WHEREAS, Wisconsin Steel Works ran powerful and steady for more than a century until the decline of the domestic steel market in the early 1980s; and

WHEREAS, The mill operated in an era that was unaware of environmental impacts on the land; and

WHEREAS, The later-found burden of contamination prevented redevelopment of the vast swath of land set in the heart of southeast Chicago's South Deering community; and

WHEREAS, Navistar, Inc. (formerly International Harvester) pursued and entered into a 1996 agreement with the United States Department of Commerce to assume corporate responsibility for the comprehensive remediation of the site under the guidance of the Illinois Environmental Protection Agency's Site Remediation Program; and

WHEREAS, On December 20, 2013, the Illinois Environmental Protection Agency granted the 13th and final No Further Remediation letter for the respective tracts of the former Wisconsin Steel Works site; and

WHEREAS, The remediated site has been sold for redevelopment and now hosts multiple businesses that newly contribute to the economic prosperity of southeast Chicago; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recognize Navistar, Inc. for its initiative in assuming responsibility for the site environmental remediation project; and be it further

RESOLVED, That we commend Navistar and its project team - environmental consultant ARCADIS and environmental communications specialist EnviroCom - for steadfast commitment, engineering excellence, and well-attuned stakeholder engagement which resulted in the remarkable success of the project; and be it further

RESOLVED, That we commend the staff of the Illinois Environmental Protection Agency Site Remediation Program for outstanding civil service; and be it further

RESOLVED, That we state our belief that the environmental cleanup of the Former Wisconsin Steel Works site exemplifies a high benchmark in Illinois for the collaboration of corporate citizenship, federal guidance, State programming, city interaction, applied technical excellence, and fully-connected community relations; and be it further

RESOLVED, That we state our belief that the environmental remediation project offers not only a fitting epilogue for the once mighty Wisconsin Steel Works, but, in great measure, presents the hope and promise of a bright future for the southeast Chicago community that lives to thrive again.

HOUSE RESOLUTION 900

Offered by Representative Ford:

WHEREAS, The World Kindness Movement is an organization with no religious or political affiliation whose chief objective is to foster goodwill among the local, national, and international communities; by way of kindness, the movement hopes to create greater understanding and co-operation between all people and nations throughout the world; and

WHEREAS, The World Kindness Movement was conceived at a Tokyo conference in 1996 when founders of the Small Kindness Movement in Japan brought together like-minded individuals from around the world who had started kindness movements in their own countries; a second conference was held in 1997 in which the World Kindness Movement was formed, with the founding members being the countries of Japan, Singapore, Australia, Canada, Thailand, the United Kingdom, and the United States; the movement was officially launched in Singapore in November of 2000 at the Third WKM Conference with 33 delegates from 22 countries; and

WHEREAS, The date decreed for World Kindness Day is November 13 of each year, which was the opening day of the first World Kindness Movement conference held in Tokyo in 1998, and the 35th anniversary of the Small Kindness Movement of Japan, which brought the signatories of the 'declaration of kindness' of the World Kindness Movement together in 1997; and

WHEREAS, Individuals can help implement the goal of the World Kindness Movement by themselves being kind and helping others; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate November 13, 2014 as "Random Acts of Kindness Day" and urge all citizens to be kind to others and do a random act of kindness on this day.

HOUSE JOINT RESOLUTION 85

Offered by Representative Gabel:

WHEREAS, Despite an increased focus on improving the quality of care in the United States, our nation's healthcare system often remains fractured, with misaligned payment systems, a lack of information and transparency, and gaps in care delivery; and

WHEREAS, The healthcare marketplace has traditionally rewarded our providers for the volume of care they deliver; even though utilization of healthcare is high, there are significant differences between the healthcare that should be received and the healthcare that is actually received; those gaps result in increased costs, and in some cases, harm to patients; and

WHEREAS, The Patient Protection and Affordable Care Act contains provisions that are facilitating a shift from volume of services provided to the value of services provided by linking provider and physician payment to quality of care and patient outcomes; and

WHEREAS, The Institute of Medicine defines healthcare quality as "the degree to which health services for individuals and populations increase the likelihood of desired health outcomes and are consistent with current professional knowledge" and has recommended that the United States healthcare system be aligned to deliver care meeting 6 aims critical to quality improvement, including care that is safe, effective, patient-centered, timely, efficient, and equitable; and

WHEREAS, The United States Department of Health and Human Services was tasked by the Patient Protection and Affordable Care Act to convene public and private stakeholders to establish a National Quality Strategy focused on 6 priorities: safety, care coordination, population/community health, clinical care, patient and care-giver centered experience and outcomes, and efficiency and cost reduction; public and private entities are encouraged to align their activities to reach these common aims; and

WHEREAS, Working from this common understanding of quality, experts have developed hundreds of quality measures in use today and continue to develop and refine new ones; and

WHEREAS, Measures of quality should be evidence-based, consistent with nationally-recognized practice guidelines and endorsed through a multi-stakeholder consensus-based organization (i.e., National Quality Forum); and

WHEREAS, The trends of linking quality of care to reimbursement and using quality information to inform patient choices will continue to grow as they are critically important to ensuring that healthcare reforms preserve and enhance the quality of healthcare; and

WHEREAS, Evidence-based cost and quality measures will help the healthcare system evolve from one rewarded for the volume of services to one promoting the value of services; and

WHEREAS, Because medical advances occur rapidly, quality measures need to be updated regularly to reflect the latest medical knowledge and continuous reassessment is required to avoid penalizing early adopters of care improvement and to facilitate medical innovations; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we support the application of evidence-based multi-stakeholder endorsed (National Quality Forum) quality measures and requirements that health plans and providers report publicly on quality performance to improve patient outcomes and better inform patient choices in state Health Insurance Marketplaces and state-funded healthcare programs, including Medicaid.
