11 students and school personnel for fire incidents. These drills  
12 must meet all of the following criteria:

13 (1) One of the 3 school evacuation drills shall require  
14 the participation of the appropriate local fire department  
15 or district.

16 (A) Each local fire department or fire district  
17 must contact the appropriate school administrator or  
18 his or her designee no later than September 1 of each

21 (B) Each school administrator or his or her  
22 designee must contact the responding local fire  
23 official no later than September 15 of each year and

1 propose to the local fire official 4 dates within the  
2 month of October, during at least 2 different weeks of  
3 October, on which the drill shall occur. The fire  
4 official may choose any of the 4 available dates, and

7 (C) The school administrator or his or her designee

10 a date outside of the month of October.

11 (D) If the fire official does not select one of the  
12 4 offered dates in October or set another date by  
13 mutual agreement, the requirement that the school  
14 include the local fire service in one of its mandatory  
15 school evacuation drills shall be waived. Schools,  
16 however, shall continue to be strongly encouraged to  
17 include the fire service in a school evacuation drill  
18 at a mutually agreed-upon time.

19 (E) Upon the participation of the local fire  
20 service, the appropriate local fire official shall  
21 certify that the school evacuation drill was  
22 conducted.

23 (F) When scheduling the school evacuation drill,  
24 the school administrator or his or her designee and the

15 (A-5) The drill shall require the on-site  
16 participation of the local law enforcement agency. If a
