11 The Illinois Investment Policy Board shall review the list  
12 of restricted companies on a quarterly basis based on evolving

15 restricted companies to the retirement systems and the State  
16 Treasurer.

17 By April 1, 2018, the Illinois Investment Policy Board  
18 shall make its best efforts to identify all expatriated  
19 entities and include those companies in the list of restricted  
20 companies distributed to each retirement system and the State  
21 Treasurer. These efforts shall include the following, as  
22 appropriate in the Illinois Investment Policy Board's  
23 judgment:

24 (1) reviewing and relying on publicly available  
25 information regarding expatriated entities, including

3 retirement systems that invest in expatriated entities;

4 (3) contacting other institutional investors that have  
5 divested from or engaged with expatriated entities; and

14 it may become subject to divestment or shareholder activism  
15 by the retirement systems.

16 (2) If, following the Illinois Investment Policy  
17 Board's engagement pursuant to this subsection (e) with a  
18 restricted company, that company ceases activity that  
19 designates the company to be an Iran-restricted company, a  
20 Sudan-restricted company, ~~or~~ a company that boycotts  
21 Israel, or an expatriated entity, the company shall be  
22 removed from the list of restricted companies and the  
23 provisions of this Section shall cease to apply to it  
24 unless it resumes such activities.

25 (f) Except as provided in subsection (f-1) of this Section  
26 the ~~The~~ retirement system shall adhere to the following

1 procedures for companies on the list of restricted companies:

5 holdings.

6 (2) The retirement system shall instruct its  
7 investment advisors to sell, redeem, divest, or withdraw  
8 all direct holdings of restricted companies from the  
9 retirement system's assets under management in an orderly  
10 and fiduciarily responsible manner within 12 months after  
11 the company's most recent appearance on the list of  
12 restricted companies.

13 (3) The retirement system may not acquire securities of  
14 restricted companies.

15 (4) The provisions of this subsection (f) do not apply  
16 to the retirement system's indirect holdings or private  
17 market funds. The Illinois Investment Policy Board shall  
18 submit letters to the managers of those investment funds  
19 containing restricted companies requesting that they  
20 consider removing the companies from the fund or create a  
21 similar actively managed fund having indirect holdings  
22 devoid of the companies. If the manager creates a similar  
23 fund, the retirement system shall replace all applicable  
24 investments with investments in the similar fund in an  
25 expedited timeframe consistent with prudent investing  
26 standards.

1       (f-1) The retirement system shall adhere to the following  
2 procedures for restricted companies that are expatriated  
3 entities:

4           (1) To the extent that the retirement system believes  
5 that shareholder activism would be more impactful than  
6 divestment, the retirement system shall have the authority  
7 to engage with a restricted company prior to divesting.

8           (2) Subject to any applicable State or federal laws,  
9 methods of shareholder activism utilized by the retirement  
10 system may include, but are not limited to, bringing  
11 shareholder resolutions and proxy voting on shareholder  
12 resolutions.

13           (3) The retirement system shall report on its  
14 shareholder activism and the outcome of such efforts to the  
15 Illinois Investment Policy Board by April 1 of each year.

16           (4) If the engagement efforts of the retirement system  
17 are unsuccessful, then it shall adhere to the procedures  
18 under subsection (f) of this Section.

19       (g) Upon request, and by April 1 of each year ~~at least~~  
20 ~~annually~~, each retirement system shall provide the Illinois  
21 Investment Policy Board with information regarding investments  
22 sold, redeemed, divested, or withdrawn in compliance with this  
23 Section.

24       (h) Notwithstanding any provision of this Section to the  
25 contrary, a retirement system may cease divesting from  
26 companies pursuant to subsection (f) if clear and convincing

1 evidence shows that the value of investments in such companies  
2 becomes equal to or less than 0.5% of the market value of all  
3 assets under management by the retirement system. For any  
4 cessation of divestment authorized by this subsection (h), the  
5 retirement system shall provide a written notice to the  
6 Illinois Investment Policy Board in advance of the cessation of  
7 divestment, setting forth the reasons and justification,  
8 supported by clear and convincing evidence, for its decision to  
9 cease divestment under subsection (f).

10 (i) The cost associated with the activities of the Illinois  
11 Investment Policy Board shall be borne by the boards of each  
12 pension fund or investment board created under Article 15, 16,  
13 or 22A of this Code.

14 (j) With respect to actions taken in compliance with this  
15 Section, including all good-faith determinations regarding  
16 companies as required by this Section, the retirement system  
17 and Illinois Investment Policy Board are exempt from any  
18 conflicting statutory or common law obligations, including any  
19 fiduciary duties under this Article and any obligations with  
20 respect to choice of asset managers, investment funds, or  
21 investments for the retirement system's securities portfolios.

22 (k) It is not the intent of the General Assembly in  
23 enacting this amendatory Act of the 99th General Assembly to  
24 cause divestiture from any company based in the United States  
25 of America. The Illinois Investment Policy Board shall consider  
26 this intent when developing or reviewing the list of restricted

1 companies.

2 (1) If any provision of this amendatory Act of the 99th  
3 General Assembly or its application to any person or  
4 circumstance is held invalid, the invalidity of that provision  
5 or application does not affect other provisions or applications  
6 of this amendatory Act of the 99th General Assembly that can be  
7 given effect without the invalid provision or application.

8 (m) If any provision of this amendatory Act of the 100th  
9 General Assembly or its application to any person or  
10 circumstance is held invalid, the invalidity of that provision  
11 or application does not affect other provisions or applications  
12 of this amendatory Act of the 100th General Assembly that can  
13 be given effect without the invalid provision or application.
