To Clerk of the House Timothy D. Mapes:

During the floor debate, I spoke twice against this bill and urged a "NO" vote, but my vote was not recorded as such. The chair adjourned session shortly thereafter, before I had a chance to speak up. My lack of recorded vote did not impact the outcome of the vote, but please let the record reflect that I intended to vote no.

Sincerely,

I am further directed to transmit to the House of Representatives the following copy of the Governor's veto message to the Senate:

Passed by the Senate, December 1, 2016, by a three-fifths vote.

Tim Anderson, Secretary of the Senate

December 1, 2016

To the Honorable Members of
The Illinois Senate,
99th General Assembly:

Today I return Senate Bill 2822, which would give \$215,000,000 to Chicago Public Schools without having reached agreement on comprehensive pension reforms for the State and local governments.

In June we agreed on a six-month funding bridge to a balanced budget with structural and economic reforms. Democrat leaders were clear at that time that an agreement to end the budget impasse was not possible before the election. Although disappointed, we came together to fund schools and critical government operations until legislative leaders were willing to reengage in serious, good faith negotiations.

As a precondition to funding schools statewide, Democrats proposed a \$700 million State bailout of CPS. We eventually agreed to provide CPS with \$215,000,000 – the estimated amount of its Fiscal Year 2017 employer normal pension cost – but only if we came together to pass comprehensive pension reform. Without reforms to solve our structural problems, taxpayer money would continue to be wasted on bailout after bailout.

The agreement was clear: Republicans supported Senate Bill 2822 only on condition that Democrats reengage in serious, good faith negotiations; and President Cullerton and Leader Radogno filed motions to reconsider the bill, which would keep the bill in the General Assembly until a pension reform agreement was reached. The election is over. Despite my repeated request for daily negotiations and hope to reach a comprehensive agreement by the end of next week, we are no closer to ending the impasse or enacting pension reform. Still, President Cullerton withdrew his motion to reconsider the bill, ruled that Leader Radogno's motion was inapplicable, and presented the bill to me for approval or veto – forcing me to take action. Then today, President Cullerton suddenly denied that the leaders had agreed that this bill would depend upon first enacting comprehensive pension reform. Breaking our agreement undermines our effort to end the budget impasse and enact reforms with bipartisan support.

The taxpayers of Illinois want a balanced budget. That can only be done if we address the structural imbalances that have bankrupted the State and CPS alike and drain resources that should be spent on other priorities, like improving schools and funding social services. The taxpayers of Illinois do not want just another bailout. Let's get back to work to end the budget impasse and put Illinois on the right track once and for all.

Therefore, pursuant to Section 9(b) of Article IV of the Illinois Constitution of 1970, I hereby return Senate Bill 2822 entitled "AN ACT concerning public employee benefits", with the foregoing objections, vetoed in its entirety.

Sincerely,

Bruce Rauner
GOVERNOR

WHEREAS, The United States and the State of Illinois should strive to foster inclusion, opportunity, and equality for all individuals regardless of race, gender, nationality, sexual orientation, or religion; and

WHEREAS, We are a nation built on an American dream, which has flourished due to hope, unity, and the acceptance and inclusion of immigrants in our society; and

WHEREAS, The greatest strength of our people and our society is our diversity; out of many, we are one; and

WHEREAS, Stephen Bannon is a known white supremacist who has fanned the flames of hatred and intolerance while editor-in-chief at Breitbart News; as a top advisor, he has brought the same hateful tactics to President-elect Donald Trump's campaign; and

WHEREAS, The deplorable headlines published during Mr. Bannon's tenure at Breitbart including: "Would you rather your child had feminism or cancer", "Hoist it high and proud: The Confederate flag proclaims a glorious heritage", "Gay rights have made us dumber, it's time to get back in the closet", "Bill Kristol: Republican spoiler, renegade Jew", reflect the frightening world view of the white-nationalist group, known as the "alt-right"; and

WHEREAS, An individual heralded by the "alt-right" and pushing a strong white-nationalistic, anti-Semitic, Islamophobic, and misogynistic agenda, who has used racial divisiveness for his own personal advancement has no place working in American government, much less in a leadership role within the White House; and

WHEREAS, Since the November 8, 2016 election, the Southern Poverty Law Center and the American Council on American-Islamic Relations have both documented an alarming surge in the number of reported hate crimes against marginalized Americans; and

RESOLVED, That we urge Governor Rauner to stand with marginalized communities in Illinois and call for the rejection of hate speech and the immediate dismissal of Mr. Bannon; and be it further

RESOLVED, That suitable copies of this resolution be delivered to Governor Rauner and President-elect Trump.
