

STATE OF ILLINOIS  
85th GENERAL ASSEMBLY  
HOUSE OF REPRESENTATIVES  
TRANSCRIPTION DEBATE

95th Legislative Day

April 26, 1988

Speaker Breslin: "Ladies and Gentlemen, the hour of 12:00 o'clock having arrived, Members should be in their seats. The Chaplain for today will be the Rabbi Steven Moch, from Temple B'rith Sholom in Springfield. Rabbi Moch is a guest of Representative Curran. We invite our guests in the gallery to join us for the invocation. Reverend Moch."

Rabbi Moch: "One of the central prayers in the Jewish Tradition addresses God with the words; Our God and God of our ancestors; God of Isaac; God of Abraham; God of Isaac; and God of Jacob. And the question comes to mind, why could the prayer not simply have said; God of Abraham, Isaac and Jacob? Why does it need to repeat, God of Abraham, God of Isaac and God of Jacob? And I would answer, that it is because for each person, God is completely different, responding directly to the needs of that individual. The God of Abraham differs from the God of Issac, who differs from the God of Jacob. Each of them did not simply take over the faith of their ancestor, but added to it, based on his own inner response to God. And God in turn responded by becoming part of that new and unique relationship. Each of you, too, has a unique Faith and an inner set of guiding moral principles, by which you must live if you are to be true to yourself and to your Faith. You have been elected to serve by your constituency. They expect you to represent their interests, but more importantly, they expect you to be true to your own beliefs and principles. And so we pray. Each to the God who we alone know and who uniquely guides each of us along the pathway which can be the only correct one for us. Oh, Teacher, of the way, and source of our strength, help us to be strong leaders of our districts in which we will legislate, according to that which we deem right and necessary for the well-being of

this State, not by that which is expedient. Remind us, when we stand for election and reelection, that our constituents must vote for us not on the basis of popular stands that we take, but on the basis of our personal integrity. Grant us clear vision to penetrate through the veils of political self-interest and pursue and approach to the problems of our State of Illinois, with forthrightness, with courage and unselfishness. And thereby will we ourselves bring blessing to this State through the wisdom that You have given us, to keep far from this State iniquitous designs, intolerance and apathy. Amen."

Speaker Breslin: "Representative Ropp will lead us in the Pledge."

Ropp - et al: "I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

Speaker Breslin: "Roll Call for Attendance. Representative Matijeovich, do you have any excused absences?"

Matijeovich: "Yes, Madam Speaker, Members of the House, let the record reflect the excused absences on this side of the aisle, on official business, attending the funeral of Congressman Melvin Price of the Twentyfirst District, are Representative McPike, Flinn, Wolf and Granberg. Those are the excused absences."

Speaker Breslin: "Representative Piel, do you have any excused absences?"

Piel: "Yes, Madam Speaker, will the record show that Representative McAuliffe, Representative Tuerk and Representative Harris are all excused today."

Speaker Breslin: "The record will so reflect. Have all answered the Roll Call? Mr. Clerk take the record. There are 111...excuse me, 109 people answering the Roll Call, a

quorum is present. Representative McCracken, for what reason do you seek recognition?"

McCracken: "Regarding ... my ... conversation... or monologue last week regarding rules, I just want to report to everybody that indeed many Republican Bills were called the second time today. And I thank the Democratic Leadership for that. One hundred - eighty Republican Bills were called the second time, and one Democratic Bill was called the second time. Great deliberation was given to that vote by the other side of the aisle. We took a single Roll Call, and although we got a second hearing I wouldn't say it was necessary a deliberative action. We lost again. So, Madam Speaker, we are going to carry our message to the people. Representative Stephens, Wennlund, Williamson and many others will not let your side of the aisle forget what happened."

Speaker Breslin: "Representative Matijevich, for what reason do you seek recognition?"

Matijevich: "I was going to tell Representative McCracken, now he knows how us Cub Fans feel."

Speaker Breslin: "Representative Steczo, for what reason do you seek recognition?"

Steczko: "Thank you, Madam Speaker, I would ask leave of the House, to table House Bill 1977, please.

Speaker Breslin: "Are you the Chief Sponsor of that Bill?"

Steczko: "Yes, Madam Speaker."

Speaker Breslin: "Representative Steczo asks leave to table House Bill 1977, of which he is the Chief Sponsor. Are there any objections? Hearing no objections, the Gentleman has leave to table Senate Bill... House Bill 1977. Representative McCracken, for what reason do you seek recognition?"

McCracken: "Do you have a Republican co-sponsor on that Bill, or no, okay, thank you."

was not taken off but the Clerk indicates that it will be taken off."

McCracken: "Thank You."

Speaker Breslin: "That's House Bill 3519. Representative Mautino is recognized for a Motion."

Mautino: "Thank You, Madam Speaker. I would like to move that the Labor and Commerce Committee posting which lists Senate Bill 702 which is already Public Act. There has been a clerical mistake made. That should be Senate Bill 720, established for hearing tomorrow. I would like to move that that correction be made."

the Body. The President and the Governor have designated this as State and National Organ and Tissue Donor Awareness Week, April 24 to April 30. At any given moment there are two hundred thousand Americans waiting for some type of organ or tissue transplant. Many of them die for lack of a donor. I encourage you to sign an organ donor card expressing your willingness to become a donor in the event of your death. Secretary of State Jim Edgar and the Sangamon County Medical Auxiliary, have arranged for volunteers to help you sign a donor card this afternoon in the Capitol Rotunda. They have wallet cards for you to sign or you can sign the donor card on the back of your driver's license. You'll need the signatures of two witnesses. Thank You."

Speaker Breslin: "Ladies and Gentlemen, could I have your attention for a moment, please. Today is an historic day for the Illinois General Assembly. Lillian Coontz has joined the ranks of Doorkeeper for the Illinois House of Representatives. The first woman Doorkeeper in Illinois history. The Parliamentarian advises me that we are to refer now to our red... our grey-coated members as Doorkeepers and not Doormen. Doorkeepers. Can you change your jargon? The Chair now recognizes Representative Bowman, for the purposes of a Motion. Give the Gentleman your attention, please."

Bowman: "Thank you, Madam Speaker. Ladies and Gentlemen of the House, I have a Motion with respect to Senate Bill 1520. Senate Bill 1520 is an appropriation Bill that has about 75 Amendments on it and it's been around for some time, and most of these Amendments are now useless and they are cluttering up the files, and we may be using this as a vehicle later on in the Session and working on agreements between the two parties. So in order to clear the record,

I now move to table.."

Speaker Breslin: "Representative Bowman?"

Bowman: "Yes."

Speaker Breslin: "Representative McCracken has asked that you withhold making this Motion for a short time. He will get back to you as quickly as possible."

Bowman: "I thought it was worked out with McCracken."

Speaker Breslin: "Representative Capparelli, is recognized for a Motion."

Capparelli: "Madam Speaker, I would like to waive the posting rule for House Bill 3767, to be heard in Executive Committee tomorrow. I understand it's been okayed on both sides of the aisle."

Speaker Breslin: "The Gentleman has moved that we waive the posting rules for House Bill 3767. Are there any objections? Hearing none, with use of the Attendance Roll Call, the rule will be waived, so that House Bill 3767 can be heard in the Executive Committee tomorrow. Speaker Madigan in the Chair."

Speaker Madigan: "Ladies and Gentlemen, if we could have your attention, please. Ladies and Gentlemen, we have a special guest with us today. I would like the staff to retire to the rear of the chamber please, and I would like the Members to take their seats. So if staff would retire to the rear of the chamber. Mr. Dunn, would you take your seat, Sir? Mr. McGann, could you sit down. Mr. Mulcahey, would you take your chair, Sir? Mr. Kulas. Ladies and Gentlemen, we are very happy to have with us today, a man who has been a personal friend of mine for several years. He did not serve as a member of this Body as his predecessor, but he has served as a member of the Chicago City Council for close to twenty years, and therefore is very understanding of the legislative process, very

understanding of the work that we do here in Springfield. He has come to Springfield to testify before a Senate Committee. I am very pleased to ask the Mayor of Chicago to give us some remarks, Mr. Mayor Eugene Sawyer. Mayor Sawyer."

Mayor Sawyer: "Thank you very much. Thank you... Thank you very much... Thank you very much, Thank you very much Mr. Speaker, Members of the General Assembly. It's a real pleasure to be here. I had the opportunity over the years, to stop in and look at you as you follow your busy schedule here. I'm here today, as the Speaker indicated, to talk about education reform before the Senate Committee. We in Chicago would appreciate your help, as well as people from the whole State I'm sure, to assist us to change the direction of education in our State. That's why we're here, and we're soliciting your help to help us do that. I'm aware that many of us are concerned that possibility of a tax increase frightens us, but the reality is that these are our kids, these are the children that all of us expect to at some point in the very near future, to take our places, so they must be better trained, better equipped. And we are committed to doing that in Chicago, as well as many of you I'm sure in the whole state. Our education system must be turned around so we can produce a better product. I want to congratulate you, and to thank you, as you move through these next few months, where you will be tackling many problems in the whole state. And trust that you will be kind and generous to Chicago. Let me thank you for the opportunity to stop in to say hello to you today, and I would also like to invite all of you tonight to a reception we are having at the Hilton Hotel, I believe, where we can get an opportunity to shake hands and say hello to you. Thank you very much."

Speaker Madigan: "The Chair recognizes Mr. Daniels."

Daniels: "Mr. Mayor, on behalf of the Republicans, this side of the aisle, you got to look over this direction. On behalf of the Republicans I would like to join with the Speaker in welcoming you to Springfield and in particular your insight and your testimony relating to the educational system, not only of Chicago but of the State of Illinois. We on this side of the aisle would like you to know that we are committed to do our best to offer a response to the difficulties in the Chicago School System. And in that regards we expect, of course, to exercise a strong voice as we participate in this process. We thank you, for your strong voice and your leadership. We wish you well, in your city, a great city. And we will do our best to assist in the delivery of a solution to some of the problems. So, welcome to Springfield, Mr. Mayor."

Speaker Madigan: "Representative Breslin in the Chair."

Speaker Breslin: "Representative Mulcahey, for what reason do you seek recognition?"

Mulcahey: "Madam Speaker, I would ask unanimous leave of the House, to waive the appropriate ... posting rules, so that House Bill 2716...2716, can be posted and heard in tomorrow's Elementary and Secondary Education Committee. It has been cleared on both sides of the aisle."

Speaker Breslin: "You have heard the Gentleman's Motion. He requests that we waive the posting rules, so that House Bill 2716 can be heard in Elementary and Secondary Education tomorrow. Is there any objection? Hearing none, by use of the Attendance Role Call, the Gentleman has leave, and House Bill 2716, will be heard in the Education...Elementary and Secondary Education Committee tomorrow. Speaker Breslin: "Excuse ... Excuse me, Representative Bowman. We have... there is another indication that the... we're not ready to go forward with this Motion."

Bowman: "Madam Speaker, as long as I have the microphone, let me remind everybody that today is Secretary's Day. So please don't forget your secretary today."

Speaker Breslin: "A good reminder. Now we are ready for your Motion, Representative Bowman."

Bowman: "Okay, third time is the charm. I now move.. let's strike that. I once again move, that all Amendments to Senate Bill 1520 be tabled with the exceptions of 9, 10 and 46. Those exceptions being requested by the Minority Party."

Speaker Breslin: "The Gentleman has moved that all of the Amendments filed to House Bill 1520, (sic Senate Bill) be tabled; with the exception of Amendments 9, 10 and 46. Is there any discussion? Hearing none, the question is, shall all of the Amendments to House Bill 1520 (sic Senate Bill) be tabled, except 9, 10 and 46. All those in favor say 'aye', all those opposed say 'no'. In the opinion of the Chair, the 'ayes' have it, and the Motion carries. If you have Bills on this Order of Business, please be prepared to move them, or let me know if you do not wish to have the Bill called. The first Bill is House Bill 1979, Representative Steczko. Speaker Breslin: "Are any Floor Amendments?"

Clerk O'Brien: "Floor Amendment #1, offered by Representative Steczo."

Speaker Breslin: "Representative Steczo."

Steczko: "Thank you, Madam Speaker. Amendment #1, addresses a problem that this General Assembly dealt with in part last year. We all are aware that there are certain county officials that receive stipends. And what...has happened in a couple of cases, or what has been threatened in others, is that the salaries of these county officials have been either threatened by the County Board to be reduced by the amount of the stipend. This Bill... this Amendment simply says that if a local county official, county clerks and assessors received the stipend that the County Boards cannot reduce their salaries by that much, so...."

Speaker Breslin: "The Gentleman has moved for the passage of Amendment #1, to House Bill 1979. And on that question, the gentleman from DuPage, Representative McCracken."

McCracken: "Will the Sponsor yield?"

Speaker Breslin: "He indicates he will."

McCracken: "Representative, did someone bring this to your attention, or make this request? Can you tell us where this comes from?"

Steczko: "Various associations, Representative, are the ones that made the request. Because there have been threats that this, in fact, could happen."

McCracken: "And under this Bill... Well let me ask this. Are you aware of another Bill sponsored here, which essentially would allow the stipend to be held back if the books aren't delivered on time, say the local assessing authorities?"

Steczko: "No I'm not, Representative. But this should make no difference one way or the other. This simply says that the County Board cannot reduce the stipend.. or reduce the

Speaker Breslin: "Any further discussion? Hearing none, Representative Steczo to close."

Steczko: "I would just move for the adoption of Amendment #1, Madam Speaker."

Speaker Breslin: "The question is, shall Amendment #1 be adopted? All those in favor say 'aye', all those opposed say 'no'. In the opinion of the Chair, the 'ayes' have it, and the Amendment is adopted. Are there any further Amendments?"
