5 revenue bonds as hereinabove provided.

3 under this Section either before, on, or after the effective

7 issue instruments in accordance with the Omnibus Bond Acts,
8 regardless of any provision of this Act that may appear to be
9 or to have been more restrictive than those Acts, (ii) that the
10 provisions of this Section are not a limitation on the

4 by Section 50-37. The total amount of contracts awarded in
5 accordance with this Section shall be included in determining
6 the aggregate amount of contracts or pending bids of a business

5 construction of this Section that results in the repeal of
6 this Section on December 31, 2014 would be inconsistent
7 with the manifest intent of the General Assembly and
8 repugnant to the context of this Code.

9 It is hereby declared to have been the intent of the
10 General Assembly that this Section not be subject to repeal on
11 December 31, 2014.

12 This Section shall be deemed to have been in continuous
13 effect since December 20, 2011 (the effective date of Public
14 Act 97-643), and it shall continue to be in effect henceforward
15 until it is otherwise lawfully repealed. All previously enacted
16 amendments to this Section taking effect on or after December
17 31, 2014, are hereby validated.

18 All actions taken in reliance on or pursuant to this

25 (c) In counties where a state mental health institution, as
26 hereinafter defined, is located, one assistant state's

3 the Personal Property Tax Replacement Fund or the General
4 Revenue Fund to the county in which he is appointed, the

2 (e) At the request of the county governing authority, in
3 counties where one or more state correctional institutions, as
4 hereinafter defined, are located, one or more assistant state's
5 attorneys shall, subject to appropriation, receive for their

11 (1) \$22,000 for each assistant state's attorney in
12 counties with one or more State correctional institutions
13 with a total average daily inmate population in excess of
14 2,000, on the basis of 2 assistant state's attorneys when
15 the total average daily inmate population exceeds 2,000 but
16 is less than 4,000; and 3 assistant state's attorneys when
17 such population exceeds 4,000; with reimbursement to be
18 based on actual services rendered.

19 (2) \$15,000 per year for one assistant state's attorney

3 Corrections may, in his discretion and subject to
4 appropriation, increase the amount of salary reimbursement
5 to a county in the event special circumstances require the
6 county to incur extraordinary salary expenditures as a
7 result of services performed in connection with State
8 correctional institutions in that county.

9 In determining whether or not to increase the amount of
10 salary reimbursement, the Director shall consider, among other
11 matters:

- 12 (1) the nature of the services rendered;
13 (2) the results or dispositions obtained;
14 (3) whether or not the county was required to employ
15 additional attorney personnel as a direct result of the
16 services actually rendered in connection with a particular
17 service to a State correctional institution.

18 (f) In counties where a State senior institution of higher
19 education is located, the assistant state's attorneys
20 specified by this Section shall, subject to appropriation,

3 (2) \$7,200 per year for one assistant state's attorney
4 with no limitation on other practice in counties having a

10 time enrollment of less than 10,000 students.

11 Such salaries shall be paid to the state's attorney and the
12 assistant state's attorney in equal monthly installments by
13 such county out of the county treasury provided that, subject
14 to appropriation, the Department of Revenue shall reimburse
15 each county monthly, out of the Personal Property Tax
16 Replacement Fund or the General Revenue Fund, the amount of
17 such salary. This Section shall not prevent the payment of such
18 additional compensation to the state's attorney or assistant
19 state's attorney of any county, out of the treasury of that
20 county as may be provided by law.

21 (g) For purposes of this Section, "State mental health
22 institution" means any institution under the jurisdiction of
23 the Department of Human Services that is listed in Section 4 of
24 the Mental Health and Developmental Disabilities
25 Administrative Act.

26 For purposes of this Section, "State correctional

1 institution" means any facility of the Department of
2 Corrections including adult facilities, juvenile facilities,
3 pre-release centers, community correction centers, and work
4 camps.

5 For purposes of this Section, "State university" means the

7 Carbondale, Southern Illinois University at Edwardsville,
8 Chicago State University, Eastern Illinois University,
9 Governors State University, Illinois State University,
10 Northeastern Illinois University, Northern Illinois
11 University, Western Illinois University, and any public
12 community college which has established a program of
13 interinstitutional cooperation with one of the foregoing
14 institutions whereby a student, after earning an associate
15 degree from the community college, pursues a course of study at
16 the community college campus leading to a baccalaureate degree
17 from the foregoing institution (also known as a "2 Plus 2"
18 degree program).

19 (h) A number of assistant state's attorneys shall be
20 appointed in each county that chooses to participate, as
21 provided in this subsection, for the prosecution of
22 alcohol-related traffic offenses. Each county shall receive
23 monthly a subsidy for payment of the salaries and benefits of
24 these assistant state's attorneys from State funds
25 appropriated to the Department of Revenue out of the Personal
26 Property Tax Replacement Fund or the General Revenue Fund for

1 that purpose. The amounts of subsidies provided by this
2 subsection shall be adjusted for inflation each July 1 using
3 the Consumer Price Index of the Bureau of Labor Statistics of
4 the U.S. Department of Labor.

5 When a county chooses to participate in the subsidy program
6 described in this subsection (h), the number of assistant
7 state's attorneys who are prosecuting alcohol-related traffic
8 offenses must increase according to the subsidy provided in
9 this subsection. These appointed assistant state's attorneys
10 shall be in addition to any other assistant state's attorneys
11 assigned to those cases on the effective date of this
12 amendatory Act of the 91st General Assembly, and may not
13 replace those assistant state's attorneys. In counties where
14 the state's attorney is the sole prosecutor, this subsidy shall
15 be used to provide an assistant state's attorney to prosecute
16 alcohol-related traffic offenses along with the state's
17 attorney. In counties where the state's attorney is the sole
18 prosecutor, and in counties where a judge presides over cases
19 involving a variety of misdemeanors, including alcohol-related
20 traffic matters, assistant state's attorneys appointed and
21 subsidized by this subsection (h) may also prosecute the
22 different misdemeanor cases at the direction of the state's
23 attorney.

24 Assistant state's attorneys shall be appointed under this
25 subsection in the following number and counties shall receive
26 the following annual subsidies:

1 (1) In counties with fewer than 30,000 inhabitants, one
2 at \$35,000.

3 (2) In counties with 30,000 or more but fewer than
4 100,000 inhabitants, one at \$45,000.

5 (3) In counties with 100,000 or more but fewer than
6 300,000 inhabitants, 2 at \$45,000 each.

7 (4) In counties, other than Cook County, with 300,000
8 or more inhabitants, 4 at \$50,000 each.

9 The amounts appropriated under this Section must be
10 segregated by population classification and disbursed monthly.

11 If in any year the amount appropriated for the purposes of
12 this subsection (h) is insufficient to pay all of the subsidies
13 specified in this subsection, the amount appropriated shall
14 first be prorated by the population classifications of this
15 subsection (h) and then among the counties choosing to
16 participate within each of those classifications. If any of the
17 appropriated moneys for each population classification remain
18 at the end of a fiscal year, the remainder of the moneys may be
19 allocated to participating counties that were not fully funded
20 during the course of the year. Nothing in this subsection
21 prohibits 2 or more State's attorneys from combining their
22 subsidies to appoint a joint assistant State's attorney to
23 prosecute alcohol-related traffic offenses in multiple
24 counties. Nothing in this subsection prohibits a State's
25 attorney from appointing an assistant State's attorney by
26 contract or otherwise.

9 universities and colleges. The Board shall also consider the
10 current and projected utilization of the total physical plant
11 of each campus of a university or college in approving the

17 institutions in advancing the success of students who are
18 academically or financially at risk, including
19 first-generation students, low-income students, and
20 students traditionally underrepresented in higher
21 education, as specified in Section 9.16 of this Act.

22 (3) The metrics shall recognize and account for the
23 differentiated missions of institutions and sectors of
24 higher education.

25 (4) The metrics shall focus on the fundamental goal of
26 increasing completion of college courses, certificates,

1 and degrees. Performance metrics shall recognize the
2 unique and broad mission of public community colleges
3 through consideration of additional factors including, but

5 milestones, transfer to a baccalaureate institution, and
6 degree completion.

7 (5) The metrics must be designed to maintain the
8 quality of degrees, certificates, courses, and programs.

9 In devising performance metrics, the Board may be guided by the
10 report of the Higher Education Finance Study Commission.

11 Each State university must submit its plan for capital
12 improvements of non-instructional facilities to the Board for
13 approval before final commitments are made if the total cost of
14 the project as approved by the institution's board of control
15 is in excess of \$2 million. Non-instructional uses shall
16 include but not be limited to dormitories, union buildings,
17 field houses, stadium, other recreational facilities and
18 parking lots. The Board shall determine whether or not any
19 project submitted for approval is consistent with the master
20 plan for higher education and with instructional buildings that
21 are provided for therein. If the project is found by a majority
22 of the Board not to be consistent, such capital improvement
23 shall not be constructed.

5 Militia Grant Fund is created as a special fund in the State
6 treasury. All money in the National Guard and Naval Militia
7 Grant Fund shall be used, subject to appropriation, by the

1 a majority of those voting in a campus-wide referendum of
2 students.

3 "College or university" means any of the
4 State-supported institutions of higher learning
5 administered by the Board of Trustees of the University of
6 Illinois, the Board of Trustees of Southern Illinois
7 University at Carbondale, the Board of Trustees of Southern

16 public community college districts as established and
17 defined by the Public Community College Act.

18 (b) Subject to a separate appropriation for such purposes,
19 the Commission shall make matching grants to each college or
20 university for a program of student grant assistance. Such
21 grants shall match equally the amount raised by college or
22 university students for the grant program. Contributions from
23 individuals who are not then enrolled as college or university
24 students or from private or eleemosynary groups and
25 associations made directly to the student fund or through a
26 college or university student shall not be included in the

1 total amount that the State shall match. If the sum
2 appropriated is insufficient to match equally the amount raised
3 by students, the amount payable to each college or university
4 shall be proportionately reduced.

5 (c) Grant programs under this Section shall be administered
6 by each college or university, and grants under those programs
7 shall be awarded to individuals on a need basis as prescribed

17 Sec. 65.20. Science-mathematics teacher scholarships.

18 (a) The Commission may annually award a number of
19 scholarships, not to exceed 200, to persons holding valid
20 teaching certificates issued under Article 21 of the School
21 Code. Such scholarships shall be issued to teachers who make
22 application to the Commission and who agree to take courses at
23 qualified institutions of higher learning that will prepare
24 them to teach science or mathematics at the secondary school
25 level.

1 (b) Scholarships awarded under this Section shall be issued
2 pursuant to regulations promulgated by the Commission;
3 provided that no rule or regulation promulgated by the State
4 Board of Education prior to the effective date of this
5 amendatory Act of 1993 pursuant to the exercise of any right,
6 power, duty, responsibility or matter of pending business
7 transferred from the State Board of Education to the Commission
8 under this Section shall be affected thereby, and all such
9 rules and regulations shall become the rules and regulations of
10 the Commission until modified or changed by the Commission in
11 accordance with law. In awarding scholarships, the Commission
12 shall give priority to those teachers with the greatest amount
13 of seniority within school districts.

14 (c) Each scholarship shall be utilized by its holder for
15 the payment of tuition at any qualified institution of higher
16 learning. Such tuition shall be available only for courses that
17 will enable the teacher to be certified to teach science or
18 mathematics at the secondary school level. The Commission, in
19 consultation with the State Teacher Certification Board, shall
20 determine which courses are eligible for tuition payments under
21 this Section.

22 (d) The Commission shall make tuition payments directly to
23 the qualified institution of higher learning which the teacher
24 attends for the courses prescribed or may make payments to the
25 teacher. Any teacher who receives payments and who fails to

1 the Commission.

2 (e) Following the completion of the program of study, the
3 teacher must accept employment within 2 years in a secondary
4 school in Illinois within 60 miles of the teacher's residence
5 to teach science or mathematics; provided, however, that the
6 teacher instead may elect to accept employment within such 2
7 year period to teach science or mathematics in a secondary
8 school in Illinois which is more than 60 miles from the
9 teacher's residence. Teachers who fail to comply with this
10 provision shall refund all of the scholarship awarded to the
11 Commission, whether payments were made directly to the
12 institutions of higher learning or to the teachers, and this
13 condition shall be agreed to in writing by all scholarship
14 recipients at the time the scholarship is awarded. No teacher
15 shall be required to refund tuition payments if his or her
16 failure to obtain employment as a mathematics or science
17 teacher in a secondary school is the result of financial
18 conditions within school districts. The rules and regulations
19 promulgated as provided in this Section shall include
20 provisions regarding the waiving and deferral of such payments.

21 (f) The Commission, with the cooperation of the State Board
22 of Education, shall assist teachers who have participated in
23 the scholarship program established by this Section in finding
24 employment to teach science or mathematics at the secondary
25 level.

26 (g) This Section is substantially the same as Section 30-4b

1 of the School Code, which Section is repealed by this
2 amendatory Act of 1993, and shall be construed as a
3 continuation of the science-mathematics teacher scholarship
4 program established by that prior law, and not as a new or
5 different science-mathematics teacher scholarship program. The
6 State Board of Education shall transfer to the Commission, as
7 the successor to the State Board of Education for all purposes
8 of administering and implementing the provisions of this
9 Section, all books, accounts, records, papers, documents,
10 contracts, agreements, and pending business in any way relating
11 to the science-mathematics teacher scholarship program
12 continued under this Section; and all scholarships at any time
13 awarded under that program by, and all applications for any
14 such scholarships at any time made to, the State Board of
15 Education shall be unaffected by the transfer to the Commission
16 of all responsibility for the administration and
17 implementation of the science-mathematics teacher scholarship
18 program continued under this Section. The State Board of
19 Education shall furnish to the Commission such other
20 information as the Commission may request to assist it in
21 administering this Section.

22 (h) Appropriations for the scholarships outlined in this

24 by the General Assembly.

13 (a) The Commission may annually award a number of
14 scholarships to persons preparing to teach in areas of
15 identified staff shortages. Such scholarships shall be issued
16 to individuals who make application to the Commission and who
17 agree to take courses at qualified institutions of higher
18 learning which will prepare them to teach in areas of
19 identified staff shortages.

20 (b) Scholarships awarded under this Section shall be issued
21 pursuant to regulations promulgated by the Commission;
22 provided that no rule or regulation promulgated by the State
23 Board of Education prior to the effective date of this
24 amendatory Act of 1993 pursuant to the exercise of any right,
25 power, duty, responsibility or matter of pending business

1 transferred from the State Board of Education to the Commission
2 under this Section shall be affected thereby, and all such
3 rules and regulations shall become the rules and regulations of
4 the Commission until modified or changed by the Commission in
5 accordance with law. The Commission shall allocate the
6 scholarships awarded between persons initially preparing to
7 teach, persons holding valid teaching certificates issued
8 under Articles 21 and 34 of the School Code, and persons
9 holding a bachelor's degree from any accredited college or
10 university who have been employed for a minimum of 10 years in
11 a field other than teaching.

12 (c) Each scholarship shall be utilized by its holder for
13 the payment of tuition and non-revenue bond fees at any
14 qualified institution of higher learning. Such tuition and fees
15 shall be available only for courses that will enable the
16 individual to be certified to teach in areas of identified
17 staff shortages. The Commission shall determine which courses
18 are eligible for tuition payments under this Section.

19 (d) The Commission may make tuition payments directly to
20 the qualified institution of higher learning which the
21 individual attends for the courses prescribed or may make
22 payments to the teacher. Any teacher who received payments and
23 who fails to enroll in the courses prescribed shall refund the
24 payments to the Commission.

25 (e) Following the completion of the program of study,
26 persons who held valid teaching certificates and persons

1 holding a bachelor's degree from any accredited college or
2 university who have been employed for a minimum of 10 years in
3 a field other than teaching prior to receiving a teacher
4 shortage scholarship must accept employment within 2 years in a
5 school in Illinois within 60 miles of the person's residence to
6 teach in an area of identified staff shortage for a period of
7 at least 3 years; provided, however that any such person
8 instead may elect to accept employment within such 2 year
9 period to teach in an area of identified staff shortage for a
10 period of at least 3 years in a school in Illinois which is
11 more than 60 miles from such person's residence. Persons
12 initially preparing to teach prior to receiving a teacher
13 shortage scholarship must accept employment within 2 years in a
14 school in Illinois to teach in an area of identified staff
15 shortage for a period of at least 3 years. Individuals who fail
16 to comply with this provision shall refund all of the
17 scholarships awarded to the Commission, whether payments were
18 made directly to the institutions of higher learning or to the
19 individuals, and this condition shall be agreed to in writing
20 by all scholarship recipients at the time the scholarship is
21 awarded. No individual shall be required to refund tuition
22 payments if his or her failure to obtain employment as a
23 teacher in a school is the result of financial conditions
24 within school districts. The rules and regulations promulgated
25 as provided in this Section shall contain provisions regarding
26 the waiving and deferral of such payments.

1 (f) The Commission, with the cooperation of the State Board
2 of Education, shall assist individuals who have participated in
3 the scholarship program established by this Section in finding
4 employment in areas of identified staff shortages.

5 (g) Beginning in September, 1994 and annually thereafter,
6 the Commission, using data annually supplied by the State Board
7 of Education under procedures developed by it to measure the
8 level of shortage of qualified bilingual personnel serving
9 students with disabilities, shall annually publish (i) the
10 level of shortage of qualified bilingual personnel serving
11 students with disabilities, and (ii) allocations of
12 scholarships for personnel preparation training programs in
13 the areas of bilingual special education teacher training and
14 bilingual school service personnel.

15 (h) Appropriations for the scholarships outlined in this
16 Section shall be made to the Commission from funds appropriated
17 by the General Assembly.

18 (i) This Section is substantially the same as Section 30-4c
19 of the School Code, which Section is repealed by this
20 amendatory Act of 1993, and shall be construed as a
21 continuation of the teacher shortage scholarship program
22 established under that prior law, and not as a new or different
23 teacher shortage scholarship program. The State Board of
24 Education shall transfer to the Commission, as the successor to
25 the State Board of Education for all purposes of administering
26 and implementing the provisions of this Section, all books,

12 however, that this amount may be reduced by up to
13 \$25,000,000 if, at the time the trust or foundation is

11 trust or foundation funds.

12 (c)(1) In addition to the allocation and disbursement of

14 Section, the trustees of the trust or foundation shall
15 annually contribute funds in amounts set forth in

6 which it expends any funds received from the trust or
7 foundation setting forth the amount of any expenditures
8 (regardless of the source of funds for such expenditures)
9 for: (i) the representation of the interests of utility
10 consumers before the Illinois Commerce Commission, the

6 funds administered by agencies with responsibility for

15 (220 ILCS 5/16-111.2)

16 Sec. 16-111.2. Provisions related to proposed utility
17 transactions.

18 (a) The General Assembly finds:

19 (1) A transaction as described in paragraph (3) of this
20 subsection (a) will contribute to improved reliability of
21 the electric supply system in Illinois which is one of the
22 key purposes of the Illinois Electric Service Customer
23 Choice and Rate Relief Law of 1997.

24 (2) A transaction as described in paragraph (3) of this
25 subsection (a) is likely to promote additional investment

1 in the existing generating assets and in the development of
2 additional generation capacity in Illinois, and such
3 change in ownership is in the public interest, consistent
4 with the intent of the Illinois Electric Service Customer
5 Choice and Rate Relief Law of 1997 and beneficial for the
6 citizens of this State.

7 (3) As of the date on which this amendatory Act of 1999
8 becomes law, an electric utility providing service to more
9 than 1,000,000 customers in this State has proposed to sell
10 or transfer to a single buyer 5 or more generating plants
11 with a total net dependable capacity of 5000 megawatts or
12 more pursuant to subsection (g) of Section 16-111.

13 (4) Such electric utility anticipates receiving a sale
14 price or consideration as a result of such transaction
15 exceeding 200% of the book value of these plants.

16 (5) Such electric utility has presented to the Governor
17 and the leaders of the General Assembly a written
18 commitment in which such electric utility agrees to expend
19 \$2,000,000,000 outside the corporate limits of any
20 municipality with 1,000,000 or more inhabitants within
21 such electric utility's service area, over a 6-year period
22 beginning with this calendar year on projects, programs and
23 improvements within its service area relating to
24 transmission and distribution including, without
25 limitation, infrastructure expansion, repair and
26 replacement, capital investments, operations and

1 maintenance, and vegetation management.

2 (6) Such electric utility has committed that, if the
3 sale or transfer contemplated by paragraph (3) of this
4 subsection is consummated on or before December 31, 1999,
5 the electric utility shall make contributions totaling
6 \$250,000,000 to entities within this State for, among other
7 purposes, environmental and clean coal initiatives
8 pursuant to Section 16-111.1, which commitment includes a
9 contribution of \$25,000,000 to the Board of Trustees of
10 Southern Illinois University at Carbondale for the purpose
11 of funding programs or projects related to clean coal.

12 (b) That, in light of the findings in paragraphs (1) and
13 (2) of subsection (a) and, in this instance, the circumstances
14 described in paragraphs (3) through (6) of subsection (a) and
15 otherwise, the General Assembly hereby finds that allowing the
16 generating facilities being acquired to be eligible facilities
17 under the provisions of the National Energy Policy Act of 1992
18 that apply to exempt wholesale generators (A) will benefit
19 consumers; (B) is in the public interest; and (C) does not
20 violate the law of this State.

21 (c) Nothing in this Section shall have any effect on the
22 authority of the Commission under subsection (g) of Section
23 16-111 of this Act.

10 of Regency Universities, and the public community colleges
11 subject to the Public Community College Act.

12 (b) Each State-supported institution of higher learning
13 shall develop a comprehensive waste reduction plan covering a
14 period of 10 years which addresses the management of solid
15 waste generated by academic, administrative, student housing
16 and other institutional functions. The waste reduction plan
17 shall be developed by January 1, 1995. The initial plan
18 required under this Section shall be updated by the institution
19 every 5 years, and any proposed amendments to the plan shall be
20 submitted for review in accordance with subsection (f).

21 (c) Each waste reduction plan shall address, at a minimum,
22 the following topics: existing waste generation by volume,
23 waste composition, existing waste reduction and recycling
24 activities, waste collection and disposal costs, future waste
25 management methods, and specific goals to reduce the amount of
26 waste generated that is subject to landfill disposal.

1 (d) Each waste reduction plan shall provide for recycling
2 of marketable materials currently present in the institution's
3 waste stream, including but not limited to landscape waste,
4 corrugated cardboard, computer paper, and white office paper,
5 and shall provide for the investigation of potential markets
6 for other recyclable materials present in the institution's
7 waste stream. The recycling provisions of the waste reduction
8 plan shall be designed to achieve, by January 1, 2000, at least
9 a 40% reduction (referenced to a base year of 1987) in the
10 amount of solid waste that is generated by the institution and
11 identified in the waste reduction plan as being subject to
12 landfill disposal.

13 (e) Each waste reduction plan shall evaluate the
14 institution's procurement policies and practices to eliminate
15 procedures which discriminate against items with recycled
16 content, and to identify products or items which are procured
17 by the institution on a frequent or repetitive basis for which
18 products with recycled content may be substituted. Each waste
19 reduction plan shall prescribe that it will be the policy of
20 the institution to purchase products with recycled content
21 whenever such products have met specifications and standards of
22 equivalent products which do not contain recycled content.

23 (f) Each waste reduction plan developed in accordance with
24 this Section shall be submitted to the Department of Commerce
25 and Economic Opportunity for review and approval. The
26 Department's review shall be conducted in cooperation with the

1 Board of Higher Education and the Illinois Community College
2 Board.

3 (g) The Department of Commerce and Economic Opportunity
4 shall provide technical assistance, technical materials,
5 workshops and other information necessary to assist in the
6 development and implementation of the waste reduction plans.
7 The Department shall develop guidelines and funding criteria
8 for providing grant assistance to institutions for the
9 implementation of approved waste reduction plans.

11 Section 335. The Illinois Groundwater Protection Act is
12 amended by changing Section 7 as follows:

13 (415 ILCS 55/7) (from Ch. 111 1/2, par. 7457)

14 Sec. 7. (a) The Department, with the advice of the
15 Committee and the Council, shall develop a coordinated
16 groundwater data collection and automation program. The
17 collected and automated data shall include but need not be
18 limited to groundwater monitoring results, well logs,
19 pollution source permits and water quality assessments. The
20 Department shall act as the repository for such data and shall
21 automate this data in a manner that is accessible and usable by
22 all State agencies.

23 (b) The Department, in consultation with the Agency, the
24 Committee and the Council, shall develop and administer an

1 ongoing program of basic and applied research relating to
2 groundwater. Information generated from this program will be
3 made available to local governments seeking technical
4 assistance from the Department. The research program shall
5 include but need not be limited to:

6 (1) Long-term statewide groundwater quality
7 monitoring. A statewide monitoring well network shall be
8 composed of public water supply wells sampled by the
9 Agency, non-community wells sampled by the Department of
10 Public Health, and a representative sampling of other
11 existing private wells and newly constructed, dedicated
12 monitoring wells. The monitoring program shall be operated
13 for the following purposes: to evaluate, over time, the
14 appropriateness and effectiveness of groundwater quality
15 protection measures; to determine regional trends in
16 groundwater quality which may affect public health and
17 welfare; and to help identify the need for corrective
18 action. The Department shall periodically publish the
19 results of groundwater quality monitoring activities.

20 (2) Statewide groundwater assessment. The Department
21 shall conduct assessments to enhance the State's data base
22 concerning groundwater resources. The assessments shall
23 include location of groundwater resources, mapping of
24 aquifers, identification of appropriate recharge areas,
25 and evaluation of baseline groundwater quality. The
26 Department shall complete the statewide mapping of

1 appropriate recharge areas within 18 months after the
2 enactment of this Act at a level of detail suitable for
3 guiding the Agency in establishing priority groundwater
4 protection planning regions.

5 (3) Evaluation of pesticide impacts upon groundwater.
6 Such evaluation shall include the general location and
7 extent of any contamination of groundwaters resulting from
8 pesticide use, determination of any practices which may
9 contribute to contamination of groundwaters, and
10 recommendations regarding measures which may help prevent
11 degradation of groundwater quality by pesticides. Priority
12 shall be given to those areas of the State where pesticides
13 are utilized most intensively. The Department shall
14 prepare an initial report by January 1, 1990.

15 (4) Other basic and applied research. The Department
16 may conduct research in at least the following areas:
17 groundwater hydrology and hydraulics, movement of
18 contaminants through geologic materials, aquifer
19 restoration, and remediation technologies.

20 (c) The Department is authorized to accept and expend,
21 subject to appropriation by the General Assembly, any and all
22 grants, matching funds, appropriations from whatever source,
23 or other items of value from the federal or state governments
24 or from any institution, person, partnership, joint venture, or
25 corporation, public or private, for the purposes of fulfilling
26 its obligations under this Act.

1 (d) Southern Illinois University at Carbondale is
2 authorized to conduct basic and applied research relating to
3 chemical contamination of groundwater. It may assist the
4 Department in conducting research on any of the subjects
5 included in subsection (b) of this Section, and may accept and
6 expend grants and other support from the Department or other
7 sources for that purpose.

9 Section 340. The Court of Claims Act is amended by changing
10 Sections 8, 22-1, and 22-2 as follows:

11 (705 ILCS 505/8) (from Ch. 37, par. 439.8)

12 Sec. 8. Court of Claims jurisdiction; deliberation
13 periods. The court shall have exclusive jurisdiction to hear
14 and determine the following matters:

15 (a) All claims against the State founded upon any law of
16 the State of Illinois or upon any regulation adopted thereunder
17 by an executive or administrative officer or agency; provided,
18 however, the court shall not have jurisdiction (i) to hear or
19 determine claims arising under the Workers' Compensation Act or
20 the Workers' Occupational Diseases Act, or claims for expenses
21 in civil litigation, or (ii) to review administrative decisions
22 for which a statute provides that review shall be in the
23 circuit or appellate court.

24 (b) All claims against the State founded upon any contract

1 entered into with the State of Illinois.

2 (c) All claims against the State for time unjustly served
3 in prisons of this State when the person imprisoned received a
4 pardon from the governor stating that such pardon is issued on
5 the ground of innocence of the crime for which he or she was
6 imprisoned or he or she received a certificate of innocence
7 from the Circuit Court as provided in Section 2-702 of the Code
8 of Civil Procedure; provided, the amount of the award is at the
9 discretion of the court; and provided, the court shall make no
10 award in excess of the following amounts: for imprisonment of 5
11 years or less, not more than \$85,350; for imprisonment of 14
12 years or less but over 5 years, not more than \$170,000; for
13 imprisonment of over 14 years, not more than \$199,150; and
14 provided further, the court shall fix attorney's fees not to
15 exceed 25% of the award granted. On or after the effective date
16 of this amendatory Act of the 95th General Assembly, the court
17 shall annually adjust the maximum awards authorized by this
18 subsection (c) to reflect the increase, if any, in the Consumer
19 Price Index For All Urban Consumers for the previous calendar
20 year, as determined by the United States Department of Labor,
21 except that no annual increment may exceed 5%. For the annual
22 adjustments, if the Consumer Price Index decreases during a
23 calendar year, there shall be no adjustment for that calendar
24 year. The transmission by the Prisoner Review Board or the
25 clerk of the circuit court of the information described in
26 Section 11(b) to the clerk of the Court of Claims is conclusive

1 evidence of the validity of the claim. The changes made by this
2 amendatory Act of the 95th General Assembly apply to all claims
3 pending on or filed on or after the effective date.

4 (d) All claims against the State for damages in cases
5 sounding in tort, if a like cause of action would lie against a
6 private person or corporation in a civil suit, and all like

20 other than certain cases involving the operation of a State
21 vehicle described in this paragraph, shall not exceed the sum
22 of \$100,000 to or for the benefit of any claimant. The \$100,000
23 limit prescribed by this Section does not apply to an award of
24 damages in any case sounding in tort arising out of the
25 operation by a State employee of a vehicle owned, leased or
26 controlled by the State. The defense that the State or the

1 Medical Center Commission or the Board of Trustees of the
2 University of Illinois, the Board of Trustees of Southern
3 Illinois University at Carbondale, the Board of Trustees of
4 Southern Illinois University at Edwardsville, the Board of

13 negligence of its officers, agents, and employees in the course
14 of their employment is not applicable to the hearing and
