Bless our State with honorable industry, solemnity, and pure manners. Save us from violence and from every evil way, help us to defend our liberties and fashion to one united people multitudes brought hither out of many kindrance and tongues, and do with a spirit of wisdom we who in Thy name are entrusted with the authority of Government, that there may be justice and peace at home. And that through obedience of thy law we may show forth our praise, and the time of prosperity fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in thee to fail. All of which we ask through Jesus Christ our Lord. Amen."

O'Brien: "Senate Bill 34, A Bill for an Act to repeal a certain appropriation of the Capital Development Board and to make a like appropriation of the Secretary of State for the same purpose. Third Reading of the Bill."

Speaker Redmond: "Representative Brandt."

Brandt: "Mr. Speaker, Members of the House. Senate Bill 34 covers an appropriation for the completion of the Capitol Building and the Senate Chambers. I would appreciate a favorable vote... and the passage of this Bill. It is necessary that we pass this Bill so we can start working on it... on the Senate Chambers as of July 1, 1975. We have a number of contracts that we have started in 1974, that have to be completed this year, and along with that we have various different items to be taken care of, and on the first floor of the Capital Building here. I would appreciate the passage of Senate Bill 34."

Speaker Redmond: "Any discussion... Representative Hudson."

Speaker Redmond: "Representative... yes he took it out of the record."

Representative Hoffman, for what purpose do you arise."

Hoffman: "Mr. ah... Mr. Speaker, Ladies and Gentlemen of the House.

Ah... I rise to... ah... request ah... consent of the House to ah...waive rule number 18, in which is the posting rule, in respect to ah... House Bill 534, which I introduced today. It's a Bill that ah... we passed ah... last session and got caught at the end of the session, being tied up with an Amendment, deals with a Tax roll back... on the ah... resource equalizer, there are 15 Cosponsors on the Bill and I would like to wave, I believe it's rule number 18, and ah... have the Bill posted next week in the Education Committee."

Speaker Redmond: "The Gentleman has moved the appropriate rule, with respect to the posting of the Bill to be waived so that his Bill may be heard next week, in Committee. Are there any discussion? The question is, on the adoption of the motion. All those in favor indicate by saying "aye". Opposed "no". The "ayes" have it, the motion is adopted."

Speaker Redmond: "I see that the... I see that the House... This is a very serious announcement. I see that the House is honored with the presence of the distinguished Attorney General. Attorney General Scott."

Speaker Redmond: "Representative Washington, the gentleman from Cook."

Washington: "Ah... Mr. Speaker, I rise to a point of personal privilege."

Speaker Redmond: "State the point."

Washington: "Ah... my point of personal privilege ah... Mr. Speaker, revolves around an article in today's Sun Times, on page 46. It deals with the singing anti E.R.A. group, which was here yesterday. Let me quote, it won't take long. "Last time the E.R.A. opponents came to the Capital, they brought home big loads of bread as Valentine Day reminders of the Legislature. This time they brought a song. The song goes we do not want the E.R.A., it's not the Christian way, our home is run by Dad, we know the E.R.A. is bad. I'll continue with the article, they sang this to the tune of "Down By The River Side", outside of Committee hearings, in which Legislative Staff Members were preparing for several Committee hearings. Representative Harold Washington, of Chicago,

Chairman of a House Judiciary One Committee, was asked in the hallway if he supported E.R.A. Yes I do, Washington said quietly... but I like your song. What, yell the women... girls, here's one... he actually support the E.R.A. A group of women carrying Stop E.R.A. signs began to converge on Washington, who backed off smiling... he said, I like your song, I really do... and then took off literally running down the hallway." Now, Mr. Speaker, the Sun Times, advertently or inadvertently... has implied that I am a coward, that I would run. I wasn't running, I was looking for Giddy Dyer... Jeanie Chapman and Susie Catania, so I could meet force with force."

Speaker Redmond: "The gentleman has stated his point of personal privilege. I saw the episode, and I thought he was being pursued by the charming ladies."

Speaker: "Announcements. Representative Shea."

Shea: "Mr. Speaker, Ladies and Gentlemen of the House. On your calendar with regards today's Committee hearings, there are three changes. Labor and Commerce, is marked 10 A.M. on..."

Speaker Redmond: "Changes in Committee, I would suggest that we give the gentleman some order."

Shea: "The... Labor and Commerce Committee is marked 10 A.M., it should be 2 P.M., and it will be heard in Room D-1. With regards to Transportation Committee, it's at 12 o'clock noon, but it will be heard in Room D-1. The Insurance Committee, is set for Room D-1, instead of 1 o'clock, it's 4 o'clock, Mr. McPartlin has told me that the Public Utilities meeting at 4, is canceled... And, then Mr. Speaker, with regards to the schedule for next week... if I might, when we adjourn today, we will adjourn until Monday, at 3, at which time the House will be in Perfunctory Session. We will return at 12 noon, on Tuesday, and have a floor session on Tuesday, we will be in at session on Wednesday at 10, and we will have a floor session, Thursday at 9:30, so we will be in session three days next week, Tuesday, Wednesday and Thursday. And hopefully we will have a short session on Thursday and Thursday Committee Meetings will be at 11 o'clock A.M. On Thursday the Committee Meetings will commence instead of 2 o'clock, at 11 o'clock A.M. And Monday is a Perfunct, so that the next time that we will be in regular session

will be Tuesday, at 12 o'clock noon."

O'Brien: "The Clerk's office will be open today for you to file Bills for introduction, and then Monday in the Perfunctory Session they will be introduced and read a first time. So, the new Bills you're receiving, if you will turn them in today, they will be introduced Monday."

Speaker Redmond: "Death Resolution. This is a Death Resolution please, maintain order."

O'Brien: "House Resolution 69, Berman. In respect to Rabbi William B. Gold. House Resolution 86, Geo-Karis. In respects to the Honorable Earl Madigan, of Lincoln. House Resolution 89, Rayson. Respect to the Honorable Robert S. Juckett. House Resolution 94, McLendon. With respect to the passing Eli Mohammed. House Resolution 96, Lechowicz. Respect to the passing of Adoph Pachucki. House Resolution Number 86, referes to the tragic... passing of the Honorable Earl Madigan of Lincoln, member of the Logan County Board, and father of Congressman Edward Madigan, of Illinois, from Logan County. Earl Madigan was one of the 18 members of the newly created by satute, Illinois Energy Resources Commission, of which yours truly is the Chairman. On the 30th of January, 1975, when we adjourned the meeting at 5:15, Mr. Madigan was on his home and at 5:40 he slumped in his car, hit a building and was killed. In 1970 Mr. Madigan resigned from his County Post to become Technical Advisor and Deputy Clerk in the office of Court of Claims, in Springfield and he left that office in 71 to wage a successful campaign for a seat in the Logan County Board, a position which he held until his

Death. He was a gentleman, always interested in serving the the affairs of his Community, and to this end, he was a Member of Citizens School Committee, the St. Clara's Hospital Fund Drive, Logan County Farm Bureau, Greater Lincoln Area Chamber of Commerce, American Judicature Society, the American Political Science Association, and he was an Eagle, a Moose, a Knight of Columbus and a member of the Ancient Order of Hibernian, he is survived by his beloved wife, Theresa Loobey Madigan; by his two sons, Congressman Edward and Mr. Robert Madigan; his daughter, Sandra Madigan Naiman of Elmhurst, Ah... as Chairman of the Illinois Energy Resource Commission, I would like to say that the loss of Earl Madigan in our Commission is a bad loss, because he was a great person and a dedicated man to his job. At this time Mr. Speaker, I would like to asked that everyone in this House who so choses... be added on to this Resolution in memory of the late Earl Madigan, a Member of the Illinois Energy Resources Commission. And to this Resolution, Representatives Deavers, Lauer and Bradley, join me in this commemorative Resolution on the memory of Earl Madigan."

Speaker Redmond: "Did the Gentleman from Cook, Representative Lechowicz desire to be recognized."

Lechowicz: "Thank you, Mr. Speaker, Ladies and Gentlemen of the House. With leave of the House I would like to have the Clerk read, House Resolution 97, in memory of ah... John Kluczynski."

Speaker Redmond: "Leave granted, hearing no objections... leave is granted. Would the Clerk read the Resolution."

O'Brien: "House Resolution 97: Whereas, this House is deeply saddened to learn of the recent passing of the Honorable John C. Kluczynski, Representative in Congress from the 5th District of Illinois; and Whereas, Congressman Kluczynski served his District the People of Illinois, and the citizens of the United States for 12 terms in Congress, and had recently begun his 13th; he served as a member of the Public Works Committee and was Chairman of the newly-created Transportation Subcommittee; and Whereas, As Chairman of the Roads Subcommittee, Congressman Kluczynski was instrumental in the development of the Interstate Highway System in the United
