

100TH GENERAL ASSEMBLY

State of Illinois

2017 and 2018

HB5144

by Rep. Rita Mayfield

SYNOPSIS AS INTRODUCED:

105 ILCS 5/10-22.22

from Ch. 122, par. 10-22.22

Amends the School Code. Provides that, beginning with the 2018-2019 school year, a school board with a pupil attending an area secondary vocational school shall pay the vocational school tuition based upon the vocational school's per capita cost or the school district's per capita cost, whichever one is greater (instead of just the vocational school's per capita cost). Effective immediately.

MAY APPLY

A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 10-22.22 as follows:

6 (105 ILCS 5/10-22.22) (from Ch. 122, par. 10-22.22)

7 Sec. 10-22.22. Transportation for pupils; tuition;
8 vocational school ~~pupils~~ ~~Tuition.~~

9 To provide free transportation for pupils, and where in its
10 judgment the interests of the district and of the pupils
11 therein will be best subserved by so doing the school board may
12 permit the pupils in the district or in any particular grade to
13 attend the schools of other districts and may permit any pupil
14 to attend an area secondary vocational school operated by a
15 public school district or a public or non-public vocational
16 school within the State of Illinois or adjacent states approved
17 by the Board of Vocational Education, and may provide free
18 transportation for such pupils and shall pay the tuition of
19 such pupils in the schools attended; except as otherwise
20 provided in this Section, such tuition shall be based upon per
21 capita cost computed in the following manner: The cost of
22 conducting and maintaining any area secondary vocational
23 school facility shall be first determined and shall include the

1 following expenses applicable only to such educational
2 facility under rules and regulations established by the Board
3 of Vocational Education and Rehabilitation as follows:

4 a. Salaries of teachers, vocational counselors, and
5 supporting professional workers, necessary non-certified
6 workers, clerks, custodial employees, and any district
7 taxes specifically for their pension and retirement
8 benefits.

9 b. Equipment and supplies necessary for program
10 operation.

11 c. Administrative costs.

12 d. Operation of physical plant, including heat, light,
13 water, repairs, and maintenance.

14 e. Auxiliary service, not including any transportation
15 cost.

16 From such total cost thus determined there shall be
17 deducted the State reimbursement due on account of such
18 educational facility for the same year, not including any State
19 reimbursement for area secondary vocational school
20 transportation. Such net cost shall be divided by the average
21 number of pupils in average daily attendance in such area
22 secondary vocational school facility for the school year in
23 order to arrive at the net per capita tuition cost. Such costs
24 shall be computed on pupils regularly enrolled in an area
25 secondary vocational school on the basis of one-sixth day for
26 every class hour attended pursuant to such enrollment.

1 Provided, that the board subject to the approval of the county
2 superintendent of schools may determine what schools outside of
3 their district such pupils shall attend. This Section ~~section~~
4 does not require the board of directors or board of education
5 of any district to admit pupils from another district.

6 Beginning with the 2018-2019 school year, the tuition to be
7 paid by a school board under this Section shall be based upon
8 the vocational school's per capita cost, as computed under this
9 Section, or the school district's per capita cost, as computed
10 under Section 10-20.12a of this Code, whichever one is greater.
