A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 2-3.89 as follows:

6 (105 ILCS 5/2-3.89) (from Ch. 122, par. 2-3.89)

7 Sec. 2-3.89. Programs concerning services to at-risk
8 children and their families.

9 (a) The ~~The~~ State Board of Education may provide grants to
10 eligible entities, as defined by the State Board of Education,
11 to establish programs which offer coordinated services to
12 at-risk infants and toddlers and their families. Each program
13 shall include a parent education program relating to the
14 development and nurturing of infants and toddlers and case
15 management services to coordinate existing services available
16 in the region served by the program. These services shall be
17 provided through the implementation of an individual family
18 service plan. Each program will have a community involvement
19 component to provide coordination in the service system.

20 (b) The State Board of Education shall administer the
21 programs through the grants to public school districts and
22 other eligible entities. These grants must be used to
23 supplement, not supplant, funds received from any other source.

1 School districts and other eligible entities receiving grants
2 pursuant to this Section shall conduct voluntary, intensive,
3 research-based, and comprehensive prevention services, as
4 defined by the State Board of Education, for expecting parents
5 and families with children from birth to age 3 who are at-risk
6 of academic failure. A public school district that receives a
7 grant under this Section may subcontract with other eligible
8 entities.

9 (c) The State Board of Education shall report to the
10 General Assembly by July 1, 2006 and every 2 years thereafter,
11 using the most current data available, on the status of
12 programs funded under this Section, including without
13 limitation characteristics of participants, services
14 delivered, program models used, unmet needs, and results of the
15 programs funded.
