HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 88

Offered by Representative Ford:

WHEREAS, Inmate telephone services are provided to inmates of corrections facilities operated by the Illinois Department of Corrections (Department) so inmates can communicate with family members, friends and legal counsel; these services are provided through telephone equipment placed in restricted areas at

correctional facilities that are accessible to inmates; inmates are allowed to use the telephone equipment only for pre-paid collect or post-paid collect operator assisted calls with members of the public at telephones located outside the facilities; the family members and friends of inmates are responsible for paying for the calls from their loved ones; and

WHEREAS, The Department has no incentive to select the telephone company that offers the lowest rates to allow inmates access to telephone use; rather, the Department has an incentive to reap the most profit by selecting the telephone company that provides the highest commission; and

WHEREAS, Exorbitant telephone rates are not only bad for incarcerated persons and their families, but are bad for society at large, in that they reduce incarcerated persons' ability to communicate with family, while family contact has been consistently shown to lower recidivism; exclusive contracts create state-sanctioned monopolies that prey upon people who are least able to select alternative methods of communication and who are least able to sustain additional expenses; and

WHEREAS, It is difficult for many families of incarcerated persons to pay for phone calls because people in prison often come from low-income households; a study of people recently released from Illinois prisons found that the price of phone calls from prison was one of the two most significant barriers to maintaining family contact during their incarceration; and

WHEREAS, Illinois is one of 42 states in the United States that selects an inmate telephone service vendor based on the percentage of revenue the State will receive from that vendor; and

WHEREAS, The Department of Central Management Services, on behalf of the Department of Corrections, posted a solicitation for an Invitation for Bid (#12-67094) for inmate telephone services at all State correctional facilities in early 2012. IFB 12-67094 required each bidder to submit the following:

1. the rate charged for each call;
2. the fees or surcharges charged;
3. the percent of revenues the bidder would pay to the Department of Corrections as a commission; and

WHEREAS, The bid evaluation formula was structured to award the highest number of points to the bidder that submitted the highest commission to the Department of Corrections; the commission rate comprised 55% of the points awarded in the solicitation; and

WHEREAS, The State has incentive to award the contract to the highest bidder because it receives the largest commission from the highest bidder; and

WHEREAS, Three companies responded to IFB #12-67094, and on June 27, 2012, the Department of Central Management Services issued their intent to award the contract to Securus Technologies, a Texas based company; and

WHEREAS, Consolidated Communications Public Services, an Illinois based company, is the current provider of inmate telephone services for the Department of Corrections; Consolidated Communication Public Services has provided telephone services to the Department of Corrections since 2002; and

WHEREAS, Consolidated Communication Public Services filed a protest on May 31, 2012 with the Chief Procurement Officer of General Services; and

WHEREAS, Consolidated Communication Public Services protest alleged that the per call rate contained in the bid response submitted by Securus Technologies was above the Illinois Commerce Commission established caps on rates and charges under 83 Ill. Adm. Code Sections 770.40(c) and (e); and

WHEREAS, The Chief Procurement Officer denied the protest and the Department of Central Management Services awarded the contract to Securus Technologies. However, in the Chief Procurement Officer's Final Determination letter to the attorney for Consolidated Communication Public Services on June 25, 2013, the Chief Procurement Officer stated the following:

"The key inquiry here is whether the services at issue fall within the regulatory jurisdiction of the Illinois Commerce Commission. If they do, and they are not otherwise exempt, then the restrictions of Section 770 apply and the award must be rescinded."

Consolidated Communication Public Services also filed a Verified Petition for a Declaratory Ruling with the Illinois Commerce Commission on July 3, 2012; Consolidated Communication Public Services protest alleged that the per call rate submitted by Securus Technologies above the Illinois Commerce Commission established caps on rates and charges under 83 Ill. Adm. Code Sections 770.40(c) and (e); and

WHEREAS, The Illinois Commerce Commission's Administrative Law Judge and Illinois Commerce Commission's Staff issued a recommendation to the Commission and agreed that Securus' per call rate of \$4.10 exceeded the rate caps established by Illinois Commerce Commission rules and regulations. This matter is pending before the Commission; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a management audit of the State's procurement of inmate telephone service vendors for the Department of Corrections' inmate telephone service program; and be it further

RESOLVED, That the audit include, but not limited to the following determinations:

Whether all aspects of the procurement process were conducted in accordance with applicable laws, rules, regulations and policies;

Whether the evaluative criteria guiding the selection by the Department of Central Management Services of vendors were adequate and uniformly applied to competing vendors;

Whether decisions concerning the selection of vendors and resolution of protests are adequately supported and documented;

Whether the bids submitted by vendors and evaluated by the Department of Central Management Services were in compliance with the terms set forth in the solicitation document; and

Whether or not the Department of Central Management Services in the course of the procurement process or resolution of the protests, took into consideration the cost impact the solicitation might place on the family members, friends and general public who are responsible for paying for the calls; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations upon completion to the General Assembly.

HOUSE RESOLUTION 91

Offered by Representative Hammond:

WHEREAS, The National Right-to-Carry Reciprocity Act is proposed legislation, currently pending before Congress, that would allow any person with a valid state-issued concealed firearm permit to carry a concealed firearm in any other state that issues concealed firearm permits, or that does not prohibit the carrying of concealed firearms for lawful purposes; and

WHEREAS, The National Right-to-Carry Reciprocity Act passed the United States House of Representatives in 2011 by a vote of 272-154, and the bill has been reintroduced this year in the United States Senate; and

WHEREAS, Interstate reciprocity will protect the right to self-defense by providing law-abiding people with the ability to protect themselves not only in their home states, but anywhere they travel where concealed carry is legal; and

WHEREAS, The Attorneys General of 22 states and the territory of Guam recently wrote a letter of support for the National Right-to-Carry Reciprocity Act urging the United States Senate to pass the bill; and

WHEREAS, Every state except Illinois currently either issues concealed carry permits or otherwise authorizes law-abiding people to carry firearms outside the home for self-defense; and

WHEREAS, Those states that currently have laws recognizing out-of-state concealed carry permits have found that people carrying concealed handguns under those laws have done so without any unusual problems; and

WHEREAS, Those states that currently have laws recognizing out-of-state concealed carry permits have found that law enforcement agencies have been able to authenticate out-of-state permits promptly; and

WHEREAS, Despite the popular support in Illinois for concealed carry and interstate reciprocity, and the overwhelmingly positive experiences of other states that currently recognize out-of-state concealed carry permits, the Illinois Attorney General recently wrote a letter to the Majority and Minority Leaders of the United States Senate urging them and their caucuses to oppose passage of the National Right-to-Carry Reciprocity Act; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge Congress to enact the National Right-to-Carry Reciprocity Act in order to help protect law-abiding people's right to self-defense; and be it further

RESOLVED, That we oppose the Attorney General's unwarranted action in opposition to the National Right-to-Carry Reciprocity Act; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Illinois Attorney General, to the House Majority Leader and House Minority Leader of the United States Senate, and to each member of the Illinois congressional delegation.

HOUSE RESOLUTION 95

Offered by Representative Ford:

WHEREAS, The members of the Illinois House of Representatives recognize that there are distressed counties and communities throughout Illinois that struggle with many economic and social problems, including crime, unemployment, poverty, mortgage foreclosures, declining property values, deficiencies in public health services, and deficits in public education; and

WHEREAS, In recent years, these economic and social problems have become more prevalent and have exacerbated existing conditions, which include inequalities in access to justice in the civil court system, an overburdened and ineffective criminal justice system, overcrowded correctional facilities, increased homelessness, inadequate educational opportunities, insufficient affordable housing, inadequate delivery of social services to the less fortunate, and deficiencies in the availability and quality of public health services; and

WHEREAS, Some counties and communities disproportionately experience these serious social and economic ills; for example, Illinois counties which had 16% or more of their population in poverty in 2010 include Alexander, Champaign, Coles, Cook, Franklin, Gallatin, Hardin, Jackson, Lawrence, McDonough, Macon, Marion, Massac, Perry, Pike, Pope, Pulaski, Saline, Union, Vermilion, White, Williamson, and Winnebago; municipalities with a population of over 100,000 which had family poverty rates of 10% or more are Aurora, Chicago, Joliet, Naperville, Peoria, Rockford, and Springfield; and

WHEREAS, It is important to take a comprehensive approach to the ongoing crisis of distressed counties and communities in Illinois; a significant poverty rate is among the best indicators that a community is in distress; and

WHEREAS, Care must be taken when addressing poverty and its associated problems in counties with distressed communities because an emphasis on serving the largest number of people in poverty will miss other areas of the State with significant poverty problems; and

WHEREAS, An emphasis on areas with the highest rates of poverty will ignore large populations in need; for example, Cook County has the highest number of persons living in poverty, totaling nearly 50% of the State's poverty population, but DuPage County, which has historically been considered to be a wealthy county with a small low-income population, has the second-highest number of persons in poverty; the 10 poorest counties in Illinois, as measured by poverty rate, are generally downstate, with small total populations, and while their poverty rates are very high (the highest county rate is 31.1%, with an average for all 10 of the poorest counties of 21.6%), these counties collectively account for less than 10% of the State's total poverty population; the 10 counties with the highest numbers of persons in poverty are, for the most part, near urban centers, with 5 in the Chicago metropolitan area; these 10 counties include over 70% of the State's poverty population; and

WHEREAS, A state-wide emphasis on the top 10 counties with high poverty rates will ignore the needs of 94% of the State's poverty population, but an emphasis on the 10 counties with the highest numbers of people in poverty will deemphasize the counties with the highest poverty rates; and

WHEREAS, On September 12, 2012, the U.S. Census Bureau announced that, in 2011, the median household income in the United States declined by 1.5% from the 2010 median, which was the second consecutive annual drop; the weighted average poverty threshold for a family of four in 2011 was \$23,021; the nation's official poverty rate was 15%, with 46.2 million people in poverty; although the poverty rate and number of people remained statistically unchanged since 2010, this is the fourth year in a row with such significant amounts of poverty in the nation; and

WHEREAS, In 2011, the poverty rate in Illinois was 14.2%; this amounts to a 42% increase in the poverty rate in Illinois from 2007 to 2011; and

WHEREAS, Living in an area with a high poverty rate may include threats to life itself; for example, a recent comparison of the 5 poorest and the 5 least poor Chicago neighborhoods showed that the poorest neighborhoods had a homicide rate that is 11 times the homicide rate in the least poor neighborhoods; the mortality rate for the leading causes of death in Chicago (cancer, heart disease, diabetes-related illnesses, stroke, and unintentional injury) is 5 times higher in the 5 poorest neighborhoods than it is in the 5 least poor neighborhoods; the infant mortality rate is 2 1/2 times higher in the poorest neighborhoods than in the 5 least poor neighborhoods; the Years of Potential Life Lost (YPLL), an estimate of the average years a person would have lived if he or she had not died prematurely, showed that the YPLL due to homicide in the 5

poorest neighborhoods was 2,172 for every 100,000 residents (assuming a life expectancy of 75 years) compared to the YPLL homicide rate of only 186 in the 5 least poor neighborhoods; and

WHEREAS, So long as these social and economic problems are not successfully addressed in distressed counties and communities, the cost to taxpayers in the State of Illinois for the many programs operated or funded by the State will only increase; and

WHEREAS, State government resources are expended in ever-increasing amounts to address these social and economic problems; those expenditures are a significant drain on the State's road to financial stability; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Distressed Counties and Communities Task Force is created; and be it further

RESOLVED, That the Task Force shall consist of the following members: 4 members appointed by the Governor; 2 members appointed by the President of the Senate; 1 member appointed by the Minority Leader of the Senate; 2 members appointed by the Speaker of the House of Representatives; 1 member appointed by the Minority Leader of the House of Representatives; 1 member appointed by the Director of the Department of Human Services; 1 member appointed by the Illinois State Board of Education; 1 member appointed by the Department of Children and Family Services; 1 member appointed by the Illinois Housing Development Authority; and 1 member appointed by the Director of the Human Rights Commission; and be it further

RESOLVED, That this Task Force shall take testimony from stake holders in distressed counties and communities, representatives of appropriate State agencies, and community leaders to explore, discuss, and coordinate efforts to prepare an action plan to offer enhanced State governmental services in a meaningful way, to foster leadership, and to create programs that can succeed in addressing the myriad social and economic problems that exist in order to benefit all Illinois communities; and be it further

RESOLVED, That the Task Force shall hold hearings in distressed counties and communities to hear directly from stakeholders on their ideas for an innovative anti-poverty agenda; and be it further

RESOLVED, That the Task Force shall find and create innovative means to address and meet the numerous needs of those who receive State social services, design plans to assist and enhance the efforts of State agencies and local governments that provide law enforcement and social services, analyze successful State and local governmental programs in other locations in the subject areas of law enforcement, court administration, corrections, job skill retraining, education, economic opportunity, job creation, social services, and public health, and develop an action plan that includes information about changes and improvements to existing programs, statutes, and regulations that can be made by reallocating existing resources and not increasing State taxes; and be it further

RESOLVED, That the Task Force shall develop a legislative and administrative agenda that can serve as a national model for developing a successful anti-poverty agenda; and be it further

RESOLVED, That the Office of the Governor shall provide administrative support for the Task Force; and be it further

RESOLVED, That the Task Force shall submit a report to the Illinois House of Representatives within 60 days of the completion of the hearings held by the Task Force.

HOUSE RESOLUTION 96

Offered by Representative Kifowit:

WHEREAS, The members of the Illinois House of Representatives recognize the hardships Illinois property owners face in the economic climate of today; and

WHEREAS, The National and State economies are in a recession which began, in part, by the collapse of the housing market; and

WHEREAS, This collapse has resulted in the fall of many Illinois property owners' property values, which has triggered property tax rates to increase to keep Illinois local governments' revenues stable; and

WHEREAS, Illinois local governments rely heavily on property taxes as revenue; in 2007, property taxes accounted for 68% of local governments' general own-source revenue; and

WHEREAS, The condition of property values decreasing and property taxes increasing is causing financial problems for many Illinois property owners, and is resulting in many homeowners losing or being at risk of losing their homes; and

WHEREAS, The 96th General Assembly passed and Governor signed into law Public Act 96-1418 in response to the concerns of Illinois property owners; and

WHEREAS, The goals of Public Act 96-1418 included expanding the Returning Veterans Homestead Exemption to reduce the property tax liability of a returning veteran in the year after the veteran has returned home; lowering the service-connected disability requirement for the Disabled Veterans Standard Homestead Exemption to 70% from 75% to increase the number of veterans who are eligible for the exemption; and extending the Alternative General Homestead Exemption for 3 more years; and

WHEREAS, In addition, Public Act 96-1418 requires: (i) county boards of review to make their rules and procedures available to the public; (ii) county assessors to make a plain-English explanation of equalization factors available to the public; and (iii) county assessors to make an additional set of disclosures with a change in assessment notice; and

WHEREAS, Public Act 96-1418 also created 7 Taxpayer Action Boards; and

WHEREAS, Taxpayer Action Boards have the following goals: (i) to oversee the implementation of P.A. 96-122 with an emphasis on the transparency and disclosure provisions of that Public Act; (ii) to make recommendations about other useful disclosures in addition to those required by P.A. 96-122; and (iii) to make recommendations concerning the implementation of the transparency reform provisions of P.A. 96-122 in their respective counties; and

WHEREAS, Each Taxpayer Action Board is required to conduct a study that critically evaluates the manner in which its county assesses residential property and examines the accuracy of computer-assisted mass appraisal; as part of its study, each Board shall conduct at least 2 public hearings; and

WHEREAS, Each Taxpayer Action Board must report to the Governor and the General Assembly summarizing its findings, must maintain and administer a website cataloguing taxpayer assistance information linked to the Department of Revenue's website, must propose to its county government changes to property tax policies and procedures, if appropriate, and must propose to the Department of Revenue changes to property tax policies and procedures, if appropriate; and

WHEREAS, A Taxpayer Action Board was to be established in each of the following counties: Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will; each Board was to be composed of 7 members; and

WHEREAS, The 7 members of each board are to be named by the Governor and serve 2-years terms; and

WHEREAS, As of January 7, 2013, there have been no appointments made by Governor Quinn to any of the 7 boards; and

WHEREAS, No studies, reports, or findings have been published; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we call on Governor Quinn to immediately appoint members to the Taxpayer Action Boards to research the property tax system in each of their respective counties to help identify ways to make the systems more transparent; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Governor.

HOUSE RESOLUTION 97

Offered by Representative Kifowit:

WHEREAS, In unity, there is strength; and

WHEREAS, The more that local, State, and federal law enforcement agencies and operations reinforce one another, share information and resources, de-conflict operations, establish priorities, and focus energies across the spectrum of criminal activities, the more effective the outcome of separate activities undertaken by those organizations; and

WHEREAS, Intelligence gleaned from the collection, evaluation, analysis, and synthesis of information must be shared in order to reduce crime; and

WHEREAS, Collaboration encourages a coordinated and organized response to criminal activity throughout the target jurisdiction, diminishing gaps in interagency communication and intelligence; and

WHEREAS, Tactical intelligence is time-sensitive and crucial to the effective execution of arrests and seizures; and

WHEREAS, Law enforcement agencies must be able to share relevant information and intelligence across jurisdictional boundaries without risk of compromise to intelligence and the operations that derive from it; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage the Illinois State Police, the Federal Bureau of Investigation, and the Drug Enforcement Administration to share information in order to more effectively combat crime; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Illinois State Police, the Federal Bureau of Investigation, and the Drug Enforcement Administration.

WHEREAS, The Department of Central Management Services, on behalf of the Department of Corrections, posted a solicitation for an Invitation for Bid (#12-67094) for inmate telephone services at all State correctional facilities in early 2012. IFB 12-67094 required each bidder to submit the following:

1. the rate charged for each call;
2. the fees or surcharges charged;
3. the percent of revenues the bidder would pay to the Department of Corrections as a commission; and

WHEREAS, The bid evaluation formula was structured to award the highest number of points to the bidder that submitted the highest commission to the Department of Corrections; the commission rate comprised 55% of the points awarded in the solicitation; and

WHEREAS, The State has incentive to award the contract to the highest bidder because it receives the largest commission from the highest bidder; and

WHEREAS, Three companies responded to IFB #12-67094, and on June 27, 2012, the Department of Central Management Services issued their intent to award the contract to Securus Technologies, a Texas based company; and

WHEREAS, Consolidated Communications Public Services, an Illinois based company, is the current provider of inmate telephone services for the Department of Corrections; Consolidated Communication Public Services has provided telephone services to the Department of Corrections since 2002; and

WHEREAS, Consolidated Communication Public Services filed a protest on May 31, 2012 with the Chief Procurement Officer of General Services; and

WHEREAS, Consolidated Communication Public Services protest alleged that the per call rate contained in the bid response submitted by Securus Technologies was above the Illinois Commerce Commission established caps on rates and charges under 83 111 Adm. Code Sections 770.40(c) and (e); and

WHEREAS, The Chief Procurement Officer denied the protest and the Department of Central Management Services awarded the contract to Securus Technologies. However, in the Chief Procurement Officer's Final Determination letter to the attorney for Consolidated Communication Public Services on June 25, 2012, the Chief Procurement Officer stated the following:

WHEREAS, The Illinois Commerce Commission's Administrative Law Judge and Illinois Commerce Commission's Staff issued a recommendation to the Commission and agreed that Securus' per call rate of \$4.10 exceeded the rate caps established by Illinois Commerce Commission rules and regulations. This matter is pending before the Commission; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a management audit of the State's procurement of inmate telephone service vendors for the Department of Corrections' inmate telephone service program; and be it further

RESOLVED, That the audit include, but not limited to the following determinations:

Whether all aspects of the procurement process were conducted in accordance with applicable laws, rules, regulations and policies;

Whether the evaluative criteria guiding the selection by the Department of Central Management Services of vendors were adequate and uniformly applied to competing vendors;

Whether or not the Department of Central Management Services in the course of the procurement process or resolution of the protests, took into consideration the cost impact the solicitation might place on the family members, friends and general public who are responsible for paying for the calls; and be it further

RESOLVED, That the Auditor General commence this audit as soon as possible and report his findings and recommendations upon completion to the General Assembly.

HOUSE RESOLUTION 101

Offered by Representative Flowers:

WHEREAS, A government must provide for the common good in order to function properly; there is a direct correlation between the percentage of citizens in a society whose fundamental needs are met and can be classified as productive members of society, with the rate at which that society advances educationally, economically, technologically, and in terms of the well-being and the decreased tendency towards illicit behavior by its citizens; and

WHEREAS, The members of this body have a natural concern for the welfare of children and youth; in the years since the recent 2008 financial crisis, the number of children living on the streets, in shelters, motels, or doubled-up with other families jumped 38% to 1.6 million nationwide; and

WHEREAS, In the last 5 years, 43 states have cut student funding for higher education, as the cost of post-secondary public education continues to rise faster than the cost of healthcare; and

WHEREAS, Across the nation, there are higher levels of unemployment, broad declines in health, crumbling infrastructure, shrinking pensions and retirement savings, and workers in the fields of education, health care, and public safety being laid off due to a financial crisis they did not create; and

WHEREAS, Wall Street and the big banks have failed our economy and are exploiting tax loopholes, while generating record profits and being rewarded with billions in bailouts and bonuses and leaving millions of Americans to suffer; and

WHEREAS, A recent iteration of a financial transaction tax bill called the "Inclusive Prosperity Act", which is popularly known as the "Robin Hood Tax" (H.R. 6411), called for the revenues gained to be used for such critical needs as education and job training, student debt relief, rebuilding public infrastructure, public sector jobs, public sector pensions, green jobs, expanding and improving Medicaid and Medicare, housing assistance for low income households, and protecting our environment; and

WHEREAS, The concept of a financial transaction tax is not novel, but has been in existence in England since 1694 at the London Stock Exchange; the tax has been implemented in some 40 countries across the globe and was in effect in the United States from 1914 to 1966 and is currently in place in New York City; and

WHEREAS, The United Kingdom's 0.5% tax on stock trades raises their government billions of dollars a year; this tax, which collects tax revenues for the public rather than on the public, would apply to Wall Street banks, hedge funds, and other financial institutions and would not apply to ordinary Americans, their personal savings, or every day business and consumer activity, such as purchases using ATM's or debit cards; and

WHEREAS, The rate of this tax would be set as low as 50 cents on every \$100 of trades and would target reckless short-term financial speculation that drove previous economic crises, pushed up gas and food prices in the US and around the world, and continues to threaten financial stability; and

WHEREAS, The Inclusive Prosperity Act is supported by such organizations as National Nurses United, the National Organization of Women, Jobs with Justice, Oxfam America, MoveOn.org, Greenpeace, 350.org, Noble Prize winning economists Joseph Stiglitz and Paul Krugman, and business leaders George Soros and Warren Buffett; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we show our support for the re-introduction and passage of the Inclusive Prosperity Act, otherwise known as the Robin Hood Tax (H.R. 6411 of the 112th Congress) and encourage the people of this State to show their support for the Inclusive Prosperity Act as well; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President of the United States and the members of the Illinois congressional delegation.

HOUSE RESOLUTION 102

Offered by Representative Cross:

WHEREAS, We the members of the Illinois House of Representatives are bound by our constitutional oath to "provide for the health, safety and welfare of the people" of Illinois, and we recognize this can best be accomplished by fostering a robust and competitive business environment that attracts businesses, provides jobs, and creates economic opportunities for Illinois residents; and

WHEREAS, The December 2012 8.7% unemployment rate in Illinois is higher than every bordering state and is seventh highest in the country; and

WHEREAS, Illinois has approximately \$9 billion in unpaid bills and an unfunded pension liability of over \$96 billion; and

WHEREAS, The total corporate income tax rate in Illinois is 9.5%, the third highest in the nation, forcing Illinois to continually provide tax breaks to companies on a piecemeal basis; and

WHEREAS, Proposals presented for discussion and debate in the 97th and 98th General Assemblies would enact an Illinois Corporate Tax Disclosure and Responsibility Act; this Act would require all publicly traded corporations and their subsidiaries that are required to file an Illinois tax return to disclose extensive confidential tax return information, and would also require out-of-state corporations doing business in Illinois but not required to file an Illinois tax return to file a statement disclosing similar information or explanations of their tax status; and

WHEREAS, The federal government, after an extensive study by the Congressional Joint Committee on Taxation, abandoned similar proposals put forth on the federal level as unwise; and

WHEREAS, The disclosure requirements set forth in these proposals may violate confidentiality provisions of the Internal Revenue Code; and

WHEREAS, Illinois needs to transform itself into an attractive state to invest in and create jobs; and

WHEREAS, Taxpayers have an expectation of privacy in their income tax returns and the disclosure of detailed information about their business; and

WHEREAS, Disclosure of such information would provide businesses outside the State with an unfair economic advantage by having in-State business tax information publicly available; and

WHEREAS, The Illinois Department of Revenue has access to all Illinois tax returns that are filed and can already provide detailed aggregate information and data to legislators and the public without violating taxpayer confidentiality laws; and

WHEREAS, Illinois has an existing system whereby compliance with State tax Acts may be reviewed and enforced through the Illinois Department of Revenue; allowing for in-depth investigations and severe penalties for those in violation of those Acts; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we oppose proposals intended to enact an Illinois Corporate Tax Disclosure and Responsibility Act or to take other action in breach of the principles of taxpayer privacy that have historically guided our State income tax system.
