

# HB0656

## 100TH GENERAL ASSEMBLY

### State of Illinois

2017 and 2018

**HB0656**

by Rep. Jehan Gordon-Booth

#### SYNOPSIS AS INTRODUCED:

40 ILCS 5/16-158

from Ch. 108 1/2, par. 16-158

Amends the Downstate Teacher Article of the Illinois Pension Code. In a provision relating to employer contributions from special trust and federal funds, provides that, beginning July 1, 2017, the rate, expressed as a percentage of salary, shall be equal to the total employer's normal cost, expressed as a percentage of payroll. Effective immediately.

LRB100 05918 RPS 15944 b

FISCAL NOTE ACT  
MAY APPLY

PENSION IMPACT  
NOTE ACT MAY  
APPLY

A BILL FOR

1 AN ACT concerning public employee benefits.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pension Code is amended by changing  
5 Section 16-158 as follows:

6 (40 ILCS 5/16-158) (from Ch. 108 1/2, par. 16-158)

7 (Text of Section WITHOUT the changes made by P.A. 98-599,  
8 which has been held unconstitutional)

9 Sec. 16-158. Contributions by State and other employing  
10 units.

11 (a) The State shall make contributions to the System by  
12 means of appropriations from the Common School Fund and other  
13 State funds of amounts which, together with other employer  
14 contributions, employee contributions, investment income, and  
15 other income, will be sufficient to meet the cost of  
16 maintaining and administering the System on a 90% funded basis  
17 in accordance with actuarial recommendations.

18 The Board shall determine the amount of State contributions  
19 required for each fiscal year on the basis of the actuarial  
20 tables and other assumptions adopted by the Board and the  
21 recommendations of the actuary, using the formula in subsection  
22 (b-3).

23 (a-1) Annually, on or before November 15 until November 15,

1 2011, the Board shall certify to the Governor the amount of the  
2 required State contribution for the coming fiscal year. The  
3 certification under this subsection (a-1) shall include a copy  
4 of the actuarial recommendations upon which it is based and  
5 shall specifically identify the System's projected State  
6 normal cost for that fiscal year.

7 On or before May 1, 2004, the Board shall recalculate and  
8 recertify to the Governor the amount of the required State  
9 contribution to the System for State fiscal year 2005, taking  
10 into account the amounts appropriated to and received by the  
11 System under subsection (d) of Section 7.2 of the General  
12 Obligation Bond Act.

13 On or before July 1, 2005, the Board shall recalculate and  
14 recertify to the Governor the amount of the required State  
15 contribution to the System for State fiscal year 2006, taking  
16 into account the changes in required State contributions made  
17 by this amendatory Act of the 94th General Assembly.

18 On or before April 1, 2011, the Board shall recalculate and  
19 recertify to the Governor the amount of the required State  
20 contribution to the System for State fiscal year 2011, applying  
21 the changes made by Public Act 96-889 to the System's assets  
22 and liabilities as of June 30, 2009 as though Public Act 96-889  
23 was approved on that date.

24 (a-5) On or before November 1 of each year, beginning  
25 November 1, 2012, the Board shall submit to the State Actuary,  
26 the Governor, and the General Assembly a proposed certification

1 of the amount of the required State contribution to the System  
2 for the next fiscal year, along with all of the actuarial  
3 assumptions, calculations, and data upon which that proposed  
4 certification is based. On or before January 1 of each year,  
5 beginning January 1, 2013, the State Actuary shall issue a  
6 preliminary report concerning the proposed certification and  
7 identifying, if necessary, recommended changes in actuarial  
8 assumptions that the Board must consider before finalizing its  
9 certification of the required State contributions. On or before  
10 January 15, 2013 and each January 15 thereafter, the Board  
11 shall certify to the Governor and the General Assembly the  
12 amount of the required State contribution for the next fiscal  
13 year. The Board's certification must note any deviations from  
14 the State Actuary's recommended changes, the reason or reasons  
15 for not following the State Actuary's recommended changes, and  
16 the fiscal impact of not following the State Actuary's  
17 recommended changes on the required State contribution.

18 (b) Through State fiscal year 1995, the State contributions  
19 shall be paid to the System in accordance with Section 18-7 of  
20 the School Code.

21 (b-1) Beginning in State fiscal year 1996, on the 15th day  
22 of each month, or as soon thereafter as may be practicable, the  
23 Board shall submit vouchers for payment of State contributions  
24 to the System, in a total monthly amount of one-twelfth of the  
25 required annual State contribution certified under subsection  
26 (a-1). From the effective date of this amendatory Act of the

1 93rd General Assembly through June 30, 2004, the Board shall  
2 not submit vouchers for the remainder of fiscal year 2004 in  
3 excess of the fiscal year 2004 certified contribution amount  
4 determined under this Section after taking into consideration  
5 the transfer to the System under subsection (a) of Section  
6 6z-61 of the State Finance Act. These vouchers shall be paid by  
7 the State Comptroller and Treasurer by warrants drawn on the  
8 funds appropriated to the System for that fiscal year.

9 If in any month the amount remaining unexpended from all  
10 other appropriations to the System for the applicable fiscal  
11 year (including the appropriations to the System under Section  
12 8.12 of the State Finance Act and Section 1 of the State  
13 Pension Funds Continuing Appropriation Act) is less than the  
14 amount lawfully vouchered under this subsection, the  
15 difference shall be paid from the Common School Fund under the  
16 continuing appropriation authority provided in Section 1.1 of  
17 the State Pension Funds Continuing Appropriation Act.

18 (b-2) Allocations from the Common School Fund apportioned  
19 to school districts not coming under this System shall not be  
20 diminished or affected by the provisions of this Article.

21 (b-3) For State fiscal years 2012 through 2045, the minimum  
22 contribution to the System to be made by the State for each  
23 fiscal year shall be an amount determined by the System to be  
24 sufficient to bring the total assets of the System up to 90% of  
25 the total actuarial liabilities of the System by the end of  
26 State fiscal year 2045. In making these determinations, the

1 required State contribution shall be calculated each year as a  
2 level percentage of payroll over the years remaining to and  
3 including fiscal year 2045 and shall be determined under the  
4 projected unit credit actuarial cost method.

5 For State fiscal years 1996 through 2005, the State  
6 contribution to the System, as a percentage of the applicable  
7 employee payroll, shall be increased in equal annual increments  
8 so that by State fiscal year 2011, the State is contributing at  
9 the rate required under this Section; except that in the  
10 following specified State fiscal years, the State contribution  
11 to the System shall not be less than the following indicated  
12 percentages of the applicable employee payroll, even if the  
13 indicated percentage will produce a State contribution in  
14 excess of the amount otherwise required under this subsection  
15 and subsection (a), and notwithstanding any contrary  
16 certification made under subsection (a-1) before the effective  
17 date of this amendatory Act of 1998: 10.02% in FY 1999; 10.77%  
18 in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY  
19 2003; and 13.56% in FY 2004.

20 Notwithstanding any other provision of this Article, the  
21 total required State contribution for State fiscal year 2006 is  
22 \$534,627,700.

23 Notwithstanding any other provision of this Article, the  
24 total required State contribution for State fiscal year 2007 is  
25 \$738,014,500.

26 For each of State fiscal years 2008 through 2009, the State

1 contribution to the System, as a percentage of the applicable  
2 employee payroll, shall be increased in equal annual increments  
3 from the required State contribution for State fiscal year  
4 2007, so that by State fiscal year 2011, the State is  
5 contributing at the rate otherwise required under this Section.

6 Notwithstanding any other provision of this Article, the  
7 total required State contribution for State fiscal year 2010 is  
8 \$2,089,268,000 and shall be made from the proceeds of bonds  
9 sold in fiscal year 2010 pursuant to Section 7.2 of the General  
10 Obligation Bond Act, less (i) the pro rata share of bond sale  
11 expenses determined by the System's share of total bond  
12 proceeds, (ii) any amounts received from the Common School Fund  
13 in fiscal year 2010, and (iii) any reduction in bond proceeds  
14 due to the issuance of discounted bonds, if applicable.

15 Notwithstanding any other provision of this Article, the  
16 total required State contribution for State fiscal year 2011 is  
17 the amount recertified by the System on or before April 1, 2011  
18 pursuant to subsection (a-1) of this Section and shall be made  
19 from the proceeds of bonds sold in fiscal year 2011 pursuant to  
20 Section 7.2 of the General Obligation Bond Act, less (i) the  
21 pro rata share of bond sale expenses determined by the System's  
22 share of total bond proceeds, (ii) any amounts received from  
23 the Common School Fund in fiscal year 2011, and (iii) any  
24 reduction in bond proceeds due to the issuance of discounted  
25 bonds, if applicable. This amount shall include, in addition to  
26 the amount certified by the System, an amount necessary to meet

1 employer contributions required by the State as an employer  
2 under paragraph (e) of this Section, which may also be used by  
3 the System for contributions required by paragraph (a) of  
4 Section 16-127.

5 Beginning in State fiscal year 2046, the minimum State  
6 contribution for each fiscal year shall be the amount needed to  
7 maintain the total assets of the System at 90% of the total  
8 actuarial liabilities of the System.

9 Amounts received by the System pursuant to Section 25 of  
10 the Budget Stabilization Act or Section 8.12 of the State  
11 Finance Act in any fiscal year do not reduce and do not  
12 constitute payment of any portion of the minimum State  
13 contribution required under this Article in that fiscal year.  
14 Such amounts shall not reduce, and shall not be included in the  
15 calculation of, the required State contributions under this  
16 Article in any future year until the System has reached a  
17 funding ratio of at least 90%. A reference in this Article to  
18 the "required State contribution" or any substantially similar  
19 term does not include or apply to any amounts payable to the  
20 System under Section 25 of the Budget Stabilization Act.

21 Notwithstanding any other provision of this Section, the  
22 required State contribution for State fiscal year 2005 and for  
23 fiscal year 2008 and each fiscal year thereafter, as calculated  
24 under this Section and certified under subsection (a-1), shall  
25 not exceed an amount equal to (i) the amount of the required  
26 State contribution that would have been calculated under this

1 Section for that fiscal year if the System had not received any  
2 payments under subsection (d) of Section 7.2 of the General  
3 Obligation Bond Act, minus (ii) the portion of the State's  
4 total debt service payments for that fiscal year on the bonds  
5 issued in fiscal year 2003 for the purposes of that Section  
6 7.2, as determined and certified by the Comptroller, that is  
7 the same as the System's portion of the total moneys  
8 distributed under subsection (d) of Section 7.2 of the General  
9 Obligation Bond Act. In determining this maximum for State  
10 fiscal years 2008 through 2010, however, the amount referred to  
11 in item (i) shall be increased, as a percentage of the  
12 applicable employee payroll, in equal increments calculated  
13 from the sum of the required State contribution for State  
14 fiscal year 2007 plus the applicable portion of the State's  
15 total debt service payments for fiscal year 2007 on the bonds  
16 issued in fiscal year 2003 for the purposes of Section 7.2 of  
17 the General Obligation Bond Act, so that, by State fiscal year  
18 2011, the State is contributing at the rate otherwise required  
19 under this Section.

20 (c) Payment of the required State contributions and of all  
21 pensions, retirement annuities, death benefits, refunds, and  
22 other benefits granted under or assumed by this System, and all  
23 expenses in connection with the administration and operation  
24 thereof, are obligations of the State.

25 If members are paid from special trust or federal funds  
26 which are administered by the employing unit, whether school

1 district or other unit, the employing unit shall pay to the  
2 System from such funds the full accruing retirement costs based  
3 upon that service, which, beginning July 1, 2017 ~~2014~~, shall be  
4 at a rate, expressed as a percentage of salary, equal to the  
5 total employer's ~~minimum contribution to the System to be made~~  
6 ~~by the State for that fiscal year, including both normal cost~~  
7 ~~and unfunded liability components~~, expressed as a percentage of  
8 payroll, as determined by the System ~~under subsection (b-3) of~~  
9 ~~this Section~~. Employer contributions, based on salary paid to  
10 members from federal funds, may be forwarded by the  
11 distributing agency of the State of Illinois to the System  
12 prior to allocation, in an amount determined in accordance with  
13 guidelines established by such agency and the System. Any  
14 contribution for fiscal year 2015 collected as a result of the  
15 change made by this amendatory Act of the 98th General Assembly  
16 shall be considered a State contribution under subsection (b-3)  
17 of this Section.

18 (d) Effective July 1, 1986, any employer of a teacher as  
19 defined in paragraph (8) of Section 16-106 shall pay the  
20 employer's normal cost of benefits based upon the teacher's  
21 service, in addition to employee contributions, as determined  
22 by the System. Such employer contributions shall be forwarded  
23 monthly in accordance with guidelines established by the  
24 System.

25 However, with respect to benefits granted under Section  
26 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8)

1 of Section 16-106, the employer's contribution shall be 12%  
2 (rather than 20%) of the member's highest annual salary rate  
3 for each year of creditable service granted, and the employer  
4 shall also pay the required employee contribution on behalf of  
5 the teacher. For the purposes of Sections 16-133.4 and  
6 16-133.5, a teacher as defined in paragraph (8) of Section  
7 16-106 who is serving in that capacity while on leave of  
8 absence from another employer under this Article shall not be  
9 considered an employee of the employer from which the teacher  
10 is on leave.

11 (e) Beginning July 1, 1998, every employer of a teacher  
12 shall pay to the System an employer contribution computed as  
13 follows:

14 (1) Beginning July 1, 1998 through June 30, 1999, the  
15 employer contribution shall be equal to 0.3% of each  
16 teacher's salary.

17 (2) Beginning July 1, 1999 and thereafter, the employer  
18 contribution shall be equal to 0.58% of each teacher's  
19 salary.

20 The school district or other employing unit may pay these  
21 employer contributions out of any source of funding available  
22 for that purpose and shall forward the contributions to the  
23 System on the schedule established for the payment of member  
24 contributions.

25 These employer contributions are intended to offset a  
26 portion of the cost to the System of the increases in

1 retirement benefits resulting from this amendatory Act of 1998.

2 Each employer of teachers is entitled to a credit against  
3 the contributions required under this subsection (e) with  
4 respect to salaries paid to teachers for the period January 1,  
5 2002 through June 30, 2003, equal to the amount paid by that  
6 employer under subsection (a-5) of Section 6.6 of the State  
7 Employees Group Insurance Act of 1971 with respect to salaries  
8 paid to teachers for that period.

9 The additional 1% employee contribution required under  
10 Section 16-152 by this amendatory Act of 1998 is the  
11 responsibility of the teacher and not the teacher's employer,  
12 unless the employer agrees, through collective bargaining or  
13 otherwise, to make the contribution on behalf of the teacher.

14 If an employer is required by a contract in effect on May  
15 1, 1998 between the employer and an employee organization to  
16 pay, on behalf of all its full-time employees covered by this  
17 Article, all mandatory employee contributions required under  
18 this Article, then the employer shall be excused from paying  
19 the employer contribution required under this subsection (e)  
20 for the balance of the term of that contract. The employer and  
21 the employee organization shall jointly certify to the System  
22 the existence of the contractual requirement, in such form as  
23 the System may prescribe. This exclusion shall cease upon the  
24 termination, extension, or renewal of the contract at any time  
25 after May 1, 1998.

26 (f) If the amount of a teacher's salary for any school year

1 used to determine final average salary exceeds the member's  
2 annual full-time salary rate with the same employer for the  
3 previous school year by more than 6%, the teacher's employer  
4 shall pay to the System, in addition to all other payments  
5 required under this Section and in accordance with guidelines  
6 established by the System, the present value of the increase in  
7 benefits resulting from the portion of the increase in salary  
8 that is in excess of 6%. This present value shall be computed  
9 by the System on the basis of the actuarial assumptions and  
10 tables used in the most recent actuarial valuation of the  
11 System that is available at the time of the computation. If a  
12 teacher's salary for the 2005-2006 school year is used to  
13 determine final average salary under this subsection (f), then  
14 the changes made to this subsection (f) by Public Act 94-1057  
15 shall apply in calculating whether the increase in his or her  
16 salary is in excess of 6%. For the purposes of this Section,  
17 change in employment under Section 10-21.12 of the School Code  
18 on or after June 1, 2005 shall constitute a change in employer.  
19 The System may require the employer to provide any pertinent  
20 information or documentation. The changes made to this  
21 subsection (f) by this amendatory Act of the 94th General  
22 Assembly apply without regard to whether the teacher was in  
23 service on or after its effective date.

24 Whenever it determines that a payment is or may be required  
25 under this subsection, the System shall calculate the amount of  
26 the payment and bill the employer for that amount. The bill

1 shall specify the calculations used to determine the amount  
2 due. If the employer disputes the amount of the bill, it may,  
3 within 30 days after receipt of the bill, apply to the System  
4 in writing for a recalculation. The application must specify in  
5 detail the grounds of the dispute and, if the employer asserts  
6 that the calculation is subject to subsection (g) or (h) of  
7 this Section, must include an affidavit setting forth and  
8 attesting to all facts within the employer's knowledge that are  
9 pertinent to the applicability of that subsection. Upon  
10 receiving a timely application for recalculation, the System  
11 shall review the application and, if appropriate, recalculate  
12 the amount due.

13 The employer contributions required under this subsection  
14 (f) may be paid in the form of a lump sum within 90 days after  
15 receipt of the bill. If the employer contributions are not paid  
16 within 90 days after receipt of the bill, then interest will be  
17 charged at a rate equal to the System's annual actuarially  
18 assumed rate of return on investment compounded annually from  
19 the 91st day after receipt of the bill. Payments must be  
20 concluded within 3 years after the employer's receipt of the  
21 bill.

22 (g) This subsection (g) applies only to payments made or  
23 salary increases given on or after June 1, 2005 but before July  
24 1, 2011. The changes made by Public Act 94-1057 shall not  
25 require the System to refund any payments received before July  
26 31, 2006 (the effective date of Public Act 94-1057).

1           When assessing payment for any amount due under subsection  
2 (f), the System shall exclude salary increases paid to teachers  
3 under contracts or collective bargaining agreements entered  
4 into, amended, or renewed before June 1, 2005.

5           When assessing payment for any amount due under subsection  
6 (f), the System shall exclude salary increases paid to a  
7 teacher at a time when the teacher is 10 or more years from  
8 retirement eligibility under Section 16-132 or 16-133.2.

9           When assessing payment for any amount due under subsection  
10 (f), the System shall exclude salary increases resulting from  
11 overload work, including summer school, when the school  
12 district has certified to the System, and the System has  
13 approved the certification, that (i) the overload work is for  
14 the sole purpose of classroom instruction in excess of the  
15 standard number of classes for a full-time teacher in a school  
16 district during a school year and (ii) the salary increases are  
17 equal to or less than the rate of pay for classroom instruction  
18 computed on the teacher's current salary and work schedule.

19           When assessing payment for any amount due under subsection  
20 (f), the System shall exclude a salary increase resulting from  
21 a promotion (i) for which the employee is required to hold a  
22 certificate or supervisory endorsement issued by the State  
23 Teacher Certification Board that is a different certification  
24 or supervisory endorsement than is required for the teacher's  
25 previous position and (ii) to a position that has existed and  
26 been filled by a member for no less than one complete academic

1 year and the salary increase from the promotion is an increase  
2 that results in an amount no greater than the lesser of the  
3 average salary paid for other similar positions in the district  
4 requiring the same certification or the amount stipulated in  
5 the collective bargaining agreement for a similar position  
6 requiring the same certification.

7 When assessing payment for any amount due under subsection  
8 (f), the System shall exclude any payment to the teacher from  
9 the State of Illinois or the State Board of Education over  
10 which the employer does not have discretion, notwithstanding  
11 that the payment is included in the computation of final  
12 average salary.

13 (h) When assessing payment for any amount due under  
14 subsection (f), the System shall exclude any salary increase  
15 described in subsection (g) of this Section given on or after  
16 July 1, 2011 but before July 1, 2014 under a contract or  
17 collective bargaining agreement entered into, amended, or  
18 renewed on or after June 1, 2005 but before July 1, 2011.  
19 Notwithstanding any other provision of this Section, any  
20 payments made or salary increases given after June 30, 2014  
21 shall be used in assessing payment for any amount due under  
22 subsection (f) of this Section.

23 (i) The System shall prepare a report and file copies of  
24 the report with the Governor and the General Assembly by  
25 January 1, 2007 that contains all of the following information:

26 (1) The number of recalculations required by the

1 changes made to this Section by Public Act 94-1057 for each  
2 employer.

3 (2) The dollar amount by which each employer's  
4 contribution to the System was changed due to  
5 recalculations required by Public Act 94-1057.

6 (3) The total amount the System received from each  
7 employer as a result of the changes made to this Section by  
8 Public Act 94-4.

9 (4) The increase in the required State contribution  
10 resulting from the changes made to this Section by Public  
11 Act 94-1057.

12 (j) For purposes of determining the required State  
13 contribution to the System, the value of the System's assets  
14 shall be equal to the actuarial value of the System's assets,  
15 which shall be calculated as follows:

16 As of June 30, 2008, the actuarial value of the System's  
17 assets shall be equal to the market value of the assets as of  
18 that date. In determining the actuarial value of the System's  
19 assets for fiscal years after June 30, 2008, any actuarial  
20 gains or losses from investment return incurred in a fiscal  
21 year shall be recognized in equal annual amounts over the  
22 5-year period following that fiscal year.

23 (k) For purposes of determining the required State  
24 contribution to the system for a particular year, the actuarial  
25 value of assets shall be assumed to earn a rate of return equal  
26 to the system's actuarially assumed rate of return.
