2 AMENDMENT NO. _____. Amend House Bill 1332 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Insurance Code is amended by
5 changing Section 370c as follows:

6 (215 ILCS 5/370c) (from Ch. 73, par. 982c)

7 Sec. 370c. Mental and emotional disorders.

8 (a) (1) On and after the effective date of this amendatory
9 Act of the 97th General Assembly, every insurer which amends,
10 delivers, issues, or renews group accident and health policies
11 providing coverage for hospital or medical treatment or
12 services for illness on an expense-incurred basis shall offer
13 to the applicant or group policyholder subject to the insurer's
14 standards of insurability, coverage for reasonable and
15 necessary treatment and services for mental, emotional or
16 nervous disorders or conditions, other than serious mental

1 illnesses as defined in item (2) of subsection (b), consistent
2 with the parity requirements of Section 370c.1 of this Code.

3 (2) Each insured that is covered for mental, emotional,
4 nervous, or substance use disorders or conditions shall be free
5 to select the physician licensed to practice medicine in all
6 its branches, licensed clinical psychologist, licensed
7 clinical social worker, licensed clinical professional
8 counselor, licensed marriage and family therapist, licensed
9 speech-language pathologist, or other licensed or certified
10 professional at a program licensed pursuant to the Illinois

16 counselor, licensed marriage and family therapist, licensed
17 speech-language pathologist, or other licensed or certified

21 treated is covered by the policy, and (ii) the physician,
22 licensed psychologist, licensed clinical social worker,

5 clinical social workers, licensed clinical professional
6 counselors, licensed marriage and family therapists, licensed
7 speech-language pathologists, and other licensed or certified
8 professionals at programs licensed pursuant to the Illinois
9 Alcoholism and Other Drug Abuse and Dependency Act, those
10 persons who may provide services to individuals shall do so
11 after the licensed clinical social worker, licensed clinical
12 professional counselor, licensed marriage and family

2 clinical professional counselor, licensed marriage and family
3 therapist, licensed speech-language pathologist, or other
4 licensed or certified professional at a program licensed
5 pursuant to the Illinois Alcoholism and Other Drug Abuse and
6 Dependency Act for a period of not less than 5 years.

7 (b) (1) An insurer that provides coverage for hospital or
8 medical expenses under a group policy of accident and health
9 insurance or health care plan amended, delivered, issued, or
10 renewed on or after the effective date of this amendatory Act
11 of the 97th General Assembly shall provide coverage under the
12 policy for treatment of serious mental illness and substance
13 use disorders consistent with the parity requirements of
14 Section 370c.1 of this Code. This subsection does not apply to
15 any group policy of accident and health insurance or health
16 care plan for any plan year of a small employer as defined in
17 Section 5 of the Illinois Health Insurance Portability and
18 Accountability Act.

19 (1.5) On and after the effective date of this amendatory
20 Act of the 100th General Assembly, every insurer that amends,
21 delivers, issues, or renews a group or individual policy of
22 accident and health insurance, a managed care plan, or a
23 qualified health plan offered for sale through the health
24 insurance marketplace in this State providing coverage for
25 hospital or medical treatment shall provide coverage based upon
26 medical necessity for the treatment of eating disorders

1 consistent with the parity requirements of Section 370c.1 of
2 this Code.

3 For the purposes of this item (1.5), "eating disorder"
4 includes, but is not limited to, anorexia nervosa, bulimia
5 nervosa, pica, rumination disorder, avoidant/restrictive food
6 intake disorder, other specified feeding or eating disorder
7 (OSFED), and any other eating disorder contained in the most
8 recent version of the Diagnostic and Statistical Manual of
9 Mental Disorders published by the American Psychiatric
10 Association.

11 (2) "Serious mental illness" means the following
12 psychiatric illnesses as defined in the most current edition of
13 the Diagnostic and Statistical Manual (DSM) published by the
14 American Psychiatric Association:

15 (A) schizophrenia;

16 (B) paranoid and other psychotic disorders;

17 (C) bipolar disorders (hypomanic, manic, depressive,
18 and mixed);

19 (D) major depressive disorders (single episode or
20 recurrent);

21 (E) schizoaffective disorders (bipolar or depressive);

22 (F) pervasive developmental disorders;

23 (G) obsessive-compulsive disorders;

24 (H) depression in childhood and adolescence;

25 (I) panic disorder;

26 (J) post-traumatic stress disorders (acute, chronic,

1 or with delayed onset); and

2 (K) eating disorders, including, but not limited to,
3 anorexia nervosa, and bulimia nervosa, pica, rumination
4 disorder, avoidant/restrictive food intake disorder, other
5 specified feeding or eating disorder (OSFED), and any other
6 eating disorder contained in the most recent version of the
7 Diagnostic and Statistical Manual of Mental Disorders
8 published by the American Psychiatric Association.

9 (2.5) "Substance use disorder" means the following mental
10 disorders as defined in the most current edition of the
11 Diagnostic and Statistical Manual (DSM) published by the
12 American Psychiatric Association:

13 (A) substance abuse disorders;

14 (B) substance dependence disorders; and

15 (C) substance induced disorders.

16 (3) Unless otherwise prohibited by federal law and
17 consistent with the parity requirements of Section 370c.1 of
18 this Code, the reimbursing insurer, a provider of treatment of
19 serious mental illness or substance use disorder shall furnish
20 medical records or other necessary data that substantiate that
21 initial or continued treatment is at all times medically
22 necessary. An insurer shall provide a mechanism for the timely
23 review by a provider holding the same license and practicing in
24 the same specialty as the patient's provider, who is
25 unaffiliated with the insurer, jointly selected by the patient
26 (or the patient's next of kin or legal representative if the

1 patient is unable to act for himself or herself), the patient's
2 provider, and the insurer in the event of a dispute between the
3 insurer and patient's provider regarding the medical necessity
4 of a treatment proposed by a patient's provider. If the
5 reviewing provider determines the treatment to be medically
6 necessary, the insurer shall provide reimbursement for the
7 treatment. Future contractual or employment actions by the
8 insurer regarding the patient's provider may not be based on
9 the provider's participation in this procedure. Nothing
10 prevents the insured from agreeing in writing to continue
11 treatment at his or her expense. When making a determination of
12 the medical necessity for a treatment modality for serious
13 mental illness or substance use disorder, an insurer must make
14 the determination in a manner that is consistent with the
15 manner used to make that determination with respect to other
16 diseases or illnesses covered under the policy, including an
17 appeals process. Medical necessity determinations for
18 substance use disorders shall be made in accordance with
19 appropriate patient placement criteria established by the
20 American Society of Addiction Medicine. No additional criteria
21 may be used to make medical necessity determinations for
22 substance use disorders.

23 (4) A group health benefit plan amended, delivered, issued,
24 or renewed on or after the effective date of this amendatory
25 Act of the 97th General Assembly:

26 (A) shall provide coverage based upon medical

1 necessity for the treatment of mental illness and substance
2 use disorders consistent with the parity requirements of
3 Section 370c.1 of this Code; provided, however, that in
4 each calendar year coverage shall not be less than the
5 following:

6 (i) 45 days of inpatient treatment; and

7 (ii) beginning on June 26, 2006 (the effective date
8 of Public Act 94-921), 60 visits for outpatient
9 treatment including group and individual outpatient
10 treatment; and

11 (iii) for plans or policies delivered, issued for
12 delivery, renewed, or modified after January 1, 2007
13 (the effective date of Public Act 94-906), 20
14 additional outpatient visits for speech therapy for
15 treatment of pervasive developmental disorders that
16 will be in addition to speech therapy provided pursuant
17 to item (ii) of this subparagraph (A); and

18 (B) may not include a lifetime limit on the number of
19 days of inpatient treatment or the number of outpatient
20 visits covered under the plan.

21 (C) (Blank).

22 (5) An issuer of a group health benefit plan may not count
23 toward the number of outpatient visits required to be covered
24 under this Section an outpatient visit for the purpose of
25 medication management and shall cover the outpatient visits
26 under the same terms and conditions as it covers outpatient

1 visits for the treatment of physical illness.

2 (5.5) An individual or group health benefit plan amended,
3 delivered, issued, or renewed on or after the effective date of
4 this amendatory Act of the 99th General Assembly shall offer
5 coverage for medically necessary acute treatment services and
6 medically necessary clinical stabilization services. The
7 treating provider shall base all treatment recommendations and
8 the health benefit plan shall base all medical necessity
9 determinations for substance use disorders in accordance with
10 the most current edition of the American Society of Addiction
11 Medicine Patient Placement Criteria.

12 As used in this subsection:

13 "Acute treatment services" means 24-hour medically
14 supervised addiction treatment that provides evaluation and
15 withdrawal management and may include biopsychosocial
16 assessment, individual and group counseling, psychoeducational
17 groups, and discharge planning.

18 "Clinical stabilization services" means 24-hour treatment,
19 usually following acute treatment services for substance
20 abuse, which may include intensive education and counseling
21 regarding the nature of addiction and its consequences, relapse
22 prevention, outreach to families and significant others, and
23 aftercare planning for individuals beginning to engage in
24 recovery from addiction.

25 (6) An issuer of a group health benefit plan may provide or
26 offer coverage required under this Section through a managed

1 care plan.

2 (7) (Blank).

3 (8) (Blank).

4 (9) With respect to substance use disorders, coverage for
5 inpatient treatment shall include coverage for treatment in a
6 residential treatment center licensed by the Department of
7 Public Health or the Department of Human Services.

8 (c) This Section shall not be interpreted to require
9 coverage for speech therapy or other habilitative services for
10 those individuals covered under Section 356z.15 of this Code.

11 (d) The Department shall enforce the requirements of State
12 and federal parity law, which includes ensuring compliance by
13 individual and group policies; detecting violations of the law
14 by individual and group policies proactively monitoring
15 discriminatory practices; accepting, evaluating, and
16 responding to complaints regarding such violations; and
17 ensuring violations are appropriately remedied and deterred.

18 (e) Availability of plan information.

19 (1) The criteria for medical necessity determinations
20 made under a group health plan with respect to mental
21 health or substance use disorder benefits (or health
22 insurance coverage offered in connection with the plan with
23 respect to such benefits) must be made available by the
24 plan administrator (or the health insurance issuer
25 offering such coverage) to any current or potential
26 participant, beneficiary, or contracting provider upon

1 request.

2 (2) The reason for any denial under a group health plan
3 (or health insurance coverage offered in connection with
4 such plan) of reimbursement or payment for services with
5 respect to mental health or substance use disorder benefits
6 in the case of any participant or beneficiary must be made
7 available within a reasonable time and in a reasonable
8 manner by the plan administrator (or the health insurance
9 issuer offering such coverage) to the participant or
10 beneficiary upon request.

11 (f) As used in this Section, "group policy of accident and
12 health insurance" and "group health benefit plan" includes (1)
13 State-regulated employer-sponsored group health insurance
14 plans written in Illinois and (2) State employee health plans.
