AMENDMENT NO. 1. Amend House Bill 5996 by replacing everything after the enacting clause with the following:

"Section 5. The Emergency Medical Services (EMS) Systems Act is amended by changing Section 3.20 as follows:

(210 ILCS 50/3.20)

Sec. 3.20. Emergency Medical Services (EMS) Systems.

(a) "Emergency Medical Services (EMS) System" means an organization of hospitals, vehicle service providers and personnel approved by the Department in a specific geographic area, which coordinates and provides pre-hospital and inter-hospital emergency care and non-emergency medical transports at a BLS, ILS and/or ALS level pursuant to a System program plan submitted to and approved by the Department, and pursuant to the EMS Region Plan adopted for the EMS Region in which the System is located.

(b) One hospital in each System program plan must be designated as the Resource Hospital. All other hospitals which are located within the geographic boundaries of a System and which have standby, basic or comprehensive level emergency departments must function in that EMS System as either an Associate Hospital or Participating Hospital and follow all System policies specified in the System Program Plan, including but not limited to the replacement of drugs and equipment used by providers who have delivered patients to their emergency departments. All hospitals and vehicle service providers participating in an EMS System must specify their level of participation in the System Program Plan.

(c) The Department shall have the authority and responsibility to:

(1) Approve BLS, ILS and ALS level EMS Systems which meet minimum standards and criteria established in rules adopted by the Department pursuant to this Act, including the submission of a Program Plan for Department approval. Beginning September 1, 1997, the Department shall approve the development of a new EMS System only when a local or regional need for establishing such System has been identified. This shall not be construed as a needs assessment for health planning or other purposes outside of this Act. Following Department approval, EMS Systems must be fully operational within one year from the date of approval.

(2) Monitor EMS Systems, based on minimum standards for continuing operation as prescribed in rules adopted by the Department pursuant to this Act, which shall include requirements for submitting Program Plan amendments to the Department for approval.

(3) Renew EMS System approvals every 4 years, after an inspection, based on compliance with the standards for continuing operation prescribed in rules adopted by the Department pursuant to this Act.

(4) Suspend, revoke, or refuse to renew approval of any EMS System, after providing an opportunity for a hearing, when findings show that it does not meet the minimum standards for continuing operation as prescribed by the Department, or is found to be in violation of its previously approved Program Plan.

(5) Require each EMS System to adopt written protocols for the bypassing of or diversion to any hospital, trauma center or regional trauma center, which provide that a person shall not be transported to a facility other than the nearest hospital, regional trauma center or trauma center unless the medical benefits to the patient reasonably expected from the provision of appropriate medical treatment at a more distant facility outweigh the increased risks to the patient from transport to the more distant facility, or the transport is in accordance with the System's protocols for patient choice or refusal.

(6) Require that the EMS Medical Director of an ILS or ALS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, and certified by the American Board of Emergency Medicine or the American Board of Osteopathic Emergency Medicine, and that the EMS Medical Director of a BLS level EMS System be a physician licensed to practice medicine in all of its branches in Illinois, with regular and frequent involvement in pre-hospital emergency medical services. In addition, all EMS Medical Directors shall:

(A) Have experience on an EMS vehicle at the highest level available within the System, or make provision to gain such experience within 12 months prior to the date responsibility for the System is assumed or within 90 days after assuming the position;

(B) Be thoroughly knowledgeable of all skills included in the scope of practices of all levels of EMS personnel within the System;

(C) Have or make provision to gain experience instructing students at a level similar to that of the levels of EMS personnel within the System; and

(D) For ILS and ALS EMS Medical Directors, successfully complete a Department-approved EMS Medical Director's Course.

(7) Prescribe statewide EMS data elements to be collected and documented by providers in all EMS Systems for all emergency and non-emergency medical services, with a one-year phase-in for commencing collection of such data elements.

(8) Define, through rules adopted pursuant to this Act, the terms "Resource Hospital", "Associate Hospital", "Participating Hospital", "Basic Emergency Department", "Standby Emergency Department", "Comprehensive Emergency Department", "EMS Medical Director", "EMS Administrative Director", and "EMS System Coordinator".

(A) Upon the effective date of this amendatory Act of 1995, all existing Project Medical Directors shall be considered EMS Medical Directors, and all persons serving in such capacities on the effective date of this amendatory Act of 1995 shall be exempt from the requirements of paragraph (7) of this subsection;

(B) Upon the effective date of this amendatory Act of 1995, all existing EMS System Project Directors shall be considered EMS Administrative Directors.

(9) Investigate the circumstances that caused a hospital in an EMS system to go on bypass status to determine whether that hospital's decision to go on bypass status was reasonable. The Department may impose sanctions, as set forth in Section 3.140 of the Act, upon a Department determination that the hospital unreasonably went on bypass status in violation of the Act.

(10) Evaluate the capacity and performance of any freestanding emergency center established under Section 32.5 of this Act in meeting emergency medical service needs of the public, including compliance with applicable emergency medical standards and assurance of the availability of and immediate access to the highest quality of medical care possible.

(11) Permit limited EMS System participation by facilities operated by the United States Department of Veterans Affairs, Veterans Health Administration. Subject to patient preference, Illinois EMS providers may transport patients to Veterans Health Administration facilities that voluntarily participate in an EMS System. Any Veterans Health Administration facility seeking limited participation in an EMS System shall agree to comply with all Department administrative rules implementing this Section. The Department may promulgate rules, including, but not limited to, the types of Veterans Health Administration facilities that may participate in an EMS System and the limitations of participation.

(40 ILCS 5/2-119.1) (from Ch. 108 1/2, par. 2-119.1)

Sec. 2-119.1. Automatic increase in retirement annuity.

(a) A participant who retires after June 30, 1967, and who has not received an initial increase under this Section before the effective date of this amendatory Act of 1991, shall, in January or July next following the first anniversary of retirement, whichever occurs first, and in the same month of each year thereafter, but in no event prior to age 60, have the amount of the originally granted retirement annuity increased as

follows: for each year through 1971, 1 1/2%; for each year from 1972 through 1979, 2%; and for 1980 and each year thereafter, 3%. Annuitants who have received an initial increase under this subsection prior to the effective date of this amendatory Act of 1991 shall continue to receive their annual increases in the same month as the initial increase.

(b) Beginning January 1, 1990, for eligible participants who remain in service after attaining 20 years of creditable service, the 3% increases provided under subsection (a) shall begin to accrue on the January 1 next following the date upon which the participant (1) attains age 55, or (2) attains 20 years of creditable service, whichever occurs later, and shall continue to accrue while the participant remains in service; such increases shall become payable on January 1 or July 1, whichever occurs first, next following the first anniversary of retirement. For any person who has service credit in the System for the entire period from January 15, 1969 through December 31, 1992, regardless of the date of termination of service, the reference to age 55 in clause (1) of this subsection (b) shall be deemed to mean age 50.

This subsection (b) does not apply to any person who first becomes a member of the System after the effective date of this amendatory Act of the 93rd General Assembly.

(b-5) Notwithstanding any other provision of this Article, a participant who first becomes a participant on or after July 1, 2010 shall, in January or July next following the first anniversary of retirement, whichever occurs first, and in the same month of each year thereafter, but in no event prior to age 67, have the amount of the retirement annuity then being paid increased by 3% or the annual change in the Consumer Price Index for All Urban Consumers, whichever is less.

(c) The foregoing provisions relating to automatic increases are not applicable to a participant who retires before having made contributions (at the rate prescribed in Section 2-126) for automatic increases for less than the equivalent of one full year. However, in order to be eligible for the automatic increases, such a participant may make arrangements to pay to the system the amount required to bring the total contributions for the automatic increase to the equivalent of one year's contributions based upon his or her last salary.

(d) A participant who terminated service prior to July 1, 1967, with at least 14 years of service is entitled to an increase in retirement annuity beginning January, 1976, and to additional increases in January of each year thereafter.

The initial increase shall be 1 1/2% of the originally granted retirement annuity multiplied by the number of full years that the annuitant was in receipt of such annuity prior to January 1, 1972, plus 2% of the originally granted retirement annuity for each year after that date. The subsequent annual increases shall be at the rate of 2% of the originally granted retirement annuity for each year through 1979 and at the rate of 3% for 1980 and thereafter.

(e) Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article.

(40 ILCS 5/2-121.1) (from Ch. 108 1/2, par. 2-121.1)

Sec. 2-121.1. Survivor's annuity - amount.

(a) A surviving spouse shall be entitled to 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, without regard to whether the participant had attained age 55 prior to his or her death, subject to a minimum payment of 10% of salary. If a surviving spouse, regardless of age, has in his or her care at the date of death any eligible child or children of the participant, the survivor's annuity shall be the greater of the following: (1) 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, or (2) 30% of the participant's salary increased by 10% of salary on account of each such child, subject to a total payment for the surviving spouse and children of 50% of salary. If eligible children survive but there is no surviving spouse, or if the surviving spouse dies or becomes disqualified by remarriage while eligible children survive, each eligible child shall be entitled to an annuity of 20% of salary, subject to a maximum total payment for all such children of 50% of salary.

However, the survivor's annuity payable under this Section shall not be less than 100% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, if he or she is survived by a dependent disabled child.

The salary to be used for determining these benefits shall be the salary used for determining the amount of retirement annuity as provided in Section 2-119.01.

(b) Upon the death of a participant after the termination of service or upon death of an annuitant, the maximum total payment to a surviving spouse and eligible children, or to eligible children alone if there is

no surviving spouse, shall be 75% of the retirement annuity to which the participant or annuitant was entitled, unless there is a dependent disabled child among the survivors.

(c) When a child ceases to be an eligible child, the annuity to that child, or to the surviving spouse on account of that child, shall thereupon cease, and the annuity payable to the surviving spouse or other eligible children shall be recalculated if necessary.

Upon the ineligibility of the last eligible child, the annuity shall immediately revert to the amount payable upon death of a participant or annuitant who leaves no eligible children. If the surviving spouse is then under age 50, the annuity as revised shall be deferred until the attainment of age 50.

(d) Beginning January 1, 1990, every survivor's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity, or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% of the current amount of the annuity, including any previous increases under this Article. Such increases shall apply without regard to whether the deceased member was in service on or after the effective date of this amendatory Act of 1991, but shall not accrue for any period prior to January 1, 1990.

(e) Notwithstanding any other provision of this Article, the initial survivor's annuity of a survivor of a participant who first becomes a participant on or after July 1, 2010 shall be in the amount of 66 2/3% of the amount of the retirement annuity to which the participant or annuitant was entitled on the date of death and shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% or the annual change in the Consumer Price Index for All Urban Consumers, whichever is less, of the survivor's annuity then being paid.

(e) Notwithstanding any other provision of this Article, beginning January 1, 1990, the minimum survivor's annuity payable to any person who is entitled to receive a survivor's annuity under this Article shall be \$300 per month, without regard to whether or not the deceased participant was in service on the effective date of this amendatory Act of 1989.

(f) In the case of a proportional survivor's annuity arising under the Retirement Systems Reciprocal Act where the amount payable by the System on January 1, 1993 is less than \$300 per month, the amount payable by the System shall be increased beginning on that date by a monthly amount equal to \$2 for each full year that has expired since the annuity began.

Sec. 18-124. Retirement annuities - conditions for eligibility.

(a) This subsection (a) applies to a participant who first serves as a judge before July 1, 2010.

A participant whose employment as a judge is terminated, regardless of age or cause is entitled to a retirement annuity beginning on the date specified in a written application subject to the following:

(1) the date the annuity begins is subsequent to the date of final termination of employment, or the date 30 days prior to the receipt of the application by the board for annuities based on disability, or one year before the receipt of the application by the board for annuities based on attained age;

(2) the participant is at least age 55, or has become permanently disabled and as a consequence is unable to perform the duties of his or her office;

(3) the participant has at least 10 years of service credit except that a participant terminating service after June 30 1975, with at least 6 years of service credit, shall be entitled to a retirement annuity at age 62 or over;

(4) the participant is not receiving or entitled to receive, at the date of retirement, any salary from an employer for service currently performed.

(b) This subsection (b) applies to a participant who first serves as a judge on or after July 1, 2010.

A participant who has at least 8 years of creditable service is entitled to a retirement annuity when he or she has attained age 67.

A member who has attained age 62 and has at least 8 years of service credit may elect to receive the lower retirement annuity provided in subsection (d) of Section 18-125 of this Code.

(Source: P.A. 83-1440.)

(40 ILCS 5/18-125) (from Ch. 108 1/2, par. 18-125)

Sec. 18-125. Retirement annuity amount.

(a) The annual retirement annuity for a participant who terminated service as a judge prior to July 1,

1971 shall be based on the law in effect at the time of termination of service.

(b) Except as provided in subsection (b-5), effective ~~Effective~~ July 1, 1971, the retirement annuity for any participant in service on or after such date shall be 3 1/2% of final average salary, as defined in this Section, for each of the first 10 years of service, and 5% of such final average salary for each year of service on excess of 10.

For purposes of this Section, final average salary for a participant who first serves as a judge before August 10, 2009 (the effective date of Public Act 96-207) ~~this amendatory Act of the 96th General Assembly~~ shall be:

(1) the average salary for the last 4 years of credited service as a judge for a participant who terminates service before July 1, 1975.

(2) for a participant who terminates service after June 30, 1975 and before July 1, 1982, the salary on the last day of employment as a judge.

(3) for any participant who terminates service after June 30, 1982 and before January 1, 1990, the average salary for the final year of service as a judge.

(4) for a participant who terminates service on or after January 1, 1990 but before the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge.

(5) for a participant who terminates service on or after the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge, or the highest salary received by the participant for employment as a judge in a position held by the participant for at least 4 consecutive years, whichever is greater.

However, in the case of a participant who elects to discontinue contributions as provided in subdivision (a)(2) of Section 18-133, the time of such election shall be considered the last day of employment in the determination of final average salary under this subsection.

For a participant who first serves as a judge on or after August 10, 2009 (the effective date of Public Act 96-207) and before July 1, 2010 ~~this amendatory Act of the 96th General Assembly~~, final average salary shall be the average monthly salary obtained by dividing the total salary of the participant during the period of: (1) the 48 consecutive months of service within the last 120 months of service in which the total compensation was the highest, or (2) the total period of service, if less than 48 months, by the number of months of service in that period.

The maximum retirement annuity for any participant shall be 85% of final average salary.

(b-5) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after July 1, 2010, the annual retirement annuity is 3% of the participant's final average salary for each year of service. The maximum retirement annuity payable shall be 60% of the participant's final average salary.

For a participant who first serves as a judge on or after July 1, 2010, final average salary shall be the average monthly salary obtained by dividing the total salary of the judge during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period; however, the final average salary may not exceed the Social Security Covered Wage Base for 2010, and shall automatically be increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index-u during the preceding 12-month calendar year. "Consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the Board.

(c) The retirement annuity for a participant who retires prior to age 60 with less than 28 years of service in the System shall be reduced 1/2 of 1% for each month that the participant's age is under 60 years at the time the annuity commences. However, for a participant who retires on or after the effective date of this amendatory Act of the 91st General Assembly, the percentage reduction in retirement annuity imposed under this subsection shall be reduced by 5/12 of 1% for every month of service in this System in excess of 20 years, and therefore a participant with at least 26 years of service in this System may retire at age 55 without any reduction in annuity.

The reduction in retirement annuity imposed by this subsection shall not apply in the case of retirement on account of disability.

(d) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after July 1, 2010 and who is retiring after attaining age 62, the retirement annuity shall be reduced by 1/2 of 1% for each month that the participant's age is under age 67 at the time of the annuity commences.

Sec. 18-125.1. Automatic increase in retirement annuity. A participant who retires from service after June 30, 1969, shall, in January of the year next following the year in which the first anniversary of retirement occurs, and in January of each year thereafter, have the amount of his or her originally granted retirement annuity increased as follows: for each year up to and including 1971, 1 1/2%; for each year from 1972 through 1979 inclusive, 2%; and for 1980 and each year thereafter, 3%.

Notwithstanding any other provision of this Article, a retirement annuity for a participant who first serves as a judge on or after July 1, 2010 shall be increased in January of the year next following the year in which the first anniversary of retirement occurs, and in January of each year thereafter, by an amount equal to 3% or the annual change in the Consumer Price Index for All Urban Consumers, whichever is less, of the retirement annuity then being paid.

This Section is not applicable to a participant who retires before he or she has made contributions at the rate prescribed in Section 18-133 for automatic increases for not less than the equivalent of one full year, unless such a participant arranges to pay the system the amount required to bring the total contributions for the automatic increase to the equivalent of one year's contribution based upon his or her last year's salary.

This Section is applicable to all participants in service after June 30, 1969 unless a participant has elected, prior to September 1, 1969, in a written direction filed with the board not to be subject to the provisions of this Section. Any participant in service on or after July 1, 1992 shall have the option of electing prior to April 1, 1993, in a written direction filed with the board, to be covered by the provisions of the 1969 amendatory Act. Such participant shall be required to make the aforesaid additional contributions with compound interest at 4% per annum.

Any participant who has become eligible to receive the maximum rate of annuity and who resumes service as a judge after receiving a retirement annuity under this Article shall have the amount of his or her retirement annuity increased by 3% of the originally granted annuity amount for each year of such resumed service, beginning in January of the year next following the date of such resumed service, upon subsequent termination of such resumed service.

Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article.

Continuing education hours may only apply to the 2-year period in which the hours were completed, except that the Department may allow a licensee whose license has lapsed due to the failure to meet the 23 credit hour requirement to apply continuing education hours that he or she completed after the lapse of his or her license to that previous 2-year period of licensure.

(b) The Department may request that the licensee submit to the Department a certificate of attendance as proof of completing any continuing education program or course that he or she has attended. The Department shall conduct a random audit of 10% of all licensees every 2 years for compliance with continuing education requirements and shall audit any licensee who is under investigation for alleged misconduct under the Act.

(c) Upon submitting a request to the Department, a licensee may receive a postponement or waiver of the continuing education requirement on the grounds of prolonged illness, disability, or extreme hardship. The Department shall consider each application individually on its merits, and the Department may grant a postponement, partial waiver, or total waiver as deemed appropriate. The license of any renewal applicant who, prior to the date of the license renewal, applies to the Department for a postponement or waiver of the continuing education requirement shall be deemed to be in good standing until the Department has reached a final decision on his or her request.

(d) Any renewal applicant who served as a full-time, active member of any branch of the United States armed forces or the Illinois National Guard for at least 6 months during the 2-year period immediately prior to his or her license renewal date shall be exempt from the continuing education requirement for that 2-year period.

(e) The Department may grant an exemption from the requirements of this Section to a licensee who certifies to the Department that he or she has permanently retired from the active practice of clinical psychology. A licensee who has been granted such an exemption may not return to the active practice of clinical psychology unless he or she submits evidence satisfactory to the Department of having completed at least 23 credit hours of continuing education for each 2-year period for which the licensee was retired.

(f) The Department shall allow credit for any continuing education program or course that is sponsored or co-sponsored by a presenter that:

(1) is approved by the Committee for the Approval of Continuing Education of the American Psychological Association;

(2) is approved by the Accreditation Council of Continuing Medical Education, if deemed relevant to the professional practice of clinical psychology;

(3) is approved by a clinical psychologist licensing board of another state in which the licensee is also licensed as a clinical psychologist; or

(4) is approved by the Department or the Clinical Psychologists Licensing and Disciplinary Board.

(g) The Department shall grant credit for any continuing education program or course taught by distance learning, independent learning, self-study, or home study that:

(1) is approved by the Committee for the Approval of Continuing Education of the American Psychological Association;

(2) is approved by the Accreditation Council of Continuing Medical Education, if deemed relevant to the professional practice of clinical psychology;

(3) is approved by a clinical psychologist licensing board of another state in which the licensee is also licensed as a clinical psychologist; or

(4) is approved by the Department or the Clinical Psychologists Licensing and Disciplinary Board.

(h) The Department shall not grant more than 12 hours of credit in a 2-year period for any specific continuing education program or course. The Department shall not grant credit for any personal psychotherapy, service to a professional organization, research, workshop on personal growth or the business aspects of psychology, or any mentoring, teaching, or supervising of students.

(Section scheduled to be repealed on January 1, 2017)

Sec. 13. License renewal; restoration. The expiration date and renewal period for each license issued under this Act shall be set by rule. Every holder of a license under this Act may renew such license during the 90-day period immediately preceding the expiration date thereof upon payment of the required renewal fees.

A clinical psychologist who has permitted his or her license to expire or who has had his or her license on inactive status may have his or her license restored by (i) making application to the Department, (ii) and filing proof acceptable to the Department of his or her fitness to have his or her license restored, which may include including evidence certifying to active practice in another jurisdiction satisfactory to the Department or proof of completing 23 credit hours of continuing education during the 2-year period prior to application, and (iii) by paying the required restoration fee.

If the clinical psychologist has not maintained an active practice in another jurisdiction satisfactory to the Department, the Board shall determine, by an evaluation program established by rule, his or her fitness to resume active status and may require the clinical psychologist to complete a period of supervised professional experience and may require successful completion of an examination.

However, any clinical psychologist whose license expired while he or she was (1) in Federal Service on active duty with the Armed Forces of the United States, or the State Militia called into service or training, or (2) in training or education under the supervision of the United States preliminary to induction into the military service, may have his or her license renewed or restored without paying any lapsed renewal fees if within 2 years after honorable termination of such service, training, or education he or she furnishes the Department with satisfactory evidence to the effect that he or she has been so engaged and that his or her service, training, or education has been so terminated.

Unless the Department grants a postponement or waiver of the continuing education requirement pursuant to Section 10.5 of this Act, a licensee who fails to meet the continuing education requirements by the expiration date shall immediately cease and desist from practice.

HOUSE BILL 6359. Having been reproduced, was taken up and read by title a second time. Representative Sente offered the following amendment and moved its adoption:

AMENDMENT NO. 1. Amend House Bill 6359 by replacing everything after the enacting clause with the following:

"Section 5. The Retailers' Occupation Tax Act is amended by changing Section 2a as follows: (35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. It is unlawful for any person to engage in the business of selling tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a corporation, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated; and thereafter, he shall notify the Department by January 31 of the number of vending machines which such person was using in his business of selling tangible personal property at retail on the preceding December 31.

The Department may deny a certificate of registration to any applicant if the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant, is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer, of another retailer that is in default for moneys due under this Act.

The Department may require an Every applicant for a certificate of registration hereunder to shall, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The Department shall fix the amount of such security in each case, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or \$50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant

provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued to a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. A certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 120 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after the effective date of this amendatory Act of 1989. A certificate of registration issued less than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade

names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may ~~shall~~ be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities

which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

"Geologist Intern" means an individual enrolled with the Department who has knowledge of geology, mathematics, and the physical and life sciences, as defined in this Act, and has passed the examination on the fundamental theory and concepts of geology administered by the Department with the advice and consent of the Board.

"Geology" means the science that includes the treatment of the earth and its origin and history including, but not limited to, (i) the investigation of the earth's crust and interior and the solids and fluids, including all surface and underground waters, gases, and other materials that compose the earth as they may relate to geologic processes; (ii) the study of the natural agents, forces, and processes that cause changes in the earth; and (iii) the utilization of this knowledge of the earth and its solids, fluids, and gases, and their collective properties and processes, for the benefit of humankind.

"Person" or "individual" means a natural person.

"Practice of professional geology" means the performance of, or the offer to perform, the services of a geologist, including consultation, investigation, evaluation, planning, mapping, inspection of geologic work, and other services that require extensive knowledge of geologic laws, formulas, principles, practice, and methods of data interpretation.

A person shall be construed to practice or offer to practice professional geology, within the meaning and intent of this Act, if that person (i) by verbal claim, sign, advertisement, letterhead, card, or any other means, represents himself or herself to be a Licensed Professional Geologist ~~professional geologist~~ or through the use of some title implies that he or she is a Licensed Professional Geologist ~~professional geologist~~ or is licensed under this Act or (ii) holds himself or herself out as able to perform or does perform services or work defined in this Act as the practice of professional geology.

(a) If any person violates the provisions of this Act, the Director, in the name of the People of the State of Illinois, through the Attorney General or the State's Attorney of the county in which the violation is alleged to have occurred, may petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition, the court with appropriate jurisdiction may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. Sec. 90. Investigations; notice and hearing. The Department may investigate the actions of any applicant or of any person or persons rendering or offering to render geological services or any person holding or claiming to hold a license as a Licensed Professional Geologist ~~licensed professional geologist~~. The Department shall, before revoking, suspending, placing on probation, reprimanding, or taking any other disciplinary action under Section 80 of this Act, at least 30 days before the date set for the hearing, (i) notify the accused in writing of the charges made and the time and place for the hearing on the charges, (ii) direct him or her to file a written answer to the charges with the Board under oath within 20 days after the service on him or her of the notice, and (iii) inform the accused that, if he or she fails to answer, default will be taken against him or her or that his or her license may be suspended, revoked, placed on probationary status, or other disciplinary action taken with regard to the license, including limiting the scope, nature, or extent of his or her practice, as the Department may consider proper. At the time and place fixed in the notice, the Board shall proceed to hear the charges and the parties or their counsel shall be accorded ample opportunity to present any pertinent statements, testimony, evidence, and arguments. The Board may continue the hearing from time to time. In case the person, after receiving the notice, fails to file an answer, his or her license may, in the discretion of the Department, be suspended, revoked, placed on probationary status, or the Department may take whatever disciplinary action considered proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for that action under this Act. The Board shall specify the nature of any violations or failure to comply and shall make its recommendations to the Director. In making its recommendations for discipline, the Board shall endeavor to ensure that the severity of the discipline recommended is reasonably related to the severity of the violation.

The report of findings of fact, conclusions of law, and recommendation of the Board shall be the basis for the Department's order refusing to issue, restore, or renew a person's license to practice as a Licensed Professional Geologist, or otherwise disciplining a licensee.
