21 may transfer such persons other than addicts, alcoholics or  
22 intoxicated persons:

23 (1) to the Department of Human Services for

1 observation, diagnosis and treatment, subject to the

5 (2) to any psychiatric unit of any public or private  
6 hospital for observation, diagnosis, and treatment,  
7 subject to the approval of the hospital, for a period of  
8 not more than 6 months, if the person consents in writing  
9 to the transfer. No person may be transferred under this  
10 paragraph unless the Department determines in writing that  
11 the psychiatric unit to which the person will be  
12 transferred can provide a safe and secure environment for  
13 that person.

14 The person shall be advised of his right not to consent, and if

1 (c) If a committed person does not consent to his transfer  
2 ~~to the Department of Human Services~~ or if a person objects  
3 under paragraph (b) of this Section, or if the Department of  
4 Human Services or other hospital determines that a transferred  
5 person requires commitment ~~to the Department of Human Services~~  
6 for more than 6 months, or if the person's sentence will expire  
7 within 6 months, the Director of ~~the Department of~~ Corrections

18 ~~state's attorneys~~ of the county in which the correctional  
19 institution or facility is located and the county in which the  
20 named person was committed to the Department of Corrections.

21 (d) The court shall set a date for a hearing on the  
22 petition within the time limit set forth in the Mental Health  
23 and Developmental Disabilities Code. The hearing shall be  
24 conducted in the manner prescribed by the Mental Health and  
25 Developmental Disabilities Code. If the person is found to be  
26 in need of commitment ~~to the Department of Human Services~~ for

4 Director or the chief administrative officer of any institution  
5 or facility to utilize the emergency admission provisions of  
6 the Mental Health and Developmental Disabilities Code with  
7 respect to any person in his custody or care. The transfer of a  
8 person to an institution or facility of the Department of Human  
9 Services or to any psychiatric unit of any public or private
