11 Section 20. Filing and approval of rates and rate
12 schedules.

13 (a) Notwithstanding any law to the contrary, a health
14 carrier may not deliver or issue for delivery any health
15 benefit plan after the effective date of this Act unless:

16 (1) the health carrier has filed with the Health
17 Insurance Rate Review Board:

18 (a) all current and proposed rates and rate
19 schedules of the health benefit plan; and

20 (b) if filing changes to a previously approved rate
21 or rate schedule:

22 (i) proposed changes to the rate or rate
23 schedule;

24 (ii) an explanation of the changes;

25 (iii) financial information describing the

1 basis for the proposed changes;

2 (iv) the rate of return anticipated if the rate
3 or rate schedule is approved;

4 (v) the average rate increase or decrease
5 anticipated per insured;

6 (vi) the medical loss ratio reserves and
7 surpluses anticipated if the rate or rate schedule
8 is approved;

9 (vii) a summary of the health carrier's
10 nonmedical expenses for the most recent fiscal
11 year;

12 (viii) supplementary rating information;

13 (ix) any other information required by the
14 Board by rule; and

15 (2) the Board has approved the rates and rate schedules
16 of the health benefit plan.

17 (b) The Board shall review and approve or disapprove all
18 rates and rate schedules filed or used by a health carrier or
19 filed by a rating or advisory organization on behalf of a
20 health carrier.

21 (c) Within 30 days after the date a rate or rate schedule
22 is filed with the Board, the Board shall:

23 (1) approve the rate or rate schedule if the Board
24 determines that the rate or rate schedule is not excessive,
25 inadequate, or unfairly discriminatory; or

26 (2) disapprove the rate or rate schedule if the Board

1 determines the rate or rate schedule is excessive,
2 inadequate, or unfairly discriminatory.

3 (d) Except as provided in subsection (e), if a rate or rate
4 schedule has not been approved or disapproved by the Board
5 before the expiration of the 30-day period, the rate or rate
6 schedule is considered approved and the rate or rate schedule
7 may be used.

8 (e) For good cause, the Board may, on expiration of the
9 30-day period, extend the period for approval or disapproval of
10 a rate or rate schedule for one additional 30-day period.

11 (f) If the Board determines that the information filed by a
12 health carrier under this Section is incomplete or otherwise
13 deficient, the Board may request additional information from
14 the health carrier. If the Board requests additional
15 information from the insurer during the 30-day period provided
16 in subsection (c) or under a second 30-day period provided
17 under subsection (e), then the time between the date the that
18 Board submits the request to the health carrier and the date
19 that the Board receives the information requested is not
20 included in the computation of the first 30-day period or the
21 second 30-day period, as applicable.

22 Section 25. Rate standards.

23 (a) A rate or rate schedule is excessive if the rate or
24 rate schedule is likely to produce a long-term profit that is
25 unreasonably high in relation to the insurance coverage

1 provided.

2 (b) A rate or rate schedule is inadequate if:

3 (1) the rate or rate schedule is insufficient to
4 sustain projected losses and expenses to which the rate
5 applies; and

6 (2) the continued use of the rate or rate schedule:

7 (a) endangers the solvency of an insurer using the
8 rate or rate schedule; or

9 (b) has the effect of substantially lessening
10 competition or creating a monopoly in a market.

11 (c) A rate or rate schedule is unfairly discriminatory if
12 the rate or rate schedule:

13 (1) is not based on sound actuarial principles;

14 (2) does not bear a reasonable relationship to the
15 expected loss and expense experience among risks; or

16 (3) is based wholly or partly on the race, creed,
17 color, ethnicity, or national origin of the policyholder or
18 an insured.

19 Section 30. Public notice of filing.

20 (a) The Board must issue a notice to the public within 7

24 (2) the current rate or rate schedule;

25 (3) the proposed rate or rate schedule;

6 (a) Within 30 days after the proposed change to a rate or
7 rate schedule has been filed, the Board may request a hearing

9 (b) Within 30 days after the proposed change has been
10 filed, any person who is aggrieved with respect to any filing
11 under this Act, the Director, or any public official charged
12 with protecting insurance consumers may submit a request in
13 writing to the Board for a hearing on the filing. The request
14 must specify the grounds for the requester's grievance.

15 (c) The Board must hold a hearing as requested under
16 subsection (b) not later than 30 days after the date the Board
17 receives the request for hearing if the Board determines that:

- 18 (1) the request is made in good faith;
19 (2) the requester would be aggrieved as alleged if the
20 grounds specified in request were established; and
21 (3) the grounds specified in the request otherwise
22 justify holding the hearing.

23 (d) The Board must provide written notice of a hearing to
24 the requester, if any, and each affected health carrier not
25 later than 10 days before the date of the hearing. The Board

1 shall also provide public notice of the hearing not later than

6 meet those requirements; and

7 (2) stating the date on which the filing is no longer
8 in effect, which must be within a reasonable period after
9 the order date.

10 The Board must send copies of the order to the requester,
11 if any, and each affected health carrier.

12 Section 40. Hearings on filings in effect.

13 (a) The Board may disapprove a rate or rate schedule that
14 is in effect only after a hearing. The Board must provide the
15 filer at least 20 days written notice of the hearing.

16 The Board must issue an order disapproving a rate or rate
17 schedule under this subsection (a) within 15 days after the
18 close of the hearing. The order must:

19 (1) specify in what respects the filing fails to meet
20 those requirements; and

21 (2) state the date on which further use of the rate or
22 rate schedule is prohibited.

23 (b) Any person who is aggrieved with respect to any filing
24 under this Act that is in effect, the Director, or any public
25 official charged with protecting insurance consumers may apply

1 to the Board in writing for a hearing on the filing. The
2 request must specify the grounds for the requester's grievance.

3 (c) The Board must hold a hearing as requested under
4 subsection (b) not later than 30 days after the date the Board
5 receives the request for hearing if the Board determines that:

6 (1) the request is made in good faith;

7 (2) the requester would be aggrieved as alleged if the
8 grounds specified in request were established; and

9 (3) the grounds specified in the request otherwise
10 justify holding the hearing.

11 (d) The Board must provide written notice of a hearing to
12 the requester, if any, and each affected health carrier not
13 later than 10 days before the date of the hearing. The Board
14 shall also provide public notice of the hearing not later than
15 10 days before the date of the hearing.

16 (e) If, after the hearing, the Board disapproves of the
17 filing, the Board shall issue an order:

18 (1) specifying in what respects the filing fails to
19 meet those requirements; and

20 (2) stating the date on which the filing is no longer
21 in effect, which must be within a reasonable period after
22 the order date.

23 The Board must send copies of the order to the requester,
24 if any, and each affected health carrier.

25 Section 45. Disapproval of rate or rate schedule.

1 (a) If the Board disapproves a filing under this Act, then
2 the Board shall issue an order specifying in what respects the
3 filing fails to meet the requirements of this Act.

4 (b) The aggrieved filer is entitled to a hearing on written

6 order disapproving the rate or rate schedule filing takes
7 effect.

8 Section 50. Approval of rate or rate schedule; use of the
9 approved rate or rate schedule. If the board approves a rate or
10 rate schedule filing under this Act, the Board shall provide
11 the health carrier with a written or electronic notification of

13 schedule on receipt of the approval notice. The Board shall
14 provide public notice of its approval or disapproval of all
15 filings.
