Dr. John Johnson: "We Pray. Lord God and Father, enable me to begin this day in this session in the right spirit for I want to face this day and every day of my life positively and confidently. Remind me of your promises to hear those who call upon you when I become discouraged or beset by seemingly insurmountable problems. Let me know again and again that you accept me when I become anxious and fearful or feel like giving up in the face of difficult decision making. Help me make today an expression of trust in your abiding presence and let me triumph in the knowledge that you will bless all tasks which are undertaken in your name. Still the restlessness of our hearts and fill us with anticipation of your mercies. It is because of this mercy that we are bold even now to pray in your name. Amen."

Fredric B. Selcke: "House Bill 175, Jaffe et al., Amends the Illinois Antitrust Act, First Reading of the Bill; House Bill 176, Jaffe et al., Repeals Section of the Election Code, First Reading of the Bill."

W. Robert Blair: "Gentleman from eh.. Cook, Mr. William Walsh."

W. D. Walsh: "Mr. Speaker.. I am going to move that the House do now adjourn and at the time of the adjournment I would ask the Republican members to go down to 212 for a brief conference. Our program is that the.. that we will adjourn today and return tomorrow at 10:00. The Rules Committee will meet at 10:30 this morning after the Republican conference and meet until the Rules are agreed upon by the Rules Committee and copies of the Rules are expected to be available for the members in the Clerk's Office by 5:00 this afternoon so that any member who wants to pick up the Rules as recommended by the Rules Committee may do

so at 5:00 this afternoon. Eh.. now we.. I move that the House eh.. do now adjourn until the hour of 10:00 A.M. tomorrow."

W. Robert Blair: "Yes, eh.. Republican conference will be in eh.. 212. Gentleman from Union, Mr. Choate."

C. L. Choate: "Well, Mr. Speaker, eh.. I think that it's time that the House does get into session and can pay attention to the things that the people of the State of Illinois have sent us up here to pay attention to. Consequently, I would hope that the Rules Committee can get their job done as soon as possible as far as the recommendations to the entire Body is concerned. I would hope that the entire Body, at least those who are interested, would avail themselves of the opportunity of having a copy of the proposed Rules so that they can look at them and come up with any suggestions that they might have and, as we know, several members on the Floor can attest to, at the Rules Committee meetings yesterday afternoon, last evening and last night, there was participation by the members of this Body who did attend that meeting and certainly they will be welcomed at the upcoming meeting. I would like to announce to the Democratic members, Mr. Speaker, that there will be a conference in Room.. will you give me a room number..?"

W. Robert Blair: "M-5."

C. L. Choate: "In Room M-5 immediately after adjournment for the two purposes that I suggested to the membership yesterday on this side of the aisle. Primarily, for the purpose of filling out a committee request slip and for the purpose of

having permanent assignments as far as membership's offices space.. eh.. office space is concerned. Room M-5, immediately after adjournment. I would ask the.. also, Mr. Speaker, for the members of the Rules Committee on the Democratic side to meet with me in my office immediately after adjournment for about two seconds."

W. Robert Blair: "Alright, and the Rules Committee will eh.. take up at 10:30 in eh.. Room 212. Ah.. Republican conference in Room 212 right now. The Gentleman from eh.. eh.. Cook, Mr. William Walsh eh.. renews his motion that the House do now stand adjourned until the hour of 10:00 tomorrow morning. All those in favor say Aye.

Members: "Aye."

W. Robert Blair: "Opposed, No."

Members: "No."

W. Robert Blair: "The Ayes....."

W. Robert Blair: "Well, I don't know what to do. The Clerk says we can't have a Roll Call. It seemed to me there were more Yeas than Nays so eh.. we'll stand adjourned until the hour of 10:00 tomorrow morning."
