A BILL FOR

1 AN ACT concerning children.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 9A-11 as follows:

6 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

7 Sec. 9A-11. Child care.

8 (a) The General Assembly recognizes that families with  
9 children need child care in order to work. Child care is  
10 expensive and families with low incomes, including those who  
11 are transitioning from welfare to work, often struggle to pay  
12 the costs of day care. The General Assembly understands the  
13 importance of helping low income working families become and  
14 remain self-sufficient. The General Assembly also believes  
15 that it is the responsibility of families to share in the costs  
16 of child care. It is also the preference of the General  
17 Assembly that all working poor families should be treated  
18 equally, regardless of their welfare status.

19 (b) To the extent resources permit, the Illinois Department  
20 shall provide child care services to parents or other relatives  
21 as defined by rule who are working or participating in  
22 employment or Department approved education or training  
23 programs. At a minimum, the Illinois Department shall cover the

1 following categories of families:

2 (1) recipients of TANF under Article IV participating  
3 in work and training activities as specified in the  
4 personal plan for employment and self-sufficiency;

5 (2) families transitioning from TANF to work;

6 (3) families at risk of becoming recipients of TANF;

7 (4) families with special needs as defined by rule;

8 (5) working families with very low incomes as defined  
9 by rule; ~~and~~

10 (6) families that are not recipients of TANF and that  
11 need child care assistance to participate in education and  
12 training activities; and -

13 (7) families with children under the age of 5 who have  
14 an open intact family services case with the Department of  
15 Children and Family Services. Any family that receives  
16 child care assistance in accordance with this paragraph  
17 shall remain eligible for child care assistance 6 months  
18 after the child's intact family services case is closed,  
19 regardless of whether the child's parents or other  
20 relatives as defined by rule are working or participating  
21 in Department approved employment or education or training  
22 programs.

23 The Department shall specify by rule the conditions of  
24 eligibility, the application process, and the types, amounts,  
25 and duration of services. Eligibility for child care benefits  
26 and the amount of child care provided may vary based on family

1 size, income, and other factors as specified by rule.

2 In determining income eligibility for child care benefits,  
3 the Department annually, at the beginning of each fiscal year,  
4 shall establish, by rule, one income threshold for each family  
5 size, in relation to percentage of State median income for a  
6 family of that size, that makes families with incomes below the  
7 specified threshold eligible for assistance and families with  
8 incomes above the specified threshold ineligible for  
9 assistance. Through and including fiscal year 2007, the  
10 specified threshold must be no less than 50% of the  
11 then-current State median income for each family size.  
12 Beginning in fiscal year 2008, the specified threshold must be  
13 no less than 185% of the then-current federal poverty level for  
14 each family size.

15 In determining eligibility for assistance, the Department  
16 shall not give preference to any category of recipients or give  
17 preference to individuals based on their receipt of benefits  
18 under this Code.

19 Nothing in this Section shall be construed as conferring  
20 entitlement status to eligible families.

21 The Illinois Department is authorized to lower income  
22 eligibility ceilings, raise parent co-payments, create waiting  
23 lists, or take such other actions during a fiscal year as are  
24 necessary to ensure that child care benefits paid under this  
25 Article do not exceed the amounts appropriated for those child  
26 care benefits. These changes may be accomplished by emergency

1 rule under Section 5-45 of the Illinois Administrative  
2 Procedure Act, except that the limitation on the number of  
3 emergency rules that may be adopted in a 24-month period shall  
4 not apply.

5 The Illinois Department may contract with other State  
6 agencies or child care organizations for the administration of  
7 child care services.

8 (c) Payment shall be made for child care that otherwise  
9 meets the requirements of this Section and applicable standards  
10 of State and local law and regulation, including any  
11 requirements the Illinois Department promulgates by rule in  
12 addition to the licensure requirements promulgated by the  
13 Department of Children and Family Services and Fire Prevention  
14 and Safety requirements promulgated by the Office of the State  
15 Fire Marshal and is provided in any of the following:

16 (1) a child care center which is licensed or exempt  
17 from licensure pursuant to Section 2.09 of the Child Care  
18 Act of 1969;

19 (2) a licensed child care home or home exempt from  
20 licensing;

21 (3) a licensed group child care home;

22 (4) other types of child care, including child care  
23 provided by relatives or persons living in the same home as  
24 the child, as determined by the Illinois Department by  
25 rule.

26 (c-5) Solely for the purposes of coverage under the

1 Illinois Public Labor Relations Act, child and day care home  
2 providers, including licensed and license exempt,  
3 participating in the Department's child care assistance  
4 program shall be considered to be public employees and the  
5 State of Illinois shall be considered to be their employer as  
6 of the effective date of this amendatory Act of the 94th  
7 General Assembly, but not before. The State shall engage in  
8 collective bargaining with an exclusive representative of  
9 child and day care home providers participating in the child  
10 care assistance program concerning their terms and conditions  
11 of employment that are within the State's control. Nothing in  
12 this subsection shall be understood to limit the right of  
13 families receiving services defined in this Section to select  
14 child and day care home providers or supervise them within the  
15 limits of this Section. The State shall not be considered to be  
16 the employer of child and day care home providers for any  
17 purposes not specifically provided in this amendatory Act of  
18 the 94th General Assembly, including but not limited to,  
19 purposes of vicarious liability in tort and purposes of  
20 statutory retirement or health insurance benefits. Child and  
21 day care home providers shall not be covered by the State  
22 Employees Group Insurance Act of 1971.

23 In according child and day care home providers and their  
24 selected representative rights under the Illinois Public Labor  
25 Relations Act, the State intends that the State action  
26 exemption to application of federal and State antitrust laws be

1 fully available to the extent that their activities are  
2 authorized by this amendatory Act of the 94th General Assembly.

3 (d) The Illinois Department shall establish, by rule, a  
4 co-payment scale that provides for cost sharing by families  
5 that receive child care services, including parents whose only  
6 income is from assistance under this Code. The co-payment shall  
7 be based on family income and family size and may be based on  
8 other factors as appropriate. Co-payments may be waived for  
9 families whose incomes are at or below the federal poverty  
10 level.

11 (d-5) The Illinois Department, in consultation with its  
12 Child Care and Development Advisory Council, shall develop a  
13 plan to revise the child care assistance program's co-payment  
14 scale. The plan shall be completed no later than February 1,  
15 2008, and shall include:

16 (1) findings as to the percentage of income that the  
17 average American family spends on child care and the  
18 relative amounts that low-income families and the average  
19 American family spend on other necessities of life;

20 (2) recommendations for revising the child care  
21 co-payment scale to assure that families receiving child  
22 care services from the Department are paying no more than  
23 they can reasonably afford;

24 (3) recommendations for revising the child care  
25 co-payment scale to provide at-risk children with complete  
26 access to Preschool for All and Head Start; and

1 (4) recommendations for changes in child care program  
2 policies that affect the affordability of child care.

3 (e) (Blank).

4 (f) The Illinois Department shall, by rule, set rates to be  
5 paid for the various types of child care. Child care may be  
6 provided through one of the following methods:

7 (1) arranging the child care through eligible  
8 providers by use of purchase of service contracts or  
9 vouchers;

10 (2) arranging with other agencies and community  
11 volunteer groups for non-reimbursed child care;

12 (3) (blank); or

13 (4) adopting such other arrangements as the Department  
14 determines appropriate.

15 (f-5) (Blank).

16 (g) Families eligible for assistance under this Section  
17 shall be given the following options:

18 (1) receiving a child care certificate issued by the  
19 Department or a subcontractor of the Department that may be  
20 used by the parents as payment for child care and  
21 development services only; or

22 (2) if space is available, enrolling the child with a  
23 child care provider that has a purchase of service contract  
24 with the Department or a subcontractor of the Department  
25 for the provision of child care and development services.  
26 The Department may identify particular priority

1 populations for whom they may request special  
2 consideration by a provider with purchase of service  
3 contracts, provided that the providers shall be permitted  
4 to maintain a balance of clients in terms of household  
5 incomes and families and children with special needs, as  
6 defined by rule.
