#### HOUSE RESOLUTION 1118

Offered by Representative Bill Mitchell:

WHEREAS, President Barack Obama will conclude his second and final term as President of the United States of America on January 20, 2017 and will thereafter endeavor to build a Presidential Library and Museum; and

WHEREAS, It has been widely reported that the Barack Obama Foundation will choose between potential sites for the Presidential Library and Museum in Illinois, Hawaii, and New York; and

WHEREAS, A recent legislative initiative proposes to allocate \$100 million from Illinois capital spending funds for the construction of President Obama's Presidential Library and Museum; and

WHEREAS, This proposal comes at a time when the State's budget condition continues to worsen, despite a record 67% tax increase in 2011 and economic growth that continues to lag behind national recovery trends; and

WHEREAS, The State of Illinois has a \$5 billion backlog of unpaid bills; over the last 5 years, the State has been unable to adequately fund budget priorities, such as education, human services, and public safety programs and services; and

WHEREAS, The last two Presidents of the United States have used private donations to build their libraries; and

WHEREAS, No Presidential Libraries overseen by the National Archives and Records Administration have received direct funding from either the Federal government or their respective states; therefore, be it

**RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we state the belief that, despite our utmost respect for the office of the President of the United States of America and the historical and academic importance of**

Presidential Libraries, the State of Illinois cannot afford to spend \$100 million from taxpayer funds on this project; and be it further

RESOLVED, That we show our support for the efforts by many to locate a Presidential Library and Museum to the State of Illinois without the use of taxpayer funding; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor of the State of Illinois, the President and Minority Leader of the Illinois Senate, and the Speaker and Minority Leader of the Illinois House of Representatives.

#### HOUSE RESOLUTION 1119

Offered by Representative Tracy:

WHEREAS, The members of the Illinois House of Representatives recognize that every student is unique and that all children learn at a different pace when compared to their peers; and

WHEREAS, The commonality between all students is the need to be amongst their peers; and

WHEREAS, Inclusive education brings all students together in one classroom and community, regardless of their strengths or weaknesses in any area, and seeks to maximize the potential of all students; and

WHEREAS, Students with disabilities can be integrated socially with their peers; and

WHEREAS, Students can create long-lasting friendships that would not be otherwise possible; these friendships can give them the skills to navigate social relationships later in life; and

WHEREAS, In a well-designed inclusion classroom, the teacher uses inclusion strategies to help students succeed academically; therefore, students encounter higher expectations, both from their peers and their teachers, as well as the positive academic role models of their classmates without disabilities; and

WHEREAS, Students with disabilities educated in an inclusive classroom have been found to score higher on literacy measures than students educated in segregated settings; and

WHEREAS, Research has shown that the majority of students without disabilities have scored higher on State standardized tests over a period of 4 years; and

WHEREAS, Research also indicates that inclusive education promotes and enhances all students' social growth within inclusive classrooms and does not negatively affect typical students' academic growth; and

WHEREAS, In an inclusion setting, students with and without disabilities learn how to work with each other, regardless of individual skills and abilities, which helps improve academic performance and the ability to succeed later in life; and

WHEREAS, All parents want their children to be accepted by their peers and have friends; inclusive settings can make this vision a reality for many children with disabilities; and

WHEREAS, The family of the disabled student can be positively affected by classroom inclusion through newly potential friendship and relationship opportunities; and

WHEREAS, When children attend classes that reflect the similarities and differences of people in the real world, they learn to appreciate diversity; and

WHEREAS, Respect and understanding grow when children of differing abilities and cultures communicate and learn together, which may be the first step in creating a more diverse workforce and world; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage the Illinois State Board of Education and each school district in this State to consider the potential benefits of inclusive education for students with and without disabilities in Illinois; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Illinois State Board of Education and the Regional Offices of Education.

At the hour of 6:39 o'clock p.m., the House Perfunctory Session adjourned.
