WHEREAS, Campaign finance laws, including limits on campaign expenditures and contributions from any source, are key tools to combating political corruption; and

WHEREAS, The Supreme Court, in *Buckley v. Valeo*, held that the use of money to influence elections is the equivalent of speech and that government cannot constitutionally limit the amount of money that individuals can spend to influence the electoral process; these deeply and dangerously undemocratic precedents were expanded upon in *Citizens United v. Federal Election Commission* (2010) and *SpeechNow.org v. Federal Election Commission* (2010 U.S. Court of Appeals, D.C. Circuit), unleashing a torrent of corporate and private money into our political process that has been unmatched by any campaign expenditures in United States history and drowning out the voices of the ordinary citizens we represent; and

WHEREAS, In recent decades, a divided United States Supreme Court has transformed the First Amendment into a powerful tool for corporations and other artificial entities to evade and invalidate democratically enacted reforms; and

WHEREAS, In 2012, 73% of Illinois residents, voting on ballot questions similar to the PRAIRIE Resolution, called for a constitutional amendment, transcending party lines and geographic location; and

WHEREAS, Article V of the United States Constitution empowers the people and states of the United States of America to use the constitutional amendment process to correct those egregiously wrong decisions of the United States Supreme Court that go to the heart of our democracy and republican form of government; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we, as elected representatives of the people, respectfully but emphatically disagree with the aforementioned decisions of the United States Supreme Court and call upon the United States Congress to propose and send to the states for ratification a constitutional amendment to overturn *Citizens United v. FEC*, *SpeechNow.org v. FEC*, *Buckley v. Valeo*, and other related cases that allow for unlimited election spending; and be it further

RESOLVED, That such an amendment should make clear that the rights of persons protected by the Constitution are the rights of natural persons and not those of corporations or other artificial entities; and be it further

RESOLVED, That such an amendment should make clear that money can facilitate speech but its use is not, in and of itself, speech within the meaning of the First Amendment, and can be regulated; and be it further

RESOLVED, That such an amendment should make clear that corporations and other artificial entities are subject to regulation by the people through the legislative process, so long as the regulations are consistent with the powers of Congress and the states and do not limit freedom of the press; and be it further

RESOLVED, That such an amendment should make clear that federal, state, and local governments shall have the power to require disclosure of, limit, and regulate all election contributions and expenditures, whether to candidates or ballot measures, including political contributions and expenditures from individuals, corporations, unions, political committees, other artificial entities, and candidates; and be it further

RESOLVED, That we state our belief that such a constitutional amendment supports the goals of the people of Illinois in achieving a level playing field in election expenditures, regardless of their source; and be it further

RESOLVED, That the Illinois congressional delegation is urged to propose a joint resolution offering such an amendment to the United States Constitution and to work diligently to bring such a joint resolution to a vote and passage, including use of discharge petitions, cloture, and every other procedural method to secure a vote and passage; and be it further

RESOLVED, That the individual Members of the Illinois General Assembly are encouraged to ratify such an amendment to the United States Constitution that is consistent with the policy of the State of Illinois as herein declared; and be it further

RESOLVED, That we call upon other states and jurisdictions to join with us in this action by enacting similar resolutions to secure the restoration of constitutional rights and fair elections to the people of Illinois and all citizens of the United States; and be it further

RESOLVED, That suitable copies of this resolution be delivered to each member of the Illinois congressional delegation, the Speaker and the Minority Leader of the United States House of Representatives, and the Majority Leader and Minority Leader of the United States Senate.

Adopted by the Senate, May 14, 2013.

SENATE JOINT RESOLUTION NO. 32

WHEREAS, The State of Illinois serves over 2,000,000 students in 862 school districts statewide; and

WHEREAS, State funding for pre-kindergarten through grade 12 education in Illinois has been reduced by \$861,000,000 since fiscal year 2009; of that amount, general State aid has been reduced by more than \$320,000,000; and

WHEREAS, Illinois ranks 50th in terms of the state proportion of kindergarten through grade 12 funding, providing for just 32.5% of all funds spent on kindergarten through grade 12 public education, despite the plain language of Article 10 of the Illinois Constitution which states "The State has the primary responsibility for financing the system of public education."; and

WHEREAS, In 2007, 23% of Illinois school districts reported deficit spending, and today more than 67% of Illinois school districts report deficit spending; and

WHEREAS, Reductions in State spending have increased school districts' reliance on local resources, impacting classroom services and financial stability, at a time when school districts are required to do more necessary improvements and initiatives such as teacher and principal evaluations, new and higher learning standards, and assessments; and

WHEREAS, The General Assembly must stay engaged in public education issues and be prepared to make legislative and administrative recommendations; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that there is created the General Assembly's Advisory Committee on Education Funding, consisting of 12 members, appointed as follows: 3 members of the Senate majority caucus, appointed by the President of the Senate, one of whom shall be designated as a co-chair; 3 members of the Senate minority caucus, appointed by the Senate Minority Leader, one of whom shall be designated as a co-chair; 3 members of the House majority caucus, appointed by the Speaker of the House of Representatives, one of whom shall be designated as a co-chair; and 3 members of the House minority caucus, appointed by the House Minority Leader, one of whom shall be designated as a co-chair; and be it further

RESOLVED, That the Advisory Committee on Education Funding shall:

- (1) conduct a thorough review of the existing distribution methods and expenditures of all pre-kindergarten through grade 12 education funding with a focus on general State aid as defined in Section 18-8.05 of the School Code; and
- (2) make recommendations to implement an education funding system that:
 - (a) is adequate;
 - (b) is equitable;
 - (c) prepares students for achievement and success after high school; and
 - (d) supports teachers and school leaders; and
- (3) consider the following when making its recommendations:
 - (a) the number of students in a school and school district and the level of need of those students, including special needs populations;
 - (b) a school district's ability to provide local resources to pay for basic education needs;
 - (c) transparency and accountability;
 - (d) revenue predictability to support sound planning and budgeting by local school boards and administration; and
 - (e) the long-term implications and outcomes of the funding system, along with provisions that require the system to be monitored, publicly reported, assessed, and improved over time; and be it further

RESOLVED, That the Advisory Committee on Education Funding shall seek input from stakeholders and members of the public on issues and possible improvements to the existing funding system; and be it further

RESOLVED, That members of the Advisory Committee on Education Funding shall serve without compensation, and the State Board of Education shall provide administrative and other support to the Advisory Committee on Education Funding; and be it further

RESOLVED, That the Advisory Committee on Education Funding shall meet at the call of the co-chairs, but shall meet a minimum of 4 times per year; and be it further

RESOLVED, That the Advisory Committee on Education Funding shall share its legislative and administrative recommendations with the President of the Senate, the Speaker of the House of Representatives, the Minority Leader of the Senate, and the Minority Leader of the House of Representatives no later than February 1, 2014; and be it further

RESOLVED, That a suitable copy of this resolution be presented to the Chairman of the State Board of Education and the State Superintendent of Education; and be it further

RESOLVED, That the State Board of Education shall provide a copy of this resolution to school districts in the State.
