WHEREAS, The Central Austin Neighborhood Association contended that Chicago police officers are not dispatched to 911 calls in a timely manner in primarily African American and Hispanic neighborhoods and communities; and

WHEREAS, The Office of Inspector General of the City of Chicago is empowered by Section 2-56-030 of the Chicago Municipal Code to investigate the performance of governmental officers, employees, functions, and programs, either in response to a complaint or on the Inspector General's own initiative, in order to detect and prevent misconduct, inefficiency, and waste within the programs and operations of the city government; and

WHEREAS, Because of the lawsuit filed by the American Civil Liberties Union of Illinois and the complaints of the Central Austin Neighborhood Association, it is of urgent necessity that a performance audit of the Chicago Police Department be conducted by the Inspector General of the City of Chicago to determine and assess police emergency response times in Chicago neighborhoods and communities and to make recommendations to improve response times in primarily African American and Hispanic neighborhoods and communities; therefore, be it

WHEREAS, Responsible assessments allow us to determine year-over-year and intra-year growth of all students, and important tranches such as low-income students, students of color, special needs students, and English learners; and

WHEREAS, In many districts the combined in-district and State testing burden has led to a detrimental loss of instructional time for our students and teachers; and

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Illinois State Board of Education, together with partners in education, the General Assembly, and other experts from relevant fields, to study the efficacy of capping the combined state and in district summative test burden for all Illinois school districts at a reasonable number of hours per year and make a report to the Illinois General Assembly by January 15, 2016 as to the potential advantages and challenges presented by adopting such a cap in Illinois; and be it further
