At the time of the sale, the purchaser shall execute a statement, signed under penalty of perjury, of his or her intent to title the vehicle in the state in which the purchaser is a resident within 30 days after the sale and of the fact of the payment to the State of Illinois of tax in an amount equivalent to the state's rate of tax on taxable property in his or her state of residence and shall submit the statement to the appropriate tax collection agency in his or her state of residence. In addition, the retailer must retain a signed copy of the statement in his or her records. Nothing in this item shall be construed to require the removal of the vehicle from this state following the filing of an intent to title the vehicle in the purchaser's state of residence if the purchaser titles the vehicle in his or her state of residence within 30 days after the date of sale. The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-16.2 of the Criminal Code of 1961 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(i) All fines and penalties imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(j) In cases when prosecution for any violation of Section 11-6, 11-8, 11-9, 11-11, 11-14, 11-15, 11-15.1, 11-16, 11-17, 11-17.1, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 11-20.1, 11-21, 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961, any violation of the Illinois Controlled Substances Act, any violation of the Cannabis Control Act, or any violation of the Methamphetamine Control and Community Protection Act results in conviction, a disposition of court supervision, or an order of probation granted under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substance Act, or Section 70 of the Methamphetamine Control and Community Protection Act of a defendant, the court shall determine whether the defendant is employed by a facility or center as defined under the Child Care Act of 1969, a public or private elementary or secondary school, or otherwise works with children under 18 years of age on a daily basis. When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer

by certified mail. If the employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

(j-5) A defendant at least 17 years of age who is convicted of a felony and who has not been previously convicted of a misdemeanor or felony and who is sentenced to a term of imprisonment in the Illinois Department of Corrections shall as a condition of his or her sentence be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing the high school level Test of General Educational Development (GED) or to work toward completing a vocational training program offered by the Department of Corrections. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of the GED test. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed the GED test. This subsection (j-5) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

- (1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and
- (2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

(C) This subsection (l) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional good conduct credit for meritorious service as provided under Section 3-6-6.

(m) A person convicted of criminal defacement of property under Section 21-1.3 of the Criminal Code of 1961, in which the property damage exceeds \$300 and the property damaged is a school building, shall be ordered to perform community service that may include cleanup, removal, or painting over the defacement.

(n) The court may sentence a person convicted of a violation of Section 12-19, 12-21, or 16-1.3 of the Criminal Code of 1961 (i) to an impact incarceration program if the person is otherwise eligible for that

program under Section 5-8-1.1, (ii) to community service, or (iii) if the person is an addict or alcoholic, as defined in the Alcoholism and Other Drug Abuse and Dependency Act, to a substance or alcohol abuse program licensed under that Act.

(o) Whenever a person is convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, the defendant's driver's license or permit shall be subject to renewal on an annual basis in accordance with the provisions of license renewal established by the Secretary of State.

AMENDMENT NO. 2. Amend House Bill 5, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Secretary of State Act is amended by changing Section 14 as follows:

(15 ILCS 305/14)

Sec. 14. Inspector General.

(a) The Secretary of State must, with the advice and consent of the Senate, appoint an Inspector General for the purpose of detection, deterrence, and prevention of fraud, corruption, mismanagement, gross or aggravated misconduct, or misconduct that may be criminal in nature in the Office of the Secretary of State. The Inspector General shall serve a 5-year term. If no successor is appointed and qualified upon the expiration of the Inspector General's term, the Office of Inspector General is deemed vacant and the powers and duties under this Section may be exercised only by an appointed and qualified interim Inspector

General until a successor Inspector General is appointed and qualified. If the General Assembly is not in session when a vacancy in the Office of Inspector General occurs, the Secretary of State may appoint an interim Inspector General whose term shall expire 2 weeks after the next regularly scheduled session day of the Senate.

(b) The Inspector General shall have the following qualifications:

(1) has not been convicted of any felony under the laws of this State, another State, or the United States;

(2) has earned a baccalaureate degree from an institution of higher education; and

(3) has either (A) 5 or more years of service with a federal, State, or local law enforcement agency, at least 2 years of which have been in a progressive investigatory capacity; (B) 5 or more years of service as a federal, State, or local prosecutor; or (C) 5 or more years of service as a senior manager or executive of a federal, State, or local agency.

(c) The Inspector General may review, coordinate, and recommend methods and procedures to increase the integrity of the Office of the Secretary of State. The duties of the Inspector General shall supplement and not supplant the duties of the Chief Auditor for the Secretary of State's Office or any other Inspector General that may be authorized by law. The Inspector General must report directly to the Secretary of State.

(d) In addition to the authority otherwise provided by this Section, but only when investigating the Office of the Secretary of State, its employees, or their actions for fraud, corruption, mismanagement, gross or aggravated misconduct, or misconduct that may be criminal in nature, the Inspector General is authorized:

(1) To have access to all records, reports, audits, reviews, documents, papers, recommendations, or other materials available that relate to programs and operations with respect to which the Inspector General has responsibilities under this Section.

(2) To make any investigations and reports relating to the administration of the programs and operations of the Office of the Secretary of State that are, in the judgment of the Inspector General, necessary or desirable.

(3) To request any information or assistance that may be necessary for carrying out the duties and responsibilities provided by this Section from any local, State, or federal governmental agency or unit thereof.

(4) To require by subpoena the appearance of witnesses and the production of all information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence necessary in the performance of the functions assigned by this Section, with the exception of subsection (c) and with the exception of records of a labor organization authorized and recognized under the Illinois Public Labor Relations Act to be the exclusive bargaining representative of employees of the Secretary of State, including, but not limited to, records of representation of employees and the negotiation of collective bargaining agreements. A subpoena may be issued under this paragraph (4) only by the Inspector General and not by members of the Inspector General's staff. A person duly subpoenaed for testimony, documents, or other items who neglects or refuses to testify or produce documents or other items under the requirements of the subpoena shall be subject to punishment as may be determined by a court of competent jurisdiction, unless (i) the testimony, documents, or other items are covered by the attorney-client privilege or any other privilege or right recognized by law or (ii) the testimony, documents, or other items concern the representation of employees and the negotiation of collective bargaining agreements by a labor organization authorized and recognized under the Illinois Public Labor Relations Act to be the exclusive bargaining representative of employees of the Secretary of State. Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

(5) To have direct and prompt access to the Secretary of State for any purpose pertaining to the performance of functions and responsibilities under this Section.

(d-5) In addition to the authority otherwise provided by this Section, the Secretary of State Inspector General shall have jurisdiction to investigate complaints and allegations of wrongdoing by any person or entity related to the Lobbyist Registration Act. When investigating those complaints and allegations, the Inspector General is authorized:

(1) To have access to all records, reports, audits, reviews, documents, papers, recommendations, or other materials available that relate to programs and operations with respect to which the Inspector General has responsibilities under this Section.

(2) To request any information or assistance that may be necessary for carrying out the duties and responsibilities provided by this Section from any local, State, or federal governmental agency

or unit thereof.

(3) To require by subpoena the appearance of witnesses and the production of all information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence necessary in the performance of the functions assigned by this Section. A subpoena may be issued under this paragraph (3) only by the Inspector General and not by members of the Inspector General's staff. A person duly subpoenaed for testimony, documents, or other items who neglects or refuses to testify or produce documents or other items under the requirements of the subpoena shall be subject to punishment as may be determined by a court of competent jurisdiction, unless the testimony, documents, or other items are covered by the attorney-client privilege or any other privilege or right recognized by law. Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Section 10 of Article I of the Constitution of the State of Illinois.

(4) To have direct and prompt access to the Secretary of State for any purpose pertaining to the performance of functions and responsibilities under this Section.

(e) The Inspector General may receive and investigate complaints or information ~~from an employee of the Secretary of State~~ concerning the possible existence of an activity constituting a violation of law, rules, or regulations; mismanagement; abuse of authority; or substantial and specific danger to the public health and safety. Any person who knowingly files a false complaint or files a complaint with reckless disregard for the truth or the falsity of the facts underlying the complaint may be subject to discipline as set forth in the rules of the Department of Personnel of the Secretary of State or the Inspector General may refer the matter to a State's Attorney or the Attorney General.

The Inspector General may not, after receipt of a complaint or information, disclose the identity of the source without the consent of the source, unless the Inspector General determines that disclosure of the identity is reasonable and necessary for the furtherance of the investigation.

Any employee who has the authority to recommend or approve any personnel action or to direct others to recommend or approve any personnel action may not, with respect to that authority, take or threaten to take any action against any employee as a reprisal for making a complaint or disclosing information to the Inspector General, unless the complaint was made or the information disclosed with the knowledge that it was false or with willful disregard for its truth or falsity.

(f) The Inspector General must adopt rules, in accordance with the provisions of the Illinois Administrative Procedure Act, establishing minimum requirements for initiating, conducting, and completing investigations. The rules must establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but is not limited to, site visits, telephone contacts, personal interviews, or requests for written responses. The rules must also clarify how the Office of the Inspector General shall interact with other local, State, and federal law enforcement investigations.

Any employee of the Secretary of State subject to investigation or inquiry by the Inspector General or any agent or representative of the Inspector General concerning misconduct that is criminal in nature shall have the right to be notified of the right to remain silent during the investigation or inquiry and the right to be represented in the investigation or inquiry by an attorney or a representative of a labor organization that is the exclusive collective bargaining representative of employees of the Secretary of State. Any investigation or inquiry by the Inspector General or any agent or representative of the Inspector General must be conducted with an awareness of the provisions of a collective bargaining agreement that applies to the employees of the Secretary of State and with an awareness of the rights of the employees as set forth in State and federal law and applicable judicial decisions. Any recommendations for discipline or any action taken against any employee by the Inspector General or any representative or agent of the Inspector General must comply with the provisions of the collective bargaining agreement that applies to the employee.

(g) On or before January 1 of each year, the Inspector General shall report to the President of the Senate, the Minority Leader of the Senate, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives on the types of investigations and the activities undertaken by the Office of the Inspector General during the previous calendar year.

Sec. 7. Owners Licenses.

(a) The Board shall issue owners licenses to persons, firms or corporations which apply for such licenses upon payment to the Board of the non-refundable license fee set by the Board, upon payment of a \$25,000 license fee for the first year of operation and a \$5,000 license fee for each succeeding year and upon a determination by the Board that the applicant is eligible for an owners license pursuant to this Act and the rules of the Board. From the effective date of this amendatory Act of the 95th General Assembly until (i) 3 years after the effective date of this amendatory Act of the 95th General Assembly, (ii) the date any organization licensee begins to operate a slot machine or video game of chance under the Illinois Horse Racing Act of 1975 or this Act, (iii) the date that payments begin under subsection (c-5) of Section 13 of the Act, or (iv) the wagering tax imposed under Section 13 of this Act is increased by law to reflect a tax rate that is at least as stringent or more stringent than the tax rate contained in subsection (a-3) of Section 13, whichever occurs first, as a condition of licensure and as an alternative source of payment for those funds payable under subsection (c-5) of Section 13 of the Riverboat Gambling Act, any owners licensee

that holds or receives its owners license on or after the effective date of this amendatory Act of the 94th General Assembly, other than an owners licensee operating a riverboat with adjusted gross receipts in calendar year 2004 of less than \$200,000,000, must pay into the Horse Racing Equity Trust Fund, in addition to any other payments required under this Act, an amount equal to 3% of the adjusted gross receipts received by the owners licensee. The payments required under this Section shall be made by the owners licensee to the State Treasurer no later than 3:00 o'clock p.m. of the day after the day when the adjusted gross receipts were received by the owners licensee. A person, firm or corporation is ineligible to receive an owners license if:

- (1) the person has been convicted of a felony under the laws of this State, any other state, or the United States;

- (5) a person defined in (1), (2), (3) or (4) is an officer, director or managerial employee of the firm or corporation;
- (6) the firm or corporation employs a person defined in (1), (2), (3) or (4) who participates in the management or operation of gambling operations authorized under this Act;
- (7) (blank); or
- (8) a license of the person, firm or corporation issued under this Act, or a license to own or operate gambling facilities in any other jurisdiction, has been revoked.

The Board is expressly prohibited from making changes to the requirement that licensees make payment into the Horse Racing Equity Trust Fund without the express authority of the Illinois General Assembly and making any other rule to implement or interpret this amendatory Act of the 95th General Assembly. For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

- (1) the character, reputation, experience and financial integrity of the applicants and of any other or separate person that either:
 - (A) controls, directly or indirectly, such applicant, or
 - (B) is controlled, directly or indirectly, by such applicant or by a person which controls, directly or indirectly, such applicant;
- (2) the facilities or proposed facilities for the conduct of riverboat gambling;
- (3) the highest prospective total revenue to be derived by the State from the conduct of riverboat gambling;
- (4) the extent to which the ownership of the applicant reflects the diversity of the State by including minority persons, ~~and~~ females and persons with a disability and the good faith affirmative action plan of each applicant to recruit, train and upgrade minority persons, ~~and~~ females and persons with a disability in all employment classifications;
- (5) the financial ability of the applicant to purchase and maintain adequate liability and casualty insurance;
- (6) whether the applicant has adequate capitalization to provide and maintain, for the duration of a license, a riverboat;

- (8) The amount of the applicant's license bid.

(c) Each owners license shall specify the place where riverboats shall operate and dock.

(d) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints.

(e) The Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi

River and (2), on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis. One other license shall authorize riverboat gambling on the Illinois River south of Marshall County. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder.

In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3 year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after May 1, 1998, renewal shall be for a period of 4 years, unless the Board sets a shorter period.

(h) An owners license shall entitle the licensee to own up to 2 riverboats. A licensee shall limit the number of gambling participants to 1,200 for any such owners license. A licensee may operate both of its riverboats concurrently, provided that the total number of gambling participants on both riverboats does not exceed 1,200. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

Sec. 9. Occupational licenses.

(a) The Board may issue an occupational license to an applicant upon the payment of a non-refundable fee set by the Board, upon a determination by the Board that the applicant is eligible for an occupational license and upon payment of an annual license fee in an amount to be established. To be eligible for an occupational license, an applicant must:

(1) be at least 21 years of age if the applicant will perform any function involved in gaming by patrons. Any applicant seeking an occupational license for a non-gaming function shall be at least 18 years of age;

(2) not have been convicted of a felony offense, a violation of Article 28 of the Criminal Code of 1961, or a similar statute of any other jurisdiction, ~~or a crime involving dishonesty or moral turpitude;~~

(2.5) not have been convicted of a crime, other than a crime described in item (2) of this subsection (a), involving dishonesty or moral turpitude, except that the Board may, in its discretion, issue an occupational license to a person who has been convicted of a crime described in this item (2.5) more than 10 years prior to his or her application and has not subsequently been convicted of any other crime;

(3) have demonstrated a level of skill or knowledge which the Board determines to be necessary in order to operate gambling aboard a riverboat; and

(4) have met standards for the holding of an occupational license as adopted by rules of the Board. Such rules shall provide that any person or entity seeking an occupational license to manage gambling operations hereunder shall be subject to background inquiries and further requirements similar to those required of applicants for an owners license. Furthermore, such rules shall provide that each such entity shall be permitted to manage gambling operations for only one licensed owner.

(b) Each application for an occupational license shall be on forms prescribed by the Board and shall contain all information required by the Board. The applicant shall set forth in the application: whether he has been issued prior gambling related licenses; whether he has been licensed in any other state under any other name, and, if so, such name and his age; and whether or not a permit or license issued to him in any other state has been suspended, restricted or revoked, and, if so, for what period of time.

(c) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints. The Board shall charge each applicant a fee set by the Department of State Police to defray the costs associated with the search and classification of fingerprints obtained by the Board with respect to the applicant's application. These fees shall be paid into the State Police Services Fund.

(d) The Board may in its discretion refuse an occupational license to any person: (1) who is unqualified to perform the duties required of such applicant; (2) who fails to disclose or states falsely any information called for in the application; (3) who has been found guilty of a violation of this Act or whose prior gambling related license or application therefor has been suspended, restricted, revoked or denied for just cause in any other state; or (4) for any other just cause.

(e) The Board may suspend, revoke or restrict any occupational licensee: (1) for violation of any provision of this Act; (2) for violation of any of the rules and regulations of the Board; (3) for any cause which, if known to the Board, would have disqualified the applicant from receiving such license; or (4) for default in the payment of any obligation or debt due to the State of Illinois; or (5) for any other just cause.

(f) A person who knowingly makes a false statement on an application is guilty of a Class A misdemeanor.

(g) Any license issued pursuant to this Section shall be valid for a period of one year from the date of issuance.

(h) Nothing in this Act shall be interpreted to prohibit a licensed owner from entering into an agreement with a public community college or a school approved under the Private Business and Vocational Schools Act for the training of any occupational licensee. Any training offered by such a school shall be in accordance with a written agreement between the licensed owner and the school.

(i) Any training provided for occupational licensees may be conducted either on the riverboat or at a school with which a licensed owner has entered into an agreement pursuant to subsection (h).

Sec. 11. Conduct of gambling. Gambling may be conducted by licensed owners or licensed managers on behalf of the State aboard riverboats, subject to the following standards:

(1) A licensee may conduct riverboat gambling authorized under this Act regardless of whether it conducts excursion cruises. A licensee may permit the continuous ingress and egress of passengers on a riverboat not used for excursion cruises for the purpose of gambling. Excursion cruises shall not exceed 4 hours for a round trip. However, the Board may grant express approval for an extended cruise on a case-by-case basis.

(2) (Blank).

(3) Minimum and maximum wagers on games shall be set by the licensee.

(4) Agents of the Board and the Department of State Police may board and inspect any riverboat at any time for the purpose of determining whether this Act is being complied with. Every riverboat, if under way and being hailed by a law enforcement officer or agent of the Board, must stop immediately and lay to.

(5) Employees of the Board shall have the right to be present on the riverboat or on adjacent facilities under the control of the licensee.

(6) Gambling equipment and supplies customarily used in conducting riverboat gambling must be purchased or leased only from suppliers licensed for such purpose under this Act. The Board may approve the transfer, sale, or lease of gambling equipment and supplies by a licensed owner from or to an affiliate of the licensed owner as long as the gambling equipment and supplies were initially acquired from a supplier licensed in Illinois.

(7) Persons licensed under this Act shall permit no form of wagering on gambling games except as permitted by this Act.

(8) Wagers may be received only from a person present on a licensed riverboat. No person present on a licensed riverboat shall place or attempt to place a wager on behalf of another person who is not present on the riverboat.

(9) Wagering shall not be conducted with money or other negotiable currency.

(10) A person under age 21 shall not be permitted on an area of a riverboat where gambling is being conducted, except for a person at least 18 years of age who is an employee of the riverboat gambling operation. No employee under age 21 shall perform any function involved in gambling by the patrons. No person under age 21 shall be permitted to make a wager under this Act, and any winnings that are a result of a wager by a person under age 21, whether or not paid by a licensee, shall be treated as winnings for the privilege tax purposes, confiscated, and forfeited to the State and deposited into the Education Assistance Fund.

(11) Gambling excursion cruises are permitted only when the waterway for which the riverboat is licensed is navigable, as determined by the Board in consultation with the U.S. Army Corps of Engineers. This paragraph (11) does not limit the ability of a licensee to conduct gambling authorized under this Act when gambling excursion cruises are not permitted.

(12) All tokens, chips or electronic cards used to make wagers must be purchased from a licensed owner or manager either aboard a riverboat or at an onshore facility which has been approved by the Board and which is located where the riverboat docks. The tokens, chips or electronic cards may be purchased by means of an agreement under which the owner or manager extends credit to the patron. Such tokens, chips or electronic cards may be used while aboard the riverboat only for the purpose of making wagers on gambling games.

(13) Notwithstanding any other Section of this Act, in addition to the other licenses authorized under this Act, the Board may issue special event licenses allowing persons who are not otherwise licensed to conduct riverboat gambling to conduct such gambling on a specified date or series of dates. Riverboat gambling under such a license may take place on a riverboat not normally used for riverboat gambling. The Board shall establish standards, fees and fines for, and limitations upon, such licenses, which may differ from the standards, fees, fines and limitations otherwise applicable under this Act. All such fees shall be deposited into the State Gaming Fund. All such fines shall be deposited into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(14) In addition to the above, gambling must be conducted in accordance with all rules adopted by the Board.

For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners

licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

"Dormant license" has the meaning ascribed to it in subsection (a-3).

(c-10) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid into the Horse Racing Equity Fund pursuant to subsection (c-5) in the prior calendar year.

The establishment of the hours for sale and consumption of alcoholic liquor on board a riverboat is an exclusive power and function of the State. A home rule unit may not establish the hours for sale and consumption of alcoholic liquor on board a riverboat. This amendatory Act of 1991 is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

In the event the Department of State Police or the Department of Revenue is unable to fill contracted police or investigative positions, the Board may appoint investigators to fill those positions pursuant to subdivision (20.6).

(21) To take any other action as may be reasonable or appropriate to enforce this Act and rules and regulations hereunder.

(d) The Board may seek and shall receive the cooperation of the Department of State Police in conducting background investigations of applicants and in fulfilling its responsibilities under this Section. Costs incurred by the Department of State Police as a result of such cooperation shall be paid by the Board in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400).

(e) The Board must authorize to each investigator and to any other employee of the Board exercising the powers of a peace officer a distinct badge that, on its face, (i) clearly states that the badge is authorized by the Board and (ii) contains a unique identifying number. (c) Each applicant shall disclose the identity of every person, association, trust or corporation having a greater than 1% direct or indirect pecuniary interest in the riverboat gambling operation with respect to which the license is sought. If the disclosed entity is a trust, the application shall disclose the names and addresses of the beneficiaries; if a corporation, the names and addresses of all stockholders and directors; if a partnership, the names and addresses of all partners, both general and limited.

(d) An application shall be filed and considered in accordance with the rules of the Board with the Board by January 1 of the year preceding any calendar year for which an applicant seeks an owners license; however, applications for an owners license permitting operations on January 1, 1991 shall be filed by July 1, 1990. An application fee of \$50,000 shall be paid at the time of filing to defray the costs associated with the background investigation conducted by the Board. If the costs of the investigation exceed \$50,000, the applicant shall pay the additional amount to the Board. If the costs of the investigation are less than \$50,000, the applicant shall receive a refund of the remaining amount. All information, records, interviews, reports, statements, memoranda or other data supplied to or used by the Board in the course of its review or investigation of an application for a license under this Act shall be privileged, strictly confidential and shall be used only for the purpose of evaluating an applicant. Such information, records, interviews, reports, statements, memoranda or other data shall not be admissible as evidence, nor discoverable in any action of any kind in any court or before any tribunal, board, agency or person, except for any action deemed necessary by the Board.

(230 ILCS 10/7) (from Ch. 120, par. 2407)

Sec. 7. Owners Licenses.

(a) The Board shall issue owners licenses to persons, firms or corporations which apply for such licenses upon payment to the Board of the non-refundable license fee set by the Board, upon payment of a \$25,000 license fee for the first year of operation and a \$5,000 license fee for each succeeding year and upon a determination by the Board that the applicant is eligible for an owners license pursuant to this Act and the rules of the Board. From the effective date of this amendatory Act of the 95th General Assembly until (i) 3 years after the effective date of this amendatory Act of the 95th General Assembly, (ii) the date any organization licensee begins to operate a slot machine or video game of chance under the Illinois Horse Racing Act of 1975 or this Act, (iii) the date that payments begin under subsection (c-5) of Section 13 of the Act, or (iv) the wagering tax imposed under Section 13 of this Act is increased by law to reflect a tax rate that is at least as stringent or more stringent than the tax rate contained in subsection (a-3) of Section 13, whichever occurs first, as a condition of licensure and as an alternative source of payment for those funds payable under subsection (c-5) of Section 13 of the Riverboat Gambling Act, any owners licensee that holds or receives its owners license on or after the effective date of this amendatory Act of the 94th General Assembly, other than an owners licensee operating a riverboat with adjusted gross receipts in calendar year 2004 of less than \$200,000,000, must pay into the Horse Racing Equity Trust Fund, in addition to any other payments required under this Act, an amount equal to 3% of the adjusted gross receipts received by the owners licensee. The payments required under this Section shall be made by the owners licensee to the State Treasurer no later than 3:00 o'clock p.m. of the day after the day when the adjusted gross receipts were received by the owners licensee. A person, firm or corporation is ineligible to receive an owners license if:

- (1) the person has been convicted of a felony under the laws of this State, any other state, or the United States;

- (7) (blank); or
- (8) a license of the person, firm or corporation issued under this Act, or a license to own or operate gambling facilities in any other jurisdiction, has been revoked.

The Board is expressly prohibited from making changes to the requirement that licensees make payment into the Horse Racing Equity Trust Fund without the express authority of the Illinois General Assembly and making any other rule to implement or interpret this amendatory Act of the 95th General Assembly. For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

- (1) the character, reputation, experience and financial integrity of the applicants and of any other or separate person that either:
 - (A) controls, directly or indirectly, such applicant, or
 - (B) is controlled, directly or indirectly, by such applicant or by a person which controls, directly or indirectly, such applicant;
- (2) the facilities or proposed facilities for the conduct of riverboat gambling;
- (3) the highest prospective total revenue to be derived by the State from the conduct of riverboat gambling;
- (4) the extent to which the ownership of the applicant reflects the diversity of the State by including minority persons, ~~and~~ females, and persons with a disability and the good faith

affirmative action plan of each applicant to recruit, train and upgrade minority persons, ~~and~~ females and persons with a disability in all employment classifications;

(5) the financial ability of the applicant to purchase and maintain adequate liability and casualty insurance;

(6) whether the applicant has adequate capitalization to provide and maintain, for the duration of a license, a riverboat;

(7) the extent to which the applicant exceeds or meets other standards for the issuance of an owners license which the Board may adopt by rule; and

(8) The amount of the applicant's license bid.

(c) Each owners license shall specify the place where riverboats shall operate and dock.

(d) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints.

(e) The Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2), on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis. One other license shall authorize riverboat gambling on the Illinois River south of Marshall County. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder.

In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3 year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after May 1, 1998, renewal shall be for a period of 4 years, unless the Board sets a shorter period.

(h) An owners license shall entitle the licensee to own up to 2 riverboats. A licensee shall limit the number of gambling participants to 1,200 for any such owners license. A licensee may operate both of its riverboats concurrently, provided that the total number of gambling participants on both riverboats does not exceed 1,200. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation and

excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

Furthermore, such rules shall provide that each such entity shall be permitted to manage gambling operations for only one licensed owner.

(b) Each application for an occupational license shall be on forms prescribed by the Board and shall contain all information required by the Board. The applicant shall set forth in the application: whether he has been issued prior gambling related licenses; whether he has been licensed in any other state under any other name, and, if so, such name and his age; and whether or not a permit or license issued to him in any other state has been suspended, restricted or revoked, and, if so, for what period of time.

(c) Each applicant shall submit with his application, on forms provided by the Board, 2 sets of his fingerprints. The Board shall charge each applicant a fee set by the Department of State Police to defray the costs associated with the search and classification of fingerprints obtained by the Board with respect to the applicant's application. These fees shall be paid into the State Police Services Fund.

(d) The Board may in its discretion refuse an occupational license to any person: (1) who is unqualified to perform the duties required of such applicant; (2) who fails to disclose or states falsely any information called for in the application; (3) who has been found guilty of a violation of this Act or whose prior gambling related license or application therefor has been suspended, restricted, revoked or denied for just cause in any other state; or (4) for any other just cause.

(e) The Board may suspend, revoke or restrict any occupational licensee: (1) for violation of any provision of this Act; (2) for violation of any of the rules and regulations of the Board; (3) for any cause which, if known to the Board, would have disqualified the applicant from receiving such license; or (4) for default in the payment of any obligation or debt due to the State of Illinois; or (5) for any other just cause.

(f) A person who knowingly makes a false statement on an application is guilty of a Class A misdemeanor.

(g) Any license issued pursuant to this Section shall be valid for a period of one year from the date of issuance.

(h) Nothing in this Act shall be interpreted to prohibit a licensed owner from entering into an agreement with a public community college or a school approved under the Private Business and Vocational Schools

Act for the training of any occupational licensee. Any training offered by such a school shall be in accordance with a written agreement between the licensed owner and the school.

(i) Any training provided for occupational licensees may be conducted either on the riverboat or at a school with which a licensed owner has entered into an agreement pursuant to subsection (h).

Sec. 11. Conduct of gambling. Gambling may be conducted by licensed owners or licensed managers on behalf of the State aboard riverboats, subject to the following standards:

(1) A licensee may conduct riverboat gambling authorized under this Act regardless of whether it conducts excursion cruises. A licensee may permit the continuous ingress and egress of passengers on a riverboat not used for excursion cruises for the purpose of gambling. Excursion cruises shall not exceed 4 hours for a round trip. However, the Board may grant express approval for an extended cruise on a case-by-case basis.

(2) (Blank).

(3) Minimum and maximum wagers on games shall be set by the licensee.

(4) Agents of the Board and the Department of State Police may board and inspect any riverboat at any time for the purpose of determining whether this Act is being complied with. Every riverboat, if under way and being hailed by a law enforcement officer or agent of the Board, must stop immediately and lay to.

(5) Employees of the Board shall have the right to be present on the riverboat or on adjacent facilities under the control of the licensee.

(6) Gambling equipment and supplies customarily used in conducting riverboat gambling must be purchased or leased only from suppliers licensed for such purpose under this Act. The Board may approve the transfer, sale, or lease of gambling equipment and supplies by a licensed owner from or to an affiliate of the licensed owner as long as the gambling equipment and supplies were initially acquired from a supplier licensed in Illinois.

(7) Persons licensed under this Act shall permit no form of wagering on gambling games except as permitted by this Act.

(8) Wagers may be received only from a person present on a licensed riverboat. No person present on a licensed riverboat shall place or attempt to place a wager on behalf of another person who is not present on the riverboat.

(9) Wagering shall not be conducted with money or other negotiable currency.

(10) A person under age 21 shall not be permitted on an area of a riverboat where gambling is being conducted, except for a person at least 18 years of age who is an employee of the riverboat gambling operation. No employee under age 21 shall perform any function involved in gambling by the patrons. No person under age 21 shall be permitted to make a wager under this Act, and any winnings that are a result of a wager by a person under age 21, whether or not paid by a licensee, shall be treated as winnings for the privilege tax purposes, confiscated, and forfeited to the State and deposited into the Education Assistance Fund.

(11) Gambling excursion cruises are permitted only when the waterway for which the riverboat is licensed is navigable, as determined by the Board in consultation with the U.S. Army Corps of Engineers. This paragraph (11) does not limit the ability of a licensee to conduct gambling authorized under this Act when gambling excursion cruises are not permitted.

(12) All tokens, chips or electronic cards used to make wagers must be purchased from a licensed owner or manager either aboard a riverboat or at an onshore facility which has been approved by the Board and which is located where the riverboat docks. The tokens, chips or electronic cards may be purchased by means of an agreement under which the owner or manager extends credit to the patron. Such tokens, chips or electronic cards may be used while aboard the riverboat only for the purpose of making wagers on gambling games.

(13) Notwithstanding any other Section of this Act, in addition to the other licenses authorized under this Act, the Board may issue special event licenses allowing persons who are not otherwise licensed to conduct riverboat gambling to conduct such gambling on a specified date or series of dates. Riverboat gambling under such a license may take place on a riverboat not normally used for riverboat gambling. The Board shall establish standards, fees and fines for, and limitations upon, such licenses, which may differ from the standards, fees, fines and limitations otherwise applicable under this Act. All such fees shall be deposited into the State Gaming Fund. All such fines shall be deposited into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(14) In addition to the above, gambling must be conducted in accordance with all rules adopted by the Board.

The municipality's or county's share shall be collected by the Board on behalf of the State and remitted quarterly by the State, subject to appropriation, to the treasurer of the unit of local government for deposit in the general fund.

(c) The licensed owner shall pay the entire admission tax to the Board and the licensed manager shall pay the entire admission fee to the Board. Such payments shall be made daily. Accompanying each payment shall be a return on forms provided by the Board which shall include other information regarding admissions as the Board may require. Failure to submit either the payment or the return within the specified time may result in suspension or revocation of the owners or managers license.

(d) The Board shall administer and collect the admission tax imposed by this Section, to the extent practicable, in a manner consistent with the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 8, 9 and 10 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act.

(a-1) From January 1, 1998 until July 1, 2002, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

- 15% of annual adjusted gross receipts up to and including \$25,000,000;
- 20% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

(a-2) From July 1, 2002 until July 1, 2003, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

- 15% of annual adjusted gross receipts up to and including \$25,000,000;
- 22.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;
- 27.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$75,000,000;

(a-3) Beginning July 1, 2003, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

- 70% of annual adjusted gross receipts in excess of \$250,000,000.

An amount equal to the amount of wagering taxes collected under this subsection (a-3) that are in addition to the amount of wagering taxes that would have been collected if the wagering tax rates under subsection (a-2) were in effect shall be paid into the Common School Fund.

The privilege tax imposed under this subsection (a-3) shall no longer be imposed beginning on the earlier of (i) July 1, 2005; (ii) the first date after June 20, 2003 that riverboat gambling operations are conducted pursuant to a dormant license; or (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act. For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed, a privilege tax is imposed on persons engaged in the business of conducting riverboat gambling operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the

following rates:

- 15% of annual adjusted gross receipts up to and including \$25,000,000;
- 22.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;
- 27.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$75,000,000;

- 37.5% of annual adjusted gross receipts in excess of \$100,000,000 but not exceeding \$150,000,000;
- 45% of annual adjusted gross receipts in excess of \$150,000,000 but not exceeding \$200,000,000;
- 50% of annual adjusted gross receipts in excess of \$200,000,000.

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner to the Board not later than ~~5:00~~ ~~3:00~~ o'clock p.m. of the day after the day when the wagers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

- For a riverboat in Alton, \$31,000,000.
- For a riverboat in East Peoria, \$43,000,000.
- For the Empress riverboat in Joliet, \$86,000,000.
- For a riverboat in Metropolis, \$45,000,000.
- For the Harrah's riverboat in Joliet, \$114,000,000.
- For a riverboat in Aurora, \$86,000,000.
- For a riverboat in East St. Louis, \$48,500,000.
- For a riverboat in Elgin, \$198,000,000.

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.

(b) Until January 1, 1998, 25% of the tax revenue deposited in the State Gaming Fund under this Section shall be paid, subject to appropriation by the General Assembly, to the unit of local government which is designated as the home dock of the riverboat. Beginning January 1, 1998, from the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 5% of adjusted gross receipts generated by a riverboat shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat. From the tax revenue deposited in the State Gaming Fund pursuant to riverboat gambling operations conducted by a licensed manager on behalf of the State, an amount equal to 5% of adjusted gross receipts generated pursuant to those riverboat gambling operations shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat upon which those riverboat gambling operations are conducted.

(c) Appropriations, as approved by the General Assembly, may be made from the State Gaming Fund to the Board (i) Department of Revenue and the Department of State Police for the administration and enforcement of this Act and the Video Gaming Act, (ii) for distribution to the Department of State Police and to the Department of Revenue for the enforcement of this Act, and (iii) to the Department of Human Services for the administration of programs to treat problem gambling.

(c-10) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid into the Horse Racing Equity Fund pursuant to subsection (c-5) in the prior calendar year.

(c-15) After the payments required under subsections (b), (c), and (c-5) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid, subject to appropriation from the General Assembly, from the State Gaming Fund to each home rule county with a population of over 3,000,000 inhabitants for the purpose of enhancing the county's criminal justice system.

(c-20) Each year the General Assembly shall appropriate from the General Revenue Fund to the Education Assistance Fund an amount equal to the amount paid to each home rule county with a population of over 3,000,000 inhabitants pursuant to subsection (c-15) in the prior calendar year.

(c-25) After the payments required under subsections (b), (c), (c-5) and (c-15) have been made, an amount equal to 2% of the adjusted gross receipts of (1) an owners licensee that relocates pursuant to Section 11.2, (2) an owners licensee conducting riverboat gambling operations pursuant to an owners license that is initially issued after June 25, 1999, or (3) the first riverboat gambling operations conducted by a licensed manager on behalf of the State under Section 7.3, whichever comes first, shall be paid from the State Gaming Fund to Chicago State University.

(d) From time to time, the Board shall transfer the remainder of the funds generated by this Act into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois.

(e) Nothing in this Act shall prohibit the unit of local government designated as the home dock of the riverboat from entering into agreements with other units of local government in this State or in other states to share its portion of the tax revenue.

(f) To the extent practicable, the Board shall administer and collect the wagering taxes imposed by this Section in a manner consistent with the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 8, 9, and 10 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act.

"Section 356z.16 as follows:

(215 ILCS 5/356z.16 new)

Sec. 356z.16. Prosthetic and customized orthotic devices.

(a) For the purposes of this Section:

"Customized orthotic device" means a supportive device for the body or a part of the body, the head, neck, or extremities, and includes the replacement or repair of the device based on the patient's physical condition as medically necessary.

"Licensed provider" means a prosthetist, orthotist, or pedorthist licensed to practice in this State.

"Prosthetic device" means an artificial device to replace, in whole or in part, an arm or leg and includes accessories essential to the effective use of the device and the replacement or repair of the device based on the patient's physical condition as medically necessary.

(b) This amendatory Act of the 96th General Assembly shall provide benefits to any person covered thereunder for expenses incurred in obtaining a prosthetic or custom orthotic device from any Illinois licensed prosthetist, licensed orthotist, or licensed pedorthist as required under the Orthotics, Prosthetics, and Pedorthics Practice Act.

(c) A group or individual policy of accident or health insurance or managed care plan or medical, health, or hospital service corporation contract that provides coverage for prosthetic or custom orthotic care and is amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 96th General Assembly must provide coverage for prosthetic and orthotic devices under terms and conditions that are no less favorable than the terms and conditions applicable to substantially all medical and surgical benefits provided under the plan or coverage.

(d) The policy or plan or contract may require prior authorization for the prosthetic or orthotic devices in the same manner that prior authorization is required for any other covered benefit. Covered benefits are limited to what is determined to be medically necessary.

(e) Repairs and replacements of prosthetic and orthotic devices are also covered, subject to the co-payments and deductibles, unless necessitated by misuse or loss. Such benefits for prosthetic and

orthotic devices and components under the plan or coverage may not be subject to separate financial requirements that are applicable only with respect to such benefits; any financial requirements applicable to such benefits may be no more restrictive than the financial requirements applicable to substantially all medical and surgical benefits provided under the plan or coverage.

(f) A policy or plan or contract may require that, if coverage is provided through a managed care plan, the benefits mandated pursuant to this Section shall be covered benefits only if the prosthetic or orthotic devices are provided by a licensed provider employed by a provider service who contracts with or is designated by the carrier, to the extent that the carrier provides in-network and out of network service, the coverage for the prosthetic or orthotic device shall be offered no less extensively.

No insurer corporation or health maintenance organization shall impose upon any person receiving benefits pursuant to this Section, any annual or lifetime dollar maximum on coverage for prosthetic and orthotic devices other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy or plan.

(g) This subsection (g) shall apply to patient access to prosthetic and custom orthotic providers. The policy or plan or contract shall also meet adequacy requirements as established by the Health Care Reimbursement Reform Act of 1985 of the Illinois Insurance Code."

AMENDMENT NO. 4. Amend House Bill 2652, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Insurance Code is amended by renumbering Section 356z.14 as added by Public Act 95-1005, by changing and renumbering Section 356z.15 as added by Public Act 96-639, and by adding Section 356z.18 as follows:

(215 ILCS 5/356z.15)

Sec. ~~356z.15~~ ~~356z.14~~. Habilitative services for children.

(a) As used in this Section, "habilitative services" means occupational therapy, physical therapy, speech therapy, and other services prescribed by the insured's treating physician pursuant to a treatment plan to enhance the ability of a child to function with a congenital, genetic, or early acquired disorder. A congenital or genetic disorder includes, but is not limited to, hereditary disorders. An early acquired disorder refers to a disorder resulting from illness, trauma, injury, or some other event or condition suffered by a child prior to that child developing functional life skills such as, but not limited to, walking, talking, or self-help skills. Congenital, genetic, and early acquired disorders may include, but are not limited to, autism or an autism spectrum disorder, cerebral palsy, and other disorders resulting from early childhood illness, trauma, or injury.

(b) A group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed after the effective date of this amendatory Act of the 95th General Assembly must provide coverage for habilitative services for children under 19 years of age with a congenital, genetic, or early acquired disorder so long as all of the following conditions are met:

(1) A physician licensed to practice medicine in all its branches has diagnosed the child's congenital, genetic, or early acquired disorder.

(2) The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist, licensed physician, licensed nurse, licensed optometrist, licensed nutritionist, licensed social worker, or licensed psychologist upon the referral of a physician licensed to practice medicine in all its branches.

(3) The initial or continued treatment must be medically necessary and therapeutic and not experimental or investigational.

(c) The coverage required by this Section shall be subject to other general exclusions and limitations of the policy, including coordination of benefits, participating provider requirements, restrictions on services provided by family or household members, utilization review of health care services, including review of medical necessity, case management, experimental, and investigational treatments, and other managed care provisions.

(d) Coverage under this Section does not apply to those services that are solely educational in nature or otherwise paid under State or federal law for purely educational services. Nothing in this subsection (d) relieves an insurer or similar third party from an otherwise valid obligation to provide or to pay for services provided to a child with a disability.

(e) Coverage under this Section for children under age 19 shall not apply to treatment of mental or emotional disorders or illnesses as covered under Section 370 of this Code as well as any other benefit based upon a specific diagnosis that may be otherwise required by law.

(f) The provisions of this Section do not apply to short-term travel, accident-only, limited, or specific disease policies.

(g) Any denial of care for habilitative services shall be subject to appeal and external independent review procedures as provided by Section 45 of the Managed Care Reform and Patient Rights Act.

(h) Upon request of the reimbursing insurer, the provider under whose supervision the habilitative services are being provided shall furnish medical records, clinical notes, or other necessary data to allow the insurer to substantiate that initial or continued medical treatment is medically necessary and that the patient's condition is clinically improving. When the treating provider anticipates that continued treatment is or will be required to permit the patient to achieve demonstrable progress, the insurer may request that the provider furnish a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

(i) Rulemaking authority to implement this amendatory Act of the 95th General Assembly, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Sec. ~~356z.17~~ ~~356z.15~~. Wellness coverage.

(a) A group or individual policy of accident and health insurance or managed care plan amended, delivered, issued, or renewed after January 1, 2010 (the effective date of Public Act 96-639) ~~this amendatory Act of the 96th General Assembly~~ that provides coverage for hospital or medical treatment on an expense incurred basis may offer a reasonably designed program for wellness coverage that allows for a reward, a contribution, a reduction in premiums or reduced medical, prescription drug, or equipment copayments, coinsurance, or deductibles, or a combination of these incentives, for participation in any health behavior wellness, maintenance, or improvement program approved or offered by the insurer or managed care plan. The insured or enrollee may be required to provide evidence of participation in a program. Individuals unable to participate in these incentives due to an adverse health factor shall not be penalized based upon an adverse health status.

(b) For purposes of this Section, "wellness coverage" means health care coverage with the primary purpose to engage and motivate the insured or enrollee through: incentives; provision of health education, counseling, and self-management skills; identification of modifiable health risks; and other activities to influence health behavior changes.

For the purposes of this Section, "reasonably designed program" means a program of wellness coverage that has a reasonable chance of improving health or preventing disease; is not overly burdensome; does not discriminate based upon factors of health; and is not otherwise contrary to law.

(c) Incentives as outlined in this Section are specific and unique to the offering of wellness coverage and have no application to any other required or optional health care benefit.

(d) Such wellness coverage must satisfy the requirements for an exception from the general prohibition against discrimination based on a health factor under the federal Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191; 110 Stat. 1936), including any federal regulations that are adopted pursuant to that Act.

(e) A plan offering wellness coverage must do the following:

(i) give participants the opportunity to qualify for offered incentives at least once a year;

(ii) allow a reasonable alternative to any individual for whom it is unreasonably difficult, due to a medical condition, to satisfy otherwise applicable wellness program standards. Plans may seek physician verification that health factors make it unreasonably difficult or medically inadvisable for the participant to satisfy the standards; and

(iii) not provide a total incentive that exceeds 20% of the cost of employee-only coverage. The cost of employee-only coverage includes both employer and employee contributions. For plans offering family coverage, the 20% limitation applies to cost of family coverage and applies to the entire family.

(f) A reward, contribution, or reduction established under this Section and included in the policy or certificate does not violate Section 151 of this Code.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 720

Offered by Representative Durkin:

WHEREAS, In June of 2009, the Governor issued Executive Order 15, which allows collective bargaining by individual providers of home-based support services; and

WHEREAS, The Home-Based Services Program provides services to individuals with severe disabilities who need help with daily living activities in order to remain in their communities and live as independently as possible; and

WHEREAS, Many of the individual providers of home-based support services are parents who are providing services to their children; and

WHEREAS, Continuity of care is important for profoundly disabled children who are served in the program; even a minor change in the care provided can have a significant negative impact on the disabled child; and

WHEREAS, The payments given to parents who provide services to their disabled children do not meet the cost of providing care; and

WHEREAS, The unionization of providers of home-based support services would decrease the resources that are available to parents to provide necessary care to their disabled children and could lead to the separation of disabled children from their families and the placement of those children in higher-cost State facilities; and

WHEREAS, Collective bargaining is allowed under many State and federal laws, and many members of the Illinois House of Representatives are strong supporters of America's tradition of collective labor

bargaining; and

WHEREAS, Executive Order 15 does not have a regulatory sunset date, and it could allow for repeat and continuous elections; and

WHEREAS, On October 19, 2009, individual providers of home-based support services voted against collective bargaining representation with an overwhelming 66% of the vote; and

WHEREAS, Neither of the two unions seeking collective bargaining status received more than 20% of the vote; and

WHEREAS, It is time to listen to the will of the individual providers of home-based support services; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Governor to reconsider Executive Order 15; and be it further

RESOLVED, That we express our opinion that an objective reconsideration of Executive Order 15 would lead to the withdrawal of the gubernatorial order, as it does not reflect the attitudes and desires of the individual providers of home-based support services that the order sought to help; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Governor of the State of Illinois.

HOUSE RESOLUTION 724

Offered by Representative Nekritz:

WHEREAS, Both the public and numerous states have shown great interest in high-speed rail as an efficient and environmentally friendly means of moving people and creating economic activity; and

WHEREAS, A 2,250-mile Midwestern high-speed rail network as envisioned under the United States Department of Transportation's high-speed corridor designations could create more than 1 million permanent jobs and more than 450,000 construction jobs in the region; and

WHEREAS, Outside of California, the Midwest has the highest concentration of cities with a population of more than 300,000; most of those cities, including Chicago, Detroit, Indianapolis, Milwaukee, Cleveland, Minneapolis, St. Louis, and Cincinnati, could be served by a Midwest high-speed rail network; these metropolitan areas alone represent nearly 10% of the U.S. population and the Midwest region is home to one-third of the U.S. population; and

WHEREAS, In 2009, President Obama and the United States Congress demonstrated leadership and vision by jumpstarting high speed rail plans in the United States with an \$8 billion allocation for high speed rail funding in the American Recovery and Reinvestment Act; and

WHEREAS, The Federal Rail Administration received pre-applications from 40 states totaling \$103 billion this year and ultimately received 45 applications from 23 states totaling \$50 billion, as well as an additional \$7 billion in requests for corridor studies; these figures ultimately dwarfed the \$8 billion to be allocated under the American Recovery and Reinvestment Act; and

WHEREAS, In order to meet the demonstrated demand for high speed rail of at least \$57 billion, the federal government needs to spend \$8 billion every year for the next 7 years; and

WHEREAS, The United States Congress is currently debating the amount of high speed rail funding to put into the annual budget this fall; while the U.S. House of Representatives appropriated \$4 billion in the 2010 transportation appropriations bill (H.R. 3288), the U.S. Senate only appropriated \$1.2 billion in its version; and

WHEREAS, A conference committee is set to finalize the allocation of high speed rail funding in the FY2010 federal budget; and

WHEREAS, The amount of high speed rail funding in the first federal budget since passage of the stimulus bill will determine whether or not the nation will continue to aggressively invest in high speed rail; the difference between the House's \$4 billion allocation for high speed rail and the Senate's \$1.2 billion for high speed rail is dramatic; and

WHEREAS, The State of Illinois has appropriated funds for high speed rail; the Illinois General Assembly has allocated more than \$850 million for railroad infrastructure in the capital bill, the single largest legislative-enacted appropriation of any state in the history of the nation for railroad infrastructure; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the United States Senate to agree with the United States House of Representatives and spend \$4 billion on high speed rail in the FY2010 budget in

order to match the commitment to high speed rail demonstrated by the State of Illinois; and be it further
 RESOLVED, That we specifically urge U.S. Senators Dick Durbin and Roland Burris to push for a \$4 billion allocation for high speed rail in the FY2010 budget; and be it further
 RESOLVED, That suitable copies of this resolution be presented to the Majority and Minority Leaders of the United States Senate and United States Senators Dick Durbin and Roland Burris.

HOUSE RESOLUTION 736

Offered by Representative Madigan:

BE IT RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Auditor General to conduct and complete a survey of other governmental jurisdictions to examine the feasibility of a system of video gaming in which the State owns and operates all video gaming terminals within 150 days after this resolution is adopted; and be it further

RESOLVED, That, upon completion of the survey, the Auditor General shall submit a copy of the survey to the Governor's Office of Management and Budget, the Clerk of the House of Representatives, and the Secretary of the Senate; and be it further

RESOLVED, That a suitable copy of this resolution be delivered to the Auditor General.

AGREED RESOLUTIONS

The following resolutions were offered and placed on the Calendar on the order of Agreed Resolutions.

HOUSE RESOLUTION 718

Offered by Representative Cross:

(d) Each ~~State executive~~ agency shall participate in a review to determine the impact of the employment restrictions based on criminal records and the effectiveness of existing case-by-case review mechanisms. For each occupation under the agency's jurisdiction for which there are employment restrictions based on criminal records, each State agency must provide the Task Force with a report, on or before March 1, 2010 ~~November 1, 2009~~, for the previous 2-year period, setting forth:

(230 ILCS 40/15)

Sec. 15. Minimum requirements for licensing and registration. Every video gaming terminal offered for play shall first be tested and approved pursuant to the rules of the Board, and each video gaming terminal offered in this State for play shall conform to an approved model. The Board may utilize the services of an independent outside testing laboratory for the examination of video gaming machines and associated equipment as required by this Section. Every video gaming terminal offered in this State for play must meet minimum standards set by an independent outside testing laboratory approved by the Board. Each approved model shall, at a minimum, meet the following criteria:

(1) It must conform to all requirements of federal law and regulations, including FCC Class A Emissions Standards.

(2) It must theoretically pay out a mathematically demonstrable percentage during the expected lifetime of the machine of all amounts played, which must not be less than 80%. Video gaming terminals that may be affected by skill must meet this standard when using a method of play that will provide the greatest return to the player over a period of continuous play.

(3) It must use a random selection process to determine the outcome of each play of a game. The random selection process must meet 99% confidence limits using a standard chi-squared test for (randomness) goodness of fit.

(4) It must display an accurate representation of the game outcome.

(5) It must not automatically alter pay tables or any function of the video gaming terminal based on internal computation of hold percentage or have any means of manipulation that affects the random selection process or probabilities of winning a game.

(6) It must not be adversely affected by static discharge or other electromagnetic interference.

(7) It must be capable of detecting and displaying the following conditions during idle states or on demand: power reset; door open; and door just closed.

(8) It must have the capacity to display complete play history (outcome, intermediate play steps, credits available, bets placed, credits paid, and credits cashed out) for the most recent game played and 10 games prior thereto.

(9) The theoretical payback percentage of a video gaming terminal must not be capable of being changed without making a hardware or software change in the video gaming terminal, either on site or via the central communications system.

(10) Video gaming terminals must be designed so that replacement of parts or modules required for normal maintenance does not necessitate replacement of the electromechanical meters.

(11) It must have nonresettable meters housed in a locked area of the terminal that keep a permanent record of all cash inserted into the machine, all winnings made by the terminal printer, credits played in for video gaming terminals, and credits won by video gaming players. The video gaming terminal must provide the means for on-demand display of stored information as determined by the Board.

(12) Electronically stored meter information required by this Section must be preserved for a minimum of 180 days after a power loss to the service.

(13) It must have one or more mechanisms that accept cash in the form of bills. The mechanisms shall be designed to prevent obtaining credits without paying by stringing, slamming, drilling, or other means. If such attempts at physical tampering are made, the video gaming terminal shall suspend itself from operating until reset.

(14) It shall have accounting software that keeps an electronic record which includes, but is not limited to, the following: total cash inserted into the video gaming terminal; the value of winning tickets claimed by players; the total credits played; the total credits awarded by a video gaming terminal; and pay back percentage credited to players of each video game.

(15) It shall be linked by a central communications system to provide auditing program

information as approved by the Board. The central communications system shall use a standard industry protocol, as defined by the Gaming Standards Association, and shall have the functionality to enable the Board or its designee to activate or deactivate individual gaming devices from the central communications system. In no event may the communications system approved by the Board limit participation to only one manufacturer of video gaming terminals by either the cost in implementing the necessary program modifications to communicate or the inability to communicate with the central communications system.

(16) The Board, in its discretion, may require video gaming terminals to display Amber Alert messages if the Board makes a finding that it would be economically and technically feasible and pose no risk to the integrity and security of the central communications system and video gaming terminals.

The Board may adopt rules to establish additional criteria to preserve the integrity and security of video gaming in this State. The central communications system vendor may not hold any license issued by the Board under this Act.

Sec. 20. Direct dispensing of receipt tickets only. A video gaming terminal may not directly dispense coins, cash, tokens, or any other article of exchange or value except for receipt tickets. Tickets shall be dispensed by pressing the ticket dispensing button on the video gaming terminal at the end of one's turn or play. The ticket shall indicate the total amount of credits and the cash award, the time of day in a 24-hour format showing hours and minutes, the date, the terminal serial number, the sequential number of the ticket, and an encrypted validation number from which the validity of the prize may be determined. The player shall turn in this ticket to the appropriate person at the licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment to receive the cash award. The cost of the credit shall be one cent, 5 cents, 10 cents, or 25 cents, and the maximum wager played per hand shall not exceed \$2. Licensing and Registration Provisions

Section 10-5. Restrictions and limitations. No person shall, without a valid license issued by the Department, (i) hold himself or herself out in any manner to the public as a licensed cemetery authority, licensed cemetery manager, or customer service employee; (ii) attach the title "licensed cemetery authority", "licensed cemetery manager", or "licensed customer service employee" to his or her name; (iii) render or offer to render services constituting the practice of cemetery operation; or (iv) accept care funds within the meaning of this Act or otherwise hold funds for care and maintenance unless such person is holding and managing funds on behalf of a cemetery authority and is authorized to conduct a trust business under the Corporate Fiduciary Act or the federal National Bank Act.

Section 10-10. Current licensees. A person acting as a cemetery authority that is licensed on the effective date of this Act under the Cemetery Care Act or Cemetery Association Act need not comply with the licensure requirement in this Article until the Department takes action on the person's application for a cemetery authority license. The application for a cemetery authority license must be submitted to the Department within 9 months after the effective date of this Act. If the person fails to submit the application within 9 months after the effective date of this Act, the person shall be considered to be engaged in unlicensed practice and shall be subject to discipline in accordance with Article 25 of this Act.

Section 10-15. Persons formerly unregulated.

(a) A person acting as a cemetery authority, cemetery manager, or customer service employee who, prior to the effective date of this Act, was not required to obtain licensure need not comply with the licensure requirement in this Article until the Department takes action on the person's application for a license. The application for a cemetery authority, cemetery manager, or customer service employee license must be submitted to the Department within 6 months after the effective date of this Act. If the person fails to submit the application within 6 months after the effective date of this Act, the person shall be considered to be engaged in unlicensed practice and shall be subject to discipline in accordance with Article 25 of this Act.

(b) Persons who are cemetery employees on the effective date of this Act must comply with the registration and Employee's Statement requirements in Section 10-22 of this Act.

(c) Persons who become cemetery employees after the effective date of this Act must comply with the registration and Employee's Statement requirements in Section 10-22 of this Act.

Section 10-20. Application for original license or exemption.

(a) Applications for original licensure as a cemetery authority, cemetery manager, or customer service employee authorized by this Act, or application for exemption from licensure as a cemetery authority, shall be made to the Department on forms prescribed by the Department, which shall include the applicant's Social Security number or FEIN number, or both, and shall be accompanied by the required fee as set by rule. If a cemetery authority seeks to practice at more than one location, it shall meet all licensure requirements at each location as required by this Act and by rule, including submission of application and fee. A person licensed as a cemetery manager or customer service employee need not register as an employee of the cemetery authority.

(b) If the application for licensure as a cemetery authority does not claim a full exemption or partial exemption, then the cemetery authority license application shall be accompanied by a fidelity bond or letter of credit in the amount required by rule. If care funds of a cemetery authority are held by any entity authorized to do a trust business under the Corporate Fiduciary Act or held by an investment company, then the Department may waive the requirement of a bond or letter of credit as established by rule. If the Department finds at any time that the bond or letter of credit is insecure or exhausted or otherwise doubtful, then an additional bond or letter of credit in like amount to be approved by the Department shall be filed by the cemetery authority applicant or licensee within 30 days after written demand is served upon the applicant or licensee by the Department. In addition, if the cemetery authority application does not claim a full exemption or partial exemption, then the license application shall be accompanied by proof of liability insurance or a letter of credit in the amount required by rule. The proof of liability insurance or letter of credit shall run to the Secretary and shall be for the benefit of any consumer of such cemetery authority for any liability incurred by the cemetery authority related to the rendering of any of the services referred to in this Act. The procedure by which claims on the liability insurance or letter of credit are made and paid shall

be determined by rule. The fidelity bond shall be issued by a bonding company authorized to do business in this State, and the liability insurance shall be issued by an insurance company authorized to do business in this State. The letter of credit shall be issued by a financial institution authorized to do business in this State. Maintaining the bonds or letters of credit required under this subsection is a continuing obligation for licensure. A bonding company may terminate a bond, a financial institution may terminate a letter of credit, or an insurance company may terminate liability insurance and avoid further liability by filing a 60-day notice of termination with the Department and at the same time sending the same notice to the cemetery authority.

(c) After initial licensure, if any person comes to obtain at least 25% of the ownership over the licensed cemetery authority, then the cemetery authority shall have to apply for a new license and receive licensure in the required time as set by rule. The current license remains in effect until the Department takes action on the application for a new license.

(d) All applications shall contain the information that, in the judgment of the Department, will enable the Department to pass on the qualifications of the applicant for an exemption from licensure or for a license to practice as a cemetery authority, cemetery manager, or customer service employee as set by rule.

Section 10-21. Qualifications for licensure.

(a) An applicant is qualified for licensure as a cemetery authority if the applicant meets all of the following qualifications:

(1) The applicant is of good moral character, including compliance with the Code of Professional Conduct and Ethics as provided for by rule, and has not committed any act or offense in any jurisdiction that would constitute the basis for discipline under this Act. In determining good moral character, the Department may take into consideration conviction of any crime under the laws of any jurisdiction. If the applicant is a corporation, limited liability company, partnership, or other entity permitted by law, then each principal, owner, member, officer, and shareholder holding 25% or more of corporate stock is to be of good moral character. Good moral character is a continuing requirement of licensure.

(2) The applicant provides evidence satisfactory to the Department that the applicant has sufficient financial resources to operate a cemetery as established by rule. Maintaining sufficient financial resources is a continuing requirement for licensure.

(3) The applicant has complied with all other requirements of this Act and rules adopted for the implementation of this Act.

(b) The cemetery manager and customer service employees of a licensed cemetery authority shall apply for licensure as a cemetery manager or customer service employee on forms prescribed by the Department and pay the required fee. A person is qualified for licensure as a cemetery manager or customer service employee if he or she meets all of the following requirements:

(1) Is at least 18 years of age.

(2) Is of good moral character, including compliance with the Code of Professional Conduct and Ethics as provided for by rule. Good moral character is a continuing requirement of licensure. In determining good moral character, the Department may take into consideration conviction of any crime under the laws of any jurisdiction.

(3) Submits proof of successful completion of a high school education or its equivalent as established by rule.

(4) Submits his or her fingerprints in accordance with subsection (c) of this Section.

(5) Has not committed a violation of this Act or any rules adopted under this Act that, in the opinion of the Department, renders the applicant unqualified to be a cemetery manager.

(6) Successfully passes the examination authorized by the Department for cemetery manager or customer service employee, whichever is applicable.

(7) Has complied with all other requirements of this Act and rules adopted for the implementation of this Act.

(8) In the case of a customer service employee, can be reasonably expected to treat consumers professionally, fairly, and ethically.

(c) Each applicant for a cemetery manager or customer service employee license shall have his or her fingerprints submitted to the Department of State Police in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information that is prescribed by the Department of State Police. These fingerprints shall be checked against the Department of State Police and Federal Bureau of Investigation criminal history record databases. The Department of State Police shall charge applicants a fee for conducting the criminal history records check, which shall be deposited in the

State Police Services Fund and shall not exceed the actual cost of the records check. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois convictions to the Department. The Department may require applicants to pay a separate fingerprinting fee, either to the Department or directly to a designated fingerprint vendor. The Department, in its discretion, may allow an applicant who does not have reasonable access to a designated fingerprint vendor to provide his or her fingerprints in an alternative manner. The Department, in its discretion, may also use other procedures in performing or obtaining criminal background checks of applicants. Instead of submitting his or her fingerprints, an individual may submit proof that is satisfactory to the Department that an equivalent security clearance has been conducted.

Section 10-22. Employee registration.

(a) All employees shall apply for registration as a registered cemetery employee on forms prescribed by the Department, meet all requirements contained in this Section, and pay the required fee.

The holder of a cemetery authority license issued under this Act may employ or contract with employees who are not licensed cemetery managers or customer service employees, in the conduct of the licensee's business under the following circumstances:

(1) No individual that fails to obtain a registered cemetery employee card may be employed by or contracted to do work for a cemetery authority under this Section.

(2) No individual may be employed by or contracted to do work for a cemetery authority or cemetery manager under this Section until he or she has executed and furnished to the cemetery authority, on forms furnished by the Department, a verified statement to be known as "Employee's Statement" setting forth all of the following:

(i) The individual's full name, age, and residence address.

(ii) The individual's work history for the 5 years immediately before the date of the execution of the statement, the place where the business or occupation was engaged in, and the names of employers, if any.

(iii) That the individual has not had licensure as a cemetery authority, cemetery manager, or customer service employee denied, revoked, or suspended under this Act within one year before the date the individual's application for registration as a registered cemetery employee is received by the Department.

(iv) Any declaration of incompetence by a court of competent jurisdiction that has not been restored.

(v) Any other information as may be required by any rule of the Department to show the good character, competency, and integrity of the individual executing the statement.

(3) The Department shall issue a registered cemetery employee card, in a form the Department prescribes, to an individual who applies within 90 days after receipt of an application.

(4) Notwithstanding the other provisions of this subsection, a cemetery authority may employ or contract with an individual without a registered cemetery employee card if the individual applies for a registered cemetery employee card on the first day of his or her employment.

(4.5) Notwithstanding the other provisions of this subsection, a cemetery authority may continue to employ or contract with an individual under its employ or with which it has a contract on the effective date of this Act if the individual applies for a registered cemetery employee card within 10 days after the effective date of this Act.

(5) The holder of a registered cemetery employee card shall carry the card at all times while engaged in the performance of the duties of his or her employment or contract. Expiration and requirements for renewal of registered cemetery employee cards shall be established by rule of the Department. Possession of a registered cemetery employee card does not in any way imply that the holder of the card is employed or contracted by a cemetery authority unless the registered cemetery employee card is accompanied by the employee identification card required by subsection (f) of this Section.

(b) Each cemetery authority shall maintain a record of each employee that is accessible to the Department. The record shall contain the following information:

(1) A photograph taken within 10 days of the date that the employee begins employment with the cemetery authority. The photograph shall be replaced with a current photograph no later than 4 calendar years after the date of employment and every 4 years thereafter. The photo may consist of the employee's driver's license.

(2) The Employee's Statement specified in subsection (b) of this Section.

(3) A copy of the employee's registered cemetery employee card.

(4) All correspondence or documents relating to the character and integrity of the employee received by the cemetery authority from any former employer, cemetery association, government agency, or law enforcement agency.

(5) The Department may, by rule, prescribe further record requirements.

(c) Every cemetery authority shall furnish an employee identification card to each employee. This employee identification card shall contain a recent photograph of the employee, the employee's name, the name and cemetery authority license number of the cemetery authority, the employee's physical description, the signature of an authorized individual on behalf of the cemetery authority, the signature of that employee, the date of issuance, and an employee identification card number.

(d) No cemetery authority may issue an employee identification card to any individual who is not employed by the cemetery authority in accordance with this Section or falsely state or represent that a person is or has been in his or her employ.

(e) Every cemetery authority shall confiscate the employee identification card of any employee whose employment is terminated.

Section 10-25. Examination; failure or refusal to take the examination.

(a) The Department shall authorize examinations of cemetery manager and customer service employee applicants at such times and places as it may determine. The examinations shall fairly test an applicant's qualifications to practice as cemetery manager or customer service employee, whatever the case may be, and knowledge of the theory and practice of cemetery operation and management or cemetery customer service, whichever is applicable. The examination shall further test the extent to which the applicant understands and appreciates that the final disposal of a deceased human body should be attended with appropriate observance and understanding, having due regard and respect for the reverent care of the human body and for those bereaved and for the overall spiritual dignity of an individual.

(a-5) The examinations for cemetery manager and customer service employee shall be appropriate for cemetery professionals and shall not cover mortuary science.

(b) Applicants for examinations shall pay, either to the Department or to the designated testing service, a fee covering the cost of providing the examination. Failure to appear for the examination on the scheduled date at the time and place specified after the application for examination has been received and acknowledged by the Department or the designated testing service shall result in forfeiture of the examination fee.

(c) If the applicant neglects, fails, or refuses to take an examination or fails to pass an examination for a license under this Act within one year after filing an application, then the application shall be denied. However, the applicant may thereafter submit a new application accompanied by the required fee. The applicant shall meet the requirements in force at the time of making the new application.

(d) The Department may employ consultants for the purpose of preparing and conducting examinations.

(e) The Department shall have the authority to adopt or recognize, in part or in whole, examinations prepared, administered, or graded by other organizations in the cemetery industry that are determined appropriate to measure the qualifications of an applicant for licensure.

Section 10-30. Continuing education. The Department shall adopt rules for continuing education of cemetery managers and customer service employees. The requirements of this Section apply to any person seeking renewal or restoration under Section 10-40 of this Act.

Section 10-40. Expiration and renewal of license. The expiration date, renewal period, and other requirements for each license or registration shall be set by rule.

Section 10-45. Transfer or sale, preservation of license, liability for shortage.

(a) In the case of a sale of any cemetery or any part thereof or of any related personal property by a cemetery authority to a purchaser or pursuant to foreclosure proceedings, except the sale of burial rights, services, or merchandise to a person for his or her personal or family burial or interment, the purchaser is liable for any shortages existing before or after the sale in the care funds required to be maintained in a trust pursuant to this Act and shall honor all instruments issued under Article 15 of this Act for that cemetery. Any shortages existing in the care funds constitute a prior lien in favor of the trust for the total value of the shortages and notice of such lien shall be provided in all sales instruments.

(b) In the event of a sale or transfer of all or substantially all of the assets of the cemetery authority, the sale or transfer of the controlling interest of the corporate stock of the cemetery authority, if the cemetery authority is a corporation, or the sale or transfer of the controlling interest of the partnership, if the cemetery authority is a partnership, or the sale or transfer of the controlling membership, if the cemetery authority is a limited liability company, the cemetery authority shall, at least 30 days prior to the sale or transfer, notify the Department, in writing, of the pending date of sale or transfer so as to permit the

Department to audit the books and records of the cemetery authority. The audit must be commenced within 10 business days of the receipt of the notification and completed within the 30-day notification period unless the Department notifies the cemetery authority during that period that there is a basis for determining a deficiency that will require additional time to finalize. The sale or transfer may not be completed by the cemetery authority unless and until:

(1) the Department has completed the audit of the cemetery authority's books and records;

(2) any delinquency existing in the care funds has been paid by the cemetery authority or arrangements satisfactory to the Department have been made by the cemetery authority on the sale or transfer for the payment of any delinquency; and

(3) the Department issues a new cemetery authority license upon application of the newly controlled corporation or partnership, which license must be applied for at least 30 days prior to the anticipated date of the sale or transfer, subject to the payment of any delinquencies, if any, as stated in item (2) of this subsection (b).

(c) In the event of a sale or transfer of any cemetery land, including any portion of cemetery land in which no human remains have been interred, a licensee shall, at least 45 days prior to the sale or transfer, notify the Department, in writing, of the pending sale or transfer. The cemetery authority shall submit a current survey of the land within 30 days after the transfer or sale.

(d) For purposes of this Section, a person who acquires the cemetery through a real estate foreclosure shall be subject to the provisions of this Section pertaining to the purchaser, including licensure.

Section 10-50. Dissolution. Where any licensed cemetery authority or any trustee thereof has accepted care funds within the meaning of this Act, and dissolution is sought by such cemetery authority in any manner, by resolution of such cemetery authority, or the trustees thereof, notice shall be given to the Department of such intention to dissolve and proper disposition shall be made of the care funds so held for the general benefit of such lot owners by or for the benefit of such cemetery authority, as provided by law, or in accordance with the trust provisions of any gift, grant, contribution, payment, legacy, or pursuant to any contract whereby such funds were created. The Department, represented by the Attorney General, may apply to the circuit court for the appointment of a receiver, trustee, successor in trust, or for directions of such court as to the proper disposition to be made of such care funds, to the end that the uses and purposes for which such trust or care funds were created may be accomplished, and for proper continued operation of the cemetery.

Section 10-55. Fees.

(a) Except as provided in subsection (b) of this Section, the fees for the administration and enforcement of this Act, including, but not limited to, original licensure, renewal, and restoration fees, shall be set by the Department by rule. The fees shall not be refundable.

(b) Applicants for examination shall be required to pay, either to the Department or the designated testing service, a fee covering the cost of providing the examination.

(c) All fees and other moneys collected under this Act shall be deposited in the Cemetery Oversight Licensing and Disciplinary Fund.

Section 10-60. Returned checks; fines. Any person who delivers a check or other payment to the Department that is returned to the Department unpaid by the financial institution upon which it is drawn shall pay to the Department, in addition to the amount already owed to the Department, a fine of \$50. The fines imposed by this Section are in addition to any other discipline provided under this Act for unlicensed practice or practice on a non-renewed license. The Department shall notify the person that payment of fees and fines shall be paid to the Department by certified check or money order within 30 calendar days of the notification. If, after the expiration of 30 days from the date of the notification, the person has failed to submit the necessary remittance, the Department shall automatically terminate the license or deny the application, without hearing.

If, after termination or denial, the person seeks a license, then he or she shall apply to the Department for restoration or issuance of the license and pay all fees and fines due to the Department. The Department may establish a fee for the processing of an application for restoration of a license to pay all expenses of processing this application. The Secretary may waive the fines due under this Section in individual cases where the Secretary finds that the fines would be unreasonable or unnecessarily burdensome.

Article 15.

Trust Funds

Section 15-5. Gifts and contributions; trust funds.

(a) A licensed cemetery authority is hereby authorized and empowered to accept any gift, grant, contribution, payment, legacy, or pursuant to contract, any sum of money, funds, securities, or property of

any kind, or the income or avails thereof, and to establish a trust fund to hold the same in perpetuity for the care of its cemetery, or for the care of any lot, grave, crypt, or niche in its cemetery, or for the special care of any lot, grave, crypt, or niche or of any family mausoleum or memorial, marker, or monument in its cemetery. Not less than the following amounts will be set aside and deposited in trust:

- (1) For interment rights, \$1 per square foot of the space sold or 15% of the sales price or imputed value, whichever is the greater, with a minimum of \$25 for each individual interment right.
 - (2) For entombment rights, not less than 10% of the sales price or imputed value with a minimum of \$25 for each individual entombment right.
 - (3) For inurnment rights, not less than 10% of the sales price or imputed value with a minimum of \$15 for each individual inurnment right.
 - (4) For any transfer of interment rights, entombment rights, or inurnment rights recorded in the records of the cemetery authority, excepting only transfers between members of the immediate family of the transferor, a minimum of \$25 for each such right transferred.
 - (5) Upon an interment, entombment, or inurnment in a grave, crypt, or niche in which rights of interment, entombment, or inurnment were originally acquired from a cemetery authority prior to January 1, 1948, a minimum of \$25 for each such right exercised.
 - (6) For the special care of any lot, grave, crypt, or niche or of a family mausoleum, memorial, marker, or monument, the full amount received.
- (b) The cemetery authority shall act as trustee of all amounts received for care until they have been deposited with a corporate fiduciary as defined in Section 1-5.05 of the Corporate Fiduciary Act. All trust deposits shall be made within 30 days after receipt.
- (c) No gift, grant, legacy, payment, or other contribution shall be invalid by reason of any indefiniteness or uncertainty as to the beneficiary designated in the instrument creating the gift, grant, legacy, payment, or other contribution. If any gift, grant, legacy, payment, or other contribution consists of non-income producing property, then the cemetery authority accepting it is authorized and empowered to sell such property and to invest the funds obtained in accordance with subsection (d) of this Section.
- (d) The care funds authorized by this Section and provided for in this Article shall be held intact and, unless otherwise restricted by the terms of the gift, grant, legacy, contribution, payment, contract, or other payment, as to investments made after June 11, 1951, the trustee of the care funds of the cemetery authority, in acquiring, investing, reinvesting, exchanging, retaining, selling, and managing property for any such trust, shall act in accordance with the duties for trustees set forth in the Illinois Trusts and Trustees Act. Within the limitations of the foregoing standard, the trustee of the care funds of the cemetery authority is authorized to acquire and retain every kind of property, real, personal, or mixed, and every kind of investment, including specifically, but without limiting the generality of the foregoing, bonds, debentures and other corporate obligations, preferred or common stocks and real estate mortgages, which persons of prudence, discretion, and intelligence acquire or retain for their own account. Within the limitations of the foregoing standard, the trustee is authorized to retain property properly acquired, without limitation as to time and without regard to its suitability for original purchase. The care funds authorized by this Section may be commingled with other trust funds received by such cemetery authority for the care of its cemetery or for the care or special care of any lot, grave, crypt, niche, private mausoleum, memorial, marker, or monument in its cemetery, whether received by gift, grant, legacy, contribution, payment, contract, or other conveyance made to such cemetery authority. Such care funds may be invested with common trust funds as provided in the Common Trust Fund Act. The net income only from the investment of such care funds shall be allocated and used for the purposes specified in the transaction by which the principal was established in the proportion that each contribution bears to the entire sum invested.

Section 15-10. Restrictions on loans, gifts, and investments.

(a) No loan; investment; purchase of insurance on the life of any trustee, cemetery owner, or employee; purchase of any real estate; or any other transaction using care funds by any trustee, licensee, cemetery manager, or any other cemetery employee shall be made to or for the benefit of any person, officer, director, trustee, or party owning or having any interest in any licensee, or to any firm, corporation, trade association or partnership in which any officer, director, trustee, or party has any interest, is a member of, or serves as an officer or director. A violation of this Section shall constitute the intentional and improper withdrawal of trust funds under Section 25-105 of this Act.

(b) No loan or investment in any unproductive real estate or real estate outside of this State or in permanent improvements of the cemetery or any of its facilities shall be made, unless specifically authorized by the instrument whereby the principal fund was created. No commission or brokerage fee for the purchase or sale of any property shall be paid in excess of that usual and customary at the time and in

the locality where such purchase or sale is made, and all such commissions and brokerage fees shall be fully reported in the next annual statement of such cemetery authority or trustee.

(c) The prohibitions provided for in this Section apply to and include the spouse of and immediate family living with the officer, member, director, trustee, party owning any portion of such cemetery authority, or licensee under this Act.

Section 15-15. Care funds; deposits; investments.

(a) Whenever a cemetery authority accepts care funds, either in connection with the sale or giving away at an imputed value of an interment right, entombment right, or inurnment right, or in pursuance of a contract, or whenever, as a condition precedent to the purchase or acceptance of an interment right, entombment right, or inurnment right, such cemetery authority shall establish a care fund or deposit the funds in an already existing care fund.

(b) The cemetery authority shall execute and deliver to the person from whom it received the care funds an instrument in writing that shall specifically state: (i) the nature and extent of the care to be furnished and (ii) that such care shall be furnished only in so far as net income derived from the amount deposited in trust will permit (the income from the amount so deposited, less necessary expenditures of administering the trust, shall be deemed the net income).

(c) The setting-aside and deposit of care funds shall be made by such cemetery authority no later than 30 days after the close of the month in which the cemetery authority gave away for an imputed value or received the final payment on the purchase price of interment rights, entombment rights, or inurnment rights, or received the final payment for the general or special care of a lot, grave, crypt, or niche or of a family mausoleum, memorial, marker, or monument, and such amounts shall be held by the trustee of the care funds of such cemetery authority in trust in perpetuity for the specific purposes stated in the written instrument described in subsection (b). For all care funds received by a cemetery authority, except for care funds received by a cemetery authority pursuant to a specific gift, grant, contribution, payment, legacy, or contract that are subject to investment restrictions more restrictive than the investment provisions set forth in this Act, and except for care funds otherwise subject to a trust agreement executed by a person or persons responsible for transferring the specific gift, grant, contribution, payment, or legacy to the cemetery authority that contains investment restrictions more restrictive than the investment provisions set forth in this Act, the cemetery authority may, without the necessity of having to obtain prior approval from any court in this State, designate a new trustee in accordance with this Act and invest the care funds in accordance with this Section, notwithstanding any contrary limitation contained in the trust agreement.

(d) Any cemetery authority engaged in selling or giving away at an imputed value interment rights, entombment rights, or inurnment rights, in conjunction with the selling or giving away at an imputed value any other merchandise or services not covered by this Act, shall be prohibited from increasing the sales price or imputed value of those items not requiring a care fund deposit under this Act with the purpose of allocating a lesser sales price or imputed value to items that require a care fund deposit.

(e) If any sale that requires a deposit to a cemetery authority's care fund is made by a cemetery authority on an installment basis, and the installment contract is factored, discounted, or sold to a third party, then the cemetery authority shall deposit the amount due to the care fund within 30 days after the close of the month in which the installment contract was factored, discounted, or sold. If, subsequent to such deposit, the purchaser defaults on the contract such that no care fund deposit on that contract would have been required, then the cemetery authority may apply the amount deposited as a credit against future required deposits.

(f) The trust authorized by this Section shall be a single purpose trust fund. In the event of the cemetery authority's bankruptcy, insolvency, or assignment for the benefit of creditors, or an adverse judgment, the trust funds shall not be available to any creditor as assets of the cemetery authority or to pay any expenses of any bankruptcy or similar proceeding, but shall be retained intact to provide for the future maintenance of the cemetery. Except in an action by the Department to revoke a license issued pursuant to this Act and for creation of a receivership as provided in this Act, the trust shall not be subject to judgment, execution, garnishment, attachment, or other seizure by process in bankruptcy or otherwise, nor to sale, pledge, mortgage, or other alienation, and shall not be assignable except as approved by the Department.

Section 15-25. Funds purpose and exemptions. The trust funds authorized by this Article, and the income therefrom, and any funds received under a contract to furnish care of a burial space for a definite number of years, shall be held for the general benefit of the lot owners and are exempt from taxation. The trust funds authorized by the provisions of this Article, and the income therefrom, are exempt from the operation of all laws of mortmain and the laws against perpetuities and accumulations.

Section 15-40. Trust examinations and audits.

(a) The Department shall examine at least annually every licensee who holds \$250,000 or more in its

care funds. For that purpose, the Department shall have free access to the office and places of business and to such records of all licensees and of all trustees of the care funds of all licensees as shall relate to the acceptance, use, and investment of care funds. The Department may require the attendance of and examine under oath all persons whose testimony may be required relative to such business. In such cases the Department, or any qualified representative of the Department whom the Department may designate, may administer oaths to all such persons called as witnesses, and the Department, or any such qualified representative of the Department, may conduct such examinations. The cost of an initial examination shall be determined by rule.

(b) The Department may order additional audits or examinations as it may deem necessary or advisable to ensure the safety and stability of the trust funds and to ensure compliance with this Act. These additional audits or examinations shall only be made after good cause is established by the Department in the written order. The grounds for ordering these additional audits or examinations may include, but shall not be limited to:

- (1) material and unverified changes or fluctuations in trust balances;
- (2) the licensee changing trustees more than twice in any 12-month period;
- (3) any withdrawals or attempted withdrawals from the trusts in violation of this Act; or
- (4) failure to maintain or produce documentation required by this Act.

Article 20.

Business Practice Provisions

Section 20-5. Maintenance and records.

(a) A cemetery authority shall provide reasonable maintenance of the cemetery property and of all lots, graves, crypts, and columbariums in the cemetery based on the type and size of the cemetery, topographic limitations, and contractual commitments with consumers. Subject to the provision of this subsection (a), reasonable maintenance includes:

- (1) the laying of seed, sod, or other suitable ground cover as soon as practical following an interment given the weather conditions, climate, and season and the interment's proximity to ongoing burial activity;
- (2) the cutting of lawn throughout the cemetery at reasonable intervals to prevent an overgrowth of grass and weeds given the weather conditions, climate, and season;
- (3) the trimming of shrubs to prevent excessive overgrowth;
- (4) the trimming of trees to remove dead limbs;
- (5) keeping in repair the drains, water lines, roads, buildings, fences, and other structures; and
- (6) keeping the cemetery premises free of trash and debris.

Reasonable maintenance by the cemetery authority shall not preclude the exercise of lawful rights by the owner of an interment, inurnment, or entombment right, or by the decedent's immediate family or other heirs, in accordance with reasonable rules and regulations of the cemetery or other agreement of the cemetery authority. In the case of a cemetery dedicated as a nature preserve under the Illinois Natural Areas Preservation Act, reasonable maintenance by the cemetery authority shall be in accordance with the rules and master plan governing the dedicated nature preserve.

The Department shall adopt rules to provide greater detail as to what constitutes the reasonable maintenance required under this Section. The rules shall differentiate between cemeteries based on, among other things, the size and financial strength of the cemeteries. The rules shall also provide a reasonable opportunity for a cemetery to cure any violation of the reasonable maintenance standard in a timely manner given the weather conditions, climate, and season before the Department initiates formal proceedings.

(b) A cemetery authority, before commencing cemetery operations or within 6 months after the effective date of this Act, shall cause an overall map of its cemetery property, delineating all lots or plots, blocks, sections, avenues, walks, alleys, and paths and their respective designations, to be filed at its on-site office, or if it does not maintain an on-site office, at its principal place of business, and recorded in the recorder's office of the county where the cemetery land is situated. A cemetery manager's certificate acknowledging, accepting, and adopting the map shall also be included on the map. If the Department has reasonable suspicion to believe that one or more violations of this Act have occurred or are occurring, the Department may order that the cemetery authority obtain a cemetery plat and that it be filed at its on-site office, or if it does not maintain an on-site office, at its principal place of business, and recorded in the recorder's office of the county where the cemetery land is situated. In exercising this discretion, the Department shall consider whether the cemetery authority would experience an undue hardship as a result of obtaining the plat. The cemetery plat shall be surveyed by and prepared under the direct supervision of an Illinois professional land

surveyor licensed pursuant to the Illinois Professional Land Surveyor Act of 1989 and shall delineate, describe, and set forth all lots or plots, blocks, sections, avenues, walks, alleys, and paths and their respective designations. A cemetery manager's certificate acknowledging, accepting, and adopting the plat shall also be included on the plat.

(b-5) A cemetery authority shall maintain an index that associates the identity of deceased persons interred, entombed, or inurned after the effective date of this Act with their respective place of interment, entombment, or inurnment.

(c) The cemetery authority shall open the cemetery map or plat to public inspection. The cemetery authority shall make available a copy of the overall cemetery map or plat upon written request and shall, if practical, provide a copy of a segment of the cemetery plat where interment rights are located upon the payment of reasonable photocopy fees. Any unsold lots, plots, or parts thereof, in which there are not human remains, may be resurveyed and altered in shape or size and properly designated on the cemetery map or plat. However, sold lots, plots, or parts thereof in which there are human remains may not be renumbered or renamed. Nothing contained in this subsection, however, shall prevent the cemetery authority from enlarging an interment right by selling to its owner the excess space next to the interment right and permitting interments therein, provided reasonable access to the interment right and to adjoining interment rights is not thereby eliminated.

(d) A cemetery authority shall keep a record of every interment, entombment, and inurnment completed after the effective date of this Act. The record shall include the deceased's name, age, date of burial, and permanent parcel identification number identifying where the human remains are interred, entombed, or inurned. The record shall also include the unique personal identifier as may be further defined by rule, which is the permanent parcel identification number in addition to the term of burial in years; the numbered level or depth in the grave, plot, crypt, or niche; and the year of death.

(e) (Blank).

(f) A cemetery authority shall make available for inspection and, upon reasonable request and the payment of a reasonable copying fee, provide a copy of its rules and regulations and its current prices of interment, inurnment, or entombment rights.

(g) A cemetery authority shall provide access to the cemetery under the cemetery authority's reasonable rules and regulations.

(h) A cemetery authority shall be responsible for the proper opening and closing of all graves, crypts, or niches for human remains in any cemetery property it owns.

(i) Any corporate or other business organization trustee of the care funds of every licensed cemetery authority shall be located in or a resident of this State. The licensed cemetery authority and the trustee of care funds shall keep in this State and use in its business such books, accounts, and records as will enable the Department to determine whether such licensee or trustee is complying with the provisions of this Act and with the rules, regulations, and directions made by the Department under this Act. The licensed cemetery authority shall keep the books, accounts, and records at the location identified in the license issued by the Department or as otherwise agreed by the Department in writing. The books, accounts, and records shall be accessible for review upon demand of the Department.

Section 20-6. Cemetery Oversight Database.

(a) Within 72 hours after an interment, entombment, or inurnment of human remains, or within 10 business days for a partially exempt cemetery, the cemetery manager shall cause a record of the interment, entombment, or inurnment to be entered into the Cemetery Oversight Database. The requirement of this subsection (a) also applies in any instance in which human remains are relocated.

(b) Within 9 months after the effective date of this Act, the Department shall certify a database as the Cemetery Oversight Database. Upon certifying the database, the Department shall:

- (1) provide reasonable notice to cemetery authorities identifying the database; and
- (2) immediately upon certification, require each cemetery authority to use the Cemetery Oversight Database as a means of complying with subsection (a).

(c) In certifying the Cemetery Oversight Database, the Department shall ensure that the database:

(1) provides real-time access through an Internet connection or, if real-time access through an Internet connection becomes unavailable due to technical problems with the Cemetery Oversight Database incurred by the database provider, through alternative mechanisms, including, but not limited to, telephone;

(2) is accessible to the Department and to cemetery managers in order to ensure compliance with this Act and in order to provide any other information that the Department deems necessary;

- (3) requires cemetery authorities to input whatever information required by the Department;
- (4) maintains a real-time copy of the required reporting information that is available to the Department at all times and is the property of the Department; and
- (5) contains safeguards to ensure that all information contained in the Cemetery Oversight Database is secure.

(d) A cemetery authority may rely on the information contained in the Cemetery Oversight Database as accurate and is not subject to any administrative penalty or liability as a result of relying on inaccurate information contained in the database.

(e) The Cemetery Oversight Database provider shall indemnify cemetery authorities against all claims and actions arising from illegal, willful, or wanton acts on the part of the Database provider.

Section 20-8. Vehicle traffic control. A cemetery authority shall make reasonable best efforts to ensure that funeral processions enter and exit the cemetery grounds with minimal disruption to vehicle traffic on the streets and roadways surrounding the cemetery. The cemetery authority and funeral directors arranging funeral processions to the cemetery are both under a duty to exercise their best efforts to help prevent multiple funeral processions from arriving at the cemetery simultaneously.

Section 20-10. Statement of services. At the time cemetery arrangements are made and prior to rendering the cemetery services, a licensed cemetery authority shall furnish a written statement, in a form to be determined by the Department, to be provided to the consumer, signed by both parties, that shall contain: (i) contact information, as set out in Section 20-11, and the date on which the arrangements were made; (ii) the price of the service selected and the services and merchandise included for that price; (iii) a clear disclosure that the person or persons making the arrangement may decline and receive credit for any service or merchandise that is not desired or specified by the original interment right owner and is not required by law or by the cemetery authority's rules and regulations; (iv) the supplemental items of service and merchandise requested and the price of each item; (v) the terms or method of payment agreed upon; and (vi) a statement as to any monetary advances made on behalf of the family. The cemetery authority shall maintain a copy of such written statement of services in its permanent records.

Section 20-11. Contact information in statement of services. All licensed cemetery authorities shall include in the statement of services described in Section 20-10 the name, address, and telephone number of the cemetery authority. Upon written request to a cemetery authority by a consumer, the cemetery authority shall provide: (1) the cemetery authority's registered agent, if any; (2) the cemetery authority's proprietor, if the cemetery authority is an individual; (3) every partner, if the cemetery authority is a partnership; (4) the president, secretary, executive and senior vice presidents, directors, and individuals owning 25% or more of the corporate stock, if the cemetery authority is a corporation; and (5) the manager, if the cemetery authority is a limited liability company.

Section 20-12. Method of payment; receipt. No licensed cemetery authority shall require payment for any goods, services, or easement by cash only. Each cemetery authority subject to this Section shall permit payment by at least one other option, including, but not limited to, personal check, cashier's check, money order, or credit or debit card. In addition to the statement of services for the sale of cemetery goods, services, or easements, the cemetery authority shall provide a receipt to the consumer upon payment in part or full, whatever the case may be.

Section 20-15. Interment or inurnment in cemetery. After the effective date of this Act, for interments and inurnments at cemeteries, the cemetery authority shall place on the outer burial container, cremation inurnment container, or other container or on the inside of a crypt or niche a tag or permanent identifying marker listing the name of the decedent, the date of birth, and the date of death. The materials and the location of the tag or marker may be more specifically described by rule. No cemetery authority shall interfere with a licensed funeral director or his or her designated agent observing the final burial or disposition of a body for which the funeral director has a contract for services related to that deceased individual. No funeral director or his or her designated agent shall interfere with a licensed cemetery authority or its designated agent's rendering of burial or other disposition services for a body for which the cemetery authority has a contract for goods, services, or property related to that deceased individual.

Section 20-20. Display of license. Every cemetery authority, cemetery manager, and customer service employee license issued by the Department shall state the number of the license and the address at which the business is to be conducted. Such license shall be kept conspicuously posted in the place of business of the licensee and shall not be transferable or assignable.

concerning the business and operations during the preceding calendar year as provided for by rule. The report must be received by the Department on or before April 15, unless such date is extended for reasonable cause up to 90 days by the Department. The report shall be made under oath and in a form prescribed by the Department. The Department may fine each licensee an amount as determine by rule for each day beyond April 15 the report is filed.

Section 20-30. Signage. Cemetery authorities shall conspicuously post signs in English and Spanish in the cemetery office, in a form provided by the Department, that contain the Department's consumer hotline number, information on how to file a complaint, and whatever other information that the Department deems appropriate.

Whenever two-thirds of the trustees of the cemetery association approve a resolution to change the name of the cemetery association, a copy of such resolution and approval thereof duly certified by the President and Secretary of the association shall be filed with the Department and upon approval thereof shall be filed in the Office of the Secretary of State. Whenever two-thirds of the trustees of a cemetery association approve a resolution to dissolve the association, a copy of such resolution and approval of the trustees of the cemetery association duly certified by the President and Secretary shall be submitted to the Department, and if approved by the Department, a copy of such resolution and approval of the Department shall be duly filed by the Department in the Office of the Secretary of State. If the association has care funds as defined in this Act, the Department shall not approve the dissolution of any cemetery association unless proper disposition has been made of such care funds, as provided by law, and in accordance with this Act. Upon the filing of the resolution of either change of name or dissolution of such cemetery association in the Office of the Secretary of State, such change of name or dissolution of such cemetery association shall be complete. The Department shall so notify the trustees of such cemetery association. Thereupon the trustees shall cause a copy of such resolution of either change of name or dissolution to be recorded in the recorder's office of the county where the cemetery is situated.

The officers shall hold their respective offices for and during the period of one year, and until their successors are duly elected and qualified. Trustees, once elected, shall divide themselves by lot into 2 classes, the first of which shall hold their offices for a period of 3 years, and the second of which shall hold their offices for a period of 6 years. Thereafter the term of office of the trustees shall be 6 years. The board of trustees for any cemetery association that is exempt in accordance with the provisions of this Act and subject to the provisions of this Article shall annually prepare and file with the Department the report required to be filed by a licensee under Section 20-25. The Department shall examine such report to determine whether the association has fully complied with the requirements of this Act. If a cemetery association fails to submit an annual report to the Department within the time specified in Section 20-25, the Department shall impose upon the cemetery association a fine as provided for by rule for each and every day the cemetery licensee remains delinquent in submitting the report. Any fine established pursuant to this Section shall be paid within 60 days after the effective date of the order imposing the fine unless such time is extended, the fine is reduced, or the fine is otherwise waived. The order shall constitute a judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record.

Section 22-11. Fees; fines. Except as otherwise provided in this Act, the fees for the administration and enforcement of this Article shall be set by rule of the Department. The fees shall be nonrefundable.

Section 22-13. Injunctive relief.

(a) If any cemetery association otherwise exempted under the provisions of this Act violates any of the provisions of this Article, the Department, any interested party, any person injured thereby, the Attorney General of the State of Illinois, or the State's Attorney in the county in which the offense occurs may petition to the circuit court of the county in which the violation or some part thereof occurred or of the county where the association has its principal place of business for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Article.

(b) For misconduct in office any trustee of a cemetery association may be removed from office by a court of competent jurisdiction. Any trustee of an association who converts any funds of an association to his or her own use or to a use other than that intended shall be guilty of embezzlement as provided by State law.

(c) All cemetery associations shall remain subject to the duties, obligations, and requirements of this Act unless otherwise exempted by this Act. Those cemetery associations exempted under this Act shall comply with the provisions of this Article.

No action on the bond or letter of credit shall be commenced more than one year after a judgment has been obtained against the cemetery association from a court of competent jurisdiction. The bond or letter of credit shall be in the form and amount as is required from a licensee under this Act. The bond or letter of credit shall be continuous in form, unless terminated by the insurance company or financial institution respectively. An insurance company may terminate a bond or a financial institution may terminate a letter of credit and avoid further liability by filing a 60-day notice of termination with the Department and at the same time sending the same notice to the cemetery association. The requirement to maintain a bond or letter of credit by the cemetery association shall be a continuing requirement while operating a cemetery by the cemetery association.

(d) All members of the board of trustees of a cemetery association which fails to maintain the bond or letter of credit as required in this section shall remain jointly and severally liable for damages and each shall be guilty of a Class A misdemeanor for the first offense and a Class 4 felony for second and subsequent offenses.

organized under this Act shall be forever exempt from taxation for any and all purposes.

Section 22-18. Additional property. A cemetery association organized under this Act that has acquired or may hereafter acquire land by purchase, deed, will, or otherwise, and has platted, mapped, and used the land for cemetery purposes, may, when necessary, acquire additional land adjoining or abutting the cemetery.

Section 22-21. Administrative rules. The Department shall have authority to promulgate and implement administrative rules relating to all Sections under this Article. The rules may include, but shall not be limited to, rules in those areas relating to forms, fees, requirements, notices, discipline, and any other rule necessary to properly implement the intent of this Article.

Article 25.

If the applicant requests a hearing, then the Secretary shall schedule a hearing within 30 days after the request for a hearing, unless otherwise agreed to by the parties. The Secretary shall have the authority to appoint an attorney duly licensed to practice law in the State of Illinois to serve as the hearing officer. The hearing officer shall have full authority to conduct the hearing. The hearing shall be held at the time and place designated by the Secretary. The Secretary shall have the authority to prescribe rules for the administration of this Section.

- (2) if the complaint is not resolved, then the cemetery authority shall advise the consumer of his or her right to seek investigation and mediation by the Department.

(b) Complaints to the Department:

- (1) if the Department receives a complaint, the Department shall make an initial determination as to whether the complaint has a reasonable basis and pertains to this Act;
- (2) if the Department determines that the complaint has a reasonable basis and pertains to this Act, it shall inform the cemetery authority of the complaint and give it 30 days to tender a response;
- (3) upon receiving the cemetery authority's response, or after the 30 days provided in subsection (2) of this subsection, whichever comes first, the Department shall attempt to resolve the complaint telephonically with the parties involved;

The citation shall be issued to the licensee and shall contain the licensee's name and address, the licensee's license number, a brief factual statement, the Sections of the law allegedly violated, and the penalty imposed. The citation must clearly state that the licensee may choose, in lieu of accepting the citation, to

request a hearing. If the licensee does not dispute the matter in the citation with the Department within 30 days after the citation is served, then the citation shall become a final order and shall constitute discipline. The penalty shall be a fine or other conditions as established by rule.

(b) The Department shall adopt rules designating violations for which a citation may be issued. Such rules shall designate as citation violations those violations for which there is no substantial threat to the public health, safety, and welfare. Citations shall not be utilized if there was any significant consumer harm resulting from the violation.

(c) A citation must be issued within 6 months after the reporting of a violation that is the basis for the citation.

Section 25-14. Mandatory reports.

(a) If a cemetery authority receives a consumer complaint that is not resolved to the satisfaction of the consumer within 60 days of the complaint, the cemetery authority shall advise the consumer of the right to seek investigation by the Department and shall report the consumer complaint to the Department within the next 30 days. Cemetery authorities shall report to the Department within 30 days after the settlement of any liability insurance claim or cause of action, or final judgment in any cause of action, that alleges negligence, fraud, theft, misrepresentation, misappropriation, or breach of contract.

(b) The State's Attorney of each county shall report to the Department all instances in which an individual licensed as a cemetery manager or customer service employee or registered as a cemetery employee, or any individual listed on a licensed cemetery authority's application under this Act, is convicted or otherwise found guilty of the commission of any felony. The report shall be submitted to the Department within 60 days after conviction or finding of guilty.

Section 25-15. Cease and desist.

(a) The Secretary may issue an order to cease and desist to any licensee or other person doing business without the required license when, in the opinion of the Secretary, the licensee or other person is violating or is about to violate any provision of this Act or any rule or requirement imposed in writing by the Department.

(b) The Secretary may issue an order to cease and desist prior to a hearing and such order shall be in full force and effect until a final administrative order is entered.

(c) The Secretary shall serve notice of his or her action, designated as an order to cease and desist made pursuant to this Section, including a statement of the reasons for the action, either personally or by certified mail, return receipt requested. Service by certified mail shall be deemed completed when the notice is deposited in the United States mail and sent to the address of record or, in the case of unlicensed activity, the address known to the Department.

(d) Within 15 days after service of the order to cease and desist, the licensee or other person may request, in writing, a hearing.

(e) The Secretary shall schedule a hearing within 30 days after the request for a hearing unless otherwise agreed to by the parties.

(f) The Secretary shall have the authority to prescribe rules for the administration of this Section.

(g) If, after hearing, it is determined that the Secretary has the authority to issue the order to cease and desist, he or she may issue such orders as may be reasonably necessary to correct, eliminate, or remedy

such conduct.

(h) The powers vested in the Secretary by this Section are additional to any and all other powers and remedies vested in the Secretary by law and nothing in this Section shall be construed as requiring that the Secretary shall employ the power conferred in this Section instead of or as a condition precedent to the exercise of any other power or remedy vested in the Secretary.

(i) The cost for the administrative hearing shall be set by rule.

Section 25-25. Investigations, notice, hearings.

(a) The Department may at any time investigate the actions of any applicant or of any person or persons rendering or offering to render services as a cemetery authority, cemetery manager, or customer service employee of or any person holding or claiming to hold a license as a licensed cemetery authority, cemetery manager, or customer service employee. If it appears to the Department that a person has engaged in, is engaging in, or is about to engage in any practice declared to be unlawful by this Act, then the Department may: (1) require that person to file on such terms as the Department prescribes a statement or report in writing, under oath or otherwise, containing all information the Department may consider necessary to ascertain whether a licensee is in compliance with this Act, or whether an unlicensed person is engaging in activities for which a license is required; (2) examine under oath any individual in connection with the books and records pertaining to or having an impact upon the operation of a cemetery or trust funds required to be maintained pursuant to this Act; (3) examine any books and records of the licensee, trustee, or investment advisor that the Department may consider necessary to ascertain compliance with this Act; and (4) require the production of a copy of any record, book, document, account, or paper that is produced in accordance with this Act and retain it in his or her possession until the completion of all proceedings in connection with which it is produced.

(b) The Secretary may, after 10 days notice by certified mail with return receipt requested to the licensee at the address of record or to the last known address of any other person stating the contemplated action and in general the grounds therefor, fine such licensee an amount not exceeding \$10,000 per violation or revoke, suspend, refuse to renew, place on probation, or reprimand any license issued under this Act if he or she finds that:

(1) the licensee has failed to comply with any provision of this Act or any order, decision, finding, rule, regulation, or direction of the Secretary lawfully made pursuant to the authority of this Act; or

(2) any fact or condition exists which, if it had existed at the time of the original application for the license, clearly would have warranted the Secretary in refusing to issue the license.

(c) The Secretary may fine, revoke, suspend, refuse to renew, place on probation, reprimand, or take any other disciplinary action as to the particular license with respect to which grounds for the fine, revocation, suspension, refuse to renew, probation, or reprimand, or other disciplinary action occur or exist, but if the Secretary finds that grounds for revocation are of general application to all offices or to more than one office of the licensee, the Secretary shall fine, revoke, suspend, refuse to renew, place on probation, reprimand, or otherwise discipline every license to which such grounds apply.

(d) In every case in which a license is revoked, suspended, placed on probation, reprimanded, or otherwise disciplined, the Secretary shall serve the licensee with notice of his or her action, including a statement of the reasons for his or her actions, either personally or by certified mail, return receipt requested. Service by certified mail shall be deemed completed when the notice is deposited in the United States mail and sent to the address of record.

(e) An order assessing a fine, an order revoking, suspending, placing on probation, or reprimanding a license or, an order denying renewal of a license shall take effect upon service of the order unless the licensee requests, in writing, within 20 days after the date of service, a hearing. In the event a hearing is requested, an order issued under this Section shall be stayed until a final administrative order is entered.

(f) If the licensee requests a hearing, then the Secretary shall schedule a hearing within 30 days after the request for a hearing unless otherwise agreed to by the parties. The Secretary shall have the authority to appoint an attorney duly licensed to practice law in the State of Illinois to serve as the hearing officer in any disciplinary action with regard to a license. The hearing officer shall have full authority to conduct the hearing.

(g) The hearing shall be held at the time and place designated by the Secretary.

(h) The Secretary shall have the authority to prescribe rules for the administration of this Section.

(i) The cost for the administrative hearing shall be set by rule.

(j) Fines imposed and any costs assessed shall be paid within 60 days.

Section 25-30. Consent order. At any point in any investigation or disciplinary proceeding provided for

in this Act, both parties may agree to a negotiated consent order. The consent order shall be final upon signature of the Secretary.

Section 25-35. Record of proceedings; transcript. The Department, at its expense, shall preserve a record of all proceedings at the formal hearing of any case. Any notice, all documents in the nature of pleadings, written motions filed in the proceedings, the transcripts of testimony, and orders of the Department shall be in the record of the proceeding.

Section 25-40. Subpoenas; depositions; oaths.

(a) The Department has the power to subpoena documents, books, records, or other materials and to bring before it any individual and to take testimony either orally or by deposition, or both, with the same fees and mileage and in the same manner as prescribed in civil cases in the courts of this State.

(b) The Secretary and the designated hearing officer have the power to administer oaths to witnesses at any hearing that the Department is authorized to conduct and any other oaths authorized in any Act administered by the Department.

(c) Every individual having taken an oath or affirmation in any proceeding or matter wherein an oath is required by this Act, who shall swear willfully, corruptly, and falsely in a matter material to the issue or point in question, or shall suborn any other individual to swear as aforesaid, shall be guilty of perjury or subornation of perjury, as the case may be and shall be punished as provided by State law relative to perjury and subornation of perjury.

Section 25-45. Compelling testimony. Any circuit court, upon application of the Department or designated hearing officer may enter an order requiring the attendance of witnesses and their testimony, and the production of documents, papers, files, books, and records in connection with any hearing or investigation. The court may compel obedience to its order by proceedings for contempt.

Section 25-50. Findings and recommendations.

(a) At the conclusion of the hearing, the hearing officer shall present to the Secretary a written report of its findings of fact, conclusions of law, and recommendations. The report shall contain a finding whether the accused person violated this Act or its rules or failed to comply with the conditions required in this Act or its rules. The hearing officer shall specify the nature of any violations or failure to comply and shall make his or her recommendations to the Secretary. In making recommendations for any disciplinary actions, the hearing officer may take into consideration all facts and circumstances bearing upon the reasonableness of the conduct of the accused and the potential for future harm to the public, including, but not limited to, previous discipline of the accused by the Department, intent, degree of harm to the public and likelihood of harm in the future, any restitution made by the accused, and whether the incident or incidents contained in the complaint appear to be isolated or represent a continuing pattern of conduct. In making its recommendations for discipline, the hearing officer shall endeavor to ensure that the severity of the discipline recommended is reasonably related to the severity of the violation.

(b) The report of findings of fact, conclusions of law, and recommendation of the hearing officer shall be the basis for the Department's final order refusing to issue, restore, or renew a license, or otherwise disciplining a licensee. If the Secretary disagrees with the recommendations of the hearing officer, the Secretary may issue an order in contravention of the hearing officer's recommendations. The finding is not admissible in evidence against the person in a criminal prosecution brought for a violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for a violation of this Act.

Section 25-55. Rehearing. At the conclusion of the hearing, a copy of the hearing officer's report shall be served upon the applicant, licensee, or unlicensed person by the Department, either personally or as provided in this Act. Within 20 days after service, the applicant or licensee may present to the Department a motion in writing for a rehearing, which shall specify the particular grounds for rehearing. The Department may respond to the motion for rehearing within 20 days after its service on the Department. If no motion for rehearing is filed, then upon the expiration of the time specified for filing such a motion, or if a motion for rehearing is denied, then upon denial, the Secretary may enter a final order in accordance with recommendations of the hearing officer except as provided in Section 25-60 of this Act. If the applicant, licensee, or unlicensed person orders from the reporting service and pays for a transcript of the record within the time for filing a motion for rehearing, the 20-day period within which a motion may be filed shall commence upon the delivery of the transcript to the applicant or licensee.

Section 25-60. Secretary; rehearing. Whenever the Secretary believes that substantial justice has not been done in the revocation, suspension, or refusal to issue, restore, or renew a license, or other discipline of an applicant or licensee, he or she may order a rehearing by the same or other hearing officers.

Section 25-65. Order or certified copy; prima facie proof. An order or certified copy thereof, over the seal of the Department and purporting to be signed by the Secretary, is prima facie proof that:

- (1) the signature is the genuine signature of the Secretary;
- (2) the Secretary is duly appointed and qualified; and
- (3) the hearing officer is qualified to act.

Section 25-70. Receivership. In the event a cemetery authority license is suspended or revoked or where an unlicensed person has conducted activities requiring cemetery authority licensure under this Act, the Department, through the Attorney General, may petition the circuit courts of this State for appointment of a receiver to administer the care funds of such licensee or unlicensed person or to operate the cemetery.

- (a) The court shall appoint a receiver if the court determines that a receivership is necessary or advisable:
 - (1) to ensure the orderly and proper conduct of a licensee's professional business and affairs during or in the aftermath of the administrative proceeding to revoke or suspend the cemetery authority's license;
 - (2) for the protection of the public's interest and rights in the business, premises, or activities of the person sought to be placed in receivership;
 - (3) upon a showing of actual or constructive abandonment of premises or business licensed or which was not but should have been licensed under this Act;
 - (4) upon a showing of serious and repeated violations of this Act demonstrating an inability or unwillingness of a licensee to comply with the requirements of this Act;
 - (5) to prevent loss, wasting, dissipation, theft, or conversion of assets that should be marshaled and held available for the honoring of obligations under this Act; or
 - (6) upon proof of other grounds that the court deems good and sufficient for instituting receivership action concerning the respondent sought to be placed in receivership.

(b) A receivership under this Section may be temporary, or for the winding up and dissolution of the business, as the Department may request and the court determines to be necessary or advisable in the circumstances. Venue of receivership proceedings may be, at the Department's election, in Cook County or the county where the subject of the receivership is located. The appointed receiver shall be the Department or such person as the Department may nominate and the court shall approve.

- (c) The Department may adopt rules for the implementation of this Section.

Section 25-75. Abandoned or neglected cemeteries; clean-up. The Department of Natural Resources may develop and administer a program for the purpose of cleaning up abandoned or neglected cemeteries located in Illinois. Administration of this program may include the Department of Natural Resources' issuance of grants for that purpose to units of local government, school districts, and not-for-profit associations as determined by rule. If an abandoned or neglected cemetery has been dedicated as an Illinois nature preserve under the Illinois Natural Areas Preservation Act, any action to cause the clean-up of the cemetery under the provisions of this Section shall be consistent with the rules and master plan governing the dedicated nature preserve.

Section 25-80. Surrender of license. Upon the revocation or suspension of a license under this Act, the licensee shall immediately surrender his or her license to the Department. If the licensee fails to do so, the Department has the right to seize the license.

Section 25-85. Inactive status.

(a) Any licensed manager or customer service employee or registered cemetery employee who notifies the Department in writing on forms prescribed by the Department as determined by rule, may elect to place his or her license on an inactive status and shall, subject to rules of the Department, be excused from payment of renewal fees until he or she notifies the Department in writing of his or her desire to resume active status. Any licensed manager or registered cemetery employee requesting restoration from inactive status shall pay the current renewal fee and meet requirements as provided by rule. Any licensee whose license is in inactive status shall not practice in the State of Illinois.

(b) A cemetery authority license may only go on inactive status by following the provisions for dissolution set forth in Section 10-50 or transfer in Section 10-45.

Section 25-90. Restoration of license from discipline. At any time after the successful completion of a term of indefinite probation, suspension, or revocation of a license, the Department may restore the license to the licensee, unless after an investigation and a hearing the Secretary determines that restoration is not in the public interest.

Section 25-95. Administrative review; venue.

(a) All final administrative decisions of the Department are subject to judicial review under the Administrative Review Law and its rules. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

(b) Proceedings for judicial review shall be commenced in the circuit court of the county in which the

party applying for review resides, but if the party is not a resident of Illinois, the venue shall be in Sangamon County.

Section 25-100. Certifications of record; costs. The Department shall not be required to certify any record to the court, to file an answer in court, or to otherwise appear in any court in a judicial review proceeding unless and until the Department has received from the plaintiff payment of the costs of furnishing and certifying the record, which costs shall be determined by the Department. Failure on the part of the plaintiff to file the receipt in court is grounds for dismissal of the action.

Section 25-105. Violations. Any person who is found to have violated any provision of this Act or any applicant for licensure who files with the Department the fingerprints of an individual other than himself or herself is guilty of a Class A misdemeanor. Upon conviction of a second or subsequent offense the violator shall be guilty of a Class 4 felony. However, whoever intentionally fails to deposit the required amounts into a trust provided for in this Act or intentionally and improperly withdraws or uses trust funds for his or her own benefit shall be guilty of a Class 4 felony and each day such provisions are violated shall constitute a separate offense.

Section 25-110. Civil action and civil penalties. In addition to the other penalties and remedies provided in this Act, the Department may bring a civil action in the county in which the cemetery is located against a licensee or any other person to enjoin any violation or threatened violation of this Act. In addition to any other penalty provided by law, any person who violates this Act shall forfeit and pay a civil penalty to the Department in an amount not to exceed \$10,000 for each violation as determined by the Department. The civil penalty shall be assessed by the Department in accordance with the provisions of this Act. Any civil penalty shall be paid within 60 days after the effective date of the order imposing the civil penalty. The order shall constitute a judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record. All moneys collected under this Section shall be deposited into the Cemetery Oversight Licensing and Disciplinary Fund.

Section 25-115. Illinois Administrative Procedure Act; application. The Illinois Administrative Procedure Act is expressly adopted and incorporated in this Act as if all of the provisions of that Act were included in this Act, except that the provision of paragraph (d) of Section 10-65 of the Illinois Administrative Procedure Act, which provides that at hearings the licensee has the right to show compliance with all lawful requirements for retention or continuation or renewal of the license, is specifically excluded. For the purpose of this Act, the notice required under Section 10-25 of the Illinois Administrative Procedure Act is considered sufficient when mailed to the address of record.

Section 25-120. Whistleblower protection.

(a) "Retaliatory action" means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms and conditions of employment of any cemetery manager or registered cemetery employee that is taken in retaliation for a cemetery manager's, customer service employee's, or registered cemetery employee's involvement in protected activity, as set forth in this Section.

(b) A cemetery authority shall not take any retaliatory action against a cemetery manager, customer service employee, or registered cemetery employee because the cemetery manager, customer service employee, or registered cemetery employee does any of the following:

(1) Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of a cemetery manager, customer service employee, or the cemetery authority that the cemetery manager or cemetery employee reasonably believes is in violation of a law, rule, or regulation.

(2) Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by a cemetery manager or cemetery authority.

(3) Assists or participates in a proceeding to enforce the provisions of this Act.

(c) A violation of this Section may be established only upon a finding that (i) the cemetery manager, customer service employee, or registered cemetery employee engaged in conduct described in subsection (b) of this Section and (ii) that this conduct was a contributing factor in the retaliatory action alleged by the cemetery manager, customer service employee, or registered cemetery employee. It is not a violation, however, if it is demonstrated by clear and convincing evidence that the cemetery manager or cemetery authority would have taken the same unfavorable personnel action in the absence of that conduct.

(d) The cemetery manager, customer service employee, or registered cemetery employee may be awarded all remedies necessary to make the cemetery manager or registered cemetery employee whole and to prevent future violations of this Section. Remedies imposed by the court may include, but are not limited to, all of the following:

- (1) reinstatement of the employee to either the same position held before the retaliatory action or to an equivalent position;
- (2) two times the amount of back pay;
- (3) interest on the back pay;
- (4) the reinstatement of full fringe benefits and seniority rights; and
- (5) the payment of reasonable costs and attorneys' fees.

(e) Nothing in this Section shall be deemed to diminish the rights, privileges, or remedies of a cemetery manager, customer service employee, or registered cemetery employee under any other federal or State law, rule, or regulation or under any employment contract.

Section 25-125. Cemetery Oversight Board. The Cemetery Oversight Board is created and shall consist of the Secretary, who shall serve as its chairperson, and 7 members appointed by the Secretary. Appointments shall be made within 90 days after the effective date of this Act. Three members shall represent the segment of the cemetery industry that does not maintain a partial exemption or full exemption, one member shall represent the segment of the cemetery industry that maintains a partial exemption, 2 members shall be consumers as defined in this Act, and one member shall represent the general public. No member shall be a licensed professional from a non-cemetery segment of the death care industry. Board members shall serve 5-year terms and until their successors are appointed and qualified. The membership of the Board should reasonably reflect representation from the geographic areas in this State. No member shall be reappointed to the Board for a term that would cause his or her continuous service on the Board to be longer than 10 successive years. Appointments to fill vacancies shall be made in the same manner as original appointments, for the unexpired portion of the vacated term. Five members of the Board shall constitute a quorum. A quorum is required for Board decisions. The Secretary may remove any member of the Board for misconduct, incompetence, neglect of duty, or for reasons prescribed by law for removal of State officials. The Secretary may remove a member of the Board who does not attend 2 consecutive meetings. The Department may, at any time, seek the expert advice and knowledge of the Board on any matter relating to the administration or enforcement of this Act. The Secretary shall consider the recommendations of the Board in the development of proposed rules under this Act and for establishing guidelines and examinations as may be required under this Act. Notice of any proposed rulemaking under this Act shall be transmitted to the Board and the Department shall review the response of the Board and any recommendations made therein.

Article 35.

Consumer Bill of Rights

Section 35-5. Penalties. Cemetery authorities shall respect the rights of consumers of cemetery products and services as put forth in this Article. Failure to abide by the cemetery duties listed in this Article or to comply with a request by a consumer based on a consumer's privileges under this Article may activate the mediation, citation, or disciplinary processes in Article 25 of this Act.

Section 35-10. Consumer privileges.

(a) The record required under this Section shall be open to public inspection consistent with State and federal law. The cemetery authority shall make available, consistent with State and federal law, a true copy of the record upon written request and payment of reasonable copy costs. At the time of the interment, entombment, or inurnment, the cemetery authority shall provide the record of the deceased's name and date of burial to the person who would have authority to dispose of the decedent's remains under the Disposition of Remains Act.

(b) Consumers have the right to purchase merchandise or services directly from the cemetery authority when available or through a third-party vendor of the consumer's choice without incurring a penalty or additional charge by the cemetery authority; provided, however, that consumers do not have the right to purchase types of merchandise that would violate applicable law or the cemetery authority's rules and regulations

(c) Consumers have the right to complain to the cemetery authority or to the Department regarding cemetery-related products and services as well as issues with customer service, maintenance, or other cemetery activities. Complaints may be brought by a consumer or the consumer's agent appointed for that purpose.

Section 35-15. Cemetery duties.

(a) Prices for all cemetery-related products offered for sale by the cemetery authority must be disclosed to the consumer in writing on a standardized price list. Memorialization pricing may be disclosed in price ranges. The price list shall include the effective dates of the prices. The price list shall include not only the range of interment, inurnment, and entombment rights, and the cost of extending the term of any term

burial, but also any related merchandise or services offered by the cemetery authority. Charges for installation of markers, monuments, and vaults in cemeteries must be the same without regard to where the item is purchased.

(b) A contract for the interment, inurnment, or entombment of human remains must be signed by both parties: the consumer and the cemetery authority or its representative. Before a contract is signed, the prices for the purchased services and merchandise must be disclosed on the contract and in plain language. If a contract is for a term burial, the term must be in bold print and discussed with the consumer. Any contract for the sale of a burial plot, when designated, must disclose the exact location of the burial plot based on the survey of the cemetery plat on file with the Department.

(c) A cemetery authority that has the legal right to extend a term burial shall, prior to disinterment, provide the family or other authorized agent under the Disposition of Remains Act the opportunity to extend the term of a term burial for the cost as stated on the cemetery authority's current price list. Regardless of whether the family or other authorized agent chooses to extend the term burial, the cemetery authority shall, prior to disinterment, provide notice to the family or other authorized agent under the Disposition of Remains Act of the cemetery authority's intention to disinter the remains and to inter different human remains in that space.

(d) If any rules or regulations, including the operational or maintenance requirements, of a cemetery change after the date a contract is signed for the purchase of cemetery-related or funeral-related products or services, the cemetery may not require the consumer, purchaser, or such individual's relative or representative to purchase any merchandise or service not included in the original contract or in the rules and regulations in existence when the contract was entered unless the purchase is reasonable and not overly burdensome on the consumer or required to make the cemetery authority compliant with applicable law.

(e) No cemetery authority or its agent may engage in deceptive or unfair practices. The cemetery authority and its agents may not misrepresent legal or cemetery requirements.

(f) The cemetery authority shall notify the consumer of the existence of green burial and crematory disposition options if the cemetery authority offers green disposition services or products. The Department may promulgate rules regarding green burial certification, green cremation products and methods, and consumer education.

(g) The contractual requirements contained in this Section only apply to contracts executed after the effective date of this Act.

Article 75.

Administrative Provisions

Section 75-5. Conflict of interest. No investigator may hold an active license issued pursuant to this Act, nor may an investigator have a financial interest in a business licensed under this Act. A home rule unit may not regulate or license cemetery authorities, cemetery managers, customer service employees, registered cemetery employees, or any activities relating to the operation of a cemetery. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

Section 75-35. Roster. The Department shall, upon request and payment of the required fee, provide a list of the names and business addresses of all licensees under this Act.

All of the fees and fines collected under this Act shall be deposited into the Cemetery Oversight Licensing and Disciplinary Fund and be appropriated to the Department for the ordinary and contingent expenses of the Department in the administration and enforcement of this Act.

Section 75-50. Burial permits. Notwithstanding any law to the contrary, a cemetery authority shall ensure that every burial permit applicable to that cemetery authority contains the decedent's permanent parcel identification number or other information as provided by rule regarding the location of the

interment, entombment, or inurnment of the deceased that would enable the Department to determine the precise location of the decedent.

Section 75-55. Transition.

(a) Within 60 days after the effective date of this Act, the Comptroller shall provide the Department copies of records in the Comptroller's possession pertaining to the Cemetery Care Act and the Crematory Regulation Act that are necessary for the Department's immediate responsibilities under this Act. All other records pertaining to the Cemetery Care Act and the Crematory Regulation Act shall be transferred to the Department by July 1, 2011. In the case of records that pertain both to the administration of the Cemetery Care Act or the Crematory Regulation Act and to a function retained by the Comptroller, the Comptroller, in consultation with the Department, shall determine, within 60 days after the repeal of the Cemetery Care Act, whether the records shall be transferred, copied, or left with the Comptroller; until this determination has been made the transfer shall not occur.

(b) A person licensed under one of the Acts listed in subsection (a) of this Section or regulated under the Cemetery Association Act shall continue to comply with the provisions of those Acts until such time as the person is licensed under this Act or those Acts are repealed or the amendatory changes made by this amendatory Act of the 96th General Assembly take effect, as the case may be, whichever is earlier.

(c) To support the costs that may be associated with implementing and maintaining a licensure and regulatory process for the licensure and regulation of cemetery authorities, cemetery managers, customer service employees, and registered cemetery employees, all cemetery authorities not maintaining a full exemption or partial exemption shall pay a one-time fee of \$20 to the Department plus an additional charge of \$1 per burial unit per year within the cemetery. The Department may establish forms for the collection of the fee established under this subsection and shall deposit such fee into the Cemetery Oversight Licensing and Disciplinary Fund. The Department may begin to collect the aforementioned fee after the effective date of this Act. In addition, the Department may establish rules for the collection process, which may include, but shall not be limited to, dates, forms, enforcement, or other procedures necessary for the effective collection, deposit, and overall process regarding this Section.

(d) Any cemetery authority that fails to pay to the Department the required fee or submits the incorrect amount shall be subject to the penalties provided for in Section 25-110 of this Act.

(e) Except as otherwise specifically provided, all fees, fines, penalties, or other moneys received or collected pursuant to this Act shall be deposited in the Cemetery Oversight Licensing and Disciplinary Fund.

(f) All proportionate funds held in the Comptroller's Administrative Fund related to unexpended moneys collected under the Cemetery Care Act and the Crematory Regulation Act shall be transferred to the Cemetery Oversight Licensing and Disciplinary Fund within 60 days after the effective date of the repeal of the Cemetery Care Act.

(g) Personnel employed by the Comptroller on June 30, 2011, to perform the duties pertaining to the administration of the Cemetery Care Act and the Crematory Regulation Act, are transferred to the Department on July 1, 2011.

The rights of State employees, the State, and its agencies under the Comptroller Merit Employment Code and applicable collective bargaining agreements and retirement plans are not affected under this Act, except that all positions transferred to the Department shall be subject to the Personnel Code effective July 1, 2011.

All transferred employees who are members of collective bargaining units shall retain their seniority, continuous service, salary, and accrued benefits. During the pendency of the existing collective bargaining agreement, the rights provided for under that agreement shall not be abridged.

The Department shall continue to honor during their pendency all bargaining agreements in effect at the time of the transfer and to recognize all collective bargaining representatives for the employees who perform or will perform functions transferred by this Act. For all purposes with respect to the management of the existing agreement and the negotiation and management of any successor agreements, the Department shall be deemed the employer of employees who perform or will perform functions transferred to the Department by this Act.

(b) Whenever, in the opinion of the Department, a person violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against that person. The rule shall clearly set forth the grounds relied upon by the Department and shall allow at least 7 days from the date of the rule to file an answer satisfactory to the Department. Failure to answer to the satisfaction of the Department shall cause an order to cease and desist to be issued.

The Department shall, before revoking, suspending, placing on probation, reprimanding, or taking any other disciplinary action under Section 11 of this Act, at least 30 days before the date set for the hearing, (i) notify the accused in writing of the charges made and the time and place for the hearing on the charges, (ii) direct the accused applicant or licensee to file a written answer to the charges with the Department under oath within 20 days after the service on him or her of the notice, and (iii) inform the accused that, if he or she fails to answer, default will be taken against him or her or that his or her license may be suspended, revoked, placed on probationary status, or other disciplinary action taken with regard to the license, including limiting the scope, nature, or extent of his or her practice, as the Department may consider proper.

At the time and place fixed in the notice, the Department shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to present any pertinent statements, testimony,

The written notice may be served by personal delivery or by certified mail to the address specified by the accused in his or her last notification with the Department.

~~(a) The Comptroller shall make an investigation upon discovering facts that, if proved, would constitute grounds for refusal, suspension, or revocation of a license under this Act.~~

~~(b) Before refusing to issue, and before suspending or revoking, a license under this Act, the Comptroller shall hold a hearing to determine whether the applicant for a license or the licensee ("the respondent") is entitled to hold such a license. At least 10 days before the date set for the hearing, the Comptroller shall notify the respondent in writing that (i) on the designated date a hearing will be held to determine the respondent's eligibility for a license and (ii) the respondent may appear in person or by counsel. Any authorized agent of the Comptroller may administer oaths to witnesses at any hearing that the Comptroller is authorized to conduct.~~

~~(d) The Comptroller, at the Comptroller's expense, shall provide a certified shorthand reporter to take down the testimony and preserve a record of every proceeding at the hearing of any case involving the refusal to issue a license under this Act, the suspension or revocation of such a license, the imposition of a monetary penalty, or the referral of a case for criminal prosecution. The record of any such proceeding shall consist of the notice of hearing, the complaint, all other documents in the nature of pleadings and written motions filed in the proceeding, the transcript of testimony, and the report and orders of the Comptroller. ~~from the plaintiff payment of the costs of furnishing and certifying the record, which costs shall be determined by the Department. Failure on the part of the plaintiff to make such payment to the Department is grounds for dismissal of the action. Any person affected by a final administrative decision of the Comptroller under this Act may have the decision reviewed judicially by the circuit court of the county where the person resides or, in the case of a corporation, where the corporation's registered office is located. If the plaintiff in the judicial review proceeding is not a resident of this State, venue shall be in Sangamon County. In the event that the Secretary summarily suspends the license of a licensed crematory without a hearing, a hearing must be commenced within 30 days after the suspension has occurred and concluded as expeditiously as practical. In the event of a summary suspension, the county coroner or medical examiner responsible for the area where the crematory is located shall make arrangements to dispose of any bodies in the suspended licensee's possession after consulting with the authorizing agents for those bodies.

ARTICLE 12. CUSTOMER SERVICE EMPLOYEES

(225 ILCS 41/12-5 new)

Sec. 12-5. License requirement. Customer service employees employed by a funeral establishment, funeral chapel, funeral home, or mortuary must apply for licensure as a customer service employee on forms prescribed by the Department and pay the fee established by rule. It is unlawful for any person to act as a customer service employee without a customer service employee license issued by the Department.

A person acting as a customer service employee who, prior to the effective date of this amendatory Act of the 96th General Assembly, was not required to obtain licensure need not comply with the licensure requirement in this Article until the Department takes action on the person's application for a license. The application for a customer service employee license must be submitted to the Department within 6 months after the effective date of this amendatory Act of the 96th General Assembly. If the person fails to submit the application within 6 months after the effective date of this amendatory Act of the 96th General Assembly, then the person shall be considered to be engaged in unlicensed practice and shall be subject to

discipline under this Act.

(225 ILCS 41/12-10 new)

(a) A person is qualified for licensure as a customer service employee if he or she meets all of the following requirements:

(1) Is at least 18 years of age.

(2) Is of good moral character, including compliance with the Code of Professional Conduct and Ethics as provided for by rule. Good moral character is a continuing requirement of licensure. In determining good moral character, the Department may take into consideration conviction of any crime under the laws of any jurisdiction.

(3) Submits proof of successful completion of a high school education or its equivalent as established by rule.

(4) Submits his or her fingerprints in accordance with subsection (b) of this Section.

(5) Has not committed a violation of this Act or any rules adopted under this Act that, in the opinion of the Department, renders the applicant unqualified to be a customer service employee.

(6) Successfully passes the examination authorized by the Department for customer service employees.

(7) Has complied with all other requirements of this Act and rules established for the implementation of this Act.

(8) Can be reasonably expected to treat consumers professionally, fairly, and ethically.

(b) Each applicant for a customer service employee license shall have his or her fingerprints submitted to the Department of State Police in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information that is prescribed by the Department of State Police. These fingerprints shall be checked against the Department of State Police and Federal Bureau of Investigation criminal history record databases. The Department of State Police shall charge applicants a fee for conducting the criminal history records check, which shall be deposited in the State Police Services Fund and shall not exceed the actual cost of the records check. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois convictions to the Department. The Department may require applicants to pay a separate fingerprinting fee, either to the Department or directly to a designated fingerprint vendor. The Department, in its discretion, may allow an applicant who does not have reasonable access to a designated fingerprint vendor to provide his or her fingerprints in an alternative manner. The Department, in its discretion, may also use other procedures in performing or obtaining criminal background checks of applicants. Instead of submitting his or her fingerprints, an individual may submit proof that is satisfactory to the Department that an equivalent security clearance has been conducted.

(225 ILCS 41/12-15 new)

Sec. 12-15. Examination; failure or refusal to take the examination.

(a) The Department shall authorize examinations of customer service employee applicants at such times and places as it may determine. The examinations shall fairly test an applicant's qualifications to practice as customer service employee and knowledge of the theory and practice of funeral home customer service. The examination shall further test the extent to which the applicant understands and appreciates that the final disposal of a deceased human body should be attended with appropriate observance and understanding, having due regard and respect for the reverent care of the human body and for those bereaved and for the overall spiritual dignity of an individual.

(b) Applicants for examinations shall pay, either to the Department or to the designated testing service, a fee covering the cost of providing the examination. Failure to appear for the examination on the scheduled date at the time and place specified after the application for examination has been received and acknowledged by the Department or the designated testing service shall result in forfeiture of the examination fee.

(c) If the applicant neglects, fails, or refuses to take an examination or fails to pass an examination for a license under this Act within one year after filing an application, then the application shall be denied. However, the applicant may thereafter submit a new application accompanied by the required fee. The applicant shall meet the requirements in force at the time of making the new application.

(d) The Department may employ consultants for the purpose of preparing and conducting examinations.

(e) The Department shall have the authority to adopt or recognize, in part or in whole, examinations prepared, administered, or graded by other organizations in the cemetery industry that are determined appropriate to measure the qualifications of an applicant for licensure.

The reports shall cover the period January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31 of each year. A political committee shall file quarterly reports no later than the 15th day of the month following each period. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for failure to file a report required by this subsection. The fine, however, shall not exceed \$1,000 for a first violation if the committee files less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. When considering the amount of the fine to be imposed, the Board shall consider whether the violation was committed inadvertently, negligently, knowingly, or intentionally and any past violations of this Section.

(c) A political committee shall file a report of any contribution of \$1,000 or more electronically with the Board within 5 business days after receipt of the contribution, except that the report shall be filed within 2 business days after receipt if (i) the contribution is received 30 or fewer days before the date of an election and (ii) the political committee supports or opposes a candidate or public question on the ballot at that election or makes expenditures in excess of \$500 on behalf of or in opposition to a candidate, candidates, a public question, or public questions on the ballot at that election. The Board shall impose fines for willful or wanton violations of this subsection (c) not to exceed 150% of the total amount of the contributions that were untimely reported, but in no case shall it be less than 10% of the total amount of the contributions that were untimely reported. When considering the amount of the fine to be imposed for willful or wanton violations, the Board shall consider the number of days the contribution was reported late and past violations of this Section and Section 9-3. The Board may impose a fine for negligent or inadvertent violations of this subsection not to exceed 50% of the total amount of the contributions that were untimely reported, or the Board may waive the fine. When considering whether to impose a fine and the amount of the fine, the Board shall consider the following factors: (1) whether the political committee made an attempt to disclose the contribution and any attempts made to correct the violation, (2) whether the violation is attributed to a clerical or computer error, (3) the amount of the contribution, (4) whether the violation arose from a discrepancy between the date the contribution was reported transferred by a political committee and the date the contribution was received by a political committee, (5) the number of days the contribution was reported late, and (6) past violations of this Section and Section 9-3 by the political committee.

(d) For the purpose of this Section, a contribution is considered received on the date (i) a monetary contribution was deposited in a bank, financial institution, or other repository of funds for the committee, (ii) the date a committee receives notice a monetary contribution was deposited by an entity used to process financial transactions by credit card or other entity used for processing a monetary contribution that was deposited in a bank, financial institution, or other repository of funds for the committee, or (iii) the public

(e) A political committee that makes independent expenditures of \$1,000 or more during the period 30 days or fewer before an election shall electronically file a report with the Board within 5 business days after making the independent expenditure. The report shall contain the information required in Section 9-11(c) of this Article. This subsection does not apply with respect to general primary elections. Reports of campaign contributions shall be filed no later than the 15th day next preceding each election in connection with which the political committee has accepted or is accepting contributions or has made or is making expenditures. Such reports shall be complete as of the 30th day next preceding each election. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. The fine, however, shall not exceed \$500 for a first filing violation for filing less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. For the purpose of this subsection, "statewide office" and "State officer" means the Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, and Treasurer. However, a continuing political committee that does not make an expenditure or expenditures in an aggregate amount of more than \$500 on behalf of or in opposition to any (i) candidate or candidates, (ii) public question or questions, or (iii) candidate or candidates and public question or questions on the ballot at an election shall not be required to file the reports prescribed in this subsection (b) and subsection (b-5) but may file in lieu thereof a Statement of Nonparticipation in the Election with the Board or the Board and the county clerk; except that if the political committee, by the terms of its statement of organization filed in accordance with this Article, is organized to support or oppose a candidate or public question on the ballot at the next election or primary, that committee must file reports required by this subsection (b) and by subsection (b-5).

(b-5) Notwithstanding the provisions of subsection (b) and Section 1.25 of the Statute on Statutes, any contribution of more than \$500 received (i) with respect to elections other than the general primary election, in the interim between the last date of the period covered by the last report filed under subsection (b) prior to the election and the date of the election or (ii) with respect to general primary elections, in the period beginning January 1 of the year of the general primary election and prior to the date of the general primary election shall be filed with and must actually be received by the State Board of Elections within 2 business days after receipt of such contribution. A continuing political committee that does not support or oppose a candidate or public question on the ballot at a general primary election and does not make expenditures in excess of \$500 on behalf of or in opposition to any candidate or public question on the ballot at the general primary election shall not be required to file the report prescribed in this subsection unless the committee makes an expenditure in excess of \$500 on behalf of or in opposition to any candidate or public question on the ballot at the general primary election. The committee shall timely file the report required under this subsection beginning with the date the expenditure that triggered participation was made. The State Board shall allow filings of reports of contributions of more than \$500 under this subsection (b-5) by political committees that are not required to file electronically to be made by facsimile transmission. For the purpose of this subsection, a contribution is considered received on the date the public official, candidate, or political committee (or equivalent person in the case of a reporting entity other than a political committee) actually receives it or, in the case of goods or services, 2 business days after the date the public official, candidate, committee, or other reporting entity receives the certification required under subsection (b) of Section 9-6. Failure to report each contribution is a separate violation of this subsection. In the final disposition of any matter by the Board on or after the effective date of this amendatory Act of the 93rd General Assembly, the Board may impose fines for violations of this subsection not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported. When considering the amount of the fine to be imposed, the Board shall consider, but is not limited to, the following factors:

- (1) whether in the Board's opinion the violation was committed inadvertently, negligently, knowingly, or intentionally;
- (2) the number of days the contribution was reported late; and
- (3) past violations of Sections 9-3 and 9-10 of this Article by the committee.

(e) In addition to such reports the treasurer of every political committee shall file semi-annual reports of campaign contributions and expenditures no later than July 20th, covering the period from January 1st through June 30th immediately preceding, and no later than January 20th, covering the period from July 1st

through December 31st of the preceding calendar year. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. Sec. 9-40. Campaign Finance Reform Task Force.

(a) There is hereby created the Campaign Finance Reform Task Force. The purpose of the Task Force is to conduct a thorough review of the implementation of campaign finance reform legislation in the State of Illinois, and the feasibility of implementing a mechanism of campaign finance regulation that would subsidize political campaigns in exchange for voluntary adherence to specified expenditure limitations.

(b) The Task Force shall consist of 11 members, appointed as follows: 2 each by the Speaker of the

House of Representatives, the Minority Leader of the House of Representatives, the President of the Senate, and the Minority Leader of the Senate; and 3 by the Governor, one of whom shall serve as chairperson. Members shall be adults and residents of Illinois. The individual (or his or her successor) who appointed a member may remove that appointed member before the expiration of his or her term on the Task Force for official misconduct, incompetence, or neglect of duty. Members shall serve without compensation, but may be reimbursed for expenses. Appointments shall be made within 60 days after the effective date of this amendatory Act of the 96th General Assembly.

(c) The Task Force shall conduct meetings and conduct a public hearing before filing any report mandated by this Section. At the public hearings, the Task Force shall allow interested persons to present their views and comments. The Task Force shall submit all reports required by this Section to the Governor, the State Board of Elections, and the General Assembly. In addition to the reports required by this Section, the Task Force may provide, at its discretion, interim reports and recommendations. The State Board of Elections shall provide administrative support to the Task Force.

(d) The Task Force shall study the feasibility of implementing a mechanism of campaign finance regulation that would subsidize political campaigns in exchange for voluntary adherence to specified expenditure limitations. The Task Force may propose financing campaigns through funding mechanisms including, but not limited to, fines, voluntary contributions, surcharges on lobbying activities, and a whistleblower fund. In determining a plan for election to each office, the Task Force shall consider the following factors:

(i) the amount of funds raised by past candidates for that office;

(ii) the amount of funds expended by past candidates for that office;

(iii) the disparity in the amount of funds raised by candidates of different political parties;

(iv) the amount of funds expended by entities not affiliated with a candidate;

(v) the amount of money contributed to or expended by a committee of a political party to promote a candidate;

(vi) jurisprudence with relation to campaign finance and public financing; and

(vii) such other factors, not confined to the foregoing, that the Task Force determines to be related to the public financing of elections in this State.

The Task Force shall also study the feasibility of creating public financing within the statutory system of limits, or if the system of limits should be changed to facilitate a system of public financing and the need for a process to protect candidates who receive public financing against candidates who do not opt to participate in public financing or who self-finance.

The task force shall submit the report required by this subsection no later than December 31, 2011. The Task Force may provide, at its discretion, interim reports and recommendations before that date.

(e) The Task Force shall examine and make recommendations related to the provisions of this amendatory Act of the 96th General Assembly in Section 9-8.5 (c-5) and (c-10) limiting contributions to a political party committee from a candidate political committee or political party committee. The Task Force shall submit a report with recommendations required by this subsection no later than September 30, 2012. The Task Force may provide, at its discretion, interim reports and recommendations before that date.

(f) The Task Force shall review the implementation of this amendatory Act of the 96th General Assembly and any additional campaign finance reform legislation considered by the General Assembly. The Task Force shall examine each provision of this amendatory Act of the 96th General Assembly and make recommendations for changes, deletions, or improvements. In conducting its review of campaign finance reform implementation, the Task Force shall also consider and address a variety of empirical measures, case studies, and comparative analyses, including, but not limited to the following:

(i) campaign finance legislation in other states as well as the federal system of campaign finance regulation;

(ii) the impact of contribution limits in Illinois, including the impact on contributions from individuals, corporations, associations, and labor organizations;

(iii) the impact of contribution limits on independent expenditures in Illinois;

(iv) the effectiveness, reliability, and cost of various enforcement mechanisms;

(v) the best practices in mandating timely disclosure of the origin of campaign contributions; and

(vi) the best way to require and conduct random audits and audits for cause.

The Task Force shall also submit a report detailing the following: (i) the effectiveness of enforcement mechanisms, (ii) whether the disclosure requirements and the definition of "receipt" result in accurate

reporting; (iii) issues related to audits, (iv) the effect of using the same election cycle for all members of the General Assembly, and (v) the impact of the Section 9-8.5(h).

The Task Force shall submit reports required by this subsection no later than March 1, 2013 and March 1, 2015.

(g) The Task Force shall submit a final report by March 10, 2015. The Task Force is abolished and this Section is repealed on March 15, 2015.

(70 ILCS 3615/4.04) (from Ch. 111 2/3, par. 704.04)

Sec. 4.04. Issuance and Pledge of Bonds and Notes.

(a) The Authority shall have the continuing power to borrow money and to issue its negotiable bonds or notes as provided in this Section. Unless otherwise indicated in this Section, the term "notes" also includes bond anticipation notes, which are notes which by their terms provide for their payment from the proceeds of bonds thereafter to be issued. Bonds or notes of the Authority may be issued for any or all of the following purposes: to pay costs to the Authority or a Service Board of constructing or acquiring any public transportation facilities (including funds and rights relating thereto, as provided in Section 2.05 of this Act); to repay advances to the Authority or a Service Board made for such purposes; to pay other expenses of the Authority or a Service Board incident to or incurred in connection with such construction or acquisition; to provide funds for any transportation agency to pay principal of or interest or redemption premium on any bonds or notes, whether as such amounts become due or by earlier redemption, issued prior to the date of this amendatory Act by such transportation agency to construct or acquire public transportation facilities or to provide funds to purchase such bonds or notes; and to provide funds for any transportation agency to construct or acquire any public transportation facilities, to repay advances made for such purposes, and to pay other expenses incident to or incurred in connection with such construction or acquisition; and to provide funds for payment of obligations, including the funding of reserves, under any self-insurance plan or joint self-insurance pool or entity.

In addition to any other borrowing as may be authorized by this Section, the Authority may issue its notes, from time to time, in anticipation of tax receipts of the Authority or of other revenues or receipts of the Authority, in order to provide money for the Authority or the Service Boards to cover any cash flow deficit which the Authority or a Service Board anticipates incurring, including, but not limited to, cash flow deficits related to the provision of ADA paratransit service by the Suburban Bus Board. Any such notes are referred to in this Section as "Working Cash Notes". No Working Cash Notes shall be issued for a term of longer than 24 months. Proceeds of Working Cash Notes may be used to pay day to day operating expenses

of the Authority or the Service Boards, consisting of wages, salaries and fringe benefits, professional and technical services (including legal, audit, engineering and other consulting services), office rental, furniture, fixtures and equipment, insurance premiums, claims for self-insured amounts under insurance policies, public utility obligations for telephone, light, heat and similar items, travel expenses, office supplies, postage, dues, subscriptions, public hearings and information expenses, fuel purchases, and payments of grants and payments under purchase of service agreements for operations of transportation agencies, prior to the receipt by the Authority or a Service Board from time to time of funds for paying such expenses. In addition to any Working Cash Notes that the Board of the Authority may determine to issue, the Suburban Bus Board, the Commuter Rail Board or the Board of the Chicago Transit Authority may demand and direct that the Authority issue its Working Cash Notes in such amounts and having such maturities as the Service Board may determine.

Notwithstanding any other provision of this Act, any amounts necessary to pay principal of and interest on any Working Cash Notes issued at the demand and direction of a Service Board or any Working Cash Notes the proceeds of which were used for the direct benefit of a Service Board or any other Bonds or Notes of the Authority the proceeds of which were used for the direct benefit of a Service Board shall constitute a reduction of the amount of any other funds provided by the Authority to that Service Board, except any amounts necessary to pay principal of and interest on Working Cash Notes issued to fund cash flow deficits of the Suburban Bus Board in the provision of ADA paratransit service shall be accounted for as paid from amounts deposited in the ADA Paratransit Fund under Section 4.03.3. The Authority shall, after deducting any costs of issuance, tender the net proceeds of any Working Cash Notes issued at the demand and direction of a Service Board to such Service Board as soon as may be practicable after the proceeds are received. The Authority may also issue notes or bonds to pay, refund or redeem any of its notes and bonds, including to pay redemption premiums or accrued interest on such bonds or notes being renewed, paid or refunded, and other costs in connection therewith. The Authority may also utilize the proceeds of any such bonds or notes to pay the legal, financial, administrative and other expenses of such authorization, issuance, sale or delivery of bonds or notes or to provide or increase a debt service reserve fund with respect to any or all of its bonds or notes. The Authority may also issue and deliver its bonds or notes in exchange for any public transportation facilities, (including funds and rights relating thereto, as provided in Section 2.05 of this Act) or in exchange for outstanding bonds or notes of the Authority, including any accrued interest or redemption premium thereon, without advertising or submitting such notes or bonds for public bidding.

(b) The ordinance providing for the issuance of any such bonds or notes shall fix the date or dates of maturity, the dates on which interest is payable, any sinking fund account or reserve fund account provisions and all other details of such bonds or notes and may provide for such covenants or agreements necessary or desirable with regard to the issue, sale and security of such bonds or notes. The rate or rates of interest on its bonds or notes may be fixed or variable and the Authority shall determine or provide for the determination of the rate or rates of interest of its bonds or notes issued under this Act in an ordinance adopted by the Authority prior to the issuance thereof, none of which rates of interest shall exceed that permitted in the Bond Authorization Act. Interest may be payable at such times as are provided for by the Board. Bonds and notes issued under this Section may be issued as serial or term obligations, shall be of such denomination or denominations and form, including interest coupons to be attached thereto, be executed in such manner, shall be payable at such place or places and bear such date as the Authority shall fix by the ordinance authorizing such bond or note and shall mature at such time or times, within a period not to exceed forty years from the date of issue, and may be redeemable prior to maturity with or without premium, at the option of the Authority, upon such terms and conditions as the Authority shall fix by the ordinance authorizing the issuance of such bonds or notes. No bond anticipation note or any renewal thereof shall mature at any time or times exceeding 5 years from the date of the first issuance of such note. The Authority may provide for the registration of bonds or notes in the name of the owner as to the principal alone or as to both principal and interest, upon such terms and conditions as the Authority may determine. The ordinance authorizing bonds or notes may provide for the exchange of such bonds or notes which are fully registered, as to both principal and interest, with bonds or notes which are registerable as to principal only. All bonds or notes issued under this Section by the Authority other than those issued in exchange for property or for bonds or notes of the Authority shall be sold at a price which may be at a premium or discount but such that the interest cost (excluding any redemption premium) to the Authority of the proceeds of an issue of such bonds or notes, computed to stated maturity according to standard tables of bond values, shall not exceed that permitted in the Bond Authorization Act. The Authority shall notify the Governor's Office of Management and Budget and the State Comptroller at least 30 days before any bond

sale and shall file with the Governor's Office of Management and Budget and the State Comptroller a certified copy of any ordinance authorizing the issuance of bonds at or before the issuance of the bonds. After December 31, 1994, any such bonds or notes shall be sold to the highest and best bidder on sealed bids as the Authority shall deem. As such bonds or notes are to be sold the Authority shall advertise for proposals to purchase the bonds or notes which advertisement shall be published at least once in a daily newspaper of general circulation published in the metropolitan region at least 10 days before the time set for the submission of bids. The Authority shall have the right to reject any or all bids. Notwithstanding any other provisions of this Section, Working Cash Notes or bonds or notes to provide funds for self-insurance or a joint self-insurance pool or entity may be sold either upon competitive bidding or by negotiated sale (without any requirement of publication of intention to negotiate the sale of such Notes), as the Board shall determine by ordinance adopted with the affirmative votes of at least 9 Directors. In case any officer whose signature appears on any bonds, notes or coupons authorized pursuant to this Section shall cease to be such officer before delivery of such bonds or notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such delivery. Neither the Directors of the Authority nor any person executing any bonds or notes thereof shall be liable personally on any such bonds or notes or coupons by reason of the issuance thereof.

(c) All bonds or notes of the Authority issued pursuant to this Section shall be general obligations of the Authority to which shall be pledged the full faith and credit of the Authority, as provided in this Section. Such bonds or notes shall be secured as provided in the authorizing ordinance, which may, notwithstanding any other provision of this Act, include in addition to any other security, a specific pledge or assignment of and lien on or security interest in any or all tax receipts of the Authority and on any or all other revenues or moneys of the Authority from whatever source, which may by law be utilized for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by the ordinance of the Authority authorizing the issuance of such bonds or notes. Any such pledge, assignment, lien or security interest for the benefit of holders of bonds or notes of the Authority shall be valid and binding from the time the bonds or notes are issued without any physical delivery or further act and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Authority or any other person irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest. The obligations of the Authority incurred pursuant to this Section shall be superior to and have priority over any other obligations of the Authority.

The Authority may provide in the ordinance authorizing the issuance of any bonds or notes issued pursuant to this Section for the creation of, deposits in, and regulation and disposition of sinking fund or reserve accounts relating to such bonds or notes. The ordinance authorizing the issuance of any bonds or notes pursuant to this Section may contain provisions as part of the contract with the holders of the bonds or notes, for the creation of a separate fund to provide for the payment of principal and interest on such bonds or notes and for the deposit in such fund from any or all the tax receipts of the Authority and from any or all such other moneys or revenues of the Authority from whatever source which may by law be utilized for debt service purposes, all as provided in such ordinance, of amounts to meet the debt service requirements on such bonds or notes, including principal and interest, and any sinking fund or reserve fund account requirements as may be provided by such ordinance, and all expenses incident to or in connection with such fund and accounts or the payment of such bonds or notes. Such ordinance may also provide limitations on the issuance of additional bonds or notes of the Authority. No such bonds or notes of the Authority shall constitute a debt of the State of Illinois. Nothing in this Act shall be construed to enable the Authority to impose any ad valorem tax on property.

(d) The ordinance of the Authority authorizing the issuance of any bonds or notes may provide additional security for such bonds or notes by providing for appointment of a corporate trustee (which may be any trust company or bank having the powers of a trust company within the state) with respect to such bonds or notes. The ordinance shall prescribe the rights, duties and powers of the trustee to be exercised for the benefit of the Authority and the protection of the holders of such bonds or notes. The ordinance may provide for the trustee to hold in trust, invest and use amounts in funds and accounts created as provided by the ordinance with respect to the bonds or notes. The ordinance may provide for the assignment and direct payment to the trustee of any or all amounts produced from the sources provided in Section 4.03 and Section 4.09 of this Act and provided in Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended. Upon receipt of notice of any such assignment, the Department of Revenue and the Comptroller of the State of Illinois shall thereafter, notwithstanding the provisions of Section 4.03 and Section 4.09 of this Act and Section 6z-17 of "An Act in relation to State finance", approved June 10, 1919, as amended, provide for such assigned amounts to be paid directly to the trustee instead of the Authority,

all in accordance with the terms of the ordinance making the assignment. The ordinance shall provide that amounts so paid to the trustee which are not required to be deposited, held or invested in funds and accounts created by the ordinance with respect to bonds or notes or used for paying bonds or notes to be paid by the trustee to the Authority.

(e) Any bonds or notes of the Authority issued pursuant to this Section shall constitute a contract between the Authority and the holders from time to time of such bonds or notes. In issuing any bond or note, the Authority may include in the ordinance authorizing such issue a covenant as part of the contract with the holders of the bonds or notes, that as long as such obligations are outstanding, it shall make such deposits, as provided in paragraph (c) of this Section. It may also so covenant that it shall impose and continue to impose taxes, as provided in Section 4.03 of this Act and in addition thereto as subsequently authorized by law, sufficient to make such deposits and pay the principal and interest and to meet other debt service requirements of such bonds or notes as they become due. A certified copy of the ordinance authorizing the issuance of any such obligations shall be filed at or prior to the issuance of such obligations with the Comptroller of the State of Illinois and the Illinois Department of Revenue.

(f) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. (70 ILCS 3615/4.11) (from Ch. 111 2/3, par. 704.11)

Sec. 4.11. Budget Review Powers.

(a) Based upon estimates which shall be given to the Authority by the Director of the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the receipts to be received by the Authority from the taxes imposed by the Authority and the authorized estimates of amounts to be available from State and other sources to the Service Boards, and the times at which such receipts and amounts will be available, the Board shall, not later than the next preceding September 15th prior to the beginning of the Authority's next fiscal year, advise each Service Board of the amounts estimated by the Board to be available for such Service Board during such fiscal year and the two following fiscal years and the times at which such amounts will be available. The Board shall also advise the Service Boards of the estimated operating deficit of the Suburban Bus Board in the provision of ADA paratransit service during the next fiscal year, and the amount estimated to be deposited into the ADA Paratransit Fund during that fiscal year under Section 4.03.3. The Board shall, at the same time, also advise each Service Board of its required system generated revenues recovery ratio for the next fiscal year which shall be the percentage of the aggregate costs of providing public transportation by or under jurisdiction of that Service Board which must be recovered from system generated revenues. The Board shall, at the same time, beginning with the 2007 fiscal year, also advise each Service Board that provides ADA paratransit services of its required system generated ADA paratransit services revenue recovery ratio for the next fiscal year which shall be the percentage of the aggregate costs of providing ADA paratransit services by or under jurisdiction of that Service Board which must be recovered from fares charged for such services, except that such required system generated ADA paratransit services revenue recovery ratio shall not exceed the minimum percentage established pursuant to Section 4.01(b)(ii) of this Act. In determining a Service Board's system generated revenue recovery ratio, the Board shall consider the historical system generated revenues recovery ratio for the services subject to the jurisdiction of that Service Board. The Board shall not increase a Service Board's system generated revenues recovery ratio for the next fiscal year over such ratio for the current fiscal year disproportionately or prejudicially to increases in such ratios for other Service Boards. The Board may, by ordinance, provide that (i) the cost of research and development projects in the fiscal year beginning January 1, 1986 and ending December 31, 1986 conducted pursuant to Section 2.09 of this Act, (ii) the costs for passenger security, and (iii) expenditures of amounts granted to a Service Board from the Innovation, Coordination, and Enhancement Fund for operating purposes may be exempted from the farebox recovery ratio or the system generated revenues recovery ratio of the Chicago Transit Authority, the Suburban Bus Board, and the Commuter Rail Board, or any of them. During fiscal years 2008 through 2012, the Board may also allocate the exemption of \$200,000,000 and the reducing amounts of costs provided by this amendatory Act of the 95th General Assembly from the farebox recovery ratio or system generated revenues recovery ratio of each Service Board.

(b)(1) Not later than the next preceding November 15 prior to the commencement of such fiscal year, each Service Board shall submit to the Authority its proposed budget for such fiscal year and its proposed financial plan for the two following fiscal years. Such budget and financial plan shall (i) be prepared in the format, follow the financial and budgetary practices, and be based on any assumptions and projections required by the Authority and (ii) not project or assume a receipt of revenues from the Authority in amounts greater than those set forth in the estimates provided by the Authority pursuant to subsection (a) of this Section and, for ADA paratransit service, the budget and financial plan of the Suburban Bus Board shall not project or assume a receipt of revenues from the Authority in amounts greater than the operating deficit estimated by the Board.

(2) The Board shall review the proposed budget and two-year financial plan submitted by each Service Board. The Board shall approve the budget and two-year financial plan of a Service Board if:

- (i) such budget and plan show a balance between (A) anticipated revenues from all sources including operating subsidies and (B) the costs of providing the services specified and of funding any operating deficits or encumbrances incurred in prior periods, including provision for payment when due of principal and interest on outstanding indebtedness;
- (ii) such budget and plan show cash balances including the proceeds of any anticipated cash flow borrowing sufficient to pay with reasonable promptness all costs and expenses as incurred;
- (iii) such budget and plan provide for a level of fares or charges and operating or administrative costs for the public transportation provided by or subject to the jurisdiction of such Service Board sufficient to allow the Service Board to meet its required system generated revenue recovery ratio and, beginning with the 2007 fiscal year, system generated ADA paratransit services revenue recovery ratio;
- (iv) such budget and plan are based upon and employ assumptions and projections which are reasonable and prudent;
- (v) such budget and plan have been prepared in accordance with sound financial practices as determined by the Board;
- (vi) such budget and plan meet such other financial, budgetary, or fiscal requirements that the Board may by rule or regulation establish; and
- (vii) such budget and plan are consistent with the goals and objectives adopted by the Authority in the Strategic Plan.

(3) (Blank).

(4) Unless the Board by an affirmative vote of 12 of the then Directors determines that the budget and financial plan of a Service Board meets the criteria specified in clauses (i) through (vii) of subparagraph (2) of this paragraph (b), the Board shall withhold from that Service Board 25% of the cash proceeds of taxes imposed by the Authority under Section 4.03 and Section 4.03.1 and received after February 1 and 25% of the amounts transferred to the Authority from the Public Transportation Fund under Section 4.09(a) (but not including Section 4.09(a)(3)(iv)) after February 1 that the Board has estimated to be available to that Service Board under Section 4.11(a). Such funding shall be released to the Service Board only upon approval of a budget and financial plan under this Section or adoption of a budget and financial plan on behalf of the Service Board by the Authority.

(5) If the Board has not found that the budget and financial plan of a Service Board meets the criteria specified in clauses (i) through (vii) of subparagraph (2) of this paragraph (b), the Board, by the affirmative vote of at least 12 of its then Directors, shall adopt a budget and financial plan meeting such criteria for that Service Board.

(c)(1) If the Board shall at any time have received a revised estimate, or revises any estimate the Board has made, pursuant to this Section of the receipts to be collected by the Authority which, in the judgment of the Board, requires a change in the estimates on which the budget of any Service Board is based, the Board shall advise the affected Service Board of such revised estimates, and such Service Board shall within 30 days after receipt of such advice submit a revised budget incorporating such revised estimates. If the revised estimates require, in the judgment of the Board, that the system generated revenues recovery ratio of one or more Service Boards be revised in order to allow the Authority to meet its required ratio, the Board shall advise any such Service Board of its revised ratio and such Service Board shall within 30 days after receipt of such advice submit a revised budget incorporating such revised estimates or ratio.

(2) Each Service Board shall, within such period after the end of each fiscal quarter as shall be specified by the Board, report to the Authority its financial condition and results of operations and the financial condition and results of operations of the public transportation services subject to its jurisdiction, as at the end of and for such quarter. If in the judgment of the Board such condition and results are not substantially

in accordance with such Service Board's budget for such period, the Board shall so advise such Service Board and such Service Board shall within the period specified by the Board submit a revised budget incorporating such results.

(2-5) If the Executive Director, at any time after reviewing the financial condition and results of operations of ADA paratransit services, revises the estimate of the operating deficit in the provision of ADA paratransit service and determines that amounts on deposit in the ADA Paratransit Fund and other resources are inadequate to fund that revised operating deficit, then, unless such determination is rejected by a vote of 12 of the members of the Board, the Board shall authorize the issuance of Working Cash Notes to fund that operating deficit.

(3) If the Board shall determine that a revised budget submitted by a Service Board pursuant to subparagraph (1) or (2) of this paragraph (c) does not meet the criteria specified in clauses (i) through (vii) of subparagraph (2) of paragraph (b) of this Section, the Board shall withhold from that Service Board 25% of the cash proceeds of taxes imposed by the Authority under Section 4.03 or 4.03.1 and received by the Authority after February 1 and 25% of the amounts transferred to the Authority from the Public Transportation Fund under Section 4.09(a) (but not including Section 4.09(a)(3)(iv)) after February 1 that the Board has estimated to be available to that Service Board under Section 4.11(a). If the Service Board submits a revised financial plan and budget which plan and budget shows that the criteria will be met within a four quarter period, the Board shall release any such withheld funds to the Service Board. The Board by the affirmative vote of at least 12 of its then Directors may require a Service Board to submit a revised financial plan and budget which shows that the criteria will be met in a time period less than four quarters.

(d) All budgets and financial plans, financial statements, audits and other information presented to the Authority pursuant to this Section or which may be required by the Board to permit it to monitor compliance with the provisions of this Section shall be prepared and presented in such manner and frequency and in such detail as shall have been prescribed by the Board, shall be prepared on both an accrual and cash flow basis as specified by the Board, shall present such information as the Authority shall prescribe that fairly presents the condition of any pension plan or trust for health care benefits with respect to retirees established by the Service Board and describes the plans of the Service Board to meet the requirements of Sections 4.02a and 4.02b, and shall identify and describe the assumptions and projections employed in the preparation thereof to the extent required by the Board. If the Executive Director certifies that a Service Board has not presented its budget and two-year financial plan in conformity with the rules adopted by the Authority under the provisions of Section 4.01(f) and this subsection (d), and such certification is accepted by the affirmative vote of at least 12 of the then Directors of the Authority, the Authority shall not distribute to that Service Board any funds for operating purposes in excess of the amounts distributed for such purposes to the Service Board in the previous fiscal year. Except when the Board adopts a budget and a financial plan for a Service Board under paragraph (b)(5), a Service Board shall provide for such levels of transportation services and fares or charges therefor as it deems appropriate and necessary in the preparation of a budget and financial plan meeting the criteria set forth in clauses (i) through (vii) of subparagraph (2) of paragraph (b) of this Section. The Authority shall have access to and the right to examine and copy all books, documents, papers, records, or other source data of a Service Board relevant to any information submitted pursuant to this Section.

(e) Whenever this Section requires the Board to make determinations with respect to estimates, budgets or financial plans, or rules or regulations with respect thereto such determinations shall be made upon the affirmative vote of at least 12 of the then Directors and shall be incorporated in a written report of the Board and such report shall be submitted within 10 days after such determinations are made to the Governor, the Mayor of Chicago (if such determinations relate to the Chicago Transit Authority), and the Auditor General of Illinois.

Floor Amendment No. 3 remained in the Committee on Rules.

Representative Nekritz offered the following amendment and moved its adoption:

AMENDMENT NO. 4. Amend Senate Bill 941, AS AMENDED, by replacing everything after the

enacting clause with the following:

"Section 5. The Department of Transportation Law of the Civil Administrative Code of Illinois is amended by changing Section 2705-305 as follows:

(20 ILCS 2705/2705-305)

Sec. 2705-305. Grants for mass transportation.

(a) For the purpose of mass transportation grants and contracts, the following definitions apply:

"Carrier" means any corporation, authority, partnership, association, person, or district authorized to provide mass transportation within the State.

"District" means all of the following:

- (i) Any district created pursuant to the Local Mass Transit District Act.
- (ii) The Authority created pursuant to the Metropolitan Transit Authority Act.
- (iii) Any authority, commission, or other entity that by virtue of an interstate compact approved by Congress is authorized to provide mass transportation.
- (iv) The Authority created pursuant to the Regional Transportation Authority Act.

"Facilities" comprise all real and personal property used in or appurtenant to a mass transportation system, including parking lots.

"Mass transportation" means transportation provided within the State of Illinois by rail, bus, or other conveyance and available to the general public on a regular and continuing basis, including the transportation of handicapped or elderly persons as provided more specifically in Section 2705-310.

"Unit of local government" means any city, village, incorporated town, or county.

(b) Grants may be made to units of local government, districts, and carriers for the acquisition, construction, extension, reconstruction, and improvement of mass transportation facilities. Grants shall be made upon the terms and conditions that in the judgment of the Secretary are necessary to ensure their proper and effective utilization.

(c) The Department shall make grants under this Law in a manner designed, so far as is consistent with the maintenance and development of a sound mass transportation system within the State, to: (i) maximize federal funds for the assistance of mass transportation in Illinois under the Federal Transit Act and other federal Acts; (ii) facilitate the movement of persons who because of age, economic circumstance, or physical infirmity are unable to drive; (iii) contribute to an improved environment through the reduction of air, water, and noise pollution; and (iv) reduce traffic congestion.

(d) The Secretary shall establish procedures for making application for mass transportation grants. The procedures shall provide for public notice of all applications and give reasonable opportunity for the submission of comments and objections by interested parties. The procedures shall be designed with a view to facilitating simultaneous application for a grant to the Department and to the federal government.

(e) Grants may be made for mass transportation projects as follows:

- (1) In an amount not to exceed 100% of the nonfederal share of projects for which a federal grant is made.
- (2) In an amount not to exceed 100% of the net project cost for projects for which a federal grant is not made.

(3) In an amount not to exceed five-sixths of the net project cost for projects essential for the maintenance of a sound transportation system and eligible for federal assistance for which a federal grant application has been made but a federal grant has been delayed. If and when a federal grant is made, the amount in excess of the nonfederal share shall be promptly returned to the Department.

In no event shall the Department make a grant that, together with any federal funds or funds from any other source, is in excess of 100% of the net project cost.

(f) Regardless of whether any funds are available under a federal grant, the Department shall not make a mass transportation grant unless the Secretary finds that the recipient has entered into an agreement with the Department in which the recipient agrees not to engage in school bus operations exclusively for the transportation of students and school personnel in competition with private school bus operators where those private school bus operators are able to provide adequate transportation, at reasonable rates, in conformance with applicable safety standards, provided that this requirement shall not apply to a recipient that operates a school system in the area to be served and operates a separate and exclusive school bus program for the school system.

(g) Grants may be made for mass transportation purposes with funds appropriated from the Build Illinois Bond Fund consistent with the specific purposes for which those funds are appropriated by the General Assembly. Grants under this subsection (g) are not subject to any limitations or conditions imposed upon

grants by any other provision of this Section, except that the Secretary may impose the terms and conditions that in his or her judgment are necessary to ensure the proper and effective utilization of the grants under this subsection.

(h) The Department may let contracts for mass transportation purposes and facilities for the purpose of reducing urban congestion funded in whole or in part with bonds described in subdivision (b)(1) of Section 4 of the General Obligation Bond Act, not to exceed \$75,000,000 in bonds.

(i) The Department may make grants to carriers, districts, and units of local government for the purpose of reimbursing them for providing reduced fares for mass transportation services for students, handicapped persons and the elderly. Grants shall be made upon the terms and conditions that in the judgment of the Secretary are necessary to ensure their proper and effective utilization.

(j) The Department may make grants to carriers, districts, and units of local government for costs of providing ADA paratransit service. Subject to appropriation, the Department shall make grants to the Regional Transportation Authority in the amount of \$8,500,000 in State fiscal year 2010 and in State fiscal year 2011 in the amount determined by the Regional Transportation Authority as the shortfall in the ADA Paratransit Fund for calendar year 2011, provided that the amount of the grant in 2011 shall not exceed \$10,000,000. These amounts granted to the Regional Transportation Authority shall be deposited into the ADA Paratransit Fund and used for payment to the Suburban Bus Board for the provision of ADA paratransit service.

Section 25. The Regional Transportation Authority Act is amended by changing Sections 2.01d, 2.04, 3A.15, and 3B.14 as follows:

(70 ILCS 3615/2.01d)

Sec. 2.01d. ADA Paratransit Fund. The Authority shall establish an ADA Paratransit Fund and, each year, deposit into that Fund the amounts directed by Section 4.03.3 of this Act and any funds received from the State pursuant to appropriations for the purpose of funding ADA paratransit services. The amounts on deposit in the Fund and interest and other earnings on those amounts shall be used by the Authority to make grants to the Suburban Bus Board for ADA paratransit services provided pursuant to plans approved by the Authority under Section 2.30 of this Act. Funds received by the Suburban Bus Board from the Authority's ADA Paratransit Fund shall be used only to provide ADA paratransit services to individuals who are determined to be eligible for such services by the Authority under the Americans with Disabilities Act of 1990 and its implementing regulations. The Authority shall advise the Illinois Department of Transportation of the projected shortfall and request a grant of \$8,500,000 in 2010 and the shortfall amount in 2011, however, that request shall not exceed \$10,000,000. If the Board, at any time after reviewing the financial condition and results of operations of ADA paratransit services under Section 4.11, determines that the shortfall in the ADA Paratransit Fund will exceed \$8,500,000 in 2010 or \$10,000,000 in 2011, and other actions authorized under Section 4.11 are inadequate to eliminate that revised shortfall, then the Board shall authorize the issuance of Working Cash Notes, subject to the provisions of Section 4.04 of this Act, to fund such shortfall to the extent that it exceeds these enumerated amounts. The Authority shall conduct triennial financial, compliance, and performance audits of ADA paratransit services to assist in this determination.

(70 ILCS 3615/2.04) (from Ch. 111 2/3, par. 702.04)

Sec. 2.04. Fares and Nature of Service.

(a) Whenever a Service Board provides any public transportation by operating public transportation facilities, the Service Board shall provide for the level and nature of fares or charges to be made for such services, and the nature and standards of public transportation to be so provided that meet the goals and objectives adopted by the Authority in the Strategic Plan. Provided, however that if the Board adopts a budget and financial plan for a Service Board in accordance with the provisions in Section 4.11(b)(5), the Board may consistent with the terms of any purchase of service contract provide for the level and nature of fares to be made for such services under the jurisdiction of that Service Board, and the nature and standards of public transportation to be so provided.

(b) Whenever a Service Board provides any public transportation pursuant to grants made after June 30, 1975, to transportation agencies for operating expenses (other than with regard to experimental programs) or pursuant to any purchase of service agreement, the purchase of service agreement or grant contract shall provide for the level and nature of fares or charges to be made for such services, and the nature and standards of public transportation to be so provided. A Service Board shall require all transportation agencies with which it contracts, or from which it purchases transportation services or to which it makes grants to provide half fare transportation for their student riders if any of such agencies provide for half fare transportation to their student riders.

(c) In so providing for the fares or charges and the nature and standards of public transportation, any purchase of service agreements or grant contracts shall provide, among other matters, for the terms or cost of transfers or interconnections between different modes of transportation and different public transportation agencies, schedules or routes of such service, changes which may be made in such service, the nature and condition of the facilities used in providing service, the manner of collection and disposition of fares or charges, the records and reports to be kept and made concerning such service, for interchangeable tickets or other coordinated or uniform methods of collection of charges, and shall further require that the transportation agency comply with any determination made by the Board of the Authority under and subject to the provisions of Section 2.12b of this Act. In regard to any such service, the Authority and the Service Boards shall give attention to and may undertake programs to promote use of public transportation and to provide coordinated ticket sales and passenger information. In the case of a grant to a transportation agency which remains subject to Illinois Commerce Commission supervision and regulation, the Service Boards shall exercise the powers set forth in this Section in a manner consistent with such supervision and regulation by the Illinois Commerce Commission.

(d) Except as otherwise provided in this amendatory act of the 96th General Assembly, no Service Board shall increase fares or charges for public transportation services provided in 2010 or 2011.

Section 99. Effective date. This Act takes effect upon becoming law."

The foregoing motion prevailed and the amendment was adopted.

There being no further amendment(s), the bill, as amended, was advanced to the order of Third Reading.

SENATE BILL 1514. Having been read by title a second time on October 14, 2009, and held on the order of Second Reading, the same was again taken up.

The following amendment was offered in the Committee on Executive, adopted and reproduced.

AMENDMENT NO. 1. Amend Senate Bill 1514 by replacing everything after the enacting clause with the following:

"Section 5. The Metropolitan Water Reclamation District Act is amended by changing Section 9.6a as follows:

(70 ILCS 2605/9.6a) (from Ch. 42, par. 328.6a)

Sec. 9.6a. The corporate authorities of a sanitary district, in order to provide funds required for the replacing, remodeling, completing, altering, constructing and enlarging of sewage treatment works, water quality improvement projects, or flood control facilities, and additions therefor, pumping stations, tunnels, conduits, intercepting sewers and outlet sewers, together with the equipment, including air pollution equipment, and appurtenances thereto, to acquire property, real, personal or mixed, necessary for said purposes, for costs and expenses for the acquisition of the sites and rights-of-way necessary thereto, and for engineering expenses for designing and supervising the construction of such works, may issue on or before December 31, 2016, in addition to all other obligations heretofore or herein authorized, bonds, notes or other evidences of indebtedness for such purposes in an aggregate amount at any one time outstanding not to exceed 3.35% of the equalized assessed valuation of all taxable property within the sanitary district, to be ascertained by the last assessment for State and local taxes previous to the issuance of any such obligations. Such obligations shall be issued without submitting the question of such issuance to the legal voters of such sanitary district for approval.

The corporate authorities may sell such obligations at private or public sale and enter into any contract or agreement necessary, appropriate or incidental to the exercise of the powers granted by this Act, including, without limitation, contracts or agreements for the sale and purchase of such obligations and the payment of costs and expenses incident thereto. The corporate authorities may pay such costs and expenses, in whole or in part, from the corporate fund.

Such obligations shall be issued from time to time only in amounts as may be required for such purposes but the amount of such obligations issued during any one budget year shall not exceed \$150,000,000 plus the amount of any obligations authorized by this Act to be issued during the 3 budget years next preceding the year of issuance but which were not issued, provided, however, that this limitation shall not be applicable (i) to the issuance of obligations to refund bonds, notes or other evidences of indebtedness, (ii) ~~nor~~ to obligations issued to provide for the repayment of money received from the Water Pollution Control Revolving Fund for the construction or repair of wastewater treatment works, and (iii) to obligations issued as part of the American Recovery and Reinvestment Act of 2009, issued prior to January 1, 2011, that are commonly known as "Build America Bonds" as authorized by Section 54AA of the Internal Revenue Code of 1986, as amended. Each ordinance authorizing the issuance of the obligations shall state the general purpose or purposes for which they are to be issued, and the corporate authorities may at any time thereafter pass supplemental appropriations ordinances appropriating the proceeds from the sale of such obligations for such purposes.

The corporate authorities may issue bonds, notes or other evidences of indebtedness in an amount necessary to provide funds to refund outstanding obligations issued pursuant to this Section, including interest accrued or to accrue thereon.

Section 99. Effective date. This Act takes effect upon becoming law."

Representative Burke offered the following amendment and moved its adoption:

AMENDMENT NO. 2. Amend Senate Bill 1514, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The General Obligation Bond Act is amended by changing Sections 8, 9, 14, and 15 as follows:

(30 ILCS 330/8) (from Ch. 127, par. 658)

Sec. 8. Bond sale expenses.

(a) An amount not to exceed 0.5 percent of the principal amount of the proceeds of sale of each bond sale is authorized to be used to pay the reasonable costs of issuance and sale, including, without limitation, underwriter's discounts and fees, but excluding bond insurance, of State of Illinois general obligation bonds authorized and sold pursuant to this Act, provided that no salaries of State employees or other State office operating expenses shall be paid out of non-appropriated proceeds, provided further that the percent shall be 1.0% for each sale of "Build America Bonds" or "Qualified School Construction Bonds" as defined in subsections (d) and (e) of Section 9, respectively. The Governor's Office of Management and Budget shall compile a summary of all costs of issuance on each sale (including both costs paid out of proceeds and those paid out of appropriated funds) and post that summary on its web site within 20 business days after the issuance of the Bonds. The summary shall include, as applicable, the respective percentages of participation and compensation of each underwriter that is a member of the underwriting syndicate, legal counsel, financial advisors, and other professionals for the bond issue and an identification of all costs of issuance paid to minority owned businesses, female owned businesses, and businesses owned by persons with disabilities. The terms "minority owned businesses", "female owned businesses", and "business owned by a person with a disability" have the meanings given to those terms in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. That posting shall be maintained on the web site for a period of at least 30 days. In addition, the Governor's Office of Management and Budget shall provide a written copy of each summary of costs to the Speaker and Minority Leader of the House of Representatives, the President and Minority Leader of the Senate, and the Commission on Government Forecasting and Accountability within 20 business days after each issuance of the Bonds. In addition, the Governor's Office of Management and Budget shall provide copies of all contracts under which any costs of issuance are paid or to be paid to the Commission on Government Forecasting and Accountability within 20 business days after the issuance of Bonds for which those costs are paid or to be paid. Instead of filing a second or subsequent copy of the same contract, the Governor's Office of Management and Budget may file a statement that specified costs are paid under specified contracts filed earlier with the Commission.

(b) The Director of the Governor's Office of Management and Budget shall not, in connection with the issuance of Bonds, contract with any underwriter, financial advisor, or attorney unless that underwriter, financial advisor, or attorney certifies that the underwriter, financial advisor, or attorney has not and will not pay a contingent fee, whether directly or indirectly, to a third party for having promoted the selection of the underwriter, financial advisor, or attorney for that contract. In the event that the Governor's Office of Management and Budget determines that an underwriter, financial advisor, or attorney has filed a false certification with respect to the payment of contingent fees, the Governor's Office of Management and Budget shall not contract with that underwriter, financial advisor, or attorney, or with any firm employing any person who signed false certifications, for a period of 2 calendar years, beginning with the date the determination is made. The validity of Bonds issued under such circumstances of violation pursuant to this Section shall not be affected.

(30 ILCS 330/9) (from Ch. 127, par. 659)

Sec. 9. Conditions for Issuance and Sale of Bonds - Requirements for Bonds.

(a) Except as otherwise provided in this subsection, Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided however, that interest payable at fixed or variable rates shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both

principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Bonds, other than Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology, (i) except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, or 2011, must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years. Bonds issued under Section 3 of this Act for the costs associated with the purchase and implementation of information technology must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring with the fiscal year in which the respective bonds are issued or with the next succeeding fiscal year, with the respective bonds issued maturing or subject to mandatory redemption each fiscal year thereafter up to 10 years. Notwithstanding any provision of this Act to the contrary, the Bonds authorized by Public Act 96-43 ~~this amendatory Act of the 96th General Assembly~~ shall be payable within 5 years from their date and must be issued with principal or mandatory redemption amounts in equal amounts, with payment of principal or mandatory redemption beginning in the first fiscal year following the fiscal year in which the Bonds are issued.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Variable Rate Bonds of such series to be remarketable from time to time at a price equal to their principal amount, and may provide for appointment of a bank, trust company, investment bank, or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities, or different call or amortization provisions will apply during such times as Variable Rate Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of this Section. The Bond Sale Order may also provide for such variable interest rates to be established pursuant to a process generally known as an auction rate process and may provide for appointment of one or more financial institutions to serve as auction agents and broker-dealers in connection with the establishment of such interest rates and the sale and remarketing of such Bonds.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts, or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Governor's Office of Management and Budget certifies that he or she reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate that the Bonds would bear in the absence of such arrangements.

The State may, with respect to Bonds issued or anticipated to be issued, participate in and enter into arrangements with respect to interest rate protection or exchange agreements, guarantees, or financial futures contracts for the purpose of limiting, reducing, or managing interest rate exposure. The authority granted under this paragraph, however, shall not increase the principal amount of Bonds authorized to be issued by law. The arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State. Net payments for such arrangements shall constitute interest on the Bonds and shall be paid from the General Obligation Bond Retirement and Interest Fund. The Director of the Governor's Office of Management and Budget shall at least annually certify to the Governor and the State Comptroller his or her estimate of the amounts of such net payments to be included in the calculation of interest required to be paid by the State.

(c) Prior to the issuance of any Variable Rate Bonds pursuant to subsection (a), the Director of the

Governor's Office of Management and Budget shall adopt an interest rate risk management policy providing that the amount of the State's variable rate exposure with respect to Bonds shall not exceed 20%. This policy shall remain in effect while any Bonds are outstanding and the issuance of Bonds shall be subject to the terms of such policy. The terms of this policy may be amended from time to time by the Director of the Governor's Office of Management and Budget but in no event shall any amendment cause the permitted level of the State's variable rate exposure with respect to Bonds to exceed 20%.

(d)"Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

(e) Notwithstanding any other provision of this Section, Qualified School Construction Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Qualified School Construction Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, and if the Qualified School Construction Bonds are issued with a supplemental coupon, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Qualified School Construction Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; except that interest payable at fixed or variable rates, if any, shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Qualified School Construction Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Qualified School Construction Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order. Qualified School Construction Bonds must be issued with principal or mandatory redemption amounts or sinking fund payments into the General Obligation Bond Retirement and Interest Fund (or subaccount therefor) in equal amounts, with the first maturity issued, mandatory redemption payment or sinking fund payment occurring within the fiscal year in which the Qualified School Construction Bonds are issued or within the next succeeding fiscal year, with Qualified School Construction Bonds issued maturing or subject to mandatory redemption or with sinking fund payments thereof deposited each fiscal year thereafter up to 25 years. Sinking fund payments set forth in this subsection shall be permitted only to the extent authorized in Section 54F of the Internal Revenue Code or as otherwise determined by the Director of the Governor's Office of Management and Budget. "Qualified School Construction Bonds" in this subsection means Bonds authorized by Section 54F of the Internal Revenue Code and for bonds issued from time to time to refund or continue to refund such "Qualified School Construction Bonds".

(30 ILCS 330/14) (from Ch. 127, par. 664)

Sec. 14. Repayment.

(a) To provide for the manner of repayment of Bonds, the Governor shall include an appropriation in each annual State Budget of monies in such amount as shall be necessary and sufficient, for the period covered by such budget, to pay the interest, as it shall accrue, on all Bonds issued under this Act, to pay and discharge the principal of such Bonds as shall, by their terms, fall due during such period, ~~and~~ to pay a premium, if any, on Bonds to be redeemed prior to the maturity date, and to pay sinking fund payments in connection with Qualified School Construction Bonds authorized by subsection (e) of Section 9. Amounts included in such appropriations for the payment of interest on variable rate bonds shall be the maximum amounts of interest that may be payable for the period covered by the budget, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for such period. Amounts included in such appropriations for the payment of interest shall include the amounts certified by the Director of the Governor's Office of Management and Budget under subsection (b) of Section 9 of this Act.

(b) A separate fund in the State Treasury called the "General Obligation Bond Retirement and Interest Fund" is hereby created.

(c) The General Assembly shall annually make appropriations to pay the principal of, interest on, and premium, if any, on Bonds sold under this Act from the General Obligation Bond Retirement and Interest Fund. Amounts included in such appropriations for the payment of interest on variable rate bonds shall be the maximum amounts of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to

be appropriated for such period. Amounts included in such appropriations for the payment of interest shall include the amounts certified by the Director of the Governor's Office of Management and Budget under subsection (b) of Section 9 of this Act.

If for any reason there are insufficient funds in either the General Revenue Fund or the Road Fund to make transfers to the General Obligation Bond Retirement and Interest Fund as required by Section 15 of this Act, or if for any reason the General Assembly fails to make appropriations sufficient to pay the principal of, interest on, and premium, if any, on the Bonds, as the same by their terms shall become due, this Act shall constitute an irrevocable and continuing appropriation of all amounts necessary for that purpose, and the irrevocable and continuing authority for and direction to the State Treasurer and the Comptroller to make the necessary transfers, as directed by the Governor, out of and disbursements from the revenues and funds of the State.

(d) If, because of insufficient funds in either the General Revenue Fund or the Road Fund, monies have been transferred to the General Obligation Bond Retirement and Interest Fund, as required by subsection (c) of this Section, this Act shall constitute the irrevocable and continuing authority for and direction to the State Treasurer and Comptroller to reimburse these funds of the State from the General Revenue Fund or the Road Fund, as appropriate, by transferring, at such times and in such amounts, as directed by the Governor, an amount to these funds equal to that transferred from them.

Sec. 15. Computation of Principal and Interest; transfers.

(a) Upon each delivery of Bonds authorized to be issued under this Act, the Comptroller shall compute and certify to the Treasurer the total amount of principal of, interest on, and premium, if any, on Bonds issued that will be payable in order to retire such Bonds, ~~and~~ the amount of principal of, interest on and premium, if any, on such Bonds that will be payable on each payment date according to the tenor of such Bonds during the then current and each succeeding fiscal year and the amount of sinking fund payments needed to be deposited in connection with Qualified School Construction Bonds authorized by subsection (e) of Section 9. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for such period pursuant to subsection (c) of Section 14 of this Act. With respect to the interest payable, such certifications shall include the amounts certified by the Director of the Governor's Office of Management and Budget under subsection (b) of Section 9 of this Act.

On or before the last day of each month the State Treasurer and Comptroller shall transfer from (1) the Road Fund with respect to Bonds issued under paragraph (a) of Section 4 of this Act or Bonds issued for the purpose of refunding such bonds, and from (2) the General Revenue Fund, with respect to all other Bonds issued under this Act, to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on Bonds payable, by their terms on the next payment date divided by the number of full calendar months between the date of such Bonds and the first such payment date, and thereafter, divided by the number of months between each succeeding payment date after the first. Such computations and transfers shall be made for each series of Bonds issued and delivered. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for such period pursuant to subsection (c) of Section 14 of this Act. Computations of interest shall include the amounts certified by the Director of the Governor's Office of Management and Budget under subsection (b) of Section 9 of this Act. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection. Notwithstanding any other provision in this Section, the transfer provisions provided in this paragraph shall not apply to transfers made in fiscal year 2010 with respect to Bonds issued in fiscal year 2010 pursuant to Section 7.2 of this Act. In the case of transfers made in fiscal year 2010 with respect to the Bonds issued in fiscal year 2010 pursuant to Section 7.2 of this Act, on or before the 15th day of the month prior to the required debt service payment, the State Treasurer and Comptroller shall transfer from the General Revenue Fund to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the Bonds payable in that next month.

The transfer of monies herein and above directed is not required if monies in the General Obligation Bond Retirement and Interest Fund are more than the amount otherwise to be transferred as herein above

provided, and if the Governor or his authorized representative notifies the State Treasurer and Comptroller of such fact in writing.

(b) After the effective date of this Act, the balance of, and monies directed to be included in the Capital Development Bond Retirement and Interest Fund, Anti-Pollution Bond Retirement and Interest Fund, Transportation Bond, Series A Retirement and Interest Fund, Transportation Bond, Series B Retirement and Interest Fund, and Coal Development Bond Retirement and Interest Fund shall be transferred to and deposited in the General Obligation Bond Retirement and Interest Fund. This Fund shall be used to make debt service payments on the State's general obligation Bonds heretofore issued which are now outstanding and payable from the Funds herein listed as well as on Bonds issued under this Act.

(c) The unused portion of federal funds received for a capital facilities project, as authorized by Section 3 of this Act, for which monies from the Capital Development Fund have been expended shall be deposited upon completion of the project in the General Obligation Bond Retirement and Interest Fund. Any federal funds received as reimbursement for the completed construction of a capital facilities project, as authorized by Section 3 of this Act, for which monies from the Capital Development Fund have been expended shall be deposited in the General Obligation Bond Retirement and Interest Fund.

Section 10. The Build Illinois Bond Act is amended by changing Sections 5 and 6 as follows:

(30 ILCS 425/5) (from Ch. 127, par. 2805)

Sec. 5. Bond Sale Expenses.

(a) An amount not to exceed 0.5% of the principal amount of the proceeds of the sale of each bond sale is authorized to be used to pay reasonable costs of each issuance and sale of Bonds authorized and sold pursuant to this Act, including, without limitation, underwriter's discounts and fees, but excluding bond insurance, advertising, printing, bond rating, travel of outside vendors, security, delivery, legal and financial advisory services, initial fees of trustees, registrars, paying agents and other fiduciaries, initial costs of credit or liquidity enhancement arrangements, initial fees of indexing and remarketing agents, and initial costs of interest rate swaps, guarantees or arrangements to limit interest rate risk, as determined in the related Bond Sale Order, from the proceeds of each Bond sale, provided that no salaries of State employees or other State office operating expenses shall be paid out of non-appropriated proceeds, and provided further that the percent shall be 1.0% for each sale of "Build America Bonds" as defined in subsection (c) of Section 6. The Governor's Office of Management and Budget shall compile a summary of all costs of issuance on each sale (including both costs paid out of proceeds and those paid out of appropriated funds) and post that summary on its web site within 20 business days after the issuance of the bonds. That posting shall be maintained on the web site for a period of at least 30 days. In addition, the Governor's Office of Management and Budget shall provide a written copy of each summary of costs to the Speaker and Minority Leader of the House of Representatives, the President and Minority Leader of the Senate, and the Commission on Government Forecasting and Accountability within 20 business days after each issuance of the bonds. This summary shall include, as applicable, the respective percentage of participation and compensation of each underwriter that is a member of the underwriting syndicate, legal counsel, financial advisors, and other professionals for the Bond issue, and an identification of all costs of issuance paid to minority owned businesses, female owned businesses, and businesses owned by persons with disabilities. The terms "minority owned businesses", "female owned businesses", and "business owned by a person with a disability" have the meanings given to those terms in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. In addition, the Governor's Office of Management and Budget shall provide copies of all contracts under which any costs of issuance are paid or to be paid to the Commission on Government Forecasting and Accountability within 20 business days after the issuance of Bonds for which those costs are paid or to be paid. Instead of filing a second or subsequent copy of the same contract, the Governor's Office of Management and Budget may file a statement that specified costs are paid under specified contracts filed earlier with the Commission.

(b) The Director of the Governor's Office of Management and Budget shall not, in connection with the issuance of Bonds, contract with any underwriter, financial advisor, or attorney unless that underwriter, financial advisor, or attorney certifies that the underwriter, financial advisor, or attorney has not and will not pay a contingent fee, whether directly or indirectly, to any third party for having promoted the selection of the underwriter, financial advisor, or attorney for that contract. In the event that the Governor's Office of Management and Budget determines that an underwriter, financial advisor, or attorney has filed a false certification with respect to the payment of contingent fees, the Governor's Office of Management and Budget shall not contract with that underwriter, financial advisor, or attorney, or with any firm employing

any person who signed false certifications, for a period of 2 calendar years, beginning with the date the determination is made. The validity of Bonds issued under such circumstances of violation pursuant to this Section shall not be affected.

(a) Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be payable only from the specific sources and secured in the manner provided in this Act. Bonds shall be in such form, in such denominations, mature on such dates within 25 years from their date of issuance, be subject to optional or mandatory redemption, bear interest payable at such times and at such rate or rates, fixed or variable, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in an order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided, however, that interest payable at fixed rates shall not exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as now or hereafter amended, and interest payable at variable rates shall not exceed the maximum rate permitted in the Bond Sale Order. Said Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal only or as to both principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or remarketing as fixed and determined in the Bond Sale Order. Bonds (i) except for refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, or 2011, must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years.

All Bonds authorized under this Act shall be issued pursuant to a master trust indenture ("Master Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, such Master Indenture to be in substantially the form approved in the Bond Sale Order authorizing the issuance and sale of the initial series of Bonds issued under this Act. Such initial series of Bonds may, and each subsequent series of Bonds shall, also be issued pursuant to a supplemental trust indenture ("Supplemental Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, each such Supplemental Indenture to be in substantially the form approved in the Bond Sale Order relating to such series. The Master Indenture and any Supplemental Indenture shall be entered into with a bank or trust company in the State of Illinois having trust powers and possessing capital and surplus of not less than \$100,000,000. Such indentures shall set forth the terms and conditions of the Bonds and provide for payment of and security for the Bonds, including the establishment and maintenance of debt service and reserve funds, and for other protections for holders of the Bonds. The term "reserve funds" as used in this Act shall include funds and accounts established under indentures to provide for the payment of principal of and premium and interest on Bonds, to provide for the purchase, retirement or defeasance of Bonds, to provide for fees of trustees, registrars, paying agents and other fiduciaries and to provide for payment of costs of and debt service payable in respect of credit or liquidity enhancement arrangements, interest rate swaps or guarantees or financial futures contracts and indexing and remarketing agents' services.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Bonds of such series to be remarketable from time to time at a price equal to their principal amount (or compound accreted value in the case of original issue discount Bonds), and may provide for appointment of indexing agents and a bank, trust company, investment bank or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may

provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities or different call or amortization provisions will apply during such times as Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of Section 6 of this Act.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Bureau of the Budget (now Governor's Office of Management and Budget) certifies that he reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate which the Bonds would bear in the absence of such arrangements. Any bonds, notes or other evidences of indebtedness issued pursuant to any such arrangements for the purpose of retiring and discharging outstanding Bonds shall constitute refunding Bonds under Section 15 of this Act. The State may participate in and enter into arrangements with respect to interest rate swaps or guarantees or financial futures contracts for the purpose of limiting or restricting interest rate risk; provided that such arrangements shall be made with or executed through banks having capital and surplus of not less than \$100,000,000 or insurance companies holding the highest policyholder rating accorded insurers by A.M. Best & Co. or any comparable rating service or government bond dealers reporting to, trading with, and recognized as primary dealers by a Federal Reserve Bank and having capital and surplus of not less than \$100,000,000, or other persons whose debt securities are rated in the highest long-term categories by both Moody's Investors' Services, Inc. and Standard & Poor's Corporation. Agreements incorporating any of the foregoing arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State in substantially the form approved in the Bond Sale Order relating to such Bonds.

(c) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

No district containing fewer than 3,000,000 inhabitants may incur indebtedness for the acquisition of land or lands for any purpose in excess of 55,000 acres, including all lands theretofore acquired, unless the proposition to issue bonds or otherwise incur indebtedness is first submitted to the voters of the district at a referendum in accordance with the general election law and approved by a majority of those voting upon the proposition. Before or at the time of issuing bonds, the board shall provide by ordinance for the collection of an annual tax sufficient to pay the interest on the bonds as it falls due, and to pay the bonds as they mature. All bonds issued by any forest preserve district must be divided into series, the first of which matures not later than 5 years after the date of issue and the last of which matures not later than 20 years after the date of issue, or for bonds issued prior to January 1, 2011, commonly known as "Build America Bonds" as authorized by Section 54AA of the Internal Revenue
