7 a complaint alleging the commission of or notice of the
8 conviction order for any of the acts described in this Section.
9 Except for the grounds set forth in items (8), (9), (26), and
10 (29) of this Section, no action shall be commenced more than 10
11 years after the date of the incident or act alleged to have
12 been a violation of this Section. In the event of the
13 settlement of any claim or cause of action in favor of the
14 claimant or the reduction to final judgment of any civil action
15 in favor of the plaintiff, such claim, cause of action, or
16 civil action being grounded on the allegation that a person
17 licensed under this Act was negligent in providing care, the
18 Department shall have an additional period of 2 years from the
19 date of notification to the Department under Section 26 of this
20 Act of such settlement or final judgment in which to
21 investigate and commence formal disciplinary proceedings under
22 Section 24 of this Act, except as otherwise provided by law.
23 The time during which the holder of the license was outside the
24 State of Illinois shall not be included within any period of
25 time limiting the commencement of disciplinary action by the
26 Department.

1 In enforcing this Section, the Department or Board upon a
2 showing of a possible violation may compel an individual
3 licensed to practice under this Act, or who has applied for
4 licensure under this Act, to submit to a mental or physical
5 examination, or both, as required by and at the expense of the
6 Department. The Department or Board may order the examining
7 physician to present testimony concerning the mental or
8 physical examination of the licensee or applicant. No
9 information shall be excluded by reason of any common law or
10 statutory privilege relating to communications between the
11 licensee or applicant and the examining physician. The
12 examining physicians shall be specifically designated by the
13 Board or Department. The individual to be examined may have, at
14 his or her own expense, another physician of his or her choice
15 present during all aspects of this examination. Failure of an
16 individual to submit to a mental or physical examination, when
17 directed, shall be grounds for suspension of his or her license
18 until the individual submits to the examination if the
19 Department finds, after notice and hearing, that the refusal to
20 submit to the examination was without reasonable cause.

21 If the Department or Board finds an individual unable to
22 practice because of the reasons set forth in this Section, the
23 Department or Board may require that individual to submit to
24 care, counseling, or treatment by physicians approved or
25 designated by the Department or Board, as a condition, term, or
26 restriction for continued, restored ~~reinstated~~, or renewed

1 licensure to practice; or, in lieu of care, counseling, or
2 treatment, the Department may file, or the Board may recommend
3 to the Department to file, a complaint to immediately suspend,
4 revoke, or otherwise discipline the license of the individual.
5 An individual whose license was granted, continued, restored
6 ~~reinstated~~, renewed, disciplined or supervised subject to such
7 terms, conditions, or restrictions, and who fails to comply
8 with such terms, conditions, or restrictions, shall be referred
9 to the Secretary for a determination as to whether the
10 individual shall have his or her license suspended immediately,
11 pending a hearing by the Department.

12 In instances in which the Secretary immediately suspends a
13 person's license under this Section, a hearing on that person's
14 license must be convened by the Department within 30 days after
15 the suspension and completed without appreciable delay. The
16 Department and Board shall have the authority to review the
17 subject individual's record of treatment and counseling
18 regarding the impairment to the extent permitted by applicable
19 federal statutes and regulations safeguarding the
20 confidentiality of medical records.

21 An individual licensed under this Act and affected under
22 this Section shall be afforded an opportunity to demonstrate to
23 the Department or Board that he or she can resume practice in
24 compliance with acceptable and prevailing standards under the
25 provisions of his or her license.

4 Sec. 26. Reports relating to professional conduct and
5 capacity.

6 (A) The Board shall by rule provide for the reporting to it
7 of all instances in which a podiatric physician licensed under
8 this Act who is impaired by reason of age, drug or alcohol
9 abuse or physical or mental impairment, is under supervision
10 and, where appropriate, is in a program of rehabilitation.
11 Reports shall be strictly confidential and may be reviewed and
12 considered only by the members of the Board, or by authorized
13 staff of the Department as provided by the rules of the Board.
14 Provisions shall be made for the periodic report of the status
15 of any such podiatric physician not less than twice annually in
16 order that the Board shall have current information upon which
17 to determine the status of any such podiatric physician. Such
18 initial and periodic reports of impaired physicians shall not
19 be considered records within the meaning of the State Records
20 Act and shall be disposed of, following a determination by the
21 Board that such reports are no longer required, in a manner and
22 at such time as the Board shall determine by rule. The filing
23 of such reports shall be construed as the filing of a report
24 for the purposes of subsection (C) of this Section. Failure to
25 file a report under this Section shall be a Class A

1 misdemeanor.

2 (A-5) The following persons and entities shall report to
3 the Department or the Board in the instances and under the
4 conditions set forth in this subsection (A-5):

5 (1) Any administrator or officer of any hospital,
6 nursing home or other health care agency or facility who
7 has knowledge of any action or condition which reasonably
8 indicates to him or her that a licensed podiatric physician
9 practicing in such hospital, nursing home or other health
10 care agency or facility is habitually intoxicated or
11 addicted to the use of habit forming drugs, or is otherwise
12 impaired, to the extent that such intoxication, addiction,
13 or impairment adversely affects such podiatric physician's
14 professional performance, or has knowledge that reasonably
15 indicates to him or her that any podiatric physician
16 unlawfully possesses, uses, distributes or converts
17 habit-forming drugs belonging to the hospital, nursing
18 home or other health care agency or facility for such
19 podiatric physician's own use or benefit, shall promptly
20 file a written report thereof to the Department. The report
21 shall include the name of the podiatric physician, the name
22 of the patient or patients involved, if any, a brief
23 summary of the action, condition or occurrence that has
24 necessitated the report, and any other information as the
25 Department may deem necessary. The Department shall
26 provide forms on which such reports shall be filed.

1 (2) The president or chief executive officer of any
2 association or society of podiatric physicians licensed
3 under this Act, operating within this State shall report to
4 the Board when the association or society renders a final
5 determination relating to the professional competence or
6 conduct of the podiatric physician.

7 (3) Every insurance company that offers policies of
8 professional liability insurance to persons licensed under
9 this Act, or any other entity that seeks to indemnify the
10 professional liability of a podiatric physician licensed
11 under this Act, shall report to the Board the settlement of
12 any claim or cause of action, or final judgment rendered in
13 any cause of action that alleged negligence in the
14 furnishing of medical care by such licensed person when
15 such settlement or final judgement is in favor of the
16 plaintiff.

17 (4) The State's Attorney of each county shall report to
18 the Board all instances in which a person licensed under
19 this Act is convicted or otherwise found guilty of the
20 commission of any felony.

21 (5) All agencies, boards, commissions, departments, or
22 other instrumentalities of the government of the State of
23 Illinois shall report to the Board any instance arising in
24 connection with the operations of such agency, including
25 the administration of any law by such agency, in which a
26 podiatric physician licensed under this Act has either

1 committed an act or acts that may be a violation of this
2 Act or that may constitute unprofessional conduct related
3 directly to patient care or that indicates that a podiatric
4 physician licensed under this Act may have a mental or
5 physical disability that may endanger patients under that
6 physician's care.

7 (B) All reports required by this Act shall be submitted to
8 the Board in a timely fashion. The reports shall be filed in
9 writing within 60 days after a determination that a report is
10 required under this Act. All reports shall contain the
11 following information:

12 (1) The name, address and telephone number of the
13 person making the report.

14 (2) The name, address and telephone number of the
15 podiatric physician who is the subject of the report.

16 (3) The name or other means of identification of any
17 patient or patients whose treatment is a subject of the
18 report, provided, however, no medical records may be
19 revealed without the written consent of the patient or
20 patients.

21 (4) A brief description of the facts that gave rise to
22 the issuance of the report, including the dates of any
23 occurrences deemed to necessitate the filing of the report.

24 (5) If court action is involved, the identity of the
25 court in which the action is filed, along with the docket
26 number and date of filing of the action.

1 (6) Any further pertinent information that the
2 reporting party deems to be an aid in the evaluation of the
3 report.

4 Nothing contained in this Section shall waive or modify the
5 confidentiality of medical reports and committee reports to the
6 extent provided by law. Any information reported or disclosed
7 shall be kept for the confidential use of the Board, the
8 Board's attorneys, the investigative staff and other
9 authorized Department staff, as provided in this Act, and shall
10 be afforded the same status as is provided information
11 concerning medical studies in Part 21 of Article VIII of the
12 Code of Civil Procedure.

13 (C) Any individual or organization acting in good faith,
14 and not in a willful and wanton manner, in complying with this
15 Act by providing any report or other information to the Board,
16 or assisting in the investigation or preparation of such
17 information, or by participating in proceedings of the Board,
18 or by serving as a member of the Board, shall not, as a result
19 of such actions, be subject to criminal prosecution or civil
20 damages.

21 (D) Members of the Board, the Board's attorneys, the
22 investigative staff, other podiatric physicians retained under
23 contract to assist and advise in the investigation, and other
24 authorized Department staff shall be indemnified by the State
25 for any actions occurring within the scope of services on the
26 Board, done in good faith and not willful and wanton in nature.

1 The Attorney General shall defend all such actions unless he or
2 she determines either that he or she would have a conflict of
3 interest in such representation or that the actions complained
4 of were not in good faith or were willful and wanton.

5 Should the Attorney General decline representation, the
6 member shall have the right to employ counsel of his or her
7 choice, whose fees shall be provided by the State, after
8 approval by the Attorney General, unless there is a
9 determination by a court that the member's actions were not in
10 good faith or were willful ~~willful~~ and wanton. The member must
11 notify the Attorney General within 7 days of receipt of notice
12 of the initiation of any action involving services of the
13 Board. Failure to so notify the Attorney General shall
14 constitute an absolute waiver of the right to a defense and
15 indemnification. The Attorney General shall determine within 7
16 days after receiving such notice, whether he or she will
17 undertake to represent the member.

18 (E) Upon the receipt of any report called for by this Act,
19 other than those reports of impaired persons licensed under
20 this Act required pursuant to the rules of the Board, the Board
21 shall notify in writing, by ~~certified~~ mail or email, the
22 podiatric physician who is the subject of the report. Such
23 notification shall be made within 30 days of receipt by the
24 Board of the report.

25 The notification shall include a written notice setting
26 forth the podiatric physician's right to examine the report.

1 Included in such notification shall be the address at which the
2 file is maintained, the name of the custodian of the reports,
3 and the telephone number at which the custodian may be reached.
4 The podiatric physician who is the subject of the report shall
5 be permitted to submit a written statement responding,
6 clarifying, adding to, or proposing the amending of the report
7 previously filed. The statement shall become a permanent part
8 of the file and must be received by the Board no more than 30
9 days after the date on which the podiatric physician was
10 notified of the existence of the original report.

11 The Board shall review all reports received by it, together
12 with any supporting information and responding statements
13 submitted by persons who are the subject of reports. The review
14 by the Board shall be in a timely manner but in no event shall
15 the Board's initial review of the material contained in each
16 disciplinary file be less than 61 days nor more than 180 days
17 after the receipt of the initial report by the Board.

18 When the Board makes its initial review of the materials
19 contained within its disciplinary files the Board shall, in
20 writing, make a determination as to whether there are
21 sufficient facts to warrant further investigation or action.
22 Failure to make such determination within the time provided
23 shall be deemed to be a determination that there are not
24 sufficient facts to warrant further investigation or action.

25 Should the Board find that there are not sufficient facts
26 to warrant further investigation, or action, the report shall

1 be accepted for filing and the matter shall be deemed closed
2 and so reported.

3 The individual or entity filing the original report or
4 complaint and the podiatric physician who is the subject of the
5 report or complaint shall be notified in writing by the Board
6 of any final action on their report or complaint.

7 (F) The Board shall prepare on a timely basis, but in no
8 event less than once every other month, a summary report of
9 final disciplinary actions taken upon disciplinary files
10 maintained by the Board. The summary reports shall be made
11 available on the Department's web site.

12 (G) Any violation of this Section shall be a Class A
13 misdemeanor.

14 (H) If any such podiatric physician violates the provisions
15 of this Section, an action may be brought in the name of the
16 People of the State of Illinois, through the Attorney General
17 of the State of Illinois, for an order enjoining such violation
18 or for an order enforcing compliance with this Section. Upon
19 filing of a verified petition in such court, the court may
20 issue a temporary restraining order without notice or bond and
21 may preliminarily or permanently enjoin such violation, and if
22 it is established that such podiatric physician has violated or
23 is violating the injunction, the Court may punish the offender
24 for contempt of court. Proceedings under this paragraph shall
25 be in addition to, and not in lieu of, all other remedies and
26 penalties provided for by this Section.

23 the Secretary having received the recommendation of the Board,
24 be suspended, revoked, or placed on probationary status or the
25 Secretary may take whatever disciplinary action as he or she

1 may deem proper including limiting the scope, nature, or extent
