

100TH GENERAL ASSEMBLY

State of Illinois

2017 and 2018

SB1649

Introduced 2/9/2017, by Sen. Andy Manar

SYNOPSIS AS INTRODUCED:

415 ILCS 5/22.54a

Amends the Environmental Protection Act. Provides that no owner or operator of a sanitary landfill that is located within a 25-mile radius of an eligible shingle recycling facility (currently, a site where asphalt roofing shingles are recycled under a Beneficial Use Determination pursuant to specified provisions of the Act) shall accept for disposal loads of whole or processed asphalt roofing shingles. Makes a corresponding change. Defines "eligible shingle recycling facility". Removes language providing that provisions concerning the disposal of asphalt roofing shingles are repealed on February 1, 2018.

LRB100 09972 MJP 20143 b

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by
5 changing Section 22.54a as follows:

6 (415 ILCS 5/22.54a)

7 (Section scheduled to be repealed on February 1, 2018)

8 Sec. 22.54a. Disposal of asphalt roofing shingles. No owner
9 or operator of a sanitary landfill that is located within a
10 25-mile radius of an eligible shingle recycling facility ~~a site~~
11 ~~where asphalt roofing shingles are recycled under a Beneficial~~
12 ~~Use Determination (BUD) issued by the Agency pursuant to~~
13 ~~Section 22.54 of this Act~~ shall accept for disposal loads of
14 whole or processed asphalt roofing shingles. Nothing in this
15 Section shall prohibit or restrict a sanitary landfill from
16 accepting for disposal asphalt roofing shingles that are
17 commingled with municipal waste, including, but not limited to,
18 general construction or demolition debris.

19 For the purposes of this Section, "eligible shingle
20 recycling facility" means a site that (1) is approved for
21 asphalt shingle recycling under a Beneficial Use Determination
22 (BUD) pursuant to Section 22.54 of this Act; (2) is in
23 compliance with the provisions of its BUD; (3) is approved for

1 the acceptance of asphalt roofing shingles from more than a
2 single source; and (4) is actively accepting asphalt roofing
3 shingles for recycling purposes. The Agency shall post on its
4 website the name and address of each eligible shingle recycling
5 facility ~~site at which the recycling of asphalt roofing~~
6 ~~shingles under a BUD is approved.~~

7 No later than January 31 of each year, each recipient of a
8 BUD for asphalt roofing shingles shall submit a report to the
9 Agency that contains the following information: (i) the total
10 quantity of asphalt roofing shingles received under the BUD
11 during the previous calendar year; (ii) the beneficial uses
12 during the previous calendar year of shingles received under
13 the BUD; (iii) the total quantity of shingles used in each
14 beneficial use during the previous calendar year; and (iv) the
15 total quantity and disposition of any shingles received but not
16 beneficially used under the BUD during the previous calendar
17 year. The report must be submitted on a form and in a format
18 prescribed by the Agency.

19 ~~This Section is repealed on February 1, 2018.~~
