Speaker Madigan: "The House shall come to order. The Members shall be in their chairs. We shall be led in prayer today by the Clerk of the House of Representatives, Mr. Jack O'Brien. Would those in the gallery please rise and join us in the invocation?"

O'Brien: "Let us pray. Lord, bless this House and all those that serve and work here. Amen."

Speaker Madigan: "We shall be led in the Pledge of Allegiance by Representative Ropp."

Ropp - et al: "I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Madigan: "Roll Call for Attendance. Mr. Matijevec, are there any excused absences?"

Matijevec: "Yes, Mr. Speaker, let the record show Representative Taylor and Representative Christensen as excused absences, and I would hope that all Members, at least in a minute of their own time, offer their prayers. Representative Ray Christensen's wife, I understand, is in a coma and in very, very serious health, as we all know. Thank you, Mr. Speaker."

Speaker Madigan: "Let the record show those excused absences. For what purpose does Mr. Piel seek recognition?"

Piel: "At the present time we have no excused absences on this side, Mr. Speaker."

Speaker Madigan: "Mr. Clerk, take the record. There being 116 Members responding to the Attendance Roll Call, there is a quorum present. Mr. Clerk, do you have any business? Okay. The Chair would ask Representative Homer and Representative Hawkinson to come to the podium for the purpose of a presentation."

appears under the Order of Motions on House Bill 1399. With leave of the House, we'll go to that Motion. Representative Pullen has a Motion. The Lady from Cook, Representative Pullen, are you ready to proceed?"

Pullen: "Thank you, Mr. Speaker. I move to take House Bill 1399 from the table and place it on the Calendar on the Order of Conference Committee Reports. This Bill was tabled last year, because it is in Conference Committee form but was not adopted by the time of the deadline. It is now found to be needed. I believe that it will constitute the major pro-life Bill of this Session. The purpose is to amend the Illinois Abortion Act in order to bring it into conformance with recent court rulings. We need to repeal certain Sections and reword others. This is necessary if we are to be able to enforce this law, and the provisions in it deal primarily with late-term abortions. I move that this Bill be taken from the table."

Speaker Matijevich: "Representative Pullen has moved that House Bill 1399 be taken from the table and placed on the Calendar on the Order of Conference Committee Reports. Is there any discussion on that Motion? If not, those in favor will signify by voting 'aye', those opposed by voting 'no'. Does somebody... Matijevich 'aye'. This Motion takes three-fifths votes. Have all voted? Have all voted who wish? The Clerk will take the record. Yes. Representative Currie, for what purpose do you rise? I can't hear you. Representative Currie."

Currie: "I had my light on, Mr. Speaker, to request a verification."

Speaker Greiman: "Alright. The Gentleman from Cook, Mr. Terzich, moves to take House Bill 133 from the table and have it placed on the Order of Concurrence. And on that Motion, is there any discussion? There being none, the question is, 'Shall this Motion be adopted?' All those in favor signify by voting 'aye', those opposed vote 'nay'. Speaker Greiman: "Gentleman from Lake, Mr. Matijevich, on Amendment #3."

Matijevich: "Mr. Speaker, Ladies and Gentlemen of the House, House Bill... Amendment... Amendment #3 to House Bill 2689 is an agreement that we've worked out with the Governor. It's a matter of 2,100,000 dollars for a completion of the expansion of the Waukegan Harbor. This is actually not new money, except that it's General Revenue rather than CDB funds. I've written a letter to the Governor. He wanted to make a commitment that this isn't an addition to the eight million which we initially approved in CDB funds for the Waukegan Harbor, which this is part of that commitment. It's all been agreed to. I now move the adoption of the Amendment #3 to House Bill 2689."

Speaker Greiman: "The Gentleman from Lake moves for the adoption of Amendment #3 to House Bill 2689. And on that, is there any discussion?
