For any person who has service credit in the System for the entire period from January 15, 1969 through December 31, 1992, regardless of the date of termination of service, the reference to age 55 in clause (1) of this subsection (b) shall be deemed to mean age 50.

This subsection (b) does not apply to any person who first becomes a member of the System after the effective date of this amendatory Act of the 93rd General Assembly.

(b-5) Notwithstanding any other provision of this Article, a participant who first becomes a participant on or after January 1, 2011 (the effective date of Public Act 96-889) ~~this amendatory Act of the 96th General Assembly~~ shall, in January or July next following the first anniversary of retirement, whichever occurs first, and in the same month of each year thereafter, but in no event prior to age 67, have the amount of the retirement annuity then being paid increased by 3% or one-half the annual change in the Consumer Price Index for All Urban Consumers, whichever is less.

(c) The foregoing provisions relating to automatic increases are not applicable to a participant who

retires before having made contributions (at the rate prescribed in Section 2-126) for automatic increases for less than the equivalent of one full year. However, in order to be eligible for the automatic increases, such a participant may make arrangements to pay to the system the amount required to bring the total contributions for the automatic increase to the equivalent of one year's contributions based upon his or her last salary.

(d) A participant who terminated service prior to July 1, 1967, with at least 14 years of service is entitled to an increase in retirement annuity beginning January, 1976, and to additional increases in January of each year thereafter.

The initial increase shall be 1 1/2% of the originally granted retirement annuity multiplied by the number of full years that the annuitant was in receipt of such annuity prior to January 1, 1972, plus 2% of the originally granted retirement annuity for each year after that date. The subsequent annual increases shall be at the rate of 2% of the originally granted retirement annuity for each year through 1979 and at the rate of 3% for 1980 and thereafter.

(e) Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article.

Sec. 2-121.1. Survivor's annuity - amount.

(a) A surviving spouse shall be entitled to 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, without regard to whether the participant had attained age 55 prior to his or her death, subject to a minimum payment of 10% of salary. If a surviving spouse, regardless of age, has in his or her care at the date of death any eligible child or children of the participant, the survivor's annuity shall be the greater of the following: (1) 66 2/3% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, or (2) 30% of the participant's salary increased by 10% of salary on account of each such child, subject to a total payment for the surviving spouse and children of 50% of salary. If eligible children survive but there is no surviving spouse, or if the surviving spouse dies or becomes disqualified by remarriage while eligible children survive, each eligible child shall be entitled to an annuity of 20% of salary, subject to a maximum total payment for all such children of 50% of salary.

However, the survivor's annuity payable under this Section shall not be less than 100% of the amount of retirement annuity to which the participant or annuitant was entitled on the date of death, if he or she is survived by a dependent disabled child.

The salary to be used for determining these benefits shall be the salary used for determining the amount of retirement annuity as provided in Section 2-119.01.

(b) Upon the death of a participant after the termination of service or upon death of an annuitant, the maximum total payment to a surviving spouse and eligible children, or to eligible children alone if there is no surviving spouse, shall be 75% of the retirement annuity to which the participant or annuitant was entitled, unless there is a dependent disabled child among the survivors.

(c) When a child ceases to be an eligible child, the annuity to that child, or to the surviving spouse on account of that child, shall thereupon cease, and the annuity payable to the surviving spouse or other eligible children shall be recalculated if necessary.

Upon the ineligibility of the last eligible child, the annuity shall immediately revert to the amount payable upon death of a participant or annuitant who leaves no eligible children. If the surviving spouse is then under age 50, the annuity as revised shall be deferred until the attainment of age 50.

(d) Beginning January 1, 1990, every survivor's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity, or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% of the current amount of the annuity, including any previous increases under this Article. Such increases shall apply without regard to whether the deceased member was in service on or after the effective date of this amendatory Act of 1991, but shall not accrue for any period prior to January 1, 1990.

(d-5) Notwithstanding any other provision of this Article, the initial survivor's annuity of a survivor of a participant who first becomes a participant on or after January 1, 2011 (the effective date of Public Act 96-889) ~~this amendatory Act of the 96th General Assembly~~ shall be in the amount of 66 2/3% of the amount of the retirement annuity to which the participant or annuitant was entitled on the date of death and

shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% or one-half the annual change in the Consumer Price Index for All Urban Consumers, whichever is less, of the survivor's annuity then being paid.

(e) Notwithstanding any other provision of this Article, beginning January 1, 1990, the minimum survivor's annuity payable to any person who is entitled to receive a survivor's annuity under this Article shall be \$300 per month, without regard to whether or not the deceased participant was in service on the effective date of this amendatory Act of 1989.

(f) In the case of a proportional survivor's annuity arising under the Retirement Systems Reciprocal Act where the amount payable by the System on January 1, 1993 is less than \$300 per month, the amount payable by the System shall be increased beginning on that date by a monthly amount equal to \$2 for each full year that has expired since the annuity began.

Sec. 18-125. Retirement annuity amount.

(a) The annual retirement annuity for a participant who terminated service as a judge prior to July 1, 1971 shall be based on the law in effect at the time of termination of service.

(b) Except as provided in subsection (b-5), effective July 1, 1971, the retirement annuity for any participant in service on or after such date shall be 3 1/2% of final average salary, as defined in this Section, for each of the first 10 years of service, and 5% of such final average salary for each year of service on excess of 10.

For purposes of this Section, final average salary for a participant who first serves as a judge before August 10, 2009 (the effective date of Public Act 96-207) shall be:

(1) the average salary for the last 4 years of credited service as a judge for a participant who terminates service before July 1, 1975.

(2) for a participant who terminates service after June 30, 1975 and before July 1, 1982, the salary on the last day of employment as a judge.

(3) for any participant who terminates service after June 30, 1982 and before January 1, 1990, the average salary for the final year of service as a judge.

(4) for a participant who terminates service on or after January 1, 1990 but before the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge.

(5) for a participant who terminates service on or after the effective date of this amendatory Act of 1995, the salary on the last day of employment as a judge, or the highest salary received by the participant for employment as a judge in a position held by the participant for at least 4 consecutive years, whichever is greater.

However, in the case of a participant who elects to discontinue contributions as provided in subdivision (a)(2) of Section 18-133, the time of such election shall be considered the last day of employment in the determination of final average salary under this subsection.

For a participant who first serves as a judge on or after August 10, 2009 (the effective date of Public Act 96-207) and before January 1, 2011 (the effective date of Public Act 96-889) ~~this amendatory Act of the 96th General Assembly~~, final average salary shall be the average monthly salary obtained by dividing the total salary of the participant during the period of: (1) the 48 consecutive months of service within the last 120 months of service in which the total compensation was the highest, or (2) the total period of service, if less than 48 months, by the number of months of service in that period.

The maximum retirement annuity for any participant shall be 85% of final average salary.

(b-5) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after January 1, 2011 (the effective date of Public Act 96-889) ~~this amendatory Act of the 96th General Assembly~~, the annual retirement annuity is 3% of the participant's final average salary for each year of service. The maximum retirement annuity payable shall be 60% of the participant's final average salary.

For a participant who first serves as a judge on or after January 1, 2011 (the effective date of Public Act 96-889) ~~this amendatory Act of the 96th General Assembly~~, final average salary shall be the average monthly salary obtained by dividing the total salary of the judge during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period; however, the final average salary may not exceed the Social Security Covered Wage Base for 2010, as automatically increased by the lesser of 3% or one-half of the annual increase in the consumer price index-u during the preceding 12-month calendar year ~~and shall automatically be increased or decreased, as applicable, by a percentage equal to the percentage change in the consumer price index u during the preceding 12 month calendar year~~. "Consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the Board.

(c) The retirement annuity for a participant who retires prior to age 60 with less than 28 years of service in the System shall be reduced 1/2 of 1% for each month that the participant's age is under 60 years at the

time the annuity commences. However, for a participant who retires on or after the effective date of this amendatory Act of the 91st General Assembly, the percentage reduction in retirement annuity imposed under this subsection shall be reduced by 5/12 of 1% for every month of service in this System in excess of 20 years, and therefore a participant with at least 26 years of service in this System may retire at age 55 without any reduction in annuity.

The reduction in retirement annuity imposed by this subsection shall not apply in the case of retirement on account of disability.

(d) Notwithstanding any other provision of this Article, for a participant who first serves as a judge on or after the effective date of this amendatory Act of the 96th General Assembly and who is retiring after attaining age 62, the retirement annuity shall be reduced by 1/2 of 1% for each month that the participant's age is under age 67 at the time the annuity commences.

AMENDMENT NO. 2. Amend Senate Bill 3710, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The New Markets Development Program Act is amended by changing Sections 20 and 25 as follows:

(20 ILCS 663/20)

Sec. 20. Annual cap on credits. The Department shall limit the monetary amount of qualified equity investments permitted under this Act to a level necessary to limit tax credit use at no more than \$20,000,000 ~~\$10,000,000~~ of tax credits in any fiscal year. This limitation on qualified equity investments shall be based on the anticipated use of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

(Source: P.A. 95-1024, eff. 12-31-08.)

(20 ILCS 663/25)

Sec. 25. Certification of qualified equity investments.

(a) A qualified community development entity that seeks to have an equity investment or long-term debt security designated as a qualified equity investment and eligible for tax credits under this Section shall apply to the Department. The qualified community development entity must submit an application on a form that the Department provides that includes:

(1) The name, address, tax identification number of the entity, and evidence of the entity's certification as a qualified community development entity.

(2) A copy of the allocation agreement executed by the entity, or its controlling entity, and the Community Development Financial Institutions Fund.

(3) A certificate executed by an executive officer of the entity attesting that the allocation agreement remains in effect and has not been revoked or cancelled by the Community Development Financial Institutions Fund.

(4) A description of the proposed amount, structure, and purchaser of the equity investment or long-term debt security.

(5) The name and tax identification number of any taxpayer eligible to utilize tax credits earned as a result of the issuance of the qualified equity investment.

(6) Information regarding the proposed use of proceeds from the issuance of the qualified equity investment.

(7) A nonrefundable application fee of \$5,000. This fee shall be paid to the Department and shall be required of each application submitted.

(b) Within 30 days after receipt of a completed application containing the information necessary for the Department to certify a potential qualified equity investment, including the payment of the application fee, the Department shall grant or deny the application in full or in part. If the Department denies any part of the application, it shall inform the qualified community development entity of the grounds for the denial. If the qualified community development entity provides any additional information required by the Department or otherwise completes its application within 15 days of the notice of denial, the application shall be considered completed as of the original date of submission. If the qualified community development entity fails to provide the information or complete its application within the 15-day period, the application remains denied and must be resubmitted in full with a new submission date.

(c) If the application is deemed complete, the Department shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for tax credits under this Section, subject to the limitations contained in Section 20. The Department shall provide written notice of the certification to the qualified community development entity. The notice shall include the names of those taxpayers who are eligible to utilize the credits and their respective credit amounts. If the names of the taxpayers who are eligible to utilize the credits change due to a transfer of a qualified equity investment or a change in an allocation pursuant to Section 15, the qualified community development entity shall notify the Department of such change.

(d) The Department shall certify qualified equity investments in the order applications are received by the Department. Applications received on the same day shall be deemed to have been received simultaneously. For applications received on the same day and deemed complete, the Department shall certify, consistent with remaining tax credit capacity, qualified equity investments in proportionate percentages based upon the ratio of the amount of qualified equity investment requested in an application to the total amount of qualified equity investments requested in all applications received on the same day.

(e) Once the Department has certified qualified equity investments that, on a cumulative basis, are eligible for ~~\$20,000,000~~ \$10,000,000 in tax credits, the Department may not certify any more qualified equity investments. If a pending request cannot be fully certified, the Department shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial credit.

(f) Within 30 days after receiving notice of certification, the qualified community development entity shall issue the qualified equity investment and receive cash in the amount of the certified amount. The qualified community development entity must provide the Department with evidence of the receipt of the cash investment within 10 business days after receipt. If the qualified community development entity does not receive the cash investment and issue the qualified equity investment within 30 days following receipt of the certification notice, the certification shall lapse and the entity may not issue the qualified equity investment without reapplying to the Department for certification. A certification that lapses reverts back to the Department and may be reissued only in accordance with the application process outline in this Section 25.

Section 10. The Illinois Income Tax Act is amended by adding Section 220 as follows:

(35 ILCS 5/220 new)

Sec. 220. Angel investment credit.

(a) As used in this Section:

"Applicant" means a corporation, partnership, limited liability company, or a natural person that makes an investment in a qualified new business venture. The term "applicant" does not include a corporation, partnership, limited liability company, or a natural person who has a direct or indirect ownership interest of at least 51% in the profits, capital, or value of the investment or a related member.

"Claimant" means an applicant certified by the Department who files a claim for a credit under this Section.

"Department" means the Department of Commerce and Economic Opportunity.

"Qualified new business venture" means a business that is registered with the Department under this Section.

"Related member" means a person that, with respect to the investment, is any one of the following.

(1) An individual, if the individual and the members of the individual's family (as defined in Section 318 of the Internal Revenue Code) own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50% of the value of the outstanding profits, capital, stock, or other ownership interest in the applicant.

(2) A partnership, estate, or trust and any partner or beneficiary, if the partnership, estate, or trust and its partners or beneficiaries own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50% of the profits, capital, stock, or other ownership interest in the applicant.

(3) A corporation, and any party related to the corporation in a manner that would require an attribution of stock from the corporation under the attribution rules of Section 318 of the Internal Revenue Code, if the applicant and any other related member own, in the aggregate, directly, indirectly, beneficially, or constructively, at least 50% of the value of the corporation's outstanding stock.

(4) A corporation and any party related to that corporation in a manner that would require an attribution of stock from the corporation to the party or from the party to the corporation under the attribution rules of Section 318 of the Internal Revenue Code, if the corporation and all such related parties own, in the aggregate, at least 50% of the profits, capital, stock, or other ownership interest in the applicant.

(5) A person to or from whom there is attribution of stock ownership in accordance with Section 1563(e) of the Internal Revenue Code, except that for purposes of determining whether a person is a related member under this paragraph, "20%" shall be substituted for "5%" whenever "5%" appears in Section 1563(e) of the Internal Revenue Code.

(b) For taxable years beginning after December 31, 2010, and ending on or before December 31, 2016, subject to the limitations provided in this Section, a claimant may claim, as a credit against the tax imposed under subsections (a) and (b) of Section 201 of this Act, an amount equal to 25% of the claimant's investment made directly in a qualified new business venture. The credit under this Section may not exceed the taxpayer's Illinois income tax liability for the taxable year. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one tax year that are available to offset a liability, the earlier credit shall be applied first. In the case of a partnership or Subchapter S Corporation, the credit is allowed to the partners or shareholders in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

(c) The maximum amount of an applicant's investment that may be used as the basis for a credit under this Section is \$2,000,000 for each investment made directly in a qualified new business venture.

(d) The Department shall implement a program to certify an applicant for an angel investment credit. Upon satisfactory review, the Department shall issue a tax credit certificate stating the amount of the tax credit to which the applicant is entitled. The Department shall annually certify that the claimant's investment has been made and remains in the qualified new business venture for no less than 3 years. If an investment for which a claimant is allowed a credit under subsection (b) is held by the claimant for less than 3 years, or, if within that period of time the qualified new business venture is moved from the State of Illinois, the claimant shall pay to the Department of Revenue, in the manner prescribed by the Department of Revenue, the amount of the credit that the claimant received related to the investment.

(e) The Department shall implement a program to register qualified new business ventures for purposes of this Section. A business desiring registration shall submit an application to the Department in each

taxable year for which the business desires registration. The Department may register the business only if the business satisfies all of the following conditions:

(1) it has its headquarters in this State;

(2) at least 51% of the employees employed by the business are employed in this State;

(3) it has the potential for increasing jobs in this State, increasing capital investment in this State, or both, and either of the following apply:

(A) it is principally engaged in innovation in any of the following: manufacturing; biotechnology; nanotechnology; communications; agricultural sciences; clean energy creation or storage technology; processing or assembling products, including medical devices, pharmaceuticals, computer software, computer hardware, semiconductors, other innovative technology products, or other products that are produced using manufacturing methods that are enabled by applying proprietary technology; or providing services that are enabled by applying proprietary technology; or

(4) it is not principally engaged in real estate development, insurance, banking, lending, lobbying, political consulting, professional services provided by attorneys, accountants, business consultants, physicians, or health care consultants, wholesale or retail trade, leisure, hospitality, transportation, or construction, except construction of power production plants that derive energy from a renewable energy resource, as defined in Section 1 of the Illinois Power Agency Act;

(5) it has fewer than 100 employees;

(6) it has been in operation in Illinois for not more than 10 consecutive years prior to the year of certification; and

(7) it has received not more than (i) \$10,000,000 in aggregate private equity investment in cash or (ii) \$4,000,000 in investments that qualified for tax credits under this Section.

(f) The Department, in consultation with the Department of Revenue, shall adopt rules to administer this Section. The aggregate amount of the tax credits that may be claimed under this Section for investments made in qualified new business ventures shall be limited at \$10,000,000 per calendar year.

(g) A claimant may not sell or otherwise transfer a credit awarded under this Section to another person.

(h) On or before March 1 of each year, the Department shall report to the Governor and to the General Assembly on the tax credit certificates awarded under this Section for the prior calendar year.

(1) This report must include, for each tax credit certificate awarded:

(A) the name of the claimant and the amount of credit awarded or allocated to that claimant;

(B) the name and address of the qualified new business venture that received the investment giving rise to the credit and the county in which the qualified new business venture is located; and

SENATE BILL ON SECOND READING

SENATE BILL 3215. Having been recalled on April 29, 2010, and held on the order of Second Reading, the same was again taken up.

Representative Madigan offered and withdrew Amendment No. 1.

Representative Madigan offered the following amendment and moved its adoption.

AMENDMENT NO. 2. Amend Senate Bill 3215 by replacing everything after the enacting clause with the following:

"Section 5. If and only if Senate Bill 28 (as enrolled) of the 96th General Assembly becomes law, the Metropolitan Pier and Exposition Authority Act is amended by changing Sections 5.4, 5.6, 14.2, 14.5, and 25.4 as follows:

(70 ILCS 210/5.4)

Sec. 5.4. Exhibitor rights and work rule reforms.

(a) Legislative findings.

(1) The Authority is a political subdivision of the State of Illinois subject to the plenary authority of the General Assembly and was created for the benefit of the general public to promote business, industry, commerce, and tourism within the City of Chicago and the State of Illinois.

(2) The Authority owns and operates McCormick Place and Navy Pier, which have collectively 2.8 million square feet of exhibit hall space, 700,000 square feet of meeting room space.

(3) The Authority is a vital economic engine that annually generates 65,000 jobs and \$8 billion of economic activity for the State of Illinois through the trade shows, conventions, and other meetings held and attended at McCormick Place and Navy Pier.

(4) The Authority supports the operation of McCormick Place and Navy Pier through not only fees on the rental of exhibit and meeting room space, electrical and utility service, food and beverage services, and parking, but also hotel room rates paid by persons staying at the Authority-owned hotel.

(5) The Authority has a compelling and proprietary interest in the success, competitiveness, and continued viability of McCormick Place and Navy Pier as the owner and operator of the convention facilities and its obligation to ensure that these facilities produce sufficient operating revenues.

(6) The Authority's convention facilities were constructed and renovated through the issuance of public bonds that are directly repaid by State hotel, auto rental, food and beverage, and airport and departure taxes paid principally by persons who attend, work at, exhibit, and provide goods and services to conventions, shows, exhibitions, and meetings at McCormick Place and Navy Pier.

(7) State law also dedicates State occupation and use tax revenues to fulfill debt service obligations on these bonds should State hotel, auto rental, food and beverage, and airport and departure taxes fail to generate sufficient revenue.

(8) Through fiscal year 2010, \$55 million in State occupation and use taxes will have been allocated to make debt service payments on the Authority's bonds due to shortfalls in State hotel, auto rental, food and beverage, and airport and departure taxes. These shortfalls are expected to continue in future fiscal years and would require the annual dedication of approximately \$40 million in State occupation and use taxes to fulfill debt service payments.

(9) In 2009, managers of the International Plastics Showcase announced that 2009 was the last year they would host their exhibition at McCormick Place, as they had since 1971, because union labor work rules and electric and food service costs make it uneconomical for the show managers and exhibitors to use McCormick Place as a convention venue as compared to convention facilities in Orlando, Florida and Las Vegas, Nevada. The exhibition used over 740,000 square feet of exhibit space, attracted over 43,000 attendees, generated \$4.8 million of revenues to McCormick Place, and raised over \$200,000 in taxes to pay debt service on convention facility bonds.

(10) After the International Plastics Showcase exhibition announced its departure, other conventions and exhibitions managers and exhibitors also stated that they would not return to McCormick Place and Navy Pier for the same reasons cited by the International Plastics Showcase exhibition. In addition, still other managers and exhibitors stated that they would not select McCormick Place as a convention venue unless the union labor work rules and electrical and food service costs were made competitive with those in Orlando and Las Vegas.

(11) The General Assembly created the Joint Committee on the Metropolitan Pier and Exposition Authority to conduct hearings and obtain facts to determine how union labor work rules and electrical and food service costs make McCormick Place and Navy Pier uneconomical as a convention venue.

(12) Witness testimony and fact-gathering revealed that while the skilled labor provided by trade unions at McCormick Place and Navy Pier is second to none and is actually "exported" to work on conventions and exhibitions held in Orlando and Las Vegas, restrictive work rules on the

activities show exhibitors may perform present exhibitors and show managers with an uninviting atmosphere and result in significantly higher costs than competing convention facilities.

(13) Witness testimony and fact-gathering also revealed that the mark-up on electrical and food service imposed by the Authority to generate operating revenue for McCormick Place and Navy Pier also substantially increased exhibitor and show organizer costs to the point of excess when compared to competing convention facilities.

(14) Witness testimony and fact-gathering further revealed that the additional departure of conventions, exhibitions, and trade shows from Authority facilities threatens the continued economic viability of these facilities and the stability of sufficient tax revenues necessary to support debt service.

(15) In order to safeguard the Authority's and State of Illinois' shared compelling and proprietary interests in McCormick Place and Navy Pier and in response to local economic needs, the provisions contained in this Section set forth mandated changes and reforms to restore and ensure that (i) the Authority's facilities remain economically competitive with other convention venues and (ii) conventions, exhibitions, trade shows, and other meetings are attracted to and retained at Authority facilities by producing an exhibitor-friendly environment and by reducing costs for exhibitors and show managers.

(16) The provisions set forth in this Section are reasonable, necessary, and narrowly tailored to safeguard the Authority's and State of Illinois' shared and compelling proprietary interests and respond to local economic needs as compared to the available alternative set forth in House Bill 4900 of the 96th General Assembly and proposals submitted to the Joint Committee on the Metropolitan Pier and Exposition Authority. Action by the State offers the only comprehensive means to remedy the circumstances set forth in these findings, despite the concerted and laudable voluntary efforts of the Authority, labor unions, show contractors, show managers, and exhibitors.

(b) Definitions. As used in this Section:

(2) The composition of the Council shall be determined by the Authority consistent with its existing practice for labor-management relations.

(3) The Council shall hold meetings no less than once every 90 days.

(e) Audit of exhibitor rights.

The Authority shall retain the services of a person to complete, at least twice per calendar year, a financial statement audit and compliance attestation examination to determine and verify that the exhibitor rights set forth in this Section have produced cost reductions for exhibitors and those cost reductions have been fairly passed along to exhibitors. The financial statement audit shall be performed in accordance with generally accepted auditing standards. The compliance attestation examination shall be (i) performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and shall examine the compliance with the requirements set forth in this Section and (ii) conducted by a licensed public accounting firm, selected by the Authority from a list of firms prequalified to do business with the Illinois Auditor General. Certificate, the validity period of the administrative certificate shall be changed so that the validity period of the administrative certificate coincides with the validity period of the Master Teaching Certificate.

(b) No administrative certificate shall be issued for the first time after June 30, 1987 and no endorsement provided for by this Section shall be made or affixed to an administrative certificate for the first time after June 30, 1987 unless the person to whom such administrative certificate is to be issued or to whose administrative certificate such endorsement is to be affixed has been required to demonstrate as a part of a program of academic or professional preparation for such certification or endorsement: (i) an understanding of the knowledge called for in establishing productive parent-school relationships and of the procedures fostering the involvement which such relationships demand; and (ii) an understanding of the knowledge required for establishing a high quality school climate and promoting good classroom organization and management, including rules of conduct and instructional procedures appropriate to accomplishing the tasks of schooling; and (iii) a demonstration of the knowledge and skills called for in providing instructional leadership. The standards for demonstrating an understanding of such knowledge shall be set forth by the State Board of Education in consultation with the State Teacher Certification Board, and shall be administered by the recognized institutions of higher learning as part of the programs of academic and professional preparation required for certification and endorsement under this Section. As used in this subsection: "establishing productive parent-school relationships" means the ability to maintain effective communication between parents and school personnel, to encourage parental involvement in schooling, and to motivate school personnel to engage parents in encouraging student achievement, including the development of programs and policies which serve to accomplish this purpose; and "establishing a high quality school climate" means the ability to promote academic achievement, to maintain discipline, to recognize substance abuse problems among students and utilize appropriate law enforcement and other community resources to address these problems, to support teachers and students in their education endeavors, to establish learning objectives and to provide instructional leadership, including the development of policies and programs which serve to accomplish this purpose; and "providing instructional leadership" means the ability to effectively evaluate school personnel, to possess general communication and interpersonal skills, and to establish and maintain appropriate classroom learning environments. The provisions of this subsection shall not apply to or affect the initial issuance or making on or before June 30, 1987 of any administrative certificate or endorsement provided for under this Section, nor shall such provisions apply to or affect the renewal after June 30, 1987 of any such certificate or endorsement initially issued or made on or before June 30, 1987.

(c) Administrative certificates shall be renewed every 5 years with the first renewal being 5 years following the initial receipt of an administrative certificate, unless the validity period for the administrative certificate has been changed under subsection (a-5) of this Section, in which case the certificate shall be renewed at the same time that the Standard or Master Teaching Certificate is renewed.

~~(c-5) (Blank). Before July 1, 2003, renewal requirements for administrators whose positions require certification shall be based upon evidence of continuing professional education which promotes the following goals: (1) improving administrators' knowledge of instructional practices and administrative procedures; (2) maintaining the basic level of competence required for initial certification; and (3) improving the mastery of skills and knowledge regarding the improvement of teaching performance in clinical settings and assessment of the levels of student performance in their schools. Evidence of continuing professional education must include verification of biennial attendance in a program developed by the Illinois Administrators' Academy and verification of annual participation in a school district approved activity which contributes to continuing professional education.~~

(c-10) ~~Except Beginning July 1, 2003, except~~ as otherwise provided in subsection (c-15) of this Section, persons holding administrative certificates must follow the certificate renewal procedure set forth in this subsection (c-10), provided that those persons holding administrative certificates on June 30, 2003 who are renewing those certificates on or after July 1, 2003 shall be issued new administrative certificates valid for 5 years (unless changed under subsection (a-5) of this Section), which may be renewed thereafter as set forth in this subsection (c-10).

A person holding an administrative certificate and employed in a position requiring administrative certification, including a regional superintendent of schools, must satisfy the continuing professional development requirements of this Section to renew his or her administrative certificate. The continuing professional development must include without limitation the following continuing professional development purposes:

(1) To improve the administrator's knowledge of instructional practices and administrative procedures in accordance with the Illinois Professional School Leader Standards.

(2) To maintain the basic level of competence required for initial certification.

(3) To improve the administrator's mastery of skills and knowledge regarding the improvement of teaching performance in clinical settings and assessment of the levels of student performance in the schools.

The continuing professional development must include the following in order for the certificate to be renewed:

(A) Participation in continuing professional development activities, which must total a minimum of 100 hours of continuing professional development. The participation must consist of a minimum of 5 activities per validity period of the certificate, and the certificate holder must maintain documentation of completion of each activity.

(B) Participation every year in an Illinois Administrators' Academy course, which participation must total a minimum of 30 continuing professional development hours during the period of the certificate's validity and which must include completion of applicable required coursework, including completion of a communication, dissemination, or application component, as defined by the State Board of Education.

The certificate holder must complete a verification form developed by the State Board of Education and certify that 100 hours of continuing professional development activities and 5 Administrators' Academy courses have been completed. The regional superintendent of schools shall review and validate the verification form for a certificate holder. Based on compliance with all of the requirements for renewal, the regional superintendent of schools shall forward a recommendation for renewal or non-renewal to the State Superintendent of Education and shall notify the certificate holder of the recommendation. The State Superintendent of Education shall review the recommendation to renew or non-renew and shall notify, in writing, the certificate holder of a decision denying renewal of his or her certificate. Any decision regarding non-renewal of an administrative certificate may be appealed to the State Teacher Certification Board.

The State Board of Education, in consultation with the State Teacher Certification Board, shall adopt rules to implement this subsection (c-10).

The regional superintendent of schools shall monitor the process for renewal of administrative certificates established in this subsection (c-10).

(c-15) This subsection (c-15) applies to the first period of an administrative certificate's validity during which the holder becomes subject to the requirements of subsection (c-10) of this Section if the certificate has less than 5 years' validity or has less than 5 years' validity remaining when the certificate holder becomes subject to the requirements of subsection (c-10) of this Section. With respect to this period, the 100 hours of continuing professional development and 5 activities per validity period specified in clause (A) of subsection (c-10) of this Section shall instead be deemed to mean 20 hours of continuing professional development and one activity per year of the certificate's validity or remaining validity and the 30 continuing professional development hours specified in clause (B) of subsection (c-10) of this Section shall instead be deemed to mean completion of at least one course per year of the certificate's validity or remaining validity. Certificate holders who evaluate certified staff must complete a 2-day teacher evaluation course, in addition to the 30 continuing professional development hours.

(c-20) The State Board of Education, in consultation with the State Teacher Certification Board, shall develop procedures for implementing this Section and shall administer the renewal of administrative certificates. Failure to submit satisfactory evidence of continuing professional education which contributes to promoting the goals of this Section shall result in a loss of administrative certification.

(d) Any limited or life supervisory certificate issued prior to July 1, 1968 shall continue to be valid for all administrative and supervisory positions in the public schools for which it is valid as of that date as long as its holder meets the requirements for registration or renewal as set forth in the statutes or until revoked according to law.

(e) The administrative or supervisory positions for which the certificate shall be valid shall be determined by one or more of the following 3 endorsements: general supervisory, general administrative, principal, chief school business official, and superintendent.

Subject to the provisions of Section 21-1a, endorsements shall be made under conditions set forth in this Section. The State Board of Education shall, in consultation with the State Teacher Certification Board, adopt rules pursuant to the Illinois Administrative Procedure Act, establishing requirements for obtaining administrative certificates where the minimum administrative or supervisory requirements surpass those set forth in this Section.

The State Teacher Certification Board shall file with the State Board of Education a written

recommendation when considering additional administrative or supervisory requirements. All additional requirements shall be based upon the requisite knowledge necessary to perform those tasks required by the certificate. The State Board of Education shall in consultation with the State Teacher Certification Board, establish standards within its rules which shall include the academic and professional requirements necessary for certification. These standards shall at a minimum contain, but not be limited to, those used by the State Board of Education in determining whether additional knowledge will be required. Additionally, the State Board of Education shall in consultation with the State Teacher Certification Board, establish provisions within its rules whereby any member of the educational community or the public may file a formal written recommendation or inquiry regarding requirements.

(1) Until July 1, 2003, the general supervisory endorsement shall be affixed to the administrative certificate of any holder who has at least 16 semester hours of graduate credit in professional education including 8 semester hours of graduate credit in curriculum and research and who has at least 2 years of full-time teaching experience or school service personnel experience in public schools, schools under the supervision of the Department of Corrections, schools under the administration of the Department of Rehabilitation Services, or nonpublic schools meeting the standards established by the State Superintendent of Education or comparable out-of-state recognition standards approved by the State Superintendent of Education.

Such endorsement shall be required for supervisors, curriculum directors and for such similar and related positions as determined by the State Superintendent of Education in consultation with the State Teacher Certification Board.

(2) Until June 30, 2014, the ~~The~~ general administrative endorsement shall be affixed to the administrative

certificate of any holder who has at least 20 semester hours of graduate credit in educational administration and supervision and who has at least 2 years of full-time teaching experience or school service personnel experience in public schools, schools under the supervision of the Department of Corrections, schools under the administration of the Department of Rehabilitation Services, or nonpublic schools meeting the standards established by the State Superintendent of Education or comparable out-of-state recognition standards approved by the State Superintendent of Education.

Such endorsement or a principal endorsement shall be required for principal, assistant principal, assistant or

associate superintendent, and junior college dean and for related or similar positions as determined by the State Superintendent of Education in consultation with the State Teacher Certification Board.

~~Notwithstanding any other provisions of this Act, after January 1, 1990 and until January 1, 1991, any teacher employed by a district subject to Article 34 shall be entitled to receive an administrative certificate with a general administrative endorsement affixed thereto if he or she: (i) had at least 3 years of experience as a certified teacher for such district prior to August 1, 1985; (ii) obtained a Master's degree prior to August 1, 1985; (iii) completed at least 20 hours of graduate credit in education courses (including at least 12 hours in educational administration and supervision) prior to September 1, 1987; and (iv) has received a rating of superior for at least each of the last 5 years. Any person who obtains an administrative certificate with a general administrative endorsement affixed thereto under this paragraph shall not be qualified to serve in any administrative position except assistant principal.~~

(2.5) The principal endorsement shall be affixed to the administrative certificate of any holder who qualifies by:

(A) successfully completing a principal preparation program approved in accordance with Section 21-7.6 of this Code and any applicable rules;

(B) having 4 years of teaching experience; however, the State Board of Education shall allow, by rules, for fewer than 4 years of experience based on meeting standards set forth in such rules, including without limitation a review of performance evaluations or other evidence of demonstrated qualifications; and

(C) having a master's degree.

(3) The chief school business official endorsement shall be affixed to the administrative certificate of any holder who qualifies by having a Master's degree, 2 years of administrative experience in school business management or 2 years of university-approved practical experience, and a minimum of 20 semester hours of graduate credit in a program established by the State Superintendent of Education in consultation with the State Teacher Certification Board for the preparation of school business administrators. Such endorsement shall also be affixed to the administrative certificate of any holder who qualifies by having a Master's Degree in Business

Administration, Finance or Accounting from a regionally accredited institution of higher education.

After June 30, 1977, such endorsement shall be required for any individual first employed as a chief school business official.

(4) The superintendent endorsement shall be affixed to the administrative certificate of any holder who has completed 30 semester hours of graduate credit beyond the master's degree in a program for the preparation of superintendents of schools including 16 semester hours of graduate credit in professional education and who has at least 2 years experience as an administrator or supervisor in the public schools or the State Board of Education or education service regions or in nonpublic schools meeting the standards established by the State Superintendent of Education or comparable out-of-state recognition standards approved by the State Superintendent of Education and holds general supervisory or general administrative endorsement, or who has had 2 years of experience as a supervisor or administrator while holding an all-grade supervisory certificate or a certificate comparable in validity and educational and experience requirements.

After June 30, 1968, such endorsement shall be required for a superintendent of schools, except as provided in the second paragraph of this Section and in Section 34-6.

Any person appointed to the position of superintendent between the effective date of this Act and June 30, 1993 in a school district organized pursuant to Article 32 with an enrollment of at least 20,000 pupils shall be exempt from the provisions of this paragraph (4) until June 30, 1996.

(f) All official interpretations or acts of issuing or denying administrative certificates or endorsements by the State Teacher's Certification Board, State Board of Education or the State Superintendent of Education, from the passage of P.A. 81-1208 on November 8, 1979 through September 24, 1981 are hereby declared valid and legal acts in all respects and further that the purported repeal of the provisions of this Section by P.A. 81-1208 and P.A. 81-1509 is declared null and void.

Sec. 21-7.6. Principal preparation programs.

(a) It is the policy of this State that an essential element of improving student learning is supporting and employing highly effective school principals in leadership roles who improve teaching and learning and increase academic achievement and the development of all students.

(b) No later than July 1, 2014, all institutions of higher education and not-for-profit entities approved by the State Board of Education, in consultation with the State Teacher Certification Board, to offer principal preparation programs must do all of the following:

(1) Meet the standards and requirements for such programs in accordance with this Section and any rules adopted by the State Board of Education.

(2) Prepare candidates to meet approved standards for principal skills, knowledge, and responsibilities, which shall include a focus on instruction and student learning and which must be used for principal professional development, mentoring, and evaluation.

(3) Include specific requirements for (i) the selection and assessment of candidates, (ii) training in the evaluation of staff, (iii) an internship, and (iv) a partnership with one or more school districts or State-recognized, non-public schools where the chief administrator is required to have the certification necessary to be a principal in an Illinois public school and where a majority of the instructors are required to have the certification necessary to be instructors in an Illinois public school.

(2) Through July 1, 2019, complete an Illinois Administrators' Academy course designated by the State Superintendent of Education.

(3) Complete a principal preparation program established and approved pursuant to this Section and applicable rules.

Nothing in this amendatory Act of the 96th General Assembly shall prevent an individual having a general administrative endorsement from serving at any time in any position identified in paragraph (2) of subsection (e) of Section 21-7.1 of this Code.
