Speaker Ryan: "The House will come to order and the Members will be in their seats. The Chaplain for today is Father John Spreen from the Church of the Little Flower in Springfield. Father Spreen."

Father Spreen: "Let us pray. Almighty God, we thank You for the blessings You gave us yesterday. We thank You for giving us another day to give greater honor and glory to Your name. We humbly ask again for Your guidance and direction. We are helpless without Your help, we are hopeless without Your sharing wisdom and love. We ask that all of our thoughts, all our words, all our actions will be pleasing in Your sight and be constructive action for the good of the state and all its citizens. Heavenly Father, remove all anxieties and grant us an inward tranquility and peace, so that despite the many actions and distractions, we may be united with You in peace and harmony. Amen."

Speaker Ryan: "On the Calendar, page 8, under the Order of Consent Calendar Third Reading Second Day. Mr. Clerk, read the Bills. Mr. Kulas, would you come to the podium, please?"

Clerk Leone: "Consent Calendar Third Reading. Senate Bill 53...."

Speaker Ryan: "Just a minute, Mr. Clerk. Representative Bowman, for what purpose do you seek recognition?"

Bowman: "Just an inquiry of the Chair, Mr. Speaker. I notice on the Calendar that House Bill...Senate Bill 1020 is posted for tomorrow in Executive Committee. I believe that had previously been assigned to Education, the Motion made to suspend the posting requirement there, leave was not granted at that point. I guess it was reassigned but to my recollection, there was never leave of the House granted to suspend the posting requirement for the Executive Committee so, I don't believe that Bill can be heard tomorrow."

Speaker Ryan: "Representative Bowman, I understand that Bill has been assigned to Elementary and Secondary Education, that's were it is."

Bowman: "Fine. So, it is not coming up in Executive Committee tomorrow? It is reassigned. It is now in House Elementary and Secondary Education Committee? I just want to understand...understand this correctly. Okay, thank you."

Speaker Ryan: "It's in Elementary and Secondary Education. Proceed on the Consent Calendar, Mr. Clerk."

Clerk Leone: "Consent Calendar Third Reading. Senate Bill 53, a Bill for an Act to amend the Illinois Vehicle Code. Senate Bill 173, a Bill for an Act to amend the Illinois Vehicle Code. Senate Bill 1106, a Bill for an Act to amend the Motor Fuel Tax Law. Third Reading of these Bills."

Speaker Ryan: "Representative Collins on the Consent Calendar. The Gentleman moves for the adoption of the Consent Calendar. The question is, 'Shall these Bills pass?' All in favor will signify by voting 'aye', all opposed by voting 'no'. Have all voted who wish? Take the record, Mr. Clerk. On this question there are 119 voting 'aye', 1 voting 'no', and 24 voting 'present', and these Bills having received the Constitutional Majority is hereby declared passed. On this Roll Call Representative Slape, Representative Domico and Representative Kelly asks leave to be voted 'aye'. Representative Johnson leave to vote 'aye'. Representative Huskey and Representative Cullerton wish to have leave to vote 'aye'. Are there any objection? Hearing none, leave is granted. Representative Bower, for what purpose do you seek recognition?"

Bower: "Mr. Speaker, I would request the appropriate posting rule be suspended so that Senate Bill 514 can be heard tomorrow in the Committee on Financial Institutions. I talked to the Chairman and the Minority Spokesman and both agree."

Speaker Ryan: "You've heard the Gentleman's Motion. Are there any objections? All in favor will signify by saying 'aye'....Representative Getty."

Getty: "I just think that it would be appropriate if the Gentleman would at least state briefly what the Bill does..."

Speaker Ryan: "State briefly what the Bill does, Representative."

Bower: "Mr. Getty, the Bill is a Bill from the Joint Committee on Administrative Rules sponsored by Senator Berman in the Senate. It would require that if the Governor of the Joint or another agency wanted to hold a hearing on a regulation that...and the agency otherwise would not, that they could order it."

Speaker Ryan: "Now are there any objections? You heard the Gentleman's Motion to suspend the posting rule for Senate Bill 514. Representative Piel, for what purpose do you seek recognition?"

Piel: "Question. Has this been changed from Executive to Financial Institutions? Okay."

Speaker Ryan: "The Gentleman moves to suspend the posting rules for House...Senate Bill 514. All in favor will signify by saying 'aye'. There are no objections, leave is granted. Representative Deuster, for what purpose do you seek recognition."

Senate Bill 868. Senate Bill 868 was referred to Judiciary II, and I was asked to pick it up as Sponsor at a very late date, and I believe that's why it was not posted. This Bill....Mr. Ryan, John Ryan, has been around talking to as many Members on both sides of the aisle, including Mr. Getty, as possible. What this Bill does is amends the Code of Criminal Procedure to decrease, in some cases, the number of preemptory challenges in criminal trails except where the death penalty is sought. And I would ask leave to suspend the appropriate posting requirements so that this Bill, Senate Bill 868, could be heard in Judiciary II, tomorrow morning at 8:00 A.M."

Speaker Ryan: "Representative Johnson. What's the Bill number, Representative Deuster."

Dvester: "The Bill is number, Senate Bill 868. On page 366 of the...."

Speaker Ryan: "The Gentleman asks leave to have Senate Bill 868 posted for Judiciary...to suspend the posting rules for Judiciary. Is that correct? Representative Deuster, would you restate your Motion, please."

Deuster: "I move that the appropriate posting rule be suspended so that Judiciary II, Committee can tomorrow morning at 8:00 a.m., at their meeting, hear and consider Senate Bill 868."

Speaker Ryan: "The Gentleman asks leave to hear...to have Senate Bill 868's posting rules suspended. Are there any objections? Hearing none, leave is granted. Representative Davis."

Davis: "Well, thank you, Mr. Speaker. I would move to suspend the appropriate rule so that Senate Bill 192 could be heard in the Executive Committee tomorrow morning. I've cleared it with both sides of the aisle. It does business with the Greer Case in the case of murdering infants."

Speaker Peters: "That...that has not been part of our general agreement here. Senate Bills Third Reading. Senate Bill 477, Representative Vinson. Read the Bill, Mr. Clerk."

Clerk O'Brien: "Senate Bill 477, A Bill for an Act relating to certain investment credits. Third Reading of the Bill."

Speaker Peters: "Representative Vinson."

Vinson: "Thank you Mr. Speaker, Ladies and Gentlemen of the House. I believe that we have finally reached accord on this Bill. It is a Bill that will substantially stimulate the economy of Illinois. It would grant a 1/2 percent investment tax credit on the Replacement Tax in 1983 and a further 1/2 percent in 1985 if the particular employer and taxpayer has increased his employment by 1/2 percent. The beauty of the investment tax credit, a scheme originally devised in the Federal system by President Kennedy, is that it focuses tax relief on the creation of manufacturing jobs. And I believe everybody in this Chamber knows and understands the travail of the Illinois economy has gone under in the past ten years. We have lost nearly 140,000 manufacturing jobs in this state. This Bill has a chance to begin to reverse that trend, it begins to move this state forward and to improve our economy. And I would urge an 'aye' vote on the Bill."

Speaker Peters: "Representative Daniels in the Chair."

Speaker Daniels: "The Gentleman from Madison, Representative McPike."

McPike: "Thank you Mr. Speaker. Will the Sponsor yield?"

Speaker Daniels: "He indicates he will."

McPike: "This was expanded to include not just manufacturing and mining but also retail and wholesale, is that correct?"

Vinson: "Yes, its...it includes retail."

McPike: "Not wholesale, just retail?"

Vinson: "Retail."

Speaker Ryan: "Just a minute, Representative Kulas. We have an important announcement from the scheduling Chairman of the Democrat side. Representative Kulas."

Kulas: "Yes, Mr. Speaker. I haven't been getting much cooperation from the Leadership of the other side..."

Speaker Ryan: "Me either."

Kulas: "I realize that you were busy taking care of matters of state but meanwhile, the mushrooms has been festering here in the dark and they're not...they haven't been giving me any rest at all. I made a request last week, Mr. Speaker, of your office to at least put out a printed tentative work schedule for each week, so that the Membership could have this schedule on their desks. I even volunteered my services to help put out such a tentative work schedule."

Speaker Ryan: "We have the schedule, Representative. If you haven't received it, I'm sure you will."

Kulas: "I haven't received it yet. I think we would put out a tentative work schedule. It would appease the Membership, and it might illuminate their minds a little bit, you know."

Speaker Ryan: "We'll do our best."

Kulas: "Thank you."

Speaker Ryan: "That's a tough task though. Representative Daniels, do you seek recognition?"

Daniels: "Yes, Mr. Speaker. I have checked with the Chairman of Judiciary II, and he has requested that the following three

Senate Bill 932, Senator Joyce and Senate Bill 676, Senator Netsch. These three Bills suspend the appropriate rule so that they may be heard tomorrow at 8:00 o'clock, Judiciary II."

Speaker Ryan: "Would you hold that Motion for a moment."

Daniels: "Certainly will."

Speaker Ryan: "Thank you. Representative Piel, for what purpose do you seek recognition."

Piel: "Thank you, Mr. Speaker. I would like leave of the House. I've got a Bill in Financial Institutions, House Bill 1056, and I would like leave of the House to table House Bill 1056."

Speaker Ryan: "What's the number?"

Piel: "I'm sorry, Senate Bill 1056."

Speaker Ryan: "Senate Bill 1056?"

Piel: "Yes."

Speaker Ryan: "The Gentleman asks leave to table Senate Bill 1056. Are there objections? Hearing none, the Bill is tabled. Representative McMaster."

McMaster: "Thank you, Mr. Speaker. I would like to ask permission to suspend the appropriate posting rule in order that Counties and Townships might hear Senate Bills 728 and 803 in Committee this afternoon. Representative Getty, are you listening. Senate Bill 728 concerns the Chicago Sanitary District. Senate Bill 803 amends the Government Ethics Act to require statements of economic interest filed underthere to be retained for seven years effective immediately. I would like to hear these two Bills in Committee this afternoon."

that motion for a moment. Representative Tate."

Speaker Ryan: "What was your motion, Representative?"

Tate: "To suspend the posting requirements for Senate Bill 597 in Secondary and Elementary Education."

Speaker Ryan: "Would you hold that motion for a minute?"

Tate: "Yes."

Speaker Ryan: "Representative Tate has moved that Senate bill 597, the posting rules be suspend so the Bill could be heard in Elementary and Secondary Education Committee tomorrow. Is there objection? Hearing none, leave is granted. Representative McMaster, would you restate your motion, please."

McMaster: "Thank you, Mr. Speaker. I would ask to suspend the appropriate posting rule in order that Senate Bills 728 and 803 could be heard in Counties and Townships this afternoon. Would you like an explanation of them, Mr. Getty?"

Speaker Ryan: "Representative Vinson."

Vinson: "Mr. Speaker, Ladies and Gentlemen of the House. I would object to 728 being heard."

Speaker Ryan: "Do you want to restate you motion for 803, Representative?"

McMaster: "Mr. Speaker, as a Chairman of a Committee, I feel it is my responsibility to hear every Bill that is put before us regardless of sponsorship or content. I think that's a responsibility that we have here in the House. I wish that Mr. Vinson would remove his objection. I think it is very important that all Bills be heard that are assigned to a Committee regardless of what they contain and regardless of who the Sponsor is. Mr. Vinson, would you remove your

objection?"

Speaker Ryan: "The Gentleman says, no. Do you want to restate your motion on Senate Bill 803, Representative McMaster?"

McMaster: "I'm not going to restate my motion for that one specific Bill when I'm excluding one. I refuse to state it."

Speaker Ryan: "Representative Neff, do you seek recognition?"

Neff: "Thank you, Mr. Speaker. I would like to amend the appropriate rules to hear HR 239 tomorrow morning at 9 o'clock in Transportation. This Resolution is sponsored by the Leadership of Republicans and Democrats and its been agreed to by the Minority Spokesman."

Speaker Ryan: "The Gentleman moves to suspend the appropriate rules for posting on Resolution 239. Are there any objections? Hearing none, leave is granted. Representative Terzich."

Terzich: "Yes, Mr. Speaker, I would like to suspend the appropriate rules to have House Bill 728 be heard in Counties and Townships."

Speaker Ryan: "We just had objections on that, Representative, from Representative Vinson."

Terzich: "Well, I can still make the motion regardless...that Bill is my Bill, and it wasn't posted, and it was transferred to that Committee and I think I have a right to hear my Bill. All I'm asking is the right to have my Bill heard in the Committee."

Speaker Ryan: "Representative Vinson."

Vinson: "Object, Mr. Speaker."

Speaker Ryan: "There has been objection, Representative Terzich. Representative Terzich."

Speaker Ryan: "You need unanimous consent, Representative. You

need leave of the House."

Terzich: "Well, then I'll object to any other motions, Mr. Speaker. Well, Mr. Speaker, could I put a motion to discharge Committee on House Bill 728?"

Speaker Ryan: "Hasn't been assigned to Committee yet."

Terzich: "Well then, please make a note that I object to any other exclusions of Bills being heard."

Speaker Ryan: "Representative McBroom."

McBroom: "Mr. Speaker, Members of the House, I'm getting more questions in regard to the insurance situation. Mr. Speaker, if I could have a...if I could have....if I could have just a little attention because this affects everybody here as well as many of your constituents. Number one - not necessarily in order of importance - Representative Virginia Frederick called me this morning and said that one of the radio stations had blasted away that the Legislators were lining their pockets and providing all kinds of medical benefits through the insurance policy and so on. That's absolutely not true. We're state employees and so are the individuals that work at Menard, and Kankakee, and Waukegan, and Joliet and so forth. Mr. Speaker....Bob...Bob, hold on just a minute....hold on just a minute. Secondly, Mr. Speaker, again, I was distracted just momentarily. It involves state employees and I want to point out as did the Representative Matijevich and Representative Wolf. Perhaps some of us in this room, perhaps fortunately a good many of us, if we had to come up with a thousand dollar deductible on a hospital...hospitalization program why, maybe some or most of us could do it. But I would like to ask a rhetorical question. What about the Lady that worked at the Waukegan State Hospital, makes eight hundred and fifty dollars a month, maybe has lost her husband, and has three children.

STATE OF ILLINOIS
92ND GENERAL ASSEMBLY
HOUSE OF REPRESENTATIVES

I'm not just sure how she can come up with a quick one thousand dollars. We passed a Resolution Friday as to how the Illinois House of Representatives felt about this situation and I would simply direct this to you, Mr. Speaker, and to the Minority Leader, Mr. Madigan, and those of you in Leadership, I understand that in spite of the Resolution that we passed, the Director of the Department of Personnel plans to sign the contract today. I would hope that he wouldn't do that. I would hoped...would hope that he or one of his legislative liasons might, might be listening, and I would hope that there would be some slowing down in the process until the Director of Personnel really understands the legislative intent. And if you would look into that, Mr. Speaker, or one of your staff to see, in fact, if he intends to sign the contract today, I think we would all be grateful. Thank you."

Speaker Ryan: "Representative Matijevich."

Matijevich: "Mr. Speaker, I join Ed McBroom in that request. I think it is important that the agency understands legislative intent. All four of the Legislative Members of that Advisory Committee did not approve of that contract, and this is not a matter of what we're doing for Legislators at all. It seems like everything is always twisted. I think we, as a Legislature, have some responsibility for state employees. We are are no different in this regard than an employer being concerned about the employees and health benefits that ought to be due to those employees. I think that this is an urgent matter. I don't think that we ought to give ground, and I think that the Director of the Department of Personnel ought to be aware of that. I surely will make him aware of that when his budget comes before the Appropriations Committee, and I would hope that the Committee Chairman,

Jake Wolf, would join in that. All we're looking at is some equity. This is the first time in my experience that we have gone backwards in providing benefits for public employees, and I don't see in this day and age where we ought to go backwards. We ought to be progressing."

Speaker Ryan: "Representative Daniels."

Daniels: "Mr. Speaker, I wish to renew my Motion on the suspension of the posting rules as to Senate Bill 644. Senator Marovitz is the Sponsor. Senate Bill 932, Senator Joyce is the Senate Sponsor. On these two Bills, I move to suspend the appropriate posting rule so that they may be heard in House Judiciary II Committee tomorrow. And on Senate Bill 676, which is Senator Netsch, I move to recommit from the House Executive Committee to the House Judiciary II Committee and then suspend the posting rule so that Bill can be heard in Judiciary II Committee tomorrow."

Speaker Ryan: "You've heard the Gentleman's Motion. Are there any objections? Hearing none, leave is granted. Representative McAuliffe, do you seek recognition?"

McAuliffe: "I do, Mr. Speaker. I would like to ask to waive the appropriate rule to have three Bills posted today at our 4:00 o'clock meeting. Senate Bill 418, Senate Bill 842, and Senate Bill 1061."

Speaker Ryan: "Would you hold that Motion for a minute?"

McAuliffe: "Yes, Mr. Speaker."

Speaker Ryan: "Representative McGrew, do you seek recognition?"

McGrew: "Well, I think so. I am not sure what the posture is. I was wanting to...unanimous leave to have the posting notice suspended so that Senate Bill 253 could be heard in Higher Education today. It has been reassigned from Executive."

Speaker Ryan: "Hold the Motion for just a minute. You've heard the Gentleman's Motion on Senate Bill 1190. Are there any objections? Hearing none, leave is granted. Representative Wolf."

Collins: "Mr. Speaker, I was about to place that Motion, but Representative Grossi stopped me. He has a Motion to suspend the posting rule on Senate Bill 1096 so it may be heard in the Committee on Financial Institutions tomorrow, and I know it's been cleared."

Speaker Ryan: "You've heard the Gentleman's request. Are there any objections? Hearing none, leave is granted."
