A BILL FOR

1 AN ACT concerning public employee benefits.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pension Code is amended by changing  
5 Section 1-119 as follows:

6 (40 ILCS 5/1-119)

7 Sec. 1-119. Qualified Illinois Domestic Relations Orders.

8 (a) For the purposes of this Section:

9 (1) "Alternate payee" means the spouse, former spouse,  
10 child, or other dependent of a member, as designated in a  
11 QILDRO.

12 (2) "Death benefit" means any nonperiodic benefit  
13 payable upon the death of a member to a survivor of the  
14 member or to the member's estate or designated beneficiary,  
15 including any refund of contributions following the  
16 member's death, whether or not the benefit is so called  
17 under the applicable Article of this Code.

18 (3) "Disability benefit" means any periodic or  
19 nonperiodic benefit payable to a disabled member based on  
20 occupational or nonoccupational disability or disease,  
21 including any periodic or nonperiodic increases in the  
22 benefit, whether or not the benefit is so called under the  
23 applicable Article of this Code.

1           (4) "Member" means any person who participates in or  
2 has service credits in a retirement system, including a  
3 person who is receiving or is eligible to receive a  
4 retirement or disability benefit, without regard to  
5 whether the person has withdrawn from service.

6           (5) "Member's refund" means a return of all or a  
7 portion of a member's contributions that is elected by the  
8 member (or provided by operation of law) and is payable  
9 before the member's death.

10          (5.5) "Permissive service" means service credit  
11 purchased by the member, unused vacation, and unused sick  
12 leave that the retirement system includes by statute in a  
13 member's benefit calculations.

14          (6) "Qualified Illinois Domestic Relations Order" or  
15 "QILDRO" means an Illinois court order that creates or  
16 recognizes the existence of an alternate payee's right to  
17 receive all or a portion of a member's accrued benefits in  
18 a retirement system, is issued pursuant to this Section and  
19 Section 503(b)(2) of the Illinois Marriage and Dissolution  
20 of Marriage Act, and meets the requirements of this  
21 Section. A QILDRO is not the same as a qualified domestic  
22 relations order or QDRO issued pursuant to Section 414(p)  
23 of the Internal Revenue Code of 1986. The requirements of  
24 paragraphs (2) and (3) of that Section do not apply to  
25 orders issued under this Section and shall not be deemed a  
26 guide to the interpretation of this Section; a QILDRO is

1 intended to be a domestic relations order within the  
2 meaning of paragraph (11) of that Section.

3 (7) "Regular payee" means the person to whom a benefit  
4 would be payable in the absence of an effective QILDRO.

5 (7.5) "Regular service" means service credit earned by  
6 the member, including a repayment of a refund for regular  
7 service that the retirement system includes by statute in a  
8 member's benefit calculations. "Regular service" does not  
9 include service credit purchased by the member, unused  
10 vacation, or unused sick leave.

11 (8) "Retirement benefit" means any periodic or  
12 nonperiodic benefit payable to a retired member based on  
13 age or service, or on the amounts accumulated to the credit  
14 of the member for retirement purposes, including any  
15 periodic or nonperiodic increases in the benefit, whether  
16 or not the benefit is so called under the applicable  
17 Article of this Code.

18 (9) "Retirement system" or "system" means any  
19 retirement system, pension fund, or other public employee  
20 retirement benefit plan that is maintained or established  
21 under any of Articles 2 through 18 of this Code.

22 (10) "Surviving spouse" means the spouse of a member at  
23 the time of the member's death.

24 (11) "Survivor's benefit" means any periodic benefit  
25 payable to a surviving spouse, child, parent, or other  
26 survivor of a deceased member, including any periodic or

1 nonperiodic increases in the benefit or nonperiodic  
2 payment included with the benefit, whether or not the  
3 benefit is so called under the applicable Article of this  
4 Code.

5 (b) (1) An Illinois court of competent jurisdiction in a  
6 proceeding for declaration of invalidity of marriage, legal  
7 separation, or dissolution of marriage that provides for  
8 support or the distribution of property, or any proceeding to  
9 amend or enforce such support or property distribution, may  
10 order that all or any part of any (i) member's retirement  
11 benefit, (ii) member's refund payable to or on behalf of the  
12 member, or (iii) death benefit, or portion thereof, that would  
13 otherwise be payable to the member's death benefit  
14 beneficiaries or estate be instead paid by the retirement  
15 system to the alternate payee.

16 (2) An order issued under this Section provides only for  
17 the diversion to an alternate payee of certain benefits  
18 otherwise payable by the retirement system under the provisions  
19 of this Code. The existence of a QILDRO shall not cause the  
20 retirement system to pay any benefit, or any amount of benefit,  
21 to an alternate payee that would not have been payable by the  
22 system to a regular payee in the absence of the QILDRO.

23 (3) A QILDRO shall not affect the vesting, accrual, or  
24 amount of any benefit, nor the date or conditions upon which  
25 any benefit becomes payable, nor the right of the member or the  
26 member's survivors to make any election otherwise authorized

1 under this Code, except as provided in subsections (i) and (j).

2 (4) A QILDRO shall not apply to or affect the payment of  
3 any survivor's benefit, disability benefit, life insurance  
4 benefit, or health insurance benefit.

5 (c) (1) A QILDRO must contain the name, mailing address,  
6 and social security number of the member and of the alternate  
7 payee and must identify the retirement system to which it is  
8 directed and the court issuing the order.

9 (2) A QILDRO must specify each benefit to which it applies,  
10 and it must specify the amount of the benefit to be paid to the  
11 alternate payee. In the case of a non-periodic benefit, this  
12 amount must be specified as a dollar amount or as a percentage  
13 as specifically provided in subsection (n). In the case of a  
14 periodic benefit, this amount must be specified as a dollar  
15 amount per month or as a percentage per month as specifically  
16 provided in subsection (n).

17 (3) With respect to each benefit to which it applies, a  
18 QILDRO must specify when the order will take effect. In the  
19 case of a lump sum benefit payable to an alternate payee of a  
20 participant in the self-managed plan authorized under Article  
21 15 of this Code, the benefit shall be paid upon the proper  
22 request of the alternate payee. In the case of a periodic  
23 benefit that is being paid at the time the order is received, a  
24 QILDRO shall take effect immediately or on a specified later  
25 date; if it takes effect immediately, it shall become effective  
26 on the first benefit payment date occurring at least 30 days

1 after the order is received by the retirement system. In the  
2 case of any other benefit, a QILDRO shall take effect when the  
3 benefit becomes payable, unless some later date is specified  
4 pursuant to subsection (n). However, in no event shall a QILDRO  
5 apply to any benefit paid by the retirement system before or  
6 within 30 days after the order is received. A retirement system  
7 may adopt rules to prorate the amount of the first and final  
8 periodic payments to an alternate payee.

9 (4) A QILDRO must also contain any provisions required  
10 under subsection (n) or (p).

11 (5) If a QILDRO indicates that the alternate payee is to  
12 receive a percentage of any retirement system benefit, the  
13 calculations required shall be performed by the member, the  
14 alternate payee, their designated representatives or their  
15 designated experts. The results of said calculations shall be  
16 provided to the retirement system via a QILDRO Calculation  
17 Court Order issued by an Illinois court of competent  
18 jurisdiction in a proceeding for declaration of invalidity of  
19 marriage, legal separation, or dissolution of marriage. The  
20 QILDRO Calculation Court Order shall follow the form provided  
21 in subsection (n-5). The retirement system shall have no duty  
22 or obligation to assist in such calculations or in completion  
23 of the QILDRO Calculation Court Order, other than to provide  
24 the information required to be provided pursuant to subsection  
25 (h).

26 (6) Within 45 days after the receipt of a QILDRO

1 Calculation Court Order, the retirement system shall notify the  
2 member and the alternate payee (or one designated  
3 representative of each) of the receipt of the Order. If a valid  
4 QILDRO underlying the QILDRO Calculation Court Order has not  
5 been filed with the retirement system, or if the QILDRO  
6 Calculation Court Order does not clearly indicate the amount  
7 the retirement system is to pay to the alternate payee, then  
8 the retirement system shall at the same time notify the member  
9 and the alternate payee (or one designated representative of  
10 each) of the situation. Unless a valid QILDRO has not been  
11 filed with the retirement system, or the QILDRO Calculation  
12 Court Order does not clearly indicate the amount the retirement  
13 system is to pay the alternate payee, the retirement system  
14 shall implement the QILDRO based on the QILDRO Calculation  
15 Court Order as soon as administratively possible once benefits  
16 are payable. The retirement system shall have no obligation to  
17 make any determination as to whether the calculations in the  
18 QILDRO Calculation Court Order are accurate or whether the  
19 calculations are in accordance with the parties' QILDRO,  
20 agreement, or judgment. The retirement system shall not reject  
21 a QILDRO Calculation Court Order because the calculations are  
22 not accurate or not in accordance with the parties' QILDRO,  
23 agreement, or judgment. The retirement system shall have no  
24 responsibility for the consequences of its implementation of a  
25 QILDRO Calculation Court Order that is inaccurate or not in  
26 accordance with the parties' QILDRO, agreement, or judgment.

1           (d) (1) An order issued under this Section shall not be  
2 implemented unless a certified copy of the order has been filed  
3 with the retirement system. The system shall promptly notify  
4 the member and the alternate payee by first class mail of its  
5 receipt of the order.

6           (2) Neither the retirement system, nor its board, nor any  
7 of its employees shall be liable to the member, the regular  
8 payee, or any other person for any amount of a benefit that is  
9 paid in good faith to an alternate payee in accordance with a  
10 QILDRO.

11           (3) Each new or modified QILDRO or QILDRO Calculation Court  
12 Order that is submitted to the retirement system shall be  
13 accompanied by a nonrefundable \$50 processing fee payable to  
14 the retirement system, to be used by the system to defer any  
15 administrative costs arising out of the implementation of the  
16 order.

17           (e) (1) Each alternate payee is responsible for maintaining  
18 a current mailing address on file with the retirement system.  
19 The retirement system shall have no duty to attempt to locate  
20 any alternate payee by any means other than sending written  
21 notice to the last known address of the alternate payee on file  
22 with the system.

23           (2) In the event that the system cannot locate an alternate  
24 payee when a benefit becomes payable, the system shall hold the  
25 amount of the benefit payable to the alternate payee and make  
26 payment to the alternate payee if he or she is located within

1 the following 180 days. If the alternate payee has not been  
2 located within 180 days from the date the benefit becomes  
3 payable, the system shall pay the benefit and the amounts held  
4 to the regular payee. If the alternate payee is subsequently  
5 located, the system shall thereupon implement the QILDRO, but  
6 the interest of the alternate payee in any amounts already paid  
7 to the regular payee shall be extinguished. Amounts held under  
8 this subsection shall not bear interest.

9 (f) (1) If the amount of a benefit that is specified in a  
10 QILDRO or QILDRO Calculation Court Order for payment to an  
11 alternate payee exceeds the actual amount of that benefit  
12 payable by the retirement system, the excess shall be  
13 disregarded. The retirement system shall have no liability to  
14 any alternate payee or any other person for the disregarded  
15 amounts.

16 (2) In the event of multiple QILDROs against a member, the  
17 retirement system shall honor all of the QILDROs to the extent  
18 possible. However, if the total amount of a benefit to be paid  
19 to alternate payees under all QILDROs in effect against the  
20 member exceeds the actual amount of that benefit payable by the  
21 system, the QILDROs shall be satisfied in the order of their  
22 receipt by the system until the amount of the benefit is  
23 exhausted, and shall not be adjusted pro rata. Any amounts that  
24 cannot be paid due to exhaustion of the benefit shall remain  
25 unpaid, and the retirement system shall have no liability to  
26 any alternate payee or any other person for such amounts.

1           (3) A modification of a QILDRO shall be filed with the  
2 retirement system in the same manner as a new QILDRO. A  
3 modification that does not increase the amount of any benefit  
4 payable to the alternate payee, as that amount was designated  
5 in the QILDRO, and does not expand the QILDRO to affect any  
6 benefit not affected by the unmodified QILDRO, does not affect  
7 the priority of payment under subdivision (f) (2); the priority  
8 of payment of a QILDRO that has been modified to increase the  
9 amount of any benefit payable to the alternate payee, or to  
10 expand the QILDRO to affect a benefit not affected by the  
11 unmodified QILDRO, shall be based on the date on which the  
12 system receives the modification of the QILDRO.

13           (4) A modification of a QILDRO Calculation Court Order  
14 shall be filed with the retirement system in the same manner as  
15 a new QILDRO Calculation Court Order.

16           (g) (1) Upon the death of the alternate payee under a  
17 QILDRO, the QILDRO shall expire and cease to be effective, and  
18 in the absence of another QILDRO, the right to receive any  
19 affected benefit shall revert to the regular payee.

20           (2) All QILDROs relating to a member's participation in a  
21 particular retirement system shall expire and cease to be  
22 effective upon the issuance of a member's refund that  
23 terminates the member's participation in that retirement  
24 system, without regard to whether the refund was paid to the  
25 member or to an alternate payee under a QILDRO. An expired  
26 QILDRO shall not be automatically revived by any subsequent

1 return by the member to service under that retirement system.

2 (h) (1) Within 45 days after receiving a subpoena from any  
3 party to a proceeding for declaration of invalidity of  
4 marriage, legal separation, or dissolution of marriage in which  
5 a QILDRO may be issued, or after receiving a request from the  
6 member, a retirement system shall provide in response a  
7 statement of a member's accumulated contributions, accrued  
8 benefits, and other interests in the plan administered by the  
9 retirement system based on the data on file with the system on  
10 the date the subpoena is received. If so requested in the  
11 subpoena, the retirement system shall also provide in response  
12 general retirement plan information available to a member and  
13 any relevant procedures, rules, or modifications to the model  
14 QILDRO form that have been adopted by the retirement system.

15 (1.5) If a QILDRO provides for the alternate payee to  
16 receive a percentage of a retirement benefit (as opposed to  
17 providing for the alternate payee to receive specified dollar  
18 amounts of a retirement benefit), then the retirement system  
19 shall provide the applicable information to the member and to  
20 the alternate payee, or to one designated representative of  
21 each (e.g., the member's attorney and the alternate payee's  
22 attorney) as indicated below:

23 (A) If the member is a participant in the self-managed  
24 plan authorized under Article 15 of this Code and the  
25 QILDRO provides that the only benefit the alternate payee  
26 is to receive is a percentage of a lump sum benefit as of a

1 specific date that has already past, then, within 45 days  
2 after the retirement system receives the QILDRO, the  
3 retirement system shall provide the lump sum amount to  
4 which the QILDRO percentage is to be applied.

5 (B) For all situations except that situation described  
6 in item (A), if the retirement system receives the QILDRO  
7 before the member's effective date of retirement, then,  
8 within 45 days after the retirement system receives the  
9 QILDRO, the retirement system shall provide all of the  
10 following information:

11 (i) The date of the member's initial membership in  
12 the retirement system, expressed as month, day, and  
13 year, if available, or the most exact date that is  
14 available to the retirement system.

15 (ii) The amount of permissive and regular service  
16 the member accumulated in the retirement system from  
17 the time of initial membership through the most recent  
18 date available prior to the retirement system  
19 receiving the QILDRO (the dates used by the retirement  
20 system shall also be provided). Service amounts shall  
21 be expressed using the most exact time increments  
22 available to the retirement system (e.g., months or  
23 fractions of years).

24 (iii) The gross amount of the member's non-reduced  
25 monthly annuity benefit earned, calculated as of the  
26 most recent date available prior to the retirement

1 system receiving the QILDRO, the date used by the  
2 retirement system, and the earliest date the member may  
3 be eligible to commence the benefit. This amount shall  
4 include any permissive service and upgrades purchased  
5 by the member, and those amounts shall be noted  
6 separately.

7 (iv) The gross amount of the member's refund or  
8 partial refund, including any interest payable on  
9 those amounts, calculated as of the most recent date  
10 available prior to the retirement system receiving the  
11 QILDRO (the date used by the retirement system shall  
12 also be provided).

13 (v) The gross amount of the death benefits that  
14 would be payable to the member's death benefit  
15 beneficiaries or estate, assuming the member died on  
16 the date or a date as close as possible to the date the  
17 QILDRO was received by the retirement system,  
18 including any interest payable on the amounts,  
19 calculated as of the most recent date available prior  
20 to the retirement system receiving the QILDRO (the date  
21 used by the retirement system shall also be provided).

22 (vi) Whether the member has notified the  
23 retirement system of the date the member intends to  
24 retire, and if so, that date.

25 (vii) If the member has provided a date that he or  
26 she intends to retire, the date, if available, that the

1 retirement system reasonably believes will be the  
2 member's effective date of retirement.

3 (C) For all situations except that situation described  
4 in item (A), if the retirement system receives the QILDRO  
5 after the effective date of retirement, then, within 45  
6 days after the retirement system receives the QILDRO, or,  
7 if the retirement system receives the QILDRO before the  
8 member's effective date of retirement, then as soon as  
9 administratively possible before or after the member's  
10 effective date of retirement (but not later than 45 days  
11 after the member's effective date of retirement), the  
12 retirement system shall provide all of the following  
13 information:

14 (i) The member's effective date of retirement.

15 (ii) The date the member commenced benefits or, if  
16 not yet commenced, the date the retirement system has  
17 scheduled the member's benefits to commence.

18 (iii) The amount of permissive and regular service  
19 the member accumulated in the retirement system from  
20 the time of initial membership through the member's  
21 effective date of retirement. Service amounts shall be  
22 expressed using the most exact time increments  
23 available to the retirement system (e.g., months or  
24 fractions of years).

25 (iv) The gross amount of the member's monthly  
26 retirement benefit, calculated as of the member's

1 effective date of retirement, but using the member's  
2 salary on the date the QILDRO order is issued if that  
3 date is after January 1, 2018. This amount shall  
4 include any permissive service and upgrades purchased  
5 by the member, and those amounts shall be noted  
6 separately.

7 (v) The gross amount of the member's refund or  
8 partial refund, including any interest payable on  
9 those amounts, calculated as of the member's effective  
10 date of retirement.

11 (vi) The gross amount of death benefits that would  
12 be payable to the member's death benefit beneficiaries  
13 or estate, assuming the member died on the member's  
14 effective date of retirement, including any interest  
15 payable on those amounts.

16 (D) If, and only if, the alternate payee is entitled to  
17 benefits under Section VII of the QILDRO, then, within 45  
18 days after the retirement system receives notice of the  
19 member's death, the retirement system shall provide the  
20 gross amount of death benefits payable, including any  
21 interest payable on those amounts, calculated as of the  
22 member's date of death.

23 (2) In no event shall the retirement system be required to  
24 furnish to any person an actuarial opinion as to the present  
25 value of the member's benefits or other interests.

26 (3) The papers, entries, and records, or parts thereof, of

1 any retirement system may be proved by a copy thereof,  
2 certified under the signature of the secretary of the system or  
3 other duly appointed keeper of the records of the system and  
4 the corporate seal, if any.

5 (i) In a retirement system in which a member or beneficiary  
6 is required to apply to the system for payment of a benefit,  
7 the required application may be made by an alternate payee who  
8 is entitled to all of a termination refund or retirement  
9 benefit or part of a death benefit that is payable under a  
10 QILDRO, provided that all other qualifications and  
11 requirements have been met. However, the alternate payee may  
12 not make the required application for death benefits while the  
13 member is alive or for a member's refund or a retirement  
14 benefit if the member is in active service or below the minimum  
15 age for receiving an undiscounted retirement annuity in the  
16 retirement system that has received the QILDRO or in any other  
17 retirement system in which the member has regular or permissive  
18 service and in which the member's rights under the Retirement  
19 Systems Reciprocal Act would be affected as a result of the  
20 alternate payee's application for a member's refund or  
21 retirement benefit.

22 (j) (1) So long as there is in effect a QILDRO relating to  
23 a member's retirement benefit, the affected member may not  
24 elect a form of payment that has the effect of diminishing the  
25 amount of the payment to which any alternate payee is entitled,  
26 unless the alternate payee has consented to the election in a

1 writing that includes the alternate payee's notarized  
2 signature, and this written and notarized consent has been  
3 filed with the retirement system.

4 (2) If a member attempts to make an election prohibited  
5 under subdivision (j)(1), the retirement system shall reject  
6 the election and advise the member of the need to obtain the  
7 alternate payee's consent.

8 (3) If a retirement system discovers that it has mistakenly  
9 allowed an election prohibited under subdivision (j)(1), it  
10 shall thereupon disallow that election and recalculate any  
11 benefits affected thereby. If the system determines that an  
12 amount paid to a regular payee should have been paid to an  
13 alternate payee, the system shall, if possible, recoup the  
14 amounts as provided in subsection (k) of this Section.

15 (k) In the event that a regular payee or an alternate payee  
16 is overpaid, the retirement system shall have the authority to  
17 and shall recoup the amounts by deducting the overpayment from  
18 future payments and making payment to the other payee. The  
19 system may make deductions for recoupment over a period of time  
20 in the same manner as is provided by law or rule for the  
21 recoupment of other amounts incorrectly disbursed by the system  
22 in instances not involving a QILDRO. The retirement system  
23 shall incur no liability to either the alternate payee or the  
24 regular payee as a result of any payment made in good faith,  
25 regardless of whether the system is able to accomplish  
26 recoupment.

1           (1) (1) A retirement system that has, before the effective  
2 date of this Section, received and implemented a domestic  
3 relations order that directs payment of a benefit to a person  
4 other than the regular payee may continue to implement that  
5 order, and shall not be liable to the regular payee for any  
6 amounts paid in good faith to that other person in accordance  
7 with the order.

8           (2) A domestic relations order directing payment of a  
9 benefit to a person other than the regular payee that was  
10 issued by a court but not implemented by a retirement system  
11 prior to the effective date of this Section shall be void.  
12 However, a person who is the beneficiary or alternate payee of  
13 a domestic relations order that is rendered void under this  
14 subsection may petition the court that issued the order for an  
15 amended order that complies with this Section.

16           (3) A retirement system that received a valid QILDRO before
