoner Review Board for Governor Rod Blagojevich, assisting prisoners in transferring closer to their families, and intervening in numerous medical cases with success; and

WHEREAS, David maintained his humor, sensitivity, and warmth, in everything he did; he walked the walk, not for himself, but for others, especially those incarcerated with whom he felt a bond; and

WHEREAS, He was a board member of The John Howard Association of Illinois, and an officer and

board member of the Long Term Prisoner Policy Project; he and his wife ran a very successful business, but his happiness came from the charity work he was involved with for many years; and

WHEREAS, The passing of David Saxner has been deeply felt by many, especially is wife, Rikke; he was a remarkable husband, father, brother, son, friend, and advocate; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we mourn the passing of David Saxner, and we extend our sincere condolences to his family, friends, and all who knew and loved him; and be it further

RESOLVED, That a suitable copy of this resolution be presented to his family as an expression of our deepest sympathy.

HOUSE RESOLUTION 1544

Offered by Representative Chapa LaVia:

WHEREAS, On July 26, 1775, members of the Second Continental Congress, meeting in Philadelphia, agreed: "That a postmaster general be appointed for the United Colonies, who shall hold his office at Philada, and shall be allowed a salary of 1000 dollars per an: for himself, and 340 dollars per an: for a secretary and Comptroller, with power to appoint such, and so many deputies as to him may seem proper and necessary. That a line of posts be appointed under the direction of the Postmaster general, from Falmouth in New England to Savannah in Georgia, with as many cross posts as he shall think fit."; and

WHEREAS, This simple statement signaled the birth of the Post Office Department, the predecessor of the U.S. Postal Service and the second oldest federal department or agency of the United States; and

WHEREAS, Benjamin Franklin was the first Postmaster General; under him and his immediate successors, the postal system mainly carried communications between Congress and the armies; and

WHEREAS, America's present Postal Service descends in an unbroken line from the system Franklin planned and placed in operation; history rightfully accords him major credit for establishing the basis of the system that has well served the growing and changing needs of the American people; and

WHEREAS, Today, the United States Postal Service is the third largest employer in the nation and operates the largest civilian vehicle fleet in the world, with an estimated 260,000 vehicles, most recognized and identified as the Grumman LLV, or "mail truck"; and

WHEREAS, The motto of the Post Office "neither snow nor rain nor heat nor gloom of night stays these couriers from the swift completion of their appointed rounds" still tells us today how hard the men and women of the United States Postal Service work to deliver the mail; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare July 26 of each year to be Postal Workers Day in the State of Illinois as a way to recognize the hard work and dedication of the men and women of the United States Postal Service.

SENATE BILL ON SECOND READING

SENATE BILL 2684. Having been read by title a second time on April 19, 2006, and held on the order of Second Reading, the same was again taken up.

Representative Colvin offered the following amendment and moved its adoption.

AMENDMENT NO. 1. Amend Senate Bill 2684 by replacing everything after the enacting clause with the following:

"Section 5. The Code of Criminal Procedure of 1963 is amended by changing Section 103-5 as follows: (725 ILCS 5/103-5) (from Ch. 38, par. 103-5)

Sec. 103-5. Speedy trial.)

(a) Every person in custody in this State for an alleged offense shall be tried by the court having jurisdiction within 120 days from the date he was taken into custody unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. Delay shall be considered to be agreed to by the defendant unless he or she objects to the delay by making a written demand for trial or an oral demand for trial on the record. The provisions of this subsection (a) do not apply to a person on bail or recognizance for an offense but who is in custody for a violation of his or her parole or mandatory supervised release for another offense.

The 120-day term must be one continuous period of incarceration. In computing the 120-day term, separate periods of incarceration may not be combined. If a defendant is taken into custody a second (or subsequent) time for the same offense, the term will begin again at day zero.

(b) Every person on bail or recognizance shall be tried by the court having jurisdiction within 160 days from the date defendant demands trial unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. The defendant's failure to appear for any court date set by the court operates to waive the defendant's demand for trial made under this subsection.

For purposes of computing the 160 day period under this subsection (b), every person who was in custody for an alleged offense and demanded trial and is subsequently released on bail or recognizance and demands trial, shall be given credit for time spent in custody following the making of the demand while in custody. Any demand for trial made under this subsection (b) shall be in writing; and in the case of a defendant not in custody, the demand for trial shall include the date of any prior demand made under this provision while the defendant was in custody.

(c) If the court determines that the State has exercised without success due diligence to obtain evidence

material to the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days. If the court determines that the State has exercised without success due diligence to obtain results of DNA testing that is material to the case and that there are reasonable grounds to believe that such results may be obtained at a later day, the court may continue the cause on application of the State for not more than an additional 120 days.

(d) Every person not tried in accordance with subsections (a), (b) and (c) of this Section shall be discharged from custody or released from the obligations of his bail or recognizance.

(e) If a person is simultaneously in custody upon more than one charge pending against him in the same county, or simultaneously demands trial upon more than one charge pending against him in the same county, he shall be tried, or adjudged guilty after waiver of trial, upon at least one such charge before expiration relative to any of such pending charges of the period prescribed by subsections (a) and (b) of this Section. Such person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which judgment relative to the first charge thus prosecuted is rendered pursuant to the Unified Code of Corrections or, if such trial upon such first charge is terminated without judgment and there is no subsequent trial of, or adjudication of guilt after waiver of trial of, such first charge within a reasonable time, the person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which such trial is terminated; if either such period of 160 days expires without the commencement of trial of, or adjudication of guilt after waiver of trial of, any of such remaining charges thus pending, such charge or charges shall be dismissed and barred for want of prosecution unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness for trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal; provided, however, that if the court determines that the State has exercised without success due diligence to obtain evidence material to the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days.

(f) Delay occasioned by the defendant shall temporarily suspend for the time of the delay the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section and on the day of expiration of the delay the said period shall continue at the point at which it was suspended. Where such delay occurs within 21 days of the end of the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section, the court may continue the cause on application of the State for not more than an additional 21 days beyond the period prescribed by subsections (a), (b), or (e). This subsection (f) shall become effective on, and apply to persons charged with alleged offenses committed on or after, March 1, 1977.

(c) If the Authority fails to pay the principal of or interest on any of the revenue bonds or premium, if any, as the same become due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the revenue bonds on which such default of payment exists or by an indenture trustee acting on behalf of such holders. Delivery of a summons and a copy of the complaint to

the Chairperson of the Board shall constitute sufficient service to give the circuit court jurisdiction of the subject matter of such a suit and jurisdiction over the Authority and its officers named as defendants for the purpose of compelling such payment. Any case, controversy, or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

(d) Notwithstanding the form and tenor of any such revenue bonds, notes, or other evidences of indebtedness and in the absence of any express recital on the face of any such revenue bond, note, or other evidence of indebtedness that it is non negotiable, all such revenue bonds, notes, and other evidences of indebtedness shall be negotiable instruments. A remedy for any breach or default of the terms of any such mortgage or trust agreement by the Authority may be by mandamus proceedings in the appropriate circuit court to compel the performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf the action may be instituted.

(f) The revenue bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such revenue bonds or notes.

(g) The State of Illinois pledges to and agrees with the holders of the revenue bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such revenue bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of revenue bonds or notes issued pursuant to this Section.

(h) Under no circumstances shall any bonds issued by the Authority or any other obligation of the Authority be or become an indebtedness or obligation of the State of Illinois or of any other political subdivision of or municipality within the State, nor shall any such bond or obligation be or become an indebtedness of the Authority within the purview of any constitutional limitation or provision, and it shall be plainly stated on the face of each bond that it does not constitute such an indebtedness or obligation but is payable solely from the revenues or income as aforesaid.

Those depositories shall be designated only within the State and upon condition that bonds approved as to form and surety by the Authority and at least equal in amount to the maximum sum expected to be on deposit at any one time shall be first given by the depositories to the Authority, those bonds to be conditioned for the safekeeping and prompt repayment of the deposits. When any of the funds of the Authority shall be deposited by the treasurer in any such depository, the treasurer and the sureties on his official bond shall, to that extent, be exempt from liability for the loss of any of the deposited funds by reason of the failure, bankruptcy, or any other act or default of the depository. However, the Authority may accept assignments of collateral by any depository of its funds to secure the deposits to the same extent and conditioned in the same manner as assignments of collateral are permitted by law to secure deposits of the funds of any city.

Section 45. Reports. The Authority shall, annually, submit a report of its finances to the Auditor General. The Authority shall, annually, submit a report of its activities to the Governor and to the General Assembly.

Section 50. Abolition of the Authority. The Authority is abolished upon the last to occur of the

following: (1) the expiration of the 15-year period that begins on the effective date of this Act; or (2) one year after the date that all revenue bonds, notes, and other evidences of indebtedness of the Authority have been fully paid and discharged or otherwise provided for. Upon the abolition of the Authority, all of its rights and property shall pass to and be vested in the municipal government in which it is located.

Section 900. The Illinois Finance Authority Act is amended by adding Section 825-13 as follows:

(20 ILCS 3501/825-13 new)

1. Such Credit Agreement shall provide the following:

a. The choice of law for the obligations of a financial provider may be made for any state of these United States, but the law which shall apply to the Bonds shall be the law of the State of Illinois, and jurisdiction to enforce such Credit Agreement as against the Department shall be exclusively in the courts of the State of Illinois or in the applicable federal court having jurisdiction and located within the State of Illinois.

b. Any such Credit Agreement shall be fully enforceable as a valid and binding contract as and to the extent provided by applicable law.

f. The debt or obligation of the Department represented by a Bond tendered for purchase to or otherwise made available to the Department thereupon acquired by either the Department or a financial provider shall not be deemed to be extinguished for purposes of State law until cancelled by the Department or its agent.

That portion of the Master Bond Fund containing the Required Fund Building Receipts Amount shall be irrevocably pledged to the timely payment of Bond Obligations and Bond Administrative Expenses due on any Bonds issued pursuant to this Act and any Credit Agreement entered in connection with the Bonds. The Master Bond Fund shall be held separate and apart from all other State funds. Moneys in the Master Bond Fund shall not be commingled with other State funds, but they shall be deposited as required by law and maintained in a separate account on the books of a savings and loan association, bank or other qualified financial institution. All interest earnings on amounts within the Master Bond Fund shall accrue to the Master Bond Fund. The Master Bond Fund may include such funds and accounts as are necessary for the deposit of bond proceeds, Fund Building Receipts, payment of principal, interest, administrative expenses, costs of issuance, in the case of bonds which are exempt from Federal taxation, rebate payments, and such other funds and accounts which may be necessary for the implementation and administration of this Act. (30 ILCS 440/4)

Sec. 4. Authority to Issue Revenue Bonds.

A. The Department shall have the continuing power to borrow money for the purpose of carrying out the following:

1. To reduce or avoid the need to borrow or obtain a federal advance under Section 1201, et seq., of the Social Security Act (42 U.S.C. Section 1321), as amended, or any similar federal law; or
2. To refinance a previous advance received by the Department with respect to the payment of Benefits; or
3. To refinance, purchase, redeem, refund, advance refund or defease (including, any combination of the foregoing) any outstanding Bonds issued pursuant to this Act; or
4. To fund a surplus in Illinois' account in the Unemployment Trust Fund of the United States Treasury.

Paragraphs 1, 2 and 4 are inoperative on and after January 1, 2010.

B. As evidence of the obligation of the Department to repay money borrowed for the purposes set forth in Section 4A above, the Department may issue and dispose of its interest bearing revenue Bonds and may also, from time-to-time, issue and dispose of its interest bearing revenue Bonds to purchase, redeem, refund, advance refund or defease (including, any combination of the foregoing) any Bonds at maturity or

pursuant to redemption provisions or at any time before maturity. The Director, in consultation with the Department's Employment Security Advisory Board, shall have the power to direct that the Bonds be issued. Bonds may be issued in one or more series and under terms and conditions as needed in furtherance of the purposes of this Act. The Illinois Finance Authority shall provide any technical, legal, or administrative services if and when requested by the Director and the Employment Security Advisory Board with regard to the issuance of Bonds. Such Bonds shall be issued in the name of the State of Illinois for the benefit of the Department and shall be executed by the Director. In case any Director whose signature appears on any Bond ceases (after attaching his or her signature) to hold that office, her or his signature shall nevertheless be valid and effective for all purposes.

C. No Bonds shall be issued without the Director's written certification that, based upon a reasonable financial analysis, the issuance of Bonds is reasonably expected to:

- (i) Result in a savings to the State as compared to the cost of borrowing or obtaining an advance under Section 1201, et seq., Social Security Act (42 U.S.C. Section 1321), as amended, or any similar federal law;
- (ii) Result in terms which are advantageous to the State through refunding, advance refunding or other similar restructuring of outstanding Bonds; or
- (iii) Allow the State to avoid an anticipated deficiency in the State's account in the Unemployment Trust Fund of the United States Treasury by funding a surplus in the State's account in the Unemployment Trust Fund of the United States Treasury.

D. All such Bonds shall be payable from Fund Building Receipts. Bonds may also be paid from (i) to the extent allowable by law, from monies in the State's account in the Unemployment Trust Fund of the United States Treasury; and (ii) to the extent allowable by law, a federal advance under Section 1201, et seq., of the Social Security Act (42 U.S.C. Section 1321); and (iii) proceeds of Bonds and receipts from related credit and exchange agreements to the extent allowed by this Act and applicable legal requirements.

E. The maximum principal amount of the Bonds, when combined with the outstanding principal of all other Bonds issued pursuant to this Act, shall not at any time exceed \$1,400,000,000, excluding all of the outstanding principal of any other Bonds issued pursuant to this Act for which payment has been irrevocably provided by refunding or other manner of defeasance. It is the intent of this Act that the outstanding Bond authorization limits provided for in this Section 4E shall be revolving in nature, such that the amount of Bonds outstanding that are not refunded or otherwise defeased shall be included in determining the maximum amount of Bonds authorized to be issued pursuant to the Act.

F. Such Bonds and refunding Bonds issued pursuant to this Act may bear such date or dates, may mature at such time or times not exceeding 10 years from their respective dates of issuance, and may bear interest at such rate or rates not exceeding the maximum rate authorized by the Bond Authorization Act, as amended and in effect at the time of the issuance of the Bonds.

G. The Department may enter into a Credit Agreement pertaining to the issuance of the Bonds, upon terms which are not inconsistent with this Act and any other laws, provided that the term of such Credit Agreement shall not exceed the term of the Bonds, plus any time period necessary to cure any defaults under such Credit Agreement.

H. Interest earnings paid to holders of the Bonds shall not be exempt from income taxes imposed by the State.

I. While any Bond Obligations are outstanding or anticipated to come due as a result of Bonds expected to be issued in either or both of the 2 immediately succeeding calendar quarters, the Department shall collect and deposit Fund Building Receipts into the Master Bond Fund in an amount necessary to satisfy the Required Fund Building Receipts Amount prior to expending Fund Building Receipts for any other purpose. The Required Fund Building Receipts Amount shall be that amount necessary to ensure the marketability of the Bonds, which shall be specified in the Bond Sale Order executed by the Director in connection with the issuance of the Bonds.

J. Holders of the Bonds shall have a first and priority claim on all Fund Building Receipts in the Master Bond Fund in parity with all other holders of the Bonds, provided that such claim may be subordinated to the provider of any Credit Agreement for any of the Bonds.

K. To the extent that Fund Building Receipts in the Master Bond Fund are not otherwise needed to satisfy the requirements of this Act and the instruments authorizing the issuance of the Bonds, such monies shall be used by the Department, in such amounts as determined by the Director to do any one or a combination ~~either or both~~ of the following:

- 1. To purchase, refinance, redeem, refund, advance refund or defease (or any combination of the foregoing) outstanding Bonds, to the extent such action is legally available and does not impair the

tax exempt status of any of the Bonds which are, in fact, exempt from Federal income taxation; or

2. As a deposit in the State's account in the Unemployment Trust Fund of the United States Treasury; or

3. As a deposit into the Special Programs Fund provided for under Section 2107 of the Unemployment Insurance Act.

L. The Director shall determine the method of sale, type of bond, bond form, redemption provisions and other terms of the Bonds that, in the Director's judgment, best achieve the purposes of this Act and effect the borrowing at the lowest practicable cost, provided that those determinations are not inconsistent with this Act or other applicable legal requirements. Those determinations shall be set forth in a document entitled "Bond Sale Order" acceptable, in form and substance, to the attorney or attorneys acting as bond counsel for the Bonds in connection with the rendering of opinions necessary for the issuance of the Bonds and executed by the Director.

Section 10. The Unemployment Insurance Act is amended by changing Sections 2100 and 2101 and by adding Sections 2101.1 and 2107 as follows:

(820 ILCS 405/2100) (from Ch. 48, par. 660)

Sec. 2100. Handling of funds - Bond - Accounts.

A. All contributions and payments in lieu of contributions collected under this Act, including but not limited to fund building receipts, together with any interest thereon; all penalties collected pursuant to this Act; any property or securities acquired through the use thereof; all moneys advanced to this State's account in the unemployment trust fund pursuant to the provisions of Title XII of the Social Security Act, as amended; all moneys directed for transfer from the Master Bond Fund to this State's account in the unemployment trust fund; all moneys received from the Federal government as reimbursements pursuant to Section 204 of the Federal-State Extended Unemployment Compensation Act of 1970, as amended; all moneys credited to this State's account in the unemployment trust fund pursuant to Section 903 of the Federal Social Security Act, as amended; and all earnings of such property or securities and any interest earned upon any such moneys shall be paid or turned over to and held by the Director, as ex-officio custodian of the clearing account, the unemployment trust fund account and the benefit account, and by the State Treasurer, as ex-officio custodian of the special administrative account, separate and apart from all public moneys or funds of this State, as hereinafter provided. Such moneys shall be administered by the Director exclusively for the purposes of this Act.

No such moneys shall be paid or expended except upon the direction of the Director in accordance with such regulations as he shall prescribe pursuant to the provisions of this Act.

The State Treasurer shall be liable on his general official bond for the faithful performance of his duties in connection with the moneys in the special administrative account provided for under this Act. Such liability on his official bond shall exist in addition to the liability upon any separate bond given by him. All sums recovered for losses sustained by the account shall be deposited in that account.

The Director shall be liable on his general official bond for the faithful performance of his duties in connection with the moneys in the clearing account, the benefit account and unemployment trust fund account provided for under this Act. Such liability on his official bond shall exist in addition to the liability upon any separate bond given by him. All sums recovered for losses sustained by any one of the accounts shall be deposited in the account that sustained such loss.

The Treasurer shall maintain for such moneys a special administrative account. The Director shall maintain for such moneys 3 separate accounts: a clearing account, a benefit account and an unemployment trust fund account. All moneys payable under this Act (except moneys requisitioned from this State's account in the unemployment trust fund and deposited in the benefit account and moneys directed for deposit into the Special Programs Fund provided for under Section 2107), including but not limited to moneys directed for transfer from the Master Bond Fund to this State's account in the unemployment trust fund, upon receipt thereof by the Director, shall be immediately deposited in the clearing account; provided, however, that, except as is otherwise provided in this Section, interest and penalties shall not be deemed a part of the clearing account but shall be transferred immediately upon clearance thereof to the special administrative account.

After clearance thereof, all other moneys in the clearing account shall be immediately deposited by the Director with the Secretary of the Treasury of the United States of America to the credit of the account of this State in the unemployment trust fund, established and maintained pursuant to the Federal Social Security Act, as amended, except fund building receipts, which shall be deposited into the Master Bond Fund. The benefit account shall consist of all moneys requisitioned from this State's account in the

unemployment trust fund. The moneys in the benefit account shall be expended in accordance with regulations prescribed by the Director and solely for the payment of benefits, refunds of contributions, interest and penalties under the provisions of the Act, the payment of health insurance in accordance with Section 410 of this Act, and the transfer or payment of funds to any Federal or State agency pursuant to reciprocal arrangements entered into by the Director under the provisions of Section 2700E, except that moneys credited to this State's account in the unemployment trust fund pursuant to Section 903 of the Federal Social Security Act, as amended, shall be used exclusively as provided in subsection B. For purposes of this Section only, to the extent allowed by applicable legal requirements, the payment of benefits includes but is not limited to the payment of principal on any bonds issued pursuant to the Illinois Unemployment Insurance Trust Fund Financing Act, exclusive of any interest or administrative expenses in connection with the bonds. The Director shall, from time to time, requisition from the unemployment trust fund such amounts, not exceeding the amounts standing to the State's account therein, as he deems necessary solely for the payment of such benefits, refunds, and funds, for a reasonable future period. The Director, as ex-officio custodian of the benefit account, which shall be kept separate and apart from all other public moneys, shall issue his checks for the payment of such benefits, refunds, health insurance and funds solely from the moneys so received into the benefit account. However, after January 1, 1987, no check shall be drawn on such benefit account unless at the time of drawing there is sufficient money in the account to pay the check. The Director shall retain in the clearing account an amount of interest and penalties equal to the amount of interest and penalties to be refunded from the benefit account. After clearance thereof, the amount so retained shall be immediately deposited by the Director, as are all other moneys in the clearing account, with the Secretary of the Treasury of the United States. If, at any time, an insufficient amount of interest and penalties is available for retention in the clearing account, no refund of interest or penalties shall be made from the benefit account until a sufficient amount is available for retention and is so retained, or until the State Treasurer, upon the direction of the Director, transfers to the Director a sufficient amount from the special administrative account, for immediate deposit in the benefit account.

Any balance of moneys requisitioned from the unemployment trust fund which remains unclaimed or unpaid in the benefit account after the expiration of the period for which such sums were requisitioned shall either be deducted from estimates of and may be utilized for authorized expenditures during succeeding periods, or, in the discretion of the Director, shall be redeposited with the Secretary of the Treasury of the United States to the credit of the State's account in the unemployment trust fund.

Moneys in the clearing, benefit and special administrative accounts shall not be commingled with other State funds but they shall be deposited as required by law and maintained in separate accounts on the books of a savings and loan association or bank.

No bank or savings and loan association shall receive public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended.

B. Moneys credited to the account of this State in the unemployment trust fund by the Secretary of the Treasury of the United States pursuant to Section 903 of the Social Security Act may be requisitioned from this State's account and used as authorized by Section 903. Any interest required to be paid on advances under Title XII of the Social Security Act shall be paid in a timely manner and shall not be paid, directly or indirectly, by an equivalent reduction in contributions or payments in lieu of contributions from amounts in this State's account in the unemployment trust fund. Such moneys may be requisitioned and used for the payment of expenses incurred for the administration of this Act, but only pursuant to a specific appropriation by the General Assembly and only if the expenses are incurred and the moneys are requisitioned after the enactment of an appropriation law which:

1. Specifies the purpose or purposes for which such moneys are appropriated and the amount or amounts appropriated therefor;
2. Limits the period within which such moneys may be obligated to a period ending not more than 2 years after the date of the enactment of the appropriation law; and
3. Limits the amount which may be obligated during any fiscal year to an amount which does not exceed the amount by which (a) the aggregate of the amounts transferred to the account of this State pursuant to Section 903 of the Social Security Act exceeds (b) the aggregate of the amounts used by this State pursuant to this Act and charged against the amounts transferred to the account of this State.

For purposes of paragraph (3) above, amounts obligated for administrative purposes pursuant to an appropriation shall be chargeable against transferred amounts at the exact time the obligation is entered into. The appropriation, obligation, and expenditure or other disposition of money appropriated under this

subsection shall be accounted for in accordance with standards established by the United States Secretary of Labor.

Moneys appropriated as provided herein for the payment of expenses of administration shall be requisitioned by the Director as needed for the payment of obligations incurred under such appropriation. Upon requisition, such moneys shall be deposited with the State Treasurer, who shall hold such moneys, as ex-officio custodian thereof, in accordance with the requirements of Section 2103 and, upon the direction of the Director, shall make payments therefrom pursuant to such appropriation. Moneys so deposited shall, until expended, remain a part of the unemployment trust fund and, if any will not be expended, shall be returned promptly to the account of this State in the unemployment trust fund.

C. The Governor is authorized to apply to the United States Secretary of Labor for an advance or advances to this State's account in the unemployment trust fund pursuant to the conditions set forth in Title XII of the Federal Social Security Act, as amended. The amount of any such advance may be repaid from this State's account in the unemployment trust fund.

D. The Director shall annually on or before the first day of March report in writing to the Employment Security Advisory Board concerning the deposits into and expenditures from this State's account in the Unemployment Trust Fund.

(820 ILCS 405/2101) (from Ch. 48, par. 661)

Sec. 2101. Special administrative account. Except as provided in Section 2100, all interest and penalties collected pursuant to this Act shall be deposited in the special administrative account. The amount in this account in excess of \$100,000 on the close of business of the last day of each calendar quarter shall be immediately transferred to this State's account in the unemployment trust fund. However, subject to Section 2101.1, such funds shall not be transferred where it is determined by the Director that it is necessary to accumulate funds in the account in order to have sufficient funds to pay interest that may become due under the terms of Section 1202 (b) of the Federal Social Security Act, as amended, upon advances made to the Illinois Unemployment Insurance Trust Fund under Title XII of the Federal Social Security Act or where it is determined by the Director that it is necessary to accumulate funds in the special administrative account in order to have sufficient funds to expend for any other purpose authorized by this Section. The moneys available in the special administrative account shall be expended upon the direction of the Director whenever it appears to him that such expenditure is necessary for:

A. 1. The proper administration of this Act and no Federal funds are available for the specific purpose for which such expenditure is to be made, provided the moneys are not substituted for appropriations from Federal funds, which in the absence of such moneys would be available and provided the monies are appropriated by the General Assembly.

2. The proper administration of this Act for which purpose appropriations from Federal funds have been requested but not yet received, provided the special administrative account will be reimbursed upon receipt of the requested Federal appropriation.

B. To the extent possible, the repayment to the fund established for financing the cost of administration of this Act of moneys found by the Secretary of Labor of the United States of America, or other appropriate Federal agency, to have been lost or expended for purposes other than, or in amounts in excess of, those found necessary by the Secretary of Labor, or other appropriate Federal agency, for the administration of this Act.

C. The payment of refunds or adjustments of interest or penalties, paid pursuant to Sections 901 or 2201.

D. The payment of interest on refunds of erroneously paid contributions, penalties and interest pursuant to Section 2201.1.

E. The payment or transfer of interest or penalties to any Federal or State agency, pursuant to reciprocal arrangements entered into by the Director under the provisions of Section 2700E.

F. The payment of any costs incurred, pursuant to Section 1700.1.

G. Beginning January 1, 1989, for the payment for the legal services authorized by subsection B of Section 802, up to \$1,000,000 per year for the representation of the individual claimants and up to \$1,000,000 per year for the representation of "small employers".

H. The payment of any fees for collecting past due contributions, payments in lieu of contributions, penalties, and interest shall be paid (without an appropriation) from interest and penalty monies received from collection agents that have contracted with the Department under Section 2206 to collect such amounts, provided however, that the amount of such payment shall not exceed the amount of past due interest and penalty collected.

I. The payment of interest that may become due under the terms of Section 1202 (b) of the Federal Social

Security Act, as amended, for advances made to the Illinois Unemployment Insurance Trust Fund.

The Director shall annually on or before the first day of March report in writing to the Employment Security Advisory Board concerning the expenditures made from the special administrative account and the purposes for which funds are being accumulated.

If Federal legislation is enacted which will permit the use by the Director of some part of the contributions collected or to be collected under this Act, for the financing of expenditures incurred in the proper administration of this Act, then, upon the availability of such contributions for such purpose, the provisions of this Section shall be inoperative and interest and penalties collected pursuant to this Act shall be deposited in and be deemed a part of the clearing account. In the event of the enactment of the foregoing Federal legislation, and within 90 days after the date upon which contributions become available for expenditure for costs of administration, the total amount in the special administrative account shall be transferred to the clearing account, and after clearance thereof shall be deposited with the Secretary of the Treasury of the United States of America to the credit of the account of this State in the unemployment trust fund, established and maintained pursuant to the Federal Social Security Act, as amended.

Sec. 2101.1. Mandatory transfers. Notwithstanding any other provision in Section 2101 to the contrary, no later than June 30, 2007, an amount equal to at least \$1,400,136 but not to exceed \$7,000,136 shall be transferred from the special administrative account to this State's account in the Unemployment Trust Fund. No later than June 30, 2008, and June 30 of each of the three immediately succeeding calendar years, there shall be transferred from the special administrative account to this State's account in the Unemployment Trust Fund an amount at least equal to the lesser of \$1,400,000 or the unpaid principal. For purposes of this Section, the unpaid principal is the difference between \$7,000,136 and the sum of amounts, excluding interest, previously transferred pursuant to this Section. In addition to the amounts otherwise specified in this Section, each transfer shall include a payment of any interest accrued pursuant to this Section through the end of the immediately preceding calendar quarter for which the federal Department of the Treasury has published the yield for state accounts in the Unemployment Trust Fund. Interest pursuant to this Section shall accrue daily beginning on January 1, 2007, and be calculated on the basis of the unpaid principal as of the beginning of the day. The rate at which the interest shall accrue for each calendar day within a calendar quarter shall equal the quotient obtained by dividing the yield for that quarter for state accounts in the Unemployment Trust Fund as published by the federal Department of the Treasury by the total number of calendar days within that quarter. Interest accrued but not yet due at the time the unpaid principal is paid in full shall be transferred within 30 days after the federal Department of the Treasury has published the yield for state accounts in the Unemployment Trust Fund for all quarters for which interest has accrued pursuant to this Section but not yet been paid. A transfer required pursuant to this Section in a fiscal year of this State shall occur before any transfer made with respect to that same fiscal year from the special administrative account to the Title III Social Security and Employment Fund.

(820 ILCS 405/2107 new)

Sec. 2107. Special Programs Fund. The Special Programs Fund shall be held separate and apart from all public moneys or funds of this State. All moneys that may be received by the State for the payment of trade readjustment allowances or alternative trade adjustment assistance for older workers under the Trade Act of 1974, as amended, or disaster unemployment assistance under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended, or for the payment of any other benefits where the Department will pay the benefits as an agent of the United States Department of Labor or its successor agency pursuant to federal law (except benefits payable through the State's account in the federal Unemployment Trust Fund established and maintained pursuant to the federal Social Security Act, as amended), shall be deposited into the Special Programs Fund, together with any moneys that may otherwise be directed for deposit into that Fund. No such moneys shall be paid or expended except upon the direction of the Director who, as ex officio custodian of the Special Programs Fund, shall expend such moneys only in accordance with the directions of the United States Department of Labor or its successor agency, as an agent of the United States Department of Labor or its successor agency. Moneys in the Special Programs Fund shall not be commingled with other State funds, but they shall be deposited as required by law and maintained in a separate account on the books of a savings and loan association, bank, or other qualified financial institution. All interest earnings on amounts within the Special Programs Fund shall accrue to the Special Programs Fund. The Director shall be liable on her or his general official bond for the faithful performance of her or his duties in connection with the moneys in the Special Programs Fund. Such liability on her or his official bond shall exist in addition to the liability upon any separate bond given by her or him. All sums

recovered for losses sustained by the Special Programs Fund shall be deposited into the Fund.

This amendatory Act of the 94th General Assembly is not intended to alter processes or requirements with respect to the Special Programs Fund from those in existence immediately prior to the effective date of this amendatory Act of the 94th General Assembly.
