7 Sec. 6-109. Examination of Applicants.

8 (a) The Secretary of State shall examine every applicant
9 for a driver's license or permit who has not been previously
10 licensed as a driver under the laws of this State or any other
11 state or country, or any applicant for renewal of such driver's
12 license or permit when such license or permit has been expired
13 for more than one year. The Secretary of State shall, subject
14 to the provisions of paragraph (c) or (b-5), examine every
15 licensed driver at least every 8 years, and may examine or
16 re-examine any other applicant or licensed driver, provided
17 that during the years 1984 through 1991 those drivers issued a
18 license for 3 years may be re-examined not less than every 7
19 years or more than every 10 years.

20 The Secretary of State shall require the testing of the
21 eyesight of any driver's license or permit applicant who has
22 not been previously licensed as a driver under the laws of this
23 State and shall promulgate rules and regulations to provide for

1 the orderly administration of all the provisions of this
2 Section.

3 The Secretary of State shall include at least one test
4 question that concerns the provisions of the Pedestrians with
5 Disabilities Safety Act in the question pool used for the
6 written portion of the drivers license examination within one
7 year after July 22, 2010 (the effective date of Public Act
8 96-1167).

9 (b) Except as provided for those applicants in paragraph
10 (c), such examination shall include a test of the applicant's
11 eyesight, his ability to read and understand official traffic
12 control devices, his knowledge of safe driving practices and
13 the traffic laws of this State, and may include an actual
14 demonstration of the applicant's ability to exercise ordinary
15 and reasonable control of the operation of a motor vehicle, and
16 such further physical and mental examination as the Secretary
17 of State finds necessary to determine the applicant's fitness
18 to operate a motor vehicle safely on the highways, except the
19 examination of an applicant 75 years of age or older shall
20 include an actual demonstration of the applicant's ability to
21 exercise ordinary and reasonable control of the operation of a
22 motor vehicle. All portions of written and verbal examinations
23 under this Section, excepting where the English language
24 appears on facsimiles of road signs, may be given in the
25 Spanish language and, at the discretion of the Secretary of
26 State, in any other language as well as in English upon request

1 of the examinee. Deaf persons who are otherwise qualified are

6 their driver's license are over the age of 80 shall include,
7 but is not limited to, a written examination no more than once
8 every 4 years and any other examinations required under this
9 Section.

10 (c) Re-examination for those applicants who at the time of
11 renewing their driver's license possess a driving record devoid
12 of any convictions of traffic violations or evidence of
13 committing an offense for which mandatory revocation would be
14 required upon conviction pursuant to Section 6-205 at the time
15 of renewal shall be in a manner prescribed by the Secretary in
16 order to determine an applicant's ability to safely operate a
17 motor vehicle, except that every applicant for the renewal of a
18 driver's license who is 75 years of age or older must prove, by
19 an actual demonstration, the applicant's ability to exercise
20 reasonable care in the safe operation of a motor vehicle.

21 (d) In the event the applicant is not ineligible under the
22 provisions of Section 6-103 to receive a driver's license, the
23 Secretary of State shall make provision for giving an
24 examination, either in the county where the applicant resides
