FOREWORD

The Fall 1971 session of the 77th General Assembly is a landmark in the legislative history of the state. It was in October of that year that the legislature began recording and transcribing its deliberations under terms of the 1970 Constitution. This meant that floor proceedings of the General Assembly would be accessible in a permanent, written form.

Unfortunately, although the debates have been recorded since Fall 1971, these proceedings have not been formally published. However, they have been available to the public as the 1970 Constitution requires, but only through the legislative offices and the Index Department of the Office of Secretary of State on an individual request basis rather than through a formal and complete publication.

In an effort to make the proceedings of the legislature more accessible to the citizens of Illinois, the floor debates from the 90th General Assembly have been microfiched and sent to Illinois Document Depository Libraries and library systems throughout the state.

HOW TO USE THIS INDEX

In order to get maximum usage from this index, the researcher should keep the following guidelines in mind:

1. Coverage is limited to the 90th General Assembly House floor debates (January 8, 1997-January 12, 1999)
2. Reference is by bill number only. Citations to Public Acts, which are given in the Illinois Compiled Statutes and in other sources, can be converted by bill numbers by consulting the appropriate Public Act as it appears in the session laws. Those who need access to debate by subject or sponsor should check the indices in the Legislative Synopsis and Digest for reference to pertinent bill numbers.
3. The purpose of this index is to lead the user to discussion of legislative intent or reasons for particular activity, and not to serve as a record of all action. This means that there are no references to stages in the bills' progress which did not involve debate. Many bills, for example, are not amended on second reading. The Clerk indicates that there are floor amendments, is informed that there are none, and the bill is moved to third reading. There will be no citation to second reading debate on such bills since the floor proceedings contain no more information than the House journal or the Legislative Synopsis and Digest. Some bills were put on a consent calendar and passed in a single roll call without separate discussion; these will not have citations to debate on third reading (final passage stage). Nonconcurrences are often adopted without debate and will therefore not be indexed.
4. Within the limitations of the preceding guidelines, debate was indexed on all House and Senate bills where it existed.

TO LOCATE DEBATE FOR A BILL

1. Consult the bill number index. If there are entries under the bill, they will refer to date and pages.
2. Turn to the "Conversion Table: Legislative Day to Date" in order to convert date to legislative day number.

Please note the microfiche are numbered sequentially in the upper right hand corner of the header. The header shows the date of the first legislative day on that particular fiche. There is no correlation between sequential fiche numbers and the legislative day contained on the fiche.

On the days for which there are both regular and special sessions, debates for the special sessions appear after the regular session for that day.
