8 ~~Advisory Board.~~

9 (a) Upon receipt of an application for issuance of a
10 certificate of authority, the Director shall transmit copies of
11 such application and accompanying documents to the Director of
12 the Illinois Department of Public Health. The Director of the
13 Department of Public Health shall then determine whether the
14 applicant for certificate of authority, with respect to health
15 care services to be furnished: (1) has demonstrated the
16 willingness and potential ability to assure that such health
17 care service will be provided in a manner to insure both

8 ~~There is created in the Department of Public Health a~~
9 ~~Health Maintenance Advisory Board composed of 11 members. Nine~~
10 ~~members shall have practiced in the health field, 4 of which~~

18 ~~the Board shall constitute a quorum. A vacancy in the~~
19 ~~membership of the Advisory Board shall not impair the right of~~
20 ~~a quorum to exercise all rights and perform all duties of the~~
21 ~~Board. The Health Maintenance Advisory Board has the power to~~
22 ~~review and comment on proposed rules and regulations to be~~
23 ~~promulgated by the Director of the Department of Public Health~~
24 ~~within 30 days after those proposed rules and regulations have~~
25 ~~been submitted to the Advisory Board.~~

19 making this determination, the Director shall consider:

21 arrangements for health services and the minimum
22 standard rates, co-payments and other patient charges
23 used in connection therewith;

24 (B) the adequacy of working capital, other sources
25 of funding, and provisions for contingencies; and
