A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by adding
5 Section 5-113 as follows:

6 (220 ILCS 5/5-113 new)

7 Sec. 5-113. Water supplier cyber security report.

8 (a) Public water utilities operating in this State shall
9 file annually to the Commission a report analyzing the risk and
10 vulnerability of the State's water supply to cyber attack. Each
11 report shall include, but not be limited to, the following
12 information:

13 (1) a proposed emergency plan in case of a cyber attack
14 on the State's water supply;

15 (2) a plan to sustain protection of public health and
16 the environment;

17 (3) a risk assessment and plan to reduce such risk of a
18 cyber attack;

19 (4) a plan to maintain a resilient infrastructure in
20 case of a cyber attack;

21 (5) ideas concerning development of cyber security
22 resources, including increasing public education and
23 awareness of cyber security efforts and fostering

1 communication with the public concerning cyber security
2 issues;

3 (6) any other information concerning the State's water
4 supply and cyber security that a public water utility may
5 deem necessary or relevant.

6 (b) Reports required under this Section shall be submitted
7 to the Commission beginning April 1, 2018, and by April 1 of
8 each year thereafter. Following the submission of a water
9 utility's initial report, subsequent reports by the utility
10 shall state year-over-year changes in the information being
11 reported. The Commission shall post the reports on the public
12 portion of its website.

13 (c) The Commission may adopt rules to implement the
14 requirements of this Section.

15 Section 99. Effective date. This Act takes effect upon
16 becoming law.
