Speaker McPike: "Representative Rea in the Chair, for an introduction, I wish the Members could give their attention to the Chair please. Representative Rea."

Speaker Rea: "Thank you Mr. Speaker, Ladies and Gentlemen of the House, we are honored today to have a special olympian and his classmates from the Benton High School. First I would like to introduce Lori Tockstein, a teacher in the Benton High School, who will introduce the students before we hear a few words from Mark Franklin."

Tockstein, Lori: "Ladies and Gentlemen, I would like to introduce to you the Benton High School special olympian and the classmates of Mr. Mark Franklin. Thank you for having us here today."

Speaker Rea: "At this time it gives me great pleasure to introduce a special education senior at Benton Consolidated High School, who won both a gold and silver medal at the International Special Olympics at Notre Dame University. Mark is a popular student at Benton High School, where he is manager of both the football and basketball teams. On Saturday, October the 24th, Mayor Charlie Smith, who is here with us today, led a city wide celebration for Mark Franklin on a street which now designated as Mark Franklin Street. This was a first time an American street was named in honor of a special olympian. And the citizens of Benton are very proud of Mark. We passed a Resolution, as you recall back in October, honoring Mark Franklin, because we

also are very proud of him in...being from the State of Illinois. At this time let me present to you our special olympian Mark Franklin."

Franklin, Mark: "Thank you Ladies and Gentlemen for inviting me to speak here before you today. Thank you, Representative Rea and Senator Poshard for your support before, during and after my return from the International Special Olympic Games. Thank you...special education teachers and fellow students for being here today. My special friends, Matt Wynn and David Severn, convinced me to represent the State of Illinois in the International Special Olympics last summer the famous people and fireworks display at these events was unforgettable. Participants, the courage and determination of the participants was really something to see. With the help of my coach, 'Rick Shaw', I was able to win a gold medal in the high jump and a silver medal in the pentathlon for the great State of Illinois. I would like to thank my supporters at home for their encouragement. A few weeks later the great town of Benton honored me by naming a Mark Franklin Street. I would like to thank Mayor Charles Smith, the Franklin Hospital, Jake Seymour and many others for their efforts in this un...unforgettable event. I hope other towns and cities in Illinois can recognize their special olympians in some way. I encourage them to support their local special olympics. With time and money we ask only that we be given a chance to participate in this great soci...society of these United States of America. In closing, I would like to invite all of you to come and observe and possibly get involved in the Illinois State's Special Olympics this June 17th through 19th at Normal, Illinois. Thank you again for honoring me and all special olympians across this great State of Illinois by...by allowing me to speak before you today. I shall
