8 amount equal to 25% of qualified expenditures incurred by a

16 the qualified rehabilitation plan was placed in service, the  
17 excess amount may be carried forward for deduction from the  
18 taxpayer's income tax liability in the next succeeding year or

23 obtain a tax credit pursuant to this Act, an application must  
24 be made to the Department no later than 6 months after the  
25 effective date of this Act. The Department, in consultation

1 with the Division, shall determine the amount of eligible  
2 rehabilitation costs and expenses. The Division shall  
3 determine whether the rehabilitation is consistent with the  
4 standards of the Secretary of the United States Department of  
5 the Interior for rehabilitation. Upon completion and review of  
6 the project, the Department shall issue a certificate in the  
7 amount of the eligible credits. At the time the certificate is  
8 issued, an issuance fee up to the maximum amount of 2% of the  
9 amount of the credits issued by the certificate may be  
10 collected from the applicant to administer the Act. If  
11 collected, this issuance fee shall be evenly divided between  
12 the Department and the Division. The taxpayer must attach the  
13 certificate to the tax return on which the credits are to be  
14 claimed.

15 Section 15. Transfer of credits. Any qualified taxpayer,  
16 referred to in this Section as the assignor, may sell, assign,  
17 convey, or otherwise transfer tax credits allowed and earned  
18 under this Act. The taxpayer acquiring the credits, referred to  
19 in this Section as the assignee, may use the amount of the  
20 acquired credits to offset up to 100% of its income tax  
21 liability for either the taxable year in which the qualified  
22 rehabilitation plan was first placed into service or the  
23 taxable year in which such acquisition was made. Unused credit  
24 amounts claimed by the assignee may be carried forward for up  
25 to 10 years or carried back for up to 3 years, except that all

1 credits must be claimed within 10 years after the tax year in  
2 which the qualified rehabilitation plan was first placed into  
3 service and may not be carried back to a tax year prior to the  
4 tax year in which the credit was issued. The assignor shall  
5 enter into a written agreement with the assignee establishing  
6 the terms and conditions of the agreement and shall perfect the  
7 transfer by notifying the Department in writing within 90  
8 calendar days after the effective date of the transfer and  
9 shall provide any information as may be required by the  
10 Department to administer and carry out the provisions of this  
11 Section. If credits that have been transferred are subsequently  
12 reduced, adjusted, or recaptured, in whole or in part, by the  
13 Department, the Department of Revenue, or any other applicable  
14 government agency, only the original qualified taxpayer that  
15 was awarded the credits, and not any subsequent assignee of the  
16 credits, shall be held liable to repay any amount of such  
17 reduction, adjustment, or recapture of the credits.

18 Section 25. Pilot program; report. The Department may award  
19 no more than an aggregate of (i) \$30,000,000 in total tax  
20 credits for qualified rehabilitation plans located in Madison,  
21 Rock Island, or Jo Daviess County and (ii) \$15,000,000 in total  
22 tax credits for qualified rehabilitation plans located in any  
23 other qualified county. On or before December 31, 2019 and on  
24 or before December 31 of each year thereafter through 2029, the  
25 Department must submit a report to the General Assembly

1 evaluating the effectiveness of this Act in stimulating  
2 economic revitalization in the pilot program area.

3 Section 30. Powers. The Department and the Division shall  
4 adopt rules for the administration of this Act.
