6 (1) Public Act 98-1076, which took effect on January 1,
7 2015, changed the repeal date set for Section 1-13 of this
8 Code from December 31, 2014 to December 31, 2016.

9 (2) The Statute on Statutes sets forth general rules on
10 the repeal of statutes and the construction of multiple
11 amendments, but Section 1 of that Act also states that
12 these rules will not be observed when the result would be
13 "inconsistent with the manifest intent of the General
14 Assembly or repugnant to the context of the statute".

15 (3) This amendatory Act of the 100th General Assembly
16 manifests the intention of the General Assembly to remove
17 the repeal of Section 1-13 of this Code.

18 (4) Section 1-13 of this Code was originally enacted to
19 protect, promote, and preserve the general welfare. Any
20 construction of Section 1-13 of this Code that results in
21 the repeal of that Section on December 31, 2014 would be
22 inconsistent with the manifest intent of the General
23 Assembly and repugnant to the context of this Code.

24 (b) It is hereby declared to have been the intent of the
25 General Assembly that Section 1-13 of this Code not be subject

3 in continuous effect since December 20, 2011 (the effective
4 date of Public Act 97-643), and it shall continue to be in
5 effect henceforward until it is otherwise lawfully repealed.
6 All previously enacted amendments to Section 1-13 of this Code
7 taking effect on or after December 31, 2014, are hereby
8 validated.

9 (d) All actions taken in reliance on or pursuant to Section
10 1-13 of this Code by any public institution of higher
11 education, person, or entity are hereby validated.

12 (e) In order to ensure the continuing effectiveness of
13 Section 1-13 of this Code, it is set forth in full and
14 re-enacted by this amendatory Act of the 100th General
15 Assembly. This re-enactment is intended as a continuation of
16 that Section. It is not intended to supersede any amendment to
17 that Section that is enacted by the 100th General Assembly.

18 (f) In this amendatory Act of the 100th General Assembly,
19 the base text of the reenacted Section is set forth as amended
20 by Public Act 98-1076. Striking and underscoring is used only
21 to show changes being made to the base text.

22 (g) Section 1-13 of this Code applies to all procurements
23 made on or before the effective date of this amendatory Act of
24 the 100th General Assembly.

1 Sec. 1-15.20. Construction; ~~and~~ construction-related
2 services; and construction support services. "Construction"
3 means building, altering, repairing, improving, or demolishing
4 any public structure or building, or making improvements of any

7 existing structures, buildings, or real property.

8 "Construction-related services" means those services
9 including construction design, layout, inspection, support,
10 feasibility or location study, research, development,
11 planning, or other investigative study undertaken by a
12 construction agency concerning construction or potential
13 construction.

25 State purchasing entity or for multiple State purchasing

1 entities and other entities as authorized under the
2 Governmental Joint Purchasing Act.

3 (30 ILCS 500/1-15.93)

4 (Section scheduled to be repealed on January 1, 2020)

5 Sec. 1-15.93. Single prime. "Single prime" means the
6 design-bid-build procurement delivery method for a building
7 construction project in which the Capital Development Board or

14 (30 ILCS 500/1-15.107)

15 Sec. 1-15.107. Subcontract. "Subcontract" means a contract
16 between a person and a person who has a contract subject to
17 this Code, pursuant to which the subcontractor provides to the
18 contractor, or, if the contract price exceeds \$100,000 ~~\$50,000~~,
19 another subcontractor, some or all of the goods, services, real
20 property, remuneration, or other monetary forms of
21 consideration that are the subject of the primary contract and
22 includes, among other things, subleases from a lessee of a

11 shall promptly, but in no event later than 7 calendar days
12 after receipt of the request, provide to the Board, by
13 electronic or other means satisfactory to the Board,

24 Sec. 20-80. Contract files.

1 (a) Written determinations. All written determinations
2 required under this Article shall be placed in the contract
3 file maintained by the chief procurement officer.

4 (b) Filing with Comptroller. Whenever a grant, defined
5 pursuant to accounting standards established by the
6 Comptroller, or a contract liability, except for: (1) contracts
7 paid from personal services, ~~or~~ (2) contracts between the State
8 and its employees to defer compensation in accordance with
9 Article 24 of the Illinois Pension Code, or (3) contracts paid

12 grant, or lease shall be filed with the Comptroller within 30
13 calendar days thereafter. Beginning January 1, 2013, the
14 Comptroller may require that contracts and grants required to
15 be filed with the Comptroller under this Section shall be filed
16 electronically, unless the agency is incapable of filing the
17 contract or grant electronically because it does not possess
18 the necessary technology or equipment. Any agency that is
19 incapable of electronically filing its contracts or grants
20 shall submit a written statement to the Governor and to the
21 Comptroller attesting to the reasons for its inability to
22 comply. This statement shall include a discussion of what the
23 agency needs in order to effectively comply with this Section.
24 Prior to requiring electronic filing, the Comptroller shall
25 consult with the Governor as to the feasibility of establishing
26 mutually agreeable technical standards for the electronic

1 document imaging, storage, and transfer of contracts and
2 grants, taking into consideration the technology available to
3 that agency, best practices, and the technological
4 capabilities of State agencies. Nothing in this amendatory Act
5 of the 97th General Assembly shall be construed to impede the
6 implementation of an Enterprise Resource Planning (ERP)
7 system. For each State contract for goods, supplies, or
8 services awarded on or after July 1, 2010, the contracting
9 agency shall provide the applicable rate and unit of
10 measurement of the goods, supplies, or services on the contract
11 obligation document as required by the Comptroller. If the
12 contract obligation document that is submitted to the
13 Comptroller contains the rate and unit of measurement of the
14 goods, supplies, or services, the Comptroller shall provide
15 that information on his or her official website. Any
16 cancellation or modification to any such contract liability
17 shall be filed with the Comptroller within 30 calendar days of
18 its execution.

19 (c) Late filing affidavit. When a contract, purchase order,
20 grant, or lease required to be filed by this Section has not
21 been filed within 30 calendar days of execution, the
22 Comptroller shall refuse to issue a warrant for payment
23 thereunder until the agency files with the Comptroller the
24 contract, purchase order, grant, or lease and an affidavit,
25 signed by the chief executive officer of the agency or his or
26 her designee, setting forth an explanation of why the contract

1 liability was not filed within 30 calendar days of execution. A
2 copy of this affidavit shall be filed with the Auditor General.

3 (d) Timely execution of contracts. No voucher shall be
4 submitted to the Comptroller for a warrant to be drawn for the
5 payment of money from the State treasury or from other funds
6 held by the State Treasurer on account of any contract unless
7 the contract is reduced to writing before the services are
8 performed and filed with the Comptroller. Vendors shall not be
9 paid for any goods that were received or services that were
10 rendered before the contract was reduced to writing and signed
11 by all necessary parties. A chief procurement officer may
12 request an exception to this subsection by submitting a written
13 statement to the Comptroller and Treasurer setting forth the
14 circumstances and reasons why the contract could not be reduced
15 to writing before the supplies were received or services were
16 performed. A waiver of this subsection must be approved by the
17 Comptroller and Treasurer. This Section shall not apply to

1 (30 ILCS 500/20-160)

2 Sec. 20-160. Business entities; certification;
3 registration with the State Board of Elections.

4 (a) For purposes of this Section, the terms "business
5 entity", "contract", "State contract", "contract with a State
6 agency", "State agency", "affiliated entity", and "affiliated
7 person" have the meanings ascribed to those terms in Section
8 50-37.

9 (b) Every bid and offer submitted to and every contract
10 executed by the State on or after January 1, 2009 (the
11 effective date of Public Act 95-971) and every submission to a
12 vendor portal shall contain (1) a certification by the bidder,
13 offeror, vendor, or contractor that either (i) the bidder,
14 offeror, vendor, or contractor is not required to register as a
15 business entity with the State Board of Elections pursuant to
16 this Section or (ii) the bidder, offeror, vendor, or contractor
17 has registered as a business entity with the State Board of
18 Elections and acknowledges a continuing duty to update the
19 registration and (2) a statement that the contract is voidable
20 under Section 50-60 for the bidder's, offeror's, vendor's, or
21 contractor's failure to comply with this Section.

22 (c) Each business entity (i) whose aggregate bids and
23 proposals on State contracts annually total more than \$50,000,
24 (ii) whose aggregate bids and proposals on State contracts
25 combined with the business entity's aggregate annual total
26 value of State contracts exceed \$50,000, or (iii) whose

1 contracts with State agencies, in the aggregate, annually total
2 more than \$50,000 shall register with the State Board of
3 Elections in accordance with Section 9-35 of the Election Code.
4 A business entity required to register under this subsection
5 due to item (i) or (ii) has a continuing duty to ensure that
6 the registration is accurate during the period beginning on the
7 date of registration and ending on the day after the date the
8 contract is awarded; any change in information must be reported
9 to the State Board of Elections 5 business days following such
10 change or no later than a day before the contract is awarded,
11 whichever date is earlier. A business entity required to
12 register under this subsection due to item (iii) has a
13 continuing duty to ensure that the registration is accurate in
14 accordance with subsection (e).

15 (d) Any business entity, not required under subsection (c)
16 to register, whose aggregate bids and proposals on State
17 contracts annually total more than \$50,000, or whose aggregate
18 bids and proposals on State contracts combined with the
19 business entity's aggregate annual total value of State
20 contracts exceed \$50,000, shall register with the State Board
21 of Elections in accordance with Section 9-35 of the Election
22 Code prior to submitting to a State agency the bid or proposal
23 whose value causes the business entity to fall within the
24 monetary description of this subsection. A business entity
25 required to register under this subsection has a continuing
26 duty to ensure that the registration is accurate during the

1 period beginning on the date of registration and ending on the
2 day after the date the contract is awarded. Any change in
3 information must be reported to the State Board of Elections
4 within 5 business days following such change or no later than a
5 day before the contract is awarded, whichever date is earlier.

6 (e) A business entity whose contracts with State agencies,
7 in the aggregate, annually total more than \$50,000 must
8 maintain its registration under this Section and has a
9 continuing duty to ensure that the registration is accurate for
10 the duration of the term of office of the incumbent
11 officeholder awarding the contracts or for a period of 2 years
12 following the expiration or termination of the contracts,
13 whichever is longer. A business entity, required to register
14 under this subsection, has a continuing duty to report any
15 changes on a quarterly basis to the State Board of Elections
16 within 14 calendar days following the last day of January,
17 April, July, and October of each year. Any update pursuant to
18 this paragraph that is received beyond that date is presumed
19 late and the civil penalty authorized by subsection (e) of
20 Section 9-35 of the Election Code (10 ILCS 5/9-35) may be
21 assessed.

22 Also, if a business entity required to register under this
23 subsection has a pending bid or offer, any change in
24 information shall be reported to the State Board of Elections
25 within 7 calendar days following such change or no later than a
26 day before the contract is awarded, whichever date is earlier.

1 (f) A business entity's continuing duty under this Section
2 to ensure the accuracy of its registration includes the
3 requirement that the business entity notify the State Board of
4 Elections of any change in information, including but not
5 limited to changes of affiliated entities or affiliated
6 persons.

7 (g) For any bid or offer for a contract with a State agency
8 by a business entity required to register under this Section,
9 the chief procurement officer may ~~shall~~ verify that the
10 business entity is required to register under this Section and
11 is in compliance with the registration requirements on the date
12 the bid or offer is due. A chief procurement officer shall not
13 accept a bid or offer if the business entity is not in
14 compliance with the registration requirements as of the date
15 bids or offers are due. Upon discovery of noncompliance with
16 this Section, if the bidder or offeror made a good faith effort
17 to comply with registration efforts prior to the date the bid
18 or offer was due, a chief procurement officer may provide the
19 bidder or offeror 5 business days to achieve compliance. The
20 chief procurement officer may extend the time to prove
21 compliance by as long as necessary in the event that there is a
22 failure within the State Board of Elections's registration
23 system.

24 (h) A registration, and any changes to a registration, must
25 include the business entity's verification of accuracy and
26 subjects the business entity to the penalties of the laws of

1 this State for perjury.

2 In addition to any penalty under Section 9-35 of the
3 Election Code, intentional, willful, or material failure to
4 disclose information required for registration shall render
5 the contract, bid, offer, or other procurement relationship
6 voidable by the chief procurement officer if he or she deems it
7 to be in the best interest of the State of Illinois.

8 (i) This Section applies regardless of the method of source
9 selection used in awarding the contract.

13 Sec. 30-30. Design-bid-build construction.

14 (a) The provisions of this subsection are operative through
15 December 31, 2019.

16 For building construction contracts in excess of \$250,000,
17 separate specifications may be prepared for all equipment,
18 labor, and materials in connection with the following 5
19 subdivisions of the work to be performed:

20 (1) plumbing;

21 (2) heating, piping, refrigeration, and automatic
22 temperature control systems, including the testing and
23 balancing of those systems;

24 (3) ventilating and distribution systems for
25 conditioned air, including the testing and balancing of

1 those systems;

2 (4) electric wiring; and

3 (5) general contract work.

4 The specifications may be so drawn as to permit separate
5 and independent bidding upon each of the 5 subdivisions of
6 work. All contracts awarded for any part thereof may award the
7 5 subdivisions of work separately to responsible and reliable
8 persons, firms, or corporations engaged in these classes of
9 work. The contracts, at the discretion of the construction
10 agency, may be assigned to the successful bidder on the general
11 contract work or to the successful bidder on the subdivision of
12 work designated by the construction agency before the bidding
13 as the prime subdivision of work, provided that all payments
14 will be made directly to the contractors for the 5 subdivisions
15 of work upon compliance with the conditions of the contract.

16 Beginning on the effective date of this amendatory Act of
17 the 99th General Assembly and through December 31, 2019, for
18 single prime projects: (i) the bid of the successful low bidder
19 shall identify the name of the subcontractor, if any, and the
20 bid proposal costs for each of the 5 subdivisions of work set
21 forth in this Section; (ii) the contract entered into with the
22 successful bidder shall provide that no identified
23 subcontractor may be terminated without the written consent of
24 the Capital Development Board; (iii) the contract shall comply
25 with the disadvantaged business practices of the Business
26 Enterprise for Minorities, Females, and Persons with

1 Disabilities Act and the equal employment practices of Section
2 2-105 of the Illinois Human Rights Act; (iv) the Capital
3 Development Board and public institutions of higher education
4 shall submit a quarterly report to the Procurement Policy Board
5 with information on the general scope, project budget, and
6 established Business Enterprise Program goals for any single
7 prime procurement bid in the previous 3 months with a total
8 construction cost valued at \$10,000,000 or less; and (v) the
9 Capital Development Board and public institutions of higher
10 education shall submit an annual report to the General Assembly
11 and Governor on the bidding, award, and performance of all
12 single prime projects.

13 For building construction projects with a total
14 construction cost valued at \$5,000,000 or less, the Capital
15 Development Board and public institutions of higher education
16 shall not use the single prime procurement delivery method for
17 more than 50% of the total number of projects bid for each
18 fiscal year. Any project with a total construction cost valued
19 greater than \$5,000,000 may be bid using single prime at the
20 discretion of the Executive Director of the Capital Development
21 Board or the president of a public institution of higher
22 education, as applicable.

23 Beginning on the effective date of this amendatory Act of
24 the 99th General Assembly and through December 31, 2017, the
25 Capital Development Board and public institutions of higher
26 education shall, on a weekly basis: review the projects that

1 have been designed, and approved to bid; and, for every fifth
2 determination to use the single prime procurement delivery
3 method for a project under \$10,000,000, submit to the
4 Procurement Policy Board a written notice of its intent to use
5 the single prime method on the project. The notice shall
6 include the reasons for using the single prime method and an
7 explanation of why the use of that method is in the best
8 interest of the State. The Capital Development Board or a
9 public institution of higher education, as applicable, shall
10 post the notice on its online procurement webpage and on the
11 online Procurement Bulletin at least 3 business days following
12 submission. The Procurement Policy Board shall review and
13 provide its decision on the use of the single prime method for
14 every fifth use of the single prime procurement delivery method
15 for a project under \$10,000,000 within 7 business days of
16 receipt of the notice from the Capital Development Board or the
17 public institution of higher education, as applicable.
18 Approval by the Procurement Policy Board shall not be
19 unreasonably withheld and shall be provided unless the
20 Procurement Policy Board finds that the use of the single prime
21 method is not in the best interest of the State. Any decision
22 by the Procurement Policy Board to disapprove the use of the
23 single prime method shall be made in writing to the Capital
24 Development Board or the public institution of higher
25 education, as applicable, posted on the online Procurement
26 Bulletin, and shall state the reasons why the single prime

1 method was disapproved and why it is not in the best interest
2 of the State. For the requirements under this Section, the
3 Capital Development Board shall have responsibility for only
4 those projects that are managed pursuant to the Capital
5 Development Board Act.

6 (b) The provisions of this subsection are operative on and
7 after January 1, 2020. For building construction contracts in
8 excess of \$250,000, separate specifications shall be prepared
9 for all equipment, labor, and materials in connection with the
10 following 5 subdivisions of the work to be performed:

11 (1) plumbing;

12 (2) heating, piping, refrigeration, and automatic
13 temperature control systems, including the testing and
14 balancing of those systems;

15 (3) ventilating and distribution systems for
16 conditioned air, including the testing and balancing of
17 those systems;

18 (4) electric wiring; and

19 (5) general contract work.

20 The specifications must be so drawn as to permit separate
21 and independent bidding upon each of the 5 subdivisions of
22 work. All contracts awarded for any part thereof shall award
23 the 5 subdivisions of work separately to responsible and
24 reliable persons, firms, or corporations engaged in these
25 classes of work. The contracts, at the discretion of the
26 construction agency, may be assigned to the successful bidder

1 on the general contract work or to the successful bidder on the
2 subdivision of work designated by the construction agency
3 before the bidding as the prime subdivision of work, provided
4 that all payments will be made directly to the contractors for
5 the 5 subdivisions of work upon compliance with the conditions
6 of the contract.

10 Sec. 35-30. Awards.

11 (a) All State contracts for professional and artistic
12 services, except as provided in this Section, shall be awarded
13 using the competitive request for proposal process outlined in
14 this Section.

15 (b) For each contract offered, the chief procurement
16 officer, State purchasing officer, or his or her designee shall
17 use the appropriate standard solicitation forms available from
18 the chief procurement officer for matters other than
19 construction or the higher education chief procurement
20 officer.

21 (c) Prepared forms shall be submitted to the chief
22 procurement officer for matters other than construction or the
23 higher education chief procurement officer, whichever is
24 appropriate, for publication in its Illinois Procurement
25 Bulletin and circulation to the chief procurement officer for

1 matters other than construction or the higher education chief
2 procurement officer's list of prequalified vendors. Notice of
3 the offer or request for proposal shall appear at least 14
4 calendar days before the response to the offer is due.

5 (d) All interested respondents shall return their
6 responses to the chief procurement officer for matters other
7 than construction or the higher education chief procurement
8 officer, whichever is appropriate, which shall open and record
9 them. The chief procurement officer for matters other than
10 construction or higher education chief procurement officer
11 then shall forward the responses, together with any information
12 it has available about the qualifications and other State work
13 of the respondents.

14 (e) After evaluation, ranking, and selection, the
15 responsible chief procurement officer, State purchasing
16 officer, or his or her designee shall notify the chief
17 procurement officer for matters other than construction or the
18 higher education chief procurement officer, whichever is
19 appropriate, of the successful respondent and shall forward a
20 copy of the signed contract for the chief procurement officer
21 for matters other than construction or higher education chief
22 procurement officer's file. The chief procurement officer for
23 matters other than construction or higher education chief
24 procurement officer shall publish the names of the responsible
25 procurement decision-maker, the agency letting the contract,
26 the successful respondent, a contract reference, and value of

1 the let contract in the next appropriate volume of the Illinois
2 Procurement Bulletin.

3 (f) For all professional and artistic contracts with
4 annualized value that exceeds \$100,000 ~~\$25,000~~, evaluation and
5 ranking by price are required. Any chief procurement officer or
6 State purchasing officer, but not their designees, may select a
7 respondent other than the lowest respondent by price. In any
8 case, when the contract exceeds the \$100,000 ~~\$25,000~~ threshold
9 and the lowest respondent is not selected, the chief
10 procurement officer or the State purchasing officer shall
11 forward together with the contract notice of who the low
12 respondent by price was and a written decision as to why
13 another was selected to the chief procurement officer for
14 matters other than construction or the higher education chief
15 procurement officer, whichever is appropriate. The chief
16 procurement officer for matters other than construction or
17 higher education chief procurement officer shall publish as
18 provided in subsection (e) of Section 35-30, but shall include
19 notice of the chief procurement officer's or State purchasing
20 officer's written decision.

21 (g) The chief procurement officer for matters other than
22 construction and higher education chief procurement officer
23 may each refine, but not contradict, this Section by
24 promulgating rules for submission to the Procurement Policy
25 Board and then to the Joint Committee on Administrative Rules.
26 Any refinement shall be based on the principles and procedures

1 of the federal Architect-Engineer Selection Law, Public Law
2 92-582 Brooks Act, and the Architectural, Engineering, and Land
3 Surveying Qualifications Based Selection Act; except that
4 pricing shall be an integral part of the selection process.

6 (30 ILCS 500/40-25)

7 Sec. 40-25. Length of leases.

8 (a) Maximum term. Leases shall be for a term not to exceed
9 10 years inclusive, beginning January, 1, 2010, of proposed
10 contract renewals and shall include a termination option in
11 favor of the State after 5 years. The duration of any lease for
12 real property entered into by a public institution of higher
13 education that requires a capital improvement in excess of
14 \$100,000 as a condition of the lease may exceed 10 years, but
15 not more than 30 years, if the governing board of a public
16 institution of higher education, during a public hearing,
17 determines that a lease in excess of 10 years is required or
18 necessary for the use or benefit of that public institution of
19 higher education and that the lease is in the best interest of
20 the public institution of higher education. On July 1, 2022 and
21 every 5 years thereafter, the capital improvement minimum
22 established in this subsection (a) shall be adjusted for
23 inflation by the chief procurement officer for higher education
24 as determined by the Consumer Price Index for All Urban
25 Consumers as determined by the United States Department of

1 Labor and rounded to the nearest \$100.

2 (b) Renewal. Leases may include a renewal option. An option
3 to renew may be exercised only when a State purchasing officer
4 determines in writing that renewal is in the best interest of
5 the State and notice of the exercise of the option is published
6 in the appropriate volume of the Procurement Bulletin at least
7 60 calendar days prior to the exercise of the option.

8 (c) Subject to appropriation. All leases shall recite that
9 they are subject to termination and cancellation in any year
10 for which the General Assembly fails to make an appropriation
11 to make payments under the terms of the lease.

12 (d) Holdover. Beginning January 1, 2010, no lease may
13 continue on a month-to-month or other holdover basis for a
14 total of more than 6 months. Beginning July 1, 2010, the
15 Comptroller shall withhold payment of leases beyond this
16 holdover period.

11 School Code shall be exempted by the administrator after those
12 textbooks have been on loan pursuant to that Section for a
13 period of 5 years or more. The listing shall include all
14 property being acquired under agreements which are required by
15 the State Comptroller to be capitalized for inclusion in the
16 statewide financial statements. Each responsible officer shall
17 submit a listing of the permanent record at least annually to
18 the administrator in such format as the administrator shall
19 require. The record may be submitted in either hard copy or
20 computer readable form. The administrator may require more
21 frequent submissions when in the opinion of the administrator
22 the agency records are not sufficiently reliable to justify
23 annual submissions.

10 (30 ILCS 605/7a)

11 Sec. 7a. Surplus furniture. It is declared to be the public
12 policy of this State, and the General Assembly determines, that
13 it is in the best interest of the people of this State to
14 expend the least amount of funds possible on the purchase of
15 furniture.

16 Agencies that desire to purchase new furniture shall first
17 check with the administrator if any of the surplus furniture
18 under the administrator's control can be used in place of new
19 furniture. If an agency finds that it is unable to use the
20 surplus property, the agency shall file an affidavit with the
21 administrator prior to any purchase, specifying the types of
22 new furniture to be bought, the quantities of each type of new
23 furniture, the cost per type, and the total cost per category.
24 The affidavit shall also clearly state why the furniture must
25 be purchased new as opposed to obtained from the

1 administrator's surplus. The affidavits shall be made
2 available by the administrator for public inspection and
3 copying.

4 This Section applies only to the purchase of an item of
5 furniture with a purchase price of \$500 or more.

6 For the purposes of this Section, "agency" does not include

9 (30 ILCS 605/7.3) (from Ch. 127, par. 133b10.3)

10 Sec. 7.3. (a) The Administrator shall have charge of all
11 transferable property and shall have authority to take
12 possession and control of such property in order to transfer or
13 assign any such property to any other State agency that has
14 need or use for such property or to dispose of said property in
15 accordance with Section 7 of this Act.

16 The Administrator may not dispose of a transferable
17 airplane by sale until he or she determines that (i) the agency
18 no longer has a need for the airplane, (ii) the airplane will
19 not be used as a trade-in on another aircraft, and (iii) no
20 public university or college in Illinois that offers courses in
21 aviation, flight training, or other subjects involving
22 knowledge of the workings of an airplane has listed the need
23 for an airplane as provided in this Section.

24 Responsible officers shall periodically report all
25 transferable property at locations under their jurisdictions

1 to the Administrator. The Administrator shall review such
2 reports and arrange for physical examination of said property
3 if necessary to determine if said items of transferable
4 property should be transferred to another State agency,
5 transferred to a central warehouse, or disposed of. The
6 Administrator shall advise responsible officers of the results
7 of these reviews as necessary.

8 The staff under the jurisdiction of the Administrator shall
9 review as necessary State agencies' inventories for potential
10 items of transferable property. If in the opinion of the
11 Administrator's staff, any property appears to be
12 transferable, the Administrator shall notify the responsible
13 officer of his determination. The executive head of the agency
14 holding the property in question may appeal the determination
15 in writing to the Administrator.

16 The Administrator will review the determination in
17 accordance with rules and procedures established pursuant to
18 Section 5 of this Act.

19 The Administrator shall maintain lists of transferable
20 property and of State agency needs for such property and will
21 transfer where appropriate listed transferable property to
22 agencies listing their needs for such property as detailed by
23 their responsible officers. The Administrator must give
24 priority for transfer of an airplane, that is not to be used as
25 a trade-in, to a public university or college in Illinois that
26 offers courses in aviation, flight training, or other subjects

1 involving knowledge of the workings of an airplane and that has
2 listed the need for an airplane.

3 (b) The Board of Trustees of the University of Illinois
4 shall transfer or assign to the Administrator, for disposition
5 in accordance with subsection (b) of Section 7, any tangible
6 personal property in its possession, custody, or control that
7 would otherwise qualify as transferable property.

8 (Source: P.A. 91-432, eff. 1-1-00.)

9 Section 20. The University of Illinois Act is amended by
10 adding Sections 100, 105, and 110 as follows:

11 (110 ILCS 305/100 new)

12 Sec. 100. University of Illinois Investment, Performance,
13 and Accountability Commitment.

14 (a) This Section may be referred to as the University of
15 Illinois Investment, Performance, and Accountability
16 Commitment.

17 (b) If the General Assembly appropriates and the State
18 Comptroller makes available to the University an amount for
19 operations that is not less than \$647,186,400 for Fiscal Year
20 2018, then subsections (c), (d), and (e) of this Section apply
21 to the University during Fiscal Year 2018. If, for any
22 subsequent fiscal year, the General Assembly appropriates
23 before the beginning of that fiscal year and the State
24 Comptroller makes available to the University within 12 months

1 from the effective date of that appropriation an amount for
2 operations that is not less than \$647,186,400, increased by a
3 percentage equal to the percentage increase, if any, in the
4 Consumer Price Index for All Urban Consumers (CPI-U) published
5 by the Bureau of Labor Statistics of the United States
6 Department of Labor for the period beginning on January 1, 2018
7 and ending on the most recent December 31, then subsections
8 (c), (d), and (e) of this Section apply to the University
9 during that fiscal year.

10 (c) In this subsection (c), "mandatory fees" excludes
11 mandatory fees approved by students by referendum. Beginning
12 with the 2018-2019 academic year, the Board of Trustees may not
13 increase the base rate of in-State, undergraduate tuition and
14 mandatory fees by more than the rate of inflation, if any, as
15 measured by the Consumer Price Index for all Urban Consumers
16 (CPI-U) published by the Bureau of Labor Statistics of the
17 United States Department of Labor for the 12 months ending on
18 the previous December 31 above the base rate of in-State,
19 undergraduate tuition and mandatory fees set by the Board of
20 Trustees for an undergraduate academic program in the previous
21 academic year. This subsection (c) does not apply to health
22 insurance fees, fees approved prior to the effective date of
23 this amendatory Act of the 100th General Assembly, or fees
24 approved by a student referendum.

25 (d) For Fiscal Year 2018 and every fiscal year thereafter,
26 the University shall implement the Invest in Illinoisans

1 program to provide to residents of this State \$170,000,000 in
2 annual financial aid. A percentage of this financial aid shall
3 be provided annually to Illinois students of historically
4 underrepresented populations. Such students shall include the
5 following:

6 (1) students who are Black or African American,
7 Hispanic or Latino, American Indian or Alaska Native, or
8 Native Hawaiian or Other Pacific Islander;

14 over the last 3 years; and

21 transfer students no fewer than 14,000 residents of this
22 State in undergraduate programs at the University of

24 this State in undergraduate programs at the University of
25 Illinois at Chicago campus, and 1,500 residents of this
26 State in undergraduate programs at the University of

1 Illinois at Springfield campus, provided the requisite
2 number of residents of this State seeking admission to
3 undergraduate programs at the University meet the
4 requirements of Section 8 of this Act. Residents of this
5 State must comprise at least 50%, combined, of any growth
6 in on-campus undergraduate enrollment above the level for
7 the 2015-2016 academic year.

9 year retention rate in undergraduate programs greater than
10 or equal to a combined 87% at the University of Illinois at
11 Urbana-Champaign campus, the University of Illinois at
12 Chicago campus, and the University of Illinois at
13 Springfield campus.

15 rate for first-time freshmen in undergraduate programs
16 greater than or equal to a combined 72% at the University
17 of Illinois at Urbana-Champaign campus, the University of
18 Illinois at Chicago campus, and the University of Illinois
19 at Springfield campus.

20 (f) Beginning September 1, 2018 and every September 1
21 thereafter, the University shall publish on its website and
22 make publicly available an annual report related to the
23 previous academic and fiscal year at the University of Illinois

19 (13) The direct appropriation as a percentage of total
20 expenditures.

21 (14) The number of undergraduate students enrolled in
22 each college of each campus.

23 (15) The number of undergraduate students who are
24 residents of this State enrolled in each college of each
25 campus.

26 (g) The requirements of subsections (c), (d), and (e) of

1 this Section do not apply to the University during any fiscal
2 year in which the General Assembly does not make an
3 appropriation in accordance with subsection (b) of this Section
4 or during any fiscal year in which the State Comptroller fails
5 to make available the amounts required under subsection (b) of
6 this Section. Nothing in this Section is intended to grant to
7 the University a vested, contractual right to a particular
8 level of funding for any fiscal year.

9 (h) This Section is repealed on June 30, 2022.

10 (110 ILCS 305/105 new)

11 Sec. 105. Certificates of participation for capital
12 improvements.

13 (a) For the purposes of this Section, "Commission" means
14 the Commission on Government Forecasting and Accountability.

15 (b) The power of the Board of Trustees to enter into
16 contracts includes the power to enter into financing agreements
17 in connection with the financing of capital improvements,
18 including technology or other related improvements, by selling
19 certificates of participation in the installment payments made
20 under such financing agreements. These financing agreements
21 may be entered into for any period of time less than or equal
22 to 30 years, but not to exceed the useful life of the capital
23 improvement. Nothing in this Section authorizes the Board to
24 incur State debt, as that term is defined in subsection (a) of
25 Section 9 of Article IX of the Constitution of the State of

1 Illinois.

2 (c) Upon determination by the Board to undertake a
3 transaction for the sale of certificates of participation and
4 enter into related financing agreements in connection with the
5 financing of capital improvements, the Board shall adopt a
6 resolution or resolutions describing in a general way the
7 contemplated facilities or a combination thereof designated as
8 the project, the estimated cost thereof, and any additional
9 relevant information.

10 (d) Before issuance of any certificate of participation,
11 the Board or its representatives shall appear before the
12 Commission and present the details of the proposal. This
13 presentation shall include such information as the Commission
14 may request in relation to the proposed certificate of
15 participation issuance. This information shall include, but is
16 not limited to, the amount being financed, the nature of the
17 project being financed, the proposed funding stream to pay for
18 the certificate of participation issuance, the current
19 outstanding indebtedness of the University, and the status of
20 all currently issued certificates of participation.

21 Upon receipt of a request by the University for a
22 certificate of participation presentation, the Commission
23 shall hold a public hearing and, upon adoption by a vote of the
24 majority of appointed members, issue a record of findings in
25 regards to the issuance of the certificate of participation
26 within 60 days after the request.

1 As part of the Commission's considerations and findings,
2 the Commission shall consider the effect the issuance of a
3 certificate of participation shall have on the University's
4 annual debt service and overall fiscal condition.

5 Within the Commission's findings must be a statement in
6 which the Commission makes a recommendation to the University
7 as to proceeding with the certificate of participation
8 issuance. The recommendation shall be either (i) "favorably
9 recommended", (ii) "recommended with concerns", or (iii)
10 "non-support of issuance".

11 The Commission shall report the findings within 15 days
12 after the hearing to all of the following:

15 Representatives.

16 (3) The President of the Senate.

17 (4) The Minority Leader of the Senate.

18 (5) The Governor's Office of Management and Budget.

19 (6) The President of the University.

20 Upon a finding of "non-support of issuance", the University
21 may not proceed with the issuance of the certificate of
22 participation involved in the finding without the approval of
23 the General Assembly through the adoption of a joint
24 resolution.

25 (e) Upon receipt of the external Auditor General audit
26 report of each year, the University shall file with the

5 include within the appropriate documents related to its
6 execution the following statement, which sets forth required
7 limitations in relation to the certificate:

8 "THE BOARD OF TRUSTEES' OBLIGATION TO MAKE INSTALLMENT
9 PAYMENTS DOES NOT CONSTITUTE A DEBT OF THE BOARD OR THE STATE
10 OF ILLINOIS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR
11 STATUTORY LIMITATION. THE INSTALLMENT PAYMENTS REQUIRED UNDER
12 CERTIFICATES OF PARTICIPATION INCURRED BY THE UNIVERSITY ARE
13 NOT SECURED BY THE FULL FAITH AND CREDIT OF THE STATE AND ARE
14 NOT REQUIRED TO BE REPAID AND MAY NOT BE REPAID, DIRECTLY OR
15 INDIRECTLY, FROM TAX REVENUE."

16 (g) The maximum annual debt service for the University's
17 total certificate of participation obligation must not exceed
18 \$100,000,000.

19 (110 ILCS 305/110 new)

21 appropriation, the Board of Trustees shall establish and
22 administer a program, to be called the Illinois Excellence
23 Program, to recruit and retain promising faculty throughout the
24 University of Illinois system through capital investment in
25 both new and distressed facilities. The Program shall focus on

1 capital investment in facilities designed to attract and retain
2 sought-after faculty to the University of Illinois system.

3 The Illinois Excellence Fund is created as a special fund
4 in the State treasury. All money in the Fund may be used,
