1 AMENDMENT TO HOUSE BILL 984

2 AMENDMENT NO. _____. Amend House Bill 984 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from disclosure
10 under this Section, but also contains information that is not
11 exempt from disclosure, the public body may elect to redact the
12 information that is exempt. The public body shall make the
13 remaining information available for inspection and copying.
14 Subject to this requirement, the following shall be exempt from
15 inspection and copying:

16 (a) Information specifically prohibited from

1 disclosure by federal or State law or rules and regulations
2 implementing federal or State law.

3 (b) Private information, unless disclosure is required
4 by another provision of this Act, a State or federal law or
5 a court order.

6 (b-5) Files, documents, and other data or databases
7 maintained by one or more law enforcement agencies and
8 specifically designed to provide information to one or more
9 law enforcement agencies regarding the physical or mental
10 status of one or more individual subjects.

11 (c) Personal information contained within public
12 records, the disclosure of which would constitute a clearly
13 unwarranted invasion of personal privacy, unless the
14 disclosure is consented to in writing by the individual
15 subjects of the information. "Unwarranted invasion of
16 personal privacy" means the disclosure of information that
17 is highly personal or objectionable to a reasonable person
18 and in which the subject's right to privacy outweighs any
19 legitimate public interest in obtaining the information.
20 The disclosure of information that bears on the public
21 duties of public employees and officials shall not be
22 considered an invasion of personal privacy.

23 (d) Records in the possession of any public body
24 created in the course of administrative enforcement
25 proceedings, and any law enforcement or correctional
26 agency for law enforcement purposes, but only to the extent

1 that disclosure would:

2 (i) interfere with pending or actually and
3 reasonably contemplated law enforcement proceedings
4 conducted by any law enforcement or correctional
5 agency that is the recipient of the request;

6 (ii) interfere with active administrative
7 enforcement proceedings conducted by the public body
8 that is the recipient of the request;

9 (iii) create a substantial likelihood that a
10 person will be deprived of a fair trial or an impartial
11 hearing;

12 (iv) unavoidably disclose the identity of a
13 confidential source, confidential information
14 furnished only by the confidential source, or persons
15 who file complaints with or provide information to
16 administrative, investigative, law enforcement, or
17 penal agencies; except that the identities of
18 witnesses to traffic accidents, traffic accident
19 reports, and rescue reports shall be provided by
20 agencies of local government, except when disclosure
21 would interfere with an active criminal investigation
22 conducted by the agency that is the recipient of the
23 request;

24 (v) disclose unique or specialized investigative
25 techniques other than those generally used and known or
26 disclose internal documents of correctional agencies

1 related to detection, observation or investigation of
2 incidents of crime or misconduct, and disclosure would
3 result in demonstrable harm to the agency or public
4 body that is the recipient of the request;

5 (vi) endanger the life or physical safety of law
6 enforcement personnel or any other person; or

7 (vii) obstruct an ongoing criminal investigation
8 by the agency that is the recipient of the request.

9 (d-5) A law enforcement record created for law
10 enforcement purposes and contained in a shared electronic
11 record management system if the law enforcement agency that
12 is the recipient of the request did not create the record,
13 did not participate in or have a role in any of the events
14 which are the subject of the record, and only has access to
15 the record through the shared electronic record management
16 system.

17 (e) Records that relate to or affect the security of
18 correctional institutions and detention facilities.

19 (e-5) Records requested by persons committed to the
20 Department of Corrections or a county jail if those
21 materials are available in the library of the correctional
22 facility or jail where the inmate is confined.

23 (e-6) Records requested by persons committed to the
24 Department of Corrections or a county jail if those
25 materials include records from staff members' personnel
26 files, staff rosters, or other staffing assignment

1 information.

2 (e-7) Records requested by persons committed to the
3 Department of Corrections if those materials are available
4 through an administrative request to the Department of
5 Corrections.

6 (e-8) Records requested by a person committed to the
7 Department of Corrections or a county jail, the disclosure
8 of which would result in the risk of harm to any person or
9 the risk of an escape from a jail or correctional
10 institution or facility.

11 (e-9) Records requested by a person in a county jail or
12 committed to the Department of Corrections containing
13 personal information pertaining to the person's victim or
14 the victim's family, including, but not limited to, a
15 victim's home address, home telephone number, work or
16 school address, work telephone number, social security
17 number, or any other identifying information, except as may
18 be relevant to a requester's current or potential case or
19 claim.

20 (e-10) Law enforcement records of other persons
21 requested by a person committed to the Department of
22 Corrections or a county jail, including, but not limited
23 to, arrest and booking records, mug shots, and crime scene
24 photographs, except as these records may be relevant to the
25 requester's current or potential case or claim.

26 (f) Preliminary drafts, notes, recommendations,

1 memoranda and other records in which opinions are
2 expressed, or policies or actions are formulated, except
3 that a specific record or relevant portion of a record
4 shall not be exempt when the record is publicly cited and
5 identified by the head of the public body. The exemption
6 provided in this paragraph (f) extends to all those records
7 of officers and agencies of the General Assembly that
8 pertain to the preparation of legislative documents.

9 (g) Trade secrets and commercial or financial
10 information obtained from a person or business where the
11 trade secrets or commercial or financial information are
12 furnished under a claim that they are proprietary,
13 privileged or confidential, and that disclosure of the
14 trade secrets or commercial or financial information would
15 cause competitive harm to the person or business, and only
16 insofar as the claim directly applies to the records
17 requested.

18 The information included under this exemption includes
19 all trade secrets and commercial or financial information
20 obtained by a public body, including a public pension fund,
21 from a private equity fund or a privately held company
22 within the investment portfolio of a private equity fund as
23 a result of either investing or evaluating a potential
24 investment of public funds in a private equity fund. The
25 exemption contained in this item does not apply to the
26 aggregate financial performance information of a private

1 equity fund, nor to the identity of the fund's managers or
2 general partners. The exemption contained in this item does
3 not apply to the identity of a privately held company
4 within the investment portfolio of a private equity fund,
5 unless the disclosure of the identity of a privately held
6 company may cause competitive harm.

7 Nothing contained in this paragraph (g) shall be
8 construed to prevent a person or business from consenting
9 to disclosure.

10 (h) Proposals and bids for any contract, grant, or
11 agreement, including information which if it were
12 disclosed would frustrate procurement or give an advantage
13 to any person proposing to enter into a contractor
14 agreement with the body, until an award or final selection
15 is made. Information prepared by or for the body in
16 preparation of a bid solicitation shall be exempt until an
17 award or final selection is made.

18 (i) Valuable formulae, computer geographic systems,
19 designs, drawings and research data obtained or produced by
20 any public body when disclosure could reasonably be
21 expected to produce private gain or public loss. The
22 exemption for "computer geographic systems" provided in
23 this paragraph (i) does not extend to requests made by news
24 media as defined in Section 2 of this Act when the
25 requested information is not otherwise exempt and the only
